Scrap In The Headlines

"Effort to Abandon Efforts to Capture Stalingrad by Storm," "4,611 More Navy Planes Are Voted By House," "Governor Declares Holiday for Collection of Scrap"; these headlines and other similar ones have indicated the rising tide of the United Nations' war effort in the past few days.

The heroic defense of Stalingrad by the Russian armies and the Russian people has aroused a deep and abiding feeling of admiration and loyalty in the minds and hearts of military men and citizens of freedom-loving lands all over the world. It will stand for ages in the annals of history as an example of a determination of a people to employ every resource at their command in order to further a cause in which they believe with all the strength of their bodies and love of their hearts.

Passage of a bill for construction of 4,611 more planes for our Navy is material evidence of the trust and responsibility which we have placed in the hands of the men who fought so valiantly in the Solomons and the Coral Sea as well as in other parts of the world. This trust reposes, too, in the men who have not yet seen action, but who undoubtedly will carry on with the same valor as their comrades-in-arms, when the time comes for their efforts to be felt.

Scrap Day, Monday, provides an opportunity for those of us who are students at Morehead College to take positive action which will directly help those men who are FIGHTING FOR US on all the battlefronts of the world. We have placed a trust in them and just as deep a responsibility lies in us to do everything in our power to see that THEIR trust in us has not been misplaced.

ARE YOU GOING TO LET THEM DOWN?

Navy Cheers

Saturday Morehead held Murray for the first time in the history of the two sister institutions. Saturday the sailors for the first time saw our gridiron performance and at its best. These boys showed the spirit of true Moreheadians with their cheers and demonstrations from the stands. It was truly quite a treat to hear those "Navy cheers."

Since the arrival of the first contingent of trainees here the men have given every consideration asked of them by the school. Cooperation between the students and the Navy men has been the best possible. Now after this orientation into the Morehead way of life, we find that their true navy spirit carries over to the support of the campaigns of victory that we of Morehead enjoy. With the same wholehearted enthusiasm and co-operation that has been shown here by the sons of the Navy, it is a certainty that the Axis has a "rough row" ahead of it.

Almost any time during the game Saturday, small groups of Bluejackets could be seen working up the field. When the band recognized the Navy with maneuvers and their official song, "Anchor Aweigh," a spontaneous cheer of approval went up from those in the stands. To the men of the Morehead Naval Training School: Thanks for your support and for your Morehead school spirit. Not only thanks for your cheering but also thanks for the job you will do for a Navy and better team for a greater cause.

ALUMNI NOTES

By Exer Robinson

It seems a long time since I have written news for the Trail Blazer, and it is time to get back into the swing of things. The fall quarter is well under way and while our enrollment is not all that it was hoped for in numbers, we do have quality in our students.

I want to take this first chance to thank you members who contributed names so generously and who have sent so many students here to college. We hope you will continue to be prompt to recommend your alma mater to others in your home.

Just after the last issue of the paper last summer, we received a letter from T. O. OLDS.

He will take the lead in the Honor Roll this fall. Mr. Paul writes: "Here is my dollar; I would have sent it earlier but I wanted to learn what my next work would be. The CCC and my work at China and Jack, I came to an end last week. It seems that my next work will be teaching in Bremer County, Georgia. Keep the Trail Blazer coming and keep my memory green in the Alumni column. I like to hear from the old boys and girls."

The next honor member is Ed Parnell, a member of the R. A. B. P. A. Lambert Field, St. Louis, Mo. Ed writes you that he likes the army very much, but that he doesn't want to be bothered with his old friends through the Trail Blazer.

Mrs. Edna C. Higley came in just before her graduation in August and paid her dues. She will teach the eighth grade in the Owingville school system. We have written to the other members of the June and August classes and we hope they will all respond soon.

A letter has been received from Ellen Pack enclosing dues for Frank Webb. Frank is teaching at Chandler, Kentucky. He is our representative in Johnson County to help remind our Alumni of their dues. He will contact every member in the county and try to have the Johnson County Morehead graduates all paid members in the association.

Rev. Howard Dalton of Hainesville, N. J. was a visitor in his class, a member of the class attending Drew University and will receive his B. D. degree at the end of the year. He is a student pastor at the Hainesville Methodist Church. He and Mrs. Dalton have three children: Joyce Ann, Shirley Lee, and Peggy Lee. They spent a month in white here. Rev. Dalton attended the Methodist Conference held at Winchester, Kentucky. He paid his alumni dues while here.

Another honor roll member is Mrs. Gordon Hickey of 214 North 17th Street, Louisville. Lillian and Ray are both graduates of Morehead. They have two children.

Mrs. Charles Jennings of 2415 Mt. Vernon Ave., Alexandria, Va., belongs on the honor roll. Mrs. Jennings is teaching in the Mt. Vernon High School at Alexandria.

A dollar has been received from Genevieve, Mrs. R. C. Williams, fresherman. "Morehead" with all of its nice people, has seemed like home to me ever since I first enrolled in Morehead. She is teaching first grade at Elkhorn Church near Frankfort on the Georgetown-Versailles Pike.

May we hear from you with your new and old friends? Please, if you have not yet joined, JOIN US TODAY. SEND ONE GET TWO. SEND TWO GET FOUR. SEND FOUR GET EIGHT. SEND EIGHT GET SIXTEEN. Morehead Builds Winning Team On Twenty-Four Men

Big Blue Holds Marshall 0-0

Morehead's Big Blue aggression opened their grid season two weeks ago at Huntington West Virginia, when they battled Marshall College to a scoreless tie. This game marked the first tie in eight tussles between the two eleven.

Sixty minutes of muddling was practically all that was accomplished on the shabby field as both teams were unable to get enough foothold to put on much of a scoring threat. They stayed on the defensive most of the game and were not able to show what they could do aggressively.

Practically no passing was attempted and fumbles were numerous throughout the fray. Spectators acclaimed the Johnson squad in their defensive efforts and gave vent to their rage that the Eagles might have brought home the bacon if the field had been dry.

In spite of the outcome, the Henmen gave the Eagles the ball of victory because of the great spirit and strength the Kentuckians showed.

W. A. A. Starts Year's Program

Several years ago someone got the idea that history was not just record of Censuses and Newspapers, but also of the Rites and Jack Dempsey. With this in mind they have produced a history not of wars, and depositions, but of sports. That to Morehead cause the idea of a Women's Athletic Association.

It began with a boom and it is still a boom stage.

The origin is not known by the members of this year but we do know that the past has been a succession of happenings of interest.

Last year under the control of Gay Everman, Frances Pomeroy and Clara Porter, the W. A. A. carried on its activities and everyone enjoyed a year of fun and excitement.

At the end of last year the following club officers were: Miss Gay Bickford, President; Sylvia Boggs, vice-president; Frances Pomeroy, secretary; and Annabel Henry, reporter.

Only two of these officers reported at a called meeting last Monday night. Frances Pomeroy and Gayle Bickford. New officers were elected at this meeting to take over duties of those who did not return. Alpha White stepped into the berth of vice-president and Ruth Boggs took over the recording secretary position.

Tuesday night the club met again for the purpose of welcoming new members. Others who are interested in the club will still be eligible for membership and are requested to be at the next meeting which will be held Monday night.

Morehead's coaching staff is building its hopes this year around a roster of twenty-four boys, thirteen of them freshmen. War time conditions make it necessary for first year men to play on the varsity squad and much of the strength of the Eagles will lie in the ability of the yearlings.

Co-Captains of the squad are Carl (Corky) Howerton, and Vincent Zachem. Zach played in the Murray game last week with a broken hand, but he managed

Pete Mannix, from New Britain, Conn., and Leroy Wheeler, from Louisville. Both of these boys weigh 170 pounds and are the superlinemen slated for this position. Coach Johnson never sophomore Pete Mannix as the best pass receiver Morehead has ever had. Wheeler, a yearling back in '41, has been shifted to back where he is at exceptionally good in defense.

Reserve struts for the side slots will lie in three freshmen: Nevo Paschal, Marlon Spock, and Warren Hicks. Paschal, a New Britain, Conn., lad, has a sprained ankle which keeps him out of action but is expected to be ready for competition soon. Hicks, a Morehead boy, and Spock, hunky Dan Bank, West Virginia, find, are yet untied but will probably be played in the Western fray.

Pete Pawlowski and Benny Herman, both from South River, New Jersey, are slated to fill the tackle space. Both boys weigh 195 and both are registered as sophomores. In the works of Coach Johnson, "They are big, fast, A.D. rough." Alternating for Pawlowski and Herman will be Don Galbreath, 220 pound freshman from Tall, New York.

Galbreath is the largest man on the team and with a little experience, he should add a lot to the hole in the line that the quarterback is through.

Vincent Garofoli, 170 pound junior from Elizabeth, Penn., and Alberto "Red" Walters, 190 pound third year man from Cannel City, will be the regular punts, with three freshmen: only 155, Jack Adams, Detroit, Len Wozniowski, J. Preston, and Jack Hartman substituting.

On the wings this year are

the coaches believe that he is the "real McCoy". He is from Port Gay, West Virginia, Wozniowski, with 200 pounds is from South River, New Jersey, and Hartman, 175 pounder, is from Uniontown, Penn.

Alternating for center Zachem, will be Fred Lawson, 165 pound freshman from Harrison, West Virginia.

Backs include co-captain Howerton, and Junters, Larry Wolkman and Tony Spock, and Wayne "Squirrel" Gibson.

LEN MILLER

sophomore Wolkman, Louis Frippe-shrest man, weighs 170 from Uniontown, Penn. we have 170 pound Tony Salvo, sturdy blocking back, Gibson, the only Cuban on the squad, tips the scales at 155. Five freshmen will be trying for regular berths in the backfield this season. Rand Harper, Franklin, West Virginia freshman, is being kept out of competition now by a broken hand, but he is expected to turn into a good back. Harper weighs 160 pounds.

Jim Severy and Ken Mickewski from Evans, Ky., and New Britain Conn., respectively are rated as good prospects. Sweezy packs 200 pounds while Mickewski weighs in at 170. The squad, he alternates as grid drill but hasn't had a chance to prove his worth in game competition. Karl Jordan, weightless only 135 is the lightest on the squad. He alternates as quarterback. His hometown is Ceredo-Kenneth, West Virginia.

EAGLES BROODINGS

FRANCIS TREADAWAY

Len Miller's old hat, Coach Johnson's optimistic "noah's ark", and a "reel time boys' team," put Morehead on the map of Murray last Saturday, so now the "old grey mare" at the side who has over the years been used to be "turning in their fire" will over the Thoroughbred in the history of MTCV, the Eagles kept a clean slate for this season. But outside of breaking the jinx of Murray, who have our Eagles done?

Marshall was held to a 0-0 tie, but if Marshall had anything more than just a reputation, how did Western offend them last week, 19-37? Even though Murray had never before lost to Morehead they held only a three-point margin over the Big Blue last season.

So for the Eagles haven't showed anything but the bare bones, lines of argument but the defense has held both opponents scoreless. Our future is in the what dim but if the Blues can hold Western, the rest will follow.

Zachem vs Murray

Each year 30 minutes of ball against Murray with one hand "tied" but he was still able to get in the Thoroughbred way. He interpreted one Murray pass into position to score their first touchdown. If the rest of the squad can do as much with two hands as Zach did with one Western is in the bag.

Realized? ... If all freshmen are Gamma and according to some optimistic people, they practically are, the team might as well fold up.

But if we win ...

In two starts this season, the Eagles have managed to stay out of line column. Each time this page will add a football to the top of a column. At the end of the season there SHOULD be a column of 100. How about it, Eagles?
