College Will Have Football Team This Fall, Says Johnson

First Practice Session To Be Held September 1

Despite many unforeseen obstacles and much comment as to the possibility of Morehead College will have a football team on the gridiron this fall, according to Coach Ellis Johnson. The season will open with a night game against Marshall College of Huntington, West Virginia, there, on September 26.

Johnson stated that his team will consist mostly of last year's men with possibly one or two exceptions. He expects thirty-five boys out for practice at the first session September 1. Out of this number, twenty-eight will make good, and at least fourteen will be freshmen.

The first eleven will most likely be Zachem, Gandolfi, Salvato, Workman, Mason, Walters, Howerton, Hetman, Wheeler, Pawloski and possible Griffin, Gibson and Yewson.

A schedule has not been completed but six games have been contracted to date: Murray at Morehead, Western at Bowling Green, Eastern at Morehead, Marshall at Huntington, Morris-Harvey at Charleston, West Virginia, and West Virginia Tech at Morehead. Exact dates are not yet available.

Linotype Operator Voluntarily Enlists in Army This Week

James E. Gibbs, Independent Employee, Wants to See Action

James Earl Gibbs, linotype operator for the Independent Publishing Company, has volunteered his services to the United States Army, through the local post office.

Gibbs made voluntary enlistment on Friday of last week. He was given preliminary examination here; having undergone two days of examination. He was examined on Tuesday, August 11, and re-classified from I-B to I-A, subject to call in the next few days.

Gibbs was examined at the district examining center in Lexington some time ago and placed on the I-B temporary deferred list. He was notified of insufficient vision in one eye. However, last week Gibbs' loyalty out-balanced his physical handicap. He has been examined and asked for immediate induction. "Things have been going to look none too good for our country," Gibbs asserted, "and I can help I can render my country is just that much more hindrance to Hitler and the Japs. I may be that they won't permit me to front line action, but I can be behind the man behind the gun by serving in some maintenance unit of our armed forces."

Gibbs has been connected with the Morehead Independent for the past three years, coming here from his native state of Louisiana.

MC Business Office Reorganized; Four Employees Added

To facilitate the efficient handling of an ever increasing burden upon the business office and staff of the Morehead State Teachers College, the office has been completely reorganized and four new members added to the personnel.

Probably the most important change is the creation of the office of comptroller. Under the new setup this office will supervise the procurement of materials, exercise control over college funds, both receipts and disbursements. Mr. J. A. Noe, Jr., formerly auditor for the Commonwealth Life Insurance Company, was appointed to the new position.

T. Neal Hubbard To Assume Management of Mills Theatre

T. Neal Hubbard, former owner of the Washington Theatre in Mayville, Kentucky, has purchased an interest in the Mills Theatre here, and will assume management of the theatre on Sunday, August 16.

Mr. Hubbard is an experienced man in the theatre business, having been engaged in that type of work for over twenty years.

He and Mrs. Hubbard will move to Morehead in the near future. L. H. Mills, co-owner of the Mills Theatre here, is also owner and manager of the Dixie Theatre, Olive Hill, Kentucky.

Five Officers Added To Naval Training School Personnel

School is Nearing Ultimate Capacity Of Six Hundred Men

With NTS (Elec) well on its way to its ultimate capacity of six hundred men, five new chiefs and officers have been added to the personnel under Lieut.-Comm. George Walker's command.

Commissioned officers to come aboard three weeks ago, are Ensigns V. S. Chapman, Jr., G. C. Hall and P. D. Doty, all of whom completed the Officers' Introduction course at Notre Dame university, June 30. They are line officers classed D-1.

Ensign Chapman works with Lieut.-Comm. H. L. Saunders, MC (V-8) as assistant ship's service officer. Ensign Doty is a graduate of Brown University.

Ensign Hall is the station's first lieutenant and officer in charge of the station's electrical department. Mr. Hall is a chemist and a Bluefield, West Virginia, resident. He has a B. S. degree from Virginia Polytechnic Institute.

Ensign Doty has been appointed officer in charge of the new division two and station public relations officer. Mr. Doty is a native of Flint, Michigan, and a Dartmouth graduate, has been engaged in several phases of newspaper work.

T. T. Wheeler, CWT (PA) serves as drill master for the entire crew at Morehead, together with a number of other petty officer duties. He is a native and resident of Smith Grove, Kentucky, and is now completing his third year of Naval service. Wheeler is unmarried.

J. F. Oliver, CTM (PA) reported for duty from Navy Pier at Chicago where he has served since 1941. Oliver is married and into the Navy in 1940; he is married and makes his home in Louisville. This week Oliver was named as Chief Master at Morehead.

Charles Wilson, CGM, joined Naval personnel this week as chief of division two. Mr. Wilson is a CGM, who has been with the Naval school since his arrival, has been transferred to Cleveland and is attached to the new ship USS Secor, which is about to be fitted and commissioned.

The Naval Training school is now quite a city within itself. Located in the basement of Thompson hall is a canteen, a barber shop, and a laundry which are run by the school's personnel.

Meetings Held To Organize Farmers Club In Rowan Co

To Promote Adult Education In Agriculture

A meeting was recently held in the Office of County School Superintendent Roy Corlette to discuss the need of a Farmers' Club in Rowan for the purpose of promoting a program of adult education in agriculture. It was attended by a number of representative farmers, and business men, and others interested in promoting the work.

Formerly meetings had been held in the college cafeteria, so the Board calls special attention to change of meeting place. All members are urged to be present for an excellent meal and a short important business session.

Formerly meetings had been held in the college cafeteria, so the Board calls special attention to change of meeting place. All members are urged to be present for an excellent meal and a short important business session.

Following the Jayne sale, the property of Curt Hutchison on the corner of Fairbanks avenue and Railroad Street will be sold to the highest bidder and best bidder.

Free cash and other valuable prizes will be given to the winners of the above suggested club and work in agriculture along the line of adult education is cordially invited to attend.

It is hoped that four schools can be set up with repair work on farm machinery. The Government during the emergency has greatly lessened the manufacture of new farm machinery. It is asking all farmers and farm operators to do as much repair work as possible.

The dates of their opening will be announced later. The work will be under the direction of Woodrow Wilson, Smith-Hughes Agriculture teacher for Rowan County.

From time to time the committee selected to direct the work will work out a list of problems to be promoted throughout the county.

(Continued on Page 2.)
Clearfield Organizes First P-T-A Group In County This Year

The Clearfield School is the first to organize a Parent-Teachers Association and become affiliated with State and National organizations this year.

Officers elected at the first meeting for the year are Mrs. Joe Nolan, president; Mr. Arthur Hamm, vice-president; and Esther Crawford, secretary-treasurer.

Registration of industrial and institutional users of sugar for the September and October allotments will be held exclusively on Monday, August 17, Tuesday, August 18, and Wednesday August 19. At the present time a bonus for July and August may be secured where it is not otherwise.

On these three days, canning registration will be suspended in order to handle the huge task of registering the above mentioned users. Therefore, the Blitting Board urges domestic users to bear in mind the dates, because it will be impossible to issue canning sugar for 17th, 18th and 19th. Stamps number six and number seven will expire Saturday, August 22, and there is no way that they can be redeemed if barred by limitation.

Board Of Trade To Meet Monday Night

The Morehead Board of Trade will meet in regular monthly session, Monday evening August 17 at 6:30 o'clock, at the home of Mrs. C. U. Waltz on the corner of Sun Street and Wilson Avenue.

Formerly meetings had been held in the college cafeteria, so the Board calls special attention to change of meeting place. All members are urged to be present for an excellent meal and a short important business session.

Navy Officially To Christen New School Here, August 21

Governor Johnson, John Brooker Accept Invitations To Appear On Program

Captain E. A. Lofquist, Chief of Staff of the Ninth Naval Training District, will deliver the principal address at the ceremonies attendant upon the dedication of the New Naval Training School (Electrical) at the Morehead State Teachers College, according to Lieutenant-Commander George Walker, commander of the local school.

Governor Keen Johnson and John W. Brooker, superintendent of public instruction, have also accepted invitations to be guest speakers on the program, which is scheduled to begin at 1:00 p. m., August 21.

Ceremonies will include military maneuvers by both battalions of bluejackets on the drill field at Jayne Memorial Stadium. Speaking portions of the program will be held in the College Auditorium.

Intensive rehearsals are being conducted regular drill periods with passing in review and other features being emphasized.

Captain Lofquist, who will deliver the dedicatory address, has had a wide and colorful Navy career, both ashore and afloat. He served as instructor in the department of navigation at Annapolis, helped to establish the Naval Training Station at San Diego, California, during the World War, and was drill officer and executive officer at the Naval Training Station at Goat Island in San Francisco Bay. All the foregoing activities are but a part of his extensive service since graduation from the academy in 1907.

Complete official program of the ceremonies follows: 1:00 p. m., Christening Naval Training School (Electrical) Morehead, Ky., August 21, 1942.

1:30 p. m., Address by Governor Keen Johnson, Chairman, Board of Brokers, MSTC, and superintendent of Public Instruction, John W. Brooker, Presiding. 2:00 p. m., Adjusting the State's Educational Program to the Needs of its Nation at War, Governor Keen Johnson.

2:30 p. m., Address: Captain E. A. Lofquist, USN Chief of Staff, Ninth Naval District.

3:00 p. m., Military maneuvers at Jayne Memorial Stadium, by the personnel of the Naval Training School.

The public is cordially invited to attend the ceremonies.

42 MSTC Graduates To Receive Degrees At A U g. Exercises

List Includes Five Applications For B. S. Degrees, 37 For A. B. Degree

Forty-two members of the August graduating class of Morehead College will receive degrees, according to information released by the Office of Miss Mary Page Milton, college registrar.

Rowan Raises USO Quota Of \$700.00

The people of Rowan County should be complimented for their record established during the recent U.S.O. drive for funds. The quota for the county was \$700.00, but has been raised to \$1,000.00.

According to Dr. J. D. Falls, chairman of the drive.

It is interesting to note that no other county adjoining Rowan was given a quota exceeding \$500.00. Records of Rowan County's citizens in giving generously to previous worthy causes was in all probability responsible for Rowan County's higher quota, which USO officials were confident the citizens of this county would readily meet.

County Agent And Group Of Farmers To Attend Field Day

The County Agent, Dan Brame and the agricultural teacher, Mr. Wilson, will attend the annual Field Day program of the Robinson Agriculture Experiment Station at Quicksand, Kentucky, Saturday, August 15. A group of Rowan County farmers including Mr. Allard Hall, W. H. Adkins, J. M. Perkins, George Brown, Henry Eldridge, J. A. Adkins, J. A. Lewis, George Ellington, Delmer Padgett, C. B. Turner will also attend.

The program includes inspection of corn plots, rotation plots, sorghum demonstration and permanent pasture experiments. Visitors will take their lunch and after dinner they will inspect the dairy and poultry experiments. If others are interested in attending Field Day, they should contact the County Agent at the courthouse.

Registration of industrial and institutional users of sugar for the September and October allotments will be held exclusively on Monday, August 17, Tuesday, August 18, and Wednesday August 19. At the present time a bonus for July and August may be secured where it is not otherwise.

On these three days, canning registration will be suspended in order to handle the huge task of registering the above mentioned users. Therefore, the Blitting Board urges domestic users to bear in mind the dates, because it will be impossible to issue canning sugar for 17th, 18th and 19th. Stamps number six and number seven will expire Saturday, August 22, and there is no way that they can be redeemed if barred by limitation.

Persons securing sugar for canning must use it in accordance with government regulations, otherwise it will not be possible to obtain it at any time in the future. These regulations are: one pound of sugar per person per jar; molasses, preserves, marmalade or fruit butter; one pound of sugar to every four quarts of finished fruit. If this rule is followed, canning sugar will meet family needs as set out by the applicant are in line with the rationing program.

Paul Sparks Commissioned A Lieutenants in Army

Paul Sparks, MSTC graduate who is now in the armed services, has recently been commissioned a lieutenant and has been transferred to duty at Maxwell Field, Alabama.

Sparks married Miss Mary Sue Miller, daughter of Mrs. A. L. Miller of this city and is well known in this community. He has been active in the field of education and was principal of a Louisville school up to the time of his entrance into the armed service.

NOTICE!

TO THE GENERAL PUBLIC:

In recent weeks I have received numerous undeserved complaints arising out of confusion of my taxicab company with another taxi service in this city. In justice to myself and to clarify the misunderstanding that seems to be general, I want to inform the public that I own and operate a taxi service under the business name of Caskey Taxi Company, and that the service rendered by the City Cab, owned and operated by Van Caskey, is in no way connected with my company.

I operate five cabs, all of which bear the business name Caskey's Cab. I shall always welcome your comments and suggestions as to how I can better serve you, and hope that this notice will help clear up the general confusion and enable the public to readily identify my service.

Respectfully Yours,
CASKEY TAXI CO.
Orear Caskey, Owner and Operator.

Some suggested problems are as follows:

1. Community canneries.
2. Sorghum blending plant.
3. New cash crops for Rowan county.
4. Wild Life conservation.

Any suggestion for the betterment of Rowan county will be appreciated and these at present should be handed to Mr. Wilson.

Baptist Convention To Begin Aug. 20 At Mt. Sterling

Two-day Program To Be Devotional, Inspirational

The Northwestern Baptist Training Union Convention, composed of Bracken, Enterprise, Greenup and Greenville Associations, will meet with First Baptist Church, Mt. Sterling, Kentucky, Thursday and Friday, August 20 and 21. The session will be at 10:30 p. m. Thursday; the last closes at night Friday. Free bed and breakfast in homes will be provided for those who stay overnight. All trains and buses will be met. Reverend Thomas R. Brown is pastor of the entertaining church. Reservations for homes and banquet should be made at once by writing to the Home Committee and Banquet Committee in care of First Baptist Church, Mt. Sterling.

The convention theme is "The Growing Christian," the scripture is II Peter 3:18. The meetings are open to the public and all Baptist Churches in the region are especially urged to be represented by as many as possible. The program will be devotional, inspirational and practical. The banquet will be at 5:30 p. m., Thursday, the Intermediate Sword Drill, Thursday night, the Junior Memory Work Contest, Friday morning, and both the Young People's Speakers Tournament and the Life Dedication Service on Friday night are important features.

The Thursday night address will be delivered by Pastor Thomas R. Brown, Mt. Sterling, State Secretary Byrom C. S. DeLafayette, Louisville will bring the message and conduct the Life Dedication Service Friday night. Pastor J. F. Woodson of Mayslick will conduct the devotions. Reverend W. H. Curl, Field Worker, Ashland, will speak Friday morning and Pastor James Cummins, Mayslick, Friday afternoon. Some of the conference leaders will be Mrs. J. F.

Movers Warned To Check On Utilities At New Locations

Maxey Says Priorities Prohibit Installation Of Additional Facilities

"If you are planning to move to a new residence or place of business, be sure to check up on the available electric service at the new location before you move. Otherwise, you may find yourself without adequate service for the duration of the war."

This warning has been issued by F. R. Maxey, manager of Kentucky Utilities Company. Mr. Maxey explained that the war, and resultant shortages and priorities which it has forced the War Production Board to explain, have required the company to curtail extensions of service. You don't blame us or the W.P.B., he said. "Blame the Axis. We're only doing our part, along with you, to help win the war."

Mr. Maxey added that it would be wise also for prospective movers to check up on water and all the other installations at the new location before moving, since all utilities are affected by the war curtailments.

"In a number of instances," said Mr. Maxey, "we have had customers with electric ranges who have

moved to residences with only two-wire service. In such cases we have not been permitted—and still are not permitted—to extend the third wire to these customers, even if the distance is less than 250 feet, without first obtaining approval from the War Production Board."

Mr. Maxey said extension of priority on primary or secondary wires, even for less than 250 feet, to connect street carnivals, temporary amusement facilities, tents housing revival meetings or other similar temporary facilities, also requires government approval.

AUCTION
Of Farm Houses and Lots At Morehead and Clearfield, Ky.

As agents for Mrs. Nettie Haney, we will sell her 27-acre farm located at Clearfield, Kentucky, on

Saturday, August 22, 10:00 a.m.

This farm has a modern six-room house, with bath room, front porch, good concrete basement. Lights and water in the house. Water from a good, never-failing well. Garage, cow barn and good concrete walks. Has about ten acres of corn, the balance in grass and woodland.

This property has about 900 feet of highway frontage, which would make a number of nice building lots. This is a nice little home, high and dry and well located. Possession will be given at once. Farm will be sold on easy terms.

AT 2:00 P.M., ON THE SAME DATE

We will sell the W. L. Jayne property, located at 114 Fairbanks, only 100 feet off Main Street, just around the corner from the postoffice.

This is an 8-room house with halls, porches and two bath rooms. Has hot water gas heating system, electricity, and water. Has a good stone cellar, double garage, and a large, shaded 80 x 132 feet lawn. This property will make anyone a nice home and will be sold on extra easy terms.

Following the sale of the Jayne property, we will sell for Curt Hutchinson his business property at the corner of Fairbanks Avenue and Railroad Street, just across from the Union Grocery. This is a large two-story building, frame construction, and is now rented for a barber shop, garage, storage warehouse and apartments upstairs. The whole building brings in \$65.00 per month in rent.

If you want to invest your money where it will pay big dividends this is your chance.

Free Cash and valuable prizes will be given away at **Free** both morning and afternoon sales.

For further information, contact Virgil H. Wolford, Morehead, or Sam D. Cecil, Hazel Green, Kentucky.

MAMA'S BOY

You say he can't stand the army. The life is too rough, how sad. Do you think that he's any better Than some other Mother's Lad? You brought him up like a baby. He doesn't smoo or drink is your brag. If all the others were like him, Well, what would become of our flag?

You say, let the roughnecks do the fighting. They are used to beans and stew. But I'm classed with the roughnecks. Who fight for the RED, WHITE, and BLUE. You say his girl couldn't bear to send Her sweetheart out with the rest. Do you think that she'll be proud of him when she feels the

Jap's breath on her breast? You can thank God the stars in "Old Glory" are not blurred with any such stains. Because there are ten million roughnecks That carry red blood in their veins. They go to drill in bad weather, Come in with a grin on their face, While your darling sits down in a

parlor And lets a man fight in his place. You're right, we do smoke and we gamble. But we fight as our forefathers did; So go warm the milk for his bottle. Thank God, that we don't need your kid.

—Contributed, Cottage Cafe

his parents, Mr. and Mrs. George Wyant, of West Russell, Kentucky; and four brothers, John Ivan, Athel and Leonard Wyant, of Russell, and Herman Wyant, of Ashland. Mrs. Wyant is a sister of Mrs. Parnell Martindale, of this city. Athel "Tiny Tim" Wyant is also a graduate of Morehead College and a former Eagle football player.

Carlos Wyant Dies In Airplane Crash Near Ironton, Ohio

Was Popular Graduate Of MSTC And Well-Known In This City

Carlos Wyant, 30, of Russell, Kentucky, a graduate of Morehead State Teachers College, and John H. Smith, of Ironton, Ohio, and Raceland, Kentucky, were killed about two p. m. Sunday, August 9, when their plane crashed and burned in a grove of trees on a hillside five miles north of Ironton. Smith was at the controls of the two-place Piper Cub.

Both men were members of the West Virginia Civil Air Patrol, but at the time of the crash were on a pleasure hop which took them over the home of Smith's mother, Mrs. Maggie Smith, at the Horse-shoe Bend community on U. S. Route 75. Friends said it was Smith's custom to fly low over his mother's home when he was in that section. As he was giving his salute Sunday, the plane went into a spin and plunged into a clump of trees only fifty yards from Mrs. Smith's home.

Wyant was well known here and was a popular student on the campus of Morehead College, where he was a member of the M-Club, athletic organization of lettermen; was a member of the varsity Eagle football squad and was boxing instructor. He was graduated in August, 1936.

Wyant is survived by his wife, Mrs. Madeline Robertson Wyant; a daughter, Dorothy Ann Wyant;

Bomb 'em with JUNK

JUNK NEEDED FOR WAR
Scrap Iron and Steel

Needed for all machines and arms of war. Fifty per cent of every tank, ship and gun is made of scrap iron and steel.

Other Metals—Rubber—Rags—Manila Rope—Burlap Bags

Needed for making bombs, fuses, binoculars, planes; tires for jeeps; gas masks; barrage balloons; wiping rags for guns; parachute flares; insulation for electric wiring.

WASTE COOKING FATS—When you get a pound or more, strain into a large tin can and sell to your meat dealer. **NEEDED ONLY IN CERTAIN LOCALITIES**—Waste paper and tin cans—wanted only in certain areas, as announced locally. **NOT NEEDED** (at this time)—Razor blades—glass.

JOIN THE U.S. TRUCK CONSERVATION CORPS

See your Chevrolet dealer, who is acting as official servicestation for Truck Conservation, and get the official emblem for your trucks

Your truck—all trucks—are essential to America's war program. . . . Let your Chevrolet dealer help you to "Keep 'em fit to keep 'em rolling." . . . See him for a thorough service check-up today—and see him for skilled service at regular intervals. . . . Remember—Chevrolet dealers are America's "Truck Conservation Specialists."

CHEVROLET

Midland Trail Garage
Morehead, Kentucky

Let's blast Japan—and Germany—and Italy—with the chain lightning of destruction that can be built from the scrap in our cellars, attics and garages, on our farms and in our places of business.

Scrap iron and steel, other metals, rubber and waste materials. It will all be used to make tanks, ships, planes and the fighting weapons our boys must have. It is needed at once.

Sell it to a Junk dealer—give it to a charity or collection agency—take it yourself to the nearest collection point—or consult the Local Salvage Committee. . . . If you live on a farm, and have found no means of disposing of your Junk, get in touch with the County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!

Know Your Neighbors

Many important national questions are decided when good neighbors get together. Other things are also discussed which have to do with the daily business of getting ahead. For instance, they may talk about a good place to bank.

Many new depositors come to us on the recommendation of those who already bank here. This indicates that our service is satisfactory to them. We appreciate the good will and loyalty of our patrons.

In these days, a good neighbor is an even more valuable asset than before. In the spirit of neighborliness this friendly bank invites your business.

Misses Viola Jones, Edna and Lois Birchfield, Harlan and Lee Jones and Asa Birchfield spent Saturday and Sunday at Renfro Valley, Harrodsburg, Bowling Green and Berea.

Despite an increase of twenty-nine percent in freight ton miles and twenty-nine percent more passenger miles in the first four months of 1942, there were twenty-six percent fewer train accidents, thirty-one percent fewer fatalities and seven and one-half fewer passenger fatalities than in the same period of 1929, one of the safest years in railroad history.

Palmer-Daugherty

The wedding of Miss Katherine Williams Palmer, daughter of Mr. and Mrs. John Milton Palmer, to Lt. John Thomas Daugherty, son of Mr. and Mrs. Carroll Browning Daugherty, all of Morehead, was beautifully solemnized Wednesday afternoon at 4:30 o'clock in the Methodist Church by Reverend J. E. Moss of Mt. Sterling, a relative of the groom.

The bride, beautifully attired in a full length white satin gown, made with Basque waist, bouffant skirt, leg o'mutton sleeves and Sweetheart neckline, was given in marriage by her father. She carried a shower bouquet of white roses and stephanotis. Her veil of white tulle dropped from a taira of white grosgrain ribbon and fell into a long graceful train. At her entrance and during the ceremony, an illusion veil covered her face but for the recessional it was thrown back.

Her only attendant was her sister, Mrs. James Sidney Northcutt of Louisville. She was dressed in French Blue satin made on the same lines as the bride's gown and she carried a bouquet of pink roses and delphinium. Mr. Daugherty's best man was his father, Mr. Carroll Daugherty.

Mrs. C. L. Cooper, the organist, played a delightful program of nuptial music preceding the ceremony. Her selections were "Intermezzo," "At Dawning," and "Sweetheart of Sigma Chi." Wagner's "Lohengrin" was the signal for the entrance of the wedding party and during the ceremony she played softly "Liebestraum," Mendelssohn's "Wedding March" was used for the recessional.

The church was beautifully decorated with ferns, gladioli, and white hydrangeas. The chancel was banked with ferns, and tall cathedral candelabra with white tapers formed the background. At the foot of the chancel where the ceremony was performed were brass candelabra interspersed in the ferns. These candelabra were family heirlooms of the groom's and have been used in Daugherty weddings for the past several generations. Clusters of white hydrangeas and white ribbons decorated the first few pews of the church. The ushers, Messrs. Omar Ratliff and Phoebe Ratliff of Sharpsburg, Buddy Judd and Hubert Allen of Morehead entered two by two, and they were met at the altar by Lieutenant Daugherty and his father, and Reverend Moss. Mrs. Northcutt preceded the bride down the aisle, after which the bride entered on the arm of her father.

Mrs. John Palmer, the bride's mother, was becomingly attired in a white sheer dress, white hat, and she wore a shoulder bouquet of pink rosebuds. Mrs. Carroll Daugherty, the groom's mother, wore an aqua dress and hat, and her shoulder bouquet was of tall-man roses.

Following the wedding, a reception was held at the bride's home on College Street. The house was decorated in summer flowers, and the bride's table in the dining room was complete with wedding cake, a centerpiece of white roses, and tall tapers tied with white tulle bows. Ice in wedding emblems were served.

Mrs. Daugherty was graduated from George Peabody College in Nashville. She also attended Morehead State College and Transylvania, where she was a member of Chi Omega social fraternity. Mr. Daugherty attended N. Carolina State University, where he was a member of Sigma Chi. He is now a Lieutenant in the Marine Air Corps.

The bride wore for a going-away costume a light brown wool

suit with brown accessories. Following a short wedding trip, they will be at home in Pensacola, Florida, where the groom will be stationed.

CHURCH NEWS

Reverend Ramah Johnson is now holding a two week's revival at Licking Fork. Many are attending from all parts of the country. Saturday evening will be the last evening of the revival.

St. Alban's Episcopal Church Located in the Martindale building, Reverend F. C. Lightbourn, S.T.B., Mount Sterling, Sunday, August 16th (Eleventh Sunday after Trinity): Holy Communion and Sermon, by the Reverend Edward Hoffman, at 9:00 a. m.

The following program has been planned for the Young Peoples Service at the Church of God Sunday evening:

Topic: "Hands that Save"
Aim: "To lead to a greater desire to give oneself in service to others."

Will to Worship: Leader, Esther Crawford.
Song: "Wholehearted Service."
Responsive Reading: Katherine Barber, leader.

Story: "Praying Hands." Inez Kegley.
Prayer.
Original Poem, "Divine Hands."
Solo, "The Touch of His Hands," Marie Ellington.
Benediction.

The average amount of freight carried per train is now greater than ever before.

To move a ton of freight one mile, railroads now burn one-third less fuel than in 1920.

National Defense

and the

FARMER

Headlines in every paper is news about the defense of America. Just as important as airplanes, tanks and armaments is food—food that keeps industry humming, our country on the alert, our army and navy strong.

As it has every emergency, this nation can count on the farmers around Morehead to do their part. This bank pledges its wholehearted cooperation to assist in any way we can.

VICTORY FIRST!

OUR OWN AFFAIRS MUST WAIT

FOLKS: Comes the middle of this month and our company will be thirty years old. And because we like birthday parties (who doesn't?) the twelve hundred men and women of our organization had planned to celebrate during August the company's growth and solid achievements, and have our customers in to the party. But that was before Pearl Harbor.

Now everything is changed. Our own affairs must wait. Victory comes first. We Americans know we must win this war. We know we must wipe out the enemies that would destroy our civilization.

Life wouldn't be worth living if the barbarian Nazis and the besial Japs should reduce us to the slavery of conquered lands. And shame would haunt us till the end of time if we failed to avenge the Treachery of December 7, and the Butcheries of Manila, Bataan and Corregidor.

So—the engineers, electricians, stokers, linemen and maintenance, transformer and meter experts who operate our power houses and transmission systems—and our office forces too—are devoting their energies to the one big job of producing more electricity for war needs. And—all our equipment is helping to supply kilowatts for factories making guns, planes and explosives.

Yes—we're going to be much too busy for birthday parties until the next Armistice Day . . . and then we'll join you all in celebrating victory!

REDDY KILOWATT,
Your electrical servant.

IT TAKES MONEY TO WIN. BUY ANOTHER WAR BOND.
