

ARREST OF ROGERS.

John M. Rogers, of Rowan County,
Captured in Mt. Sterling.

MT. STERLING, KY., June 26.—[Special.]—
Marshal John W. Laub yesterday arrested in
this place John W. Rogers upon the warrants
received from Rowan county on Thursday,
the 23d inst., charging Rogers with confeder-
ating and banding with others to murder
John M. Logan. Rogers is the same man
who made such a narrow escape from
Morehead during the terrible fight of
Wednesday and came to this city.
He was followed by warrants for
his arrest, which came to the officer's hand
on Thursday. A writ of habeas corpus was
sworn out and tried before Judge John E.
Cooper last evening, who released Rogers
upon a bail bond of \$7,500 to appear in the
Rowan Circuit Court at its next August
term to answer any charge which might be
found against him by the Rowan county
grand jury. He readily gave the bond and
was released by the Marshal.

The same allegations were offered in his
case as were offered and acted upon by the
court Friday evening in the cases of the
Young boys.
