MOREHEAD

State  
UNIVERSITY

1887 - 1997

DONALD F. FLATT

When Frank C. Button and his mother, Phebe, arrived by train in the small town of Morehead, Kentucky, in 1887, gunfire still rang in the streets. A long-running feud between the Martins and Tollivers had left the town in ruins. Its only hope of salvation, some folks said, was to establish a school -- a light to the mountains -- to restore serenity.

In his account of Morehead State's history, Dr. Donald F. Flatt brings to life the stories of the people and events which have shaped this institution of higher learning. The 300 pages of text are complemented by more than 100 photographs and document the academic, political, and athletic progress of the university of the mountains.

# Kyle Macy

Kyle Macy, one of the Commonwealth of Kentucky's best known and most popular basketball figures, begins his second season as the Head Men's Basketball Coach at Morehead State University.

In announcing Macy's appointment, MSU President Ronald G. Eaglin said: "We believe strongly that this outstanding young man is the right choice at the right time

to restore the proud basketball tradition at our institution and to lead the Eagles back to the forefront of the Ohio Valley Conference. Kyle has a wealth of basketball playing experience and a broad knowledge of the game. We are confident that he will be successful as a Division I coach."

Macy, born in Kendalville, Ind., and a high school standout at Peru (Ind.) High School, was a two-time All-American at the University of Kentucky and played on the Wildcats' 1978 national championship team. He played three seasons at Kentucky after spending one season at Purdue.

Following his collegiate career, he spent seven seasons in the NBA, playing for the Phoenix Suns, Chicago Bulls and Indiana Pacers. In all seven of his NBA seasons, his team qualified for the playoffs. He also played three seasons in the Italian professional league.

From 1993 through 1997, he served as the color analyst for the University of Kentucky Radio Network's broadcasts of Wildcat basketball. He has also worked with Host Creative TV, Host Communications Radio, Raycom Television Sports, SportsChannel, Mutual Radio, ESPN, WVLC-Radio and Westwood One Radio.

From August, 1994, until his appointment as Eagle coach, he was a Correspondent Banking Officer for Central Bank & Trust Company in Lexington.

Macy's annual basketball camp has been held for 18 years and approximately 1,000 youngsters and 125 coaches participate annually. He has also produced an instructional basketball video and published a high school basketball preview.

"I'm extremely excited to be the head basketball coach at Morehead State," Macy said. "Becoming a head coach on the Division I level was something I'd been looking forward

to since I was four-years old and sitting on the bench beside my father.

"As our program develops, our team will play an exciting, up-tempo style that players like to be involved in and fans like to watch. In order to progress, we will need to continue to recruit. And, we will need fan support. We hope that every home game will be an event that people look forward to. I'm confident that we can accomplish this turnaround as we implement our system and ideas and with the help of the MSU family of students, alumni, faculty and staff and friends."

The 41-year old Macy and his wife, Tina, have two daughters, Mallory Beth and Meredith Anne, and a son, Malone.

## Laura Litter

### Head Coach

Entering her second year at the helm of the Morehead State program, Laura Litter looks to build upon her previous successes during stints as the head coach at Sullivan College and Lees College. In her 17-year career, Litter has been one of the most successful coaches in the game and having laid the foundation last year in her first season with the Blue and Gold, she looks to build a championship team at MSU

like she had done at her previous stops.

After a difficult first season at her alma mater, Coach Litter's 1998-99 Lady Eagles are poised to make strides within the conference. The two-time graduate of Morehead State University, was hired on April 1, 1997, and proceeded to lead her team to a 7-19 record in her first campaign, the only non-winning season in her career.

With a career record of 443-104, Litter's teams have posted 20-game winning seasons 16 out of 17 times. Her teams have won 30 or more games six years and have competed in the national tournament four times, including finishing third in the nation in 1993-94. She entered Morehead State with a career winning percentage of 84 percent.

Her most recent stop prior to MSU was as the eight-year mentor at Sullivan College in Lexington, Ky. There, she began the program and proceeded to notch a 30-2 record in the team's first season of play. By the time she left, she had compiled a 233-30 overall record at the school, won conference titles in each year and advanced to the National Junior College Athletic Association Region VII Tournament all eight times.

At Sullivan, Litter coached two NJCAA first-team and three second-team All-Americans, as well as three Kodak first-team All-Americans. In addition, her high-powered offense, generated a NJCAA scoring record in 1993-94, averaging 107.6 points per game, and were ranked as high as third nationally.

The Executives were a staple of the NJCAA Region VII Tournament from 1990 through 1997. Sullivan had its greatest success under Litter in her fourth year in Lexington. That season, the program advanced all the way to the Final Four, before losing by eight points to eventual national champion Trinity Valley (TX) to finish third.

But, her teams did more than just get it done on the court. Each one of her players that completed two years at the school either received their Associate's Degree or transferred to a four-year institution. Included among the future stops of her student-athletes were such notable basketball powers as Western Kentucky, Maryland, Auburn, Kentucky, Louisville and Drake. In total, 34 went on to play in college and 22 earned a spot on an NCAA Division I roster.

Her first head coaching venture was no different. Litter spent eight years pacing the sidelines of Lees College in Jackson, Ky., where she was responsible for taking over the reigns of a new program. The Lady Generals were in existence two years prior to her arrival. She subsequently tacked up a 203-55 record in eight years at the school.

At Lees, her squad won six conference titles and competed in the NJCAA Tournament eight times. She sent 25 athletes onward to play at Division I schools after they completed their careers at Lees. Of the 39 who lasted two years on the team, 35 either graduated or went on to finish their degree at another school.

Combined between her stops at the two schools, Litter earned 11 Kentucky Junior College Athletic Conference Coach of the Year honors and four NJCAA Region VII Coach of the Year awards in her 16-year reign. In addition, she was recognized by Lees College, which placed her in its Hall of Fame in 1995.

The native of Chillicothe, Ohio, played the 1976-77 year at Morehead State, before succumbing to a career-ending injury. She remained as a graduate assistant coach at her alma mater under Mickey Wells, serving in that capacity through the 1980-81 campaign.

She earned her bachelor's degree in recreation and business administration in 1980 and then her master's degree from MSU in education in 1981. She is a native of Chillicothe, Ohio.

## Corbett Grigsby -- Associate Head Coach

Corbett Grigsby enters his second year as the Lady Eagles' Associate head coach, but has been affiliated with Coach Laura Litter for the past 17 years, first as the athletic director and Litter's recruiting coordinator at Lees College from 1978 to 1989. After his stint at Lees, Grigsby and Litter moved on to Sullivan College from 1989-1997, where Grigsby took on the same responsibilities he held at Lees. At Morehead State, he will again direct the Lady Eagles' recruiting efforts.

Grigsby first entered into the coaching field in 1978 at Lees College. He served as athletic director when the women's basketball programs were begun at Lees and Sullivan, starting the team at Lees two years before the Litter's arrival. During his stay at the two schools, Grigsby's teams compiled a 476-104 record.

In 18 years of coaching, Grigsby's squads have won 30 or more games six times and 20 or more 12 times. Ninety percent of the players he recruited at his two previous stops either graduated or transferred to a four-year school. Five of those athletes were also named as All-Americans.

## **James Black -- Assistant Coach**

James Black returns for his second year as an assistant coach, having previously served as an assistant at Maryville College and Walters State Community College as well as a head coach at Roane State Community College. The veteran's primary duties at Morehead State will be coaching defense, strength and conditioning, and film breakdown.

Black joined the MSU staff after spending the 1996-97 season at Maryville in Maryville, Tenn., where he served under Kelli Casteel, who won two national championships as a player at Tennessee. The Lady Scots advanced to the "Sweet 16" of the NCAA Division III national tournament.

Prior to his stint at Maryville, he was the head coach at Roane State in Harriman, Tenn., during the 1995-96 campaign., when the Raiders went 22-6.

His first coaching job came at Walters State Community College in Morristown, Tenn. There, he spent eight years in one of the most successful junior college programs in the South. For four years, the Senators were ranked in the top 20. In 1991-92, they placed eighth in the NJCAA national tournament. The squad also captured three state titles and were the Eastern Conference champions for five consecutive seasons.

At Walters State, Black was an associate professor in the computer science department, while handling his coaching duties. He maintains a strong interest in computers.

During a three-and-a-half year playing career, Black was a starting shooting guard for Roane State (1977-79) and Lee College (1979-81), before an injury ended his career.

## Rachel Minar -- Graduate Administrative Assistant

Rachel Minar enters her first year with the Lady Eagles as the team's administrative assistant. She will be responsible for film exchange, academic monitoring, serving as a game host, and maintaining a practice journal.

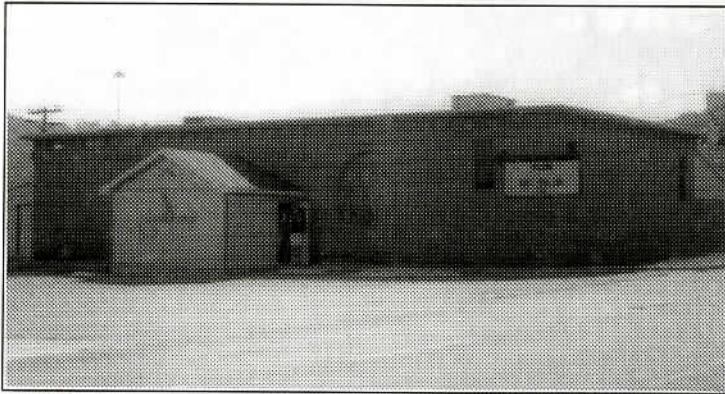

A former Walters State Community College basketball athlete, Minar played at WSCC when MSU assistant James Black was on the coaching staff. In her only season, 1991-92, she helped the team to a No. 8 national ranking. She later served as a volunteer coach there from 1996-98. Prior to attending Walters State, Minar played one season at Georgia State.

A native of Knoxville, Tenn., she graduated from Tennessee, where she earned a bachelor's degree in sociology in 1995. As a prep standout at West High School, Minar earned Conference Player of the Year honors in basketball and volleyball, while also being selected all-state in softball. A multi-talented athlete, she also ran the fifth-fastest 100-yard dash time in the state as a senior. She is pursuing her master's degree in sociology at MSU.
