

Plans For Conduct Of Annual Rowan County Spelling Bee Completed At Recent Meeting

Contest Will Feature Both Written And Oral Tests; Many Prizes To Be Offered To Contestants; Many Expected To Participate In Contest

The Rowan County Spelling Bee will be held Friday, January 12th, in the Gymnasium at the Morehead High School. The written spelling contest will be at 10:00 o'clock. The oral contest will usually be in charge of a committee which has done good work. The first prize will be a cash award of \$10.00 and all expenses paid to the State Spelling Bee at Louisville. Second prize will be a new \$5.00 bill and the third prize \$3.00. There will be a combination pen and pencil set given to each child that comes to participate in the contest.

The children who take part in the spelling, both oral and written will be given a free luncheon at the College Cafeteria at the expense of the local Business and Professional Men's Association and sponsored by Golda Dillon Blank. These children will tour the campus while here viewing things of interest such as the Science Building, Swimming Pool, Training School Library and Cafeteria.

The committee for the Bee is Golda Dillon Blank, chairman, Ellen Jenkins, Grace Coombs, Helen Pennington, Amy Irene Moore. The members of the Merchants Club to work with the Committee are: Hill Lane, E. Landolt, Mrs. H. C. Haggan, Bill Lane.

There will be an Art Exhibit from each school on exhibit at the gym and prizes will be awarded.

Gas Situation Remains Unchanged Over Week

The gas situation in Morehead is still bad, according to the users, and has shown no great improvement, although, with a large number of citizens back to their cars and heaters, the load has been considerably lightened in the past few days. Mr. Eyle, local manager for the gas company, has been working night and day to improve the situation, and in fact been carrying the load of several men, in his efforts. The booster arrived on Monday of this week, and is expected to do materially in improving the situation. The continued cold weather is of course in a large measure responsible for the shortage, or lack of gas. Large users use more, as well as small users, with the result that the supply under the existing condition has been exceeded by the demand. Mr. Eyle says that there is ample gas to supply every demand, even with the heavy load of the present time. He confidently expects to have things back to normal in a few days, and asks the cooperation of the citizens until that time arrives. The citizens are naturally willing to cooperate, but they are equally anxious to have their homes and business places warm.

Taxpayers, Attention

Every taxpayer is Rowan County is vitally interested in the proposed Bond Issue that is being discussed in Rowan county. This means an added burden of taxation to the already heavy load being carried by the Taxpayers of this county. On Friday night of this week a Taxpayers meeting of the newly organized Taxpayers League of Rowan County will be held in the office of County Judge I. E. Peiffer. The meeting is called for 7:00 P. M. and will be presided over by Judge D. B. Caudill, chairman of the League. Every Taxpayer, interested in the welfare of the county, and in their own welfare, is urged to be present. The proposed bond issue will be discussed at this meeting and plans worked out to investigate the need for the issue and the value to the county. This meeting is open to every Taxpayer. There are no dues and no obligations. You Mr. Taxpayer, are particularly invited to be present. TAXPAYERS LEAGUE OF ROWAN COUNTY.

Recreation Center Expresses Thanks To Those Who Helped

Gratitude To Those Who Contributed Books, Magazines To Work Center
The participants of activities supervised at the Community Recreation Center on Second Street wish to take this opportunity to thank those people who have contributed books and magazines toward the founding of a community library. The Center has one room that is used for reading, books and magazines are available between the hours of 9:30 a. m. and 8:30 p. m. They may also be checked out. Mr. C. O. Peratt, Miss Inez Falt Humphrey, Miss Juanita Minish and Mrs. Homer Wilson have been very kind and donated literature and Mr. E. C. Over and Mrs. Steve Caudill have made possible many happy hours for the younger children by saving the Sunday "funnies". Mr. Peratt and Mrs. Over have also contributed Funny Books and Games to the Center.

Church Of God Revival Still In Progress

The revival at the Church of God is still in progress. Rev. Anderson: Jones of Irvin, Ky., will preach each evening at 7:00 o'clock. Rev. Jones is the son of Mr. and Mrs. Green Jones and was reared to manhood in this county. He has been in evangelistic work several years and the past few years has been pastor of the church.

Eagles Raise Hopes Of Fans With 48-43 Win

Cedarville Victims Of Fighting Ties As Johnson Hopes For Winner Soon
With the Christmas holidays under their belts several weeks into the basketball season reaching the arduous stage, the Eagles of Morehead State Teachers College, while still not in full stride, came up with a win against Cedarville College of Cedarville, Ohio last Monday night that smoothed at least a few of the weary wrinkles from the brow of Coach Ellis Johnson. Not that Johnson was satisfied, you understand, with the play of his team. Far be it from that. However, when he saw the 48-43 score and the cheering Eagles had won, he did manage a well concealed grin.

Carr-Caudill Return From Extended Business Trip

O. P. Carr and Arthur Caudill returned Friday from a ten day's trip through Tennessee, Alabama, Georgia, Alabama and Florida on business pertaining to their lumber business. They looked over big lumber mills in the states visited and bought some new machinery for the Carr-Caudill Lumber Co.

Peoples Bank Closes 33rd. Year With Fine Record

Best Statements They Have Ever Published As They Bring Year To Close
Closing their thirty-third year in business, the Peoples Bank of Morehead, whose semi-annual statement appears in this issue of the County News, has every right to be proud of their growth during that period, of their new and commodious bank building and quarters, and of the best statement they have ever shown. The Peoples Bank is one of the strongest financial institutions in this section of Kentucky, with a capital and surplus of over \$84,000. Their cash assets, as shown in their statement are over \$237,000. The Bank opened for business in January 1907, and has shown continued growth since that time. Two years ago they built and moved into their present building on Main Street, in better accommodations their customers. They now have one of the most modern bank buildings in the state, and one that is a credit to much larger communities than Morehead.

Kroger Grocery To Open Store In Morehead

New And Complete Grocery Store To Be Ready Friday Morning Of This Week
On Friday morning of this week the new Kroger Grocery will open in its new location in the Caskey Building. The new store complete in every detail, with entirely new equipment and fixtures, is being managed, direct from the manufacturer, is under the personal management of Mr. Ted Cummings, former Flemingburg, where he has been assistant manager of the Kroger Grocery in that city. Mr. Cummings, who is married and has one child, will move to Morehead and plans on making this city his future home. Mr. Claude Jackson, district manager for Kroger, was in Morehead on Wednesday of this week completing arrangements for the opening of the Morehead store. He stated that, they planned on employing all local help, as far as possible, and of becoming a direct part of this community. Mr. Jackson said that they would carry a complete line of fresh and dried meats and fresh vegetables, on which they would receive daily delivery. Kroger's opening announcement appears on page two of this issue.

Haldeman Wins Third From Olive Hill In Brilliant Battle

Three Wins Out Of Four Games Gives Leopards Best Record In Years

The Haldeman Leopards, have not changed their spots so much in the past few years. Most citizens of Rowan county remember the days of a few years ago, when the Leopards were making basket-ball history for this section, with wining teams. Apparently that day is about to repeat itself. The Leopards, 1939 edition are getting off to a good start to produce another winning season, after a few that were not so hot. They have already won three of their four games against some mighty strong opposition. Friday night they continued their winning streak at the expense of the Olive Hill Commodores, a good team of this section. The Leopards got away to a flying start, taking the lead early in the first quarter, and never relinquishing it. Carley led the scoring drive for Olive Hill with 12 points, while Billon topped for Haldeman with 9 points. The majority of the Haldeman quintet was outstanding.

Miss Hayes Wins Better Position

Miss Golda Hayes, former chief operator of the local telephone Co., has been transferred to Charleston, W. Va., and left Sunday to assume her duties at the Postal Telegraph Company at that place. Miss Hayes has been connected with the Postal Telegraph Co. since last fall and has been located in Charleston and this is a decided advancement for her.

Ruth Craycraft Wins Praise With Safety Slogan

Letter From NYA Headquarters Gives Local Girl Praise For Her Slogan
Miss Ruth Craycraft of the local NYA. A. has received a letter from State N. Y. A. headquarters in Louisville commending her for the Safety Slogan she submitted in the Statewide contest held recently under NYA. A. supervision. Miss Craycraft was notified of her success in the following letter:

Burglars Try To Break Safe At College

Brazen Attempt To Burglarize Safe In Business Office Foiled By Inexperience
On Wednesday night of last week the business office at the Morehead State Teachers College was broken into and an attempt made to burglarize the safe. The attempt was evidently made by an amateur in crime, as he used only the implements that came to hand, among them a student paddle and a piece of concrete. The attempt at crime was discovered the following morning. The would-be robber had removed the glass from the door and had crawled through the hole thus made. He had carefully set the glass down beside the door, and according to reports had taken no care to remove his finger prints, with which the glass was obviously covered. He had then set to work to open the safe. He had pried on the handle and had removed one bolt in the hinges. The safe was unlocked and the safe giving up in despair, he departed, leaving his instruments to explain his failure. Entry to the building had been made through one of the first floor class room windows. No investigation was made, and no attempt to discover the person responsible. It was said that there were too many finger prints on both the door and the safe to distinguish the right one. We wonder if the person who in the past at the college have also been hounded, notably the theft of two sacks of sugar from the cafeteria and a number of typewriters.

President's Birthday To Be Celebrated Here

The National Foundation for Infantile Paralysis exists for the purpose of leading, directing and uniting the efforts of every phase of Infantile Paralysis throughout the country on both a local and national basis. A period of ninety days was granted by motion of the Fiscal Court, Tuesday, January 2nd, a resolution presented by the newly organized Taxpayers League of Rowan County for a period of grace, in which the league might investigate the need for the proposed bond issue that has been discussed freely in the Rowan County News for the past two weeks. An aroused group of Taxpayers met in the office of County Judge I. E. Peiffer Tuesday morning, for the purpose of discussing means of presenting the case of the taxpayers to the Fiscal Court and of preventing the issuance of the proposed bonds. These taxpayers immediately organized themselves into the Taxpayers League of Rowan County, drew up a set of resolutions for presentation to the Fiscal Court for their first response. The following resolution was adopted: RESOLVED: That, we, the Taxpayers League of Rowan County, do hereby request that the Fiscal Court of Rowan County, Ky., to defer action on the Bond Refunding question, now before the Court until this organization can act and make recommendations on this matter to the Court.

An additional resolution was made and approved that the League hold its first response Friday night at the office of County Judge in the Court House at Morehead on Friday night of this week, January 11, at 7:00 p. m. C. B. Daugherty, secretary and N. L. Wells, treasurer.

### NEW IMPROVED MOTOR-FUEL ANNOUNCED BY STANDARD OIL COMPANY

Standard Oil stations and dealers are today offering their customers the new, improved Crown Gasoline—a popular priced gasoline that meets specifications for premium anti-knock performance.

Road tests have proved that this new gasoline gives motorists quicker starting, faster pickup, smoother operation, more mileage, and a new high in knockless power. It also contains a unique solvent action, which helps to reduce the tendency of carbon formation.

Today's purchasers of popular price gasoline demand the performance heretofore obtainable only in premium grade at premium price and the development of this new, improved gasoline was to meet this demand.

On Sunday, January 14th, there will be a celebration of the Holy Communion according to the rite of the Episcopal Church in the morning. The celebrant will be the Reverend F. C. Lightbourn, S. T. D., Priest-in-charge of the Church of the Ascension, Mt. Sterling, Ky.

### URGES CHICKEN RANGE ROTATION

A four year rotation range plan for poultry, circular 265, "Poultry Range and Sanitation" is especially important, declares W. E. Hull, the author, that growing chickens should not be given ground that has been used for any kind of poultry during the past two years. All the work of keeping a brooder house clean is lost by placing the chickens on range that is infested eggs. The best plan is to provide four ranges, at least 100 yards apart, a different one to be used each year.

In a small kitchen a central electric light is usually satisfactory. A long narrow kitchen may have two main fixtures, in order to have proper light. Poor lighting may cause fatigue and strain.

### Stay On Your Own Side Of Road, Avoid Accidents

Safe drivers observe all road signs and drive on their own side of the highway. A. E. Mittelendorf, Vice President of the Cincinnati Automobile Club and Director of the American Automobile Association, told Trustees of the Cincinnati Automobile Club in urging that motorists show more respect for road signs and for each other.

"Any man or woman walking along a sidewalk or roadway remains on the right side if they pass each other on the right side—and they are courteous about it. To many automobile drivers hug the center of the road, refusing to budge an inch to permit anyone to pass and when a motorist becomes infuriated with the treatment and tries to pass he might wind up in a ditch. The operators of truck fleets and buses have taught road courtesy to their drivers . . . but the individual automobile driver too often is a road hog."

Today, the Cincinnati Automobile Club with approximately 10,000 members, is the largest civic organization in the Ohio Valley, serving members in Northern Kentucky, Eastern Indiana and Southern Ohio. These divisions are self-governing, having their own officers, advisory board, important committees and have direct representation on the Board of Directors of the Cincinnati Automobile Club. Motorists may join the automobile club in the division in which they live. Vice President Mittelendorf stated, urging all thoughtful automobile owners to join the club for its cooperative effort in road service, anti-tax legislation, highway safety, and other services for the betterment of the motorist.

**New Year. New Leaf.**

**Why Not New Car?**

THE slate's clean, the past is past, you're making a new beginning on a new year you hope will be happier and finer and richer — how about doing the job up right?

You spot the fun possibilities in this brilliant and buoyant Buick just by watching it flash by, but have you been in to try it?

Do you know what it's like — first hand, we mean — to have a hundred-plus Dynaflex horsepower waiting your treadle-foot's nudge? Have you sampled the thrill in such an engine micro-poise-balanced to smoothness a wrist watch can't hope to equal?

Today's winter-roughened

roads give you swell chance to try out Buick Springing's genteel ride — raw weather emphasizes the stout strength of Unisteel Bodies by Fisher and the convenience of the Flash-Way Direction Signal.

Now's when you most need firm new rubber — sure, soft, tiptoe brakes — Buick's automatic choke — stout, taut frames and sprung bodies, and why wait for riding to buy beauty that gives your spirits a lift?

Then too, driving speeds are naturally lower now and driving distances shorter, making this the best time of all to get a car properly started in life.

So figure it out! It's a new year. You've turned a new leaf. Ask your Buick dealer what a new Buick will cost you now — and let every month of 1940 contribute to a happy new year!

# Infantile Paralysis Fight Is On

Four times as many cases of infantile paralysis were reported during the summer of 1939 as there were during the same period of the preceding year, it was announced by Basil O'Connor, president of the National Foundation for Infantile Paralysis, New York.

Nearly 7,000 cases were reported during the first 47 weeks of the year, as against 1700 for the whole country in 1938.

At the same time, the National Foundation's annual report showed that 44 grants totalling \$163,972 were made in 1938 and 1939 to universities, hospitals, and other institutions in 21 states to combat the disease.

While more than \$130,000 of this went for research to "trap" the virus responsible for the disease, there also were grants for experiments with treatment amounting to \$284,800 besides aid in a major epidemic.

South Carolina received special aid in the South, on account of the epidemic during the early summer

The state was granted \$7,650, which was matched from the Social Security program of the Federal government. The funds, totaling \$15,300, were used to employ five orthopedic nursing consultants and two physiotherapy technicians, besides paying fees of examining surgeons and podiatrists, hospitalization of approximately 100 children for 30 days, and convalescent and foster home care of approximately 22 children. Orthopedic appliances were furnished in some instances.

A research grant of \$5,000 also was made to the Shriners' Hospital for Crippled Children at Greenville, S. C.

The purpose of the grant, as explained in the report is: "To conduct research on the effect of poliomyelitis on the length of legs and the treatment of leg-length discrepancies; to study the equalization of leg-length discrepancies; to investigate disturbances of bone growth in an effort to determine the early and late effects on such

growth following poliomyelitis."

Negroes in the South were the recipients of a grant of \$16,450, made to Tuskegee Institute in Alabama. The purpose is given as: "For construction, equipment, and maintenance for one year of a 30-bed unit for the care and after-care of Negro orthopedic cases. Further, Tuskegee will serve as a center for the training of Negro physicians, nurses, and physical therapists in orthopedic work and will disseminate educational information to all Negro doctors with respect to early diagnosis and after-care and treatment of orthopedic cases."

Funds expended by the National Foundation are raised annually through voluntary contributions made through the Committee for the Celebration of the President's Birthday. The campaign is now in progress and will continue through January 30, birthday of President Roosevelt. Organizations are being set up in each county of every state. Included in the drive will be

various parties, celebrating the President's birthday, a March of Dimes, a March of Sport, and birth-day greeting cards, to the President, with dimes attached.

Half of all funds collected go to the National Foundation and half to local chapters in each county. Last year's drive netted \$1,327,173, of which \$600,000 went to the National Foundation and \$727,173 to the counties. An additional \$30,000 from the Will Rogers Memorial Commission also was left with the counties.

Similar dinners will be held in Christian Churches throughout the world. The event at the Morehead church will consist of a pot-luck dinner, and a program of missionary content. It is expected that the group will be able to listen to a state-wide broadcast of a radio program consisting of an address by the President of the United Christian Missionary Society, Dr. Robert M. Hopkins.

**Eagles Raise The Hopes Of Fans**  
(Continued From Page One)  
Kavanaugh executed some brilliant ploy shots.  
Final score Morehead 48; Cedarville 23.

The Eagles play Eastern at Richmond Wednesday night. Eastern has what appears to be a stout team this season. They have taken the measure of Kentucky Wesleyan, 70 to 36. They defeated Louisville 52 to 27. Their best Michigan Central 24 to 20 one night and the next night Michigan Central took the Eagles 40 to 27. Taking that for what it is worth, Eastern appears to have a decided edge over the Eagles, judged by the record only play. That edge may have been whittled down since that time. This much is assured, when the Eagles meet Eastern, fan will fly and the hope is often upset. And this is one time when an upset of the hope will be all in the Eagles favor.  
Thursday Centre College comes to Morehead for a bout, so the local fans will get in on at least one college game this week.  
Incidentally here's news of interest to local fans. Unk Gant, who has been out the entire season so far, with an injured knee, is working out in scrimmages and may get into the lineup this week. Don't count on it, but hope.

**East Kentucky Hatchery Opens Here**  
(Continued From Page One)  
and poultrymen of this section to realize greater profits out of the poultry, and to advise them as to the most economical and convenient way to start their chicks and care for them throughout the growing period. It is their aim to help the growers to treat, prevent and control the dreaded poultry disease. The management cordially invites every citizen of the county, and particularly those interested in the poultry industry, to visit them and assures that all the cooperation possible to help make the coming season one of the most profitable in your experience with paly chicks.  
The plant being installed will have a capacity at the outset of 20,000 chicks. The first settings will be made this week, and within a three week period, will be well worth visiting.

**Caudill Heads Group Objecting To Bond Sale**  
(Continued From Page One)  
The bond issue was not in federal court on an appeal and that of the county apparently had a good chance to win the case, they could see no reason for the mad rush to sell the bonds and thus register an issue about which there was at present a question, and that in a period of forty years ninety days was so short a period that it would not be noticed.  
Members of the Fiscal Court agreed readily to the plan and voted unanimously to grant the delay of ninety days so that the Taxpayers League might carry on an investigation of their own and submit recommendations at the end of that period.  
The Rowan County News has had a large part in bringing this matter of the bond issue to the attention of the Taxpayers. In collaboration with Judge Peffrey, the apparent injustice of the proposed issue was brought to their attention by an article appearing in the columns of this paper several weeks ago. Since that time other articles have driven it even more forcibly home, until this week the aroused taxpayers have taken up the task of defending their own interests.  
Contrarily an article appearing in the Morehead Independent, highly endorsed the proposed bond issue following the first action of the Fiscal Court and commending the plan as a panacea for all the ills of the county.  
Thus the Rowan County News has again taken the lead in the interest of the public and of the citizens of Rowan County.
