USO Junior Hostesses Hold Meeting Friday

USO Junior hostesses of the college and of the town and surrounding communities attended an important meeting Friday, June 25, at 4 o'clock in the club room. This group included all girls who now have Junior hostess cards and all prospective hostesses.

Mrs. J. D. Fall, the local director of USO, stressed the importance of this meeting upon all hostesses. Plans were reviewed for the remaining parties to be held this summer and suggestions made for the most effective service to the sailors in these final months of their stay.

USO pins were also awarded to all girls who have served as many as 50 hours as hostesses in the club room. Several girls have already been awarded these pins, and it is hoped that many more will reach the goal of at least 50 hours by the end of the summer.
