

CAL TOLLIVER SHOT AT.

MOREHEAD, Ky., Aug. 29.—Cal Tolliver, the lad who was spared by the Logans during the massacre, was fired on yesterday from ambush near town. Several of Logan's followers who have been indicted for supposed participation in the massacre, are hiding in the mountains near town, heavily armed, and can not be arrested. Troops will leave when court adjourns, and it is expected that fighting will begin then.
