Vikings Drop One To Raceland

Lose First Conference Return To Ramblers. But Gain Ekay Title

After losing through the first three quarters of the game against the Raceland Ramblers, the Vikings apparently lost their drive and bowed to a fighting Raceland quarter 31-29. As the boys put it, the Ramblers started to ramble and "just rambled over the Kings". The game was a thriller from the start, with Raceland out to upset the Kings for the first time in the Ekay conference this season.

Tackett and Barker both fouled out in the last stanza, in spite of which Barker led the scoring for the game with 14 points, bringing his total points in nine conference games to 88. Colvin was high point man for the winners with 11. McCloud and Watkins left the game by the personal foul route for Raceland.

The dispute, if it was a dispute over the winning of the conference championship by Morehead, has been settled according to last reports and the Kings are officially declared winners. The dispute arose over the number of games played, some of the teams holding that the Kings were required to play 12 games before being eligible for consideration. The Kings have played 10 games and won 9, and are far and away the conference leaders.

Saturday night the Kings took on Bethel High in Bath county, and, while the home boys gave them a game, there was little danger. The first quarter Coach Holbrook sent in his reserves and Bethel took advantage of them to pile up an 11 to 2 count, sending in loss after loss, the score at the half was 11-2.

In the last half the Vikings pulled away to win 30-20. Scoring in the last half was 10-0. Coach Holbrook said that his B team instead of 35 wins consecutively had actually won 58 games without a loss. They clean their slate last season and this and went back into the 1937-38 season with six wins. We stand corrected. They have won 54 games without a loss.

Coch Holbrook asked that the boys make a correction. He said that his B team instead of 35 wins consecutively had actually won 58 games without a loss. They clean their slate last season and this and went back into the 1937-38 season with six wins. We stand corrected. They have won 54 games without a loss.

A Gentle Laxative Good For Children

Most any child who takes this modern laxative once will welcome it next time sluggish bowels have him bilious, headachy, listless or upset. Syrup of Black-Draught's fine flavor appeals to most children. By simple directions, its action is usually gentle but thorough. Principal ingredients help to tone bowel muscles. Two sizes; 80c and 25c. Next time, use Syrup of Black-Draught.

Yessiree - it Pays to Pay Enough!

TO SOME people, this spruce and sprightly Buick SPECIAL may be just one of those ambitions they hope some day to achieve.

But if you ask owners—especially those who have stepped up to Buick from the lowest-price field—you'll find it's really an eye-opener to a new and sounder slant on automobile buying.

Actually, the money difference between lesser cars and this nimble traveler is smaller than most people think. And when you've driven a Buick a while you find that spending these few extra dollars is really the soundest kind of economy.

They buy more power. They buy more room. They buy the matchless comfort of all-coil springing and the welcome feeling of having come up in the world.

They also buy more automobile. A bigger, solidier, more durable frame. A husky, time-defying chassis. Top-grade materials, supreme precision, "on the money" craftsmanship, things that make the difference between an adequate car and a good one.

You get your money back in tangible things, such as engines balanced after assembly, water outlook through Safety Plate Glass only, some six dozen features from automatic choke to the Flash-Way Direction Signal with automatic cut-off.

Every mile you drive you'll see how you profit by spending enough to get something really good.

And what you spend as you'll see if you call on your Buick dealer, it is less than you're asked to pay in some places for a six!

Not a sisk but an EIGHT for \$895 and 120000 miles at Buick.

Temperature control on all cars, and all Buick cars are built to last. Buick cars are built to last. Buick cars are built to last.

The world's standard is the Buick SPECIAL, model #1 four-door touring sedan \$895 delivered in Flint, Mich. White interior, tires, wheel covers.

Mrs. Pennington Dies

The Rowan County News, Morehead, Kentucky.

Nancy Jane Barker. She was born in Sandy Hook in Elliott in 1859 and was at the time of her death aged 81 years of age. She is survived by a sister, who lives in Cincinnati, Ohio, and by the following children: Mrs. Anna Jenkins, Mrs. Ruth Huter, B. J. season, and who were favorites to take over. The Eagles, finding themselves and clicking into a smooth machine for almost the first time this season, dumfounded the fans by taking the lead almost at the outset and holding it through the first half. Wiggers, at center, while he played but a short time due to his recent illness, was undoubtedly a star, averaging 8 points in the approximately seven minutes he played in each game of the tourney. Individually, Joe Dumford, whose disappointing showing early in the season, had discouraged not only himself but the coaches as well, more than made up for his slump in the Murray game and throughout the tournament. Against Murray he was particularly effective, accounting for 17 of the 41 points piled up by the Eagles. Eight of these points that count with a free abandon that was pleasant to watch, especially for Morehead fans. The Eagles led Murray at half time 21 to 17. As the second half opened the Murray cagers closed the gap and took the lead by one point, only to lose it again. The Eagles were simply not to be beat-

Eagles Upset K. I. A. C.

(Continued From Page One)

Neither the Eagles nor their coach, Ellis Johnson are making alibis. They lost, so what? In their loss they proved themselves fighters, and a team that has apparently just found itself. Another opportunity should find their confidence high, and their determination and morale even higher. The Eagles, under dogs from the start, opened against Murray who had defeated them earlier in the

en and the final score was 41-30. Encouraged by their showing against Murray, the Eagles set out to swamp Eastern, their natural rivals, who had defeated them twice during the regular season. They took the lead from the start and were never headed nor were they even in danger. Wiggers again started, playing a few minutes and was taken out. But during the few minutes he was in he led the points through the hoop for ten points. Talent, Steiner and Higginbottom as well as Dumford and Wiggers, shone; throughout the Eastern tussle. In fact, mention of all the outstanding players on the team indicates the kind of play they put up. The Eagles were cemented into a team and offered one of the most dazzling displays of team work ever seen on the Eastern or any other court. Picking stars in a game of this sort is the work of experts, since the team played each other. It is hard to believe that it was a complete pleasure to watch. The Eagles led at the half 20-15. Shortly after the beginning of the second half, Coach Johnson began substituting, and the Maroons gained a trifle in the scoring, but not enough to threaten. The game closed with the Eagles leading 41-30, against one of the teams that were rated as probable winners. The Western game, the finals, were played Saturday night, with the Eagles lacking an hour and a half as much rest as the tournament favorites, and going into the battle feeling the effects of their previous two hard games. In spite of this handicap, the Eagles held a lead of 2 points at the half, the score at that time being 20-18 in their favor. As the second half opened the Eagles felt the strain of their earlier play and let down to an extent that permitted Western, starting a luck shot Shelton, to forge ahead after eight minutes of play. The Westerners led at that time by two points, and were never headed, although they knew they were to jump up to the final seconds of play. The final score was 36-33, one of the closest and hardest fought games ever seen in a K. I. A. C. tournament. Steiner was one of the chosen few to gain in state recognition by playing on the All K. I. A. C. team.

They were not to be beat-

District Tournament (Continued From Page One) they do or not they are a cinch to win and to meet Breckinridge in the second round of the tourney. And thereby hangs the fate of the Sandy Hook team. If they should defeat Breck, and the fans of that county believe they can do so, then they will immediately refuse to admit they are whipped until the last whistle blows. And the serious show that they are seldom defeated. They hold two wins over Morehead High and one loss Grayson or Olive Hill upsets Morehead High, they will go to the finals.

Haldeman in spite of the fact that they have a young team, has been showing vast improvement during the last few weeks and may be in the running in spite of predictions to the contrary. They open the tournament against Hinchins, but are in the same bracket with Breckinridge and Sandy Hook which, with a young team made up of inexperienced players, is likely to spell doom to their ambitions.

The way things stand at present, the sports predictors are rating Breckinridge to win in their bracket, with Sandy Hook a dark horse and Haldeman one of an even darker color. Morehead High rates in the second bracket, with Grayson or Olive Hill figured to rate as dark horses. According to those predictions it is very likely to prove an all-Morehead final, the boys picking Breck to top the championship. On the other hand, both Morehead and Sandy Hook have their strong backing to win the tournament.

The results will be published next week, when the guessers will have their answers.

Breck opens the tournament Thursday night against Carter City at 7:00 p. m. Morehead High plays Soldier in their opener on Friday night at 8:15

EAST MOREHEAD NEWS Mr. and Mrs. Oscar Corlette entertained last week and the following guests, Mrs. Allie Williams and daughter Mrs. Ora McKenzie of Salt Lick, Mrs. Sam Tomplon of New Boston, Ohio and Mr. and Mrs. Clyde Williams of Wheelersburg, Ohio.
