**THE COACHING STAFF**

**HOLLY BRUDER**

- ▶ **HEAD COACH**
- ▶ **FIRST SEASON**

Holly Bruder, a highly successful coach at Denison University in Ohio, will begin her first season as the head softball coach at Morehead State in 2008. Bruder takes over the Eagle softball program after six seasons at Denison, three of which resulted in the Big Red advancing to the NCAA Division III championships.

Bruder compiled a 145-105 (.580 winning percentage) record in six seasons at Denison, including going 63-28 (.692) in the last two seasons. Also, the Big Red were 31-5 at home in 2006 and 2007. Her teams captured four North Coast Athletic Conference regular season titles during her six-year tenure.

She began her coaching career at Albion College in Michigan in 1999 and 2000 where she was an assistant coach. In her short time there, she helped transform a downtrodden program into a contender, helping guide the team into the conference tournament for the first time in three decades. From there, she spent one season as assistant softball coach and head women's tennis coach at Bluffton College in 2001, where her twin sister Heather is the current head softball coach. She helped Bluffton to the league's best record and spot in the tournament.

After a stellar prep career at Rogers City (Mich.) High School, Bruder was a four-year letterwinner and standout softball and soccer player at Alma College. She helped Alma win three conference titles and advance to the Division III College World Series in 1999, where her squad took third place nationally. She was named Second-Team All-Michigan Intercollegiate Athletic Conference in 1999.

Among her other activities, Bruder coached the USA Athletes softball teams, where she has had the opportunity to travel to Germany, Aruba and Australia as an ambassador for the game. She is also an ASA and NSA certified umpire and was on the Central Region All-America Committee from 2003-2006.

## GARY POTTS

- ▶ ASSISTANT COACH
- ▶ FIRST SEASON

Gary Potts, who has more than 30 years playing experience and more than 15 years coaching experience, is in his first year as assistant softball coach at Morehead State. Potts reunites with newly-named MSU head coach Holly Bruder as the pair coached together most recently at Denison University.

Potts is not a stranger to Division I softball as he was on staff at Akron University for five years. After working with the Zips' program, he joined Bruder at Denison, where he served as assistant coach for four seasons working with pitchers and catchers. Twice during his tenure there, the Big Red pitching staff led its league in lowest earned run average. Potts also guided Denison's pitchers to more than 30 wins twice.

In addition to his collegiate experience, he has gained experience with travel softball teams in Ohio and Texas for 16 years. Potts also has more than 30 years' experience as a pitcher and catcher himself.

## JEN ANTHONY

- ▶ ASSISTANT COACH
- ▶ FIRST SEASON

Jen Anthony, a standout pitcher for Denison University the past four seasons, is in her first year as an assistant coach.

Anthony joined the MSU staff after a four-year career playing for Holly Bruder at Denison where she graduated with a bachelor's degree in economics and sports management in 2007. She was an All-Conference pitcher at Denison in 2004 and went 22-13 in her career with an ERA of 1.85. Anthony also holds the career save record in the North Coast Athletic Conference. While at Denison, she also did pitching clinics and many individual pitching lessons for girls in the area. Anthony graduated from Lakewood High School in 2003 where she played four years of volleyball and softball for the Lancers. Anthony is working toward her master's degree at MSU.

# WELCOME TO MOREHEAD STATE

**M**eeting the educational needs of East Kentucky while striving to constantly improve the quality of its public service, economic development and applied research programs are the primary objectives of Morehead State University.

Historically, the University traces its lineage to the Morehead Normal School, which opened its doors in 1887. The private school closed in the spring of 1922 when the Kentucky General Assembly established Morehead State Normal School. The state institution accepted its first students in the fall of 1923 and graduated its first class in 1927. Name changes occurred in 1926 when "and Teachers College" was added, again in 1930 when it was shortened to Morehead State Teachers College, again in 1948 when "Teachers" was dropped and, finally, to university status in 1966. Thirteen men, starting with Frank C. Button, have served as president. Dr. Wayne D. Andrews assumed office as the 13th president on Jan. 1, 2005.

**Lappin Hall**

Academically, the University offers 79 undergraduate degree programs, including 8 associate level degrees and 12 pre-professional programs in four colleges, Business, Education, Caudill College of Humanities and Science and Technology, and the Institute for Regional Analysis and Public Policy and 20 academic departments. There are 55 graduate degree programs plus 24 graduate level non-degree programs designed especially for professional educators. The education specialist in five specialty areas also is offered. A master's degree for physician assistants, social workers and a cooperative doctoral program, all with the University of Kentucky, are available on the MSU campus.

Classes are conducted in Ashland, Jackson, Maysville, Mt. Sterling, Pikeville, Prestonsburg, West Liberty and other locations. Regional campuses located in Ashland, Jackson, Mt. Sterling, Prestonsburg and West Liberty are staffed with full-time directors. Additionally, the University offers a number of distance learning courses throughout the region via the Internet and interactive compressed video. Sixty-one percent of MSU's 384 full-time faculty members hold doctoral degrees.

**Camden-Carroll Library**

Physically, the University is located in the foothills of the Daniel Boone National Forest in Rowan County. The nearly 500-acre main campus within the city limits of Morehead includes more than 50 major structures with a total replacement value of more than \$144 million. Beyond the city, the University's real estate holdings include the 320-acre Derrickson Agricultural complex and the par 72, 6,902-yard Eagle Trace Golf Course. The instructional plant includes 120 classrooms and 112 laboratories. Housing facilities include space for approximately 2,600 students in a variety of housing styles including traditional residence halls, suites and apartments.

Fiscally, the University currently operates on an annual budget of \$109.8 million with about \$44.8 million provided by the state and \$45.4 million coming from tuition and fees. Additionally, grants and contracts from external sources for research, service and academic/student support projects generate more than \$12 million each year. Annual private donations to the University, through the MSU Foundation, Inc., average \$3 million annually.

**Button Auditorium**

**Adron Doran University Center**

Statistically, the University has awarded more than 50,000 degrees and currently has more than 1,100 full-time employees. Enrollment for fall 2007 was 9,066, with the student body representing 100 Kentucky counties, 39 states and 27 foreign countries. The University attracts more than 50,000 visitors annually and its economic impact, directly and indirectly, on the Morehead area is estimated at more than \$80 million yearly.

Administratively, an 11-member Board of Regents governs the University with eight citizens appointed by the governor and three seats held by elected faculty, staff and student representatives. Management of the institution is vested primarily in six divisions Academic Affairs, Administration and Fiscal Services, Development, Planning, Budgets and Technology, Student Life, and University Relations with each headed by a vice president.

Athletically, the University sponsors 18 intercollegiate sports for men and women in accordance with the regulations of the Ohio Valley Conference, the Pioneer Football League and Division I of the National Collegiate Athletic Association. # SPORTS MEDICINE

The Sports Medicine Program at Morehead State offers student-athletes the most up-to-date professional services available. Led by Assistant Director of Athletics/Director of Sports Medicine Richard Fletcher, the Sports Medicine Department allows athletes a wide range of options for treatment and rehabilitation of injuries.

One of the major support services offered is the main athletic training room located adjacent to Jayne Stadium. The facility contains four whirlpools, four electric stimulators, four ultrasound units and nine treatment tables, along with a variety of other services and equipment. Each athletic team has a full-time or graduate assistant athletic trainer assigned to them, and each of MSU's trainers are fully trained and accredited to perform life-saving and injury treatments. The training staff also utilizes two remote facilities in the Academic-Athletic Center and Wetherby Gym. Both facilities have state-of-the-art equipment.

The Morehead State athletic training staff includes Fletcher, Jamey Carver, A.T.C., Sara Larson, A.T. C., graduate assistant trainers Marjorie Smith and Ashley Groenhout and several student assistant trainers.

The training staff also works closely with the Caudill Health Clinic on campus in Allie Young Hall and with St. Claire Regional Medical Center.

## STRENGTH AND CONDITIONING

The strength and conditioning program at Morehead State provides student-athletes with the best possible physical and mental training to help them perform at their peak potential. Under the direction of third-year coach Kevin Deweese and graduate assistant David Weberg, the individual sport programs focus on physical and mental training and nutrition for that particular sport as well as particular athletes. Deweese and his staff develop programs that will help athletes reach their maximum potential and prevent injuries.

Athletes have several options for weight training with the centerpiece of the program being the Phil Simms Weight Training Center. Funded by former Morehead State and NFL star quarterback Phil Simms, the center houses weight machines and free weights and is located adjacent to Jayne Stadium. The center has ample space for several teams to train at the same time.

Athletes also utilize the weight center in the Academic-Athletic Center. Free weights, as well as state-of-art machines, are located in the facility.

Stressing the whole body, the strength and conditioning program at Morehead State also helps athletes reach their potential in the fields of agility and speed. Deweese and his staff make sure athletes are ready for game action with speed drills and agility training tailored to each sport.

The staff also oversees off-season workouts and nutrition programs to make sure Eagle student-athletes are in-shape when the season begins.

**The Phil Simms Weight Training Center is the centerpiece of the MSU Strength and Conditioning Program.**

## HEAD STRENGTH AND CONDITIONING COACH KEVIN DEWEESE

Kevin Deweese is in his third year as head strength and conditioning coach at Morehead State. He is in charge of all aspects of physical training and conditioning for all of MSU's 17-sport athletic department. In just one year, Deweese's programs have already begun to show results as Morehead State athletes have benefited from his knowledge of weight training, physical training and nutrition counseling.

Deweese came to Morehead after serving as an assistant strength and conditioning coach at the University of Tennessee-Chattanooga. With the Mocs' athletic program, he was in charge of several aspects of the overall program for all sports. He was also instrumental in nutrition counseling for UTC's athletic teams.

Prior to UTC, Deweese served as an assistant in the University of Kentucky strength and conditioning program for football from 2003-2005. He was in charge of several facets of the football strength program, including weight training, injury rehabilitation, pre-game preparation and nutrition counseling. In addition, he served as a strength and conditioning intern at UK from 2001-2003, where he directed all aspects of the baseball strength program.

A member of the National Strength and Conditioning Association (CSCS) Deweese graduated from the University of Kentucky in 2004 with a bachelor's degree in kinesiology/exercise science.

## COMPLIANCE LETTER

Dear Friends:

Morehead State University is committed to upholding the highest integrity within all procedures and practices of the athletic department. We are pleased to publish this note as a reference to understanding often confusing NCAA regulations.

The NCAA defines "representatives of athletic interests" as alumni, friends and boosters of the University. All member institutions are held accountable for their representatives' actions. One violation could jeopardize the eligibility of any or all Eagle athletic programs.

As a general rule, anyone who has financially supported Eagle Athletics, been a member of any booster organization, or who has supported Eagle Athletics is considered a "representative" of Eagle Athletics.

Prospective student-athletes can be defined as a student who has started classes in the ninth grade or any younger student-athlete who has received a benefit from the institution. These individuals may only be recruited by MSU coaches who have passed the NCAA Recruiting Rules Examination. While "representatives" of Eagle Athletics may speak to any of these individuals via telephone or in person, a recruiting effort must not be made. Also, no student-athlete or prospective student-athlete may receive any extra benefit outside of the support provided by the institution. For any questions regarding this description, please contact me, Compliance and Eligibility Coordinator, at 606-783-5136.

These are certainly not all the regulations any "representative" of Eagle Athletics must remember. However, they provide a good outline of the types of things that could endanger the eligibility of any MSU Athletics program. Again, feel free to contact us if you have any questions. Thanks again for your support of Morehead State Athletics.

Sincerely,

Jim Wells

Compliance and Eligibility Coordinator

# MOREHEAD AND THE GATEWAY REGION

**M**orehead, Ky., is a community of nearly 10,000, nestled in the foothills of the Appalachian Mountains in the Daniel Boone National Forest. It serves as the educational, medical, recreational and cultural center of rural northeast Kentucky and is located in the state's Gateway Area. Morehead also is known as the "Hardwood Capital of the World." Situated on the state's major east-west highway, Interstate 64, Morehead is 58 miles west of Ashland, Ky., and the border of West Virginia, and 66 miles east of Kentucky's second-most populated city, Lexington.

Its centralized location allows many parts of the Eastern and Midwestern United States to be readily accessible. Among the major cities within a day's drive are Washington, D.C.; Baltimore; Charlotte; Raleigh, N.C.; Atlanta; Knoxville, Tenn.; Nashville; Cincinnati; Dayton, Ohio; Columbus, Ohio; Cleveland; Pittsburgh; Indianapolis; Detroit; Chicago; St. Louis; Memphis; Birmingham, Ala.; and Louisville, Ky.

Located in the heart of Rowan County, Morehead affords a wealth of activities for the outdoorsman. Just six miles from downtown is beautiful 8,270-acre, man-made Cave Run Lake, an area nationally-known for its recreation opportunities and the fifth-largest body of water in Kentucky. Hiking, biking, swimming, boating, fishing, water skiing, canoeing, bird watching, camping or enjoying the solitude of nature are some of the highlights of the activities at Cave Run Lake. The lake is known as the "Muskie Fishing Capital of the South" and hosts numerous tournaments each year. Daniel Boone

**Cave Run Lake**

National Forest, within which Cave Run Lake is entirely located, is visited by over five million people annually, and Morehead also is home to the Minor E. Clark Fish Hatchery, the largest fresh water fish hatchery in the U.S.

Carter Caves, just 25 miles from Morehead in nearby Carter County, is another popular outdoor spot just a short drive down I-64. The historic town of Maysville, Ky., a major stopover point on the Civil War-era Underground Railroad, is located 45 minutes north on the Ohio River, and offers more entertainment options.

Golf is another popular outdoor activity in Morehead. Two courses are within county limits. Eagle Trace Golf Course is an 18-hole, par-72 course, which has hosted both the state's men's and women's amateur championship and has been given four stars by Golf Digest. Sheltoewe Trail Golf Course is open to the public and offers inexpensive opportunities which can challenge players of all skill levels.

What about arts and crafts? Morehead is also home to the Kentucky Folk Art Center, the only center of its kind in the state dedicated to the skills of untrained artisans. Also unique to Morehead is the Kentucky Center for Traditional Music, a facility dedicated to preserving the rich history of traditional bluegrass, folk and Americana music. Many of the area's best trade and music shows are housed in the new Morehead Conference Center. For fine art, stop by the Pine Grove Gallery on Bride Avenue or the Claypool-Young Art Gallery, located on MSU's campus. Several local craft and antique shops are dotted throughout the community as well.

If you're interested in festivals, June and September are a busy time in Morehead, when the festival season is in full swing. Among the annual events, the area hosts the Day in the Country Folk Art Show and Sale, Cave Run Storytelling Festival, Harvest Festival, Poppy Mountain Festival, Bluegrass and More

Festival, Appalachian Arts and Crafts Fair, and Hometown Holidays plus numerous horse shows.

Morehead also has an outstanding theatre guild for those who are looking for other cultural experiences. The group puts on productions throughout the year. Morehead State University also annually hosts concerts from nationally-prominent bands of all musical genres.

In addition, there are several restaurant and shopping options, including many in the renovated downtown area.

From Reds' games at Great American Ballpark to Bengals' games at Paul Brown Stadium to the new Newport Aquarium, Morehead State students will enjoy the proximity of one of America's most diverse and exciting metropolitan areas. The "Queen City" is also home to some of the most interesting museums in the United States, and boasts a great nightlife scene.

## **LEXINGTON**

Located just an hour from Morehead and Rowan County is Kentucky's second most populated city, Lexington. Known worldwide as a mecca for thoroughbred horse enthusiasts, the Lexington area is home to the famous Kentucky Horse Park and Keeneland Racetrack. Lexington also offers a variety of shopping venues, including the newly renovated Fayette Mall and the Hamburg Pavillion Center. Lexington also offers a great nightlife scene as well as professional baseball and professional indoor football.

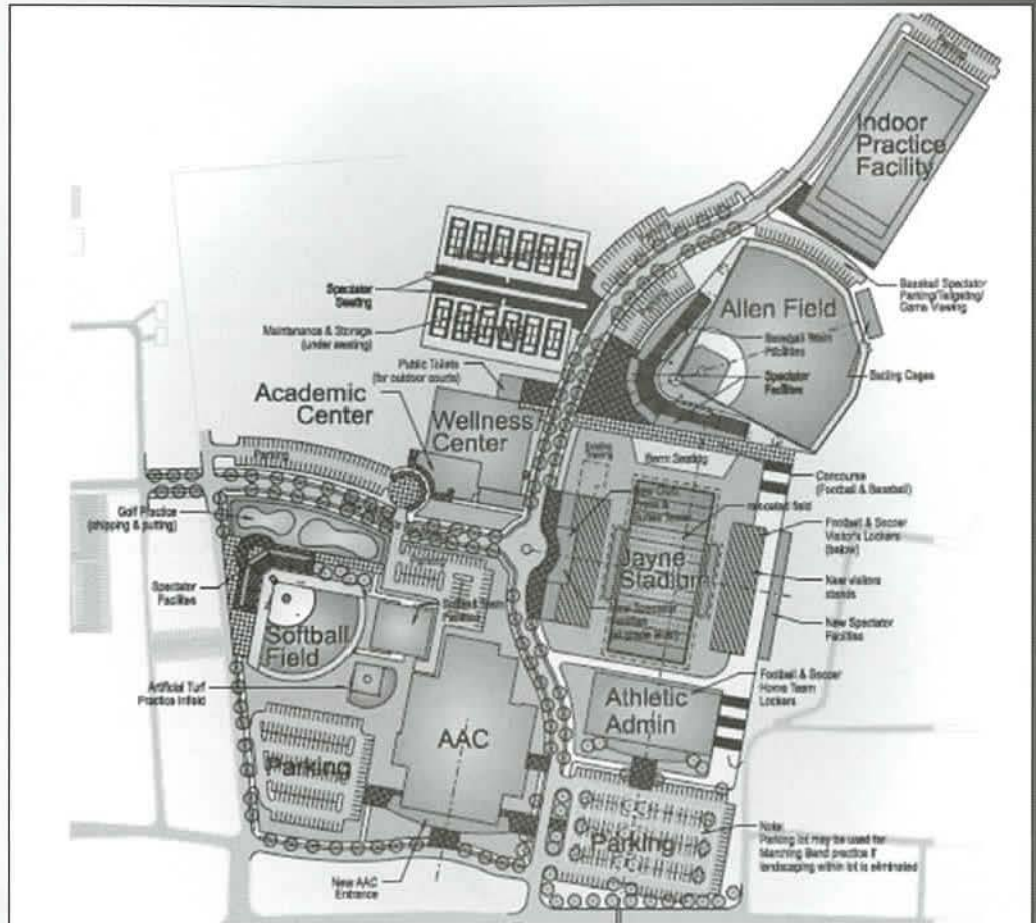

# A VISION FOR THE FUTURE MOREHEAD STATE'S ATHLETIC FACILITY MASTER PLAN

Through administrative and athletic leadership at Morehead State, a study of athletics facilities commenced in the winter of 2006 to identify a plan that would guide decisions made by MSU Athletics well into the 21st century. Heery International, acclaimed architects and facilities planners, was selected to complete the study.

All potential constituent groups were consulted throughout the process. While MSU has much to be proud of, it became quite apparent that significant work should be done to improve the physical athletics plant.

The drawing you see here provides a map of what is to come. In all, over \$89 million of work was identified and encompasses five new facilities and five renovated facilities. The first scheduled work will be the renovation of the University's Wellness Center into a state-of-the-art Athletics Academic Resource Building.

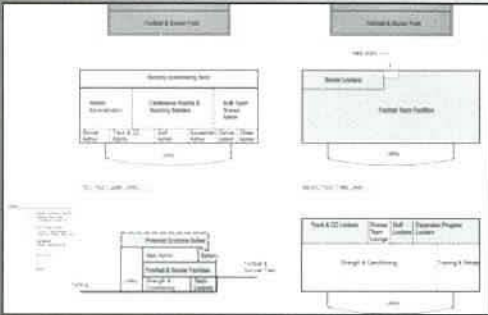

For more information or if you'd like to help MSU realize these goals, please contact MSU Director of Athletics Brian Hutchinson at [b.hutchinson@moreheadstate.edu](mailto:b.hutchinson@moreheadstate.edu) or at 606-783-2089.
