

RIDDLED WITH BULLETS.

John Martin, the Election Day Murderer, Killed by a Mob.

LOUISVILLE, KY., December 10.—A special to the *Evening Post* from Winchester, Ky., says: "John Martin, of Rowan, who killed Floyd Oliver in a row on election day, was lynched by a mob this morning early at Farmer's Station, on the Chesapeake & Ohio Railroad. Martin had been sent to Winchester Jail for safe-keeping, and last night was taken back to Rowan County for trial.

Shortly after midnight, when the train reached Farmer's Station, a mob of one hundred men took Martin from the cars at the pistol's point, and riddled him with bullets. Martin's wife was with him at the time. The train men were overawed by the mob. It is believed the order of Court to bring Martin to trial was forged in order to give the mob a chance to get him. Martin has numerous friends who are swearing vengeance, and further trouble is feared.
