

The Morehead Independent

"ONE OF KENTUCKY'S GREATER WEEKLIES"

VOLUME VIII

MOREHEAD, KENTUCKY, THURSDAY MORNING, NOV. 13, 1941

NUMBER FORTY-SIX

\$5,700 Granted MSTC For N.Y.A. Jobs

An allotment of \$5,700 has been granted Morehead State Teachers College, Morehead, to provide National Youth Administration jobs for approximately forty-two college students, available to twenty-four, who cannot receive their education without financial assistance, Robert K. Salvers, State Youth Administrator, announced today.

Dr. J. D. Falls has been appointed by Mr. Salvers to administer the NYA program of the college. He will be in charge of the jobs to be given jobs, and plan the work students will do to earn their money. They may help in the library or cafeteria, help maintain buildings and grounds, do research, statistical, clerical and other work beneficial to the college. Undergraduates may earn up to \$20.00 per month; graduates, up to \$30.00.

Co. Youth Urged To Assist In National Defense

Boys and girls in the schools of Rowan County have an opportunity to take part in the national defense program of the state is \$10,000. This will provide NYA jobs for approximately 2,000 college students during the 1941-1942 school year.

Baptist Stays They Can Help By Enrolling in Junior Red Cross

Boys and girls in the schools of Rowan County have an opportunity to take part in the national defense program of the state is \$10,000. This will provide NYA jobs for approximately 2,000 college students during the 1941-1942 school year.

Through their own organization, 675,000 Junior Red Cross members in the nation are making a united stand for national preparedness behind their country's quasi-official agency, the American Red Cross.

Using all schools in the city to cooperate in the forthcoming enrollment drive, Mr. Hagan said that the nationwide movement gives the youth of our country an organization of their own in which they may fulfill social responsibilities and develop a regard for their fellows' welfare.

The current national program of the organization he said is based on the theme, "Citizenship Training for Internal Defense." He added that prominent educators have sanctioned the Junior Red Cross as a "murder my son-in-law," "put it in some coffee and use your wife substitute for you." By that time you have to get up or stay up as the case may be for your own breakfast and go to work.

Hot Lunches Served Rowan School Children

Many of the schools in the county are operating hot lunches for their program now. The children enjoy these lunches immensely and the mothers tell how much they enjoy coming to school without having to bring a cold lunch from home and how well they like to eat something hot with their comrades and all fare alike. The schools now having hot lunches are: Ellingtonville, Farmers, Old House Creek, Seas Branch, Bratton Branch, Big Branch, Little Branch, Sharkey, Johnson, Christian, Adams, Davis, Little Perry, Hardeman, Dry Creek, New Home, and all schools that do not have hot lunch have all the food that do not have to be cooked.

James F. Roberts, Age 85, Succumbs At Cogswell Home

Had Been Rowan Resident Seventy-Eight Years

James Floyd Roberts, 85, of Cogswell, Kentucky, died November 7th, of exposure, when he slipped into a shallow portion of the Licking River near his home. Mr. Roberts had attempted to cross the river, but missed his footing, and slipped into marshy sand and mud, striking a crag overhanging the river. A searching party found the body at 6:30 a. m., the morning of November 8th.

He was united in marriage to Anna F. Anderson, in 1883, of which union the following children survive: John Roberts, Antigon, Wisconsin; Edith Roberts, Fields, Kentucky; Mart Roberts, Morehead; Luther Roberts, Clearfield, Kentucky, was first prize of \$100.00. A. B. McKinney, of Morehead, was second prize of \$20.00.

Health Committee Appointed In Rowan County

Purpose Is Improvement Of Health Of Rowan County

Rowan County is doing its part in the national set up in the appointment of a county committee on Nutrition that has as its purpose the improvement of health of the citizens. The county committee is headed by Miss Patty Bolin, a specialist in nutrition at the Morehead State Teachers College. The following objectives have been set forth in order to acquire the citizens of the county with the work:

1. To educate our people to the need of proper food habits.
2. To encourage the production of a balanced food supply.
3. To encourage the proper preservation and storage of our food supply.
4. To secure the services of a Home Demonstration Agent.

Rowan Teachers Attend K. E. A.

Practically all of the teachers in the Rowan County School system attended the K. E. A. meeting at Morehead, Ky. The meeting was held at the Morehead Hotel and was attended by more than 100 teachers. The meeting was held in the afternoon and was held at the same time in every school in the area, it pointed.

American Legion Gives \$100.00 In Prizes

Corbie Ellington Post Number 126, of The American Legion, held a drawing on Tuesday of this week, the funds of which will go to buy Christmas baskets for needy families of Rowan County.

Mrs. Edgar Bowman, of Clearfield, Kentucky, won the first prize of \$100.00. A. B. McKinney, of Morehead, was second prize of \$20.00.

Request Clothing For Poor Family

The Rowan County chapter of the American Red Cross has received an urgent request for clothing and household goods for a family whose home burned recently. The Red Cross has investigated the request and found the family worthy of assistance.

The house burned while the family was away from home and accounts for why nothing was saved. The father weighs about one hundred-eighty pounds and wears a shirt size fifteen. If anyone has clothing to give him...

The mother had worked hard all summer in canning a winter supply of food and all this was lost.

Disaster relief operations of the Red Cross 222, Disaster staffers served 354,672, ex-service men of families assisted through chapters, 127,068. Service men or families assisted through chapters, 23,477.

Big Pep Rally And Parade Will Be Held On Eve Of "Hawg-Rifle" Tilt Friday

COMMUNITY THANKSGIVING SERVICE

The churches of Morehead will cooperate in a community service at Thanksgiving, Wednesday evening, November 14th, the night before Thanksgiving Day, at 7:00, at the Christian Church.

The Reverend Lewis Cooper, of the Methodist Church will be the speaker of the evening.

The College Choir, under the direction of Miss Betty Bolin, will present special music, and will lead in congregational singing.

The public is urged to participate in this community expression of Thanksgiving.

School Students, Townspeople, American Legion, Fire Department And Others Will Participate

A joint "pep rally" of College and townspeople, on the eve of the annual Morehead-Eastern "hawk-rifle" battle, will be held Friday night at 6:30 o'clock, beginning with a torch parade.

Participating in the mammoth procession will be the American Legion, the College student body, the Training School students, Morehead High School students, the Morehead Fire Department, and townspeople. Everyone is invited to join in the parade and the activities following, which will be held on the old Bishop lot, now owned by the East the Eagle-land bonfire will be built on the lot, and prominent Morehead citizens will make short pep speeches. The Morehead Gun Club will give a shooting demonstration.

Red Cross Releases National Statistics Of Activities

Statement Covers Period From July 1, 1940, To July 1, 1941

In connection with the annual roll call, national Red Cross headquarters has sent the Rowan county chapter a statement of Red Cross activities throughout the nation from July 1, 1940 and June 30, 1941. Figures released show the following facts:

Disaster relief operations of the Red Cross 222, Disaster staffers served 354,672, ex-service men of families assisted through chapters, 127,068. Service men or families assisted through chapters, 23,477.

Disaster relief operations of the Red Cross 222, Disaster staffers served 354,672, ex-service men of families assisted through chapters, 127,068. Service men or families assisted through chapters, 23,477.

DEFENSE BOND Quiz

Q. When the "drive" to sell Defense Bonds begin?
A. There will be no "drive." Many people think of the Defense Savings Program as like the Liberty Loan campaigns of the first World War, which were conducted for stated periods to raise specific quotas. The Defense Savings Program is a long-range, continuing effort to stimulate the public to buy more and more Defense Bonds and Stamps month by month, and is essentially a program to promote mass saving as well as to provide money for defense.
Q. Are the Defense Savings Stamps sold at retail stores exchangeable for Defense Savings Bonds?
A. Yes. They are the same as Stamps on sale at post offices and elsewhere.

a "workshop of citizenship in a democracy at peace or at war." Three main principles underlie the organization's activities, he added: promotion of positive health service to others, the state and nation, and the fostering of international understanding. Under these major headings the local council conduct projects in their own communities and cooperate with the national organization in nationwide programs.

The local chapter participated in the national program, which last year sent more than 46,000 gift packages to children in other countries, gave a story book transcribed in Braille to each of 4,700 blind school children, and sent gifts each holiday to approximately 50,000 ex-service men in hospitals and to about 150,000 members of the armed forces on other occasions.

Junior Red Cross members have contributed approximately \$215,000 to foreign war relief projects through their own National Children's Fund, which is maintained by children and used solely for aiding children in other countries. Nearly one half of this amount has been used to maintain homes for children under five years of age in England who are the victims of air-raids. Mr. Hagan said.

destroyed in the fire. If anyone can supply any of the above, kindly communicate with Mrs. Blanche Waltz, phone 207 or call the Morehead Independent. In doing this you will render a great service to a fine family.

K. E. A. Secretary Releases Facts Concerning Schools

W. P. King, Secretary of the Kentucky Education Association, Louisville, Kentucky, releases the following facts concerning schools in Kentucky. Every parent in the state should have this information.

1. More than half of the elementary school children of Kentucky get only seven months of schooling. At that rate they would get to go to school three and four-tenths years to get the equivalent of what the children get who spend their eight elementary years in ten-month schools.

2. More than a third of the elementary children of Kentucky go to school nine or ten months each year.

3. The salaries of teachers have decreased in the last ten years while everything else has increased, including the qualification of teachers.

4. In ninety-one counties of Kentucky the average salary of elementary teachers is less than \$12.00 per week. This means that 5,229 elementary teachers are receiving less than \$12.00 per week on an annual basis.

5. More than 7,000 county teachers have employment for only seven months.

6. The average salary of high school teachers in Kentucky on an annual basis is approximately \$20.00 per week. They must be college graduates.

Kentucky Workers Affected By Hugo Wage Increase

Wage Orders Issued By Administrator Of Wage And Hour Division

Five industrial wage orders directly increasing the wage rates of thousands of workers in Tennessee and Kentucky went into effect November 3rd, William M. Eaves, Regional Director of the Wage and Hour Division, United States Department of Labor, announced. These wage orders issued by General Philip B. Fleming, Administrator of the Wage and Hour Division, require payment of at least forty cents an hour in the shoe, furniture, jewelry and gray iron foundry industries; and at least thirty-five cents an hour in the lumber and timber products industry.

The lumber wage order affects the largest number. It is estimated that it will increase the hourly wage rate of employees at approximately 2,000 lumber establishments in the two states. Logging operations are not under the lumber wage order. The wage order, which has been mailed to establishments in the industry, states, "the manufacture of any products covered under this definition shall be deemed to begin with the unloading of the raw material at the mill site."

This is similar to the pulp and paper wage order which covers all operations involved in the production of pulp, paper and board, starting with the unloading of raw materials at the mill site.

As a result, the cutting of timber and pulp wood in the woods is at the thirty-cent-an-hour statutory minimum of the Wage and Hour

Law, while the thirty-five cent-an-hour lumber wage order and the forty-cent-an-hour paper wage order start with the unloading of the logs at the saw mills or paper mills.

The United States Navy at present has thirteen Naval Reserve Aviation bases where preliminary training is given to candidates. However, it is expected that this number will be increased to take care of the great number of aviation cadets who are enlisting for service with the Naval Reserve. When the Recruiting Program is operating at full capacity approximately eight hundred students a month will be enrolled for training. Three new bases, to be added soon, are located at Atlanta,

Georgia, New Orleans, Louisiana, and Dallas, Texas.

The United States Marine Corps is now accepting men for enlistment. Interested young men who are un-married and between the ages of seventeen to thirty may write or apply in person to the Marine Corps Recruiting Station, Post Office Building, Ashland, Kentucky.

Headed by their captain, John A. Connerway, eleven first string members of the football team of Boston University filed applications for services in the United States Naval Air Corps.

Absolute Auction 116 ACRE RIVER BOTTOM FARM AT SALT LICK, KENTUCKY. AS AGENTS FOR THE HEIRS OF GEORGE KARRICK, DECEASED, THE UNDERSIGNED WILL, ON

Saturday, Nov. 15

10 A. M., Rain Or Shine Offer For Sale At Public Auction

A splendid bottom farm, located just outside the west limits of Salt Lick, on U. S. Highway No. 60, and containing 116 acres, more or less. This is one of the best farms in that section of the county, all of which is fertile bottom land and produces from 50 to 75 bushels of corn per acre and other crops as well. There are fairly good improvements on this farm, consisting of one two-story frame dwelling containing seven rooms, two halls and front and back porches, one stock barn, three corn cribs and other necessary outbuildings. Farm well watered with running springs, pond and well.

THERE ARE 50 ACRES IN GRASS; BALANCE IS IN CORN. This farm will be offered for sale in two separate tracts, the first tract upon which the improvements are located contains 49.7 acres, and the second tract containing 66.3 acres. After the bids have been received on the two tracts separately, then the farm will be offered as a whole, and will be sold whichever way it brings the most money.

Will also sell 150 barrels of picked corn. FREE \$100.00 WILL BE GIVEN AWAY AT OPENING OF SALE! Remember this is a chance to buy a real farm, as it is being sold to settle the estate.

Rowland Auction Co. Selling Agents Winchester, Ky.

A BITTER DOSE TO SWALLOW

THE STORY IN A NUT-SHELL!

Over a year ago we knew prices were going to advance. However, we had no idea they would advance as fast and as much as they did. Over a year ago we started scouring the markets and bought, and bought all we could buy from every good source who would guarantee delivery. We bought over \$30,000.00 worth of winter merchandise, most of which has been delivered. Our store is over-running with merchandise at the old pre-war prices, bought at pre-war prices, and now our store is too full. Our ware house is overflowing, and more is coming in. We must raise cash quickly to pay for this merchandise. We are forced to sell at least a part of this tremendous stock at sacrifice prices as low as last year and some even lower than last year. This may be your last chance to buy at the old prices so you had better hurry!

O No 'IFS' or 'BUTS' About it... Frankly we're caught -- **Overstocked!**

Williams, and children, Helen, Florence and Patsy Ann, all of Webb, Mr. and Mrs. Jay Henthorne and Jay, Jr. Mr. and Mrs. Andy Dougherty and Andy Vernon, all of Olive Hill, Mrs. E. D. Patton and Miss Mary Alice Caldwell.

November 12th, at 2:30, for their November meeting.

After the business meeting, Miss Inez Faith Humphrey conducted a devotional of thankfulness. This was followed by a social hour. A large group was in attendance.

Guild To Present Play Sunday

The Young Peoples Guild of the Christian Church will present Fred Eastman's one-act play, "Broad Sunday" evening at 7:00 o'clock in the church auditorium.

The play is not only one of the better plays of the generation, but it is also highly inspirational. It deals with the struggles and problems of a modern family.

The Guild has presented other fine dramatic productions, but it is believed that this will be the finest.

The cast is exceptionally talented. Ollie Morris Lyon enacts the role of the hard-bit farmer beset by debts and troubles. His good will, which helps him solve his problems is portrayed by Lavina Waters. Their son, who causes much anxiety in the family circle is enacted by Bobby Hogge. The little sister is assumed by Frances Sney. The blind daughter who furnishes inspiration in the whole family is portrayed by Jean Anne Jones. Humor for the portrayal came through the acting of Jane Puckett who is cast as grandmother.

Special music will be provided before and after the play by Vera May who will offer solos on the Marianna.

The public is invited.

I wish to thank the voters of Rowan County for their support in the past election. I assure you that I appreciate it from the bottom of my heart. To those who saw fit to be for my opponent, I hold no hard feelings and can only thank you for the support you gave me. I wish to express my appreciation to my friends for their enthusiastic support and efforts in my behalf in the recent election.

JUDGE I. E. PELFREY

To the Voters Of Rowan County:

I want to thank the voters of Rowan County for their support in the past election. I assure you that I appreciate it from the bottom of my heart. To those who saw fit to be for my opponent, I hold no hard feelings and can only thank you for the support you gave me. I wish to express my appreciation to my friends for their enthusiastic support and efforts in my behalf in the recent election.

Bombers Must Breathe

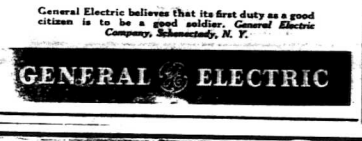

Today American-made bombers can fly at the unbelievable height of six miles. Here is the story of the small but still important device that helps make stratosphere flying possible.

1. It started in Pike's Peak in 1918, where Army Air Corps engineers showed that an airplane engine could be made to run efficiently 2 1/2 miles above sea level.

2. This amazing feat was possible because a "turbocharger" developed by the Army Air Corps and G.E. engineers—pumps extra oxygen into the carburetor.

3. For 22 years these engineers have worked constantly to improve this vital device. As a result, U.S. bombers can fly above the reach of anti-aircraft fire.

4. Dr. S. A. Moss, G.E. engineer who pioneered in this work, now at G.E. has the thrill of watching the supercharger help carry our fliers higher than any other!

GENERAL ELECTRIC

PROVED PRODUCT OF GENERAL MOTORS

HYDRA-MATIC

HYDRA-MATIC eliminates clutch pedal, conventional clutch mechanism and all gear shifting... SAVES 10 TO 15% ON GAS!

WHEN you consider the new "drives," consider these facts. Hydra-Matic is the only "drive" that is built and backed by General Motors. Hydra-Matic is now in its third great year and has proved its advantages through hundreds of millions of miles in the hands of 130,000 Oldsmobile owners. Hydra-Matic is still the only "drive" that offers completely automatic shifting through four forward speeds. Although Oldsmobile will produce the new B-44 in limited quantities, in order to release vital materials for defense, all models will be available with Hydra-Matic Drive. Come, take a look at the B-44. It's styled and engineered for the future and quality-built to last!

AMERICA GIVES THANKS

Nature has proved out her bounties with a lavish hand. From our abundant store we are able to supply our needs and to send food to less fortunate lands. We have more good things of life than any other nation.

It is a time to be grateful for plenty in the face of world-wide scarcity... for freedom to go where and when we will... for our homes where this holiday will be celebrated just as for many generations... and for many other things as much a part of our lives as Thanksgiving Day itself. This year, of all years, let us be truly thankful.
