To Be Continued

PIE SUPPER
A pie supper will be held at the Moore School on Wednesday night the 25 of August. Funds will go for the improvement of the school and the Fair. Everybody is invited.

PIE SUPPER
There was a pie supper at the Diney school Saturday night. There was a nice crowd and everyone had a good time. The money will be spent for the improvement of the schoolroom and to buy books. We want to thank everyone for their splendid cooperation.

CLEARFIELD FIB SUPPER
A pie supper was given by the Clearfield school on the date of July 30, which was a great success and they are very thankful for the interest shown. About thirty seven

dollars was made which will go to equipment for the playground. Some of the playground equipment bought was a 6 ball croquet set, painted basketballs and a soft ball.

PARENTS & TEACHERS MEET
The parents and children met at the Three Lick School August 6, and the children gave a program for the parents after which pies were sold. Everyone enjoyed a nice social evening and money was raised to buy supplies.

RAZOR CLEANERS 42.00
Razor's pie supper brought a total of \$9.00 clear. Ice cream was also sold. Curtains were bought and the rest of the money will be spent for the room.

RAMEY HAS PIE SUPPER
The Ramey pie supper at which \$3.00 was made helped the children to hire a truck and take trip to the Zoo at Cincinnati.

4-H CLUB
There was a meeting of the 4-H Club at the Big Brushy school Wednesday afternoon, August 11. The following officers were elected: President, Ruby Haney; vice president, Ruth Egan; and secretary, Christine Boyd. Another meeting will be held Thursday afternoon, September 9. At this time the club members and other children will present a program. This work will cause much interest and will be worth much in experience.

CLARK SCHOOL PIE SUPPER
There will be a pie supper at the Clark school Saturday night August 21. Everyone is invited to come.

CARD OF THANKS
To those who during the illness and following the death of our beloved infant son Joe so kindly aided us in our hour of affliction, we wish to express our deepest gratitude and our sincerest thanks.
Mr. and Mrs. William Carter and family.

Cozy To Show Hospital Drama

Making a successful comeback after two years absence from the screen, Sally Blane, one of three beautiful screen sisters, of which the other two are Loretta Young and Polly Ann Young, has a featured role in the Twentieth Century Fox farcical thriller, "The Great Hospital Mystery," which opens Friday and Saturday at the Cozy Theatre.

I played in 110 pictures, by actual count, Sally said, "but although I played a lot of leads I never was a successful actress by my own measurement. After I married, I went to a dramatic coach in my spare time and have been studying ever since. I also studied voice, not that I ever expect to sing on the screen but it's a help in acquiring poise and a good speaking voice."

Alding Miss Blane in her comeback is Thomas Beck, who, teamed opposite her in a romantic role, makes his debut as a leading man in "The Great Hospital Mystery." Jane Darwell heads the cast also features Sig Ruman and Joan Davis.

Miss Sarah Wells of Paintsville, Ky. was a week-end visitor at the J. C. Wells home.
Dr. G. H. Fern and Kenneth were business visitors in Fleming county Monday.
Mr. and Mrs. Dwight Pierce are moving this week to the Curt Caudill property.
Miss Nellie Cassidy spent the weekend in Mt. Sterling the guest of Mrs. Arlie Caudill and family.
Mr. and Mrs. N. E. Kennard and Mrs. Arthur Blair spent Sunday in Lexington.
Ky. State Fair—Sept. 13-18.
Mr. and Mrs. Austin Alfrey went

to Lexington where Mr. Alfrey was "given air" and Mrs. Alfrey received a blood-transfusion.
Mrs. Dan Wheeler, Paintsville, Ky., was a caller at the J. C. Wells home Sunday.

TELL Me, what you want in the way of a farm. I have quite a few. Also I have property for a small down payment, balances in A. and L. Write to A. W. SMITH, Loveland Ohio.

TRAINS BRING IN INDUSTRIES

Ask your Chamber of Commerce

CHESAPEAKE AND OHIO has been instrumental in locating hundreds of new industries in towns along the railroad. These businesses give employment to thousands of people. Their jobs and their pay checks contribute much to the welfare and prosperity of the communities where they work.

The new establishments are of all sizes, employing anywhere from a dozen people to a thousand. The new businesses are widely varied—representing 25 or 30 basic industries in addition to such activities as manufacturing, wholesaling, distributing and storing.

Service to these industries is one of the railroad's contributions to the life of the communities it serves. There is a special department of the railroad whose whole efforts are devoted to this work of helping communities get new industries and helping industries to find new homes.

Announcements For County Board Of Education

TO THE VOTERS OF ROWAN COUNTY:
I wish to announce my candidacy for member of the County Board of Education. In making this race, I wish to say that I have at heart

the educational interests and welfare of the people of this county and my only interest is the promotion of these principles. I feel that the present administration of the affairs of the Rowan County Board of Education has been most progressive and calculated to attain the greatest efficiency and economy in our school system.

My position and platform is and shall be the continuance of these policies. Upon this platform I solicit your vote and influence at the

General Election to be held November 2, 1937.
Sincerely,
J. L. BOGGESS.

TO THE VOTERS OF ROWAN COUNTY:
I take this opportunity to announce my candidacy for the office of a member of the Rowan County Board of Education at the General Election to be held November 2, 1937.
I was born and raised in Rowan

County attended and graduated from the Rowan County School and I feel that I am acquainted with the needs and problems of the Rowan County School System.

I feel that great progress has been made under the present management of the affairs of the County Board of Education and if elected to this office I will do all that is in my power to carry on the program which is now under way.

Anything that you may do for me in this race will be greatly appreciated by me and my friends.
HENRICH TOLLIVER

TO THE VOTERS OF ROWAN COUNTY:

At the urgent insistence of numerous friends I now make this formal announcement of my candidacy for the office of member of the Rowan County Board of Education subject to the General Election to be held Tuesday, November 2, 1937.

I have been a citizen and resident of Rowan County for many years and have always been especially interested in the welfare of the public school system.

I have watched closely the administration of the school affairs of this county for the past three and one-half years and I am of the opinion that under the management of Roy Corneffe, Superintendent, and the Board of Education that the work has been handled in a very business-like manner and to the best interests of the children and taxpayers of Rowan County. If elected to this office I pledge my support to the furtherance of this program. Your support and influence will be greatly appreciated.
J. B. RALEY.

Required Physical Ed. Class To Be Introduced

Morehead To Follow Example Of Other Kentucky Colleges

Following the example of other state schools, Morehead will adopt a program of required physical education this fall. The freshmen will have no choice in the matter; unphysically handicapped, every freshman boy will be required to report for this class. It will be required for graduation.

The bookkeepers will handle the equipment for the course. Coach Miller will have charge of the locks and lockers.

Other schools in the state have for several years had such a program, and it seems to be one step forward in the growth of Morehead. The course will be of a general nature, including fundamental exercises and games. Since physical education is required for a certificate, the course will not interfere with the regular course of study. Such a course would be a valuable aid to all teachers and a source of enjoyment to those who do not wish to teach.

John Rosson, Former Student, Assumes Position

John Rosson, who graduated from M. S. T. C. in 1927 and has been doing graduate work at the University of Cincinnati has accepted a position as chemist with the Ashland Refining Company in Ashland, Ky. John majored in chemistry in both his graduate and undergraduate work and has made an enviable reputation as a chemist.

PINEGROVE NEWS

Mr. John Molton is in the hospital at Lexington and is seriously ill at present.

Mr. Frank Molton of Muscleville, Ind., who was visiting relatives and friends here started home Friday. Mrs. Carrie White was visiting her brother Ora Blanton in Pike county the past week.

LOADING RUBBER ON SMALL BOATS IN LIBERIA FOR TRANSPORTATION TO OCEAN FREIGHTERS

From the Firestone Plant in Liberia comes an unexcelled quality of rubber. It is the same rubber that has made Firestone tires and tubes the most popular in the world. It is the same rubber that has made Firestone tires and tubes the most popular in the world.

Why FIRESTONE SAFER TIRE AT A LOWER PRICE

IN THE Firestone Standard Tire, you get extra value in the form of extra safety. It costs more money to build a safer tire. But Firestone can build a first-quality tire made of top grade materials and sell it for less money, because Firestone controls rubber and cotton supplies at their sources, manufactures with greater efficiency and distributes at lower cost.

YOU GET EXTRA PROTECTION AGAINST BLOWOUTS—eight extra pounds of rubber are added to every 100 pounds of cord by the Firestone patented Gum-Dipping process. By this process every fiber of every cord in every ply is saturated with liquid rubber. This contracts dangerous internal friction and heat that ordinarily cause blowouts.

YOU GET EXTRA PROTECTION AGAINST PUNCTURES—because under the tread are two extra layers of Gum-Dipped cords.

YOU GET EXTRA PROTECTION AGAINST SHEDDING—because the tread is scientifically designed.

YOU GET LONGER NON-SLIP WEAR because of the extra tough, long-wearing tread.

Remember all of these features to make your car tire safe on your week-end or vacation trip. Firestone gives them to you at lower cost. Join the Firestone SAVE ALIVE Campaign today by equipping your car with a set of new Firestone Standard Tires—today's top safe value.

DON'T RISK YOUR LIFE ON SMOOTH WORN TIRES!
DO YOU KNOW?
That last year highway accidents cost the lives of more than 30,000 men, women and children?
That a million more were injured?
That more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to smooth, worn, unsafe tires?

ELECTRIC COOKING

THE headlines tell only the barest facts about the advantages of electric cooking. But women who use it know that cooking can be conveniently and pleasantly done even in mid-summer weather.
It gives better results in the preparation of meals. It saves much time and work. It is very economical. It is marvellously clean. It is truly modern.
You need electric cooking, and you can readily afford it, even on a modest income. You owe it to yourself to investigate fully. Tomorrow—come in and see our display of Westinghouse and Hotpoint ranges, and let us explain everything. Other good makes are sold by local dealers.
