VOLLEYBALL FACILITIES

WETHERBY GYM

www.msueagles.com

Over the last several years, Morehead State has overhauled the practice and game facilities for the volleyball team at Wetherby Gym. The hardwood floor was recently resurfaced and new windows, lights and scoreboards have been added. The building was originally completed in 1955 and was named for then-Governor Lawrence Wetherby.

The 5,000-seat facility was the home of the MSU basketball programs from 1955-82, when the two teams moved into the Academic-Athletic Center. Within the facility lies the volleyball team's newly-renovated locker room and team lounge/video room, plus visiting locker rooms and an officials' locker room, an equipment storage area, a laundry room, a concessions area and a training room.

The volleyball coaching staff also has spacious new offices in Wetherby Gym, providing convenience and accessibility. Overall, Wetherby Gym provides the Eagles with an excellent facility and home court advantage and is one of the largest volleyball-only arenas in the OVC and the nation.

VOLLEYBALL FACILITIES

The Eagles' spacious locker room is located just steps from the Wetherby Gym Court with ample locker space for each player.

The Eagles' state-of-the-art video room and player lounge was constructed before the 2006 season and provides MSU with an excellent tool for pregame and practice preparation.

2007 OUTLOOK

THE TIME IS RIGHT FOR AN OVC CHAMPIONSHIP RUN

If ever there was a time to shine for the Morehead State volleyball program, it would be in 2007. Despite the loss of four seniors from a 2006 squad that went 21-13 and finished fifth place in the Ohio Valley Conference, head coach Jaime Gordon's 2007 squad is ready for even greater challenges. With just one senior on the 2007 roster, the program is primed for a run at the Ohio Valley Conference championship - this season and in the near future.

Two All-Conference performers return, plus Gordon's 2007 recruiting class is his best ever since he began his tenure at MSU in 2003.

In the offseason, the staff signed six newcomers - including a Division I transfer, a junior college transfer and a *Mizuno/Volleyball Magazine* First-Team All-American. The six newbies join six returnees and one returning redshirt to make up a talent-laden squad destined for greatness in 2007.

ON THE OUTSIDE

Always the position that draws the most attention from opponents, Morehead State's outside hitters will once again be the centerpiece of the 2007 team. Two returnees join two newcomers to make up the MSU attacking core.

The group is headlined by returning junior **Ashley Doscher** (Frisco, Tex.). Doscher was the Ohio Valley Conference Freshman of the Year in 2005 and continued an outstanding career as a sophomore last year. She ranked third on the team with 342 kills and led the team with 42 service aces. Doscher has proven to be one of the best service players in the league in just two seasons with 96 career aces. Also returning for her senior season is **Kelsey Cronin** (Fairfield, Ohio). Cronin will be relied upon for leadership in 2007 as she is the only senior on the team.

Joining that duo is perhaps MSU's most decorated freshman in several years. **Kaitlin Craven** (Louisville, Ky.) is one of three players on this year's Eagle team that hails from Louisville and Assumption High School. In 2006, Craven was named the Gatorade Kentucky High School

Kelsey Cronin

Player of the Year and was named a *Mizuno/Volleyball Magazine* First-Team All-American. She should see immediate playing time and could be a significant factor for postseason league honors.

The Eagles will also rely on the services of transfer **Monika Jaroszewicz** (Warsaw, Poland) who comes to Morehead State after two seasons at Mineral Area College in Missouri. One of the first-ever Division I transfers from MAC, Jaroszewicz should find an immediate spot on the court at either true outside hitter or right side hitter, where she played at MAC.

IN THE MIDDLE

Two significant players return, including a Second-Team All-Ohio Valley Conference award winner, and three newcomers join them to make up the Eagles' group of middle blockers and hitters.

Junior **Erin Peak** (Georgetown, Ind.) headlines the group. She earned All-Conference accolades in 2006, ranking among the top 10 in the league in hitting percentage while providing an extremely balanced offensive and defensive

www.msueagles.com

Kristina Schoo

option for Gordon. Peak blasted 435 kills (3.3 k/m) to rank second on the team and also scooped up 371 digs (2.8 d/m). She had 16 double-doubles and hit .298 in the 16 conference matches. She was also a huge force at the net on defense, compiling 93 total blocks, including 23 solo blocks to rank second on the team.

Also returning and a great candidate to inherit a starting job in the middle is sophomore **Amber Campbell** (Charleston, S.C.). A transfer from Clemson, Campbell made the most of her limited time in 2006, compiling 31 blocks in just 48 games played. With the loss of a key middle blocker, Campbell will definitely be given the chance to be the Eagles' main rejection specialist in 2007.

Three newcomers will also look for playing time. Freshmen **Emma Keough** (Batavia, Ohio) and **Holly Evans** (Blacklick, Ohio) both begin their collegiate careers with a bevy of high school accolades under their belts. Evans broke her own school season blocking record three times. The third newcomer is **Leah Duncan** (Mansfield, Tex.), who joins the Eagles after one season at Rice University. Originally recruited by Morehead State, Duncan has a year of high-level collegiate volleyball experience and should be able to compete right away for a spot on the court.

BACK LINE

Defense should again be a highlight of the Eagles' game plan in 2007, and Gordon should have no worries even though his starting libero is just a sophomore. **Kristina Schoo** (Louisville, Ky.) came to Morehead from nationally-prominent Assumption High School and made an immediate impact as a true freshman.

She recorded 562 digs for the season, which was the fourth highest total in school history and the best total for a freshman in school history. Schoo had 13 20+-dig matches, and she should be able to even improve her performance again this season.

Schoo will be joined on the back line by returning redshirt **Lindsey Ruddell** (Lexington, Ky.). Ruddell returns after an injury kept her off the court in 2006. But, with a year of practice experience, she should be ready to contribute on defense this campaign.

SETTERS

Gordon could actually be in a bit of a quandary when it comes to setters; but, not a bad quandary. In fact, he might actually have two setters that are capable of earning the starting nod, so what offense the Eagles run may be determined during the preseason workouts.

Junior **Katelyn Barbour** (Florence, Ky.), a Second-Team All-Ohio Valley Conference winner in 2006 and the OVC leader in total assists, returns for her third year, while freshman setter **Kirstie Brang-**

ers (Louisville, Ky.) comes in with high expectations after leading Assumption High School to national prominence the last four seasons.

A multi-faceted setter, Barbour dished out 1,652 assists last season and also ranked second on the team with 390 digs. She had a string of 17 straight double-doubles and already ranks fifth in career assists at MSU with 2,391 in less than two full seasons. A calm and efficient leader, she could challenge for high honors in the OVC this year.

Brangers begins her collegiate career with high expectations as well. She helped guide her high school team to three state titles and one national title and was the 2003 AAU national tournament Most Valuable Player. She was also a finalist for the 2006 Andi Collins Award, presented to the nation's top high school setter.

THE SCHEDULE

As always, the 2007 schedule should present the challenges necessary to prepare the Eagles for the rigors of a full OVC schedule. The league has expanded its schedule to include a double round-robin format this year. In the past the Eagles had played four of the schools just once a year, but now every team will play each other team twice, giving the league a more balanced schedule with the hopes of an exciting race to the tournament in November.

The Eagles will have the benefit of beginning their schedule at home for the first four matches this season as they host the second annual Comfort Inn and Suites Invitational Aug. 24-25. This year's expanded field includes West Virginia, Southern Illinois, Towson University and Eastern Kentucky.

Fans will also enjoy seeing a trio of other powerful teams making the trip to Morehead. MSU hosts Miami University, Cincinnati and University of Louisville. The nationally-ranked Cardinals are playing in Morehead for the first time in more than 10 years and this year's match is also on Halloween night in conjunction with the Trick-or-Treat with the Eagles promotion.

In addition, MSU will participate in early season tournaments at Elon University and University of Kansas and host all 10 other OVC teams this year.

Jaime Gordon enters his fifth year in Morehead and is ready to lead the Eagles back to the top of the OVC standings after guiding MSU to a conference title in his first year in 2003. He made great strides last year, leading the Eagles to their second 20-win season during his tenure and to the semifinals of the OVC Tournament.

Gordon made an instant impact in his first year as the head coach of the Morehead State women's volleyball program. He became the only Eagle mentor to lead MSU to an Ohio Valley Conference crown in his first season at the helm and boasted the second-best winning percentage of any MSU volleyball first-year head coach.

Capping off the 21-11 campaign and school record 14-2 league mark, Gordon received the OVC Coach of the Year honor, becoming just the third Morehead State mentor to secure that accolade.

Gordon came to MSU in April 2003 after a successful four-year stint as the top assistant and recruiting coordinator at Kentucky. From 1999-2002, he handled much of the on-court practice and match coaching, coordinated the team's scouting and worked directly with the middle blockers.

He also spent the 1993 and 1994 seasons as a volunteer assistant at UK. The 1993 team was one of the most successful in school history, finishing 29-4 and advancing to the second round of the NCAA Tournament. In his six years with the program, Kentucky collected 90 wins, including 41 in the highly-competitive Southeastern Conference, and was regionally ranked in four of those seasons. In between his stints with the Wildcats, he coached West Virginia Wesleyan to an 80-27 record. From 1996 to 1998, he helped lead the perennial-powerhouse Bobcats to two conference championships, two NCAA Tournament berths and appearances in the top 25 rankings.

During his tenure at WVWC, he coached two academic all-district performers, 15 all-conference and seven all-region players, plus two conference Players of the Year. His team earned the American Volleyball Coaches Association (AVCA) Team Academic Award, and individually, he was honored as the West Virginia Intercollegiate Athletic Conference Coach of the Year in 1996. He also was the runner-up for regional Coach of the Year honors that same season.

His 1996 team was ranked 19th by the AVCA, after posting a 35-6 overall record and a perfect 17-0 conference mark. Those 17 wins were part of a victory streak that reached 106

straight, a Division II record. The Bobcats ended up winning their sixth straight West Virginia Intercollegiate Athletic Conference (WVIAC) title and advanced to the first-round of the NCAA Tournament, where they lost in three games to Edinboro. That season, West Virginia Wesleyan led the nation in digs per game.

In 1997, he guided the club to a 23-12 record, a seventh consecutive WVIAC title and another berth in the NCAA Tournament, where this time they took Edinboro to five games before falling in the opening round. His 1998 team went 22-9 and finished 10-5 in conference play.

While at WVWC, he also served as a physical education instructor and was a member of the President's Facilities Committee.

In his final two seasons, he also served as the conference's executive assistant for volleyball. Those same two years, he was a voter for the AVCA's national Division II poll, and an NCAA regional representative, where he was involved in recommending teams, sites and officials to the NCAA Championship Selection Committee.

During the 1996 Atlanta Olympics, he served as a Field of Play Marshall. There, he was in charge of managing and assigning a portion of the competition area, and ensuring the safety of the athletes and spectators during matches.

His first head coaching experience came in 1995 as he led Lexington's Henry Clay High School to the Kentucky state tournament. That team finished 28-6 and was the regional runner-up, as well as the Fayette County regular-season and tournament champion. It was the first state tournament appearance for a Fayette County team. In 1994, he was an assistant coach at Henry Clay, helping that squad to a 25-6 record, a third-place regional finish, and Fayette County regular-season and tournament titles. That year, he also was the head coach of the Thoroughbred Volleyball Club 18 & Under team.

A three-time graduate of the University of Kentucky, he earned bachelor's degrees in architecture in 1994 and art history in 1996. He also received a master's in sport management in 1996 and has worked toward an MBA. He is a member of the American Volleyball Coaches Association (AVCA) and is the OVC representative to the AVCA Head Coaches Committee.

As a player, he spent six years as a member of the nationally-ranked Kentucky men's club team. He served as a three-year team captain and was selected to the 1994 U.S. Olympic Festival Team as an alternate. In addition, he established and served as Commissioner of the Ohio Volleyball Conference from 1994-96. He also served as Director of Volleyball Operations for Hard Spike, Inc., in Lexington, and has worked numerous camps across the nation.

A two-year high school letterwinner in his native Teaneck, N.J., Gordon was named all-state as a senior.

Outside of his volleyball experiences, he is an accomplished concert and jazz musician, and has served on the board of the American Heart Association and the Andover Neighborhood Association.

Gordon and his wife, Ashley, live in Lexington, Ky., with their seven-year-old daughter, Sydney, and three-year old daughter Jamison.

THE OHIO VALLEY CONFERENCE

ENTERING ITS 60TH YEAR, THE OHIO VALLEY CONFERENCE CONTINUES TO BUILD ON THE SUCCESS THAT HAS MADE IT THE NATION'S EIGHTH-OLDEST NCAA DIVISION I CONFERENCE. IN 2003, THE OVC EXTENDED ITS GEOGRAPHICAL FOOTPRINT INTO ALABAMA FOR THE FIRST TIME, EXPANDING THE LEAGUE'S MEMBERSHIP TO A RECORD 11 INSTITUTIONS WITH THE ADDITION OF JACKSONVILLE STATE UNIVERSITY AND SAMFORD UNIVERSITY.

THE OVC'S PROUD PAST DATES BACK TO 1948, BUT SEEDS FOR THE NEW LEAGUE WERE ACTUALLY PLANTED IN 1941. IT WAS THEN THAT ROY STEWART, THE ATHLETICS DIRECTOR AT MURRAY STATE, CHARLES (TURKEY) HUGHES, THE ATHLETICS DIRECTOR AT EASTERN KENTUCKY, AND KELLY THOMPSON, THE PUBLIC RELATIONS DIRECTOR AT WESTERN KENTUCKY, FIRST BROACHED THE IDEA OF FORMING A NEW CONFERENCE. DISCUSSIONS WERE PUT ON HOLD BY WORLD WAR II, BUT REEMERGED FEB. 27-28, 1948 AT THE KENTUCKY HOTEL IN LOUISVILLE AS THE THREE ORIGINAL INSTITUTIONS COMBINED WITH MOREHEAD STATE, LOUISVILLE AND EVANSVILLE TO FORM THE OVC.

IN THE 1950'S, THE OVC BECAME A PIONEER ON A MUCH MORE SIGNIFICANT SCALE SOCIALLY. DURING TIMES OF RACIAL SEGREGATION, LEAGUE MEMBER MOREHEAD STATE BECAME ONE OF THE FIRST NON-TRADITIONALLY BLACK MID-SOUTHERN INSTITUTIONS TO ACCEPT A BLACK STUDENT. IN 1958, MARSHALL BANKS EARNED ATHLETICALLY-RELATED AID AT MOREHEAD, WHICH SIGNED A SECOND BLACK ATHLETE, HOWARD MURPHY, A YEAR LATER. IN 1961, MURPHY EARNED ALL-CONFERENCE RECOGNITION AS A HALFBACK IN FOOTBALL. WITH RACIAL BARRIERS BROKEN, THE REST OF THE INSTITUTIONS IN THE LEAGUE BEGAN TO PROVIDE EDUCATIONAL AND ATHLETIC OPPORTUNITIES TO AFRICAN-AMERICANS.

IN THE LATE 1970'S, WOMEN'S ATHLETICS BEGAN SOMEWHAT OF A REBIRTH ON THE NATIONAL SCENE AS THE NCAA BEGAN SPONSORING AND MARKETING WOMEN'S SPORTS. RECOGNIZING THE NEED TO PROVIDE INCREASED OPPORTUNITIES FOR FEMALE ATHLETES, THE OVC ESTABLISHED WOMEN'S CHAMPIONSHIPS IN THE SPORTS OF BASKETBALL, TENNIS AND TRACK IN 1977, WITH CROSS COUNTRY AND VOLLEYBALL ADDED OVER THE NEXT FOUR YEARS. THOSE SPORTS WERE INITIALLY GOVERNED BY THE ASSOCIATION OF INTERCOLLEGIATE ATHLETICS FOR WOMEN, BUT THE OVERALL STRENGTH OF WOMEN'S PROGRAMS IN THE LEAGUE WAS DEMONSTRATED BY THE AUTOMATIC BIDS THE OVC INSTANTLY RECEIVED WHEN THE NCAA BECAME THE GOVERNING BODY IN 1982.

THROUGH THE EARLY YEARS OF THE LEAGUE, ADMINISTRATORS WRESTLED WITH FAN BEHAVIOR DUE TO THE CLOSE PROXIMITY OF THE CONFERENCE MEMBERS AND THE INTENSE RIVALRIES WHICH DEVELOPED. JUST AS IT DID DECADES AGO, THE OVC TOOK THE LEADERSHIP ROLE ON WHAT HAS BECOME A NATIONAL ISSUE. IN 1995, THE OVC IMPLEMENTED A FIRST-OF-ITS-KIND "SPORTSMANSHIP STATEMENT", A POLICY WHICH PROMOTES PRINCIPLES OF FAIR PLAY, ETHICAL CONDUCT AND RESPECT FOR ONE'S OPPONENT. THE STATEMENT HAS BECOME A MODEL FOR OTHERS TO FOLLOW ACROSS THE NATION, AND HAS ANSWERED THE CHALLENGE OF THE NCAA PRESIDENTS' COMMISSION TO IMPROVE SPORTSMANSHIP IN COLLEGIATE ATHLETICS.

ADDITIONALLY, THE OVC ANNUALLY PRESENTS THE STEVE HAMILTON SPORTSMANSHIP AWARD, IN HONOR OF THE FORMER MOREHEAD STATE STUDENT-ATHLETE, COACH AND ATHLETICS DIRECTOR, TO A JUNIOR OR SENIOR STUDENT-ATHLETE WITH SIGNIFICANT ATHLETIC CONTRIBUTIONS WHO BEST EXEMPLIFIES THE CHARACTERISTICS OF SPORTSMANSHIP AND CITIZENSHIP. MOST RECENTLY, THE CONFERENCE HAS ALSO IMPLEMENTED THE OVC INSTITUTIONAL AND TEAM SPORTSMANSHIP AWARDS, WHICH ARE PRESENTED TO ONE INSTITUTION AND 18 SPORT-SPECIFIC TEAMS VOTED BY THEIR PEERS TO HAVE BEST EXHIBITED THE STANDARDS OF SPORTSMANSHIP AND ETHICAL CONDUCT AS OUTLINED BY THE OVC AND NCAA.

OVER ITS 59 YEARS, OVC TEAMS HAVE GARNERED NATIONAL CHAMPIONSHIPS AND BOWL GAMES IN FOOTBALL, ALONG WITH NATIONAL TEAM OR INDIVIDUAL TITLES IN THE SPORTS OF RIFLE, CROSS COUNTRY, TRACK AND GOLF.

THE OVC HAS ALSO PRODUCED SEVERAL OLYMPIC ATHLETES, INCLUDING FORMER MURRAY STATE STANDOUT AND EIGHT-TIME ALL-AMERICAN MORGAN HICKS, WHO WAS A MEMBER OF THE 2004 UNITED STATES OLYMPIC RIFLE TEAM. IN ADDITION, SOME OF THE GREATEST PLAYERS IN PROFESSIONAL SPORTS WERE EDUCATED AT OVC INSTITUTIONS. THE LIST INCLUDES FORMER GREATS SUCH AS FOOTBALL'S PHIL SIMMS (MOREHEAD STATE), BASKETBALL'S CLEM HASKINS (WESTERN KENTUCKY) AND BUBBA WELLS (AUSTIN PEAY) AND TWO-SPORT STAR STEVE HAMILTON (MOREHEAD STATE) TO PRESENT-DAY STANDOUTS LIKE BASKETBALL PLAYER TRENTON HASSELL (AUSTIN PEAY), FOOTBALL PLAYERS TONY ROWD (EASTERN ILLINOIS) AND CORTLAND FINNEGAN (SAMFORD), BASEBALL PLAYERS JAMIE WALKER (AUSTIN PEAY) AND GEORGE SHERRILL (AUSTIN PEAY) AND PROFESSIONAL GOLFER JEFF SLUMAN (TENNESSEE TECH).

THE PLAYING FIELD ISN'T THE ONLY PLACE WHERE OVC ATHLETES ARE WORKING HARD. THE LEAGUE ALSO RECOGNIZES EXCELLENCE IN THE CLASSROOM. SIX SCHOLAR-ATHLETE AWARDS ARE PRESENTED YEARLY TO MALE AND FEMALE STUDENT-ATHLETES, WHILE OTHERS ARE COMMENDED FOR THEIR ACADEMIC SUCCESS BY BEING MEDAL OF HONOR RECIPIENTS OR EARNING A SPOT ON THE COMMISSIONER'S HONOR ROLL. ADDITIONALLY, THE LEAGUE ANNUALLY PRESENTS ONE INSTITUTIONAL ACADEMIC ACHIEVEMENT AWARD, AS WELL AS SEPARATE TEAM AWARDS IN EACH CONFERENCE-SPONSORED SPORT.

THE VISION OF LEADERSHIP DEMONSTRATED BY THE FOUNDING FATHERS IN 1948 REMAINS ALIVE TODAY AS THE OHIO VALLEY CONFERENCE PREPARES FOR THE FUTURE. ONE EXAMPLE IS IN REGARD TO THE CURRENT TREND IN COLLEGIATE ATHLETICS ADMINISTRATION FOR INCREASED INVOLVEMENT OF UNIVERSITY PRESIDENTS IN SETTING POLICIES AND MAKING RULES. THE PRESIDENTS OF OVC INSTITUTIONS, HOWEVER, HAVE ALWAYS GOVERNED THE CONFERENCE, LONG BEFORE PRESIDENTIAL GOVERNANCE BECAME A NATIONAL THEME.

THE OHIO VALLEY CONFERENCE SPONSORS THE FOLLOWING SPORTS: BASEBALL, BASKETBALL, CROSS COUNTRY, FOOTBALL, GOLF, TENNIS AND TRACK FOR MEN, AND BASKETBALL, CROSS COUNTRY, GOLF, SOCCER, SOFTBALL, TENNIS, TRACK AND VOLLEYBALL FOR WOMEN. IN ADDITION, THE OVC ALSO SPONSORS THE COMBINED MEN'S AND WOMEN'S SPORT OF RIFLE.

NOW ENTERING ITS SIXTH DECADE OF COMPETITION, THE OHIO VALLEY CONFERENCE HAS GROWN SIGNIFICANTLY FROM ITS HUMBLE BEGINNINGS WHILE INCREASING THE NUMBER OF ATHLETICS OPPORTUNITIES IT PROVIDES FOR STUDENTS. IN ADDITION TO NEWEST MEMBERS JACKSONVILLE STATE UNIVERSITY AND SAMFORD UNIVERSITY, OTHER CURRENT LEAGUE REPRESENTATIVES INCLUDE CHARTER MEMBERS EASTERN KENTUCKY UNIVERSITY, MOREHEAD STATE UNIVERSITY AND MURRAY STATE UNIVERSITY, ALONG WITH AUSTIN PEAY STATE UNIVERSITY, EASTERN ILLINOIS UNIVERSITY, SOUTHEAST MISSOURI STATE UNIVERSITY, TENNESSEE STATE UNIVERSITY, TENNESSEE TECHNOLOGICAL UNIVERSITY AND THE UNIVERSITY OF TENNESSEE AT MARTIN.

EAGLES IN THE MSU HALL OF FAME

Ames
1974-77
Class of 1987

DEBBIE AMES

Both a standout basketball and volleyball player during her days at MSU, **Debbie Ames** was the first female inducted into the MSU Hall of Fame. Her volleyball teams went 112-24-2 and won two KWIC titles in four years. As a senior, the Eagles placed third at the AIAW national regionals. On the basketball court, Ames became the first Lady Eagle to score 1,000 career points and ranks among the school's all-time leaders in both points and rebounds.

Rust
1979-82
Class of 1994

MARTHA RUST

Martha Rust was the first player to be awarded a full volleyball scholarship. She received all-regional tournament and OVC Scholar-Athlete honors during her career. In those seasons, the Eagles compiled a 113-63 mark. Her senior year, MSU had its most wins ever with 38. Rust holds the school single-season and career hitting percentage, and single-season solo block records, as well as the OVC single-season hitting percentage mark. Rust also played three seasons of basketball at MSU.

Caulkins
1976-79
Class of 1996

SUE CAULKINS

Sue Caulkins was one of the top early players in MSU volleyball history. Caulkins was named to the KWIC state all-tournament team in 1977, 1978 and 1979. Her squads won the 1976 state title and finished as the runner-up in 1977 and 1979. The Eagles also advanced to the AIAW Region II tournament in 1977 and 1979, finishing third both times. Along the way, Caulkins' teams posted a 116-35-7 record and included three 30-win seasons.

Brown
1972-80
Class of 1998

LARADEAN BROWN

Laradean Brown was the first head coach in the history of MSU volleyball. In her nine years at the helm (1972-80), Brown's squads won nearly 200 matches (193-60-7), had a winning percentage of .763 and were the Kentucky Women's Intercollegiate Conference (KWIC) champions three times. Three of her other teams finished as league runners-up, while the 1977 and 1979 squads placed third in the regionals of the AIAW national tournament.

Hamontree
1987-90
Class of 2001

DAYLE HAMONTREE

The only four-time first-team All-OVC selection in team history, **Dayle Hamontree** guided the Eagles to a 110-33 overall and 41-4 league record during her career. The 1988 and 1989 conference Player of the Year helped MSU to three league regular season and one conference tournament title, while earning the 1988 OVC Tournament MVP. She holds MSU's single-match records in service aces and kills, and also tops the Eagle's career service ace mark.

Blanford
1986-89
Class of 2002

MISSY BLANFORD

Missy Blanford is the Eagles' only Academic All-American, earning the second-team honor in 1989, the same year she was named as the OVC Tournament's MVP. She also was awarded the league's Medal of Honor in 1989. One of only three Eagles to earn three first-team all-conference honors, Blanford helped lead MSU to three OVC regular-season titles and the 1987 league tournament crown. She ranks among the MSU career leaders in assists and service aces.

WELCOME TO MOREHEAD STATE

The Little Bell Tower

Meeting the educational needs of East Kentucky while striving to constantly improve the quality of its public service, economic development and applied research programs are the primary objectives of Morehead State University.

Historically, the University traces its lineage to the Morehead Normal School, which opened its doors in 1887. The private school closed in the spring of 1922 when the Kentucky General Assembly established Morehead State Normal School. The state institution accepted its first students in the fall of 1923 and graduated its first class in 1927. Name changes occurred in 1926 when "and Teachers College" was added, again in 1930 when it was shortened to Morehead State Teachers College, again in 1948 when "Teachers" was dropped and, finally, to university status in 1966. Thirteen men, starting with Frank C. Button, have served as president. Dr. Wayne D. Andrews assumed office as the 13th president on Jan. 1, 2005.

Lappin Hall

Academically, the University offers 79 undergraduate degree programs, including 8 associate level degrees and 12 pre-professional programs in four colleges, Business, Education, Caudill College of Humanities and Science and Technology, and the Institute for Regional Analysis and Public Policy and 20 academic departments. There are 55 graduate degree programs plus 24 graduate level non-degree programs designed especially for professional educators. The education specialist in five specialty areas also is offered. A master's degree for physician assistants, social workers and a cooperative doctoral program, all with the University of Kentucky, are available on the MSU campus.

Classes are conducted in Ashland, Jackson, Maysville, Mt. Sterling, Pikeville, Prestonsburg, West Liberty and other locations. Regional campuses located in Ashland, Jackson, Mt. Sterling, Prestonsburg and West Liberty are staffed with full-time directors. Additionally, the University offers a number of distance learning courses throughout the region via the Internet and interactive compressed video. Sixty-one percent of MSU's 384 full-time faculty members hold doctoral degrees.

Camden-Carroll Library

Physically, the University is located in the foothills of the Daniel Boone National Forest in Rowan County. The nearly 500-acre main campus within the city limits of Morehead includes more than 50 major structures with a total replacement value of more than \$144 million. Beyond the city, the University's real estate holdings include the 320-acre Derrickson Agricultural complex and the par 72, 6,902-yard Eagle Trace Golf Course. The instructional plant includes 120 classrooms and 112 laboratories. Housing facilities include space for approximately 2,600 students in a variety of housing styles including traditional residence halls, suites and apartments.

Fiscally, the University currently operates on an annual budget of \$109.8 million with about \$44.8 million provided by the state and \$45.4 million coming from tuition and fees. Additionally, grants and contracts from external sources for research, service and academic/student support projects generate more than \$12 million each year. Annual private donations to the University, through the MSU Foundation, Inc., average \$3 million annually.

Statistically, the University has awarded more than 50,000 degrees and currently has more than 1,100 full-time employees. Enrollment for fall 2006 was 9,025, with the student body representing 100 Kentucky counties, 39 states and 27 foreign countries. The University attracts more than 50,000 visitors annually and its economic impact, directly and indirectly, on the Morehead area is estimated at more than \$80 million yearly.

Administratively, an 11-member Board of Regents governs the University with eight citizens appointed by the governor and three seats held by elected faculty, staff and student representatives. Management of the institution is vested primarily in six divisions: Academic Affairs, Administration and Fiscal Services, Development, Planning, Budgets and Technology, Student Life, and University Relations with each headed by a vice president.

Athletically, the University sponsors 18 intercollegiate sports for men and women in accordance with the regulations of the Ohio Valley Conference, the Pioneer Football League and Division I of the National Collegiate Athletic Association. MSU also supports an intramural program involving more than 25 team and individual sports.

SPORTS MEDICINE

The Sports Medicine Program at Morehead State offers student-athletes the most up-to-date professional services available. Led by Assistant Director of Athletics/Director of Sports Medicine Richard Fletcher, the Sports Medicine Department allows athletes a wide range of options for treatment and rehabilitation of injuries.

One of the major support services offered is the main athletic training room located adjacent to Jayne Stadium. The facility contains four whirlpools, four electric stimulators, four ultrasound units and nine treatment tables, along with a variety of other services and equipment. Each athletic team has a full-time or graduate assistant athletic trainer assigned to them, and each of MSU's trainers are fully trained and accredited to perform life-saving and injury treatments. The training staff also utilizes two remote facilities in the Academic-Athletic Center and Wetherby Gym. Both facilities have state-of-the-art equipment.

The Morehead State athletic training staff includes Fletcher, Jamey Carver, A.T.C., Sara Larson, A.T. C., graduate assistant trainers Marjorie Smith and Ashley Groenhout and several student assistant trainers.

The training staff also works closely with the Caudill Health Clinic on campus in Allie Young Hall and with St. Claire Regional Medical Center.

STRENGTH AND CONDITIONING

The strength and conditioning program at Morehead State provides student-athletes with the best possible physical and mental training to help them perform at their peak potential. Under the direction of third-year coach Kevin Deweese and graduate assistant David Weberg, the individual sport programs focus on physical and mental training and nutrition for that particular sport as well as particular athletes. Deweese and his staff develop programs that will help athletes reach their maximum potential and prevent injuries.

Athletes have several options for weight training with the centerpiece of the program being the Phil Simms Weight Training Center. Funded by former Morehead State and NFL star quarterback Phil Simms, the center houses weight machines and free weights and is located adjacent to Jayne Stadium. The center has ample space for several teams to train at the same time.

Athletes also utilize the weight center in the Academic-Athletic Center. Free weights, as well as state-of-art machines, are located in the facility.

Stressing the whole body, the strength and conditioning program at Morehead State also helps athletes reach their potential in the fields of agility and speed. Deweese and his staff make sure athletes are ready for game action with speed drills and agility training tailored to each sport.

The staff also oversees off-season workouts and nutrition programs to make sure Eagle student-athletes are in-shape when the season begins.

The Phil Simms Weight Training Center is the centerpiece of the MSU Strength and Conditioning Program.

HEAD STRENGTH AND CONDITIONING COACH KEVIN DEWEESE

Kevin Deweese is in his third year as head strength and conditioning coach at Morehead State. COMPLIANCE LETTER

Dear Friends:

Morehead State University is committed to upholding the highest integrity within all procedures and practices of the athletic department. We are pleased to publish this note as a reference to understanding often confusing NCAA regulations.

The NCAA defines "representatives of athletic interests" as alumni, friends and boosters of the University. All member institutions are held accountable for their representatives' actions. One violation could jeopardize the eligibility of any or all Eagle athletic programs.

As a general rule, anyone who has financially supported Eagle Athletics, been a member of any booster organization, or who has supported Eagle Athletics is considered a "representative" of Eagle Athletics.

Prospective student-athletes can be defined as a student who has started classes in the ninth grade or any younger student-athlete who has received a benefit from the institution. These individuals may only be recruited by MSU coaches who have passed the NCAA Recruiting Rules Examination. While "representatives" of Eagle Athletics may speak to any of these individuals via telephone or in person, a recruiting effort must not be made. Also, no student-athlete or prospective student-athlete may receive any extra benefit outside of the support provided by the institution. For any questions regarding this description, please contact me, Compliance and Eligibility Coordinator, at 606-783-5136.

These are certainly not all the regulations any "representative" of Eagle Athletics must remember. However, they provide a good outline of the types of things that could endanger the eligibility of any MSU Athletics program. Again, feel free to contact us if you have any questions. Thanks again for your support of Morehead State Athletics.

Sincerely,

Jim Wells

Compliance and Eligibility Coordinator

A VISION FOR THE FUTURE MOREHEAD STATE'S ATHLETIC FACILITY MASTER PLAN

Through administrative and athletic leadership at Morehead State, a study of athletics facilities commenced in the winter of 2006 to identify a plan that would guide decisions made by MSU Athletics well into the 21st century. Heery International, acclaimed architects and facilities planners, was selected to complete the study.

All potential constituent groups were consulted throughout the process. While MSU has much to be proud of, it became quite apparent that significant work should be done to improve the physical athletics plant.

The drawing you see here provides a map of what is to come. In all, over \$89 million of work was identified and encompasses five new facilities and five renovated facilities. The first scheduled work will be the renovation of the University's Wellness Center into a state-of-the-art Athletics Academic Resource Building.

For more information or if you'd like to help MSU realize these goals, please contact MSU Director of Athletics Brian Hutchinson at b.hutchinson@moreheadstate.edu or at 606-783-2089.
