

We, the undersigned members and friends of the Morehead Christian Church, desiring to see a new and adequate building erected in Morehead, that will care for the growing needs of the congregation and community, take pleasure in subscribing the amount opposite our names, for that purpose. It is understood, that, if we so desire, the payment of pledges may be arranged as follows; one-fifth when the building is begun, one-fifth on the day of dedication, and the balance in three equal annual payments, for which we will execute our promissory notes, bearing interest at 4% per annum. In the event of the death of the maker of this pledge that part remaining unpaid is void. (Carbon copy)
