NUMBER SEVEN

Vikings Grab Ekay Penant Last Friday

Catlettsburg Win Over Grayson While Kings Win Brings In Championship

Morehead has definitely won the Ekay Conference title, beyond dispute, whether they lose their last two titles or win them. The Vikings have won two more contests to go before closing their 1930 race for the title. Catlettsburg, their nearest competitors, have already lost the latest loss being to Grayson 35-21.

The recently Catlettsburg had failed to schedule a game with the Vikings during the regular season. After the race settled down it appeared that Catlettsburg might have a chance to win with the Vikings standing between them and a conference championship. They asked Coach Holbrook to schedule a game. Pappy said that as far as he was concerned his team could not and would play as if they could not defeat Catlettsburg. Certainly were not entitled to any championship.

However, since Catlettsburg has lost a third contest to a team that the Vikings have defeated, and since there is no dispute as to the definite winner, the game between Catlettsburg and the Vikings will probably not be played. The Vikings have a full season ahead of them, and expect to be rounding into top form by tournament time.

With only two games left in the conference play the Kings are not expected to play the Ekay title, but with tournaments coming on apace, and the Kings anxious to win their best when that time comes. They have no easy sledding in prospect in that prospective battle.

The Kings should go through to the finals on season's records. But Olive Hill and Grayson have an unhappy faculty of upsetting the Vikings just when they believe the victor is within their grasp.

And Breck or Sandy Hook who are going to win in the other two games have another stumbling block that served notice last Friday when they drove against Sandy Hook that may do little harm in that quarter. That possible stumbling block is none other than Haldeman, who have shown improvement in the last few weeks. The Kings are likely to be in good shape by the first of March. Breck naturally still remains favorite to win the tournament. The two games in which they were lessened their standing. They opened the week by defeating Ashland 30-18. On Friday they took the first State Championship title by upsetting them by 28-20. Will forget that Breck is to be (Continued On Page Four)

M. P. Davis Still Showing Improvement

Friends of Family Delighted To Receive News of Better Health

Much to the gratification of his numerous friends, and friends of the family, Mr. M. P. Davis, who has been so seriously ill for the past month, that his life was despaired of, is showing signs of rapid recovery. Mr. Davis was stricken with pneumonia several weeks ago and so serious was his condition that he was hurried to Lexington where he was placed in a hospital. Reports for several days were to the effect that he could not live. However a few days of treatment showed signs of recovery and he has so mended that his family has returned home with the exception of Mrs. Davis who is still with him.

Mrs. Davis is one of the much loved older citizens of Morehead, and is delighted with the news of his improvement and who hopes for his speedy recovery.

Olive Hill Comes Lose To Vikings

Meet Hitches Here Friday Night; Tackett Sparks Kings To Win 36-22

The Vikings clinched the Ekay championship last Friday night when they defeated Olive Hill 36-22 in the final encounter of the season. With a score of 36-22, the same time Morehead got off to a poor start, evidently discounting Olive Hill, and finding a revamped team that was more opposition than they expected. At any rate the first quarter of the game was an even-stale affair, with each team scoring six points. The second quarter the Kings edged work themselves and got down to work, ending the first half with a 13-9 count.

At the second half the Kings really went to town, flashing a style of play that held the audience breathless, to pile up a comfortable lead. The Kings outscored the record 23 to 13 in the last half, to make the final count 36-22. Tackett led the scoring for the Kings with 13 points. The latter part of the game was noteworthy for the exceptional type of team play shown by the Kings. Carter led the scoring for Olive Hill with 8 points. The crowd at Morehead entertained Hitches here Wednesday night. In an early season game the Kings barely won out Hitches 23-18. The 18 teams that play the State Championship will be the center of the ring Wednesday night, with the Vikings attempting to increase their rub of wins by giving Hitches a hard time. Hitches' team in their earlier encounter, were nose out by Morehead B. by the narrowest margin possible, one point, last 22-21. This game should be a real battle royal, with the winner in doubt to the last minute.

The crowd at the High school games are interesting as the record on improving. The Kings are being touted as probable town representatives in the regional tournament.

Wins High Honors In Junior High School

Betty Frances McGone, a student in the Junior High School, defeated the other girls in the Orphans School at Midway, Kentucky has received the highest honors in her class in the school, for scholarship. Miss McGone is the grand daughter of Mrs. Celia Hutter of the former Mrs. Gracie McGone of this city. She is the daughter.

Epperhart Seed Proving Popular

Reports coming in from various counties in this section where the seed of the Epperhart Seed Company has distributed their tobacco seed, indicate that the tobacco farmers of this section are showing a great deal of interest in the big packages of this seed for planting. Already the sales have far exceeded expectations and the prospect is so bright that the supply will be exhausted before the demand can be satisfied.

The Epperhart Seed is one of the best seeds in this state that has been certified by the Seed Improvement Assoc. It is the newly developed No. 10 seed, rated the best, on the market. Mr. Epperhart raised a large crop of this tobacco for testing, and following the requirements of the Experiment Station to make a detailed report. The result showed that his seed, in the tests made at the Experiment Station, was the best.

Breck Wins Two, Loses One In Week

Tops Brookville And Millersburg, But Loses To Maysville, 27-22

Breckinridge High School, minus the services of Bill Ponder, about whose eligibility a question has been raised, put down in defeat before the onslaught of the Maysville High Bulldogs at Maysville Tuesday night. The game, in spite of the loss, was such a good battle down to the last second, with Maysville holding a slight edge. With the score 25 to 22 and with 22 Johnson and Hogg were shot the final two points, as the whistle blew, to end the game, making the final score 27 to 22.

Breck defeated Brookville's state champions here last Friday night, overcoming the handicap of state championship (Cooper) and winning handily by a score of 27 to 10. Ponder, who has been outstanding point men in the game.

An even closer contest was staged against Millersburg Academy. Breck winning out by a one point margin, 22 to 21.

Ponder is apparently definitely out of the Breckinridge lineup, unless the investigation that is now being made proves successful. High school statistics records in Louisville show him to be 20 years of age, although all school records at Owingsville from the time he entered that school show him to be not yet 19 years. The rules of the State High School Athletic Association prevent a boy playing in high school competition after he reaches the age of 20 years.

Breckinridge Training School authorities examined the Owingsville school record and accepted the name of the author, "Ponder" playing Ponder. He has been a student in Breckinridge for several years. However, the school authorities have been notified that his age was being questioned, and that the Louisville records show that he is 20 years of age. His father recently mailed him a letter that he is not yet 20, but is nineteen. However, the school authorities are withholding him from play until the matter has definitely been cleared. In other cases of a similar nature, the vital statistics records have always been accepted. It is thought there is little hope for Ponder to be found eligible.

This means of course that Breckinridge will finish the season, and the tournament without the services of one of their stars. There is no question as to the innocence of either the school authorities or the Breckinridge Coach, or of Ponder himself in the matter.

Board Of Supervisors Opens Sessions Monday Morning

Will Be In Session For Next Twenty Five Days To Adjust Levies

The Rowan County Board of Supervisors is in session at the county court house for the purpose of examining the assessors returns and equalizing the taxes of the property owners in Rowan county. The board is composed of the following members:

A. Croswalter, J. D. Plank, H. B. Tolliver and W. A. Stitham. The board will remain in session for a period of 25 days, during which time they will examine the returns of all property owners, and attempt to equalize the assessments. The board is also authorized to raise the assessed valuation of property in Rowan county by a flat 10 to 20 per cent, claiming that the valuation was returned too low. However, committees from the county have appeared in court and prevented the raise. Unfortunately, the State Tax Commissioners appear to rate property in this section of the Blue Grass section of the state.

McKinney's To Start Sale Friday

Big Selling Event At Local Store Sets All Stock At Low Prices

The biggest selling event of the month and of the year, will begin Friday morning at 9 o'clock. McKinney's store has already arrived, the McKinney Store is already open for its greatest stock reduction sale in several seasons. The sale is a store wide event, including every article of merchandise in the store, including many new purchases of the latest spring apparel.

The purpose of this great sale is to clear the store of the winter goods and to get ready for the new spring merchandise. As much of this spring merchandise has already arrived, the McKinney Store has decided to make a clean sweep and give their customers the benefit of the drastic price reduction.

Mr. William Layne has just returned from a buying trip to the spring market, where he made heavy purchases for the coming season. This entire new stock will be arriving soon, and he states that they are forced to sell half their present stock in order to make room for the new and seasonable merchandise.

The double page ad displaying this event appears in this issue of the Kentucky News. In this ad our readers will find numerous bargains and offers that they cannot afford to overlook. Special inducements are offered to come early and get the benefit of the early purchaser. Prices are correspondingly low on every article in the entire store.

Mr. McKinney stated that it is not only the best he has ever had, but to make it an event long to be remembered in this community.

Jack Blanton Makes Record In Attendance

Pine Grove Boy In Seventh Grade Has Been Neither Absent Nor Tardy

Jack Blanton, a seventh grade pupil of the Pine Grove School has a perfect attendance record for seven years—not missing a single day during that period.

Mrs. Gastineau, teacher at Pine Grove this year says that she is "going to school business" runs in the family. Jack's little brother and sister, Glennis age seven and Joan, age five, also attend every day in this term. Jack's uncle, Warren Evans also has a record of eight years perfect attendance.

Glennis says he is now ready to go to high school on the bus.

Jack is the twelve year old son of Mr. and Mrs. Emmet Blanton of Triplett, Ky., and the grandson of J. T. "Bunk" Evans.

Jack has got to Jack and other children like him.

Mills Theatre To Feature Western Front

Great Epic Picture Of World War To Be Shown In Uncensored Version

The week's bill at the Mills Theatre, beginning Sunday is filled with interesting and thrilling drama, of the sort you want to see. The bill is varied to suit every taste, ranging from Torture Ship, the Sunday and Monday offering to "All Quiet Along the Western Front," which closes the weeks entertainment.

Tuesday and Wednesday the attraction is "Hero for a Day" starring Anita Louise and Dick Foran. It is a picture you will enjoy, nothing to study, no mystery, just a good home picture, with plenty of real comedy. Thursday's offering is the usual Western, starring Jack Randall in "The Overland Mail," good old fashioned Western that brings you a real Western star.

The Mills feels they are fortunate in being able to offer the best picture of "All Quiet Along the Western Front." This picture when first made aroused the greatest interest in any picture of the year. Since the beginning of the "Second World War" the interest of the citizens has been even more deeply aroused. The news that the picture is an even better. The picture has been redone, and scenes censored from the original are used completely in this version.

This will mean a first appearance of an uncensored version of "All Quiet Along the Western Front." A picture that is timely and one that you will want to see. It shows war in all its horror, better and terrible. It is the best reason that has been offered for keeping this country out of war. Every man woman and child should see this picture. The greatest war picture of our times.

Miller Article Still Being Reprinted

Professional Teacher, By Dr. F. B. Miller Still Appearing In Print

The School Journal, published in Chicago, Ill. (Editor, Prof. Theo. K. Miller), has asked Dr. Frank B. Miller, Professor of Education, for permission to reprint "The Professional Teacher," which was first published in the Kentucky State Journal. This will be the seventh time "The Professional Teacher" has been printed or reprinted in various parts of the United States. It is known by the Kentucky School Journal, the Pennsylvania Education Association, "The Loyola Education Digest" (Chicago), "The Teaching" (New York City), School of Education Record (North Dakota), and the Mississippi Educational Advance. "The Professional Teacher" in addition to other publications by Dr. Miller, is carried in the Education Index and the H. W. Wilson Vertical File Service catalog, both of New York City.

Haldeman Loses Close Game, 32-25

Leopards Surprise Sandy Hook With Greatly Improved Team

Tied three times during the first half, the Sandy Hook basketball team held a safe but small margin throughout the entire game against Haldeman at Haldeman on Friday night, coming through a tough scrimmage to win 32-25, against a Haldeman team, that had thrown off its early season weakness and gave the Sandy Hook boys a hard fight for their money. Although Sandy Hook was never behind, they were tied three times, the score at the end of the first half being 16 to 16. At the end of the first half the Sandy Hook boys led by four points, 14 to 18.

The second half was almost a repetition of the first, with Sandy Hook leading their lead to 24 to 17 by seven points.

Who was easily outstanding for Sandy Hook with 16 points to his credit. Haldeman with 11 points led the scoring for Haldeman.

Kegley fouled out for Haldeman in the last two minutes of the game. As the game opened, Sandy Hook (Continued On Page Four)

High School Sports Reporter Writes

Editorial Note. This is the first of a series of articles dealing with the Morehead High School basketball team. The facts for the articles have been gathered by the sports reporter for the high school. We hope you will be of interest to our readers, especially in view of the fact that the Vikings are apparently about to establish another record for themselves and their school. The first of the series, naturally deals with the coach, Roy E. Holbrook.

Ray E. Holbrook, Pappy Holbrook is an institution in Morehead. For years too numerous to mention he has served as coach to the Morehead Vikings, taking them over when they were known as the Black Cats, without any background, and remaining with them ever since, through darkness and light, through bad weather and good.

Pappy was born in Morehead on March 21, 1887. He attended the old Morehead Normal School, graduating from there to attend the only college in the class of nine.

He graduated from the Morehead State Teachers College, receiving his degree in 1913.

While Pappy is best known for his basketball activities, he has always been interested in sports of all kind. He played four years of basketball outside of school. He was a student in the Morehead Normal School, basketball was not recognized as a sport. In baseball, he spent two years coaching in the summer months until his retirement. He received one of the first letters given in baseball by the Morehead State Teachers College.

He attended the national school for coaches conducted by North-Western University at Chicago in 1914. He was a student in the coaching school at the University of Kentucky.

As a coach his record is outstanding. He has been just that, Pappy. He won nine district tournaments with his boys teams and coaching in innumerable games. The time when the girls played basketball. But, above all, Pappy, to his teams, has been just that, Pappy. One whom the boys could go to in their troubles, a man whom they could depend for advice, and to the people of this community, who are always will be just Pappy.

Jury List For March Term Released

Judge White Not Expected To Be Able To Occupy Bench When Term Opens

With Judge W. B. White slowly recovering from his serious illness, but as yet unable to assume his duties in the Circuit Court, it is not expected that he will be able to open the March term of the Rowan Circuit Court, which begins on the first Monday in March, March 6.  reckoned with in the final count. And Sandy Hook, playing an unorthodox type of game, rishing the ball and fighting every inch of the way, has as good a chance as any to be tops when the final whistle blows.

All of which is by way of saying that the basketball situation in this district is decidedly not settled, and there are about as many dark horses as there are basketball teams entered.

 ON YOUR DEBTS
 In business—no one is more respected than men and women who take care of bills promptly. And most of the time it takes close figuring and much self denial to pay the doctor, the grocer or the bank.
 Good credit is a priceless possession. It is a certain way to make friends. It is a sure road to happiness. It is an unfailing way to void worry.

Figure it out—how much PER POUND?
 The model illustrated is the BUICK SPECIAL model 91 four-door touring sedan 3906 delivered at Flint, Mich. White sideswall tires, additional.
 AUTOMOBILE engineers talk a lot about car weight—and with good reason. They know that riding qualities begin with enough road weight to hold you steady on your course—they know that weight is often another measure of size—above all, they know that weight means substance, strength, durability.
 So it's interesting to note that this trim Buick SPECIAL gives you more weight per dollar than almost any other car you can buy.
 With all this husky straight-eight power—power that's like velvet because engines are balanced after assembly—with all its room, and style, and comfort—this Buick still has one of the lowest costs-per-pound of any car on the market.
 And nowhere else will you find valve-in-head power, all-coil springing, torque-tube steadiness and Buick's plussage in accessories at the figures that apply to the SPECIAL.
 So if a little extra money is keeping you out of a Buick, take another look at those dollars.
 They buy more car to begin with. More size and more substance.
 They buy more six dozen new 1940 features, including many an "extra."
 And you'll get most of them back in longer life and higher trade-in value—not to mention your fun and solid satisfaction!
 Not a six but an EIGHT for \$895 and up delivered at Flint, Mich.
 *Transportation based on retail rate and local taxes (if any), optional equipment and destination extra. Prices subject to change without notice.
