Circuit Court Is Adjourned On Saturday

The October term of the Rowan Circuit Court adjourned on Saturday of last week after trying a number of cases, some of which were reported in the last issue of the News. Cases tried and their results since that time follow. Perhaps the case that aroused the greatest interest particularly among citizens of Carter county was that of the Commonwealth against Clayton Withrow, charged with killing Herman Clark. The trial lasted for four days, with the verdict being returned late Thursday, acquitting Withrow. Two others, Frank Stone and Howard Kegley were awaiting trial without bond on the same charge. Following Withrow's release, bond was fixed for both Stone and Kegley at \$5,000 each. The bond was posted and they were released. Their trial was set down for the third day of the March term of court.

C. P. Duley To Retire As Grand Master

Past Year One Of Moments To Local Masons As State Honor Is Conferred. Last year at about this same time, Morehead was more or less ago, as a great honor was about to be conferred on one of its citizens. Hon. C. P. Duley was about to be accorded the honor of being elected in the gift of the Masonic Order. He was about to be elected to the office of Grand Master of the Grand Lodge of Kentucky. This week in Louisville, the Grand Lodge meets again, and the great honor that was conferred on Mr. Duley last year is about to be conferred on another and Mr. Duley will join the ranks of the Past Masters. A large number of members of the local lodge are this week attending the annual session of the Grand Lodge in Louisville. Mr. Duley is in charge. At a meeting of the communication, when the Grand Lodge convened, Mr. Duley stated "I will turn over to my successor a craft which is more interested in Masonic affairs than at any time in recent years." Before leaving the office he had held for the past year, Mr. Duley conferred upon a fellow townsman, J. H. Powers the honor of representing. (Continued On Page Three)

Rowan Johnson Speaks To Large Crowd In Morehead

Surprise Visit To City Finds Hundreds Awaiting Him; Court House Jammed. Governor Ken Johnson paid a short visit to Morehead on Wednesday of last week, coming from Maysville, where he spoke on Tuesday night in behalf of his candidacy for Governor. Governor Johnson had dinner with his campaign manager, W. D. Flood. In spite of the fact that it was not known until Wednesday morning that he would be in Morehead, Mr. Flood made hasty arrangements to do it. He adjourned court for a short time, so that Mr. Johnson might meet his friends and speak to them for a few minutes. His friends were distributed and in his speech the court house. He was introduced by Judge D. B. Caudill.

You will enjoy these Godly consecrated young men.

Robbers Loot In Citizens Bank Totals \$8000

No Trace Of Bandits Is Found, As All Finger Prints Are Wiped Away. No trace of the robbers who broke into the Citizens Bank last Tuesday night has been obtained, according to bank officials. The robbers, according to reports from bank officials obtained a sum of money slightly in excess of \$8,000. The loss was entirely covered by insurance, which has been paid promptly. The bank reopened on Friday morning, and the robbery has been closed during a period of inventory. The check was received on Tuesday morning covering the total amount of \$8,000. The robbers evidently entered the bank after a careful inspection which disclosed to them the best method of entering. It is supposed that they made their entrance through a rear window. The job was clearly one of experts, men who knew their way about, and they made the robbery through a rear window. They had manifestly prepared everything down to the last detail. They were equipped with a new tin snip to do it methodically. They used an acetylene tank, all of which they left behind them. They opened the outer vault and profited. (Continued On Page Three)

Morehead F. Farmers Hold First Meeting

The Future Farmer Chapter has decided to change the time of meetings for this school year. Due to the fact that the regular routine of the FFA meetings will be held at night in the school gymnasium. The first regular meeting of the year was held in the gymnasium on Wednesday night of this week. The meeting was presided over by the last year's president, Frank Mayfield. The members were very interested and the boys are all interested in the type of work that they are doing, because they can see the things that they are accomplishing in their work. Many of the boys that started last year with little reports gains in investment, and each one has an attitude

Rowan-Elliott Will Hold A. A. A. Elections

P. L. Alderman, chairman of the County Committee of the Rowan County Agricultural Conservation Association, said today the state A. A. A. office has approved October 20th as the date for 1940 county elections in Rowan County. Present community officials, Mr. Alderman said, will conduct nominations and elections on that date at the following places: Sandy Hook, Burke and Stark, Ky. Eligibility provisions of the Articles of Association in regard to officers of the community and county organizations will be discussed at the opening of the meetings, and duties of officers and delegates will be explained. Nominations will be made orally and votes for the nominees will be cast by written ballot.

Eighth District Young Democrats Meet At Ashland

E. M. Hogge Of Morehead Is Candidate For District Chairman Of Organization. The Eighth District Convention of the Young Democratic Club will be held in Ashland, on Saturday night of this week, according to Van Heeks of Frenchburg, Ky., president. District Chairman, Representative from Rowan county, expected every county in the district are expected to be present. Rowan county will have a candidate for the office of district chairman, in the person of Elijah Monroe Hogge, who will attend the meeting together with a number of other Young Democrats of Rowan County.

Democracy Schedule Three Speeches During Campaign

Attorney General Meredith To Be Here October 24th; Myers Slated For Oct. 30. The schedule for Democratic speaking in Morehead has been re-arranged by Campaign Manager, D. Flood, up to and including the Saturday night before the election on November 7. Three speeches have been scheduled, according to Mr. Flood, Attorney General Hubert Meredith, who is a candidate to succeed himself to that office with a speech here on Tuesday, October 24, at 7:30 p. m. Mr. Meredith is a brilliant speaker and will bring the citizens of Rowan county a real message. On Thursday, November 2, Rhodes K. Myers, candidate for Lieutenant Governor will speak here at 7:30 p. m. On Saturday night, November 4, Joe B. Bates, Congressman from the Eighth District will carry out the program, escorted by his predecessor, Fred M. Vinson and will close the Democratic speaking campaign in this county on that night. All three speakers are well known in this county, and all are expected to draw large crowds.

J. J. Caudill Resigns As Chief Of Police

J. J. Caudill who has served the city for the past two years as Chief of Police, tendered his resignation of the position effective last Saturday. The council accepted the resignation and immediately promoted H. L. Roberts, city policeman to the job as chief. Taking Mr. Roberts place as policeman is Everett Fraley, who on previous occasions has served as special police. Mr. Caudill has moved to his farm, where he expects to maintain his residence in the future.

Two Council Tickets Fled For November City Election

Rival Tickets Seek Election To Office Of City Council; Haggan On Both. With two city council tickets in the field, it looks like a battle to see who shall have the honor of serving the citizens of Morehead for the next two years as their councilmen. There are, however, but eleven candidates instead twelve as H. C. Haggan is a candidate on both tickets. The tickets ticket under the emblem of the Arm and Hammer is as follows: H. C. Haggan, Frank Havens, Ed Fannin, and Harry Goldberg. The Progressive ticket follows: H. C. Haggan, J. W. Holbrook, Virgil Wolford, Oscar Patrick, R. G. Barker, and Austin Riddle. Their emblem is the Crescent.

City Tax Books Are Ready For Taxpayers

Tax books for the collection of city taxes are now ready, according to H. L. Roberts, new chief of police, since the resignation of J. J. Caudill last Saturday. The tax books are in the possession of Mr. Roberts who is charged with the collection of taxes. If taxes are paid before November 1st, the property owner is entitled to a liberal discount, says Mr. Roberts, in asking that taxpayers see him promptly to settle for the ensuing year.

Date Of Revival At Baptist Church Is October 22

Error In Date In Published Copy Placed Opening On October Twenty-Ninth. The date for the revival meeting at the Baptist Church was erroneously reported last week, due to the error of the Pastor's copy, and not of the paper. It was stated that the meeting was to begin October 29th, but the date is October 22nd, which is next Sunday. In preparation for this meeting Pastor Kazez is conducting services at the church this week, Tuesday through Friday nights. The evangelist, Dr. S. E. Spring, who is now in a meeting at Burlington, Kentucky, and was recently in the Louisville Evangelists Campaign, will be with the Morehead church through November 5th. The public is cordially invited to all the services. Services will be held at 10:00 a. m. and 7:15 p. m. daily.

Hybrid Corn Yield Shown To Increase

Demonstration On Ed. McBrayer Farm Shows Increase Per Acre. A meeting at a hybrid corn yield demonstration on Ed McBrayer's farm was held on Tuesday, October 17th. Mr. McBrayer had planted a field of 12 acres to a yellow hybrid corn, U. S. No. 13 and planted two rows in this field to a local variety that is widely used in that community. Mr. McBrayer observed that the hybrid stood up much better after wind storms during the growing season. He also believed that the hybrid corn had out yielded the check rows of ordinary corn.

Local Recruiting Station Sends Many To Army

Twenty-Nine Counties Are Sent To Ft. Thomas For Assignment. Not going to war, but joining the army to preserve the peace of America, a number of Morehead and Rowan county boys have gone to swell the ranks of enlisted men in the peace queue asked for by President Franklin D. Roosevelt in his recent "call to arms." Twenty-one Rowan county boys have put their names on the dotted line, have taken their preliminary examinations and have been sent to Fort Thomas where they will be examined and assigned if they make the grade. An Army Recruiting station was opened in Morehead last week, under the supervision of Corporal Robinet of Ft. Thomas. He has in the seven days in which the station has been open in the city hall, examining and accepted twenty one boys. Mr. Landolt expects to be in Richmond until Wednesday evening.

Crippled Eagles To Face Crucial Test

Not because it is a pre-game prediction, but because it is literally true, Coach Ellis Johnson is pessimistic. The Eagles, crippled in body but not in spirit make the trip to Lexington to do battle with the Pioneers of that City Saturday afternoon. The Eagles, with the furious part of their schedule coming in early games, have met and won twice, once at the hands of Murray and again at the hands of West. The Western loss, with a 2-0 score, was probably the greatest defeat Morehead has suffered. In that game they lost the services of Gladon Stanley and Bruce Rawlings. Other casualties were added to the list in the Murray game, with the net result that the Eagles are short almost their entire starting back field, and what started out as the best season of the team has turned into the most dismal. Stanley and Rawlings, two of the outstanding backs, are lost to the Eagles for the season. Hatfield is also out, at least for the Transy game, and probably for the balance of the year with a torn tendon in his right leg. Collins is on the casualty list as is Hays Tate. And to cap the climax Jug Varney is at

Judge D. B. Caudill Dissolves Injunction That Prevented City Council From Extending City Limits

New Territory To Be Added To City At Next Meetings Double Population. The action of Judge D. B. Caudill in dissolving the injunction against the City of Morehead, preventing them from accepting and passing an ordinance taking into the city a large body of territory, has permitted the city council to act on the passage of the ordinance at the next regular meeting of the council which is scheduled for November. The territory to be incorporated in the city limits will add a large section to the city, almost doubling both its population and its history. It includes the section covered by the college stadium, which by the way adds no inhabitants, and on the other side of town takes in that territory from Triplet Creek bank up the Planning Mill road to Route 60, thence to the bridge on Route 60 east of the State Machine house and up the branch to the Flemingsburg, passing under the bridge at that point. It also takes in further territory to the hills back of Morehead, including a large section that has previously been excluded from the city limits. It is estimated that the population increase will be well toward one thousand additional inhabitants, while the territory will be almost doubled.

Number Of Cars In Rowan Almost Doubled In 4 Years

Number Licensed In 1934 Was 620 While 1047 Have Been Licensed This Year. Five years ago there were only 620 automobiles in Rowan County, according to figures furnished by the County Court Clerk's office. These figures are for the close of the year of 1934. Five years, however have seen quite a change in Rowan County, in spite of depressions, recessions and such. For this year the automobile licensed in Rowan county has increased from 620 to 1047, a thousand mark, with two months yet to run. To be exact 1047 cars have been licensed in this county. This is more than three times the numerous cars owned by Rowan county people, but bearing out of county licenses. With two months yet to run, in (Continued On Page Three)

Rev. Landolt To Attend International Convention

Rev. Arthur Landolt will leave next Sunday evening to attend the International Convention of the Disciples of Christ, which is being held at Richmond, Virginia, October 21-24. Mr. Landolt expects to be in Richmond until Wednesday evening.

Freshmen To Meet Marshall Friday; Joe Lat Friday

The Morehead College freshman football team is willing to try anything once, and even to try them a second time. Last Friday they suffered a defeat at the hands of the Marshall College freshman team at Huntington, W. Va. Nothing daunted, they are taking on the same team here this Friday, October 20, in an effort to redeem their standing in the fresh circuit. No wonder they lost last Friday. They are taking it three times, and that's bad in anybody's language. And to finish the day, they lost 13 to nothing.

Marshall Freshmen To Meet Eastern Tomorrow

The Marshall freshmen this year are tough ahead in spite of the fact that they are small in number, totaling only fourteen. However, they will make any team they feel up against know they have played football. The Marshall freshmen will meet the local Freshmen at 2:00 p. m. Friday. Eastern looms on the horizon.

Local Recruiting Office Sends Many To Army

(Continued From Page One) Billie Bays; Audrie Johnson; Chester Ray Frayley; Ora Kepley; Arlie Ray Caudill; Oscar McGlothlin; Burl Atkins; Vergie Atkins; Lester Clay Gregory; E. R.ONEY; William V. Coldiron; Russell Hargis;

Henry Clay Trumbo; Ernest Honaker; Harvey Honaker; Eugene Royce; James E. Myers; James Sturgill; John F. Atkins. The local recruiting station was supposed to close this week, but because there are still a number of vacancies to be filled, the army headquarters have decided to hold this office open for at least one more week. Those who wish to in-

vestigate the opportunities of the army are requested to interview Corporal Robinet at the City Hall in Morehead within the next few days. When the local office is closed, applications will be taken at either Ashland or Lexington.

Since writing the above the following additional men have been accepted for service and have left for Ft. Thomas: Lowell Cline; Howard Ingram; Bascom Tabor; Rufus Brown; Ralph Tabor; and Jeff Hunter.

Circuit Court Adjourns Here On Saturday

(Continued From Page One) for four terms in succession. He was defeated in the race for Circuit Judge by W. E. White of Mt. Sterling, who will assume the bench at the March term.

It also marked the final term of court for Judge D. B. Caudill. Judge Caudill was elected six years ago to the office of Circuit Judge, and has served one term. He was not a candidate for re-election, retiring voluntarily, and plans to resume his law practice at the expiration of his term in January.

Successing as Commonwealth's Attorney, will undoubtedly be J. Sidney Caudel of Bath county.

Robbers Loot Citizens Bank Of \$8,000

(Continued From Page One) needed to burn a hole in the top of the inner vault where the cash was deposited.

First, however, they removed all letter sheets and papers from the outer vault and deposited them in the center of the bank floor.

The hole made in the vault, they simply reached into the compartment and removed the cash. The noise box was not disturbed, although the notes were in bad condition due to the water with which they were soaked.

The Citizens Bank has already purchased a new and modern vault.

said to be the best on the market. While it has been rumored that there might be some local talent involved in the robbery, there is, according to Mr. Lane, cashier of the Citizens Bank, no known foundation for such a rumor. It is thought that the robbers were probably the same gang that a few years ago robbed the County Bank, and the Salt Lick Deposit Bank, as their methods were almost identical in both instances. According to Mr. Lane, the robbers left behind them one five dollar gold piece, one five cent piece and one cent.

Number Of Cars Almost Doubled

(Continued From Page One) which 1939 licenses will be issued, there is little doubt but that the number will be considerably increased as the new car sales are just opening with the 1940 models being placed on the market.

The new 1940 licenses have arrived, but it is not yet being offered for sale. They are white for the new year, with red letters. The County Clerk has a supply on hand but it is not permitted by law to offer them for sale until after December 1, so that any car purchased at this time, must be licensed under the 1939 laws.

Judge D. B. Caudill Dissolves Injunction

(Continued From Page One) they will carry it out at the next Christmas.

Due to the fact that the injunction was not dissolved until the October term of court, the city will lose, according to City Attorney Lester Haggie, the taxes for the year 1940, even though the section is taken into the town immediately. Property, he said, is assessed as of September 1 of each year, and as the new area will not be taken in until November, it will be impossible to collect taxes or to assess them for the present year. Taxes on this section will not be collectable until 1941, said Mr. Haggie, which means that the cost of improvements and extension of city service to this area will be borne by the present city. This will include such expenses as laying gas lines and extending the water system to the new area, as well as extension of lighting facilities.

Many of the residents of the new area are impatiently awaiting the annexation of the area, as they are anxious to obtain the additional services that will come of their incorporation into the city. This is particularly true of the extension of the sewer service, which at present is limited strictly to the metropolitan area.

We even "PEEN" the Springs!

ONE little thing will illustrate the unsurpassing care we're spending to make this 1940 Buick the best car we've ever built.

Take the springs - not simply the great soft-action spirals that cushion the car, but even the valve springs.

After they're shaped and tempered and finished there's likely to be here and there a tiny scratch on the surface of the steel.

Such a scratch conceivably might start a fracture. So we shot-blast our springs - to heal such tiny scratches, "peening" the surface in miniature like hammered silver.

All through this massive, powerful, beautiful car you'll find special precaution like that.

For example, we used to balance by weight all sets of parts in our tornadic Dynaflex straight-eight engine, to cancel out even a hint of "rough".

We do that still, but now we do more. On special machines we electronically balance this great engine to microprecised perfection after assembly, paring metal if need be to smooth its velocity to velvet.

Seat angles, pedal positions, shock absorber travel-are, brake areas, control tensions - every detail comes under special study.

When the experimental models had done their stuff on the General Motors proving ground, we turned 'em over to sharpshooters to punish, over thousands of miles of bad roads and good.

Out of it all comes an automobile we're mighty proud to offer - an unbeatable travelmate you will be thrilled to own.

Come drive it - see how excitingly close steel and rubber and glass can come to being alive!
