"ONE OF KENTUCKY'S GREATER WEEKLIES"

MOREHEAD, KENTUCKY, THURSDAY MORNING, NOV. 19, 1942

NUMBER FORTY SEVEN

VOLUME IX

Registration Dates For Gas Ration Confusing To Some

Local Board Will Accept Applications Nov. 18, 19, 20

Due to the confusion in dates set for registration for Basic "A" Ration Book, for gasoline, several citizens of Rowan County have failed to register. Due to this fact the Local War Price and Rationing Board will hold a special registration on November 18, 19 and 20. From one o'clock p. m. to six o'clock p. m. (1:00-6:00) at the Local Board office in the show-room of the Midland Trail Garage.

At that time, they request that all persons who failed to register for the Basic "A" Book, at the earlier registration, present themselves at the Local Board Office at the designated times for registration.

Information required at the time of registration includes: the automobile license register, the serial numbers of five tires (all tires in excess of five must be sold to the government), a reliable, established junk dealer, and a receipt for their sale presented to the Board, and the number of the Federal Usage Tax Stamp. Only the owner of the automobile can register.

On November 23rd, 24th and 25th applications for Supplemental Gasoline Mileage Books, "B" and "C" Book, will be taken. This registration will be held at the Office of the Local Rationing Board. The hours of registration will be from 1 P. M. to 6 P. M.

Applications for Supplemental Mileage for persons working in plants where a Plant Transportation Committee has been established must be presented to this committee for their approval before the War Price and Rationing Board.

As these various registrations entail considerable work it is requested that all persons take advantage of the opportunity given them to register on these days and thereby relieve the Local Boards of any duplication of work.

Here's Where They Are

This week we have been swamped with names of new recruits who have just been sent forward from the induction center at Fort Thomas, to their respective stations for service. Here are some of the men by branches of service.

- We will gladly publish their names if mailed to us on a penny postal card.
- To Please specify the military unit, army postoffice number (if any), and the city or army post. All entries for the directory must be mailed to us on a penny postal card, none will be accepted at our office, due to the time which would be lost in dealing with each individual. NO CHARGE will be made for this service.
- To Army Air Forces, RTC, Atlantic City, N. J.—Clinton W. Johnson.
- To Army Air Forces, RTC, Miami, Florida—Maurice S. Brown.
- To Branch Immaterial, Fort Bragg, N. C.—Robert Tackett.
- To Army Air Force, Chemical Warfare Service, Atlantic City, N. J.—Coy Hargett.
- To Signal Corps, Camp Crowder, Missouri—Ade Paxon.
- To Quartermaster, RTC, Fort Francis Warren, Wyoming—Vernon E. Blanton and Homer L. Butler.
- To Army Air Force, Fismo, California—Robert R. Sharpe and Van R. Stamper.
- To Infantry, RTC, Camp Wheeler, Georgia—Mason W. Butler, Curtis Fulton and John D. Johnson.
- To Cavalry, RTC, Fort Riley, Kansas—Chester H. Calvert, Hanson C. Carey and Lawrence J. Estep.
- To Field Artillery, RTC, Fort Sill, Oklahoma—Curt Adkins, Jr., James H. Binion, Winfred C. Caudill, Sylvester Conley and Charles Davis.
- To Medical, RTC, Camp Grant, Illinois—George L. Conley, Corbin S. Johnson, Edward M. Law, and Walter Perkins.
- To 85th Infantry Division, Camp Shelby, Mississippi—Leslie P. Blum, Armstrong, William P. Blomman.

Auxiliary To Send Christmas Packages To Service Men

The ladies of the American Legion Auxiliary are preparing to send Christmas packages to the boys in service from Rowan County. Parents or other relatives are asked to turn in the addresses of these boys to Mrs. Lena Miller or some other member of the Auxiliary so that all the boys may be remembered. It will be necessary to do this at once as the packages must be mailed right away.

Red Cross Begins Home Nursing Course, Nov. 19th

Classes To Be Held In Science Building On Thursday Evening

The Rowan County Chapter of American Red Cross cooperating with the Office of Civilian Defense is beginning a course in Home Nursing. Approximately thirty-five women have signed up or signified their intentions of taking the work. The first meeting will be held Thursday night, November 19, in room 105 Science Building. This is for the purpose of organizing the course and arranging the classes. The course will run 24 to 28 hours and must be completed within four weeks. By meeting two hours per night and four nights per week, it is possible to complete the work in three weeks. The work will be arranged if possible in the homes of a group in the afternoon and those that can attend at night. Wednesday nights will be held open for attendance. Meetings at the various churches on the part of those desiring to attend.

Mrs. Dash Caudill Roberts, nurse for the Morehead State Teachers College, will assist in the work. Mrs. Roberts is a trained nurse with wide experience in both hospital and home nursing. The services of Mrs. Evelyn West have been enlisted to assist with the work. Mrs. West is a Registered Nurse of wide experience in her field. She graduated from the Methodist Episcopal Deaconess Hospital, Virginia. She served two years as a private nurse. One year was spent as technician in a doctor's office, three years in connection with the operation of the Hazelwood Sanatorium, Louisville. In this position she also had charge of laboratory work as well as X-ray work.

The Home Economics staff of the various schools will be called upon from time to time to assist with the work. Mrs. C. B. Lane has taken the chairmanship of the Home Nursing work and will look after the work at the various schools. She is well known in Morehead for her work. For many years she taught classes in Health at the Morehead State Teachers College.

It is impossible for you to attend Thursday night, come to the Science Building Monday evening, 7:00 P. M. The first class periods will begin then. The text books will be sold at cost and are the approved books.

(Continued on Page 2)

USDA War Board Backs "Share-The-Meat" Program

An appeal throughout Rowan County was made by G. B. Tetterton, Chairman of Rowan County AAA and USDA War Board. The appeal urged for fair sharing of the civilian meat supply.

"The government calls on citizens to hold their consumption at the fair share of 2 1/2 pounds per person each week. The average citizen consumes more than we are allowed. If all citizens now eating above sharing level will come within that level, each of us, as meat workers, will get our fair share of the wartime meat supply. Meat production for this year has reached the highest level in the history of our Nation. However, consumption also has reached a record high. With many of our boys in the armed-services, the meat supply is less than we did two years ago when we had our boys with us. Even now, we have more meat for our own consumption than we had two years ago... but many are not staying within the 2 1/2 pound limit. If we all fall within the consumption, none of us should have to go without our 2 1/2 pounds a week, but it will take cooperation."

Board of Trade Appoints Contact Committee To USO

The Morehead Board of Trade held its regular monthly meeting Monday night at the College Cafeteria.

The president, Mr. G. W. Lane, appointed Mr. Virgil Wolford, Dr. I. M. Garred and Dr. E. L. Shannon to serve as contact committee between the Board and the USO. Another committee composed of Erna Thompson, C. Z. Bruce and D. J. Caudill was instructed to look after decorating of the town for Christmas.

Work has been started on the service men's Honor Roll Board in the court house yard which is to be financed by the residents of Rowan County through the Board of Trade. The size of the board will allow space for 1,200 names of men in service and will bear no advertising.

Mr. Harry Goldberg, who has recently been appointed supervisor or over 40 counties for the OPA, D. J. Caudill was instructed to explain briefly the work of the OPA.

Anna Jane Day Gets Third Officer Commission

Miss Anna Jane Day, Morehead, Ky., daughter of the late Mrs. May W. Day, is one of eight Kentucky girls recently to be commissioned Third Officers in the Women's Auxiliary Corps at the First WAAC Training Center at Fort Des Moines.

Her commission is equivalent to that of second lieutenant in the Army.

This group brings the total of Third Officers to 1251 who will train and direct auxiliaries and fill many positions of importance with the Army. Third Officers and auxiliary leaders will replace many thousands of soldiers from non-combat jobs in the Army, thus releasing these men to shoot arms at the front. The new Third Officers are now awaiting assignments to duty.

Other officers from Kentucky are: Edith Skidmore, Harlan; Mrs. Jean Overstreet Smith and Virginia Lee Overstreet, Lexington; Virginia Everett, London; Elizabeth R. Prewitt, Mt. Sterling; Erma Jane Ries, Covington; Dorothy L. Wood, Louisville.

King Releases A Statement On Ky. School Standing

Says Children in State Are Handicapped By Low School Standards

W. P. King, Secretary of the Kentucky Education Association, Louisville, Kentucky, released the following statement:

"Much has been said about where Kentucky ranks in the list of states on the matter of schools. The following facts show the low position of our state and the tremendous handicap with which we start our children out into a competitive world."

"The per capita income for Kentucky is \$338.00. There are eight states lower."

"The average value of school property per pupil enrolled in Kentucky is \$124.00. There are six states lower."

"The total yearly cost of Kentucky schools per capita population is \$87.6. Four states are lower."

"The yearly cost of schools per pupil enrolled in Kentucky is \$41.26. Six states are lower. Average for United States \$36.49."

"The percent of school expenditures devoted to salaries in Kentucky is 66.5%. Six states only are higher. Average for the nation is 59.7%."

"Tax revenue per pupil in Kentucky is \$17.48. Average for United States is \$29.51."

"The percent of days in average school is 66.5%. Six states only are higher. Average for the nation is 74.5%."

(Continued on Page Three)

Food Sale

The Breckinridge Home Ec Club is having a food sale next Wednesday from 10:00 a. m. to 4:00 p. m. in the basement of the Administration Building. Homemade cakes, cookies, pies, and other good things will be offered for sale.

Eagles Will Meet Maryville College Here To End Season

Game Will Climax Most Successful Season In Years

A home game with Maryville College, for the past several years touted as one of the strongest grid teams the entire South, will be fought here to the 1942 football program for the Morehead State Teachers College Eagles, at Jayne Stadium here, Saturday afternoon.

Saturday's game will climax one of the most successful seasons for the Eagles since Coachers Ellis Johnson and Len Miller took over the helm in 1935. Theirs is one of the best records of any grid team in Kentucky this season—victories, 2 tie and only one defeat. The defeat came at the hands of Western State Teachers, victory was scored over Murray, West Virginia Tech and Eastern and the Eagles fought to a scoreless tie with Marshall College of Huntington, W. Va., and with Morris-Harvey College of Charleston, West Virginia.

The 23rd victory of the Eagles last Saturday has spurred the Eagles to even greater determination to end the season with a victory. Since Maryville will bring a Morehead one of the strongest teams that the Eagles have met this year, only the best brand of ball that the "Big Blue" can muster in this position will result in a Morehead victory.

Barric impement weather, the Eagles are expected to employ the "Zachary" system, since passing against Eastern was responsible, directly or indirectly, for all three Morehead touchdowns.

Two regulars will be out of the line-up this week—Leroy Wheeler, end, and Alcedo Walters, tackle. They will be replaced by Warren Hicks at end and Leonard Woronowicz at the guard position. The remainder of the team will be unchanged.

The Maryville game will be the last collegiate football competition for the two co-captains, Vincent Moore, Tackle, and Saturday, from Ashland, Kentucky, and Carl "Corky" Howerton, senior from Olive Hill, Kentucky. Both players will graduate this year. Zachary.

(Continued on Page 4.)

Girl Scout Activities

Martha Lee Pennemaker Troop Serberke

The Girl Scouts wish to thank everyone for the cooperation they received during the recent Cookie Sale. In spite of the rain, we sold five hundred boxes during the week.

Barbara Shaffer entertained the Troop with a theatre party, last Friday afternoon at 8:30.

The Senior Troop and some of the Intermediates are planning to make a surgical dress for the Red Cross one Friday night of each month. They, and any other girls who wish to help in this work, will meet in the Red Cross room, on the first floor of the Science Building, at 7:00 p. m., Friday, November 20. Mrs. G. E. Pennemaker and Mrs. Charles VanAntwerp will supervise the work.

The Girl Scouts wish to announce that they will collect magazines for the U. S. O. every other Saturday morning, between 11:00 and 12:00 o'clock, beginning the first of this month. All housewives are asked to have all their old magazines ready for us at that time.

At their last meeting, the Girl Scouts voted unanimously to attend the Union Thanksgiving Services, which will be held at the Baptist Church next Wednesday evening.

USO Center Open To Personnel Of Navy School

The USO Center in the Martindale Building opened Saturday at 10:00 a. m. to the boys of the Navy Training School, remained open through the afternoon and evening, and was open again all day Sunday.

Due to failure to get equipment shipped, the Center is not yet fully equipped, but it was decided to ahead and open the doors to the sailors since they were urgently in need of a recreation place. It will continue to open at noon on Saturday for the use of the boys when they are released for the weekend, and also it will open on Wednesdays, at 7:30 p. m. to those boys who are given the evening off from the Training School for "good behavior."

As soon as the room is completely decorated, "open house" will be held for the general public.

Mrs. J. D. Falls, Official Hostess, states the citizens of Morehead have been very generous in donating needed equipment to the USO. The articles donated have been given outright and others have been loaned for the duration. A list of the articles donated by citizens will be published at a later date.

Masonic Meeting Scheduled For November 26th

Morehead Lodge No. 654 F. & A. M. will hold their regular annual meeting on Saturday evening, November 26. First and second degree work will be conferred at this meeting.

Refreshments will be served to those in attendance. All Masons are urged to attend this important meeting.

Red Cross Needs Volunteers To Make Surgical Dressings

Group Meets At 2:00 O'clock Each Afternoon In Science Hall

The Rowan County Chapter of American Red Cross still needs more volunteers in the making of surgical dressings for the men in the various branches of the armed forces. The dressings are being made by the House of Generosity, Office of the War Department and distributed through there to parts throughout the world. The opening of the African front together with the increased operations in the Solomon Islands has made it imperative that a large supply be held in reserve and for immediate shipment when needed.

Approximately fifty women have volunteered their services and are meeting each afternoon at 2 o'clock in room 103 Science Building, Morehead State Teachers College for the making of these dressings. The room is open to all, and each week an award is given if the demand can be met. It takes time to learn the technique and as this is learned the making of the dressings can be speeded up. Last week the group turned out approximately 2000 dressings, but our quota is 20,000 per month.

The past week Miss Patty Bolyn, director of Home Economics in the Red Cross Training School, enlisted her girls in the group.

(Continued on Page Three)

Bob Elam Qualifies As Sharpshooter At Ft. McClellan

Private Robert Elam, son of Mr. and Mrs. O. B. Elam, of this city, has qualified as a sharpshooter on the range at the Branch Immaterial Replacement Training Center, at Fort McClellan, Alabama. Private Elam shot a score of 110 on his first try. He is a member of Company B, 11th Battalion.

Private Elam was inducted into the Regular Army August 1, 1942, and was sent to Fort McClellan for his basic training. The BIRTC gives a course of basic military training to condition each trainee, physically and mentally, for the advanced work in the particular arm of service of the army to which he may be assigned later. Men are sent to all branches of the service, according to their qualifications.

Thanksgiving

A Service of Thanksgiving to which the members of the community are invited, and which they are urged to attend, will be held Wednesday evening, November 25, in the Baptist Church. The service is sponsored by the Churches of the community, and the ministers of Morehead will cooperate in conducting the service.

Demonstration Of Home Canning On Festival Program

Mrs. Mamie Prangle To Illustrate Canning Technique

Mrs. Mamie Prangle, who for the past two years has demonstrated the technique for Agricultural Extension Service, with the cooperation of the Hazel Atlas Glass Company, will give a meat canning demonstration at the Rowan County Fall Harvest Festival, which will be held Saturday, November 21, at the Morehead High School gymnasium.

The canning demonstration is scheduled to begin at 11:15 p. m., and is being sponsored by the Agricultural Extension Service under the supervision of Dan Brane, Rowan County Agricultural Agent.

Mrs. Prangle is far from a novice in the field of home canning as the following record will prove. As a member of the 4-H Club for eight years, she won two trips to the State fair, one in 1931 and one in 1932, and in 1933, she won the National Canned Food Judging Contest, held in Chicago, against 48 contestants from all over the United States.

When she graduated from the University of Kentucky College of Agriculture and Home Economics, she accepted a position as Home Demonstration Agent in Scott County, Kentucky, in which capacity she served until 1940, when she married.

Other outstanding attractions await the public at the Harvest Festival, the first event of its kind ever staged in Rowan County. Over 40 cash prizes will be awarded to winners in the open exhibition of farm products.

Complete information about the Festival is given in a twenty-page catalogue, just off the press, which may be obtained from the County Agent, or from the Vocational Agriculture Teacher at the High School.

Civilian Defense Chief Urges Meat Sharing Program

Voluntary Ration Of 2 1/2 Pounds Is Asked

Calling upon every housewife in the Region to make a definite contribution to the war effort by joining in a voluntary meat-sharing program, Dan T. Moore, Director of the Fifth Region Office of Civilian Defense, in cooperation with State Defense Directors of Ohio, Indiana, Kentucky, and West Virginia, today directed public attention to the Share-the-Meat campaign that is being started throughout the Fifth Region.

The program, which calls for a voluntary reduction of meat consumption on the part of every person accustomed to eating more than the government ration, is being aided by block and neighborhood leaders.

As soon as leaders receive from their local defense councils the necessary Share-the-Meat literature, said Mr. Moore, they will call on housewives in their neighborhoods of details and to suggest constructive steps they may take to assist in the Share-the-Meat program.

In bringing this vital campaign to public notice, Mr. Moore issued the following statement made to the press by James M. Landis, National Director of the Office of Civilian Defense:

"Block Leaders will contribute to our national war program when they win the cooperation of their neighbors in the voluntary conservation of meat for the fighting men. Meat rationing should be clearly understood for exactly what it is—an immediate

(Continued on Page 2)

Heart Attack Is Fatal To Former Sheriff Mort May

Stricken While On Duty At Wright Air Field In Dayton, Ohio

Morton C. May, 48, former Rowan County Sheriff, died of a heart attack Tuesday morning, Nov. 10, at about seven o'clock, while on duty as a special policeman at Wright Air Field, Dayton, Ohio.

Mr. May, who served as Sheriff of Rowan County from 1934 to 1938, was a veteran of the First World War, and a member of Corbie Ellington Post of the American Legion. From the end of his term as Sheriff of Rowan County in 1938 to the time of his employment at Dayton, he had operated the Mountain View Tourist Camp at Farmers, Kentucky, eight miles west of Morehead. He had been employed as a special policeman, operating an armored cruiser, at Wright Air Field in Dayton for the past two years.

In addition to his widow, he is survived by one daughter, Myrtle May; one sister, Mrs. William C. May, of Chicago, Illinois, and one brother, Wiley May, Morehead.

Funeral services will be held this afternoon, Thursday, November 12, at the Christian Church in Farmers, at 2:00 o'clock, with the Reverend Buell H. Kaeze, pastor of the Morehead Baptist Church in charge of the service.

Interment will be made in the Carey Cemetery in Farmers.

Post Office Urges Public To Mail Early For Xmas

Says Public Cooperation Is Necessary To Prevent Mail Jam

The Post Office Department is now starting one of the most gigantic tasks in its history—the movement of a deluge of Christmas parcels, cards and letters, while maintaining the regular flow of millions of pieces of mail daily, from our army and forces all over the world.

Indications are that the volume of the Christmas mail will be the largest on record. Already, in September, the latest month in which records are available, retail sales had reached a level second only to the record month of December. The 1941 Christmas mail, which records are available, and sales are rising. Such heavy purchases always presage heavy mailing.

If thousands of our soldiers, sailors, marines and civilian friends are not to be disappointed at Christmas, the Post Office must cooperate by mailing earlier than ever before and by addressing letters and parcels properly. The Department alone cannot be enough, in view of the wartime difficulties faced by the postal system.

Workers have already been taken by the war services. Arrangements are underway to add thousands of temporary personnel to the postal staff, but this manpower is hard to find and is inexperienced. Facilities of railroads and airlines are heavily taxed by movements of huge quantities of war materials and personnel. Extra trucks are almost impossible to obtain. Winter weather, hampering transportation, is beginning.

The free-mailing privilege granted to members of the armed forces has raised their mailing costs 30 percent higher, it is estimated.

(Continued on Page 4.)

Farmer Faulkner Dies Of Heart Attack

Farmer Faulkner, 62, of Clearfield, Ky., died of a heart attack at his home there Saturday night, November 14.

He is survived by his widow, Mrs. Georgia Faulkner and six sons: Iollie, Carl and Lindsay of Clearfield; Robert of Paducah; and James of IrtGrange, Ky., and James of Clearfield.

Funeral services were held at 10 o'clock, Monday afternoon, November 16, at 1:00 o'clock, with the Reverend Bill Moore in charge of the service. Burial was made in the Bradley Cemetery in Clearfield.

Civilian Defense

(Continued From Page 1)

as well as a longer range plan to fulfill the needs of our armed forces, and, under lend-lease contracts, those of our fighting allies. "It should be made clear that there is no shortage of men in this country. More meat is being produced this year than ever before in our history, but the demands of war exceed the demands of peace. We must supply our civilian population, our army, and, to a large extent, the armies of our allies. We are asked to limit ourselves alternately to two and one-half pounds of meat each week for each adult; not much less than the average American eats at present, of representing enough of a saving to assure full strength to the battalions of liberty.

"If one thing is sure in this war it is that food is going to count as a weapon for victory.

"We have got to have an economy of food. I ask most urgently that every Defense Council and every Block Leader get squarely behind the voluntary meat rationing campaign, so that every

housewife will know the importance it holds for our success in the latter struggle ahead. Bring the war into the American kitchen and take the kitchen straight into the war so that by planning, saving, and serving, every American can make this direct contribution to the winning of the war. This is a challenge that every Block Leader can accept, a job in which prompt action will bring an immediate response from every community in the nation."

U. S. Civil Service Needs Experts For Government Jobs

Chemists, Appliance Repairmen, Teletype Operators Needed

Federal offices in Washington, D. C. need teletype operators and office appliance repairmen, the U. S. Civil Service Commission announces. In addition, Federal laboratories throughout the United States are in need of Junior Chemists and Chemical Aids.

Operators of multiplex, simplex, or teletype machines may qualify for the Washington positions if they have had at least 2 weeks of appropriate training or experience and can type accurately by touch 25 words a minute on a communications machine. Positions pay \$1,440 and \$1,620 a year.

Office appliance repairmen with 1 year of experience maintaining, repairing, and overhauling typewriters, calculating machines, adding and subtracting machines, and other office equipment, or similar office equipment may qualify for Washington jobs that pay \$1,860 a year. Typewriter repairmen are especially needed.

The field of synthetic rubber, particularly, expanded research may double the demand for chemists during the coming months, the Commission reveals. Many Junior Chemists and Chemical Aids must be recruited for Federal service therefore, and college men and women, especially women, with appropriate chemistry training are urged to file their qualifications with the Commission.

To four years of college training with only thirty semester hours in chemistry is required of applicants for the \$2,000 Junior Chemist positions. Three years of college training with 24 semester hours of chemistry is required of applicants for the \$1,800 Chemical Aid jobs. Applications will be accepted from senior and junior students who expect to complete the specified requirements within 4 months after filing.

There is no written test and no maximum age limit for any of these positions. Applications should be filed with the United States Civil Service Commission, Washington, D. C., and will be accepted until the needs of the service have been met. Fingerprint classifiers are requested to note the closing of the U. S. Civil Service examination for Assistant Fingerprint Classifier. Applications for this position must be filed with the Commission's Washington office on or before November 21, 1942. Full information as to requirements, and application forms, may be obtained from Mrs. Flora Cooper, Secretary of the Board of M. S.

Ky. Social Welfare Conference Meets November 18 To 21

Will Be Held In Lafayette Hotel, At Lexington

The Thirtieth Annual Meeting of the Kentucky Conference of Social Welfare will be held at the Lafayette Hotel, Lexington, Ky., November 18-21. Two timely themes run through the Conference program—"The Impact of War upon the Social Services," and "Youth Problems Arising Out of the War."

Outstanding speakers who will handle these topics are William Hodson, Commissioner of Welfare for the City of New York; Mrs. Evelyn M. Duval, Director of the Association for Family Living, Chicago, Illinois; Mr. Fred Hoehler, Director of the American Public Welfare Association, Chicago; Mr. Howard R. Knight, Executive Secretary of the National Conference of Social Work, Columbus, Ohio; and Miss Margaret Fry, well-known British scholar, public administrator, and authority on youth problems, who is now in this country representing the Government of Great Britain. The British Library of Information.

Ten Round Tables with such subjects as "Social Welfare in Wartime," "Social Work Publicity," "Wartime Recreation," "Care of Children," "Current Development of Public Health," are planned for Thursday afternoon, November 19, and Friday morning, November 20.

Dinner and refreshments will be held Thursday and Friday evenings and a business session will take place Friday afternoon to elect officers for the coming year. Members of the Conference include professional and lay people interested in problems of public welfare administration, health, education, and all phases of social welfare. Approximately 300 persons are expected to attend the Conference. President of the Conference is Mr. Charles J. Rieger, Jr., Director of Welfare, Louisville; executive secretary is Gerald F. Cook, School of Social Administration, University of Louisville.

Civil Service Examiners at the local office or customer in this city, or from the Secretary of the Board of U. S. Civil Service Examiners at first and second-class post offices.

Applications are not desired from war workers unless higher skills would be utilized in a change of position. War Memorandum restrictions on Federal appointment of persons engaged in certain critical occupations in specified areas are given in Form 3989, posted in first and second-class post offices.

Policeman's Ball To Be Held At Maysville, Nov. 25

The Annual Maysville Policeman's Ball will be held this year on Wednesday, November 25—the eve of Thanksgiving—it has been announced. The affair will be held at the American Legion Hall on West Third Street in Maysville, and music will be furnished by the Kentucky Cavaliers, Maysville's own dance band. Dancing hours will be from 10 until 2.

One of the most enjoyable events of the late fall season, the ball attracts dance patrons not only from Maysville and Mason county, but from adjacent counties as well.

Because of war conditions the members of the local police force, sponsors of the ball, first ascertained the attitude of the various Mason county war agencies before deciding to give the dance and all of the units—the Mason County Red Cross Chapter, the Mason County War Bond Staff and the U. S. O.—were unanimous.

in sanctioning the event. The affair is a benefit for the members of the local police force and in appreciation of the excellent services rendered by them day after day. Maysville citizens have in years past been more than generous in the purchase of tickets and no doubt this year will respond with the same generosity. The price of admission is \$1.50 per single person or couple.

Social Security Tax Remains One Percent Next Year

Employees who are covered by the Social Security Act will continue to have one percent of their wages deducted for old-age and survivors insurance after January 1, 1943, it was announced today by Elbert M. Bohon, manager of the Ashland, Ky., field office of the Social Security Board. This rate, which has been in effect since social security went into effect January 1, 1937, will continue throughout the calendar year 1943.

"The original Social Security Act," Mr. Bohon said, "provided for an increase of one-half of one percent every three years, as the worker's contribution under old-age and survivors insurance. The tax act of October, 1942, as passed by the Congress and signed by the President, provides that wages received during the calendar years 1939, 1940, 1941, 1942 and 1943 are subject to a tax of one percent each for the worker and the employer.

"This act also provides that with respect to wages paid during the years 1944 and 1945 the rate of tax for the worker and the employer shall be two percent for each. The taxes apply only to the first \$3,000 of earnings of an individual during a single calendar year.

"The combined taxes are payable quarterly to the United States collector of internal revenue. Returns must be made when the taxes are paid, showing the names, social security numbers and wages paid to each worker in the period covered by the return."

Horton Assumes Teaching Duties At State University

Teaches Theory Of Music; Directs Men's Glee Clubs

Professor Lewis Henry Horton, for the past twelve years head of the Morehead College music department, left last week to join the staff at the University of Kentucky as assistant professor in music at the University conservatory.

Professor Horton came to Morehead in 1930 as head of the local department, after having taught in Dayton, Ohio. He holds his bachelors of arts degree in Theory of Music from Oberlin College, and his master of arts degree in Theory of Music from Ohio State University.

During his first year at Morehead, Professor Horton organized the Foster Choral Club, student vocal group which has been known as the Morehead Choir since 1938. The group has sung on several radio programs under his direction, from seven different stations and over three major networks. The choral group also made an appearance at the Chicago World's Fair in 1934.

Youth Draft Signed By The President

President Roosevelt last Friday night signed the teen age draft bill, and in a statement said he had ordered a study with a view to enabling the 18 and 19-year-olds called to service to resume their schooling and training after the war.

The President also promised to announce in the near future a plan to utilize during the war the facilities of certain colleges and universities for the training of a limited number of men for "highly specialized duties" in the armed forces.

"These men," the President said, "will be selected solely on the basis of their ability and without regard to whether or not they are now in college or whether they could otherwise afford to go to college."

The drafting of the new age group, it has been estimated, might supply more than 2,000,000 of the 4,500 additional men needed in the armed forces by January 1, 1944. Inductions from the 18 and 19-year-old groups were expected to begin within 30 or 40 days. This, however, will vary to some extent depending upon preparations made by local boards to meet draft calls with older men, and also on how rapidly the boards can classify the new group for service.

Scheduled for classification first are an estimated 800,000 to 900,000 physically fit youths among some 1,200,000 to 1,500,000 left over after enlistments and inductions from the 2,400,000 youths who registered last June 30 for induction at 20 years.

Another pool of 1,755,000 will exist at the end of 1943 from those who have reached 18 since the June 30th registration.

Why America's Cars and Trucks Are VEHICLES OF VICTORY*

- Sole transportation for war workers in many communities.
- Sole transportation for war materials in many communities.
- Six out of every ten farms use one car or more.
- 67 per cent of all farm car mileage is necessary driving.
- Many war plants depend on trucks to haul all "Victory" freight.
- Trucks alone serve 54,000 communities not reached by railroads.

They Serve America by Keeping Our Cars and Trucks Serving for Victory

The automotive mechanics of yesterday are the Victory Service Men of today. . . . For it's up to them to maintain the motorized transportation system which carries men and materials to and from America's war plants, America's farms, America's other essential industries. . . . They know their job, and they're doing their job! . . . Help them to keep your car or truck serving for Victory by getting skilled service now and regularly.

"FINE— I'LL MEET YOU AT THE BROWN!"

WHEN you come to Louisville, do yourself the favor of staying at "The Brown". You see, The Brown really is "Louisville's Largest and Finest". People here in Louisville, and out-of-towners who come here frequently—everybody agrees that there is a difference. It's not a matter of money, because our rates are about the same as elsewhere. But whatever it is, we know you'll like the smiling people who wait on you—the spotlessness of your room—the unobtrusive little niceties of our service—the tastiness of our excellent food. . . . Maybe it's because we feel that operating our Hotel is more than just a business of renting rooms and selling food. Maybe it's because we feel that we're helping you to have a good time, and a good trip. . . . Whatever it is, you'll like it. Won't you try us, and see?

THE BROWN HOTEL
 IN LOUISVILLE
 HAROLD E. HARTER, MANAGER

Mr. and Mrs. N. E. Kennard spent the weekend in Lexington.

Guests for the Bible Study period, which was held from 1:30 to 3:00 p. m., were Mrs. A. L. Miller and Mrs. George McCullough.

The Morehead Woman's Club held its regular monthly meeting Tuesday evening, November 10,

Reger-Crosswaite

The wedding of Miss Jean Maxwell Reger, daughter of Mr. and Mrs. Samuel Steele Reger, of Burk Burnett, Texas, and Ted L. Crosswaite, of Morehead, son of Mr. and Mrs. C. C. Crosswaite was solemnized October 31, in Burk Burnett, Texas.

The marriage vows were said at 8:00 P. M. at the home of the bride's parents, with Rev. E. D. DeVore, pastor of the First Methodist Church using the double ring ceremony.

The living room was beautifully decorated with ferns and chrysanthemums. "The Bridal Chorus" of Schubert was played for the entrance of the wedding party.

The bride given in marriage by her father, wore a blue velvet dress and hat with a necklace and bracelet of pearls. She carried a white Bible and wore a shoulder bouquet of gardenias.

Miss Dorothy Paramore, of Wichita Falls, who attended as maid of honor, wore a beige suit with brown accessories and a shoulder bouquet of white chrysanthemums.

Mr. Buell Hogg, of Morehead, was the groom's best man.

The bride is a graduate of Burk Burnett High School and attended Texas State College for women and Mary Hardin Baylor College. The groom is a graduate of Morehead State Teachers College, and had been employed in the Rowan County School system for ten years before going to Sheppard Field, Texas, as a civilian instructor.

Mrs. Crosswaite will continue her work for the present in the flight surgeon's office at Sheppard Field.

They left for Dallas, Texas, for a short wedding trip. Immediately upon their return Mr. Crosswaite went to Lubbock, Texas, where he was inducted into the U. S. Air Forces, and was sent to Pasadena, Calif., for nine months special training in meteorology.

of Kentucky Christian Churches, and who is also Director of Kentucky Youth Conferences. Mr. Brooks is widely known as an capable preacher with an especial appeal to youth.

At the Young Peoples Guild Meeting at 6:15 in the evening, a supper-meeting will be held, sponsored by the youth committee of the Women's Council.

Card Of Thanks

We wish to take this means of expressing our sincere gratitude to our many friends and neighbors for their kind sympathy and assistance rendered at the death of our beloved husband and father, Farmer Faulkner. Especially do we thank the Reverend Bill Moore for his consoling words, the singers from the Morehead Church of God—Noah Hall, Worley Hall and Forrest Lee—and the Ferguson Funeral Home for the careful, considerate arrangements they made in handling the funeral service.

Mrs. George Faulkner and Family.

About 2,300 U. S. cities with a total population of 1 1/2 million depend on private cars because they have no transit systems and 24,000 communities, lacking rail road facilities, depend on trucks and buses.

P. O. Urges - - -

(Continued from Page 1)

limited. Expansion of those facilities also is adding rapidly to the postal burden.

The deadline for mailing gifts to army and navy personnel overseas, with assurance that they will be delivered by Christmas, has already passed. The New York post office reports that late in October, 350,000 such parcels were handled daily in that office alone.

The Post Office Department is making strenuous efforts to avoid such a terrific jam as it faced in 1918 under similar conditions during the first World War. It can succeed in those efforts—and avoid many heartaches for its patrons—if the public will cooperate by mailing early.

Eagles Meet - - -

(Continued from Page 1)

em has been favorably mentioned by a number of sportswriters as a likely candidate for Little All-American center this season. Certainly his devout love of the game, his superb sportsmanship and his "never say die" attitude through, even the most trying conditions, should readily qualify him for that honor.

Independent \$1.50 Yr

FIRE IS WHERE YOU FIND IT

When you read in the paper that some home has been burned, remember the same misfortune may come to you. If you have been lucky for many years, it is no guarantee of the future. Even with greatest care, fires are frequent. Usually their origin is unknown.

All fires cannot be prevented, but through insurance and other measures you can largely eliminate the possibility of loss. The smallest and most valuable things deserve first attention. Keep them in a Safe Deposit Box. You will have room for War Bonds and business papers. Come in soon . . . before you forget.

"ON TARGET!"

A pilot winging over enemy lines . . . or an engineer pounding the high-iron with a train-load of troops and supplies . . . both are "on target." For their final objective is the same—victory for American arms!

On last December 7th, the railroads of America went all-out for war. They undertook the biggest mass transportation job in history . . . a job which, since Pearl Harbor, has meant moving 8,000,000 men in military service . . . unloading of 2,500 to 3,000 cars of export freight at seaports each day . . . delivering 7,000 cars daily to Government construction projects and training camps . . . carrying raw materials to war plants and bringing back the finished fighting tools. Jobs like these for the Army and Navy are vital military missions which only the railroads can perform.

Yes, the railroads are "on target" . . . and there they'll stay, until the the gun is fired.
