

Crackerbarrel Comments

(By Woody Hinson)

"Bob" Day's wife bought two gallons of gasoline from me the other day and had it charged. Pretty bad when your husband won't trust you. Most of the citizens of Morehead are "Gone With the Wind," to Cincinnati, playing at the Capitol Theatre there. "Buck" Amburgy has an infected throat that makes him the "Fourth man." We can't keep a glass in our bathroom. I know an ice-man in this town that called one Sunday morning to a home here in town and the man of the house had to go down and let him in, he could not find his bathrobe so he slipped on his wife's kimono. When he opened the door he was greeted by a nice big kiss from the ice-man. The only way he could figure it out was that the woman's wife had a kimono just like the one he had on. I know a farmer in this county whose wife has left him and gone to California. It is rumored that he has been trotting his horses pretty fast since she left. A friend of mine that I had not seen for fifteen years landed in town on a "high wire" some. I almost cried when I told him to leave and never come back unless he was sober. Although not being a teetotalist, an intemperate person can make a nervous wreck out of me in ten minutes. I have no patience with them. However, television is a wonderful thing, but it can't ever replace the old-fashioned keyhole. I have to laugh when I think of the three football players who went into the Blue Moon before they left for Mt. Sterling. One said, "Gimmie Coke," the other, "Make mine orangeade." Claud asked the other, "What's your name?" He replied: "Water, you see I'm driving." "I'll never forget the jury's verdict that was handed down in favor of the old farmer," said a man. Mason, that sued the L. E. for killing his cow. It read as follows: If the brain had run as it should have run, if the cow had been bled; both of which it did neither. The cow would not have been injured when it was killed. R. L. Hoke's first name is Rex. Gabriel Banks was and still is one of the most popular men of Mayville. He impresses me as an "insurance" and awfully hard to know. However, I think his wife has the greatest personality of anyone in town. E. K. Seiff, since he has married has topped. Well, that's the way with most of them that do a lot of heavy "courtin'" before they get married. I can remember when a set of tires only lasted him two months.

College To Offer Week-End Classes Next Semester

Extension Classes Also Aid Students

Morehead State Teachers College will offer, in addition to its field extension classes, several week-end classes at the College, according to W. H. Neighan, who today released the schedule. On Friday evenings the college will offer two three-hour classes and one two-hour class and on Saturday will offer the same number of hours.

Courses including Art, the English Novel, First Aid, Educational Psychology and State Government may be presented in these week-end classes, Dean Vaughan said.

Dr. Vaughan emphasized the fact that these week-end classes will give residence credit.

The first meeting of the classes will be on Friday, February 2 and all students are expected to be here on that date.

Regular second semester enrollment will start at Morehead, January 29.

College authorities anticipate a heavy enrollment both in the regular enrollment and in the extension and week-end classes since Morehead, in line with a program adopted by all the state teachers colleges, will have but one session of eight weeks this summer rather than two five week sessions there, by cutting the hours that a student may learn from 12 to 5.

Eagles Drop 2nd To Eastern Maroons

Inability To Rebound Cited As Reason For 41-35 Loss Tuesday

Inability to get rebounds the second half and missing foot shots cost the Morehead Eagles the game Tuesday night when they succumbed to the mighty Maroons of Eastern 41-35.

The Johnson-Miller combine had previously dropped a 46-38 verdict to Rome Rankin's men the previous week.

Big John Wiggers, 7-foot Eagle center, turned in an outstanding performance on missing 13 points before fouling out of the game midway of the second half. Walker, flashy Newport forward, followed closely on Wigger's heels with ten points. Schuster was high for the Maroons with 10.

Half time score was 20-15 with Richmond on top, a lead which they relinquished but once during the game.

Both teams played fast, hard ball and penalties were numerous on both sides.

The Eagles meet Transylvania Saturday night here.

Dosha Caudill Is New Nurse At MC Replacing Hackney

Miss Dosha Caudill, graduate of St. Joseph's hospital, Lexington, has been elected to take the place of Mrs. Maude Dixon, registered nurse at Morehead State College who resigned her job during the Christmas holidays to make her home with her husband in Washington, D. C., it was announced today by college authorities.

"Miss Caudill attended Morehead in 1929 and took her nurse's training from the Lexington hospital, graduating in 1934. She had been doing private nursing before coming to Morehead the early part of this week.

Previous to enrolling at St. Joseph's, Miss Caudill taught for two years in the Rowan county school system and comes to Morehead highly recommended, according to the college administration.

Ozark Players To Appear At Local School Tonight

Proceeds To Be Used For School Library Books; Starts At 7:30

The "Ozark Mountaineers," a radio and stage artists, will present a program consisting of dancing, comedy and music, at the Morehead high school gym Thursday evening, at 7:30 p. m. The program will be one and one-half hours long and a small admission will be charged. The proceeds will be used for school library books.

The first semester class meets Wednesday at the Morehead high school. The second semester starts Thursday morning, January 25th. There will be but few changes in classes in high school and some new electives offered for the 11th and 12th grades. An arithmetic class will be offered for the 10th grade and a typing class for the 10th-11th grade and a Botany class for the seniors.

The 12th grade under the direction of Mr. W. H. Vandart, principal, chapel programs Friday, January 19th and Friday, January 26th.

On Wednesday, January 24th, Reverend Lesper Vandart, pastor of the Bible classes at the high school at 1:00 to 1:30 p. m., in the high school gym. In the grades he has (Continued on Page 2)

MSTC To Get Increase Of \$50,000 For Biennium

The University of Kentucky State College for Negroes, at Frankfort, is to get an additional \$15,000 for general operations but nothing for building whereas it got \$100,000 for buildings from the 1938 Assembly.

The exception is the State college for Negroes, at Frankfort. It again would get \$220,000 for general operations, but nothing for building whereas it got \$100,000 for buildings from the 1938 Assembly.

The University of Kentucky proper is to get \$1,636,000 for general operations compared to \$1,550,000 in 1938, but its building budget would be cut to \$318,000 to \$149,000. Its summer school would get \$20,000 compared to \$18,000 in 1938.

The university's experiment station is to get an additional \$15,000 for research in finding new uses for tobacco and its by-products; its substations at Quick Run and Princeton are to increase \$4,000 each for horticultural work.

The university's agricultural extension work would be allowed \$260,000, an increase of \$20,000.

Among the teachers colleges, Eastern State would get \$48,000 more for general operations, but Murray and Western would get \$20,000 more each for operations, but Murray's \$75,000 for buildings is not to be renewed and Western's \$80,000 building grant is to be cut to \$20,000.

West Liberty Men Guests Of College At Hoop Game

The West Liberty Kiwanis club members were guests of President H. A. Bobb, at the Morehead-Eastern basketball game here Tuesday night. Seventeen members were present as dinner guests of the college at which President Bobb was the main speaker.

"We feel that members of the West Liberty Kiwanis club should visit us often and see the great things that the college is doing for the boys and girls in this section of the State," President Bobb said. He pointed out that Morehead had fourteen of the most modern buildings in Kentucky and that it is perhaps the best equipped plant in the State.

Morehead College is the only college in Kentucky that may boast of owning its own power and water plant," President Bobb told the visitors. "Each of our four dormitories are able to house 640 students, are modern, private and have special wardrobe lockers for each student," he said.

Mr. Blaine Nickell, speaking in response for the West Liberty club, thanked the administration for its hospitality and declared that the people in this section thought of Morehead as "their school."

Members of the visiting Kiwanians present were Blaine Nickell, W. O. Peirley, Dr. Wright, C. P. Henry, C. S. Stacy, George S. Cluff, Clifford Long, Herbert Traynor, R. J. Porter, J. B. May, S. L. Brock, Joseph Brown, Yandall Webb, Norman Sherick, Dr. Asa H. Bell, Bernard E. Whitl, and Henry Stacy.

ACCEPTS NEW POSITION

The many friends of Dudley Caudill, who is president of the Peoples Bank here, are congratulating him this week on his new position as executive vice-president of the Commercial Bank of Dawson, Dawson Springs, Ky., to which he was recently elected.

Although sorry to see him leave Morehead, his friends are wishing continued success in the banking business for him.

Mr. Caudill came to Morehead from Stanton, Kentucky, in 1921. He accepted a position with the bank in 1927 as assistant cashier and was promoted to cashier and then to the vice-presidency, the latter position which he holds at present.

One of the highest honors to come to him was election to the presidency of group six of the Kentucky Bankers Association, which office he has held for the past year.

Mr. Caudill said today that he will leave to assume his new duties February 1st.

Local Women's Club To Hold Meeting At Church

The January meeting of the Morehead Women's Club will be held on Tuesday, January 23, 6 P. M., at the Christian church.

Mrs. J. G. Black, chairman of the Literary department of the club, has arranged the program. Miss Inez Faith Humphrey will give a review of "A Moment in Feking."

Tickets for the dinner are being sold by the members of the Literary department.

Rowan Spelling Bee January 15 Successful

(By Golda Dillon Mauk)

A committee of five were appointed by Superintendent, Roy Cornette. The committee consisted of: Golda Dillon Mauk, chairman, Cleofe Moore, Amy Irene Moore, Training School, Hubert Pennington, Upper Lick Fork school, Edna Glentzer, Haden Consolidated, Grace Grothwaite, Morehead Consolidated.

The committee met December 16, 1939, and made the following plan:

1. To have a written test of one hundred words at ten o'clock the day of the Spelling Bee which was January 15, 1940.
2. To have an oral Spelling Bee at 2 o'clock, allowing the ten best, those having the highest grades to spell in the oral.
3. To raise funds for financing the Spelling Bee by asking the merchants of Morehead for a donation, and asking each teacher to donate twenty-five cents.
4. Selected Etta Mae Paulson, the fifth grade teacher of the Breckinridge Training School, as pronouncer.
5. Selected Rev. Landolt, Mrs. Hagan, and Bill Lane, as judges.
6. Decided upon giving each child a present for entering the contest.

(Continued on Page 2)

Senator J. J. Thomas Efforts Responsible For Assembly's Act

Primarily due to the efforts of J. J. Thomas, Owensville senator from this district, the Morehead budget was raised.

The State colleges, with one exception, are allowed larger sums for general operations by the 1940 members, but their total funds are less because of slashes in grants for buildings and equipment.

The exception is the State college for Negroes, at Frankfort. It again would get \$220,000 for general operations, but nothing for building whereas it got \$100,000 for buildings from the 1938 Assembly.

The University of Kentucky proper is to get \$1,636,000 for general operations compared to \$1,550,000 in 1938, but its building budget would be cut to \$318,000 to \$149,000. Its summer school would get \$20,000 compared to \$18,000 in 1938.

The university's experiment station is to get an additional \$15,000 for research in finding new uses for tobacco and its by-products; its substations at Quick Run and Princeton are to increase \$4,000 each for horticultural work.

The university's agricultural extension work would be allowed \$260,000, an increase of \$20,000.

Among the teachers colleges, Eastern State would get \$48,000 more for general operations, but Murray and Western would get \$20,000 more each for operations, but Murray's \$75,000 for buildings is not to be renewed and Western's \$80,000 building grant is to be cut to \$20,000.

Kiwanians Entertained Tuesday By Administration; See Eagles Defeat

The West Liberty Kiwanis club members were guests of President H. A. Bobb, at the Morehead-Eastern basketball game here Tuesday night. Seventeen members were present as dinner guests of the college at which President Bobb was the main speaker.

"We feel that members of the West Liberty Kiwanis club should visit us often and see the great things that the college is doing for the boys and girls in this section of the State," President Bobb said. He pointed out that Morehead had fourteen of the most modern buildings in Kentucky and that it is perhaps the best equipped plant in the State.

Morehead College is the only college in Kentucky that may boast of owning its own power and water plant," President Bobb told the visitors. "Each of our four dormitories are able to house 640 students, are modern, private and have special wardrobe lockers for each student," he said.

Mr. Blaine Nickell, speaking in response for the West Liberty club, thanked the administration for its hospitality and declared that the people in this section thought of Morehead as "their school."

Members of the visiting Kiwanians present were Blaine Nickell, W. O. Peirley, Dr. Wright, C. P. Henry, C. S. Stacy, George S. Cluff, Clifford Long, Herbert Traynor, R. J. Porter, J. B. May, S. L. Brock, Joseph Brown, Yandall Webb, Norman Sherick, Dr. Asa H. Bell, Bernard E. Whitl, and Henry Stacy.

Citizens Bank Hold Directors' Election

C. B. Daugherty is Relected; Lane, Nickell, Davis Are Active Employees

At the annual meeting of the stockholders held on January 9th, the following persons were elected as directors: C. B. Daugherty, E. D. Patton, Glenn Lane, Dr. Thos. A. E. Evans, Mark Logan, Charles Varnantwerp, G. E. Dillon and John W. Jones and later the officers and employees were elected as follows: C. B. Daugherty, president; E. D. Patton, vice-president; W. L. Gantner, secretary; Pruda Nickell, Asst. cashier, and Elizabeth Davis, bookkeeper.

The bank enjoyed a good year in earnings and increased deposits. The deposits have increased 100 percent within the last four years. In a very short time the office building and fixtures will be installed and the institution will be better located and equipped to more efficiently serve their customers.

912,000 Kentuckians Entitled To Old-Age Pensions

How many persons in Kentucky will receive payments of old-age survivor insurance benefits this year? This question has been asked by many. No one knows the exact answer to that question because no one knows just how many insured workers will die, or how many widows and children will be left to claim survivors benefits. Neither does anyone know how many insurance policies will retire this year or how many aged wives or dependent children of such annuitants there will be to claim payments of old-age insurance.

While there are no accurate figures regarding the number of persons who will receive benefits under the old-age and survivors insurance provisions during 1940, it is estimated that approximately 912,000 persons in the United States may be entitled to monthly benefits before the end of 1940. This assumes that there will be approximately 485,000 primary old-age beneficiaries—that is, persons 65 or older who are fully insured in their own right; 125,000 dependent children of insured persons; and 302,000 widows and dependent children of insured persons.

(Continued on Page 4)

Morehead and Rowan School System Second In This Section

Rowan county and Morehead citizens have a right to be proud in their school system which, by the size of the county, ranks second to none in this section of the State. At last a survey prepared by Den W. H. Vandart, H. C. Hagan, at Morehead College and compiled by Alton Payne, Public Relations director, points toward that conclusion.

In a county encompassing an area of 275 square miles, with a population of 10,893, the Rowan schools have enrolled for the school year 1939, 5,225 boys and girls which, over the period from 1931 to 1939 covered by the survey, represents a total increase of 2,425 pupils or, in per centage, approximately 90.

In 1931 but 1018 pupils were enrolled in the county elementary schools while this past year, an increase of over 150 per cent in the eight year span.

A 240 percent jump in the number enrolled in the county senior high school from 45 to 135, in correlation between the 48 pupils enrolled there in '31 as against 200 who entered the senior high this September.

In a county where the school system is so small, the proportion in the junior high is about the same with 300 pupils taking classes there as against sixty-nine eight years ago.

Officials On Job

Aware that provision must be made for the growth in the school population the county board and the superintendent set to work and in the eight year period that followed lowered the number of one teacher schools from 45 to 35, increased the number of two teacher schools from 2 to 5 and added one five teacher school. One and the only one—Bremen school disappeared in that time.

Children Transported

Today 625 school children are transported to and from their respective buildings via modern buses, whereas the bus system was not in effect during the second year of the depression with the consequent result that the school children either had to walk, rely on their parents or friends for transportation to school—a bad feature of any public school system.

Three new brick and stone buildings have been erected at Ellettsburg, Farmers and Haldeman, with a total expenditure of \$145,000 involved. \$12,500 was spent in repairing and refinishing old buildings. The Federal government contributed \$100,000 toward the new buildings.

In total value the worth of scientific apparatus in 1931 was estimated by Superintendent, Roy Cornette at approximately \$75, while today Rowan boasts of \$500 worth of equipment.

A full time home economics teacher has been added to the payroll, a full time agriculture teacher, while a full time music teacher has been dropped from the system. Rowan has neither a full time art teacher nor a school band or orchestra.

Average Training 96 Hours

The average training for the county school teacher in Rowan is 96 semester hours of college work, or approximately three and one-half years of college training as against 16 high school units of training in 1931—a most remarkable fact.

The Board of Education today employs five junior high teachers with degrees, nineteen elementary teachers with degrees and one high school principal, with a master's degree. In '31 there were only two teachers in these respective brackets boasting of degrees.

The total indebtedness of the county board today is \$62,000. Eight years ago it was \$97,000. Rowan works on a yearly budget of \$107,271.95.

Ozark Mountaineers To Appear Here Tonight

(Continued from Page 1)
 use 1:30 p. m. to 2:30 p. m., for elementary grades 1 to 6 in the rooms.

On Thursday night, January 18, the Viking Team will journey to Grayson for a tilt. So far, the Juniors are unbeaten by any opponent.

On Saturday night, January 20, the famous Carr Creek team will play the Vikings in the high school gym. Game to start at 7:15. There are seven members of the Combs family on this team, with the coach, and they are noted for basketball skill.

The Morehead high school P. T. A. will hold their regular monthly meeting on February 1st, Thursday evening at the Morehead gym. The program will be social and entertaining, and will consist of a "Tacky Party" with a short skit on an old time school presented by the faculty. Other stunts by local members will be announced later. Prizes will be given for various stunts. Complete program will be announced in next weeks paper.

 the creative art drawings done by the children this year.
 Another exhibit of the unconsolidated schools and the training school will be held in the spring.
 The money raised at the white elephant sale in the fall was used to furnish each child in the county with paper and crayons. Next year an effort will be made to furnish the schools with a greater variety of art materials and special work will be done with children showing unusual art talent.

Rowan Spelling Bee Is Successful

(Continued from Page 1)
 Spelling Bee, providing he came to Morehead to participate.
 Upon asking some of the merchants of the Merchant's club, Mrs. Mauk was asked to figure out how much money she needed, and that the Merchant's club would see that she got it. The club met December 4, 1939, and gave to the Spelling Bee the \$15.00 which had been asked for, and also decided to give each child, parents, and teachers a free ticket to the picture show at the Trail Theatre the day of the Spelling Bee.

The Merchant's club appointed a committee consisting of Bill Sample and Bill Lane to work with the Spelling Bee committee.
 The Spelling Bee committee and the merchant club committee met January 8, 1940, to make final plans for the Spelling Bee. The following plans were completed and carried out the day of the Spelling Bee.

January 12th, 1940.

1. The teachers brought their speller to the public gym at the

Morehead Consolidated School at 10:00 o'clock.
 2. The Contestants and judges assembled in the reading room at the public school where they were given one hundred words to write.
 The papers were graded by the Spelling Bee committee with the exception of Goldie Dillon Mauk.
 3. After the written test, the children were taken on a tour over the college campus observing all exhibits and things of interest.
 4. At 12:00 o'clock the children were given a free lunch at the college cafeteria.
 5. The time between the luncheon and the oral spelling test, was spent in the college science building, observing things of interest.
 6. The following contestants were the ones with the highest grades from the written contest.
 The winners were:
 1. Margaret Wells, of the Breckinridge Training School, FIRST.
 2. Christine Thompson, from Holy School, SECOND.
 3. Lela Kissinger, of Clearfield School, THIRD.
 The first prize was \$10.00; second prize was \$5.00, and the third prize was \$3.00.
 Each child that took part in the written and oral was called up front after the Spelling Bee and

introduced themselves, telling their name, their teacher's name and their school. Each received a pen and pencil combination and a show ticket for themselves and their teacher.
 All of the teachers, parents, and other visitors, were also given a free ticket to the picture show featuring Bob Burns in "Our Leading Citizen." Everyone seemed to enjoy themselves.

Fine Quality Baby Chicks

From Kentucky U. S. Approved flocks, all tested for Pullorum Disease by the Tube Agglutination Method, which is considered the most accurate.

Several years of fine production breeding back of our flocks, and the only kind of chicks that will make money this year, will be good chicks.

Our first hatch is January 29th, and each Monday and Thursday thereafter. Place your orders as early as possible please. Write for prices, etc.

AT LAST I'VE FOUND THE WASHER I'VE BEEN WAITING FOR!

SEE FOR YOURSELF THIS NEW Apex SPEEDLINER BEFORE YOU BUY ANY WASHER

If you want to wash clothes cleaner and faster, and as gently as your own hands, then by all means see this beautiful new, modern Apex before you buy. You'll want the washing advantages provided by the patented Spiral Dasher, which washes clothes 1/3 cleaner, 1/4 faster. You'll like the Finger-tip Control on the exclusive Apex-Lovell wringer that eliminates manual effort in wringer operation, and the long life of uninterrupted service that the Free-Running mechanism has now made possible. But best of all, you'll like its most attractive price.

IT'S TODAY'S GREATEST WASHER VALUE
See it, compare it with washers selling for \$20.00 more and you'll agree that the new Apex Speedliner is truly the outstanding washer value on the market today.
