joyed this paper thoroughly. This year it is impossible to send the paper free. The staff of the Trail Blazer performs a labour of love but the cost of producing such a paper prohibits a free circulation.

For that reason, at a meeting of the officers of the association this week it was decided that a fee of \$1.00 be charged each alumnus. Fifty cents will go to the Trail Blazer and fifty cents will go to the Alumni association as dues. This means for one buck you can pay your dues and hear from HOME once a week. It will be the most enjoyable dollar you ever spend. We hope that by spring the Morehead Alumni association will be the strongest in the state.

In other words, let's not take our college for granted! Its future history depends upon our present efforts. I hope that it will be possible for me to greet each of you personally today, to thank you for the honor that you have bestowed upon me by electing me president of the Association and to wish you God's speed until we meet again. If this is impossible, I take this moment of extending my grateful thanks and best wishes not only to those of you who can come home today but to the host of others scattered throughout the land who can only be here in spirit. Remember we like to depend on Morehead State Teachers college, but it must depend on us.

Sincerely,  
**ASHFORD DENTON**  
President, Alumni Association

### ... TO THE ALUMNI:

Read the letter addressed to you on the front page, from the president of the Alumni organization. Then mail the coupon below with one dollar to:

## Pep Rally Held In Chapel

The first large-scale pep rally of the year was held last Thursday during the chapel program. Leading in the yelling were several members of the faculty and the regular cheer leaders, Frances Goss, Ray Hobson, Mervel Hanes, Annabell Evans, Dorothy Dimes and Fred Bayer. Dorothy Simmons gave an exhibition of yelling in conjunction with the cheers. Professor Earl King Smith acting as master of ceremonies introduced Coach Johnson, Miller, who gave predictions on the outcome of the Davis-Ellis game; President Vaughan, who made several comments upon the approaching Homecoming day, and Dr. J. D. Falls. Dr. Falls was prevailed upon to lead the student body in two cheers.

Affairs were brought to a close by the announcement of the then impending sophomore election and an investigation by the president to the students to make the Tuesday voluntary chapel a habit.

**Dr. Orville Wheeler To Be Guest Speaker At Homecoming Banquet**  
**BANQUET SPEAKER**  
Dr. Orville Wheeler, superintendent of Ashland City schools, will be the guest speaker at the Morehead homecoming banquet, to be held in the college cafeteria, Saturday evening, October 11, at 7:30 p. m. The college is paying tribute to thirteen graduates who are county superintendents in Eastern Kentucky. Dr. Wheeler will speak on the subject, "Education for Tomorrow." A large crowd is expected to attend the Homecoming event.
