

## **BROKEN LOOSE AGAIN.**

**One of the Factions in Wicked Rowan starts the Ball to Rolling Once More.**

(Special to the Courier-Journal.)

MT. STERLING, KY., Nov. 10.—The tocsin of war is heard in Rowan again. This time the leader of the Martin faction, H. M. Logan, is the victim. Yesterday evening, about 7:30 o'clock, as Logan was walking along the road near Morehead, he was fired upon by an unseen party, but the shot flew wide of its mark. A second shot had better effect, and struck Logan just below the knee. The intention of the party who fired the shots seems to have been only to frighten Logan, and serve as a warning for him to leave the locality. The supposition is that it was one of the Rainey party with whom Logan had trouble not long ago.
