

Christmas Seal Sale To Open Monday Morn

The annual sale of Christmas Seals in Rowan County will begin next Monday, December 4. This year the sale is under the auspices of the Junior members of the Morehead Womens Club with Miss Leola Caudill as chairman. Half of the proceeds of the sale goes to the National Association and is used in the campaign against tuberculosis.

The amount received locally will be used this year as it was last, to furnish milk for the undernourished children at the consolidated school.

The Morehead Womens Club has had charge of the seal sale for several years. Last year, they received sixty five dollars as their part of the sale.

The campaign against tuberculosis, made possible by Christmas Seals, merits the support of all people. President Roosevelt said today in praising the activities of the National Tuberculosis Association.

The 33rd annual Christmas Campaign of the National Association and its nearly two hundred thousand affiliated groups throughout the country starts on December 1. As the Christmas season approaches, my mind is drawn to the fact that it is again time for all of us to give our support to the sale of Christmas Seals." President Roosevelt said.

"This is such a well established custom in the United States that it seems hardly necessary again to call attention of the people to its importance.

"Tuberculosis still menaces the lives of all our citizens and it leads in the cause of death of those between the ages of fifteen and forty years of age.

The fine work that is being done by the National Tuberculosis Association in the prevention of this dreaded disease merits the continued support of all the people of our country.

Epperhart Goes Big In Tobacco Seed Sales

Mr. Epperhart enjoyed a pleasant surprise as well as a gratifying one. The seed proved to be the best, according to the tests made by the Kentucky Experiment Station, of any seed that has been submitted to them for testing and certifying. Its germination test and the weight were both exceptionally good.

There are in the state of Kentucky only a small number of growers who are listed as selling certified tobacco seed. Mr. Epperhart is one of these. And since he has been with every test of the experiment station, he should receive a large patronage from his neighbors in other counties as well.

McBrayer To Open Furniture Store In New Building

Modern Building To Be Occupied By Complete Line Of Home Furnishings

The new building being completed by E. E. Maggard on Main St., next door to the Peoples Bank, will be ready for occupancy by December 5, according to Mr. Maggard.

The store from which will be the largest and best in the city will be occupied by the McBrayer Furniture Company, operated by Earl McBrayer. Mr. McBrayer expects to be in his new location by December 10, in time to take care of the Christmas season.

He intends to carry a complete line of furniture and to enlarge his furniture line until it is second to none in this section of Kentucky. For the time being at least the Dry Goods Store and men's furnishings store will continue at their present location on Fairbanks street.

Thanksgiving

Thanksgiving is a truly American Holiday. No other country on the face of the globe has anything like it. No other country devotes a day a year to an idea as purely ethical and spiritual as our national Turkey Day. True, many countries and many religions do have a day set aside to celebrate the harvest of the crops. None, however, spend that day in a mood of national thankfulness. Rather, it is spent in an air of triumph at having completed another year's work. We, here in the United States, have much to be thankful for, but nothing exceeds the gratitude we ought to have for a land which can yearly celebrate in reverent mood, an abstract idea. Let others who exalted at military victories. We are keyed to more human, to finer things.

Three Morehead Men On A. P. All-State

Sunday is the day that All-State teams of various and sundry kinds are announced. The News has a list of three Morehead men who are on the 1939 Eagles will probably be associated Press team.

Maybe were wrong, but a little bird whispers that three of the 1939 Eagles will probably represent the team on the A. P. All-State. Maybe we're wrong, but what if it were possible that Hargis, Vatcher and Adams will receive some All State honors.

Now, what's your guess?

Darb Turner In Rowan Jail For Safe Keeping

Elliott County Man Accused Of Raping Daughter In Danger Of Mob

Darb Turner of Elliott county was brought to the Rowan county jail and turned over to Rowan county authorities for safe keeping until the March term of the Elliott Circuit Court, on Friday of last week. Turner was charged with attempted rape of his 14 year old daughter, Myrtle Turner, and with the rape of another daughter, Clefie Turner, variously reported to be from 3 years to 12 years of age.

Turner was given an examining hearing before Judge Harold Adkins, presiding, and was bound over to the Grand Jury of the March term of Circuit Court, a bond of \$2,000 on each charge, a total bond of \$4,000, which he was unable to make.

Feeling in Elliott county was said to have run high, and the fear of mob violence as well as the inability of the Elliott county jail, led the authorities to remove Turner to this county.

Turner is said to be an executive, with a criminal record.

Girl Scouts Collect Broken Toys For Christmas Gifts

Will Repair And Refinish Them For Distribution Among Needy Children

Eagles To Open Season At Manchester, Ohio

"Watch Charles Higgenbotham on the Eagles varsity this year."

Not that we are picking Higgenbotham above the entire Eagle squad, to shine but, just because, from early season, so it will be given evidence of having a great season this year.

The Eagles are rounding into shape for their opener against Holbrook College of Manchester, Ohio on Tuesday night next week. The Holbrook opener has for the past several years, been the criterion for the Morehead team. The game Tuesday night will be played at Manchester, with a return game here later in the season. Incidentally, Holbrook will match John Wiggers, giant Morehead center, almost inch for inch, and will be a real test.

The Holbrook center is 6 feet 9 inches, while Wiggers there are a lot of 11 inches. There is a more of leg and arm strength in that combination, and it will be interesting to watch, to say the least.

On Wednesday night, the Eagles will have their season opener against Wilmington, Ohio. Wilmington is said to have one of the strongest teams the Eagles will meet. They lost but one man from their last year squad and last year they defeated the Eagles game about, taking the game at Wilmington by 7 points, and losing to the Eagles here 34-35.

The Eagles will be handicapped by lack of practice, the holidays breaking into their schedule practice sessions.

The entire squad is showing up well in practices, and with eight letter men reporting for action, Coach Johnson is rather encouraged over the prospects for a successful season. Steiner is out for practice, but is not expected to see action until after the Christmas holidays, due to a broken leg, which has not yet entirely healed. Grant, is not yet reporting for practice, as he is still nursing an injury suffered in football. He also will probably be out of the lineup until after the Christmas holidays. Otherwise the squad is in good condition.

Those who are expected to see action next week are Tallent, Higgenbotham, Wiggers, Walker, Barr, Williamson, Mussen, Dumford, Barnes and Aster Collins.

The schedule for the season is practically complete, although the proposed game with Central Teachers of Michigan is not definitely closed. It played it will take place before the Christmas holidays.

Red Cross Membership Drive Expected To Pass Quota Before Close, As Workers Double Efforts

Area Supervisor Meets With Volunteers Sunday To Encourage Quotas

With the Red Cross membership drive well under way, workers in Rowan county are confident that the quota set for this county will be reached by the closing date of the drive, and probably exceeded. He expressed himself as well pleased with the work that had been done in making the Roll Call a success. He added that he would be glad to cooperate with the directors of the local chapter in any way possible, to insure its continued success.

MOREHEAD SCHOOL NEWS

The tenth grade room is coming along nicely with the girls in one division and the boys in another. Even though we are divided into groups we are all working together toward an aim in life, which will require an education for the majority of us.

We have selected our favorite flower which is the rose (all color). Mrs. Ellington went to Ashland, last Monday on business. Mrs. Johnson was in getting along nicely in composing notes. She composed our home room motto.

The 11th grade presented a play, "The Children of the Chapel Program" Friday, November 17th. The scene was a classroom. Pupils were such as Bob Burns, Elmer Burk and Percy Van Seyler as depicted by members of the eleventh grade. If you can imagine Bob Burns at the age of six and the havoc he could create in a class room then you realize the hilarity of the program.

The 11th grade presents a program every six weeks and their Chapel Committee has already started planning their next program.

The Junior cheer leaders are Anna Catherine White, James Hall and Olive Brown. They are on the job and added their bit in helping the Juniors to win. If they keep this up we are sure the Junior team will go through the season as winners.

The perfect attendance for the eighth grade for the year is as follows: Patsy Black, Olive Brown, Earl Christian, James Hall, Lou McBrayer, and Katherine Seppant.

Third grade perfect attendance: Ernest Black, Billie Brown, Bobby Glickerson, Herbie Haines, Clifford Harmon, Ray Johnson, James Johnson, James Maxwell, Coleman Wages, Faith Craycraft, Joyce Creason, Minnie Day, Aileen Petty, Ruby Hall, Julia Hall, Billie Hillman, Peggy Kissinger, Christine Littleton, Myrtle Prince, Janet Rice, and Lucille Tackett.

KENTUCKY FARMERS INSURE WHEAT CROP

Paid-up applications for wheat crop insurance on the 1940 wheat crop have been completed by 908 farmers in 60 Kentucky counties. O. M. Farrington, state executive officer of the Agricultural Adjustment Administration, has announced.

According to estimated yields, these 908 farmers have assured themselves of at least 159,990 bushels of wheat from their 1940 harvest on 15,888 acres of land. For this protection the growers have paid

premiums amounting to 10,320 bushels of wheat. Premiums paid for from the deposit by the Federal Crop Insurance Corporation in a special insurance reserve of actual wheat in storage.

Days ending 31st all farmers in the state in analysis of applications, average and guaranteed production of 17,830 bushels were received from 83 growers in this county. These growers paid a premium equal to 1,751 bushels of wheat for insurance covering 1,922 acres.

Under the terms of the policy, the wheat crop is limited against anything except a loss caused by the farmer's own carelessness.

WIDEN TOBACCO BEES RECOMMENDED

To plant only two bees per acre is recommended in a particular section with the exception of late model. Distributed by the University of Kentucky, College of Agriculture. Here are some of the advantages of narrow plank beds:

1. As rows are produced perfectly straight.

2. The necessity of transplanting is avoided.

3. The necessity of weeding or pulling plants.

4. Narrow beds are easier to weed and water.

5. Treatments of any kind are more easily applied in narrow beds.

6. The control of tobacco mosaic or wilt is easier to accomplish in narrow beds.

7. Cloth to make covers of the proper width can be purchased, avoiding the necessity of sewing covers together.

8. Tight fitting of covers can be accomplished more easily on narrow beds, which results in less damage from tobacco flea beetles.

THANKSGIVING

It is long years since the first Thanksgiving Day was held by the Pilgrim Fathers. Then as now, there was much for which to be thankful.

There is much that we today overlook; there is so much for which we should be truly grateful, that is just that we should bow our heads in mute thanksgiving to the Powers that be.

Let us then be truly thankful for all our blessings.
