"ONE OF KENTUCKY'S GREATER WEEKLIES"

VOLUME VIII

MOREHEAD, KENTUCKY, THURSDAY MORNING, OCTOBER 9, 1941

NUMBER FORTY-ONE

Anyone who says that there are better people on the face of the earth than we "Hillbilly" Kentuckians are liars. There are good people all over the world and we do not claim to be any better than some of them, but when it comes to beating our love for our fellow man we take off our hat to no one. A good example I think is one I met in one of our papers. A Republican giving a Democrat an appointment. Judge Peirce if you had not given "Dick" your best appointment, I don't think I would have spoken to you again. You and "Dick" worked side by side for a number of years. "Dick" a Democrat. The only thing I ever heard him say about you was "I wish a Dog-gone Good fellow you were." You judge, that you stated in your appointment that "all proceeds collected from this office will go directly to 'Dick's' widow and two children." I want to also thank all you people who contributed to the fund when you saw the story. Keep in touch with me, "Jaks" and the help of all the good folks who are helping me get you through. The Fair is over, see you through.

## Amendment Issue Is Vital To All Rowan Counties

Amendment No. 1, that is to be voted on at the coming general election is an issue of vital concern to every voter in Rowan County. This is an opportunity that the voters in the poorer counties in Kentucky seldom have. If this Amendment is passed it will mean better schools for the children of Rowan County without any additional taxation. The Chairman of both political parties, both local papers, the President of the Morehead State Teachers College, the Rowan County Board of Education have all wholeheartedly endorsed this Amendment. It is one issue in the coming election where we all meet on a common ground and fight for the interests of our children.

## Jim Clay Named To Fill Vacancy Made By Son's Passing

County Judge, I. E. Peirce Wednesday appointed James Clay, local attorney, to complete the unexpired term of Richard M. Clay, recently deceased County Attorney. Mr. Clay is the father of the deceased officer and had stated that he would be glad to accept the position which is for the period ending January 1, 1942, and that he would turn over the proceeds of the office for this period to the widow and children of his son. Judge Peirce, in expressing his appreciation for the services of "Dick" Clay, said that he felt that the position of the office for this unexpired term should be filled by the father of the deceased officer.

## Naval Aviation Recruiter To Be Here, October 16, 17

Clarence Nickell, Adjutant of Post 126, of the American Legion, received a Communication from Lieutenant Commander K. H. Huffman, this week, in regard to recruiting men for the Naval Aviation Cadet program. Mr. Huffman will be in Morehead on October 16th and 17th, to procure recruits for Naval Aviation. While here he will make his headquarters at the administration building of Morehead State Teachers College. Mr. Nickell stated that anyone who is interested in meeting Commander Huffman while he is in Morehead, may secure information either from Mr. Nickell or any Legionnaire.

## Pie Supper To Be Held At Haldeman

The Haldeman Consolidated School is sponsoring a pie supper to be held Friday night, October 10, at seven o'clock in the school building. There will be special music by "Little Jake." Other features of the evening's program will be a "biggest man" contest, "prettiest girl" contest, a cake walk and a "guess pie" contest. Everyone is invited to attend this big social event. Come and bring a pie!

Judd Addresses Flemingsburg Lion's Club  
Dr. R. D. Judd, head of the Education Department at Morehead State Teachers College, was the guest speaker, October 2nd, at a dinner meeting of the Flemingsburg Lion's Club. He chose as his subject, "Inside Dope On Baseball."

## Elijah M. Hogge Named Candidate For Co. Attorney

Given Nomination Left Vacant By Dick Clay's Death

Elijah Monroe Hogge was selected by the Rowan County Democratic Executive Committee, at a meeting held Monday afternoon, October 6th, to become a candidate for the office of County Attorney of Rowan County. A vacancy in the nomination to that office was made by the untimely death of Richard M. Clay, incumbent nominee. Mr. Hogge was awarded the nomination after having voiced the opinion that some older member of the bar deserved the position. However, all those persons whom Mr. Hogge recommended for the position declined to accept the nomination.

## Will Serve Unexpired Term Of Richard M. Clay, As County Attorney

County Judge, I. E. Peirce Wednesday appointed James Clay, local attorney, to complete the unexpired term of Richard M. Clay, recently deceased County Attorney. ## Resolution

The Executive Committee of the Democratic party of Rowan County met in the courthouse in Morehead, Kentucky, on Monday, October 6, 1941 and by a unanimous vote passed the following resolutions: WHEREAS, God in his infinite wisdom has seen fit to remove from our midst the late, Honorable Richard M. Clay, a young man of sterling qualities who has served the people of Rowan County well during the three years and over that he has occupied the high office of Rowan County Attorney of the General Election in 1937 and 1940; and WHEREAS, Richard M. Clay during the term of office served his people well and demonstrated conclusively his ability, efficiency, honesty and dignity to such an extent that his record while in office deserves the commendation and praise of all; and WHEREAS, Rowan County as a whole and this Committee, in particular, regret extremely the sad and untimely death of the young and capable official, and desires to express to the bereaved family, his deep and heartfelt sympathy and condolence.

## Meetings Of Rural Carpenters To Be Held, October 17

A meeting of rural carpenters is to be held at Morehead on Friday, October 17, with Jesse B. Brooks, Extension Agricultural Engineer from the Farm Engineering Department, College of Agriculture. This meeting is mainly for the purpose of acquainting rural carpenters with the services offered by the College of Agriculture. These services are mainly related to the building of farm buildings. The cost of farm buildings is increased and generally the cost of constructing a building along poor plans is as great or even greater than when improved plans are used. All local carpenters are invited to attend the meeting which will begin at 9:30 a. m. A place for the meeting will be arranged later.

## Officials Report Huge Attendance At School Fair

The Rowan County School and Agricultural Fair which was held Friday and Saturday, October 3rd and 4th, was a huge success, according to Fair officials. Attendance at the two day session was the largest in the history of the fair. More money was awarded to school children, farmers, and homemakers than had been given heretofore, and the parade was even larger than last year, when it was estimated that over five thousand children participated in the event. The following listed prize winners placed first, second, and third in the Rowan County School and Agricultural Fair, held here October 3rd and 4th: BEST SCHOOL FLOAT, Boys' Bicycle Race, Best P.T.A. Float, Best Business Float, Best School Banner, Best Amateur Show, Best First Prize, Little Brushy second prize, Pine Grove and third prize, Holly AMATEUR HOUR, First prize, J. C. Black second prize, Bill McClain and daughter, Joyce, and third prize, the two Carter girls.

## Board Of Education Endorses Current Amendment Issue

At a meeting of the Rowan County Board of Education held October 7, 1941, the following resolution was adopted: (RESOLVED) that the Rowan County Board of Education, after having studied the proposed amendment to be voted on at the coming November election, has decided that the Rowan County Schools will receive great benefit without any additional local tax burden imposed on the people of this county, also feeling that if said amendment is passed that the Rowan County School System can be greatly improved by financial assistance from money coming from state-wide revenue.

## Two Grayson Girls Get Equal Share Of Benevolence

Mr. R. M. Bagby of Grayson, Kentucky, gave a \$200.00 scholarship at Morehead State Teachers College for the student making the highest scholastic standing at Prichard High School in Grayson. The committee composed of the principal, teachers and citizens of the town, found upon investigation that Miss Lela and Blanche Stamper were rivals for the honor. After examining the girls' files, it was decided that the fund would be divided equally between the two girls.

## Hinton Murder Case Results In Hung Jury

The case of Ed Hinton, 53, charged with the slaying of Fred Hinton, 23, both of Fleming county, resulted in a hung jury late this afternoon, Thursday. Hinton entered a plea of self defense. He was accused of the knife slaying of young Hinton in an altercation on the Rowan-Fleming county line last March. Special Judge Francis M. Burke, of Pikeville, Kentucky, presided over the court, in the absence of Circuit Judge W. B. Bridges, who is ill. Several other minor cases were disposed of this week, when the court was faced with the lightest docket of the year so far.

## DEFENSE BOND Quiz

Q. Has the government set a quota to be raised thru the sales of Defense Savings Bonds?

A. No; there is no quota and no time limit. The Defense Savings Program is to be a continuing effort, and both Defense Bonds and Stamps should be purchased steadily and regularly.

Q. Why were the Nation's retail stores asked to sell Defense Savings Stamps?

A. American retailers were not asked—they volunteered through their national organizations to undertake the sale of Defense Savings Stamps on a vast scale.

NOTE.—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at most retail stores.

## THIS WEEK IN DEFENSE

Lend-Lease Expediter Harriman and Lord Beaverbrook, heads of the United States and British missions to Moscow, announced in a joint statement the United States and Great Britain have decided to place at the disposal of the Soviet Government practically every equipment for which the Soviet military and civil authorities have asked. The President told his press conference his rule of 40-50 per cent of war material production between this country and anti-Axis powers is still in effect on the average.

Agriculture Secretary Wickard, speaking in Memphis, Tennessee, said this country has shipped or bought for England about half a billion dollars worth of food, and within the next year we expect to buy at least another billion dollars worth. The Federal Loan Administrator Jones announced the third disbursement of \$75,000,000 on the \$25,000,000 loan to Britain. He also announced a second disbursement of \$20,000,000 of the \$100,000,000 authorized for the Amtorg Trading Corporation, a United States corporation owned by Russian interests.

President Roosevelt told his press conference that W. Averell Harriman, chief of the American Mission to Moscow, has been especially instructed to take up with the Russian Government the question of religious freedom in the Soviet Union. Earlier he issued a statement that "it is hoped an entering wedge for the practice of complete freedom of religion is definitely on its way" in Russia.

Supreme Court Justice Jackson told the annual convention of the American Bar Association that "at the end of this war we must either throw the full weight of American influence to the support of an international order based on law, or we must outstrip the world in naval and air and perhaps in military forces." The tragedy and irony of the present position of the United States, he said, is that this country which would not join a League of Nations which advocated economic sanctions, is now imposing those very sanctions against half the world in an effort to turn the fortunes of war.

Price Administrator Henderson, speaking in New York, said that the country is now experiencing the "jagged, irregular price advances" with which inflation starts. Unless inflation is restricted, he said, it will prevent and undermine the priorities system because "the getting of materials will depend not on the buyer's need but the seller's greed."

He said a doubling of prices means a reduction in value by fifty percent of every insurance policy, annuity, savings account, pension or other form of savings. Treasury Secretary Morgenthau, speaking in Chicago, said the Treasury is anxious to divert into defense stamps and bonds spending produced by price increases and bonuses. He suggested every Christmas bonus be paid in defense bonds or stamps.

Partially to combat inflation, President plans to ask Congress to extend the Social Security

program to 80,000,000 persons—double the number now covered. Increased payroll taxes under the program would remove additional funds from circulation.

Treasury Secretary Morgenthau in his Chicago speech, also said defense expenditures are "inadequate" and the 1941 tax bill they are "a good start" but not large enough to raise the necessary revenue, check inflation or take the profit out of war. He said the U. S. is trying to be the arsenal of democracy by devoting only twenty percent of factory and mining output to the war effort, only ten percent of durable goods produced and sixteen percent of national income.

The Bureau of Internal Revenue announced it will prosecute dealers attempting to make large profits by misrepresenting the new Federal tax as larger than they are or by pretending to absorb the taxes themselves when actually passing them on to the consumer.

OPM Contract Distribution Division Director Odium called on smaller manufacturers to "drum up a subcontract on your own, if possible, and asked larger manufacturers to pass on their backlog of work to small concerns facing shutdowns for lack of civilian materials or defense orders. Bradley D. Nash, of the Financial Section of OPM's Contract Distribution Division, told the American Bankers Association in Chicago the Division field offices will be prepared to consult and advise their parent or subcontracting groups and their financial representatives to inform them of availability of properly equipped subcontractors, location of machinery and other equipment which may be required. Mr. Odium has said as many as two hundred offices might be opened.

Under Secretary of Navy Forrestal instructed all bureau and office of the Navy and the Marine Corps in ways that help Navy defense work among smaller manufacturers.

Labor Secretary Perkins said total non-agricultural employment of 39,542,000 last month was 3,640,000 workers more than in August, 1940, and 1,160,000 more than in August, 1929. Miss Perkins said the "unusual" demand in the canning industry is giving the country its "most rapid expansion of employment in history."

The OPM Labor Division reported it has given assistance to almost 1,800 defense contractors employing more than 2,500,000 workers during the war and has established twenty-two different District Offices. The WPA said its plans for training program, which trains workers for four weeks in plants which usually later hire them, is operated in seventy-two cities in twenty-four States. Federal Security Administrator McNutt announced shortages of qualified workers exist in 126 of 514 occupations selected as essential to defense, and are expected in an additional thirty-eight occupations before November 1st.

The Navy announced thirty-eight keels were laid and twenty-six ships launched from September 1 to October 3. The Department predicted "even greater acceleration" in shipbuilding. The War Relocation Authority chartered two ships to the Irish Free State to be under Irish flag with Irish crews, and chartered three more to carry nitrites to the United States from South America.

The Department of Justice announced the OGD and FBI have completed plans for "FBI Civilian Defense Courses" in fifty-five U. S. cities and territories where FBI district headquarters offices are located. The courses will train police and other officials for various law enforcement duties in emergencies. OGD Director La Guardia said eighty-five hospitals have started courses in the program to train 100,000 nurses' aides and 133 Red Cross chapters have also started their courses. He announced a committee of public and parochial school administrators is preparing a manual of instructions to protect lives of elementary and high school children and school buildings in event of emergency, and the Advisory Committee on Civilian Fire Defense is studying auxiliary firefighting apparatus.

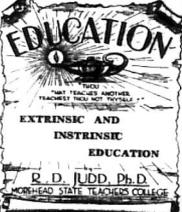

Lieutenant General McNair, director of the Louisiana maneuvers, blamed officer leadership for "most of faults"—including weak discipline—revealed in the war games. He said leadership would be improved by removal of unqualified officers but this does not mean there will be a "purge" War Secretary Stimson denied rumors there is a plan to reduce the Army's man-power to free more equipment for Britain and Russia. He said "our Army has an enormous task that is no longer confined to the defense of the U. S. but has the work of manning a large line of outposts." He noted present Army strength is merely 1.4 percent of United States population and about the size of the quickly-defeated armies of Holland and Belgium.

Many changes have taken place in education during the last three or four decades. Back in the days of the high school around 1900 the traditional subjects were regarded as well entrenched behind their Maginot line. Such old-line traditional subjects as Latin, Greek, and mathematics were as snug in their complacency as the sciences are today, perched on top of the heap of educational subjects. Then we thought the high road to culture and learning was traveled only by those who excelled in the great trivium mentioned above. Today in our curriculum we find a dwindling to the irreducible essentials the ration allocated to mathematics. It is a rare experience to find a student taking Latin, especially in a teachers college. And a student of Greek is about as extinct as a saber tooth tiger.

In the olden days the impact of the teachers personally on that of the student was great. Of course, the writer would not say that this influence is not great today, but is of a different nature. The teacher then focused his mind on the mystery of his subject matter, and the thing that counted most was what changes he alone could bring about in his protégé. The teacher then was a much bigger propagandist with respect to his doctrines than we find today. As it is today, students work in laboratories more where they discover and verify facts for themselves, have more

## An Appeal To THE FARMERS OF THIS NATION

As your part in the observation of National  
Fire Prevention Week—October 5th to 11th.

We urge you to make this resolution:  
That you will be guided each day by every rule of caution to SAFEGUARD, from loss of FIRE, that portion of Our Nation's food supplies and farm wealth represented by the property in your possession or under your supervision.

In the all-out supreme effort which is being made to marshal the resources of this Nation to meet every emergency, it is doubly important that the food supplies with which a bounteous Providence has blessed us be preserved to feed our people.

Destruction of civilian property of every kind means that both man power and materials for its replacement must be diverted from some other phase of our huge rearmament program.

Fire Prevention Therefore Becomes the Patriotic Responsibility of Every Citizen.

A sizable reduction in the Nation's huge fire toll will make the defensive task easier.

This is a direction in which every man and woman, every boy and girl, every boy scout troop, 4-H Club, Chamber of Commerce and other organization, urban and rural can help.

Your cooperation is urged by the Agricultural Committee of the National Fire Waste Council, 410 North Michigan Avenue, Chicago, and by the National Board of Fire Underwriters, 85 John Street, New York City. You may obtain further information on fire prevention by addressing either of these organizations.

### Superintendents To Be Honored At Homecoming

The date for HOMECOMING at Morehead has been set for October 11. This means that hundreds of former students and friends of Morehead are invited back to the campus for the week-end to take part in the activities.

Saturday morning from nine to eleven there will be a reception in the lobby of Allie Young Hall. This is an occasion where friends meet friends and a place to register. The football game, always a highlight of homecoming, will be at two o'clock. Morehead Eagles will clash with Davis-Elkins of

Elkins, West Virginia. The theme for the banquet will be "Leaders in The New Education." Morehead College will pay tribute to thirteen graduates who are county superintendents. Dr. O. W. Wheeler, Superintendent of Ashland county schools will speak on the subject "Education for Defense." County Superintendent D. J. Carty of Magoffin county will pay tribute to the men and women who honor on this occasion.

The county superintendents to be honored are: Arnold Rose, Wolfe county, Marie Turner, Breathitt county, Jethro Ambury, Knott county, Thomas Rogers, Powell county, Emory Rogers, Mason county, M. N. Evans, Fleming county, Walter Rosch, Bath county, Ova Haney, Morgan county, J. M. Johnson, Martin county, A. H. Turnman, Boyd county, Heman McGuire, Carter county, John L. Crisp, Elliott county, and Roy Cornette, Rowan county.

The Homecoming dance, in the college gymnasium, will climax the events. The music will be furnished by the Kentucky Kernels of Lexington, Kentucky.

W. C. Johnstone of Jassamine County had a yield of thirty-three bushels to the acre from six acres of Balto 170. For several weeks, previous to April 18, he pastured the field with eighty-five ewes, one hundred lambs, and eighteen head of cattle.

### Senff Returns Home After Years Leave

Mr. Earl King Senff, Assistant Professor of History and Political Science of Morehead State Teachers, has returned to his duties after being away for a year on a sabbatical leave.

In the fall of 1940, Professor Senff was awarded a fellowship at the University of Kentucky, where he went to work on his Doctorate. In the summer of 1940, he spent a month in Puerto Rico gathering material for his dissertation on the subject of "Relations between the United States and Puerto Rico." He was invited back this summer to teach as Visiting Professor in the University of Puerto Rico at Rio Piedras, Puerto Rico. While there he taught a class in American History and American Foreign Policy. He was asked to write several articles which were published in the "Illustrate," "World Journal" and "El Mundo." The titles of the articles were: "The Problem of Japan in the Pacific," "Public Opinion in the World Today," "Comparison of U. S. Policy in 1874 and 1941," "The Problem of Pan Americanism," "A Comparative Analysis of Russia and Japan."

Mrs. Senff and little son, Tommy Earl, accompanied Professor Senff to Puerto Rico.

### Banks Studies At Peabody College During Summer

Granted Fellowship By Board of Education

Gabriel C. Banks, MC English instructor, attended Peabody college for five weeks this summer on a Fellowship granted by the General Board of Education. The workshop in teacher education which Mr. Banks attended gave special attention to methods of teaching and approach to subject matter. Eleven states were represented by thirty-five teachers from Eastern State Teachers college, one from Murray and Mr. Banks from our own college.

Mr. and Mrs. Banks were also guests at Camp Manassas on Lake Michigan for a week. This conference concerning Christianity on college campuses was represented by thirty-one states. In the group of two hundred were many teachers and their wives who were connected with state universities and state teachers colleges.

The whole program was one of interest.

The mornings were devoted to various speakers. The afternoons were spent in recreation, lectures and social activities occupied the evening hours.

Notable leaders in the conference were Dr. W. J. Hutchins, president emeritus of Berea college, Miss Georgia Harkness of Northwestern University, Dr. W. B. Warrington of Boston, Massachusetts, President Kenneth Irving Brown of Denison university, and Mr. William H. Danforth, president of the Purina-Ralston company.

September the twenty-sixth Mr. Banks spoke at a meeting of the Carter County Teachers Association at Glasgow, Kentucky, in the interest of the George Rogers Clark Foundation.

At the Central Christian Church in Portsmouth, Ohio, Sunday, October the fifth will be "Kentucky Day" and Mr. Banks has been invited to speak.

**NAVY COURTMEN PRACTICE BASKETBALL ON SHIPBOARD**

Perfect physical fitness is required of sailors in the U. S. Navy and Naval Reserve. Excellent athletic facilities are provided both afloat and ashore. Pictured above are bluejackets on the aircraft tender U. S. S. Wright holding basketball practice on shipboard. Almost every ship in the U. S. Navy has its own basketball team. Rivalry among

the crews of the various crafts runs high. In addition to basketball—football, baseball, boxing, bowling, wrestling and tennis all rank high as sports with Uncle Sam's sailors. Organized intrat-let competitions are held for most sports. Trophies and individual awards usually are presented to the championship winning teams and players.

**Time Loan Plan Offers Solution**

When a person owes an accumulation of past due bills to a number of creditors, it becomes a worrisome task to properly take care of and satisfy each one and at the same time pay current household operating expenses.

Time makes loans on SIGNATURE ONLY, HOUSEHOLD GOODS, AUTOMOBILE, or with CO-MAKER for terms from one day to eighteen months. Lawful rates only are charged at TIME. \$100 loan costs an average of less than seven cents per day on Time's 18-month plan.

**Ky. Hunters Await Opening Of Season For Ducks, Oct. 16**

**Only One Wood Duck May Be Bagged In One Day**

Kentucky hunters are eagerly awaiting the opening of the 60-day shooting season on ducks and wild geese which has been set again this year for October 16 by Secretary of the Interior Harold L. Ickes, upon recommendation received by the United States Fish and Wildlife Service.

Duck hunters will, this year, be permitted to hunt the wood duck, but only one of these species of the migratory waterfowl may be

included in the daily bag or possessed by a hunter. However, due to the fact that this species is considered by many to be the most beautiful duck of all, emphasis is placed on the desirability of continuing special protection for the wood duck. The special accidental-killing allowance made this year is admittedly an experiment, and if there is evidence of abuse, in all probability, the wood duck will be returned to the list of fully protected species next year.

Bag limits on ducks are set at ten birds a day, or twenty in possession, the same as last year, but with the wood duck special limit of one included and the provision continued that not more than three buffbreeds or three redbreeds or three of these two species together may be in the daily bag and not more than six among the ducks possessed.

Canvasbacks and ruddy ducks, formerly grouped with the redbreeds and buffbreeds, have been restored to the list of species with the ten-and-twenty-bag and possession limits. The limit on geese and brant are again set at three a day or six in possession but in addition hunters may take three blue geese a day, and they may have six blue geese in possession in addition to the general six-geese possession limit. The original three or six may also include or consist entirely of blue geese, and it is thus possible for a hunter to take six blue geese a day or have twelve in possession if he takes or possesses no other kinds of geese.

Surveys have been made for building one hundred-twenty miles of electric lines in Breathitt County.

The surplus peach crop in Hickman County resulted in double the amount collected for the canned peaches of previous years.

It took a ten truck to hold the aluminum collected for defense by Green County 4-H'ers, Scouts, American Legion, etc.

Sixty-two Boone County farms have newly-built ponds by the end of the year, according to plan.

Owsley County farmers expect to have half of all tilled land in cover crops.

**Vaughan Predicts Large Attendance At MC Homecoming**

**Students And Graduates To Have Annual Reunion' October 11th**

A big crowd of former students and graduates of Morehead are expected on the campus next Saturday, October 11th, for the annual MSTC Homecoming activities. The affair is one of the highlights of the college year, and is annually the occasion for reunion-of old friends and teachers.

President William H. Vaughan anticipates a record attendance for this year's Homecoming. The date is earlier than in other years, and the promise of good weather may draw a larger crowd. Miss Mary Page Milner, registrar, has sent news letters to all alumnae outlining the day's festivities.

Beginning at 11 a. m., registration of guests will be held in A. L. Young hall lobby, where students, former students and faculty members will meet for an informal get-together. Representatives of various clubs on the campus will be on hand to greet former members.

First in importance in the today's program will be the annual Homecoming football game Saturday afternoon. The Morehead Eagles will meet the hard-fighting team from Davis-Elkins, of W. Virginia, for the big game.

A banquet will be served in the cafeteria at 6:00 p. m., Saturday night. A fine program is being planned, and MSTC graduates who are now county superintendents will be honor guests. Tickets for the banquet will be seventy-five cents, and will be on sale at the football stadium Saturday afternoon.

The Kentucky Kernels, a dance band from Lexington, will play for the Homecoming dance Saturday night. Tickets will be on sale at the door for one dollar.

Various clubs and campus organizations are planning teas and parties to entertain former members who will attend the homecoming festivities next week-end.

**Breckinridge Club Elects Officers**

The minstrel club of Breckinridge held its election of officers Monday. Those elected to offices at this meeting were as follows: J. B. Calvert, president; Irving Cash, vice-president; Eals Rigby, secretary and treasurer; Earl Freley, sergeant-at-arms.

On Tuesday afternoon the club held its second annual meeting for tryouts and election of new members. George Young, sponsor of the club in discussing the talent that was presented was confident for a successful year for the club. The acts that were presented by the aspirants consisted of songs, dances, acrobatics, dialogues, recitations, piano solos, and comedy stunts. During this meeting the invitation was planned and old members were placed in charge of the pledge they were to supervise during this period of initiation.

There were seven vacancies to be filled but only eight of these were decided. From the sixteen hopefuls the following were selected: Jane Young, Avonne Lyons, Chloe Clay, Ruth Fair, Beatrice Sorell, Joyce Wolford, Gwendolyn Perry, and Jimmy Reynolds. Others that tried out were: Ernestine Wallen, Phyllis Jayne, Margaret Wells, Alice Parrick, Mildred Vivian Flood, Barbara Ann Hodge and Francis Penix.

**College Players To Give One-Act Play In Near Future**

**Casting Of Characters Underway For "He Ain't Done Right By Nell"**

The College Players have begun work on their eighteenth production, Wilbur Braun's "He Ain't Done Right By Nell," to be presented within the next two or three weeks. The play is a one-act melodrama and presents the usual hero-villain-heroine angle. It is riotous in comedy due to the simplicity of characters, plot, and speech.

As yet the casting is incomplete but the following students have been tentatively selected: Mary Jane Puchert, Kay Hobson, Ernestine Powers, Charles Thomas, James Creech, and Jack Miller. The players plan to be ready for the stage by the end of the week.

or six plays during the current school year. Plays under consideration include an Ibsen drama, a burlesque of "Uncle Tom's Cabin," "The Importance of Being Earnest," by Oscar Wilde, and "The Male Animal" or "You Can't Take It With You."

**President's Annual Reception Is Held Wednesday, Oct. 1**

**Students And Faculty Are Guests Of President And Mrs. W. H. Vaughan**

The students and faculty of Morehead State Teachers college were guests of President and Mrs. Vaughan at one of the social highlights of the season, Wednesday evening at the President's Reception Ball held in the gymnasium.

The guests were introduced to President Vaughan by Miss Curraleen Smith, dean of women. Others in the reception line were Mrs. Vaughan, Mr. and Mrs. Charles Van Antwerp, Mrs. Stith Cain, Miss Katherine Carr, Mrs. Naomi Claypool, Miss Berenice Clark, Miss Louise Caudill, Miss Lucille Catlett, Mrs. Bob Day, Mr. and Mrs. Sam J. Deany, and Dr. and Mrs. Fred Dudley.

The gymnasium was beautifully decorated in blue and gold, and large lighted M's were placed at each end of the floor. Gay evening dresses, swinging in rhythm to the soft, sweet music of the Blue and Gold orchestra, added color to the gala occasion. Misses Thelma Turner, Edna Smith, and Vivian Hutchinson, from Allie Young Hall, and Misses Margaret Young and Kathleen Lane from Fields hall, served punch to the guests.

Morehead Church To Burn Debt Year's Station

At special services next Sunday morning the Christian Church will burn the mortgage that has been held against the building for the past seventeen years. The morning worship service, beginning at 10:45, will be a service of prayer and praise for Divine Guidance in this long task. Dr. Charles Lynn Pyatt, dean of the College of the Bible, at Lexington, will be the speaker at this service. His subject will be "The Body of Christ."

Following the morning service the congregation will retire to the basement where they will dine together. Plans are being made for the burning of the mortgage will take place. Appropriate ceremonies are planned for the busy occasion.

The day will also be the annual Every-Family-Member Observance. Families will be in groups at Church at the dinner.

The event is an important one in the life of the community. The large church building is an excellent testimony to the nobler aspirations of Morehead residents. It, together with the other religious institutions of the city, represents the unseen but always growing foundations of community life.

It is my duty to serve my country in this emergency, and I am going to do it and do it gladly. To do otherwise I could never have a clean conscience. It is the law though, that while I am away, the office will not be declared vacant and someone will be appointed temporarily to serve in my absence. If I am spared to return, then I can assume the duties of the office.

If elected, I will perform the duties of the office County Attorney to the best of my ability. Everyone will be given fair and just treatment, rich and poor alike. I will diligently attend the affairs of the county to your best interests and will not favor one thing that is not for the betterment of Rowan County.

With this, I publicly announce my candidacy for County Attorney on the Democratic ticket. I promise to be a fair, honest and diligent officer. I respectfully solicit your vote and support in the General Election, November 4, 1941.

J. B. Rose Cites Former Record In Asking For Office

Is Incumbent Candidate For Magistrate In Second District

J. B. "Jim" Rose's formal announcement as a candidate for the office of Magistrate of the Second Magisterial District, Rowan County appears below. Mr. Rose has made no primary campaign, due to the fact that he was unopposed for the Democratic nomination to that office. Mr. Rose served a 4-year term in the office and a 2-year term in his record as a county official in soliciting your vote. His announcement deserves the serious consideration of every voter in the Second District.

TO THE VOTERS OF THE SECOND MAGISTERIAL DISTRICT:

I wish to take this means of reminding my friends that I am a candidate for the office of Magistrate of the Second Magisterial District, in Rowan County, at the General Election, Tuesday, November 4, 1941.

I have faithfully served as your Magistrate for one four year term, carrying out the duties of my office with the utmost care and to the best of my ability. I believe now that I will continue to render that same type of service, if elected this fall.

I ask the voters to consider the betterment that was made in this district during my four year term and the "good" record of voting for any and everything that would better our district and our county.

I respectfully solicit your support and influence in the coming election.

Baptist Church To Hold Revival Here, Beginning Sunday

Services To Be Conducted By Pastor B. H. Kazez And Rev. L. E. Leeper.

Next Sunday morning the Revival meeting at the Morehead Baptist Church will begin under the leadership of the pastor, B. H. Kazez, who will do the "praying" during the meeting, and L. E. Leeper, Missionary-pastor at Haldeman and in Rowan County, who will direct the singing and personal work.

Services will be held each day at ten a. m. and 7:15 p. m. There will be a special service for children up through the Junior age each afternoon at 3:15. This service will last not longer than twenty minutes. School pupils are urged to come immediately to the church as soon as school closes in the afternoon, so that the service may begin promptly. Mr. Leeper will be in charge of this service and will bring interesting picture-talks and lead in chorus singing.

At 6:45 each evening there will be a special prayer meeting in the rooms in back of the church for Intermediates, young people and adults. These are designed especially for young Christians and older Christians who are interested in the salvation of others and who wish to pray for the meeting. The young people and intermediates will meet in one room, the adults in another. Brother Leeper will direct the young people's prayer meeting. People who are interested in being saved, as well as all Christians who are interested in others, are welcome at these special prayer services.

There will be a Junior choir and a Young People's choir in the services each evening. Intermediates and Young people will constitute the older choir, while all juniors and under will be in the other. Services in the evening will not

last long enough to interfere seriously with the time for college folk to study. The college students and faculty members are especially urged to come to these services.

In the day services the pastor will bring devotional Bible studies for the purpose of strengthening and enlightening Christian people in the knowledge of God's Word. Those who start with the beginning of these sermons will be most deeply blessed.

People of all denominations and of no church preference are cordially invited to participate in all the services.

Service Buttons Are Awarded Ky. Utility Employees

Frank R. Massey, local manager of the Kentucky Power and Light Company, has announced that the following employees have received service award buttons which indicate the number of years each has been with the organization:

- Frank Massey, 15 years; Jess Peitrey, 15 years; Jim Markwell, 10 years; Elizabeth Nickoll, 10 years and George Jamison, 5 years. Mr. Massey said that 263 men and women—sixty-seven percent of the company's 1,254 employees—have completed five years' service, and that 361 employees—nearly thirty percent—have been with the company more than fifteen years.

"After each five years in the organization an employee will get a button showing the length of time he has been with the company," Mr. Massey explained. This service award plan marks the opening of a new phase in the Kentucky Utilities Company and the Kentucky Power and Light Company's employee relations considered as most important in the insurance, sick leave, vacation and retirement plans which the company has adopted in the last few years.

MORE AND MORE, these days, your cancelled check takes the place of a receipted bill as evidence of payment. But sometimes a cancelled check is lost or mislaid or perhaps wilfully destroyed just when you need it most to prove a disputed item.

In such cases the new "Recordak" Service of The Citizens Bank may save you considerable annoyance and perhaps actual loss.

Each check passing through our hands for payment is now recorded on a moving picture film. This permanent picture record of their checks is always available to our depositors.

"Recordak" protection and itemized monthly statements of your account are but some of the modern conveniences offered clients carrying accounts with this bank.

The "Recordak" is being demonstrated in the bank... Come and see it in operation.
