## Crackerbarrel Comments

(By Woody Hinton)

This is an exceptional time of the year. The odor of fresh paint and turpentine greet me as I go into my home. I never know where to find my easy chair, or where to expect the kitchen or dining room to be moved to. I have lost all track of the medicine cabinet, my razor, toothbrush and new broom. My bed has been moved into another room close to a window that puts out a forty-mile wind direct from the west. I have nightmares of falling out the window by my bedside. The wife is in an ugly humor. I can't take my noon nap. Tommy is cross. Ponto, our dog sees lost. I am getting so tired of sandwiches that I am going to set my foot down. I will never nap, never, beat those rugs. I don't mind cleaning a little bit when it comes to moving things around and getting things misplaced I am not for it. When I walk into my home I am as bewildered as a blind dog in a meat house. I don't know where to find anything. Our rugs are gone and I get splinters in my bare feet as I walk around in the early morning. My wife ruined a \$6.95 dress putting on a \$1.99 pair of pants in the bathroom. My favorite comb is clogged with paint. To sum it all up we are in a mess. I wish wonder have got to the point that I am going to the Jefferson Day Dinners. It's my home life. John Cecil was host to several out-of-town committees last Saturday evening and night. John got into a jovial mood long towards the last and a good time was had by all. Mrs. Cecil would not let him go to the dinner. Some of the folks could not eat fast enough, with their knives and forks so they tried to help one another out by pushing their plates in one another's faces, and not too gentle. Meet time at 7:30 in the Stadium and paper plates, Richard Clay, James, and Mr. Willett are back from Hot Springs. I don't see why they don't buy some of the springs down there and move them up Oxley Branch. It would be a lot handier. I thought it was fine and big-hearted of Lee-Ed to give the afternoon of Mr. McMain's funeral so that all could attend and pay their last respects to a man they had worked side by side with for years. "So long Mr. Mc. We will miss you."

## Local Group To Attend World Fellowship Meet.

Eight members of the Young Peoples Guild of the Christian Church will leave for Cynthia, Friday afternoon, to attend the Eastern Kentucky meeting of the World Fellowship of Christian Churches. Those who will make the trip are Helen Crosley, Marian Louise Oppenheimer, Richard Daugherty, Margaret Penix, Jimmy and Paul Reynolds, and the Rev. Athlene Lawson, and David Johnson. They will be chaperoned by Mrs. Arthur Landolt.

Miss Margaret Hopkins of Lexington, state secretary of young people work, has accepted the program for the session, which will begin at 2:00 Friday with registration. At 5:30 there will be a "Get Acquainted" period. It will follow by a banquet at the city auditorium. At 8:00 o'clock Friday evening a worship service will be held at the Church of which Dr. L. Rowe will officiate.

Saturday morning at 9:00 the assembly will divide into discussion groups led by Dr. S. J. Corey, Rev. A. C. Brooks, Rev. R. Robertson, Ira Langston, Dr. G. V. Moore, and Rev. B. C. Roberts. At 12:15 a World Fellowship luncheon will be held, and at 3:45 the young people will make a pilgrimage to the historic Carnegie Meeting House in Bourbon County.

The Saturday evening service will be a fellowship with the Northern Baptist young people. Sunday service will include a sunrise service at 6:30, and at 9:30 a business session. At 11:00 the Convention will participate in the Worship of the Cynthia Church, with the Rev. D. F. L. Bowers preaching. The meeting will conclude after lunch.

## K. E. A. Convened Wednesday Apr. 17

### Several Outstanding Lecturers Will Speak On General Program

Wednesday, April 17 to Saturday, April 20, will mark another speech making meeting of the Kentucky Education Association in Louisville, where the State's leading figures in the fields of education and teacher training will convene for their annual four-day session.

A brilliant program this year will include such notable speakers as Dr. Morris Fishbein, president of the American Medical Association of New York City; Claude Pepper, U. S. Senator from Florida; and Colonel W. Stewart-Florida, of London.

Morehead will be well represented in the sectional meetings of various fields. Mr. Thomas D. Young will preside over the Art Section of the Department of Fine Arts and will show a 16 millimeter movie, "Beauty and the Beast," made by the Junior High School students of the Breckinridge Training School.

Mr. Roger W. Barbour will preside over the Teaching of Science Division and will speak on the subject, "Some Breeding Birds of the South." Dr. J. G. Black, head of the Physics Department, will speak on "Direct Measurements of Human Horsepower."

Thursday afternoon at 3:05 p. m., Dr. Frank B. Miller, professor of education, will lead a discussion in the Kentucky Philosophy of Education Association meeting.

The annual Morehead breakfast for the students, faculty, and alumni promises to be a dominant feature this year, according to Dr. D. D. Falls, secretary. The breakfast will be held in the Bluegrass Room of the Brown Hotel Friday morning at seven-thirty.

## Navy Recruiting Opens Here

S. Caudill, Chief Shipfitter of the Ashland Navy Recruiting Station will be in Morehead, Ky., for a period of three days beginning April 18, 1940 to April 20, 1940, for the purpose of examining young men between the ages of 18 and 31 for enlistment in the United States Navy.

A number of vacancies now exist and those who can pass the mental and physical examination will be accepted for the U. S. Navy.

The Navy provides an opportunity to learn any standard trade as machinist, electrician, carpenter, boiler-maker, metal-smith and many others.

Those who are interested are requested to meet the Navy Recruiter at Morehead between April 18 and 20, 1940, or write the Navy Recruiting Station, Ashland, Ky.

## Local Men Have Cantata For Mixed Voices Published

"The White Pilgrim," a folk cantata written by L. H. Horton, head of the Music Department at MSTC and Luell Kazee, pastor of the local Baptist church, has just arrived from the publishers and is being distributed.

Dedicated to Dr. George Pullen Jackson of Vanderbilt University, founder of "The Old Harp Singers" the new cantata was written entirely by the two Morehead men.

"The White Pilgrim" was published by the H. W. Gray Company of New York City, and is adapted to mixed voices and string instruments.

## Lee Clay Employee Dies Of Heart Attack Saturday

### Perry McMain, 62, Died At Home In Clearfield

Funeral services were held at 2:00 p. m., Monday for Perry Marcus McMain, 62, who died suddenly Saturday of a heart attack at his Clearfield home.

McMain was an employee of the Lee Clay Products Company. Reverend T. F. Lyons and Reverend Henry Hall were in charge of the last rites which were held at the Saints Church. Burial was made in the Hall cemetery.

McMain leaves his wife and two children, Martha Ann, 15, and Earl, 17, three other children by a former marriage also survive. W. H. McMain of Washington, D. C., is private secretary to Senator Joseph Hatcher, Phoenix, and is of Albuquerque, New Mexico, and Mrs. Harry Bellins lives at Mitchellville, Iowa.

## TEACHERS MEETING

There will be a Teachers Meeting on Friday, April 19th. At this meeting there will be an Art Exhibit from the four consolidated schools. A good program is being planned and many exhibits are ready to be brought in. The Art Exhibit has been made possible through the A.A.U.W. with Mrs. W. H. Rice, as chairman.

## Extradition Sought For George Wilson

George Wilson, 25, is under arrest at Onarga, Ill., in the fatal shooting of Constable Floyd Hyatt near here during a hunt for ill-kept stills last fall. Deputy Sheriff Bill McBrayer said today. The deputy said extradition papers would be sought.

## Nominations Thus Far In The Morehead Independent Prize Subscription Campaign

The names listed alphabetically, of those who have been nominated (and have nominated themselves) as active contestants, and their votes ACCEPTED FOR PUBLICATION are given below:

A 1940 model Chevrolet sedan valued at \$703.00 (or \$500 in cash) is the chief award in the independent subscription campaign. \$250.00 cash is the second award; \$100.00 cash third and \$75.00 cash fourth. Twenty percent commission is the LEAST any one can receive and this amount (one dollar out of each five dollars) a contestant turns in may be drawn at the time the subscription report is made to the campaign manager. More should enter at once to complete for the magnificent prizes.

A SPECIAL BALLOT OF 240,000 votes will be credited EACH \$30 worth of subscriptions a contestant turns in by Saturday night. For instance a \$75.00 subscription entitles the contestant to 240,000 regular schedule votes and 240,000 extra votes. In addition he or she is credited 5000 free nomination votes and 20,000 "first subscription" votes—a total of 465,000 votes. As things stand now it is an easy matter to enter and take the lead in the list with very little effort. ENTER TODAY AND WIN!

## Salyersville Man Named To Board

### Harry Ramey, Shannon Appointed Secretary By Governor

Harry Ramey, Salyersville attorney and State Treasurer Ernest E. Shannon were appointed to the Board of Regents of Morehead State Teachers College this past Saturday.

Mr. Shannon was re-appointed and Ramey succeeds W. A. Casky of West Liberty. Other members of the Board are Donald Putnam of Ashland, Mrs. Allie Young of Morehead and John W. Brooker, present state superintendent of Public Instruction.

Brooker, by virtue of his office, is chairman of the Board of Regents at all of the four state teachers colleges.

## Peratt Announces Final Result Of Seal Drive

On April 15, C. O. Peratt, chairman for Rowan County in the Crippled Children drive for funds, made his final report. The total amount sent in from Rowan County was \$242.53. Contributing to this amount were all of the schools of the county which are at present in session, the towns of Morehead, Clearfield, Elliottsville and Farmers.

On behalf of the Crippled Children of the State of Kentucky and on behalf of the Kentucky Society, Mr. Peratt desires to express his sincere thanks to all of the good people of Rowan county who contributed to the fund and to all of those excellent men and women who gave of their time and talent to help in the campaign for funds.

## Treasures Galore Beckon Energetic Persons To Enter

### 750 Present For Jefferson Dinner On Last Saturday

#### Lieutenant Governor Asks Democrats 'To Pull Together'

Morehead resembled a Mardi Gras Saturday as approximately 750 loyal democrats poured into the little college town to attend a Jefferson Day Dinner held at seventh-thirty in the Morehead State Teachers College cafeteria. Cars started flowing in town as early as five o'clock in the morning and by noon the main business section of the town was filled to overflowing with politicians from the Eighth Congressional District and adjoining counties.

Full steam ahead is the order in the subscription campaign as the full possibilities of this newspaper's offer is realized and appreciated by the contestants and their loyal supporters. Awards of almost unheard of value for those of this nature are to be given the contestants and opportunity looms large at the start of this extra vote period which will result in subscriptions rolling in at a rapid rate. This is the largest extra vote offer that will be made by subscription and therefore, it is the most important one.

#### Get Winning Votes Now

A special ballot of 240,000 votes will be credited each \$30 worth of subscriptions a contestant turns in from the start of his or her campaign until Saturday night. Renewals of present subscriptions as well as brand new ones are invited to enter the contest. It will take votes to win the prizes and the opportunity to win them in large numbers is of course hailed with delight by those who are seeking a new sedan instead of merely the commission. When prizes such as a \$703.00 Chevrolet sedan (or \$500 cash) \$250.00 cash—\$100.00 cash and \$75.00 cash are to be had, it is reasonable to expect the contestants to do their level best to win the largest and costliest one and not to be content with lesser prizes.

#### Contestants Are Drawn

The contestants who have entered thus far have a wide acquaintance and each has a strong following. A small number have entered in the past but it is expected and desired that more will see the wonderful possibilities offered by this newspaper and start a campaign for votes and subscriptions. In order to equal opportunities that exist to get the winning votes—the vast possibilities the campaign holds for those who apply themselves coupled with the popularity of the contestants should make for an interesting campaign. It is safe to predict that they and their friends as well as their neighbors will be busy subscriptions during the present attractive vote getting period. Just a little special effort now on the part of any contestant can result in a victorious ownership of a beautiful and costly sedan. No restrictions are made as to where contestants may work for subscriptions as the field is open and free for all.

#### The Extra Vote Offer

240,000 extra votes will be credited each \$30 worth of subscriptions a contestant turns in by Saturday night, April 20th. This is equal to 800 extra votes upon each dollar's worth. If a contestant is successful in rounding up as much as \$60 worth by that time, he or she will be credited with TWO \$300 extra votes or 480,000 EXTRA votes. \$90 worth will entitle the contestant to three special ballots or 720,000 extra votes.

#### More Contestants Needed

The territory in which subscriptions are readily available is large and there is ample territory for a dozen or more contestants to compete successfully. Cash is PAID UPON EACH REPORT in the event the contestant desires to draw the commissions earned against the prize awarded him or her when the campaign ends. Twenty percent commission or one dollar out of each five dollars a person turns in is given him when he or she makes a subscription report. In this manner the campaign is a money-maker right from the start and one does not have to wait until the end in order to participate in the distribution of cash. Come on in, folks, there's plenty room for you in the list. But, don't wait too long. The time for the awarding of the big prizes is here to be before one realizes it. There is only one way you can lose and that is in NOT taking an active part.

## 875 Rowan Farmers In Agricultural Program For 1940

### April 15 Final Date For Preparing Farm Plan

There are 875 Rowan county farmers listed at the County A.C.P. office. This is practically a complete list. Eight hundred and seventy-five have prepared farm plans. This is 84 percent of the total listed. This is the largest percentage ever to indicate participation to any one years program.

Last year there were 865 farm plans. And out of this number 733 prepared farm plans. Therefore, approximately seventy-four were included in the 1939 program. The percentage of participation is 85 percent.

**EVERY MAN  
 WHO ENJOYS A  
 TRULY FINE  
 GLASS OF BEER**

Falls City didn't deliberately set out to become one of the largest and finest breweries in the country. Its ambitions were more modest than that.

All it wanted to do was to produce a beer of such fine quality that the entire industry would regard it with respect and of such good taste that everyone who drank it would find it a constant pleasure.

Trying to achieve the one has actually brought about the other. It's a situation that finds many parallels in American industry.

To produce a beer with Falls City's famous brisk, clean taste takes more than the choicest barley-malt, rice, and hops. These are only a starter.

It needs in addition Falls City's own priceless brewing recipe... superior brewing skill and experience... scientific control... costly special steps in the brewing process... improved equipment... and the level-rounded facilities of Falls City's splendid plant.

If you've never visited the Falls City brewery, drop in the next time you're in Louisville, and let an experienced guide show you step by step exactly how Falls City beer is made.

And if you haven't tried Falls City beer recently, do so by all means and see how light and lively it is—how its brisk, clean taste differs from that of any other beer you've ever tasted.

We believe you'll agree with the thousands who have switched to Falls City—that here's a beer that's different, a completely satisfying beer, one you can always drink with pleasure and call for with respect.

**Morehead Woman's Club Will Have Regular Program.**

The Morehead Woman's Club will have its regular program meeting Tuesday, April 23rd at the Christian Church. Dinner will be served at 6:30. The program will be in charge of the Garden department of which Miss Curraleen Smith is chairman. Prof. H. C. Hagan will give a talk on "Some Phases of Home Flora Cultivation." Special music will be by Prof. L. H. Horton. The Morehead Woman's Club will also stress Home Safety as part of the program at this meeting.

This subject is very timely as most of the housewives of the community are either thinking about already doing their spring housecleaning and the greater percentage of fatal home accidents occur during the spring months due to faulty and dangerous ways of performing just common everyday jobs about the home. It is the neglected trifles around the home, such as sagging steps, frayed extension cords, tops left

on stairways and numerous other accident-breeding errors that cause the alarming number of accidents in the home.

During 1938, home accidents resulted in 32,500 deaths in the U. S., and five times that many are permanently disabled. More people are killed in homes than by automobiles.

Therefore, the Safety Committee of the M. W. C. will endeavor to help promote a greater interest in this community in Home Safety by a series of short pantomime skits at their next meeting, with

the object in view of helping to prevent the 30,000 or more deaths each year, the 150,000 or more permanently maimed limbs and bodies of men, women and children, the millions of dollars home accidents cost American families and their immeasurable cost in heartbreak. Members of the Safety Committee are as follows: Chairman, Mrs. Edward Ryan, Miss Margaret Penix, Miss Francis Peratt, Miss Mary Atkins, Mrs. Wm. Hudgins, Mrs. Wm. Layne.

**Who says you can't have EVERYTHING!**

**You can have V-8 performance— and gas economy, too!**

An 85 h.p. Ford gave 24.92 miles per gallon in the annual official Gilmore-Yosemite road test, open to all cars. This was best mileage of all standard-equipped cars in this class!

**You can have easy-handling— with big-car room and ride!**

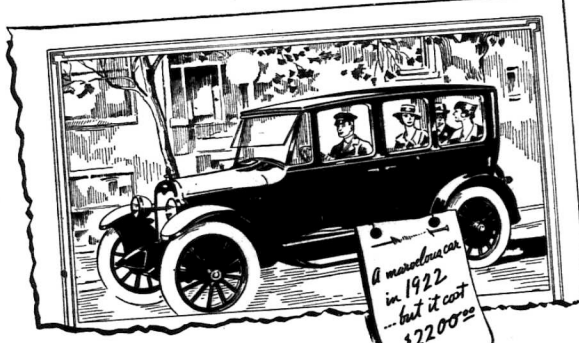

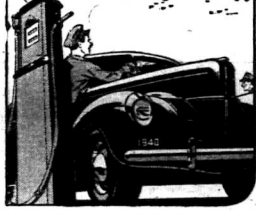

Everyone knows how easy it is to drive a Ford. But no one could know, till he gets inside, how big this Ford is in leg-room, seat-room, knee-room... nor what a thrillingly soft, steady, big-car ride it gives!

**You can have low cost upkeep— and enjoy real fine-car features!**

You shift gears on a Ford with the easy-acting type finger-tip shift used on costly cars. You get a semi-centrifugal clutch giving lower pedal pressure at shifting speeds, also typical of costly cars... to say nothing of the biggest hydraulic brakes ever used on a low-cost car. Your Ford Dealer's ready and willing to trade... See him now!

**YOU CAN HAVE A FORD V-8**

—and that's what you'll want when you try it!

**... But what has this automobile to do with your ELECTRIC SERVICE?**

FRANKLY, it has nothing to do with your electric service. We use it here to illustrate a point. Automobiles were "rich man's toys" not so many years ago. They cost a lot of money and they cost a lot to run. They were gas-eaters and oil-eaters. The hills they could climb in high were few and far between. If you got them up to fifty miles an hour, the noise and vibration were terrific.

tor, vacuum cleaner, washing machine and other appliances, and the electricity to operate all of these costs very little more than you used to pay for light alone.

Like the automobile, your electric service improves steadily year after year. At the same time, its price comes down. This is possible because of the constant effort of the people of your electric company to improve service and reduce rates. It's an effort that goes on and on.

Because of it, your electric service will be better and cheaper in the future than it is today. The credit belongs to a group of people who are never content to rest on their laurels, who strive to do their job just a little better today than they did it yesterday. They're the people of your electric company.

**MORE FOR YOUR MONEY**  
In the last 10 to 15 years, the engineering improvements and operating economies of your electric company have made it possible to cut the average price of household electricity just about in half. Many customers now using electric household appliances, lots of light, a radio, and refrigerator pay very little more to operate all of these than they used to pay for light alone.
