Outlook

Lack of talent will not be a problem for Morehead State University's golf team this year but lack of experience will.

"We'll probably start four freshmen in every meet, and while they have a lot of potential, it should be an up and down year," said Coach Rex Chaney. "In two years we should be outstanding."

The Eagles had ups and downs last season as well.

MSU fared well at the Sunshine Intercollegiate in Miami, Fla., (second of 14), the Wright State Invitational (second of 8), and the Eagle Classic (first of 4).

The Eagles ran into trouble in Ohio Valley Conference competition, finishing fourth of four in the OVC Quadrangular and sixth of eight in the OVC Championships.

"It was a disappointing year in some ways," Chaney said. "We lost two of our best golfers from the 1977 Championship Team, and not everyone played well at the same time."

MSU's No. 1 and 2 golfers, Harold Epperson and Mike Reynolds, return from last year's squad, and consistency from them will be a must.

Also returning are two sophomores who were red-shirted last season, Brian Doran and Mike Thomas.

It will be the success or failure of the freshmen that will make or break the Eagles.

This year's freshmen include Charlie Bowles of Mt. Sterling; Mark Frauenkecht of Lebanon, Ohio; Bob McCann of Winchester; Bret Walton of Maysville; Scott Wise of Bethel, Ohio; Hubert "Chip" Hall of Maysville; and Donnie Stahl of Maysville.

Dr. Chaney guided the baseball squad from 1961 to 1965 and was named OVC "Coach of the Year" after winning the championship in 1963. He also served four years as assistant basketball coach under former head coach Bob Laughlin.
