MOREHEAD, KENTUCKY, THURSDAY, OCTOBER 24, 1937.

NUMBER THIRTY-NINE & FORTY.

Circuit Court Closing Light Docket Term

Only Cases Of Minor Importance Are Tried During Session; Jury To Report.

Circuit Court opened on Monday, October 4, with Judge D. B. Caudill on the bench. The first morning was devoted to the selection of the juries for the term, and the giving of instructions by Judge Caudill. The usual instruction was given to the Grand Jury with a variation in which Judge Caudill bore down on reckless driving and particularly on drunken driving. He urged the Grand Jury to return indictments on this charge in an effort to curb accidents in this county.

The Grand Jury members are: S. M. Bradley, Foreman, Claude Evans, J. W. Ferry, J. H. Miles, J. G. Pratt, L. B. Flannery, Harlan Ellington, F. P. Blair, L. B. Kendall, H. J. Johnson, Floyd Reeves, Ass. Hall.

Members of the petit juries are: E. W. Martin, Willie Wells, Mrs. D. B. Leadbetter, A. B. McKinney, T. L. DeHart, J. W. Dawson, Peyton Estey, J. W. Crosthwaite, Howard Jones, Allard Hall, Walter Gilkerson, Mrs. J. C. Stewart, Mrs. Alvina Caudill, Harlan Cooper, Ernest Roberts, Lewis Riddle, Sam Lambert, Wm. Caskey, Leonard Lyon, Orville Martin, Earl Murray, Roscoe Hitchenson, Oscar Cornett, Cooper Black, Henry Black.

The following cases have been tried since the opening of court: Boone Land, charged with injuring private property, \$1000 and costs.

Andy Roberts, charged with assault, 10.00 and costs.

Eddie Yell pleaded guilty to a charge of breaking into the store house of H. K. McClary and was given one year in the Frankfort reformatory.

Jack Smith, charged with striking and wounding, continued to second day of the March term.

Ray W. Gibson, charged with child desertion, forfeited bond by failing to appear.

Joe Adams and Paul Pettit charged with grand larceny, found Not Guilty.

Lewis Vivian, charged with unlawful conversion of property, found guilty and given one year in penitentiary.

Orville Brown, charged with aiding and assisting Eddie Yell in breaking into store house, found guilty and given one year.

On the civil docket, H. H. Caudill was given a judgment in the amount of \$35.00 against E. D. Franklin, on a case which had been tried previously in county court and appealed by Mr. Franklin.

Addie Platt and Cecil Platt vs. Hall and Miles Motor Co., the jury refused to assess damages against either party to cause. They held after hearing the evidence that the accident was the fault of neither and was unavoidable.

The case grew out of an accident about two years ago, when Mr. Noah Hall stalled his car, a truck belonging to Hall and Miles, in the

News Printery Moves To New Location

Many of our subscribers have dropped in to ask why they failed to receive their paper last week. There was a very definite reason. None was printed. This issue as you will notice is given two numbers as it covers the editions of last week and also of this week.

The omission was due to the fact that the News printing office was moved to a new location on Bishop Avenue. The moving was accomplished last week and we are now comfortably settled in our new quarters and expect to be able to serve our friends even better than previously.

High School Day To Be Oct. 16; Invitations Issued

October 16 is to be high school day at the college, according to head coach, Johnson.

The Eagles play Holbrook on that date. Invitations have been sent out to all the high schools in the state to attend the game.

Admission may be effected by recognition by a high school professor.

Fletchers Hurt In Train Mishap

Struck By C. And O. Train While Walking Up Track; Improving Rapidly

Mr. and Mrs. Jerry Fletcher are recovering from injuries sustained on Saturday, Oct. 23, when they were struck by a C. & O. freight train as they were walking up the railroad track at the edge of Morehead. The accident occurred just at the Standard Oil Company lot near Mill street between eight and nine o'clock Saturday morning.

Mr. Fletcher was knocked down and suffered a bruised arm and shoulder, while Mrs. Fletcher was struck in the side and suffered serious bruises and a number of cuts.

The two old people who live in West Morehead, had left home early to walk to Morehead where they planned on taking the bus up Christy Creek. They had reached a switch and saw the train coming toward them, but expecting it to continue on the same track, not noticing that the switch was open.

(Continued On Page Five)

A Predicament!

The Morehead College band found itself in something of a predicament yesterday. Because the Rowan County Fair was postponed from September 25 to October 8, the band was scheduled to appear in two places at the same time, the other engagement being at West Liberty. Ingeniously Professor M. E. George righted the situation by dividing the band in two parts, leaving one group in Morehead and sending the other to West Liberty.

Miss Linda Lee Eaton, popular drum major of the band, went with the West Liberty group, while Jimmy Sawyer led the Morehead section.

OPEN TEA ROOM UNDER NEW MANAGEMENT

Mr. and Mrs. M. M. Ridge have taken over the management of Myrtles Tea Room and are operating it at present. Mr. and Mrs. Ridge are planning on making the Tea room into a modern eating house and restaurant. They will serve meals to parties and expect to make the place modern in every respect. They invite their friends to call on them. The tea room has been remodeled and refurnished and is one of the most attractive eating houses in this section. Mr. and Mrs. Ridge promise to continue their work of improvement.

Our shop is not yet complete as it was impossible to install our new press last week. However, we plan on having it up and running by this time next week, when we will have a further announcement to make to our readers.

In the meantime we want to thank them for their cooperation during this moving period, which to say the least is unpleasant at times. We want to express our honest gratitude for the great assistance so many of the citizens have rendered us in making this move.

College Enrollment Showing Increase

Authorities Well Pleased With Record As Other Schools Show Decrease

College authorities have been looking up during the past week, and are expressing considerable pleasure over the fact that the enrollment, which early during the registration period, looked as if it might be falling off a bit, has picked up in the past week, and now shows a slight increase over the enrollment of the corresponding semester last year.

They are the more delighted, because the reports from other colleges over the state indicate that all of them with the exception of Morehead, show a decrease in enrollment and they are delighted with the indication that Morehead is more than holding her own.

Ernest Hogge Receives Assistantship At Ohio

Prof. Ernest Hogge, who is on a year's leave of absence from his duties as head of the chemistry department at the Morehead Teachers College, doing graduate work at the Ohio State at Columbus, has received an appointment as assistant to Dr. Evans, head of the chemistry department at that institution. Mr. Hogge is a graduate of Morehead, and did his work on his Masters degree at Kentucky State.

He is fortunate in being able to finish his work on his doctorate at Columbus, from the same institution and under the same direction as did Dr. Roy E. Graves, whose star pupil was Mr. Hogge.

Millard Brown Has Eye Injury

Sudden Blindness Develops From Blood Clot Behind Eye; Operation Necessary

Millard Brown, who operates the Brown Grocery Store in the West end of Morehead was taken to the hospital at Louisville on Saturday last week, suffering with an injury to his eye. Mr. Brown had complained for several days that his eye pained him, and as he stood looking out of the window Saturday morning, he went suddenly blind.

He went to local doctors who advised him to go at once to the hospital. He left immediately for Louisville, where on Monday last week examination showed that a blood clot had formed back of the eyeball. He is taking treatment at present and will be required to wear glasses in the future.

His family is rejoicing that the condition is not as bad as was at first believed.

Democrats Hold Mass Meeting

Lay Plans For Speaking Campaign Which Opens At Clark School House

Following their organization meeting last week at C. B. E. Caudill was selected as their campaign chairman, with C. B. Lane as treasurer and J. W. Riley chairman of organization, a mass meeting of Democrats was held at the Odd Fellows Hall over the Peoples Bank on Monday night of this week to plan the campaign for the coming election.

Judge D. B. Caudill presided and opened the meeting by discussing the problems that confront the Democrats in the coming campaign. He said that the main objectives of the campaign were to reduce taxes and to take jobs out of the pockets. He called on J. W. Riley, M. S. Browne, Lyle Tackett, C. F. Caudill and a number of others including all the candidates on the

(Continued On Page Five)

New Pictures Going Over With Subscribers

Since the casual announcement that the News had an array of pictures enlarged, which would be given with subscriptions, a number of subscribers have dropped in to pay up their subscriptions and to take advantage of the opportunity to obtain an enlarged hand printed and tinted picture of some member of their family at a very nominal price.

See these pictures on display in the News office. They are well worth investigating.

Rev. B. H. Kazee Conducting Meeting In North Carolina

Has Charge Of Singing At High Point Revival; Preaches To Large Congregation

A letter from Rev. B. H. Kazee from High Point, N. Carolina, indicates that he and Mrs. Kazee will be home the latter part of this week and will hold their regular services at the Morehead church on Sunday.

Mr. Kazee is assisting in a great revival meeting at the Green Street Baptist Church at High Point. He has charge of the singing, while Rev. Ralph A. Herring, pastor of the First Baptist Church at Winston, Salem, N.C., conducts the services.

On Sunday Mr. Kazee had the pleasure of preaching in the great First Baptist Church at Winston, S.Salem, which has a membership of 2250. At least 1,400 people were in the congregation. The service was broadcast over the radio.

Revival To Open At Church Of God Oct. 17

The regular autumn revival at the church of God will open on October 17, according to an announcement made by Rev. T. P. Lyons, pastor of the church. The service will be in charge of Rev. M. A. Monday, one of the noted evangelists of that church, who will hold services regularly each night until November 7. Rev. Monday has conducted services in nearly every state in the union and has met with great success.

Members of the church are confidently expecting one of the best revivals they have ever held locally.

Preachers Enjoy Day At Sorghum Mill

E. E. Elam Makes Annual Call To Preachers And To Get Their Sorghum

And once again its sorghum time in Kentucky, and that is undoubtedly a time that appeals to the preachers of Morehead, and the editor of the Rowan County News as well. For that is the time that E. E. Elam comes out and sets up his sorghum mill. It is also the time that Mr. Elam calls gently to the Editor of the News and notifies him that if he will gather up the preachers and bring them and their buckets, he will give them their annual gallon of sorghum freshly made at the mill.

Needless to say the preachers (and the editor) heard the call with each of them is now supplied with a gallon of delicious sorghum. It must be tasted to be appreciated. (This is the ad that Mr. Elam gets in payment for our sorghum.)

College To Entertain Ky. Intercollegiate Pressmen

Morehead College is to play host to the Associated Collegiate Press the first week-end of December. It was learned here today in a communication from George Cranshaw, president of the college pressmen.

Plans are being made by the Third Floor staff working in conjunction with college authorities to present a good "front" for the visiting journalists.

Democrats Maintain Comfortable Majority Over Republicans As Registration Closes

RAYMOND ALLEN SERIOUSLY ILL

Raymond Allen, son of Mr. and Mrs. John Allen, son of Mr. and Mrs. John Allen was taken back to the hospital at Lexington last week for further observation and treatment. Mr. Allen had returned from the hospital several weeks ago, where he was taken, suffering from pleurisy. After his return home he failed to make the expected progress, but became steadily worse, developing a "pleuritic" disease similar to "milk-leg" and has almost completely lost the use of his legs.

He was taken to Lexington last week where he is still under observation and, according to last reports is showing no improvement.

Citizens Help In Homecoming

Merchants And Citizens Of City Asked To Cooperate With College Homecoming

What a number of citizens in Morehead know, but what many of them have merely permitted to drop back into the recesses of their minds is the fact that Morehead Teachers College will have a Homecoming Day on October 30.

The Eagles will meet and probably defeat the Eastern Maroons on the football field. That will undoubtedly be the highlight of the day.

But what is more important to the college and to Morehead is the fact that Homecoming Day will bring to the city hundreds of old students, all of whom have made friends here in the past and will be back on that day to greet their friends in the school and the city.

With this thought in mind, plans are being made to make this Homecoming Day the Red Letter Day for Morehead, as well as for the returning old students and graduates. The merchants and citizens of the city are being asked to cooperate with the college in making this day outstanding.

Further announcement of the plans will be made next week. In the meantime, every citizen is asked to study ways and means to help the college make this day the success it should be made.

THANK YOU!

Due to the failure of our new press to arrive, we have to thank the Editor of the Owsingsville, Ky. News Outlook for the use of their press in printing the Rowan County News this week. Next week we will serve you on the News press.

Hall And Taylor Open New Garage

New And Complete Equipment Makes Shop One Of Most Modern In State

Ted Taylor and Mr. Noah Hall have opened a new automobile repair shop in the large room back of the Union Transfer Company office, of which Mr. Hall is manager, at the corner of Railroad street and Fairbanks Avenue. Mr. Taylor is manager of the garage and chief mechanic. He is well known in this section having operated garages here for many years. A few years ago he suffered a serious injury when he received a number of bad burns on his leg, which necessitated his closing his garage for several years.

The new garage will be one of the most modern equipped in this section, and with Mr. Taylor's experience as a mechanic, it should be successful from the start.

Republicans Pick Up 312 New Voters While Democrats Add 189 To List

With registration of recent voters closed on Saturday night, the records indicate that the Republicans gain 129 votes over the Democrats, so far as the last registration is concerned. "Plurality" in cutting into the Democratic majority in the county to that extent, although the total registration shows the Democrats to still hold a comfortable majority in the county. In the registration since the primary election, the Democrats registered 183 voters, while the Republicans registered 51, for a net gain for the Democrats of 129.

The following is the list of registration by precincts. In each precinct the Democrats registration was the primary is given, followed by the number registered since. Then the Republican registration for the same precinct is given, followed by the new registration. Final the majority of either is given for each precinct. From this it will be easy to figure the total majority in the county.

Precinct 1, Morehead Democratic vote registered before Primary, 200; since primary 8; total 208. Republican 118, since 1, total 114. Democratic majority 94.

Farmers 2, Democrats, 151, since 3, total 154; Republicans, 228, since 22, total 250. Republican majority, 96.

Pearcy 3, Democrats, 89, since 2, total 91; Republicans, 79, since 7, total 86. Democratic majority, 10.

Hogtown, 4, Democrats, 217, since primary, 24; total 241; Republicans, 189, since 18, total 207. Democratic majority, 44.

Pine Grove, Democrats, 106, since 10; total 116. Republicans, 91, since 31, total 122. Republican majority, 6.

Brushy, Democrats, 108, plus 6, total 114; Republicans, 57 plus 6, total 63. Democratic majority 51.

Morehead 7, Democrats 242, plus 12, total 254; Republicans 232, plus 40, total 272. Republican majority, 18.

Hickman 8, Democrats 167, plus 22, total 189; Republicans, 145 plus 30, total 175. Democratic majority (Continued On Page Eight)

Morehead Men In Bad Wreck

Coch Johnson And Nine Football Players In Car; Were Enroute Home

Nine football players of the Eagle team together with their coach, Ellis Johnson were the victims of an automobile wreck which occurred in Winchester, Ky., Friday night, as they were returning from Georgetown, where they had defeated the Georgetown Tigers that afternoon.

The accident occurred as they were coming into the main highway from the detour, at the intersection with the college street. A car from Irvine, Ky., driven by a Mr. J. Hay, son of Hafford Hay, failed to observe the stop sign and crashed into the Morehead car almost head on. The local car, belonging to the Caskey Taxi service was being driven by Ellis Johnson. Hay suffered a fractured skull, while one of the young ladies riding with him, suffered a cut hand.

Of the Morehead group Irvin Triplett suffered a severe laceration in the chest, which for a time was feared might be serious. However, examination at the hospital, which he was taken showed that the injury was light. He also suffered a badly bruised arm. Harry Lowman suffered a number of cuts on the hand. The car is said to have turned over twice, and was a complete wreck.

ACCIDENT RESPONSIBILITY

It is not always the young, inexperienced driver who is responsible for motor car accidents. A recent study by safety experts seems to indicate that nearly three-quarters of all highway accidents are due to carelessness by drivers who have had eight years or more of experience and have never been in an accident before. They get careless because of a false sense of security.

Anyone who was driving a car eight years ago, when modern smooth roads were fewer and only daredevils pushed their speed above 40 miles an hour, often fails to realize the danger in high speeds on perfect roads. He experiences none of the discomforts which a 60 mile speed would have caused in his earlier motoring days, so he often does not realize how much faster he is going—and the other fellow, too—and how much greater the need for caution. The very perfection of car and road leads him into a false sense of security.

A blowout at 60 miles an hour is not only more likely to occur than at a lower speed, but is many times more serious in its consequences. Speeding around a blind curve is one of the commonest causes of automobile accidents. It is hard to realize that if there is the slightest obstruction ahead the driver has not time enough to stop.

Those are some of the reasons why experienced motorists are no safer drivers than those just past the beginner stage, unless they recognize the fact that every new device to make motoring easier, puts a burden of responsibility on the driver!

SERVING THE PUBLIC WELL

Nineteen-thirty-seven has witnessed great strides in the progress of the agricultural marketing cooperative movement in many sections of the country.

Through cooperative action old markets have been stabilized, new markets have been explored, producing methods have been improved, and in some instances price rises in line with the general upward trend of all prices have been negotiated by farm groups.

An example of this is provided by the Dairymen's League Co-operative Association, Inc., which has recently effected an agreement with dealers whereby a modest necessary rise in the wholesale price of milk and fluid cream was granted. This does not mean that the co-operatives are attempting to establish excessive prices. If they do, public opinion will correct that. But the purpose of the better co-operatives is to obtain for their members prices that are in accord with current conditions and which assure a reasonable return for the farmers' labor and investment.

Cooperative work has, in many instances, helped to eliminate unnecessary distribution costs and lessen the price spread between producer and consumer. In the case of perishables, notably milk products, the work of large established producer-cooperatives guarantees urban centers a consistent, dependable, properly handled, sanitary supply.

The successful cooperatives realize that they must serve the public as well as the farmer if they are to prosper.

With The Schools Of Rowan County

Written Each Week By
MABEL ALFREY
County Attendance Officer

FAIR PROVES TO BE GREAT SUCCESS
The Rowan County School and Agricultural Fair was held Friday and Saturday, October 8 and 9, and was acclaimed by everyone a great success.

It was feared by some that the postponement of the fair would have a bad effect. However, we are glad that their prophecy was not fulfilled.

The parade got under way on schedule and was a very colorful event. Every school in Rowan county with the exception of three was represented. Three of the schools tied for first place by having one hundred percent attendance in the parade. The first

second and third prizes were added and divided equally, each of the three schools receiving \$10.00. The exhibits in all departments were many and the quality was exceptional. The department that showed the greatest degree of improvement was the flower and the home department and the ladies at the head of these departments deserve much praise. They were Mrs. Leora Hurt and Mrs. W. C. Lapps.

The arrangement of the exhibits was highly complimented by everyone as being the best arrangement yet. There were no complaints registered in any way. The 1937 fair has been pronounced by all critics as the best

THIS WEEK IN WASHINGTON

Washington, Oct. 13.—As the details of the administration's farm program for 1938 are learned, some thing like a complete picture begins to emerge. It is a picture which shows, for the first time in American history, the great majority of the farmers banded together as a single economic unit. That is the clear purpose which the administration has in mind. The manner in which farmers are being organized for participation in the new A. A. activities, speaks a new relationship for the farmers among themselves, with the Government, and in their relation to the nation as a whole.

yet and a large share of the credit goes to President Robert Bishop and his co-workers.

ATTENDANCE IN PARADE
Three schools are boasting this week about having 100 per cent representation of the parade. Every child in the census in these districts was in the parade. The schools were McKenzie, Hardeman and Perkins. Congratulations to these schools. Congratulations to the teachers, parents and children for being so loyal.

COMPLIMENTS
Many hundreds of people viewed the parade last Friday at 10:30 A. M. It is hard to stand back and see and realize that there are so many children in the county as the parade makes us believe. Hundreds and hundreds pass by and the onlookers can't realize the hardships there were behind this big parade, to make it as successful as it was. How the teachers have worried. How the parents have sacrificed to buy what they thought the children ought to wear in the parade. How the children themselves worked and how their little hearts swelled with pride for their schools as they kept in step in the parade.

SHOE LOST
A shoe which was about size One was found just below Morehead on Fair Day. This was a new shoe and probably was lost by a child on his way home from the fair. If the owner will bring the other shoe of the County Superintendent's office, we will match the shoes and find the owner.

A REQUEST
This is only a request, sent out hoping that those who read will respond. Again the clothes problem for the winter is facing the school children, and it seems that many are going to have to stay out of school if they cannot get help. The need is for any kind of boys' clothing in the way of shoes, stockings, sweaters, etc.. When sorting out the winter articles of clothing if there are any articles that you will not need, call me at the office of the County Superintendent, or at 157, and I will be glad to come after them. Sometimes clothes will be destroyed that could be used and would help to keep children in school. Any donation in behalf of these children who need help will be appreciated. The fact that our parade was not quite so large as usual, was due to the fact that the children in many homes do not have clothing to wear to school, and thus could not come to the Fair.

MABEL ALFREY

PERFECT ATTENDANCE IN ROWAN SCHOOLS

Many students in the rural schools finished the third month with perfect attendance records. Below is a partial list from some of the schools in the county.

- NEW HOME, Darlene Williams teacher.
- Martha Conn, Jewell Crum, Oscar Crum, Thelma Crum, Edgar DeHart, Marie DeHart, Monie DeHart, Jewel DeHart, Clona Trent, Ernest Trent, Reba Trent, and Nellie Trent.
- LITTLE PERRY, Lower Grades Ollie Click teacher.
- Irene Messer, Ruth Sturgill, Esther Oney, Fay Oney, Joyce Scaggs, Lucy Hall, Emogene Purvis, Eula Oney, Dorothy Turner, Tennis Fraley, Sammy May, Curtis Purvis, Kenneth Purvis, Vernon May, Fann Fann, Lloyd Dean, Clell Dean and Willis Hall.
- LITTLE PERRY, Upper grades Nell Dean, Aileen Fraley, Edna Mary Rogge, teacher.
- Oney, Maxine Scaggs, Margaret Sturgill, Fay Turner, Belah Jones, William Sturgill.

Under the 1938 Agricultural Conservation program now being perfected, inducement will be held out for more farmers to participate than at any previous time. Every farmer who participates will automatically become a member of his "County Agricultural Conservation Association." These county associations will be tied together through state, regional and National groups.

Farmers Are United
This is calculated to create a farmer unity which goes far beyond anything which has ever been attempted in a democracy. If carried through, it will go much farther toward bringing about a community of interest among all farmers, of all sections, than any of the existing farm organizations ever dreamed of doing. It will tend to a solidarity exceeding that of any labor organization. It will in effect, create an agrarian democracy able to swing Presidential elections and dictate national policies, once the farmers are all brought into line.

There is a difference of opinion in Washington as to whether, through this tie-up, the Federal Government will control the farmers or the farmers will control the Federal Government, so far as agriculture is concerned. Spoken for the farmers who have been participating in the conferences here speak confidently of the new plan as "our program." Certainly a great deal of political power will flow through the lines it is planned to set up, but it may flow in both directions. Certainly nobody can safely say that anybody controls that power now, nor is it likely that the power which the plan will confer upon farmers as a whole will die with the passing of any person or any political party. The participating farmers represent divergent political and other beliefs. But in meeting together and working together toward a common goal, they are, coming joined together through their "pocket market" in such a way as to make them feel their power and want to retain it.

THE NATIONAL FARM SET-UP
The farmers themselves help to formulate and administer their program. They also help to meet the costs. First, the program has been worked out by the A. A. officials in Washington in consultation with state Conservation representatives named by the farmers of their districts. Next, the program is applied by county com-

mittees of farmers, chosen by the farmers themselves. These county committees, although guided by the National, regional and state programs, have the power to say how the program shall be applied to any individual farmer, and to determine the extent of compliance by any individual farmer. The extent of each farmer's compliance determines the size of his benefit payments. If he is not satisfied, he may appeal to the state committee, and from the committee if still unsatisfied, he may go to

Non Political Announcements.
We are authorized to announce, For Board of Education **JESSE L. BOGCESS**, **HENDRIX TOLLIVER**, **JOHN B. FRALEY**, **V. D. "MIKE" FLOOD**, **A. J. "ANDY" WILLIAMS**, **J. W. "BILLIE" CORNETT**
Subject to the school election, November 2, 1937.

the regional director, whose decision is final. Not the least important part of the whole plan is the regional set-up, which is in line with the proposal made by the President several years ago, that the United States, was too large and its regions too diverse in interests, to be administered from Washington alone, while the state units are not set up on any economic plan. He suggested that the nation should be divided into a number of administrative regions, each with its sub-White House, as it were, with the elimination of state lines as far as possible. A similar thought prevails in the plan for "seven T. V. A.'s" for the administration of the national power program. It is understood here that the administrative regions provided for in the new farm plan coincide with those which the President believes should be established in the power matter and in other administrative plans.

Do you want to rent, Buy or Sell?

PROPERTY!

Every day property in Morehead is changing hands. Why not list yours with Mrs. Caudill for quick results.

Below are only a few of my listings

For Sale

- 7 ROOM APARTMENT. — Furnished

LYDA MESSER CAUDILL

Colleges Move To Squelch Drinkers

Big Ten Conference Says Drinking At Games To Go

Washington, D. C. (ACP)—Alcoholic exhibitionists are in for a squelching this fall if plans of the nation's big-time football colleges materialize.

Colleges in the Big Ten conference are bringing to patrons programs stating that those who insist on "bringing their own liquor" will be distinctly unwelcome.

Users are being instructed to stop drinking in the stadium and refuse admission to holders of tickets who are intoxicated and to throw out anyone violating drinking restrictions.

At West Point officers insist that there is no drinking problem here, because that would be bad manners and it just isn't being done by cadets or officers, at the Military Academy.

Queries about dinking at football games at Annapolis shocked the Naval Academy officers. They said, "Midshipmen are prohibited from drinking on the academy grounds and it would be in very bad taste for officers to drink at football games. Spectators found drinking are promptly ejected. The Marines have the situation in hand."

Dr. H. L. Donovan, who is to appear before the M. S. T. C. faculty October 20, is president of Eastern Kentucky State Teachers College. He received his diploma from Western Kentucky State Normal School in 1906. Later college study brought him the A. B. from the University of Kentucky, the M. A. from Columbia University, and the Ph. D. from George Peabody College for Teachers. He has also done graduate work in the University of Chicago.

Eastern President To Make Talk

Dr. H. L. Donovan, who is to appear before the M. S. T. C. faculty October 20, is president of Eastern Kentucky State Teachers College. He received his diploma from Western Kentucky State Normal School in 1906. Later college study brought him the A. B. from the University of Kentucky, the M. A. from Columbia University, and the Ph. D. from George Peabody College for Teachers. He has also done graduate work in the University of Chicago.

Dr. Donovan is a member of the National Education Association, the Kentucky Education Association, and the Disciples of Christ Church. Honorary fraternities of which he is a member are Phi Delta Kappa, Kappa Delta Pi, and Phi Beta Kappa.

He served as President of the American Association of Teachers Colleges in 1934.

Besides writing many articles for educational magazines, Dr. Donovan is author of "A State's Elementary Teacher Training Problem," and co-author of "Supervision and Teaching of Reading," and "Learning to Spell."

Dr. Donovan was a member of the Sherwood Eddy Seminar during the summer of 1936. He traveled and studied in ten countries in Europe.

Dr. Holtzclaw Addresses Niwatoris Club

Dr. J. B. Holtzclaw Addressed the Niwatoris Club Wednesday Evening at Allie Young Hall on the Subject "The China-Japanese Conflict"

Dr. J. B. Holtzclaw addressed the Niwatoris Club Wednesday evening at Allie Young Hall on the subject "The China-Japanese Conflict." He traced the origin and development of the present undeclared war between Japan and China.

"The immediate objective of Japan," said Dr. Holtzclaw, "is to overthrow the present anti-Japanese government in China and establish a regime more favorable to her interests. Her ultimate aim is to dominate the internal development and the exploitation of the natural resources of China by driving out other foreign interests there, and especially those of Russia." In conclusion the speaker said: "In spite of our recent Neutrality Act, it will be impossible for the United States to keep out of any major war in Europe or Asia for any great length of time. The most recent American movements are in the direction of cooperation with other nations of the world in an endeavor to settle this conflict before it develops into a major war. This is a reversal of our isolationist neutrality policy."

Dr. W. A. Welter, head of the science department, has been invited to deliver an address at the American Nature Study Society in Indianapolis, Ind., on December 29.

U. Of K. Horticulturist Visits New Science Building

Mr. C. S. Wattman, professor in the department of horticulture at the University of Kentucky, brought his class to Morehead, September 28, for a visit to Prof. C. C. Haggan and a tour of the Science Building. Later Mr. Wattman visited the Browning orchards in Fleming county and those of Dr. Van Antwerps at Farmers.

Dr. Vaughan Speaker

Dr. W. H. Vaughan, dean of the College, spoke at convocation period Friday, Oct. 8. He discussed the Sino-Japanese conflict in the Far East. Dr. Vaughan stressed the fact that the college students would be one of the first groups to be affected in case of another world conflict.

Breck News

By Mary Adkins

The Senior High of Breckinridge Training School has an enrollment of 75 students, 24 of these belonging to the senior class. This is the largest first semester senior class the Training School has ever produced.

The seniors had charge of the assembly program Wednesday morning. The purpose was to introduce the extra-curricular activities to the new students.

TRYOUTS HELD

The Minstrel Club held tryouts Tuesday, October 6. The following were pledged: Lucille Gray, Mildred Randall, Gladys Flood, Marie Ramey, Robert Caudill, Jack Crum, Harold Rawlings, Buddy Judd, and Leo Nickell. The club is sponsored by Mr. Young and Miss Catlett. Officers for the year have not yet been elected.

REORGANIZED

The Student Council, an outstanding organization last year, has reorganized. Candidates for the presidency are J. G. Black and Charles Young, seniors, and Billy Black and Clinton Tatum, juniors. Representatives are Robert Fraley, Mary Adkins, seniors, Billy Black, Karlene Vencil, juniors; Buddy Judd, Mabel Carr, sophomores; Earl Scott Fraley, Edna Baker, 9th; Betty Banks, Alfred Francis, 8th; Olive Frances Day, Harold Holbrook, 7th.

Jimmy Leach, son of Mr. and Mrs. C. O. Leach is unable to attend school this week because of a badly infected eye.

Saving Money Here! Means Greater Value Here!

THAT'S WHY YOU GET MORE FOR YOUR MONEY IN FIRESTONE STANDARD TIRES

FIRESTONE builds a first-quality tire made of top grade materials and sells it for less money because Firestone passes savings along to you in the form of extra values. Firestone controls rubber and cotton supplies at their sources, manufactures with greater efficiency and distributes at lower cost. Because of these economies—

YOU GET EXTRA PROTECTION AGAINST BLOWOUTS—eight extra pounds of rubber are added to every 100 pounds of cord by the Firestone patented Gum-Dipping process. By this process every fiber of every cord in every ply is saturated with liquid rubber. This counteracts dangerous internal friction and heat that ordinarily cause blowouts.

YOU GET EXTRA PROTECTION AGAINST FUNDRIES—because under the tread are two extra layers of Gum-Dipped cords.

YOU GET EXTRA PROTECTION AGAINST SKIDDING—because the tread is scientifically designed.

YOU GET LONGER NON-SKID MILEAGE—because of the extra tough, long-wearing tread.

Make your car tire-safe now for fall and winter driving. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new Firestone Standard Tires—today's top tire value.

DON'T RISK YOUR LIFE ON SMOOTH WORN TIRES! DO YOU KNOW

THAT last year highway accidents cost the lives of more than 36,000 men, women and children?

That a million more were injured?

THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to smooth, worn, unsafe tires?

JOIN THE Firestone Save a Life Campaign To-Day

Listen to the Voice of Firestone Monday evenings over Nationwide N. B. C. Red Net, 7:30

Announcements For Board Of Education

TO THE VOTERS OF ROWAN COUNTY:

In making my announcement for the office of Member of the Rowan County Board of Education, I do so at the request of many of the citizens of Rowan County who have been and are interested in the welfare of the children and the schools of this county. I wish at this time to state that I am running in the interest of Miss Thelma Allen, whom if I am elected I will vote for her for the office of County Superintendent.

I have always been interested in the schools of this county, because I realize that on the schools depends the future of the citizens of the county. The better the schools, the better the citizens.

I stand absolutely against any movement to consolidate the schools of the county, believing that any such movement is contrary to the welfare of the children of the county. Such a move has been made in the past, and I pledge myself to oppose it on every occasion.

I pledge myself if elected to look after the financial interests of the county and to oppose wasteful, extravagant expenditure of the county's money. It is my intention if elected to see that every teacher in the county benefits to the fullest extent from the \$12.00 per capita that has been allotted to the teachers of the county. I believe that with the big increase of almost \$5.00 per capita that salaries of the teachers should be raised to a better salary than is at present being paid.

Briefly, I want the teachers of Rowan county to be favored over those of other counties; I want the best teachers employed it is possible to obtain; I want the finances of the schools so administered as to get the most for the money; I want the school standards raised; I want teachers located where they can do the most good for themselves and the schools.

If I am elected I propose to do everything in my power to carry out the above pledges, keeping always in mind the welfare of the schools of Rowan county.

I was elected to the Board of Education twice and served as a member of the Board for eight years. I feel that with the experience gained during those years I am in a position to give the people of the county even better service than at that time. The experience of the past will be applied to the problems of the present.

My children are pupils in the rural schools of the county and it is my hope to be able to serve them as well as other children by building better and finer schools.

A. J. "ANDY" WILLIAMS
TO THE VOTERS OF ROWAN COUNTY:

In making my announcement for the office of Member of the Rowan County Board of Education, I do so at the request of many of the citizens of Rowan county who have been and are interested in the welfare of the children and the schools of this county. I wish at this time to state that I am running in the interest of Miss Thelma Allen, who if I am elected I will vote for her for the office of county superintendent.

I have always been interested in the schools of this county, because I realize that on the schools depend the future of the citizens of the county. The better the schools, the better the citizens.

I stand absolutely against any movement to consolidate the schools of the county, believing that any such movement is contrary to the welfare of the children of the county. Such a move has been made in the past, and I pledge myself to oppose it on every occasion.

I pledge myself if elected to look after the financial interests of the county and to oppose wasteful, extravagant expenditure of the

county's money. It is my intention if elected to see that every teacher in the county benefits to the fullest extent from the \$12.00 per capita tax that has been allotted to the teachers of the county. I believe that with the big increase of almost \$5.00 per capita that salaries of the teachers should be raised to a better salary than is at present being paid.

Briefly, I want the teachers of Rowan county to be favored over those of other counties; I want the best teachers employed it is possible to obtain; I want the finances of the schools so administered as to get the most for the money; I want the school standards raised; I want teachers located where they can do the most good for themselves and the schools.

If I am elected I propose to do everything in my power to carry out the above pledges, keeping in mind the welfare of the schools of Rowan county.

I was elected to the Board of Education twice and served as a member of the Board for eight years. I feel that with the experience gained during those years I am in a position to give the people of the county even better service than at that time. The experience of the past will be applied to the problems of the present.

I am directly interested in the welfare of the schools, as my children attend the consolidated school at Morehead. On the other hand I have no axes to grind and no children who are seeking positions as teachers, which leaves me free to serve the people without prejudice in any form.

J. W. "BILLIE" CORNETTE
TO THE VOTERS OF ROWAN COUNTY:

I have been urged by many of my friends, both Republicans and Democrats to make the race for the office of Member of the Board of Education, in the interest of Miss Thelma Allen for County County Superintendent, and I have decided to make the race.

I have always taken a decided interest in the school affairs of the county, and served for one term as district trustee of the Morehead district, and during that period I formed certain conclusions and arrived at certain ideas which if I am elected I will do my best to carry out.

I am against and have always been against the consolidation of

schools and I will continue to oppose such consolidation. I am opposed to the building up of a political machine through the school system, and if I am elected I will do my best to eliminate such politics, for the end that teachers will be given their positions on their merits and not through political pull.

I stand for the payment to teachers of the highest salary possible and am committed to an economy program, by cutting out all unnecessary expenditures and applying the money so saved to the raising of teachers salaries.

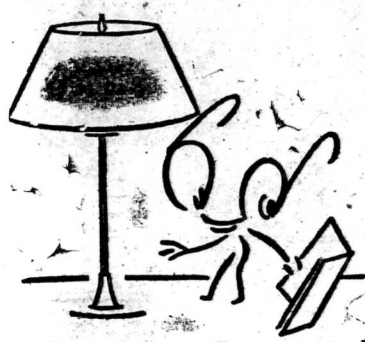

I believe in an equal opportunity for every child in Rowan county, regardless of where he lives, and to this end the employment of the best teachers obtainable for the rural schools as well as the consolidated schools.

During the time I served as trustee of the Morehead sub-district, I took an active interest in the schools of the county and that experience will be applied to the work of perfecting and improving the present school system.

I, together with the other members of the Board who are running in the interest of Miss Allen, am asking your support in this race, in the interest of giving to Rowan county children better schools. On this platform we solicit your vote and your influence.

Reynolds, Stanley Are Outstanding

Only Anxiety Comes In First Few Minutes Of Game

HAMMONDS INJURED

Every Man On Eagle Squad Sees Service

By Alton Payne

An unusually large Georgetown crowd turned out yesterday expecting to witness the downfall of the high riding Eagles only to be doomed to disappointment as the ever surprising Moreheadians unleashed their bag of tricks to roll over the Bengals like a road roller.

The only real doubt as to the ultimate outcome of the game came in the first few minutes of play, when the Tigers took advantage of a blocked Morehead punt and placed themselves in scoring position on the Eagle seven yard line, only to be met with an immovable defense.

This all came after the initial kick-off. Morehead won the toss and elected to receive, the ball travelling to Stanley who grabbed it on his own twenty marker. Immediately a fifteen yard penalty was invoked against the Eagles for holding, placing the ball in play on their own five.

Within three plays Georgetown had fumbled and the ball was recovered for the visiting team.

Big "Tommy" Reynolds, breaking into the starting line-up for the first time this season, proved his sterling qualities by repeated crashing the Tiger line for gain after gain. Reynolds and Stanley alternated carrying the oval un-

til the weakened Georgetown forward wall gave way, permitting Reynolds to crash off right tackle for the initial tally of the game.

Jarrel Vinson's try for extra point was blocked.

From thence on, the game was a runaway.

The second score came in the second quarter when Stanley bucked the line for five yards and a touchdown after a gradually weakened Tiger team had allowed the ball to be pushed to their five yard line. Vinson's try from placement was good.

Frenchy Hammonds was injured midway in the second quarter and was replaced by Watson.

The third and last score came in the third quarter when Stanley, taking advantage of a Georgetown fumble, bucked the line to bounce the Eagles ahead nineteen to nothing.

Harry "King" Lowman got away on the last play of the game for what looked like a certain marker, but was pulled down by the Bengal safety a scant twenty yards away from the beckoning goal.

FRESHMAN COACH

BOBBIE LAUGHLIN

Eagles Open Season Against Centre Freshmen Friday

First Test Of Morehead Yearlings On Local Field Here This Season

The 1937 edition of the Morehead State Teachers College Freshmen, known to fame as the Eagles, will try their wings on the local gridiron at Jayne Stadium on Friday afternoon of this week, when they meet the Centre College freshmen in the first yearling game of the season here.

The local freshman, coached by Bobby Laughlin, are entirely untried, so far as games are concerned as this is their first entry into the football limelight at Morehead. They have been practicing against the varsity, but no one has been able to get a line on them through varsity scrimmages, as the varsity is far and away the best team that has been seen in this section in years. It would be unjust to form any kind of an opinion as to the relative strength of the freshmen, until they may be compared with freshmen teams from other colleges.

Coach Laughlin has been putting in some good and consistent work on his team and expects to have them in good condition for the contest Friday afternoon. The hour will be 2:00 p. m. and the fans are invited to attend and get a line of the future varsity squad of Morehead. You know these freshmen grow up into Eagles within a year and many of them will be stepping into the shoes that, may now appear a trifle big for them when next September rolls around.

Boy Injured In Car Wreck, Dies

John Hay, Driver Of Car Which Struck Morehead Players Dies Of Fracture

suffered a fractured skull when his coupe in which he was riding with three others, struck a Morehead taxi bringing eight Morehead football players and Coach Ellis Johnson from Georgetown, died, from the effects of his injuries on Monday night of this week.

Following his death Mr. Johnson was called to Winchester where a hearing into the accident was held. Mr. Johnson returned to Morehead Tuesday evening. The hearing resulted in complete exoneration for Johnson and the Morehead car. Evidence introduced showed conclusively that Mr. Hay had run a stop sign from a side street without any attempt to slow down, and that he crashed into the side of the Morehead taxi, with enough speed to turn it over several times. The Morehead car was on the highway, and had the right-of-way, beyond question, was the decision of the court of in, jury.

Democrats Organize (Continued From Page One)

Democratic ticket for short talks.

Plans were made to carry on a speaking campaign, with the opening set for Thursday night at Clarke School house. On Friday they will speak at Sharky school house. Eight additional speeches have been planned for Elliottsville, Popular Grove, Haldeman, Farmers, Mt. Hope, Clearfield, Slaty Point and Waltz. It is also planned to close the speaking campaign on Saturday night before the election with a speech in Morehead, by Congressman Fred M. Vinson.

Precinct workers and campaign committees were selected at the Monday night meeting.

Fletchers Recovering (Continued From Page One)

Fortunately they were walking in the cinders at the side of the track.

As they neared the switch, the engine swung and before they knew it had struck Mr. Fletcher, knocking him down. A few feet further down the track it struck Mrs. Fletcher who was walking behind her husband. She was the most seriously injured of the two.

At present, reports indicate that they are both recovering from the effects of their injuries.

ing the week-end in Lexington. Miss Mary Elizabeth Coyle was elected secretary of the Student Council, Fields Hall.

Officers elected last Monday; Elizabeth Ricketts, president, Christine Mitchell, vice-president, Christine Hawerton, secretary-treasurer.

New members will be taken in Monday, October 10. Everyone invited to join.

Eagles Meet Alfred Holbrook Here Saturday

Squad Will Be Minus Services Of Triplett, Lowman And Rajunas

When the Morehead Eagles meet Alfred Holbrook College from Manchester Ohio here Saturday afternoon, Irvin Triplett will be out of the game for the first time since he became a member of the varsity squad. Trip was injured in the automobile wreck last Friday while returning from Georgetown, where the Eagles had defeated the Georgetown Tigers that afternoon. He suffered injuries and bruises to his chest and his arm was badly bruised. He will be definitely on the shelf for the Alfred Holbrook game.

Harry Lowman also suffered cuts on his hand which will probably keep him on the bench Saturday.

The Eagles came out of the Georgetown game with few injuries. Stanley, Rajunas, guard, who by the way played a stellar game in Friday's fracas, is injured and will not appear in uniform Saturday. Out side of that the Eagle squad is in excellent shape at present, barring of course possible injuries between now and Saturday.

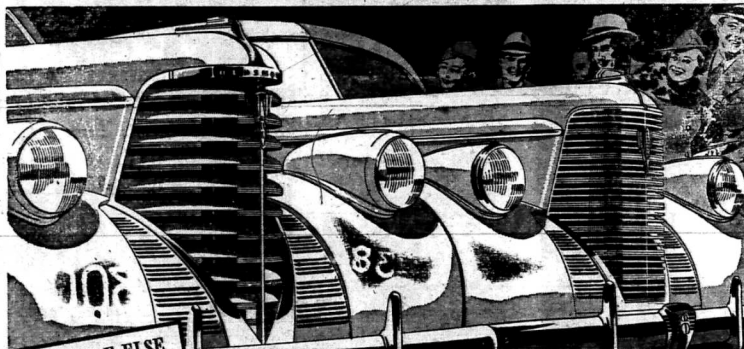

Alfred Holbrook, a little school in Ohio, has been turning on the heat this season. They opened with a upset Jarring Union College, which has played Morehead every year until this, and defeating the Unionites 6-0. It was an upset in the real sense of the term and made several of the Kentucky Colleges wonder just why they had included Alfred Holbrook on their schedule, in much the same fashion as Cincinnati would after Morehead turned the tables on them.

The following week, however, Georgetown College met Alfred Holbrook and defeated them by the score of 12-0. This would seem to give Morehead a four touch-down edge over the Holbrook team. However there are many upsets possible and no football game is won until the final whistle is blown. If you don't believe that drop a line to Minnesota and ask them about Nebraska.

So there is every possibility that Holbrook will give the Eagles a tough tussle and there is a remote one that they may furnish the proverbial upset to the Eagles. Per- s-u-a-s-i-v-e we do not believe it, as is common with most Eagle fans we have considerable confidence. But there is that chance and the fans will be there to see that it does not happen.

a crouch, they stole along it. "Yuh git behind the feed shed, Charley," whispered Steve. I'll hole up around the bunk shack. If they start murderin' that pile of rails, give it to 'em.

The bulk of the posse split and circled. "Last chance," came Starbuck's voice. "Come outa there or we start shootin'.

There was no answer. Starbuck cursed in sudden fury and rolled a gun, the officers of the posse following suit. The night shook with the rumbling reports and was splashed with goutts of crimson flame from searching gun muzzles.

Without any more hesitation, Steve and Charley went to work. They faced the night with lead, their rifles sounding flaily. The posse was torn with confusion. Spread out yelled Starbuck. Git around the whole damned place, an' grab cover.

The posse needed no second command. Like startled quail they all scattered, seizing upon anything to get away from that surprised crossfire. One individual of the crowd, who had had his horse shot from under him, had the bad judgment to duck behind a corner of the big ranch house. Here he halted behind an open window, peering out into the darkness.

Oscar, the big Swede cook, started by this outburst of sudden gunfire, stuck his head out of the window. The posseman did not see him, but Oscar saw the crouching figure. By the snarling curses echoing upward, he knew it was neither Steve or Charley. Therefore Oscar leaned well out, one huge fist clubbed. It fell like a post mail, and the posseman subsided in a silent heap.

Oscar chuckled and heaved his big bulk out of the window. He found the fellow's guns and hefted them. I guess this bane good time

to start fightin, rumbled Oscar to himself. So with a queer, Swedish cry, he waded in.

Slim and his two companions were about a quarter of a mile from home when that first burst of gunfire echoed. Instantly Slim spurred his mount to a scudding run.

Our fight Tisdale, he flung over his shoulder. No call for yuh to take chances. Yuh can drop out. Like hell I will," snapped Tisdale, spurting up even with Slim and Dakota Blue. Yuh shot square with me. I'm returnin' the favor.

Just as they reached the ranch they heard Oscar's war cry and saw by the gun flames that answered it, the approximate position of the attackers. Slim left his saddle while his horse was still in movement, and ran, crouching, down one corner of the central corral.

Tisdale followed Slim, but Dakota cut around the other way. By the steady spangling of the Winchester's Slim got Steve and Charley located. So he turned his own gun loose on the hostile positions.

Almost opposite him from the other side of the corral came answering lead. Slim, a wild ferocity upon him, stalked straight towards that place, shooting steadily. His hat left his head and swirled to one side, torn and dragged. Invisible fingers plucked at one flaring wing of his chaps. He heard Tisdale curse in sudden pain, but he kept on, shooting low and center.

The hostile guns went quiet and a choking curse echoed. A man tottered out of the blackness towards him. Reach high, quick! Loyalist gasped the other. "Yuh had all the luck. Yuh got me—yuh got me, yuh damned jailbird!"

The voice broke off and the figure slumped forward silently. Slim knew, by the voice, that he had killed Leo Brockwell.

As Dakota Blue cut in from the opposite side, he found himself barging right through the scattered and disorganized forces of Starbuck, wildly furious at the way things were going against him, was trying by word and action to drive his men. By the renegade sheriff's cursing and shooting, Dakota was able to locate him, and with grim purposefulness he made his way towards him.

Momentarily, on one questioned Dakota's presence. He was right among the remaining numbers of the posse, and in the dark they had no way to distinguish him from any other of their crowd, Dakota wisely held his fire, working always towards his objectives. He knew that he was taking a long chance of intercepting a slug from the gun of some ranch defender, but he was willing to take the gamble, providing he could get at Starbuck.

MODERN WOMEN

The older generation of Albanian women have removed their face veils and no longer do you see women of any age with their faces covered in medieval fashion. This movement for greater freedom among the younger women had refused to hide behind filmy headwear. But the older ones clung to the habit until the Albanian Parliament recently passed a law forbidding the country's Moslem women to veil their faces. It is said that much of the modernization of this country, which is across the Adriatic from Italy, is due to the influence of natives who have lived in America and then returned to their native country. Among the leaders in the new freedom are three princesses, the sisters of King Zog.

Having mapped out an original career for herself Miss Jean Deyo is now recognized as a success in turning out twenty inch mannikins which travel all over the country. Many women were interested in her parade of mannikins in the New York museum of Science and Industry. Miss Deyo spends about sixteen hours on each mannikin's outfit, and she and her helpers take no end of pains to make each tiny garment which are copies of advance fashions, perfect in every detail. "The figures are designed by Lester Gabe, sculptor, and women everywhere study the poses and costume lines to learn what is to be worn the following season.

Millions of men and women are sought as a part of the Three-Fold Club, a British organization seeking to establish links by correspondence in all countries with world peace as the ultimate aim. Miss Elizabeth Calderwood is the sponsor of the movement and the propagating center is John Masefield's old home in Oxford.

Company Pumpkin Pies One Nine Inch Pie Dish One cup stewed and sifted pumpkin, 1 cup brown sugar 1 tablespoon baking molasses, 1/2 teaspoon salt, 1 teaspoon ginger, 1/2 teaspoon cinnamon, 3 eggs, 2 cups ricar milk, 1/2 cup cream, plain pastry. Roll sugar and add to pumpkin with spices, molasses and salt. Mix well and add eggs one at a time, beating each egg thoroughly into mixture. Stir in milk and cream, stirring until perfectly blended. Turn into a deep pie dish lined with pastry. Put in a hot oven, 450 degrees F., for ten minutes in order to bake crust. Reduce heat to 350 degrees F. and bake forty to fifty minutes longer. To make a fluffy pie separate

whites from yolks of eggs. Beat yolks well with a dove ueter and add to pumpkin and sugar and spices. Beat whites with a whisk on a platter until stiff and fold into mixture just before turning into pastry line pie dish. Bake as usual.

If you like you can add 2 teaspoons of rum with spices. Some cooks add 1/2 cup seeded raisins to the pumpkin mixture. Grease your pie dish well before lining with pastry. There is less danger of a soggy crust.

Arthur remained and drank and drank until he was dead-drunk. At least, the other two were fighting men, who, in the final showdown, were game to sniff smoke. But he was the rat, drinking to stifle his innate cowardice, to try and whip his shaking nerves to face the big showdown.

Out at the Dot H Dot, Mona Hall was radiant. Sam Tisdale had just laid a pile of bills on the table before her. There's five thousand dollars, Miss Hall, he said. There'll probably be a thousand or fifteen hundred more due yuh. We'll make a good count as the herds go through the pass at the north end of Jericho. Yuh can rest happy that we'll shoot square with yuh."

As the three men were leaving, Mona caught Slim by the arm. Her eyes were stary. "You're the best dearest friend ever, Slim," she told him.

Slim smiled and chuckled her under the chin. "Me, I'm beginning to get tired of that word friend. It's okay for some cases, but in others it's pretty damned empty soundin'. When things are squared away on this range again, we'll argue that out. Adios! It's plumb good to see yuh smilin again, an' with roses in yore cheeks, Mona." Outside, Slim paused for a moment beside the Dot H Dot bunkhouse and called Abe Fornachon. "Abe," he said, "Mona's got quite a lump of money there in the house—enough to squatch the mortgages. Kinds keep yore eye on things, will yuh? An' if Arthur

shows up tomorrow to try an' force close, yuh be present an' see that he takes the money an' receipts the note an' turn it over to Mona.

"I'll wring his damned neck if he don't promised Abe.

At the Circle L, a heavy argument was in progress. Steve Owens and Charley Quinn were sprawled flat on the ground behind a substantial pile of spare corral rails, their cheeks pressed to the stocks of a pair of Winchester's, the muzzle of which bore steadily upon a dark clump of riders.

Yuh jaspers stay put! yelled Steve. Yuh start anythin' an' I'll shore finish it.

But I've got warrants, I tell yuh, came back Jigger Starbuck's voice. This is the law. Put down them guns an' get some sense.

Yore kind of law has got a busted back around this range, Starbuck, retorted Steve. Best thing yuh can do is pull yore freight. Won't be no warrants served around here.

There came a mutter of arguments from the posse, then Leo Brockwell's sonorous tones sounded ed. "Aw, hell! This blam makes me sick. Let's rush 'em. We can't stand here all night arguin. Let's spread out an' circle that pile of rails an' show them jaspers they're draggin' a short rope."

During the renewed argument over this plan, Steve and Charley got busy immediately. Not unlike a pair of awkward lamb crabs, they spraddled backwards, located the corral fence with their feet and slid under it. Then, rising to

ELECT OLD BLOOD WITH NEW IDEAS!

With the idea in mind that the Schools of Rowan County are the closest to the hearts and minds of every citizen of the county; We, who are candidates for membership on the Rowan County Board of Education briefly outline the program and platform on which we are making this race.

- 1. We pledge ourselves to work unceasingly for the welfare of the schools of Rowan county, to build up the system, to improve the standing, to educate the children of Rowan county so that this county will be second to none in the state in educational matters.
2. Finances. We believe that with the state paying a per capita tax of \$12, where at one time it was only \$7, the teachers of the county are underpaid and should be drawing much larger salaries than they are at present receiving. It is our aim to so administer the finances of the county board as to save all needless expense, and to devote that saving to the increase of teachers salaries, so that Rowan county may obtain and pay for the services of the best teachers and build the best schools possible, without increasing their debt.
3. We will, if elected do our utmost to raise the standards of the high schools of the county, with the ultimate aim in view of establishing four year high schools at the earliest moment that the enrollment in the various schools justifies such a step.
4. A movement was started about three years ago to consolidate the schools of Rowan county. We oppose any such movement, believing that the roads and conditions in the county do not justify such a step, and that consolidation would prevent hundreds of rural school children from attending any school.
5. We pledge ourselves to oppose the building up of a FAMILY rule. By that we mean that we will make it our business to see that the jobs and positions in the schools will not be centered in a few large families but that they will be divided so that every citizen who is capable will be given an opportunity.
6. If elected, We will welcome any progressive suggestions, even from the poorest and humblest citizen, but we will not be coerced We pledge our support to Thelma Allen as County Superintendent or dictated to by any Politician or by any clique.

Baptists Missionary Meets
The Baptist Missionary meets in the church parlors last Thursday afternoon, at which time the Lotie Moon Circle had charge of the program.

Doody Downing Returns
Coach and Mrs. C. D. Downing and son "Doody" returned Friday from Richmond, Va., where they had spent several days consulting a specialist Dr. W. T. Vaughn, in regard to Doody's health. He has been suffering from Asthma for some time. Dr. Vaughn after a series of examinations and X-rays, put him on a diet and gave them several treatments to follow. Although he has not as yet shown any improvement, Mr. and Mrs. Downing are hoping for his complete recovery.

Mrs. Miller Has Bridge

Mrs. Len Miller was hostess to a number of guests when entertained at two tables of bridge last Wednesday.

Guests were Mesdames Wineland Ellis Johnson, C. B. Lane, Lester Hogge, W. C. Lippin, W. H. Vaughan, and J. M. Clayton.

Mrs. Clayton received the prize for high score.

Returns After Many Years

Dr. and Mrs. A. F. Ellington had as guests last week his aunt Mrs. Alice Alley, her son Claude and daughter Miss Dora Alley, all of Oxford, Ky.; another daughter Mrs. R. E. Duncan of Wichita, Kansas and Mr. Alley's son Harold and wife of Chicago. While here they will visit her brother, A. H. Ellington in Paragon as well as their relatives. This is Mr. Alley's first visit here since he left thirty years ago.

Club Holds First Meet

The Morehead Womens Club held their first meeting of the club year on Saturday at one o'clock at the Midland Trail Hotel when they enjoyed a luncheon at which thirty-three members were present.

After the luncheon, a business meeting was held. Plans for the coming year were discussed. The club was divided into departments with Mrs. W. H. Vaughan, chairman of the garden department, Mrs. J. G. Baker, the Education department; Music department, Mrs. R. D. Judd; Public Welfare, Exer. Robinson; History, Mrs. J. D. Falls and the Art with Mrs. C. B. Daugherty as chairman. It was further decided to have one business meeting on the first Tuesday and a program meeting on each third Tuesday. The programs are all to be held at the Methodist Church with dinner at 6:30, and the program to follow at 7:30.

Waltz and other relatives before going on to Sharpsburg to spend the week-end with his parents. On Sunday his mother and father entertained in their home at dinner. On Saturday of this week, Mrs. Lindsey will be honored at a tea in Sharpsburg.

Mines At Princess

Opened On Monday

According to word from T. N. Pryor, general manager of the Big Run Coal and Clay Company at Princess, Ky., opened up again on Monday this week, after being closed down since September 23, with the men out on a strike.

Last Train From Madrid At Cozy

Hollywood's Number One Heart Thumper is cast as a gigolo in "The Last Train From Madrid", romance laid against present-day Spain, opening Sunday and Monday at the Cozy Theatre.

He is handsome Lee Bowman, a new-comer to Hollywood, who, despite the fact that he has appeared in only two pictures thus far, has been around Hollywood's night clubs with more of the film capital's beautiful women than any other actor. He is young, unattached, handsome, ambitious, and film executives say, he's going places.

Bowman was first seen in the dramatic "Interns Can't Take Money", in which he played the role of a young physician who was discharged from a hospital for performing an experimental operation. His second picture was "I Met Him In Paris", in which he was one of the three young men pursued by Claudette Colbert. In "The Last Train From Madrid" he portrays the role of boy friend to beautiful Karen Morley, an adventuress. The cast is headed by Dorothy Lamour, Gilbert Roland, Lew Ayres, and includes Lionel Atwill, Helen Mack, Clume Bradna, Robert Cummings and Evelyn Brent.

road near Eastdon, to avoid running down some pedestrians. The Platt car was going toward Grayson, and was unable to stop, the collision resulting. Platt attempted to collect damages off of Mr. Hall, and finally brought suit. Mr. Hall countered with a damage suit of his own. The jury held that neither should collect damages from the other.

Wednesday, the paving cases of individual citizens of Morehead will be tried before Special Judge J. B. Hanna of Ashland. These cases have grown out of the refusal or inability of numerous citizens and property owners in Morehead to meet the paving assessments. They are expected to be definitely settled at this time.

The Grand Jury adjourns on Tuesday until Friday, when it is expected they will be ready to make their final report.

Less Monthly Discomfort

Many women, who formerly suffered from a weak, run-down condition as a result of poor assimilation of food, say they benefited by taking CARDUI, a special medicine for women. They found it helped to increase the appetite and improve digestion, thereby bringing them more strength from their food. Naturally there is less discomfort at monthly periods when the system has been strengthened and the various functions restored and regulated. *Caution: Guarded by thousands of satisfied, well worth trying, of course, if not benefited, consult a physician.*

Rice cooked in milk or in a mixture of half milk and half water, has a creamy consistency, a pleasing, delicate flavor and a higher food value than when cooked in water alone. Combined with fruits, spices or chopped nuts, it makes a good dessert.

To The Voters Of Rowan county:

We the undersigned candidates for membership on the Rowan County Board of Education herewith submit our platform, upon which we expect to make our campaign and which we shall abide by if we are elected to this office.

1. We are against consolidation of rural schools or the moving of any existing schools.
2. We favor the extension of high school opportunities until every eighth grade graduate can conveniently attend some high school.
3. We favor better rural schools.
4. We pledge ourselves to an economical administration and promise to incur no indebtedness.
5. We favor better salaries for teachers.
6. The welfare of your children is your first thought, and it shall be our first consideration in the operation of the schools, if we are elected to this office. And we will at all times remain subservient to the will of the people.

RESPECTFULLY SUBMITTED,

J. L. Boggess,
J. B. Fraley
Hendrix Tolliver
