### Rev. T. F. Lyons, A Man Of God

On Monday of this week, occurred a momentous event in the life of Rev. T. F. Lyons, pastor of the Church of God, and of great interest to his congression and to the community at large. Rev. Lyons cele-brated his 73rd birthday.

brated his 73rd ourthday. That is not necessarily a long span of life, and we hope for Brother Lyons, as he is affectionately known by every man, woman and child in the community, not a few but many more such days in his useful nd Christian life

We believe in paying our respects to men while they are living and it is our honest belief that Brother Lyons has had on those with whom he has come in contact, both old and young, the most uplifting of influences

We believe that he has been and is one of our most outstanding we believe that he has been and is out of our most child to his ens, honest, loyal to his church, loyal to his friends loyal to his citizens, honest, loyal to his church, loyal to his friends loyal to his neighbors. We believe that his influence for good in this community is of the greatest, and we believe that never, in all his long history of service, has he turned his back on the needy, or failed to effect to those sets fortunate than himself, and do both material and spiritual benefits. And ao, we wish at this time to join with the host of friends, both in and out of his pastorate in extending to him our best and warmest wishes befitting the occasion of the celebration of his seventy-third purthay, and to again wish him many, many more days of the same same future.
