CARSON
BLACKWELDER

POSITION: Head Coach **EDUCATION:** Appalachian State (2005)
YEAR AT MSU: 1st

Carson Blackwelder is in his first season as head coach for Morehead State's cross country and track and field programs.

Blackwelder comes to MSU after three years as an assistant coach at Appalachian State University.

While an assistant at Appalachian State, Blackwelder was the recruiting coordinator for the Mountaineer cross country program and strength coordinator for distance runners. He was also a standout runner for the Mountaineers.

Blackwelder's coaching career at ASU resulted in two Southern Conference cross country championships for the Mountaineer men's squad and a second place finish for the ASU women in 2006.

In track, he helped mentor the ASU men to a Southern Conference indoor and outdoor championship in 2007-08. In 2006-07, both the men and women finished second at the Southern Conference indoor championships.

During his collegiate career, Blackwelder was twice named an All-Southern Conference selection, and team MVP. He also earned All-Conference recognition in indoor track.

Blackwelder comes to MSU after three years as an assistant coach at Appalachian State University.

WELCOME to Morehead State University

Meeting the educational needs of East Kentucky while striving to constantly improve the quality of its public service, economic development and applied research programs are the primary objectives of Morehead State University. Historically, the University traces its lineage to the Morehead Normal School, which opened its doors in 1887. The private school closed in the spring of 1922 when the Kentucky General Assembly established Morehead State Normal School. The state institution accepted its first students in the fall of 1923 and graduated its

first class in 1927. Name changes occurred in 1926 when "and Teachers College" was added, again in 1930 when it was shortened to Morehead State Teachers College, again in 1948 when "Teachers" was dropped and, finally, to university status in 1966. Thirteen men, starting with Frank C. Button, have served as president. Dr. Wayne D. Andrews assumed office as the 13th president on Jan. 1, 2005.

Academically, the University offers 79 undergraduate degree programs, including 8 associate level degrees and 12 pre-professional programs in four colleges, Business, Education, Caudill College of Humanities and Science and Technology, and the Institute for Regional Analysis and Public Policy and 20 academic departments. There are 55 graduate degree programs plus 24 graduate level non-degree programs designed especially for professional educators. The education specialist in five specialty areas also is offered. A master's degree for physician assistants, social workers

and a cooperative doctoral program, all with the University of Kentucky, are available on the MSU campus.

Classes are conducted in Ashland, Jackson, Maysville, Mt. Sterling, Pikeville, Prestonsburg, West Liberty and other locations. Regional campuses located in Ashland, Jackson, Mt. Sterling, Prestonsburg and West Liberty are staffed with full-time directors. Additionally, the University offers a number of distance learning courses throughout the region via the Internet and interactive compressed video.

Sixty-one percent of MSU's 384 full-time faculty members hold doctoral degrees.

Physically, the University is located in the foothills of the Daniel Boone National Forest in Rowan County. The nearly 500-acre main campus within the city limits of Morehead includes more than 50 major structures with a total replacement value of more than \$144 million. Beyond the city, the University's real estate holdings include the 320-acre Derrickson Agricultural complex and the par 72, 6,902-yard Eagle Trace Golf Course. The instructional plant includes 120 classrooms and 112 laboratories. Housing facilities include space for approximately 2,600 students in a

variety of housing styles including traditional residence halls, suites and apartments.

Fiscally, the University currently operates on an annual budget of \$109.8 million with about \$44.8 million provided by the state and \$45.4 million coming from tuition and fees. Additionally, grants and contracts from external sources for research, service and academic/student support projects generate more than \$12 million each year. Annual private donations to the University, through the MSU Foundation, Inc., average \$3 million annually.

Statistically, the University has awarded more than 50,000 degrees and currently has more than 1,100 full-time employees. Enrollment for fall 2007 was 9,066, with the student body representing 100 Kentucky counties, 39 states and 27 foreign countries. The University attracts more than 50,000 visitors annually and its economic impact, directly and indirectly, on the Morehead area is estimated at more than \$80 million yearly.

Administratively, an 11-member Board of Regents governs the University with eight citizens appointed by the governor and three seats held by elected faculty, staff and student

representatives. Management of the institution is vested primarily in six divisions Academic Affairs, Administration and Fiscal Services, Development, Planning, Budgets and Technology, Student Life, and University Relations with each headed by a vice president.

Athletically, the University sponsors 18 intercollegiate sports for men and women in accordance with the regulations of the Ohio Valley Conference, the Pioneer Football League and Division I of the National Collegiate Athletic Association. MSU also supports an intramural program involving more than 25 team and individual sports.

DR. WAYNE D. ANDREWS
University President

A New England native who made Appalachia his adopted home, Dr. Wayne D. Andrews has served since January 1, 2005, as the 13th president of Morehead State University.

He is a graduate of Fitchburg State College in Massachusetts where he earned a B. S. degree in 1974 and of West Virginia University where he received a master's in 1976 and a doctorate in 1977.

Andrews has 30 years of higher education experience at three public, comprehensive universities – Morehead State, East Tennessee State and Illinois State. He has served in a variety of roles, including a tenured professorship in engineering technology, department chair, executive assistant to the president, vice president for student affairs, vice president for administration, vice president for administration and chief operating officer and president. His potential for leadership was recognized in 1993 with his selection as a Fellow of the American Council on Education (ACE).

In addition to his background as a teacher and

academic administrator, President Andrews has extensive personal experience in strategic planning, student services, human resources, facility construction, intercollegiate athletics, information technology, economic development and community partnerships.

He was selected as MSU's president on the strength of his successful academic and administrative career at institutions very similar to Morehead State, his familiarity with Appalachia, his effective and engaging management style and his unwavering commitment to student success as the primary focus of the University.

Andrews is an Army veteran whose hobbies include restoration of antique clocks and the singing and playing of traditional music. He and his wife of 35 years, Susan, a retired elementary school reading specialist, have two adult children, Josh and Jill.

President and Mrs. Andrews reside on campus in the President's Home which is listed on the National Register of Historic Places.

BRIAN HUTCHINSON
Director of Athletics

Brian Hutchinson became Morehead State University's ninth Director of Athletics on March 1, 2005 after spending five years as associate director of athletics and six months as interim director following the departure of former AD Chip Smith. In his previous role, Hutchinson served as sport administrator for football, golf, baseball and volleyball as well as the athletic training operation, managing day-to-day operations of the department, managing the department's annual budget and serving as the department's ticket manager.

Hutchinson, 34, is one of the youngest athletic professionals to ever serve as a Division I director of athletics. He has spent his entire professional career at MSU, now spanning more than 12 years, and is a member of the institution's senior leadership group, the President's Cabinet. Previously he served as development director for two years, before assuming the post of director of development and marketing, which he held for nearly one year. Prior to that, he served 18 months as a regional development officer for the University and six months as a staff assistant in the University's Office of Development and Alumni Relations.

A 1996 cum laude graduate of Morehead State University, Hutchinson earned a Bachelor of Business Administration, while specializing in real estate. During his senior year, the Louisa, Ky., native served as the Student Government Association President and was a student representative to the MSU Board of Regents. He graduated in 2001 with a Master of Arts in Education (Sports Administration), also from MSU. He has remained active in the local alumni association of Sigma Alpha Epsilon, and he holds memberships in the National Association of Collegiate Directors of Athletics, the Division I-AA Athletic Directors Association, the AFCA, and CASE.

Under Hutchinson's leadership, the athletic department has seen major improvements in facilities, student-athlete performance, and staffing level. In four years in the role, some highlights of his administration have included:

- Four consecutive Ohio Valley Conference Athletic Achievement Awards
- Winning the overall OVC Sportsmanship Award for 2006-2007
- OVC team academic awards in men's tennis (twice), baseball (twice), softball, women's tennis (three times), and men's track
- Highly successful re-design of the Morehead State athletic brand
- Re-design and launch of the department's website, www.msueagles.com
- OVC Sportsmanship Awards in men's golf, women's basketball and men's track
- A newly-focused annual giving structure through the Eagle Excellence Fund
- Facility improvements in all women's programs and a new locker room for women's basketball
- Renovation of all donor hospitality areas
- Leading the formation of an athletics facility master plan that will guide MSU's athletic physical plant for the next 20 years
- Hiring Kevin Deweese as the department's first-ever, full-time strength and conditioning coach
- Increasing staff in men's basketball, soccer, baseball, softball, media relations, sports medicine, and volleyball
- Drafting the department's 2006-10 strategic plan

Hutchinson currently represents the Pioneer Football League as a member of the NCAA Division I Football Issues Committee, the NCAA Football Championship Subdivision Governance Committee, and the FCS Midwest Regional Advisory Committee. For the 2006-07 year, Hutchinson served as chair of the OVC Board of Directors of Athletics.

He has attended numerous development and athletics administrations conferences

and has been a presenter for the NCAA YES! clinic program. Hutchinson served as the director for the 2002 OVC golf championship and as the director of the 2003 OVC volleyball championship. He has also been appointed as a member of the Recruiting Cabinet of the new NCAA Governance Structure

Hutchinson and his wife, Elizabeth, also a two-time MSU alum, have two sons, Benjamin, 8, and Riley, 4. They reside in Morehead.

MELISSA DUNN
Senior Associate Director of Athletics,
Senior Woman Administrator

Melissa Dunn is in her third year in the athletic department and recently was promoted to Senior Associate Director of Athletics after serving as Assistant Director of Athletics and Senior Woman Administrator for the previous two years. She will continue to serve as MSU's SWA. Before joining the athletic department staff, she had most recently served as Director of Student Activities and Greek Life at Morehead State.

Dunn is in charge of MSU's NCAA re-certification process that is currently taking place. She also coordinates MSU's Student-Athlete Advisory Committee, which is in charge of the annual athletic awards banquet. In addition, Dunn has sport oversight on several women's teams at

MSU. Dunn, who holds three masters degrees, including two at Morehead State, has been a member of the MSU staff for 11 years.

Dunn had served as Director of Student Activities/Greek Life since December 2004. In her position, Dunn oversaw intramurals, spirit squads, student organizations and Greek letter organizations.

From September 2002 to December 2004, she was the Assistant Director of Admissions where she coordinated all special events for the Office of Admissions, including SOAR, the MSU Regional College Fairs, all open houses and all the Meet Morehead State Night programs.

She served as the Office of Housing's Assistant Director for Special Housing from July 2001 to September 2002.

She graduated from California (Pa.) University in 1995 with a bachelor's degree in business administration. She earned a masters of science in business administration from California (Pa.) University in 1999. She also earned a masters of Arts degree in adult and higher education from Morehead State in 1999 and received a masters degree in sports administration from MSU in 2005. She is married to MSU Assistant Football Coach Gary Dunn and their first child, Sydney, was born this July.

MADONNA WEATHERS
Vice President for Student Life

Madonna Weathers assumed the position of Vice President for Student Life in July of 2002. A Louisville native, Weathers has been a member of the University's administrative staff since 1972 when she was named Associate Director of Student Housing.

After 13 years in that role, she became Director of Residence Education in 1985 and then Director of Student Development in 1989, before taking on her most recent post. She earned her bachelor's degree in education in 1971 and master's degrees in adult and higher education in 1972 all from MSU.

As a staff member, she has served two terms as chair of MSU's Staff Congress. She also

was co-chair of the University's Campus Giving Campaign in 1999 and 2000, and served on the SACS SelfStudy Steering Committee from 1998-2000.

Weathers is a member of the National Association of Student Personnel Administrators, Southern Association of College Student Affairs, and Phi Kappa Phi Honor Society. Active in the community, she serves on the boards of the St. Claire Regional Medical Center Foundation and Peoples Bank. She also is a member of Morehead Women's Club and Jesus Our Savior Catholic Church. She is married to James Weathers. They have three grown children and four grandchildren. Weathers' son, Guy Huffman, is a University photographer.

RICHARD FLETCHER
Associate Director of Athletics/Compliance

Richard Fletcher is a two-time Morehead State graduate and has moved into the role of Associate Director of Athletics/Compliance after serving several years as MSU's Director of Sports Medicine and head athletic trainer.

He was promoted to Assistant Director of Athletics for Sports Medicine in February of 2006.

Fletcher, who directed all aspects of the MSU sports medicine program, is in his seventh year overall with the university. He holds a bachelor's degree and a master's degree from MSU. He earned his bachelor's degree in 1992 and collected his master's degree in 2002.

After nine years, Fletcher returned to his undergraduate alma mater in 2001 as Head Certified Athletic Trainer and served in that title until 2003. In 2003, he was promoted

to Athletic Training Director and held that title until his promotion to an assistant director of athletics in 2006.

In addition to his athletic training role at MSU, he has served as an adjunct professor since 2002.

Fletcher began his professional career as the certified athletic trainer for Rowan County High School from 1993 to 1997. He provided coverage for 14 teams and also taught a variety of classes on athletic training.

He then moved on to Kentucky State University where he served as a certified trainer from 1997 to 2000. He led the student athletic training program and also served as an adjunct professor at KSU. From July of 2000 until August 2001, Fletcher was a clinical certified trainer. He provided services to four high schools in the

Frankfort/Lexington area and also served as trainer for the semi-pro women's soccer club, the Fillies, and the Kentucky Thoroughblades, a semi-professional hockey team in Lexington.

Fletcher is a member of several professional organizations, including the National Athletic Trainer's Association, the Kentucky Athletic Trainer's Society, and the Southeastern Athletic Trainer's Association. He is a past president of the Kentucky Athletic Trainer's Society, serving from 1998 until 2001, and was the co-chairperson on the Legislative Advisory Committee for that group. He has also presented numerous papers and posters and has been published extensively in the *Journal of Athletic Training*.

He is married to the former Wendy Tackett, a nurse practitioner in Morehead. The couple has two daughters, Allison and Reagan.

BRITTANY BOOTH
Assistant Director of Athletics

Brittany Booth has joined the Morehead State athletic department as an assistant director of athletics and will be in charge of MSU's marketing, promotions and fundraising efforts. She will also be in charge of the Eagle Excellence Fund and the annual golf tournament and auction.

Booth most recently served as the Director of Sports Marketing at High Point University since May of 2007. In that role, she handled all the marketing and promotional efforts for HPU's 16 athletic teams. She also oversaw High Point's radio broadcasting and basketball advertising campaigns and was in charge of production for game programs, posters and schedule cards. Booth was also heavily involved in game management duties.

Before her time at High Point, Booth was a promotions assistant for Nelligan Sports Marketing in Louisville where she was involved in day-to-day operations for the promotion of University of Louisville men's and women's basketball and football. From 2005 to 2007, she served as a graduate assistant and marketing assistant in University of Louisville's athletic department. She helped coordinate community and alumni activities and was the chairperson for the 2006 Homecoming golf outing. As a marketing assistant, Booth helped coordinate the marketing budgets for men's and women's soccer and oversaw all gameday activities for those events. She also assisted in community promotional events.

Booth began her career as the Assistant Director of Operations for the Fort Wayne Fever, a Premiere Development League soccer franchise. As assistant director, she had a variety of responsibilities, including budgets, sponsorships and advertising. She also directed the internship program and worked on NCAA compliance issues. Booth also designed game programs, media guides, ticket brochures and many other promotional materials for the Fever.

She is a 2002 graduate of Indiana University and earned her Master of Science degree in sport administration from University of Louisville in 2007. Booth was also a Juris Doctorate candidate, completing coursework at Valparaiso University, in 2003.

ACADEMICS at Morehead State

One of the most important aspects of the student-athlete's experience at Morehead State is academics, and the athletic department has excellent facilities and staff to provide MSU student-athletes with the best possible technology and know-how to help them succeed in the classroom.

A new state-of-the-art computer center and resource center, which was also recently updated in 2008, are now available in the Academic-Athletic Center. Academic Athletic Coordinator Valerie Ousley and her staff of students and volunteers also provide academic monitoring, tutoring and counseling in the new Academic Center.

Academically, the University offers 96 degree programs and pre-professional programs through four colleges, Business, Education, Caudill College of Humanities and Science and Technology, and the Institute for Regional Analysis and Public Policy.

On a year-by-year basis, Morehead State student-athletes continually rank among the

best in the Ohio Valley Conference, and the athletic department again won the OVC's Institutional Academic Achievement Award, presented by Aeropostale, for 2006-07 - the third year in a row MSU has won the league's highest academic honor. In all, MSU has now claimed eight OVC Academic Achievement Awards, tying Eastern Kentucky for the most in league history. In addition, the Morehead State women's basketball, women's tennis, baseball, men's tennis, softball and men's track teams have each won the OVC individual sport Academic Achievement Award for having the highest percentage of student-athletes named to the OVC Commissioner's Honor Roll in the last three years. The rifle team was named an All-Academic Team by the National Collegiate Rifle Coaches Association and soccer's Rachel Kendall was named Academic All-Region by the NSCAA.

The MSU athletic department also has had a large number of student-athletes awarded an Ohio Valley Conference Medal of Honor.

VALERIE OUSLEY
Athletic Academic Coordinator

An 19-year employee of the University, Valerie Ousley joined the athletic staff in 2004 in the position of Athletic Academic Coordinator. Her responsibilities include directing and operating the Eagle Academic Success Center, supervising study hall and computer labs, monitoring academic progress of the student athletes, managing the CHAMPS/Life Skills program, developing programs that support and highlight academic accomplishments of student athletes, providing assistance to coaches and the Assistant Director of Athletics/Senior Woman Administrator, and nominating student-athletes for NCAA and OVC awards.

Ousley spent two years as a Database/Research Analyst for Institutional Research and Computer Applications, where she served as a problem-solver and wrote documentation for the University's AIMS system and Web site. Prior to that, she spent 13 years as the receivables manager in the Office of Accounting and Budgetary Control. There, she oversaw the billing and collection of student accounts, and helped write University policies and procedures. She also spent one year working for the IRS as an auditor.

At MSU, she has helped develop academic and financial policies, and served on numerous

committees. She has performed various administrative functions and responsibilities, including working with MSU's regional campuses. A University Fellow and a member of the MSU Visionary Society, Ousley has taught classes in accounting, marketing and management.

A native of Martin, Ousley earned two degrees from MSU. She received a Bachelor of Business Administration in Accounting in 1987 and then a Master of Business Administration a year later.

Away from the University, Ousley and her daughter, Stevann, rescue and rehabilitate abused animals on their farm in Owingsville.

SPORTS MEDICINE

The Sports Medicine Program at Morehead State offers student-athletes the most up-to-date professional services available. Led by head trainer for men's sports Jamey Carver and head trainer for women's sports Sara Larson, the Sports Medicine Department allows athletes a wide range of options for treatment and rehabilitation of injuries.

One of the major support services offered is the main athletic training room located adjacent to Jayne Stadium. The facility contains four whirlpools, four electric stimulators, four ultrasound units and nine treatment tables, along with a variety of other services and equipment. Each athletic team has a full-time or graduate assistant athletic trainer assigned to them, and each of MSU's trainers are fully trained and accredited to perform life-saving and injury treatments. The training staff also utilizes two remote facilities in the Academic-Athletic Center and Wetherby Gym. Both facilities have state-of-the-art equipment.

The training staff also works closely with the Caudill Health Clinic on campus in Allie Young Hall and with St. Claire Regional Medical Center.

JAMEY CARVER, A.T.C.
Head Men's Trainer

Jamey Carver is now in his eighth year on the staff of the athletic department at MSU and was recently promoted to Head Men's Trainer. Carver was a former intern with the Eagle athletic training department before joining the staff full-time. Carver's main responsibility has shifted to football after serving as the men's basketball trainer for several seasons.

A former graduate assistant athletic trainer at University of Kentucky, he earned his masters degree in kinesiology from UK. Carver earned a bachelor's degree in exercise science from Northwestern State University in Natchitoches, Louisiana.

He is married to the former Brandy Morris, a teacher in the Rowan County school system and a former soccer star at MSU. The couple has one daughter, Mia.

SARA LARSON, A.T.C.
Head Women's Trainer

Sara Larson is in her seventh year on the MSU staff and has been promoted to the Head Trainer for Women's Sports. Larson's tenure at Morehead started in the fall of 2002 as a graduate assistant and then she was promoted to Assistant Athletic Trainer in January of 2005.

Her main responsibility includes coverage of women's basketball. Larson also serves as an adjunct professor in MSU's Health Physical Education and Sports Sciences Program.

She earned her master's degree in Health Physical Education and Sports Sciences with an emphasis in Sports Management from MSU in 2004 and earned a bachelor's degree in Nutritional Sciences from University of Missouri in 2002. She is currently perusing her doctorate from the United States Sport Academy in Sports Medicine Administration.

STRENGTH & CONDITIONING

The strength and conditioning program at Morehead State provides student-athletes with the best possible physical and mental training to help them perform at their peak potential. Under the direction of fourth-year coach Kevin Deweese, the individual sport programs focus on physical and mental training and nutrition for that particular sport as well as particular athletes. Deweese and his staff develop programs that will help athletes reach their maximum potential and prevent injuries.

Athletes have several options for weight training with the centerpiece of the program being the Phil Simms Weight Training Center. Funded by former Morehead State and NFL star quarterback Phil Simms, the center houses weight machines and free weights and is located adjacent to

Jayne Stadium. The center has ample space for several teams to train at the same time.

Athletes also utilize the weight center in the Academic-Athletic Center. Free weights, as well as state-of-art machines, are located in the facility.

Stressing the whole body, the strength and conditioning program at Morehead State also helps athletes reach their potential in the fields of agility and speed. Deweese and his staff make sure athletes are ready for game action with speed drills and agility training tailored to each sport. The staff also oversees off-season workouts and nutrition programs to make sure Eagle student-athletes are in-shape when the season begins.

KEVIN DEWEESE
Head Strength & Conditioning Coach

Kevin Deweese is in his fourth year as head strength and conditioning coach at Morehead State. He is in charge of all aspects of physical training and conditioning for all of MSU's 16-sport athletic department. In just a short span, Deweese's programs have already begun to show results as Morehead State athletes have benefited from his knowledge of weight training, physical training and nutrition counseling.

Deweese came to Morehead after serving as an assistant strength and conditioning coach at

the University of Tennessee-Chattanooga. With the Mocs' athletic program, he was in charge of several aspects of the overall program for all sports. He was also instrumental in nutrition counseling for UTC's athletic teams.

Prior to UTC, Deweese served as an assistant in the University of Kentucky strength and conditioning program for football from 2003-2005. He was in charge of several facets of the football strength program, including weight training, injury rehabilitation, pre-game

preparation and nutrition counseling. In addition, he served as a strength and conditioning intern at UK from 2001-2003, where he directed all aspects of the baseball strength program.

A member of the National Strength and Conditioning Association (CSCS) Deweese graduated from the University of Kentucky in 2004 with a bachelor's degree in kinesiology/exercise science.

ATHLETIC FACILITIES

JOHNSON ARENA

Located inside the Academic-Athletic Center is the home to the Eagle basketball programs. Johnson Arena seats 6,500 and recently received a new facelift on the arena floor with the new Eagle logos. The arena also houses both locker rooms, visiting locker rooms and a remote training facility as well as many of the athletic department offices.

JAYNE STADIUM

The 10,000-seat Jayne Stadium houses the nationally-ranked Eagle football team and also serves as the home field for the Eagle soccer team. The stadium houses the football coaching staff offices and locker rooms for football and soccer.

ATHLETIC FACILITIES

GEORGE A. SADLER COURTS

The courts are the home to the Eagle tennis program. Named for former Eagle standout coach George A. Sadler, there are six lighted courts for day-time and night-time competition.

WETHERBY GYM

It serves as the exclusive home to the Eagle volleyball program. The former home of the men's and women's basketball teams, Wetherby houses the coaching staff offices as well as refurbished locker rooms and a new video room for the Eagle volleyball team.

UNIVERSITY FIELD

Serving as the home for Eagle softball, University Field is located behind Allen Field on campus. Recently, additional seating was added as well as a new backstop and public address system. Major improvements have also been made to the field in the last three years.

ALLEN FIELD

Named for former Eagle great Sonny Allen, the field is home to the Eagle baseball program. The concrete grandstand houses home and visitor locker rooms, umpires' dressing room and the Eagle coaching staff offices.

EAGLE TRACE GOLF COURSE

Located in rural Rowan County and completed in 1995, Eagle Trace is the newest official athletic facility as it was acquired by the University in 2007 and is now the home course for the MSU golf programs, including the new women's program starting in Fall 2008. A beautiful and challenging 18-hole course, Eagle Trace has hosted a Kentucky State men's and women's amateur championship and has also hosted the Kentucky State High School Tournament.

BUTTON RIFLE RANGE

Located inside historic Button Auditorium on campus, the range houses the Eagle Rifle program and hosted the 2007-2008 Ohio Valley Conference rifle championships.

ATHLETIC MISSION STATEMENT

MOREHEAD STATE UNIVERSITY BELIEVES THAT INTERCOLLEGIATE ATHLETICS IS AN INTEGRAL PART OF THE UNIVERSITY AND THAT A BROAD-BASED INTERCOLLEGIATE ATHLETICS PROGRAM ENCOURAGES STUDENT PARTICIPATION AND INVOLVEMENT IN THE TOTAL LIFE OF THE UNIVERSITY. IN ADDITION, INTERCOLLEGIATE ATHLETIC PROGRAMS PLAY A POSITIVE ROLE BY SUPPORTING THE ACADEMIC AND PUBLIC SERVICE MISSIONS OF THE UNIVERSITY.

- Each athletics program shall be conducted in a manner that protect the physical, mental, emotional, and social welfare of each student-athlete.
- Each student-athlete, through academic counseling and individual assistance, shall be encouraged toward completion of degree requirements and graduation.
- Each athletics program shall adhere to the principles of fair play and amateur competition as defined by the National Collegiate Athletic Association and the Ohio Valley Conference.
- Each athletics program shall be administered at the highest level that the University's resources will allow so that each student-athlete will have the opportunity to compete to the fullest extent of his or her ability.
- The athletics programs at Morehead State University shall make every effort to educate and serve the student-athletes of the University's primary service area and their respective educational institutions.
- The athletics program will accommodate student's interests and abilities in a manner that is nondiscriminatory to both sexes and reasonable with the University's resources.
- The athletics program shall adhere to the University's Affirmative Action Plan promoting equal opportunity for all employees and students, as well as applicants for employment and student participation.

NCAA COMPLIANCE ADDRESS

Dear Friends:

Morehead State University is committed to upholding the highest integrity within all procedures and practices of the athletic department. We are pleased to publish this note as a reference to understanding often confusing NCAA regulations. The NCAA defines "representatives of athletic interests" as alumni, friends and boosters of the University. All member institutions are held accountable for their representatives' actions. One violation could jeopardize the eligibility of any or all Eagle athletic programs.

As a general rule, anyone who has financially supported Eagle Athletics, been a member of any booster organization, or who has supported Eagle Athletics is considered a "representative" of Eagle Athletics.

Prospective student-athletes can be defined as a student who has started classes in the ninth grade or any younger student-athlete who has received a benefit from the institution. These

individuals may only be recruited by MSU coaches who have passed the NCAA Recruiting Rules Examination. While "representatives" of Eagle Athletics may speak to any of these individuals via telephone or in person, a recruiting effort must not be made. Also, no student-athlete or prospective student-athlete may receive any extra benefit outside of the support provided by the institution. For any questions regarding this description, please contact me at 606-783-5136.

These are certainly not all the regulations any "representative" of Eagle Athletics must remember. However, they provide a good outline of the types of things that could endanger the eligibility of any MSU Athletics program. Again, feel free to contact us if you have any questions. Thanks again for your support of Morehead State Athletics.

Sincerely,

Richard Fletcher

Associate Director of Athletics/Compliance

MSUEAGLES.COM

The Home of Eagle Athletics on the Web

MSUEagles.com is the exclusive home for Morehead State athletics on the Web, providing fans, parents, prospective athletes and media with all the information they need regarding the Morehead State athletic department. Launched in the Fall of 2005, the site gives fans access to rosters, statistics, press releases, photos and much more for all of MSU's sports teams.

The site is also the place to go to hear Eagle Athletics on the Web. Fans can access live broadcasts and live statistics. Just click on the links on the home page and you're there. Live broadcasts and live statistics are a free service provided by the athletic department.

MSUEagles.com is serviced by ISOCNET of Florence, KY. Content is updated by the MSU Athletic Media Relations Office.

EAGLE SPORTS NETWORK

The Home of Eagle Athletics on the Radio

All of Morehead State's football and men's and women's basketball games, plus selected other sports, can be heard on the Eagle Sports Network, with WIVY-FM 96.3 in Owingsville/Morehead serving as the flagship station. Veteran broadcasters Chuck Mraz and Jason Blanton serve as the main voices of MSU athletics, with Mraz serving as the radio voice of the football and men's basketball teams and Blanton serving as the women's basketball play-by-play announcer and color commentator for football and men's basketball. Tom Lewis rounds out the broadcast team as the sideline reporter for Eagle football broadcasts. The Eagles Sports Network, with its numerous affiliates, allows fans to hear MSU athletic events throughout the Bluegrass and well into West Virginia and Southern Ohio.

MOREHEAD and the Gateway Region

Morehead, Ky., is a community of nearly 10,000, nestled in the foothills of the Appalachian Mountains in the Daniel Boone National Forest. It serves as the educational, medical, recreational and cultural center of rural northeast Kentucky and is located in the state's Gateway Area. Morehead also is known as the "Hardwood Capital of the World." Situated on the state's major east-west highway, Interstate 64, Morehead is 58 miles west of Ashland, Ky., and the border of West Virginia, and 66 miles east of Kentucky's second-most populated city, Lexington.

Its centralized location allows many parts of the Eastern and Midwestern United States to

be readily accessible. Among the major cities within a day's drive are Washington, D.C.; Baltimore; Charlotte; Raleigh, N.C.; Atlanta; Knoxville, Tenn.; Nashville; Cincinnati; Dayton, Ohio; Columbus, Ohio; Cleveland; Pittsburgh; Indianapolis; Detroit; Chicago; St. Louis; Memphis; Birmingham, Ala.; and Louisville, Ky.

Located in the heart of Rowan County, Morehead affords a wealth of activities for the outdoorsman. Just six miles from downtown is beautiful 8,270-acre, man-made Cave Run Lake, an area nationally-known for its recreation opportunities and the fifth-largest body of water in Kentucky. Hiking, biking, swimming, boating, fishing, water skiing, canoeing, bird watching,

| CAVE RUN LAKE |

| KENTUCKY FOLK ART CENTER |

camping or enjoying the solitude of nature are some of the highlights of the activities at Cave Run Lake. The lake is known as the "Muskie Fishing Capital of the South" and hosts numerous tournaments each year. Daniel Boone National Forest, within which Cave Run Lake is entirely located, is visited by over five million people annually, and Morehead also is

home to the Minor E. Clark Fish Hatchery, the largest fresh water fish hatchery in the U.S.

Carter Caves, just 25 miles from Morehead in nearby Carter County, is another popular outdoor spot just a short drive down I-64. The historic town of Maysville, Ky., a major stopover point on the Civil War-era Underground Railroad, is located 45 minutes north on the Ohio River, and offers more entertainment options.

Golf is another popular outdoor activity in Morehead. Two courses are within county limits. Eagle Trace Golf Course is an 18-hole, par-72 course, which has hosted both the state's men's and women's amateur championship and has been given four stars by Golf Digest. Sheltowee Trail Golf Course is open to the public and offers inexpensive opportunities which can challenge players of all skill levels.

What about arts and crafts? Morehead is also home to the Kentucky Folk Art Center, the only center of its kind in the state dedicated to the skills of untrained artisans. Also unique to Morehead is the Kentucky Center for Traditional Music, a facility dedicated to preserving the rich history of traditional Bluegrass, folk and

Americana music. Many of the area's best trade and music shows are housed in the new Morehead Conference Center. For fine art, stop by the Pine Grove Gallery on Bride Avenue or the Claypool-Young Art Gallery, located on MSU's campus. Several local craft and antique shops are dotted throughout the community as well.

If you're interested in festivals, June and September are a busy time in Morehead, when the festival season is in full swing. Among the annual events, the area hosts the Day in the Country Folk Art Show and Sale, Cave Run Storytelling Festival, Harvest Festival, Poppy Mountain Festival, Bluegrass and More Festival, Appalachian Arts and Crafts Fair, and Hometown Holidays plus numerous horse shows.

Morehead also has an outstanding theatre guild for those who are looking for other cultural experiences. The group puts on productions throughout the year. Morehead State University also annually hosts concerts from nationally-prominent bands of all musical genres.

In addition, there are several restaurant and shopping options, including many in the renovated downtown area.

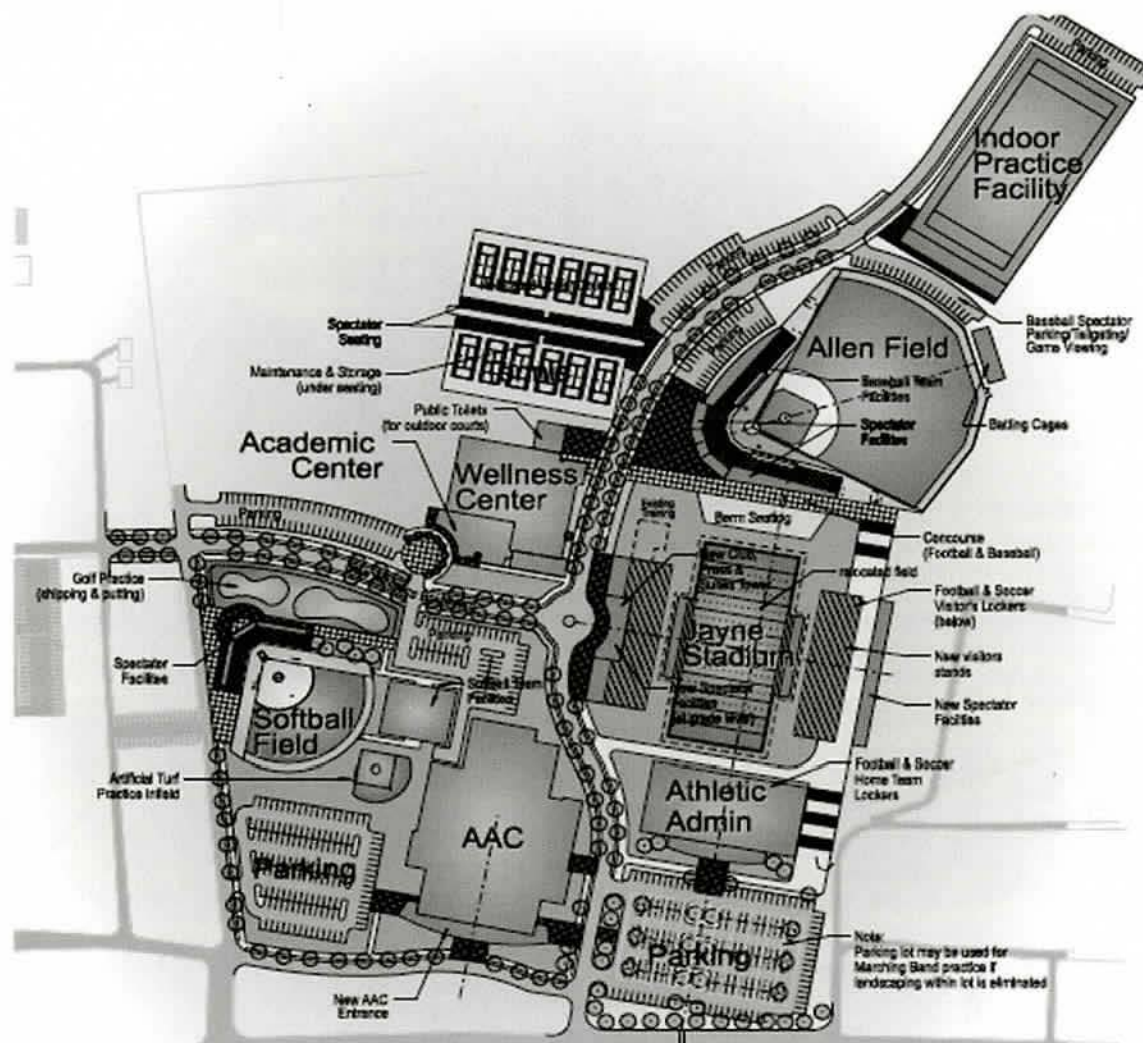

CINCINNATI, OHIO

Less than three hours from Morehead, Cincinnati and Northern Kentucky provide a plethora of tourist activities, professional sports and exciting nightlife. From Reds' games at Great American Ballpark to Bengals' games at Paul Brown Stadium to the new Newport Aquarium, Morehead State students will enjoy the proximity of one of America's most diverse and exciting metropolitan areas. The "Queen City" is also home to some of the most interesting museums in the United States, and boasts a great nightlife scene.

LEXINGTON, KENTUCKY

Located just an hour from Morehead and Rowan County is Kentucky's second most populated city, Lexington. Known worldwide as a mecca for thoroughbred horse enthusiasts, the Lexington area is home to the famous Kentucky Horse Park and Keeneland Racetrack. Lexington also offers a variety of shopping venues, including the newly renovated Fayette Mall and the Hamburg Pavilion Center. Lexington also offers a great nightlife scene as well as professional baseball and professional indoor football.

| PROPOSED ATHLETIC FACILITY EXPANSION |

A VISION FOR THE FUTURE

Morehead State's Athletic Facility Master Plan

Through administrative and athletic leadership at Morehead State, a study of athletics facilities commenced in the winter of 2006 to identify a plan that would guide decisions made by MSU Athletics well into the 21st century. Heery International, acclaimed architects and facilities planners, was selected to complete the study.

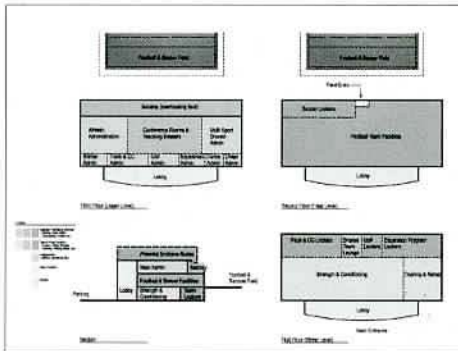

All potential constituent groups were consulted throughout the process. While MSU has much to be proud of, it became quite apparent that significant work should be done to improve the physical athletics plant.

The drawing you see here provides a map of what is to come. In all, over \$89 million of work was identified and encompasses five new facilities and five renovated facilities. The first scheduled work will be the renovation of the University's Wellness Center into a state-of-the-art Athletics Academic Resource Building.

For more information or if you'd like to help MSU realize these goals, please contact MSU Director of Athletics Brian Hutchinson at b.hutchinson@moreheadstate.edu or at 606-783-2089.

A VISION FOR THE FUTURE

Morehead State's Athletic Facility Master Plan

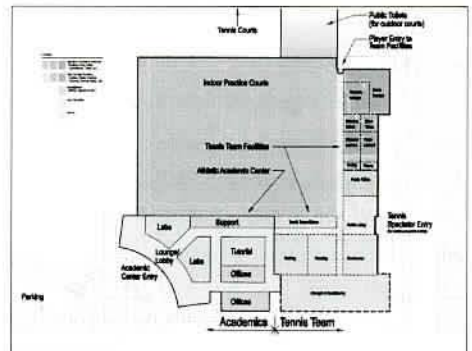

NEW ADMINISTRATION BUILDING

The new administration building will be located on the south end of Jayne Stadium and will house all administrative offices, most coach's offices and football team facilities. The building will also house soccer and cross country locker rooms and serve as the site to strength and conditioning activities and the sports medicine operation.

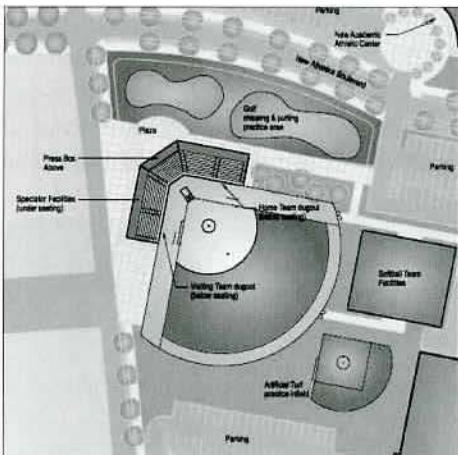

JAYNE STADIUM

Completely renovated with new grandstand seating on the home sideline as well as a new press/luxury box tower atop the home sideline grandstand. The new press tower will house a spacious press work area, the President's Box as well as space for luxury boxes and a club seating area. Visitor locker rooms will be renovated, and the visitor sideline grandstands will be completely renovated. The road leading into Jayne Stadium will be re-routed and will serve as an entrance to the new athletic complex. The current track will be removed, and the home sideline grandstands will also be moved closer to the field, giving fans excellent sightlines and a feel of being closer to the action.

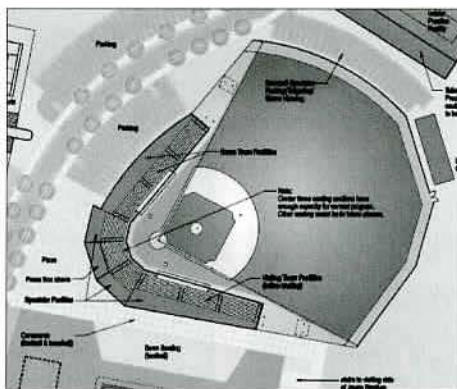

ACADEMIC CENTER

The first phase of the plan, already under way, is the expansion of the current Wellness Center to become the new Academic Center. Once completed, it will house computer labs, offices and study halls and will be a valuable asset to the academic success of Morehead State's student-athletes.

SOFTBALL FACILITIES

A new softball stadium will be built on the Northwest side of the current Academic-Athletic Center. The facility will have home and visiting locker rooms and a spacious press box. Also planned is a softball team locker room facility as well as an artificial turf infield practice area for use by all outdoor teams. Behind the new stadium a golf chipping and putting green is also in the plan to be constructed.

BASEBALL FACILITIES

The Allen Field grandstand will be re-constructed and modernized, and plans are to extend the current right field "short porch" area to a more-spacious field area. A new press box will be built atop the grandstand.

INDOOR PRACTICE FACILITY

The indoor practice facility will be located on the present site of University Softball Field and will serve as a valuable practice facility for all of MSU's teams.

TENNIS FACILITIES

The current Sadler Courts will be renovated. The new facility will have 12 lighted courts and ample stadium seating for spectators. Team facilities as well as ample storage and restroom facilities will be located in the expanded Academic Center adjacent to the courts.

MOREHEAD STATE AFFIRMATIVE ACTION STATEMENT

Morehead State University is committed to providing equal educational opportunities to all persons regardless of race, color, national origin, age, religion, sex, or disability in its educational programs, services, activities, employment policies, and admission of students to any program of study. In this regard the University conforms to all the laws, statutes, and regulations concerning equal employment opportunities and affirmative action. This includes: Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Executive Orders 11246 and 11375, Equal Pay Act of 1963, Vietnam Era Veterans Readjustment Assistance Act of 1974, Age Discrimination in Employment Act of 1967, Sections 503 and 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act of 1990, and Kentucky Revised Statutes 207.130 to 207.240. Vocational educational programs at Morehead State University supported by federal funds include industrial education, vocational agriculture, business education, home economics education and the associate degree program in nursing.

Where dreams take root... and grow.
