April 1, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—Arts in Morehead (AIM) will present the off-Broadway hit musical "Cotton Patch Gospel" on Monday, April 18, at 7:30 p.m. in Button Auditorium at Morehead State University.

General admission tickets will be available at the door on the evening of the performance at \$8 for adults and \$4 for non-MSU students and children. MSU students with valid I.D. cards will be admitted free.

A five-person musical with a score by the late Harry Chapin, "Cotton Patch Gospel" was adapted from "New Testament 'Cotton Patch' Paraphrases," a work by Dr. Clarence Jordan.

"Cotton Patch Gospel" was originally conceived by actor Tom Key as a one-man play based on the idea of a contemporary Matthew telling the story of Jesus as though he were born in Gainesville, Ga.

After a National Concert-Artist Series tour of the play, Key teamed up with the award-winning director Russell Treyz, Broadway producer Philip Getter and Chapin to produce the musical.

Following Chapin's death, his brother Tom guided the production musically to its October, 1991, premiere at the Lambs Theatre. The musical earned a Drama-Logue Award for Outstanding Achievement in Theatre and inspired the NBC special, "Harry Chapin's Cotton Patch."

Breaking attendance records at theatres in Dallas and Atlanta, the production has earned acclaim from such celebrities as Greer Garson, Larry Gatlin and former President Jimmy Carter. Plans are under way for its London premiere at Westminster Theatre.

Additional information on the April 18 performance or on group rate tickets is available by calling (606) 783-2602.

AIM is a cooperative effort of MSU and the Morehead/Rowan County Arts Council.

April 1, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—The paintings of Letcher Countian David Lucas will be exhibited in the Kentucky Folk Art Center on the Morehead State University campus, April 11-May 27.

The center, located at 119 West University Blvd., is open 8:30 a.m.-4:30 p.m., weekdays. There is no charge for viewing.

The exhibition, co-curated by Adrian Swain, MSU folk art curator, and Lexington artist Pamela Sexton, will feature a number of subject areas including the coal industry, landscapes, the local environment and religion. Some of the works from his Lucas' "Revelations" series also will be included.

With more than 500 paintings to his credit, Lucas has given a one-person show at the University of Kentucky. His paintings also are part of the university's permanent collection in the UK Art Museum.

Last year, a series of Lucas' feud paintings were purchased to accompany the "Kentucky Cycle" drama.

A much traveled individual, Lucas has lived in other states such as Indiana and California, has been an apprentice jockey and a welder, and has served a stint in the armed forces. He and his wife Peggy Jean live in Haymon. They are parents of two sons.

Additional information about the exhibit is available by calling the Center at (606) 783-2760 or 783-2204.

April 1, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Morehead State University will host an "Open House" for prospective students and their parents on Saturday, April 16, on the campus.

"This is a special time for students to visit the campus, learn about college life and explore specific programs of study," said Michelle Richmond, admissions counselor and coordinator of the activity.

The program is available to all students-high school and community college-who are interested in continuing their education, Richmond noted.

The activity begins with registration at noon in the lobby of Button. Displays of the University's programs will be available for viewing in Button Drill Room.

Information sessions for parents, "How to Pay for College" and "Overview of Academic Opportunities," will run concurrently from 12:15 to 12:45 p.m., with the financial aid program to be repeated at 2:45 p.m. in Fields Hall Seminar Room 2.

University representatives will welcome the group at 1 p.m., followed by visits to the various academic departments at 1:30 p.m. Campus tours begin at 2:30 p.m., concluding the program.

Those visiting the campus will be invited to be guests of the University when the MSU Eagles baseball team take on Austin Peay State University in a doubleheader that begins at 1 p.m. at Allen Field.

Additional information is available from MSU's Office of Admissions at (606) 783-2000 or toll free at 1-800-262-7474 (in Kentucky) or 1-800-354-2090 (from adjoining states).

April 1, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Approximately 1,000 students are expected to participate in Morehead State University's Regional Foreign Language Festival on Friday, April 15.

The students will represent 10 senior and junior high schools throughout Eastern Kentucky, according to Mary Jo Netherton, associate professor of French and festival coordinator.

High schools indicating they will participate include: Bath County, Nicholas County, Paintsville, Paul Blazer, Powell County, Raceland, Rowan County, Russell and Greenup County. Verity Middle School also will participate.

The event includes academic competition in listening, speaking and writing proficiency, literary recitation, extemporaneous prose reading and drama in Latin, German, French, Russian and Spanish. Non-academic events include frameable art, construction models, realia, costumes and chorus.

Faculty members from MSU's Department of English, Foreign Languages and Philosophy, graduates and area residents will serve as festival judges.

Additional information is available by calling (606) 783-2583 or 783-2779. Assisting Netherton will be Vandy Trent, departmental secretary; Regina Davis, MSU graduate, and Tanya Whitehouse, Lebanon sophomore, as student directors, and several foreign language students.

April 1, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—The works of several local folk artists are on display in the American Folk Art: Focus on Kentucky exhibit in the nation's capital, April 14 through May 27.

The exhibit is the result of a partnership of Morehead State University's Folk Art collection and the Very Special Arts Gallery.

Located at 1331 F Street NW in Washington, D.C., the gallery is open 10 a.m. to 6 p.m., weekdays, and 10 a.m. to 4 p.m. on Saturdays.

An opening reception will be given on Wednesday, April 20, to honor the artists. U.S. Sen. Wendell Ford (D-KY) will be the honorary chair.

Artists from Kentucky whose works are on display include: Minnie and Garland Adkins of Isonville, Lillian and Linvel Barker of Isonville, Calvin Cooper of Wallingford, Jessie and Ronald Cooper of Flemingsburg, Tim Cooper of Flemingsburg, Michael Farmer of Louisville, Denzil Goodpaster of Ezel, Carolyn Hall of Snakey Hollow, Larry Hamm of Morehead, Gary Lawton Hargis of Owensboro, Lois Jean Hayse-Hosick of Salem, Norma Keaton of Owingsville, Barbara Keeton of Paintsville, Charles Keeton of Martha, Emerson Lewis of Elliott County, Jim Lewis of Sandy Hook, Tim, Leroy and "Junior" Lewis of Isonville, Tim Ratliff of Frenchburg and Hugo Sperger of Salyersville.

The American Folk Art: Focus on Kentucky exhibit includes paintings, wood carvings, walking sticks, hinterglass and ceramic tiles, as well as some selections from Morehead State's collection.

MOREHEAD, Ky.---Described as outrageous and unforgettable, Jane Powell will make a return visit to Morehead State University on Thursday, April 14, for a 7:30 p.m. concert in the University's Academic-Athletic Center.

The show, sponsored by MSU's Student Government Association, is free and open to the public.

A Roanoke, Va., native, Powell has a five-octave range and her voice has been classified with such greats as Mahalia Jackson and Ella Fitzgerald.

The vocalist of Jane Powell and Co. received the Campus Entertainment Award in the Jazz Music Category this year. She also was nominated in the Contemporary Music and Performing Arts: Music categories.

An all-around entertainer, Powell puts a "little bit jazz, a little bit rhythm and blue, a little bit soul" in her music. She is known for her rapport with the audience where she is "totally unself-conscious, witty, sexy and playful."

Before achieving success in the music field, Powell worked in a sewing factory, an ice cream parlor, as a cook and as a maid. Starting out, she sang at weddings and funerals. Now, backed by her five-piece band, she is performing on college campuses across the country. She also sang two songs for the film "Marie" that starred Cissy Spacek.

MOREHEAD STATE UNIVERSITY

UPO BOX 1100

MOREHEAD, KY 40351-1689

606-783-2030

April 2, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Morehead State University's College of Education and Behavioral Sciences has received continuing accreditation from the National Council for Accreditation for Teacher Education (NCATE) through 1998.

NCATE's action also means automatic continuing accreditation from the Kentucky Department of Education for the same period.

"Morehead State University has long been known for the quality of its teacher education programs," said MSU President Ronald G. Eaglin. "Historically, it has been a major part of our mission to this region and we are committed to continuing to provide quality education professionals."

The president commended the faculty and staff for their continued dedication which resulted in this achievement.

According to Dr. Sylvester Kohut Jr., dean of the college, all of the University's undergraduate and graduate teacher education programs are in compliance with all accreditation standards.

In his letter of notification, Dr. Arthur Wise, NCATE president, indicated that MSU has had a pioneering role in the teacher education field. The University was one of the first institutions nationwide in 1988 to be fully accredited under new standards for teacher education program accreditation and now is one of the first under NCATE's new continuing accreditation guidelines.

"NCATE conducted an extensive review of our programs, including a rigorous examination of portfolios for specific certification programs," said Dr. Kohut.

"Our self-study process involved faculty, staff, students and alumni as well as teaching professionals in our region, said the dean. Dr. Kohut also praised the efforts of Dr. Tim Miller, associate professor of education, who coordinated the self-study process.

"During its campus visit this past October, the NCATE Board of Examiners concluded that we were to be commended for our leadership role and for helping to implement education reform throughout our service region under the Kentucky Education Reform Act of 1990," Dr. Kohut said.

"Out of the 26 schools offering teacher education programs in Kentucky, only 10 are NCATE accredited," the dean added.

While almost 1,300 colleges and universities throughout the nation offer programs to prepare teachers and other professional education personnel, less than half of them are accredited by NCATE, according to the dean.

"In fact, the recently revised NCATE standards are so demanding that only about 70 percent of the institutions reviewed were accredited upon initial review," Dr. Kohut added.

NCATE's next visit to MSU will be in 1998, but during the interim the University will be submitting an annual report to the council on its teacher education programs.

MOREHEAD, Ky.---The Upward Bound program, hosted by Morehead State University, will participate in the federally funded Summer Food Service Program for Children. The program operates under guidelines similar to those of public school food service programs.

Taking part in this program enables the sponsors to hold down costs so that most families can afford to send their children to camp.

The program is available to eligible Upward Bound participants. All children will be served the same meals at no separate charge regardless of race, color, national origin, age, sex, or disability and there is no discrimination in the food service.

The following scale is the current family-size and income criteria used in determining eligibility for children at camp sites:

Family Size	Income Eligibility Standards
1	12,895
2	17,446
3	21,997
4	26,548
5	31,009
6.	35,650
7	40,201
8	44,752
For each additional family member add	4,551

Additional information on this program is available by calling Jennifer Cady, Upward Bound Coordinator, at (606) 783-5197.

Individuals who believe they may have been discriminated against in the Summer Food Service Program may write to the Secretary of Agriculture, Washington, DC 20250.

April 5, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—Morehead State University finished in first place in all events in the Association of College Unions-International, Region 5 Recreational Tournament held in Johnson City, Tenn., Feb. 25-27.

The MSU team of 39 students defeated 33 other universities in the competition with a total of 46 points. Virginia Tech. placed second with 43.5 points, Memphis State took third place with 29.5 points, and fourth place went to University of Kentucky with 27 points.

Students from Kentucky on the winning MSU team were:

Argillite--Clelly Salley, darts; Ashland--Vicki James, bowling; Michael James, bowling; Eric May, table soccer; Lisa Watson, bowling; Catlettsburg--Kim Beam, billiards; Covington--Adam Miller; spades; Cynthiana--Billy Whitaker, table soccer; Danville--Laura Best, spades; Irvine--Henry Margison, table soccer; Lexington--Brian Goins, bowling; Melinda Johnson, bowling;

Morehead—Jun Ma, table tennis; Tsuyosbi Nomura, table tennis; Olive Hill—Shane James, billiards; Owingsville—Audie Thacker, chess; Paducah—Sean Walden, bowling; Paintsville—Cindy Chandler, bowling; Sitka—Charles Price, billiards; Adam Skeans, chess; South Portsmouth—Paul D. Huffman, billiards; Van Lear—Jason Kretzer, chess; Vanceburg—Miranda Smith, billiards; Paul Thayer, billiards; West Liberty—Roger Gillespie, billiards; Whitesburg—Joe Adams, billiards.

Out-of-state team members were:

ILLINOIS: Thomasboro-Vicki Ghrist, bowling.

INDIANA: Indianapolis-Eric Deal, bowling.

<u>NEW YORK</u>: Webster--Chris Casa, bowling.

OHIO: Coshocton-Kevin Kittell, bowling; Delta-Steve Lyon, bowling; Kettering-Sheri Smith, bowling; Medina-David Paffumi, bowling; Middletown-Tracy-McClusky, billiards; Mt. Orab-M.C. Giles, table soccer; Parma Heights-Alan LeGros, bowling.

<u>PENNSYLVANIA</u>: Huntington Valley—Mark Carney, backgammon; Macungie—Patrick Polash, bowling.

WEST VIRGINIA: Wheeling—Lisa Morehead, bowling.

MOREHEAD STATE UNIVERSITY

UPO BOX 1100

MOREHEAD, KY 40351-1689

606-783-2030

April 5, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—A distinguished musician, educator and administrator will be the 1994 recipient of the Morehead State University Founders Day Award for University Service.

Dr. J. E. Duncan, dean emeritus, will be honored during the annual Founders Day Convocation and Awards Ceremony on Friday, April 8, at 10:30 a.m. in Button Auditorium. Presenting the award will be Dr. Bruce Mattingly, faculty representative to MSU's Board of Regents.

Established in 1978 by the Board of Regents, the award is presented annually at the convocation to recognize an individual with a record of outstanding service to the University over a sustained period.

"With this award, Dr. Duncan joins a list of individuals whose contributions over the years have added much to the reputation of our University as a quality institution," said MSU President Ronald G. Eaglin. "We are pleased to recognize his efforts and continued service."

The featured speaker for the convocation will be Roger Clinton, brother of President Bill Clinton. He will share memories of growing up with his big brother and his thoughts on life in the sudden glare of the media spotlight. The first brother also will talk about the strength of the Clinton family and the need to accentuate the positive on both a personal and national level.

Dr. Duncan, a cellist by training, came to MSU in 1956 to head the Department of Music. He developed what became recognized as one of the top music programs in Kentucky and the Southeast. Four years later, the Alabama native's administrative skills led him to the chairmanship of the Division of Fine Arts and six years later he was appointed dean of MSU's School of Humanities. After 15 years in that position, he stepped down, but continued to teach on a limited basis until retiring in 1983. He remains active in the campus community.

The Founders Day honoree's achievements at MSU included service as national president of Phi Mu Alpha Sinfonia fraternity; selection as the 1966 Distinguished Faculty Award recipient, and membership on the editorial board of the University Press of Kentucky.

(MORE)

Active in his community, Dr. Duncan is a founder of the First Federal Savings and Loan Association of Morehead, a former president of the Morehead Optimist Club and a lay speaker in the United Methodist Church.

Dr. Duncan earned the Bachelor of Music Education and Master of Music degrees from Northwestern University and his Ph.D. degree from Peabody College.

Several other activities are planned that day as MSU marks 107 years of higher education in Rowan County and its 72nd year as a public institution. The day begins with a special breakfast for all retired faculty and staff members where MSU President Ronald G. Eaglin will recognize those who retired during the past 12 months.

At a noon luncheon following the convocation, 12 new MSU Fellows will be recognized along with other major donors who have supported the University. Guest speaker for the luncheon will be MSU President Emeritus Adron Doran, who led the University from 1954 to 1977. Tickets for the \$6 per plate luncheon must be purchased and picked up in advance.

Capping the day will be the Alumni Awards Dinner at 6:30 p.m., highlighted by the induction of three new members into the Alumni Hall of Fame: Dr. Lauretta Flynn Byars, University of Kentucky vice chancellor for minority affairs; Ann Karrick, former school teacher, coach and administrator, and Dennis L. Speigel, president of International Theme Park Services, Inc. Following dinner, there will be an MSU theatre production in Button Auditorium. Curtain for the comedy, "On the Verge," will be 8:30 p.m.

Dinner tickets will be \$11 each and must be purchased and claimed in advance. Persons reserving tickets for either the luncheon or dinner may purchase theatre tickets at a reduced rate of \$5 each when ordered in advance.

In addition, other opportunities for students to take part in the celebration have been arranged by the MSU Student Alumni Ambassadors. Activities include a signing party on Thursday, April 7, for a giant birthday card to be displayed at the Adron Doran University Center. Signees will receive a piece of birthday cake. Also the ambassadors will distribute blue and gold ribbons Thursday and prior to the convocation on Friday.

The Crager Room, Adron Doran University Center, will be the site for all meal events. The deadline for reservations and for picking up tickets is 4:30 p.m. on Tuesday, April 5, according to Larry Stephenson, ticket chairman. Tickets will not be sold at the door.

Tickets may be purchased at the Student Activities Office on the second floor of ADUC and at the Alumni Center.

Additional information on tickets is available by calling Stephenson at (606) 783-2071 or the Alumni Center at (606) 783-2080.

April 6, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Every eight seconds someone is attacked in the United States and Judy Carpenter is trying to make sure that potential victims know how to protect themselves.

Carpenter is an instructor at Davis Karate Studios in Morehead, in addition to being a secretary at Morehead State University.

After earning her third degree black belt in tang soo do karate, Carpenter decided she wanted to teach self-defense classes to women.

She shows women a variety of ways to defend themselves; for example, how to get out of a choke hold, a bear hug or a grab from behind, and how and where to hit and kick a would-be assailant. Also, the class examines environmental weapons--things like umbrellas and back packs--which when used properly can ward off attackers.

Carpenter said her classes also explore common sense issues that are often forgotten. Among the examples she shared were parking your car under a light whenever possible; listing your initials in the phone book instead of your entire name if you are a female living alone, and never getting too close to a car in which a stranger is asking for directions.

"The goal of this class is not to make you paranoid, but to teach you how to defend yourself in the case of an emergency," the karate instructor added.

Crimes usually thought of as big city problems are moving into small towns. "Not all rape cases get reported, so the statistics aren't always accurate," she said.

"The more aware you are, the more likely you can prevent an attack," Carpenter said.
"Don't walk around alone at night and always be familiar with your surroundings. That's not being afraid, that's being cautious," she explained.

Carpenter stays busy with her dual role at the University as a secretary for the Faculty Senate and the Institute for Correctional Research and Training, her karate instruction and she gives self-defense seminars in various locations around Morehead.

She has a bachelor degree's in office management and university studies from MSU. Presently, she is working on her master's degree in adult and higher education at MSU.

Carpenter, a Bath County native, believes that everyone should know how to protect themselves. However, she stressed, the purpose of her classes is not to teach someone to fight. "The purpose is to teach you how to defend yourself and get away so that you don't become another statistic," she said.

April 6, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Eleven new Morehead State University Fellows will be recognized at the University's Founders Day luncheon at noon Friday, April 8, in the Adron Doran University Center.

With these additions, MSU's total support from individuals in this major gifts program is nearly \$4 million, according to Keith Kappes, executive vice president of the MSU Foundation, Inc.

The 1994 Fellows are:

Mrs. Lucille Caudill Little of Lexington; Dr. and Mrs. Jim Arient of Napierville, Ill.; Alice Elaine Williams of Cincinnati, Ohio; Mr. and Mrs. John H. Cary of Dunwoody, Ga.; Mr. and Mrs. William W. Chapman of Ashland; Mr. and Mrs. L.M. "Sonny" Jones of Frankfort, and Ms. Shirley M. Parker of Morehead.

They join 172 others as members of the MSU Fellows. To become a Fellow, an individual or couple must provide a cash gift of \$10,000, a property gift valued at \$12,500 or a deferred gift in the amount of \$25,000. The cash requirement may be achieved through minimum annual gifts of \$1,000.

At this time, MSU also will honor four special friends of the University for their support. Recognition will be given to Mrs. Lucille Caudill Little as this year's Most Valuable Giver; to W. Stu Taylor of Ashland as the Volunteer Fund Raiser of the Year, and to Dr. C. Lee Tyner, coordinator of MSU's veterinary technology program, and Harlen Hamm, professor of speech, as Outstanding Faculty/Staff Fund Raisers.

Dr. Adron Doran, MSU president emeritus, will be the speaker for the luncheon. Dr. Doran, who served as president from 1954 to 1977, will provide a look at the University's past.

"As we celebrate MSU's 72 years as a public institution and 107 years of higher education in Rowan County, Founders Day is a most appropriate time to look back at our rich history and to recognize those individuals who have helped us in fulfilling our mission to this region," said MSU President Ronald G. Eaglin.

(MORE)

The luncheon follows the annual Founders Day Convocation and Awards Ceremony scheduled for 10:30 a.m. in Button Auditorium. Guest speaker for the convocation will be Roger Clinton, brother of President Bill Clinton. The Founders Day Award for University Service also will be presented at this time.

Following the luncheon at 2:30 p.m., a brief ceremony will be held in the west lobby of Lloyd Cassity Building to unveil a plaque in memorial of the late Dr. Robert E. Newton, former chair of MSU's Department of Industrial Education and Technology. Dr. Newton, who developed MSU's pioneering program in robotics, joined the faculty in 1963 and served as chair from 1976 until his death in April 1992.

Founders Day begins with a special breakfast for all retired faculty and staff members at which time President Eaglin will recognize those who retired during the past 12 months.

Capping the activities will be the Alumni Awards Dinner at 6:30 p.m., highlighted by the induction of three new members into the Alumni Hall of Fame.

MSU SORORITY ALUMNI HONOR PROFESSOR

Morehead State University sorority alumni recently honored Dr. Diane Ris, MSU professor of education, for service as an adviser for Alpha Omicron Pi, a former social sorority on the campus. Members honored her with a pink dogwood tree to be planted on campus behind Ginger Hall, where she has taught for 18 years. Gene Caudill, MSU administrative superintendent in the Office of Physical Plant, obtained the tree and helped sorority alums with Dr. Ris's surprise honor. "They wanted to give me something that would be here always, and they did. I pass it every morning on the way to my office," Dr. Ris said. The tree was planted earlier this spring.

April 7, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—Morehead State University's newly-established Center for Community and Economic Development (CCED) is designed to assist Eastern Kentuckians in their efforts to improve the quality of life in their communities.

"By systematically organizing our resources to serve the region, we believe it is possible to boost community and economic development in Eastern Kentucky and improve the quality of life," said Michael Harford, MSU Department of Management and Marketing chair, who serves as co-director of the center.

Serving with Harford as the other co-director is Dr. Ronald L. Mitchelson, MSU Department of Geography, Government and History chair.

The CCED offers five types of assistance to the region: information, facilitation, analysis, training and leadership development.

The CCED attempts to link MSU and its resources to community organizations as well as business and professional associations by providing services that will enhance economic opportunity and community development, Harford said.

Also, through its involvement with these groups, the University will gain valuable information to assist it in updating and strengthening its curriculum across the four colleges.

Only in its first year of operation, the center has 30 MSU faculty and 10 staff members working on various projects. There are also 65 University students involved in a special leadership development program, which is designed to teach the concepts and skills of leadership.

Project analysis assistance from the center has spurred the development of five Eastern Kentucky businesses. Market and feasibility studies can also be conducted by the CCED.

As a result of its initiatives, the center has received preliminary funding commitments for 1994 and 1995 from the Appalachian Regional Commission (ARC) and the Kentucky Heritage Council (KHC), according to Harford.

Recently, Gov. Brereton Jones came to the campus to announce that he was recommending an ARC grant of \$142,000 for the center to initiate an Appalachian Cultural Resource Development project.

The grant will allow the CCED to assist in developing historic sites in 33 Eastern Kentucky counties that would help increase tourism and economic development.

April 7, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---An evening of extraordinary entertainment by an outstanding array of performers is in store for those individuals taking a bite out of the Big Apple at Morehead State University's gala, "A New York Fantasy."

Reservations for the event which will be held at MSU's Adron Doran University Center on Saturday, April 30, will be accepted through April 15.

Designed as a fund raiser for MSU's music and theatre programs, the gala will showcase the talents of students, faculty and alumni of those programs.

Fantasy tour goers on the blue package will check in at Grand Central Station (Academic-Athletic Center) between 6 and 7 p.m. to catch the subway for Times Square. Those on the deluxe gold package have 6 p.m. reservations at Tavern on the Green (President's Home) for a champagne buffet dinner.

The cost of the blue package tour is \$50 per person, while the patron level gold package is \$125 per person.

All New York Fantasy travelers will be treated to a smash hit musical, "Broadway Rhythms," at The Palace Theatre (Button Auditorium) with curtain time at 7:30 p.m.

Vocalists for the show include Holly Thompson of Grayson, Jerett Gieseler and Shannon Convery of Morehead, students; Stanton Garr of Simpsonville, Terry Cain of Flemingsburg and Se Layne of Morehead, alumni, and Shirley Gish, associate professor of speech.

The dance ensemble includes Mary Whidden and Suzanne L. Meadows, Morehead; Janie Short, Paintsville; Angie Dickison, Grayson; Donetta Riley, Harold; Nicole Harris, Greenup; Billy Sperger, Whitesburg; Natalie Woods, Wurtland; Elizabeth Harris, Olive Hill; Greg Goodrich, Lawrenceburg; Dominique Pleasant, Mt. Sterling; Scott Coppock, South Salem, Ohio, and Monique Cash, Batavia, Ohio. Company supervisor is Sylvia Layne with choreography by Riley, Woods and Lisa Satorelli of Cincinnati, Ohio.

Travis Lockhart and Bill Layne, associate professor of theatre are production managers, with students Derek Mudd, Shepherdsville, and Kristie Hicks, Bardstown, as directors.

Set designer is Dwayne Gillespie, Sterling, Va., and lighting is by Will Ingham, Naples, Fla. George McKee, Flemingsburg graduate student, is house manager. Costumes are by Whidden and Coppock under the supervision of Kozy Hamilton, MSU theatre costumer.

Theatre students providing entertainment at Times Square include Matt Johnson, Georgetown; Keith Adams, Jenkins; Ryan Briggs, Hager Hill; Steve DeFazio, Amanda Hay and Michelle Stites, Louisville; Gillespie; Thomas Pogue, Norway; Hyla MacGregor and Robyn Jones, Lexington; Karen McCauley, Nicholasville; Ann Blackburn, Lawrenceburg and Eugenia Fultz, Olive Hill.

Directing the players will be Jamie Phillips, Greenfield, Ohio, assisted by Ingham.

Also on hand at Times Square will be the Licking River Ramblers, a student Dixieland jazz group, composed of Tom Money, Wittensville; Paul Kindt, Cincinnati, Ohio; Wes Flinn, Bedford, Ind.; Ian Insko, Foster; Clint McClanahan, Erlanger, and Brett Ballard, Salt Lick.

Filled with all the glitter and glitz of New York's hottest musical night spots, the Manhattan (Adron Doran University Center) will be the next destination as guests tour the town.

Nostalgic rock will be featured at The Hard Rock Cafe with the "New York Rock and Soul Review:"

Jay Flippin, keyboards, Larry Blocher, saxophone, and Frank Oddis, drums, MSU music faculty; Clauncy Hatfield of Ashland, guitar, Walt Hill of Mt. Sterling, trumpet, and Chris Andrews of Trenton, Ohio, all MSU alumni, and student Jerry Wirtley of Seven Mile, Ohio. Vocalists will be Janet Lowman of Ashland, Roy Pyle of Kettering, Ohio, Lisa Palas of Nashville, MSU alumni, and Emily Flippin of Morehead.

Over at Denim and Diamonds, "The Eagle Country Band" will be serving up country and western style tunes. Appearing with the group will be Woody Robinson of Vanceburg, vocals and rhythm guitar, Tom Stephens of Greenup, keyboard, vocals and lead guitar, Lee Sable of Lexington, drums, and Ray "Rocky" Ross III of Carlisle, bass, all MSU alumni, and Ray Ross Jr., vocals, guitar and keyboards, MSU music faculty.

Sweet and mellow jazz will be featured at the Village Vanguard with the Brent Gallaher Jazz Quartet. Gallaher is an MSU alumnus.

The Palladium Ballroom will offer an evening of dancing to the Big Band sounds of the "Big Apple Swing Orchestra." Under the direction of David Anderson, MSU music faculty, the orchestra is composed entirely of MSU music program alumni. Musicians include:

David Threkeld of Williamsburg, Rod Skewes of Peoria, Ill., Don Gallahue of Columbus, Ohio, Dan Houston of Pikeville and Ginger Tyree of Mt. Sterling, on reeds; Lawrence Wiley of Dayton, Ohio, Ashley Tyree of Mt. Sterling, Charlie Greene of Portsmouth, Ohio, and Kerry Kruze of Cincinnati, Ohio, on trumpet;

Brooks Callahan of Greenup, Evert Windland of Paintsville, Kerry Davis of Lexington and Doug Calland of Maysville, on trombones; Dave Kazee of Salyersville, on piano; Wayne Bishop of Rowdy, on bass and Steve Hall of Williamsburg, on drums, with vocals by Marsha Griffith of Greenup.

Classical works by such masters as Chopin, Handel and Milhaud will fill the air in Carnegie Hall. Performers include the following music faculty members:

Michael Acord, Leo Blair, Suanne Blair, Jon Burgess, Andrew Glendening, Curtis Hammond, Earle Louder, Roma Prindle, Robert Pritchard, Jennifer Schuler, Paul Taylor and John Viton.

Students appearing in OperaWorks presentation will be:

Scott Bradley, Prestonsburg; Amy Brown, Guston; Angela Browning, Adam Titlow and Rebecca Castle, Paintsville; John Buford, Owensboro; Stephanie Crisp, Jerett Gieseler and Phyllis Tremper, all of Morehead; Sabina McCoy and Cathy Mullins, Pikeville; Gary Strain, Independence; Emily Weatherspoon, Russellville, Ohio, and Shawn Wilson of Ashland.

Additional information on "A New York Fantasy" is available by calling (606) 783-2659.

MOREHEAD STATE UNIVERSITY

UPO BOX 1100

MOREHEAD, KY 40351-1689

606-783-2030

April 8, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Morehead State University's Student Government Association will present "Confederate Railroad" in concert on Monday, April 25, at 8 p.m. in the Academic-Athletic Center.

Appearing with the country music group will be John Berry and "Highway 101."

Tickets are now available at various locations: Ashland Area Extended Campus Center in Ashland, Licking Valley Extended Campus Center in West Liberty, Downtown Video in Mt. Sterling, Martin's Department Store in Jackson, and in Morehead at Martin's Department Store, Main Street Music and on the MSU campus at MSU's Student Activities Office in the Adron Doran University Center.

General admission will be \$15 for reserved and \$12 for bleacher seating, while MSU-students with a valid I.D. card will pay \$10 for reserved and \$5 for bleacher seats.

One of the most popular groups in the country music field, "Confederate Railroad" has refined all the best elements of Southern music styles into a unique country sound. The group won the Academy of Country Music's 1993 award for "Best New Vocal Group."

The band's serious, mature side also made an impression. "Because of the success we had with singles like 'Jesus and Mama' and 'When You Leave That Way You Can Never Go Back'," explained lead singer Danny Shirley, "we put more meaty songs on our new album, 'Notorious'."

Chattanooga native Danny Shirley, whose honest, soulful vocals highlight the Confederate Railroad sound, has led the group since 1981. He is joined by Mark DuFresne (a charter member of the group) on drums, Michael Lamb on guitar, Chris McDaniel on keyboards, Wayne Secrest on bass, and Gates Nichols on the pedal steel guitar. The group came up on the rocky side of country music, working as the road band for so-called "outlaw" acts like David Allen Coe and Johnny Paycheck, and playing shows with Southern rock standard-bearers Lynyrd Skynyrd.

The band's many years of playing to live crowds also paid off when their records hit. It quickly gained a reputation as a high-energy, highly entertaining show which appeals to all types of country fans, from the rock fringes to the hardcore crowds that turned out when they toured with George Jones. "We've been out there so long, with so many influences, we can play just about any crowd," Shirley said.

Additional information is available by calling (606) 783-2071.

MOREHEAD, KY 40351-1689

606-783-2030

April 8, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—Elaine Fowler Palencia, a Morehead native and author of "Small Caucasian Woman," will read from her collection of short stories Monday, April 18, at 8 p.m., in Reed Hall Auditorium at Morehead State University.

Sponsored by the Department of English, Foreign Languages and Philosophy, the event is free and open to the public. A reception and booksigning will be held afterward in the Patti Bolin Room, Lloyd Cassity Building, according to Dr. Michelle Boisseau, MSU associate professor of English.

Palencia's interwoven short stories, set primarily in fictional Blue Valley in Moore County, bear resemblance to the Morehead area, its people and their experiences.

The author lived on Elizabeth Avenue in Morehead with her parents, Rubye and Dr. Nolan Fowler until 1962. Her mother taught at the old Morehead High School and her father was an MSU history professor and track coach. She was 16 years old when she and her family moved to Cookeville, Tenn.

She remembers the town as a "magical place to grow up in," and refers to her upcoming visit as somewhat of a homecoming for her. Readers will recognize many particular references to Morehead, such as, the railroad, the old IGA, and University Breckinridge School's 1946 basketball championship, Dr. Boisseau said.

More generally, readers will feel at home with the stories' sense of place and warm and witty voices, as when the character Dreama Forrester dismisses some neighbors as "so lazy they wouldn't work in a pie factory," Dr. Boisseau noted.

Palencia's book has been nominated for two prestigious awards, the PEN/Faulkner Award (for the most distinguished work of fiction by an American author) and the Society of Midland Authors fiction award. "These are stories that taste of cool branch water touched with sulphur," reported "Southern Seen" in a review.

Additional information on the author's visit is available from Dr. Boisseau at (606) 783-2185.

April 9, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.----Advance registration for Morehead State University's two summer sessions and the fall 1994 semester will be conducted Monday through Thursday, April 18-21, on the main campus, at MSU's extended campus centers and at Lees and Pikeville colleges.

Students currently enrolled and those interested in attending MSU this summer or fall may register during this period, according to Gene Ranvier, MSU registrar.

Course schedules containing trial schedule blanks are now available from academic departments and the off-campus advance registration sites.

Main campus students will advance register in their major department, beginning with graduate students, seniors and juniors on Monday, April 18. From Tuesday through Thursday, the final day, the process will be open to all other students as well. Students without a declared major will register in the Office of General Studies, 233 Allie Young Hall.

Advance registration at the Ashland Area, Big Sandy and Licking Valley extended campus centers, Lees College and the Appalachian Graduate Consortium at Pikeville College will be conducted from 10 a.m. to 6 p.m. Monday through Thursday.

Off-campus students who have never enrolled at MSU before should contact their nearest extended campus center or off-campus registration site.

New students planning to study on the main campus should initiate the admissions process in 301 Howell-McDowell Administration Building for undergraduate admission or in 701 Ginger Hall for graduate admission.

MSU's summer dates are June 13 to July 8 for Summer I and July 11 to Aug. 5 for Summer II, Fall 1994 classes begin Aug. 22.

April 10, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—Morehead State University's varsity cheerleaders are Number 1, again!

The squad won the national title in Division I at the National College Cheerleading Championships being held in San Diego, Calif., this weekend (April 7-9).

This is the seventh time the MSU squad has been invited to the national competition, sponsored by the Universal Cheerleaders Association. They competed against 14 teams including University of North Carolina-Charlotte, Wright State University, Furman University, Georgia Southern, University of Central Florida and Eastern Kentucky University.

The MSU team won the national title in their division in 1988, 1991, 1992 and 1993. They qualified for this competition by submitting a videotape of a cheer, sideline, fight song and skills demonstration.

Students participating in the competition were Shay Whitehead, Lexington freshman; Dan Gillenwater, Columbus, Ohio, graduate student; Carrie Neff, Chillicothe, Ohio, sophomore; Michael Cooper, Nicholasville senior; Cindi Childers, Hindman sophomore; Cassie Lawson, Morehead sophomore; Ashley White, Ashland senior; Holly Begeal, Concord, N.H., sophomore; Stephanie Cano, Dayton, Ohio, freshman; Kelly Sallee, Lexington freshman; Dana Earley, Morehead freshman; Ryan Robertson, Lexington freshman; Scott East, New Holland, Ohio, junior; Dave Howell, Dayton, Ohio, sophomore; Chuck Holmes, San Marcos, Calif., freshman; Bill Jones, Dayton, Ohio, junior; Mike Rosel, Augusta sophomore; Rob Jeffries, Covington junior; Holden Gibbs, Louisville sophomore, and Bryan Bowling, Pikeville freshman.

Also during the weekend, two pairs from MSU participated in the partner stunt competition. The duo of Mike Cooper/Carrie Neff took second place while Shay Whitehead/Dan Gillenwater placed fourth.

April 11, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Morehead State University will honor its championship cheerleading squad with a reception on Wednesday, April 13, at 5 p.m. in the lobby of the Adron Doran University Center.

The group defended their Number 1 title in Division I at the National College Cheerleading Championships in San Diego, Calif., last weekend.

This is the seventh time the MSU squad has been invited to the national competition and the fifth time they have been named national champions.

April 12, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---"Life is tough, but it is never too tough; never unless you allow it to be."

Those words of his mother were recalled by Roger Clinton at Morehead State University's Founders Day Convocation and Awards Ceremony.

Clinton, brother of President Bill Clinton, speaking to a crowd of nearly 400, urged students to prepare for the future and avoid the path he had taken as a young man.

After talking freely about his battles with drug abuse and emotionally about his father's abuse as well as his mother's death, Clinton announced that he planned to enroll in college in California to complete his degree.

With Founders Day 1994, MSU marked 102 years of higher education in Rowan County and the University's 72nd anniversary as a public institution. The day was celebrated with several activities and presentations as the University recognized friends and reflected on its past, present and future.

At the convocation, Dr. J.E. Duncan, dean emeritus, was presented the Founders Day Award for University Service by Dr. Bruce Mattingly, faculty representative to the Board of Regents.

Under Dr. Duncan's leadership, MSU's music program became recognized as one of the preeminent programs in Kentucky and the Southeast.

In accepting the award, Dr. Duncan stressed that there were quality programs campuswide with excellent faculty, but that the music program by its very nature had more opportunity for visibility.

The University also recognized another anniversary, the 40th anniversary of the arrival of President Emeritus and Mrs. Adron Doran in Rowan County on April 6, 1954. Dr. Doran, who led the University from 1954 until 1977, later was introduced by MSU President Ronald G. Eaglin as "the father of the modern day Morehead State University."

The Dorans were presented a large vase, created by Steve Tirone, MSU associate professor of art, out of clay from nearby Clack Mountain.

Earlier at the breakfast for retired faculty and staff members, a plaque recognizing Mrs. Doran's efforts as first lady was unveiled as was a replacement for a missing plaque commemorating the renovation of the Adron Doran University Center under Dr. Doran's tenure. His plaque will be placed in ADUC while Mrs. Doran will have one displayed in each residence hall of the Mignon Complex.

Throughout the day, President Eaglin spoke of efforts under way to better preserve. MSU's heritage and pay tribute to its present.

He announced plans to renovate and rename the Gold Room in the University Center as the Heritage Room. In efforts to blend the past with the present, portraits of all past MSU presidents would be hung in the room and recognition would be given on an annual basis to those recognized for their contributions by displaying their awards.

Also, Dr. Eaglin discussed the University's intention to develop a Memorial Plaza area from Lappin Hall to Howell-McDowell Administration Building. He said that he envisioned it as a memorial garden to those who had given their life to MSU.

Speaking at the noon luncheon, President Emeritus Doran recounted the University's past, what he found upon his arrival and what he sees now. He paid tribute to those faculty and staff members who dedicated themselves to serving the University.

The luncheon, hosted by the MSU Foundation, Inc., also was the backdrop for recognizing new MSU Fellows and honoring fund raising volunteers. Accepting the Most Valuable Giver Award for her sister Lucille Caudill Little was Dr. C. Louise Caudill, while Dr. Shirley Gish and Dr. Travis Lockhart accepted an Outstanding Faculty/Staff Fund Raiser Award for Harlen Hamm, their colleague on the speech faculty. Awards were presented to W. Stu Taylor of Ashland as Volunteer Fund Raiser of the Year, and to Dr. C. Lee Tyner, coordinator of MSU's veterinary technology program, as an Outstanding Faculty/Staff Fund Raiser.

Closing the Founders Day activities was the Alumni Awards Dinner, sponsored by the MSU Alumni Association. Recognized for their accomplishments by induction into the Alumni Hall of Fame were:

Dr. Lauretta Flynn Byars, a University of Kentucky administrator; Ann Karrick, retired teacher, coach and administrator, and Dennis L. Speigel, corporate executive.

MSU HONORS DEAN EMERITUS

Dr. J.E. Duncan, right, Morehead State University dean emeritus, was honored at the University's 1994 Founders Day Convocation and Awards Ceremony on April 8. He was the recipient of the Founders Day Award for University Service, given annually to an individual with a record of outstanding service to MSU over a sustained period. A distinguished musician, educator and administrator, he developed what became recognized as one of the top music programs in Kentucky and the Southeast, before retiring in the early 1980s. Presenting him the award on behalf of MSU's Board of Regents was Dr. Bruce Mattingly, faculty regent.

MSU OBSERVES FOUNDERS DAY

Morehead State University celebrated 107 years of higher education in Rowan County and its 72nd anniversary as a public institution on April 8 with a number of activities, including the annual Founders Day Convocation and Awards Ceremony. Guest speaker for the convocation was Roger Clinton, brother of President Bill Clinton. At the luncheon following the convocation, Clinton, left, took time to talk with John Rosenberg of Prestonsburg. Rosenberg, a member of MSU's Board of Regents, is director of the Appalachian Research and Defense Fund of Kentucky, Inc., a federally-funded legal services program serving 37 eastern and south central counties in Kentucky.

April 12, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---The art works of 15 Morehead State University students are on display in the Sophomore Art Exhibition, in the gallery, Claypool-Young Art Building, now through April 23.

The artists include:

Jennifer Ross Bell of Cynthiana, daughter of Charlotte H. Bell and Milton R. Bell, is an art major.

Robin Clark of Morehead, daughter of Mr. and Mrs. Robert Clark, is an art major. Adam Frazier of Jeffersonville, son of David and Joyce Frazier, is a graphic design

major.

Gary Gebhart of Miami, Fla., son of Dr. M. Joel and Carol Gebhart, is an art major. He is a member of the Sigma Pi social fraternity.

Scott Hacker of Florence, son of Mr. and Mrs. Steve Hacker, is an art major. He plays on the MSU Baseball Team.

Martin Hall of McDowell, son of Tommy and Libby Hall, is an art major. He is a member of the Baptist Student Union.

Andrea Hueseman of Salversville, daughter of Mr. and Mrs. Jerry Hueseman, is an art major.

Shannon Johnson of Hazard, daughter of Larry and Janelle Johnson, is an art major.

Christy Lampe of Louisville, daughter of Janet Williams and Kevin Lampe, is an art major.

Jason Mullikin of Maysville, son of Ronald and Constane Mullikin, is an art major. Henrietta Ritchie of Leburn, daughter of I. B. and Irene Ritchie, is an art major.

Laurie Sparks of Olive Hill, daughter of Glen and Irene Sparks, is an art major.

Matthew Stacy of Morehead, son of Roy and Glenda Stacy, is an art major.

Darron Vanover of Paris, son of Ron and Linda Vanover, is a visual arts major.

Amy Welch of Horseheads, N.Y., daughter of Mr. and Mrs. Michael Welch, is an art major. She is a member of the Delta Zeta social sorority.

As part of the requirements for a degree in art, all art majors and minors who have completed at least 45 credit hours but less than 75 hours are required to participate in the show. All works must have been produced while a college student.

The show includes various media such as drawings, computer art and ceramics. The gallery is open weekdays, 8 a.m.-4 p.m. There is no admission charge.

April 12, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Involvement of parents is a key element to the success of Family Resource and Youth Service Centers.

That's the conclusion of a Morehead State University professor of education who has been looking at these centers in Eastern Kentucky to see how they have been successful in increasing parental involvement.

Under a grant from the Kentucky Cabinet of Human Resources, Dr. Harold Rose and his colleagues plan to use the strategies they have found to develop a training program to help others increase the involvement of parents.

MSU's work with the Family Resource and Youth Service Centers is important to maintaining a high quality Teacher Education Program, according to Dr. Rose.

"These centers are the most important and successful components of KERA," he said.
"Students in our Teacher Education Program need to be familiar with these aspects of education reform and to develop an understanding of their underlying philosophy."

The Family Resource and Youth Service Centers are mandated under Section 18 of House Bill 840 which requires centers for public schools that have 20 percent of their student body eligible for free school meals.

The rationale behind that mandate, according to Dr. Rose, is concerned with improving the physical, social and academic well-being of disadvantaged children.

"The mission of the centers is to reduce barriers which prevent children from learning," he explained.

In an attempt to lessen those barriers, the Family Resource Centers provide support or coordinate a number of services such as full-time preschool child care, support and training for child care providers, health services or referral to health agencies and parent and child education (PACE) programs.

In their efforts to do the same, the Youth Service Centers are involved with referrals for students to health and social service agencies, employment counseling, training and placement, summer and part-time job development, drug and substance abuse counseling, and family crisis and mental health counseling.

Responding to the question of whether or not Kentucky's educational system should be more consumer-oriented and what more can be done to effect this, Dr. Rose said:

"The school system does not have the resources to solve all of society's problems. The basic obligation of the family is to provide the schools a child who is ready to learn.

"Unfortunately this is not always possible for many parents in today's society; however, the Family Resource and Youth Service Centers can coordinate with social service agencies, the health department and the court system to eliminate those barriers to learning encountered by our children."

The professor also believes that the involvement of parents and the community as a whole is vital in reducing those barriers to learning and that is why it is so important to increase parental involvement.

Getting parents not only interested, but also involved, is crucial to the centers' success, he maintains. Most educators agree that the centers need to be consumer-oriented if they are to draw in parents.

Offering special classes such as aerobics or line dancing can bring parents into the center and, once that interest has been stimulated, other more substantive programs on such topics as effective parenting or behavior modification can be implemented.

Dr. Rose also suggested that centers require a certain level of parental involvement in return for services provided. For example, enrichment programs such as field trips may require a parent chaperon. Requesting parent assistance will stimulate parents' interest and involvement in their children's education.

"The parent, not the school, is the key to early development of the child," Dr. Rose noted. He defined an effective parent as one who recognizes developmental problems early, makes sure the child has frequent medical check-ups, understands the importance of behavior modification and offers an environment conducive to learning.

"We need to make people aware that the school alone cannot be expected to be responsible for these tasks," he said. "The increasing blame being placed on the schools makes it harder for any improvement to take place in the child's physical, social and academic well-being," Dr. Rose continued.

The centers truly have a pivotal part in making parents aware of the importance of all the variables that play a role in a child's development, he said.

After his survey of the 60 center coordinators in MSU's 22-county service area to determine what practices have been successful, Dr. Rose believes that strong center coordinators will encourage parental and community participation and take the leading role in determining whether or not the center will serve the needs of the region's students as well as the community-at-large.

"Essentially, it is the determination of the coordinator that will make or break the usefulness of the center," he said. "The coordinator must know how to make the center marketable to parents unwilling to participate."

Parents who are already involved are the best recruiters for other parents, according to Dr. Rose. "Having parents work with other parents reduces the concerns about the centers felt by those who haven't been interested," he said.

MSU CELEBRATES FOUNDERS DAY: A Picture Story

Celebrating 107 years of higher education in Rowan County and 72 years as a public institution, Morehead State University marked Founders Day by reflecting on its past, present and future while recognizing some of those who help MSU fulfill its mission to the region. The day began with a breakfast for retired faculty and staff members, hosted by President and Mrs. Ronald G. Eaglin. At the annual Founders Day Convocation and Awards Ceremony, Dr. J.E. Duncan was honored as the recipient of MSU's Founders Day Award for University Service. The speaker for the convocation was Roger Clinton, brother of President Bill Clinton. New MSU Fellows were recognized at lunch and special friends of the University were honored for their support. Capping the day was the Alumni Awards Dinner with the induction of three graduates into the Alumni Hall of Fame. Throughout the day, the University also celebrated the 40th anniversary of the arrival of Dr. and Mrs. Adron Doran in Rowan County. Cutlines:

- 1---There was plenty of conversation on Founders Day as friends old and new gathered to celebrate. Chatting before the breakfast were, from left, Nell Mahaney, assistant professor emeritus of mathematics; Lillian McGary, Sibbie Playforth and Tom Morrison, professor emeritus of economics.
- 2---Breakfast also was the backdrop for the first of several surprises to honor President Emeritus Adron Doran and his wife Mignon on the 40th anniversary of their arrival at MSU. Dr. Ronald G. Eaglin and Mrs. Doran examine a plaque recognizing her efforts as "First Lady." Copies of the plaque will be placed in each residence hall of the Mignon Complex.
- 3---Talking over old times were, from left, John "Sonny" Allen, former head baseball coach and assistant athletic director; Don Miller, professor emeritus of education, and Jack Bizzel, professor emeritus of government.
- 4---The convocation speaker, Roger Clinton, drew a good deal of media attention. Here he responds to reporters questions outside Button Auditorium.
- 5---Recognizing again the Dorans' special anniversary, MSU President Eaglin presented the pair with a large pitcher, made out of clay from Clack Mountain by Steve Tirone, associate professor of art.

Morelead News

- 6---Recalling memories from MSU's past with Vice President for Student Life Mike Mincey were Dr. John R. Duncan, professor emeritus of education, and Gretta Duncan, assistant professor emeritus of education. Dr. Duncan served as chair of the 1994 Founders Day Committee.
- 7---Matt Ballard, left, MSU head football coach, received words of encouragement from Dr. Doran.
- 8---Time was set aside during the day to unveil a plaque in the Lloyd Cassity Building honoring the memory of the late Dr. Robert E. Newton, chair of the Department of Industrial Education and Technology from 1976 until his death in 1992. Standing beneath the plaque are Robert T. Hayes, associate professor of IET and a long time colleague of the late chair, and Beth Newton, Dr. Newton's wife who is administrative secretary in the Office of the Director of Athletics.
- 9---Flanked by MSU Alumni Association President Louis M. "Sonny" Jones, left, and J.T. Holbrook, right, the president-elect, are the new inductees into the Alumni Hall of Fame. They are: Ann Karrick of Mt. Sterling, retired teacher, coach and administrator, Dr. Lauretta F. Byars of Lexington, a University of Kentucky administrator, and Dennis L. Speigel of Cincinnati, Ohio, president of International Theme Park Services, Inc.

April 12, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—Have you been a couch potato all winter and now find that your summer clothes are just a bit too snug?

Hope may be on the way with a new "Lose Weight Not Your Health" series that is being coordinated through MSU's Student Wellness Office.

The two-week program, which starts Tuesday, April 19, will be held in 202 Laughlin Health Building beginning at 6 p.m. It is free and open to all faculty, staff and students. Enrollment is limited to 30 participants.

After completion of the program, an optional support group will be available, according to Judy Krug, coordinator of student wellness. "This series will help one develop a personal weight loss program and offer tips on how to avoid the pitfalls along the way," Krug said.

The program is sponsored by the Counseling Center, Health Clinic, HOPE, the Wellness Committee for faculty and staff and the Student Wellness Office.

Additional information and registration is available by calling 783-5248.

April 13, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Two Morehead State University honor organizations are sponsoring a fund raising concert for two-year-old Nicholas Taylor Johnson, who has been diagnosed with leukemia.

Alpha Epsilon Rho national broadcasting society and Sigma Tau Delta English honorary have joined hands to help Nicholas' parents, who are MSU employees.

The concert is scheduled for Thursday, May 5, on the front lawn of Laughlin Health Building, and will run from 12:15 p.m. to 10 p.m. In the event of rain, the concert will move into Laughlin Gym.

Six student bands have donated their time, according to Charles Johnson, Jenkins senior and AE Rho coordinator of alumni and professional relations. Their sound is "alternative" and Johnson described it as "unpredictable."

Performing will be Liege, Fighting Chance, Trespasser's William, Magic Cottage, Buzzard Skyline and King Friday.

While the concert is free, any donations will be greatly appreciated, said Mic Parsons, Bethel, Ohio, senior and vice president of the English honor society.

MOREHEAD, KY 40351-1689

606-783-2030

April 13, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—Morehead State University's Department of Music will present the Concert Choir and Chamber Singers in a Spring Concert on Thursday, April 21.

The program, which is free and open to the public, will begin at 8 p.m. in Duncan Recital Hall.

The Chamber Singers will open the concert with Mozart's "Regina Coeli," madrigals by Francis Pilkington and John Wylbye and choruses by contemporary composers Robert Jordahl and James Chaudoir.

A main portion of the concert will be devoted to a performance of Part One of Felix Mendelssohn's oratorio, "Elijah." The title role will be sung by Jerett Gieseler, Morehead senior. Other soloists are Joe Sartor, associate professor of art, along with MSU students Rebecca Castle of West Van Lear, Amy Brown of Guston, Kristin King of Piqua, Ohio, Scott Bradley of Prestonsburg.

James Ross Beane, MSU associate professor of music, will conduct both ensembles. A two-piano accompaniment will be provided by Larry Keenan, MSU professor of music, and Jay Flippin, MSU associate professor of music.

MSU students participating in the Concert Choir and/or Chamber Singers, listed by hometown are:

FLORIDA: West Palm Beach-Jackie Jamason, junior euphonium major, daughter of Nina Hepler;

<u>INDIANA:</u> West Harrison-Judy Allstatter, sophomore music education major, daughter of Dale and Rachel Allstatter;

KENTUCKY: Ashland-Shawn Wilson, freshman music education major, son of Samuel and Liza Wilson; Brandenburg-Crystal Bruner, senior music education major, daughter of Kenny and Mary Bruner; Burlington-Chad Caddell, senior trumpet major, son of Arnold and Beverly Caddell; Burnside-Sean Shroll, senior music education major, son of John and Edith Shroll, sings with both musical ensembles;

Campbellsburg—Phillip Kays, senior music and radio-television major, son of Phil and Mary Kays; Elizabethtown—Jennifer Allen, junior flute major, daughter of Judy Wilson; Flaherty—Chris Whelan, senior trumpet major, son of Freddy and Gayle Whelan; Guston—Amy Brown, senior music education major, daughter of Donald and Wanda Brown, sings with both musical ensembles;

Independence—Gary C. Strain, freshman music education major, son of Tom and Yvonne Strain, sings with both musical ensembles; Lawrenceburg—Maci Carter, junior music education major, daughter of Daphne Carter; Amanda Goodlett, senior elementary education major, daughter of Robert and Jamie Goodlett;

Lexington-Charles Stewart, sophomore tuba major, son of Stella Stewart;
Louisville-Jennifer Louthan, freshman, daughter of Barnes and Karen Louthan;
Maysville-Andy Frazier, freshman elementary education major, son of Dewey and Jan Applegate; Bettsy Hensley, junior piano major, daughter of Bill and Doris Hensley;

Morehead—Mary Allen, junior music education major, daughter of James Allen, sings with both musical ensembles; Jeanette DeBellefeuille, sophomore piano major, daughter of Joe and Teri Debellefeuille; Jerett Gieseler, senior music performance major, son of Kathy Murphy, sings with both musical ensembles; Hays Gozzard, senior music education major, son of Annthea Gozzard and Jim Gozzard; Paula Jackson, sophomore, daughter of Paul and Glenda Jackson;

Nicholasville—Jennifer Carter, freshman voice major, daughter of Thomas and Myrna Carter, sings with both musical ensembles; Owensboro—John Buford, graduate student, son of Bill and Sally Buford, sings with both musical ensembles; Paintsville—Angela Browning, sophomore music education major, daughter of Paul and Kay Browning; Johnathan Shaw, graduate student, son of John and Linda Shaw; Janie Short, junior speech and theatre major, daughter of Joe and Billy Jane Short;

April 16, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---A teleconference, "An Imperative to Improve Cancer Pain Treatment: The AHCPR Guidelines," will be offered Thursday, April 21, at four locations in the region.

The locations include:

Ashland--Ashland Area Extended Campus Center;

Morehead--Commonwealth Room, Adron Doran University Center;

Prestonsburg--MSU-Big Sandy Extended Campus Center;

West Liberty--MSU-Licking Valley Extended Campus Center.

Registration will be at 5 p.m. with the teleconference to begin at 5:30 p.m. There is no registration fee for the teleconference as it is underwritten by an educational grant from Janssen Pharmaceutica.

The session is being offered under the auspices of Morehead State University's Office of Continuing Education, St. Claire Hospice and the Northeast Kentucky Area Health Education Center. The program is designed for physicians, pastoral care personnel, pharmacists, psychologists and social workers, but is also open to any other interested individuals.

The teleconference is timely, according to Shirley Hamilton, MSU director of Continuing Education, as new federal guidelines have been released. "It is important for care givers to operate from the same standards in the treatment of cancer pain," she added.

The teleconference is approved for 2 contact hours through the American Pain Society, which is accredited by the Accreditation Council for Continuing Medical Education. The American Pain Society is approved by the American Psychological Association to offer continuing education for psychologists. The American Pain Society designates this program for 2 credit hours in Category 1 of the Physician's Recognition Award of the American Medical Association and for two hours of CPE credit.

Application has been made to the Association of Rehabilitation Nurses (ARN) for 2 contact hours. ARN is accredited as an approver of nursing continuing education by the American Nurses Credentialing Center's Commission on Accreditation. The University of Kentucky College of Pharmacy is approved by the American Council on Pharmaceutical Education as a provider of continuing pharmacy education. The program will award 2.0 contact hours (0.2 CEUs) of continuing education credit.

Morehead State University's Office of Continuing Education will offer 0.2 CEUs for other professionals, including social workers.

Additional information on the teleconference or continuing education credits may be obtained by calling Hamilton at (606) 783-2077, Hedy Caldwell with AHEC at (606) 784-4239 or from Robin Franklin, St. Claire Hospice, at (606) 784-8403.

MOREHEAD, KY 40351-1689

606-783-2030

April 19, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Dr. Bert G. Hornback, an internationally-known expert on Victorian literature, will visit Morehead State University's campus on April 28.

In addition to meeting with students in MSU's undergraduate and graduate English programs, Dr. Hornback will present two sessions which will be open to the public.

At 3 p.m. in Room 412, Combs Building, he will discuss his essay "Hardy's Feminism," which explores the women characters in Thomas Hardy's works and the author's feminist impulses. Copies of the essay are available in Room 103, Combs.

At 8 p.m., Dr. Hornback will speak in Room 111, Claypool-Young Art Building, on the topic "Justified U." In this presentation, he will discuss the relationship between teaching and research.

Now a professor of humanities at Bellarmine College, the Bowling Green native previously was on the faculty of the University of Michigan where he received the title of professor emeritus of English.

According to Dr. Hornback, he left the University of Michigan to focus his energies on teaching rather than on research. He was on the U of M faculty from 1964 to 1992.

Earning his bachelor's and master's degrees from the University of Notre Dame, Dr. Hornback studied at Trinity College in Dublin, Ireland, before earning his Ph.D. degree from Notre Dame.

During his tenure at U of M, he received several awards for his teaching and his academic counseling efforts. He is the author of nine books on Victorian literature, 18 scholarly articles for journals, 60 pieces for newspapers and magazines and 14 book reviews for scholarly publications.

A playwright and director, Dr. Hornback also tours in a one-man show about Charles Dickens. He also wrote, hosted and acted in a 10-part television series in 1973, called "The Dickens World."

Fourteen of his poems were set to music by James Nissen and performed in concert as "The Times of Our Lives" by the U of M Orchestra in 1990.

Dr. Hornback's campus appearance is sponsored by MSU's Department of English, Foreign Languages and Philosophy. Dr. Ron Morrison, associate professor of English, is coordinating the sessions. Additional information is available by calling Dr. Morrison at (606) 783-2608.

April 19, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---WMKY 90.3 FM, public radio from Morehead State University's campus, will launch its 1994 Spring Fund Drive later this month with an added incentive for residents of the region to phone-in their pledge.

The Fund Drive will run Saturday, April 23, through Friday, April 29, according to Ron Mace, WMKY promotion and development director.

"The majority of the support for our past on-air fund raising efforts has been from local contributors, in Morehead and Rowan County," Mace said.

"In order to make it easier for our listeners out in the region to support our unique programming service, we have teamed up with MCI to provide a toll-free number. And we are now accepting pledges by VISA and Master Card," he added.

To avoid long distance phone charges when pledging, listeners outside of Rowan County should dial 1-800-232-6781. Local contributors will use WMKY's regular number (606) 783-2001.

WMKY offers significant programming in the areas of news and information as well as public affairs and entertainment.

"We are an affiliate of National Public Radio, American Public Radio, the Kentucky Network and several other independent programming sources," Mace said.

"We believe our listeners will want to support such quality programs as "Morning Edition," "All Things Considered," our evening classical shows and other entertainment programs," Mace added.

Additional information on WMKY or its Spring Fund Drive is available by calling Mace at (606) 783-2001 between 8 a.m. and 4:30 p.m. Monday through Friday.

April 19, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Five students were recently selected to be peer educators with Morehead State University's Student Wellness Program. They bring the total number to 11.

Newly named are:

*Sherrie Ann Bentley, Garrison senior, is the daughter of John and Deborah Bentley.

A dietetics major, she is a member of the Kappa Delta social sorority, Each One Teach One and Fit for Phonics. She is a certified adult literacy tutor.

*Sonja Castle, Morehead graduate student, is the daughter of Birchie Howard. She is an elementary education major.

*Cherie Renee Fletcher, Lloyd freshman, is the daughter of Cathy McGlone and Curt Fletcher. She is a radio-TV major.

*Sharon Sibadogil, Morehead senior, is the daughter of Minnie and Saino Sibadogil.

Originally from Malaysia, she is a sociology and social work major and a member of the

Cosmopolitan Club.

*Brandon Wait, Morehead junior, is a sociology and social work major.

The peer educator provides information to students on topics such as fitness, nutrition and eating disorders, sexually transmitted diseases, tolerance (dealing with differences), alcohol and other drugs, and stress.

April 19, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Morehead State University has received two Merit Awards for its primary recruitment publications from the Admissions Marketing Report, a national publication for professional admissions personnel.

The award-winning entries were the 1993-94 Student Viewbook and its companion piece, "Consider Us for Your First Year." The full-color publications were produced by the Office of Publications and Printing Services in cooperation with the Division of Academic Affairs and Office of Admissions.

"We have found that both pieces are visually appealing to our student audience and accurately reflect the opportunities at MSU. We are pleased that our peers nationally also find them to be quality pieces," said Charles Myers, MSU director of admissions.

SPECIAL TO THE MOREHEAD NEWS

EXERCISING AT MSU: A Picture Story

MOREHEAD, Ky.---Exercise is important to keep the body in peak performance and Morehead State University's Adult Fitness Program is helping some individuals make that possible.

Classes are offered in a variety of activities for crosstraining, according to Mary

Alice Terry, exercise specialist with the program. "Helping someone find a plan of exercise
that is right for them is important for success," she said.

All classes are held in the Academic-Athletic Center. Additional information is available by calling 783-5282.

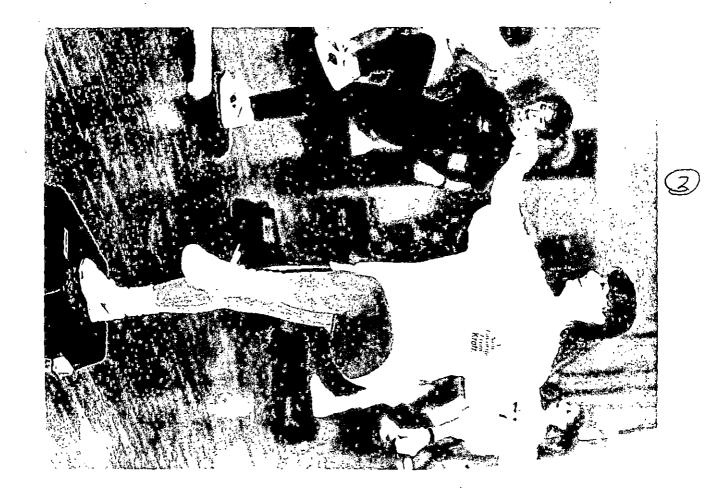

Cutlines:

- 1----Attending a class in step aerobics were, from left, Jackie Scott, Sharon Jackson, Melissa Fannin, Joni Hall and Kenitha King, all of Morehead.
- 2----Mary Alice Terry, right, exercise specialist, leads the group in a fast-paced workout.
- 3----Ruth Brunson of Morehead prepares for her workout by stretching before exercising.
- 4----Robert Sloss of Morehead, who works in pathology at St. Claire Medical Center, enjoys his time on the Nordic track.

MOREHEAD STATE UNIVERSITY

UPO BOX 1100

MOREHEAD, KY 40351-1689

606-783-2030

April 22, 1994 FOR IMMEDIATE RELEASE

COVINGTON, Ky.---The 1994 All-State High School Exhibition, sponsored by the Kentucky Art Education Association, is on display now through April 30 at the Carnegie Arts Center, 1028 Scott Blvd. in Covington.

The exhibition consists of 120 works by the most talented high school art students in the state. Each of the six regional areas, divided by population, sent 20 finalists out of the approximately 400 entries from respective area high schools.

Jurors awarded three \$500 "Scholarships," six \$25 awards for "Best in Region," and 13 "First Place" and 13 "Merit Awards" in each media category.

The scholarship awards went to Danny Cash of Louisville, Laura Cumbee of Paducah Tilghman High School, and Craig Hale, Adair County High School.

Receiving "Best of Show" awards in the region were: Sarah Heller, Bluegrass; Chris Chester, Burleycoal; Craig Hare, Caveland; Julie Pennington, Derby; Tony Williams, Northern, and Laura Cumbee, Pennyrile.

Special Merit Awards were presented to students in these categories:

Painting: Erin McAnallen, Pikeville High School, first place; Sarah Heller, Henry Clay High School, honorable mention;

Watercolor: Johanna Schiavoni, Louisville, first place; Jeremy Weis, Louisville, honorable mention;

Pencil drawing: David Gerhard, Lafayette High School, first place; Matt Heiss, Dixie High School, honorable mention;

Ink drawing: Craig Hare, Adair County High School, first place; Melanie Davis, Pikeville High School, honorable mention;

Pastel/charcoal: Julie Pennington, Louisville, first place; Holly Wyant, Lafayette High School, honorable mention;

Mixed media: Jennifer Meyers, Louisville, first place; Danny Cash, Louisville, honorable mention;

Printmaking: Stephanie Zoeller, Louisville, first place; Rodney Sparks, Dayton High School, honorable mention;

Graphic design: Laura Cumbee, Paducah Tilghman High School, first place; Laura Weths, Louisville, honorable mention;

Sculpture: Tony Williams, Dayton High School, first place; John Walton, Paducah Tilghman High School, honorable mention;

Ceramics: Sarah Wood, Louisville, first place; Melvin Dean, Bluegrass region, honorable mention;

Jewelry/metals: Patrick Burton, East Carter High School in Grayson, first place; Mary Lococo, Louisville, honorable mention;

Photography: Kristen Steely, Louisville, first place; Jeff Gentner, Paducah Tilghman High School, honorable mention;

Textiles: John Kennedy, Newport High School, first place; Chris Chester, Montgomery County High School in Mt. Sterling, honorable mention.

The judges for the 1994 exhibition were Laurie Blair, professor of art education at Northern Kentucky University and Fred Martins, Northern Region high school art educator and a commercial artist. The exhibition encourages the awareness of art by holding the All-State at a different location/region each year.

The Kentucky Art Education Association sponsors this competitive exhibition to recognize, encourage and reward excellence in state art students, art educators and art programs at the high school level and to bring a higher degree of understanding, support and cooperation between secondary and college art faculty and community programs. KAEA credits the cooperation of the colleges, museums and community art centers who sponsor the exhibitions for making the exhibition a success.

MOREHEAD STATE UNIVERSITY

UPO BOX 1100

MOREHEAD, KY 40351-1689

606-783-2030

April 22, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.--"Folklore involves the spoken, behavioral, and material traditions of people and groups of people," said Dr. G. Ronald Dobler, Morehead State University professor of English.

In January of 1979, an article was written about him concerning his interests in folklore. In the story he was quoted as saying, "Folk music is very important to me. My appreciation for it and the study of folk traditions will continue to be an important part of my life."

Now 15 years later, his attitude towards and appreciation of ballads, tales, and the oral tradition in general are still an important part of his world.

"I got involved in studying the oral tradition through folk music. It was the "universal" appeal that interested me," he said.

Dr. Dobler's passion for folk music extends even further, for he plays the banjo, dulcimer, and jaw harp. "I can pick a few chords on a guitar, when necessary," he added with a smile.

Possibly because of his love for music and playing skills, the ballad has become his favorite object of folklore.

According to Dr. Dobler, traditional ballads evolve through oral transmission. At one time, the only way you could learn them was to listen and then repeat what you heard; and because of this, folk tales and ballads were thus altered, producing many variations of the same story. "I find this fascinating," Dr. Dobler commented enthusiastically.

For example, the ballad "Barbara Allen" has many different versions. However, the main actions and attitudes are present in all the variants, so the essence of the story remains intact. The appeal of traditional ballads is that they often provide the human touch frequently left out of historic records.

"Teaching at MSU gave me the opportunity to study folklore as a discipline," the professor said.

He spent a semester at the Folklore Institute at Indiana University, but other than that, most of his knowledge of folklore came from wide reading and from contact with practicing folklorists.

However, his educational background is extensive. He earned bachelor's and master's degrees from Case Western Reserve University and his Ph.D. degree from the University of Iowa.

Dr. Dobler said that although he gets a great deal of satisfaction from his study of folklore, he also enjoys participating in local music traditions. "I get to be a sharer in the traditions I much admire. The study of folklore provides an opportunity to experience different cultures vicariously, and sometimes directly," the professor explained.

Laughing as he described one such magical time of sharing, he reminisced, "I went over to Carter Caves for the Fraley Family Festival, and in the parking lot I fell in with a small group of 'fellow pickers.' We never even exchanged names. That day, for three hours we shared the joy of traditional tunes and the experience of making music together. Even though I will probably never see them again, the only way I can describe what happened is joy, sheer joy."

Born in upstate New York and raised in Cleveland, Ohio, Dr. Dobler came to MSU in 1972 from Iowa, where he was teaching at Parsons College. He frequently appears as a singer and folktale teller at festivals and workshops.

MOREHEAD, Ky.---Six students from Fleming County schools were winners in the 31st Northeast Kentucky Regional Science Fair held recently at Morehead State University.

Winners from Fleming County High School were:

Melanie Story, first place senior high microbiology and an MSU Academic Scholarship, for her project "The Effect of Biohazardous Pollutants on the Bioluminescent 'Vibro fischeri'."

Jackie Drake, second place senior high chemistry and a U.S. Navy/Marines Corps Award, for "What Is the Effect of CaCl₂ on Metal?"

Donnie Ray Berry, third place senior high zoology, for "Spider Lamb Syndrome."

From Simons Middle School, Nicholas Shelly took first place earth and space science for grades 7-8, with "How Safe Is the Water We Use?".

Ryan Dials of Fleming County Elementary earned third place botany for grades 4-6 with "What Effect Do Chemicals Have on the Environment?".

"Can a Mouse Become a Ruler?" earned Daryl Hawkins of Hillsboro Elementary School the Junior Engineering Technical Society Award.

Nearly 400 secondary and elementary students from more than 100 schools entered original science projects and exhibits in the competition, according to Dr. Vic Ramey, associate professor of science and fair coordinator.

MOREHEAD, Ky.---Thirteen students from Lexington area schools were winners in the 31st Northeast Kentucky Regional Science Fair held recently at Morehead State University.

Burr Settles, Lafayette High School, won second best overall project for grades 9-12, first place in senior high zoology, and a U.S.Navy/Marine Corps Award. His project was "Effects of Alternative Insecticides."

Tates Creek Elementary School student Matt Cooper's project, "Do You Have the Right Stuff?", won best overall project for grades 4-6 and first place in behavioral science.

Two Lexington Christian Academy students were winners:

Eric Schwartz, a National Aeronautical and Space Administration Award for "Look Out Below."

Casey McCoy, second place microbiology for grades 4-6 with "Can Bacteria Survive the Odds?".

Middle schools with winners included:

Beaumont Middle School--Phillip Jones, fourth place botany for grades 7-8 with "Sprouting Environments."

Southern Middle School--Kevin White, second place microbiology for grades 7-8 and the South Central Association of Clinical Microbiology Award for "Trichophyton;" and Ryan Schwartz, first place physics for grades 7-8 and a National Aeronautical and Space Administration Award for "Effect of Winds Sweep on Lift."

Winners from elementary schools in addition to Tates Creek included:

Garden Springs--Dan Bracken, third place earth and space science for grades 4-6 with "Predicting the Weather;" and Melissa Yingling, second place behavioral science grades 4-6 with "Remember When?".

Maxwell--Hazard Douglas, third place behavioral science grades 4-6 with "Which Football Is Easier to Catch?".

Lexington Montessori--Mark Kidd, first place chemistry grades 4-6 with "To Burn or Not to Burn."

Millcreek--Meghann Chipko, first place botany grades 4-6 with "Stop Monkeying Around" and Ashley Robinson, second place botany grades 4-6 with "Sweet Feast for Yeast B."

Nearly 400 secondary and elementary students from more than 100 schools entered original science projects and exhibits in the competition, according to Dr. Vic Ramey, associate professor of science and fair coordinator.

MOREHEAD, Ky.---Sarah Bartlett, a student at Notre Dame Academy High School, was a top winner at the 31st Northeast Kentucky Regional Science Fair held recently at Morehead State University.

Bartlett's project, "Elasticity of Chicken Furculae," was the best overall project for grades 9-12 and earned first place in senior high physics. She also received a U.S. Navy/Marines Corps Award.

Other winners from Notre Dame included:

Sallie Rademacher, first place senior high engineering with "Photoelectrochemical Cells."

Linda Rymarquis, first place senior high earth and space science for "The Effects of Calcium in NaCl-Stressed Pinto Beans."

Emily Miles, first place senior high botany for "Effect of Wind on Vibration Frequency and Leaf Surface Area."

Robin Kramer, first place senior high chemistry with "Effect of Magnetic Fields on the Electrochemical Deposition of Copper."

Resa Wehrman, second place senior high zoology for "Symmetry of Survival in 'Drosophila melanogaster'."

Andrea Clements, second place senior high earth and space science with "The Effects of Various Soils on the Activity of Glyphosate."

Julia Clements, second place senior high botany for "Gravitropic and Phototropic Responses."

Adrienne Hummel, second place senior high biochemistry for "Kinetics of the Browning Reaction."

From Woodland Middle School, Ami Karlage earned second place in behavioral science for grades 7-8 with "The Caffeine Connection: Kids and Caffeine."

River Ridge Elementary School produced three winners:

(MORE)

Kenton County Recorder Kentucky Post Stephanie McCoy, first place earth and space science grades 4-6 and a National Aeronautical and Space Administration Award for "Acid Rain."

Amy Linder, third place physics grades 4-6 for "What Materials Provide the Best Insulation?".

Michael Day, first place microbiology grades 4-6 for "What Type of Bread Molds the Fastest?".

R.C. Hinsdale Elementary School had two winners:

J.W. May, a Kodak Award for "Temperature, Light: The Praying Mantis."

Ann Isaacs, fourth place microbiology for grades 4-6 with "Does Washing Hands Cut Down on Spreading Germs?".

Nearly 400 secondary and elementary students from more than 100 schools entered original science projects and exhibits in the competition, according to Dr. Vic Ramey, associate professor of science and fair coordinator.

Melinda Stepp and Rob Duncan, first place in senior high behavioral and social sciences for "Subliminal Learning During Sleep."

Sunshine Evans and Angela Maynard, third place in senior high earth and space science for "A Comparison of Phosphate Content in Various Detergents."

James Allen Clark, third place in senior high botany with "The Effect of Water Types on Photosynthetic Rate."

Winning first place in botany for grades 7-8 was Jonathan Clark, student at Warfield Elementary, for "Plant Embryology."

Nearly 400 secondary and elementary students from more than 100 schools entered original science projects and exhibits in the competition, according to Dr. Vic Ramey, associate professor of science and fair coordinator.

606-783-2030

April 23, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---The Morehead State University-based Head Start Program helps families build firm foundations by teaching family values, educational concepts and socialization skills to young children and their parents.

According to Connie McGhee, teacher/coordinator of program, four cooperative projects are helping her students and their families build a strong foundation for the future. Assisting with the projects are Frontier Housing, Rowan County High School, the Independent High School and the Department for Human Resources.

"It's really a cooperative effort. We're not here just to help the child, but to help families as well. In fact, when Head Start was created 27 years ago, the program was intended for parents to be the first teachers," McGhee said.

Under a current Head Start project, in cooperation with Rowan County Independent High School, four female high school students are working with Head Start students. The older students help the younger ones with meals and serve as bus riders.

"This helps the young women develop work and parenting skills while our 3 to 5 year-old students get more attention and support," McGhee said.

Another project has provided three families with new homes, she explained. Donna Connell, Head Start family service worker, and Tom Carew, Frontier Housing director, helped families apply for and obtain housing this school year.

In addition to holding classes daily for 60 students in Breckinridge Hall on campus, Head Start is also a licensed day care that provides support for parents, especially single mothers who work.

The Kentucky Education Reform Act (KERA) also has played a role in recent projects, McGhee added.

Last Christmas, Head Start children wrote letters to Santa Claus and received responses from students in Sharon Stidom's parenting class at Rowan County High School. The children's parents helped write the letters and the high school students used their responses as writing assignments for KERA portfolios.

(MORE)

"I wanted a project to encourage parents to spend time with their children," McGhee said. "I knew that if parents helped with the letters, the children were more likely to get the gifts their parents could get them instead of becoming disappointed that no one listened to their requests. The response letters from the parenting class were creative, too, and the high school students learned a great deal about responding to children's needs."

Head Start programs across the state, in cooperation with the Kentucky Cabinet for Human Resources, are helping unemployed parents gain on-the-job training. A new state program allows persons who receive financial aid to work in the Head Start classrooms as aides for a set number of hours a month without losing benefits, McGhee said.

"We are one of the first agencies in the county to benefit from this idea to get people off public assistance and back to work," she said. "I think the program is a positive step in the right direction."

Sponsored by MSU's College of Education and Behavioral Sciences, Head Start remains true to its original purpose, helping educate families and their children who are in a fixed income bracket, McGhee said.

HELPING BUILD A FOUNDATION FOR THE FUTURE

The Head Start program based at Morehead State University is designed to bring parents, teachers and volunteers together to help build a brighter future for society's youngest students, according to Connie McGhee, head teacher and coordinator of Head Start. The classes help the 3 to 5 year-old students learn family values and social skills along with educational concepts. Four new projects with local agencies and Rowan County High School are proving helpful in teaching practical and parental skills, McGhee said. Enjoying a healthy breakfast before their active day begins are, from left, Silena Skaggs; Juanita Clark, parent and teacher's aide; Ted Snedegar; McGhee; Brittany Knight and Devin Fields.

April 23, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—Six student bands have teamed up with two Morehead State University honor organizations to sponsor a fund raising concert for two-year-old Nicholas Taylor Johnson, who has been diagnosed with leukemia.

Alpha Epsilon Rho national broadcasting society and Sigma Tau Delta English honorary, along with the bands, have joined hands to help Nicholas' parents, who are University employees.

The concert is scheduled for Thursday, May 5, on the front lawn of Laughlin Health Building and will run from 12:15 p.m. to 10 p.m. In the event of rain, the concert will move into Laughlin Gym.

Several students have donated their time to ensure this concert is a success, according to Charles Johnson, Jenkins senior and AE Rho coordinator of alumni and professional relations.

The bands and the members performing will be:

LIEGE: Damon Long of Louisville.

FIGHTING CHANCE: Jerry Wirtley of Hamilton, Ohio; John Paul Moore of Elkhorn City; John Hilton of Whitesburg, and Clinton McClanahan of Erlanger.

TRESPASSERS WILLIAM: Jerrod Callihan of Olive Hill; Clark Gordon of Paris; Robbie Morgan of Lawrenceburg; Mike Catalano of Stratford, Conn.; Karly Higgins of Oxford, Mich., and Darrin Conarroe of Cincinnati, Ohio.

MAGIC COTTAGE: Kyle Newman of Martin; Dustin Hoover of Martin; Mike Scarberry of Martin; Flint Puckett of Salyersville, and Marty Howard of Salyersville.

BUZZARD SKYLINE: Karly Higgins of Oxford, Mich.; Greg Wireman of Salyersville; Matt Acra of Nicholasville; Jack Justice of Pikeville, and Phil Lester of Lexington.

KING FRIDAY: Chris Gast of Springfield, Ohio; Bill Magnus of Cincinnati, Ohio; Chad Ratliff of Mt. Sterling; Mike Feltner of Pikeville, and Robbie Rowe of Elkhorn City.

There is no charge for the concert but donations will be appreciated.

MOREHEAD, Ky.---Rowan County High School took first place in the sweepstakes and won the Continuing Excellence Award at the Kentucky Educational Speech and Drama Association (KESDA) State Senior Division Speech Tournament held recently in Lexington.

Boone County High School, Beechwood High School and Paul Laurence Dunbar High School took second, third and fourth place respectively in the number of points received.

During the awards ceremony, the Founders Award was given to Harlen Hamm, Morehead State University professor of speech and KESDA director. He was selected on his contributions to the organization as well as continued excellence in speech education.

The K. Bruce Florence Speech Education Award was given to Melissa Pinson, Pikeville High School senior, as the outstanding senior interested in pursuing a career in speech education. She plans to attend Morehead State in the fall.

All graduating seniors receiving first place honors in any category were awarded a scholarship to MSU for 1994-95 academic year. First place winners also were given a \$200 savings bond.

Individual winners, listed alphabetically by school included:

Beechwood High School

Sam Robinette, storytelling, sixth place.

Megan Dunn and Kris Philippe, duo interpretation, sixth place.

Kris Philippe, impromptu speaking, sixth place.

Meredith Hughes, impromptu speaking, second place.

Joe Leftin, persuasive speaking, fourth place; poetry interpretation, third place.

Sid Van Ness, persuasive speaking, second place.

Andrew Hagedorn, prose interpretation, sixth place.

Boone County High School

Zak Al-Alami, declamation, second place.

Jason Blundy, dramatic interpretation, third place.

Joan Coates, informative speaking, fifth place.

Karl Ruckdeschel, solo acting, sixth place.

Suzanne Fleming, solo acting, second place.

Paul Laurence Dunbar High School

Caroline Bandy, broadcasting, second place.

Berry Seelbach, dramatic interpretation, fifth place.

(MORE)

Paul Lovelace, dramatic interpretation, first place; humorous interpretation, sixth place; trithon, third place.

Paul Lovelace and Jack McIntyre, duo interpretation, first place.

Garrett Graddy, poetry interpretation, fourth place.

Harrison County High School

Emily Case, broadcasting, fourth place.

Erin Parrigan, declamation, fifth place.

Janssen Wilhoit, extemporaneous speaking, sixth place.

Highlands High School

Mark Knarr, persuasive speaking, sixth place.

Ryan Booth, student congress, fifth place.

Meredith Giglia, student congress, fourth place.

Rachel Radenheimer, student congress, first place.

MOREHEAD, Ky.---Clyde I. James, University Center services manager at Morehead State University, has been awarded a 1994 Gerald Howard Read International Seminar Scholarship.

James was awarded the scholarship for travel purposes. He is a 27-year member of Alpha Nu, the MSU chapter of Phi Delta Kappa professional fraternity in education.

The scholarship, offered through the fraternity, is designed to help defray travel expenses for people who desire to go to Phi Delta Kappa-sponsored seminars held abroad.

James is among the 50 scholarship recipients selected for this award. He said he would like to visit China or Australia.

James has been part of the student life administrative staff since 1974 in various posts, including four years as associate dean of students. He began his career at MSU in 1967 as a member of the business faculty and taught until 1973.

A native of Rowan County, he earned his B.S. degree from MSU and his master's degree from Indiana University.

He has held offices in Phi Delta Kappa and other professional organizations. James is active in the Morehead Men's Club and the Morehead Theatre Guild.

MOREHEAD, Ky.—Pamela Hilton, a Morehead State University senior from Springfield, is the recipient of the Kentucky Outstanding Student in Special Education Award.

The award was presented at the annual Kentucky Council for Exceptional Children Conference held recently in Lexington. Hilton was selected from nominations of other students preparing to be special education teachers.

Hilton, who plans to graduate from MSU in May, is preparing for certification in K-4 grades as well as TMH and LBD. She is currently completing her student teaching at East Carter Junior High School in Grayson.

Daughter of Marian Braden of Springfield and Dudley Hilton of Pineville, Hilton said she has always wanted to be a teacher. She plans to be married to Todd Hood of Willisburg in May and is seeking a teaching position.

While in college, Hilton has been active in the Baptist Student Union. She is a member of a ministry team, ReJoyce, and is co-founder, co-coordinator of a children's ministry program.

Currently president of the MSU chapter of the Student Council for Exceptional Children (SCEC), Hilton has been a member of the organization for several years. Some of the projects she has been involved with include planning trips to Horizon Village for special activities and working with Special Olympics.

April 26, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Lisa Kennedy, a Morehead State University sophomore from Vanceburg, has been elected to the state executive board of Phi Beta Lambda, a national organization for business students.

Kennedy, the daughter of Maurice and Sue Kennedy, will serve as historian for the executive board. She currently is secretary of Phi Beta Lambda's Delta Zeta Chapter at MSU.

In July, Kennedy will represent the state at the national Phi Beta Lambda conference in Anaheim, Calif.

She is majoring in comprehensive business which will lead to a teaching certification allowing her to teach business subjects at the high school level.

A graduate of Lewis County High School, she attended Foster Meade Vocational Education Center in Vanceburg. At the Center, she was active in the Future Business Leaders of America and served as historian for the club.

April 26, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---WMKY 90.3 FM, public radio from Morehead State University's campus, has been recognized by the Kentucky Broadcasters Association with an award for "Best Local Involvement in News."

The award was earned for WMKY's coverage of the open forums held by the Rowan County Board of Education during its search for a new superintendent.

"The board gave us permission for live broadcasts of the forums with each of the candidates," said Tom Lewis, WMKY news and public affairs director.

"Although in a fund drive period at the time, we altered our schedule to produce the live remotes, because we believed the issues addressed were important to everyone with a child in the school system. This approach allowed a much larger audience to hear each candidate's views," he added.

Lewis, who acted as moderator, credited other full-time staff members, as well as the student staff at WMKY, for the award. "We were in a fund drive, using our remote broadcasting facilities everyday until 4:30 p.m., then breaking down the equipment and hitting the air with the forums within one hour.

"It took a great deal of coordination, technical knowledge and physical labor to set up the broadcast on time. This award was received due to a team effort on the part of full-time staff, the students working in WMKY's news department and the willingness of the educational community to allow us the space and time required for a quality broadcast," Lewis said.

WMKY earned the award in competition with both commercial and public broadcasting entities throughout the state. Earlier this year, the WMKY sports department was recognized for its coverage of the Bluegrass State Games.

April 27, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---A Morehead State University senior will travel to Washington, D.C., this spring semester for a two-week seminar to examine women's leadership and gender-specific issues.

Donna Cummins of Morehead was one of 200 female students selected nationwide to attend the "Women As Leaders" seminar, to be held May 16-28.

A 35-year-old nontraditional student, Cummins will attend workshops addressing topics such as career development, goal setting, leadership and conflict resolution, among others.

A graduating student in English and philosophy, Cummins was nominated by members of the Women's Studies Program Advisory Council because of her participation in women's programming at MSU.

She has presented papers at the Wilma E. Grote Symposium for the Advancement of Women and last year assumed responsibility for coordinating the student paper sessions.

The Women As Leaders seminar is sponsored by the Washington Center for Internships and Academic Seminars. Participants in the seminar will be addressed by nationally recognized women leaders representing multiple walks of life and points of view.

MOREHEAD, Ky.—Morehead State University's Department of Leadership and Secondary Education will host the 12th annual Spring Counseling Conference on Friday, May 6, on the campus.

The session, entitled "Current Issues in Counseling" will be held in the Crager Room, Adron Doran University Center. Registration will begin at 8 a.m. with the first session to start at 8:30 a.m.

The program is designed for counselors who work in schools, community agencies or mental health facilities. Continuing education credits have been approved for the National Board of Certified Counselors (NBCC), Kentucky State Education Leadership Credits as well as MSU.

Speakers and their topics for the conference will include: Rhonda Salisbury, counselor for Boyd County Public Schools, "Applications of Reality Therapy", and Patricia Hurt, senior counselor with Lincoln County Schools, "Kentucky Education Reform Act and the Counselor."

Presenting programs from MSU will be Dr. William J. Weikel, Department of Leadership and Secondary Education chair, and Dr. Dean Owen, professor of education, "Legal and Ethical Issues in Counseling"; Paul Turgi, assistant professor of counseling, "Satanism"; Dr. Charles Morgan, professor of psychology and chair of the Kentucky Board of Examiners in Psychology, "Updating the DSM-IV,"; Dr. Wanda Staley, assistant professor of counseling, "Innovative Approaches to School Counseling", and Charles Myers, director of Admissions, "College/University Recruiting and Articulation."

MOREHEAD, KY 40351-1689

606-783-2030

April 27, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.—Morehead State University's Ashland Area Extended Campus Center and Ashland Community College have joined academic forces to offer three MSU Bachelor of Business Administration (BBA) degrees in Ashland.

Interested students need to enroll for the Fall 1994 semester to begin either degree program for accounting, management or computer information systems, according to Beverly McCormick, interim dean of MSU's College of Business.

Fall enrollment begins a program cycle in which classes will be offered evenings Monday through Thursday on a predetermined schedule of requirements and electives. The programs are offered in their entirety on a three-year rotation basis, McCormick explained.

This is the first cohort program to offer the four-year degrees in Ashland by combining the resources of both MSU's extended campus center and ACC. The cooperative plan will better serve students who live in the area, according to Dr. John C. Philley, executive vice president for academic affairs.

"This program will appeal largely to nontraditional students and people who work or have other responsibilities that limit them from coming to the main campus full-time,"

McCormick said.

Students who enroll for the program will begin their freshman year at ACC, where general coursework in all three degree programs will be taught. At the start of the sophomore semester, upper division classes (in each program) begin at MSU's extended campus center on Winchester Avenue, according to McCormick.

Each degree program requires 128 hours of coursework, which will be divided between ACC and the extended campus center.

"Accessibility is a key point. We want to offer as many classes as possible for students who cannot travel to the Morehead campus on a daily basis," McCormick explained.

As a financial incentive, out-of-state students can pay in-state tuition for the cohort programs. Additional financial aid is available for first-time students who enroll at one of the extended campus centers.

"I think we're doing a positive thing for students," McCormick said. "There are a lot of people who want to either return to school to finish a degree or who wish to simply begin their college coursework in familiar surroundings.

"I believe this cooperative effort will have a great deal of impact on our students and our academic institutions. We're becoming more service-oriented, reaching out to students who otherwise cannot reach us; and, as MSU and ACC work together as a team, it is most beneficial for the educational quality of life for our neighbors in MSU's service region," McCormick said.

For more information on the cohort business degree programs, contact Terry Elliott, accounting professor, or Dr. Roland Burns, director of the MSU Ashland Area Extended Campus Center, at 1-800-648-5370.

April 27, 1994 FOR IMMEDIATE RELEASE

MOREHEAD, Ky.---Morehead State University students will present a Reader's Theatre program, "Growing Mountain Girls," on Thursday, May 5, in Breckinridge Auditorium at 4 p.m. and again at 7 p.m.

The performances, which are free and open to the public, will feature students in an advanced oral interpretation class, taught by Dr. Shirley Gish, MSU associate professor of speech.

"Growing Mountain Girls" is a staged reading which includes a variety of literature selections by Southern female writers.

The selections range from Elaine Fowler Palencia's recent work, "Small Caucasian Woman," to a 1907 publication, "Aunt Jane of Kentucky." Other pieces incorporated into the program are newspaper gossip columns from the late 1960s to the "Foxfire Book of Recipes."

"Poems, recipes, gossip and short stories are pieced together into a quilt of Southern women's experiences," Dr. Gish said.

MOREHEAD, Ky.—Five students who are members of Morehead State University's Equestrian Team have qualified for the 1994 National Intercollegiate Championship Finals.

The competition, which is April 30 through May 1, will be held at Texas A & M in College Station, Texas.

The students who qualified and their events are:

*Shelley Mann, Kalamazoo, Mich., junior, intermediate hunt seat equitation over fences. Daughter of Chuck and Deb Mann, she is a biology and horsemanship major.

*Heather Novak, Esmont, Va., junior, intermediate hunt seat equitation on the flat. Daughter of Roger and Gail Novak, she is a university studies major.

*Kim Wenman, Cincinnati, Ohio, junior, novice hunt seat equitation over fences.

Daughter of Colin and Barbara Wenman, she is an agriculture science major.

*Pete Hitch, Maryville, Tenn., senior, advanced stock seat equitation. Son of B.D. and Susan Hitch, he is a psychology and horsemanship major.

*Amy Powell, Nobelsville, Ind., junior, advanced stock seat equitation. Daughter of Betty and Bud Powell, she is a social work and horsemanship major.

To qualify for nationals, hunt seat competitors must receive a first, second or third place at regionals and a first or second place at the zone finals. Stock seat riders must receive a first or second at regionals to advance to the national competition.
