**WALTER CARR**  
The Morehead Union game was definitely below B. A. C. of the state. Union used to have some good teams in the days of Matt Sullivan and Ralph Strasser. Look for them to be a good team again next year.

Carroll Sullivan has had to come to live up to a good season. He plays in the Eastern and Murray games was great. He has at least hit his stride so look for him to go in the coming K. A. C. tournament at Louisville.

Brack really turned Mayville last week but it was a better victory since Brev. Mayville's best
