Time is passing swiftly and it never was as valuable as it is now. This newspaper is making every inducement possible to encourage the contestants to put in their best work at the time subscriptions are worth the most rotes as the prize winners will be determined by the number of votes one accumulates and not upon the number of subscriptions turned in.

Two three glaring weaknesses have shown up and they must be filled before we can expect to have as good a team as we had this past season."

The schedule can be found another part of the county in the near future for the county i

The schedule can be found in another part of the paper and it is one of the toughest-sounding schedules that has faced an Eagle team since the beginning of the Johnson-Miller regime. The Eagles open with Marshall, have an open date, they play Murray, have another open date and then play Holbrook, Eastern, Concord, Western and Transylvania on consecutive weekends.
