"ONE OF KENTUCKY'S GREATER WEEKLIES"
MORHEAD, KENTUCKY, THURSDAY MORNING, DEC. 10, 1942

VOLUME IX MORHEAD, KENTUCKY, THURSDAY MORNING, DEC. 10, 1942 NUMBER FIFTY

Here's Where They Are

Prof. Ralph R. Swimm, A. S. No. 3522651, Hyde Co., 3rd Bn., 32nd A. R., 3rd A. D., A. P. O. 253, Camp Pike, Virginia.
Louis G. Fugate, 81st Infantry Division, Camp Rucker, Alabama.
John W. Wilson, 8th Mechanized Division (Infantry), Fort Leon, and E. Wood, Missouri.
Cadet Orie Morton Raymond, U. S. Navy Pre-Flight School, Batt. 12, Co. K, Plst. 3, LC Quod, Iowa City, Iowa.
John F. Cabell, Jr., 3rd. General Hospital, Camp Rucker, Alabama.

S. S. Board Unable To Locate Workers By Account Numbers

If your husband left home to find work in a defense plant or if your brother who, when last heard from, was employed in the ship yards or airplane factory and you have not heard from him for some time, don't write to the Social Security Board for information regarding his whereabouts because they can't tell you, said Elbert M. Bohon, manager of the Ashland, Ky. Social Security Board field office. Mr. Bohon explained that many people think the Board can locate workers through social security account numbers, which is not the case.

It was explained that regulations of the Social Security Board, adopted in accordance with the Act, do not permit the disclosure of information pertaining to the records of the Board except in specific cases. Such cases must be for use only in connection with

Morhead 4-H Club Meets Today

Virginia Ellington, Club Reporter
The 4-H Club of Morhead High School met in room 10, December 3, 1942.
The roll was called by Margaret Sue Corlette, Secretary.
Mrs. Riddle inspected our aprons and talked to us about our dresses. We are to have our dress patterns at the next meeting, so we can decide how much material to buy.
Our next meeting will be December 10, 1942 in room 10, at the Morhead High School.

Girl Scout Activities

Martha Lee Pennecker, Troop Scribe
The Senior Scouts will meet at Mrs. Landolt's home this Friday at 7:15 p. m. The Intermediates and Brownies will meet as usual.
The National Girl Scout Membership Cards were formally presented last Saturday by Mrs. A. E. Landolt at the meeting of the Troop.
A Girl Scout Court of Awards is being organized, and at a special ceremony in January the Scouts will be presented with the ranks and badges they have earned.
The Girl Scouts will collect magazines for the USO again this Saturday from 10:30 to 11:30 a. m. They would appreciate the citizens of Morhead reading their magazines and then donating especially the ones they think the sailors would enjoy most, so the magazines will be comparatively new when they reach their destinations.
At our last Troop meeting we decided that we would have our Christmas party the Wednesday before Christmas. We drew names to determine to whom each girl should give a useful, inexpensive gift selected from the Girl Scout catalogue. We shall go to the basement of the Christian Church for refreshments and the opening of the gifts. We shall also have Christmas baskets for the poor, as we have done in the past.

Morehead Athlete Enlists in Navy

Former all-star Kentucky prep athlete and voted "most valuable" football player in the Division Eight Conference for two straight years, Arthur R. Tatum, 29, is a new recruit at the U. S. Naval Training Station at Great Lakes, Ill. His wife, Mrs. Barbara D. Tatum, lives in Maumee, O.
Tatum, who worked for the Phillips Petroleum company before turning to football and basketball at Morehead high school before attending the University of South Carolina, Columbia, S. C.
At Morehead he played end on the football team for three years, and was named all-state in 1933. In basketball he was captain of the Little Eight champions for two years, and was selected on the Eastern Kentucky all-star team all four years he was in high school.
In 1936 he played end on the South Carolina freshman grid team which was unbeat in the South. He performed in football and varsity basketball team in 1937, and left school at the end of his sophomore year.
He hopes to become a storekeeper in the Navy.

U. S. O News

USO Open House
Open House for the public will be held at the USO Club Room, Thursday evening, December 10, 1942. His performance in football and basketball at Morehead high school before attending the University of South Carolina, Columbia, S. C.
At Morehead he played end on the football team for three years, and was named all-state in 1933. In basketball he was captain of the Little Eight champions for two years, and was selected on the Eastern Kentucky all-star team all four years he was in high school.
In 1936 he played end on the South Carolina freshman grid team which was unbeat in the South. He performed in football and varsity basketball team in 1937, and left school at the end of his sophomore year.
He hopes to become a storekeeper in the Navy.

USO Business Meeting
The December meeting of the USO Citizens Committee was held Monday evening in the USO Club Room. Routine business was transacted and operating problems were discussed.
Persons were elected to fill vacancies at active memberships on the USO Citizens Committee: Raymond, Mrs. Charles VanAntwerp, John Francis, J. O. Ewert, W. H. Rice, Mrs. Ed Williams, Louise Caudill and Mrs. R. C. Anderson.
A social committee, which will have charge of making plans for wholesome entertainment for members of the Naval Training School, was elected. They are Mrs. R. C. Anderson, chairman, Louise Caudill and Mrs. Ed Williams, associates, and this social committee will be the social committee chairman elected from each church and civic and social organization in Morhead. Those representing the churches and other organizations are: Episcopal, Mrs. Chiles VanAntwerp; Catholic, John Francis; Baptist, Mrs. Linda Caudill; Baptist, Mrs. S. P. Wheeler; Church of God, Mabel Alfrey; Christian, Mrs. O. M. Owens; Methodist, Mrs. W. M. Evans; Methodist, Mrs. W. M. Evans; Methodist, Mrs. W. M. Evans; Methodist, Mrs. W. M. Evans.

Hunters Warned To Make Report Of Game Killed

Kentucky hunters were today urged by S. A. Wakefield, Director of the Division of Game and Fish, to fill out the form on the back of their hunting license and mail it in to the Division offices here immediately after the license expires on December 31, 1942, stating the amount and kind of game killed during the year 1942. This information will be of great value to the Division in compiling data on the amount of game killed in Kentucky each year, and the sportsmen and the types or species taken in the hunter's bag. This informative data will be used as a guide for future restocking of game in wood and field.

MSTC Basketball Schedule Released

Second Game of Season To Be Played at Ashland December 16

The Morehead College Eagles basketball quintet will have their hands full when they tackle a tough Salem College combination, December 16, at Ashland, Ky.
Salem boasts one of the National leading scorers in Ambrose, who tallied a total of 777 points last season for a net average of 33 points per game.
The task of trying to hold this boy in check will be given to Max Brand, covering 6'9" sophomore, from Paintsville, Ky. Max is only 17 years old, but already has had one season under his belt.
Morehead's schedule, completed recently, follows:
December 16—Salem at Ashland.
January 5—Signal Corps, here.
January 8—Marshall, there.
January 8—Rio Grande, there.
January 12—Ashland Junior College, here.
January 16—Signal Corps, there.
January 20—Eastern, there.
January 23—Eastern, there.
February 1—Georgetown, there.
February 8—Marshall, here.
February 10—Eastern, here.
February 12—Murray at Paducah.
February 13—Murray at Murray.
February 15—Fort Knox at Louisville.
February 20—Georgetown, here.

Nursing Schools Urged To Increase Student Enrollment

The nursing schools throughout the United States are urged to increase their enrollment of student nurses during the coming year. It has not been found possible to shorten the nursing course unless the applicant offers some advanced academic work beyond high school. There are several scholarships available for worthy and needy students which reduce the usual entrance fees about half.
Nursing has been called "a work with a future" and during this period, in which all women are asked to participate in the war effort, certainly no better can be found. Most Universities and Colleges grant a year's credit for the 3 year nursing course, so the student is gaining college credit at the same time.
Detailed information can be obtained by applying to the Superintendent of Nursing, General Hospital, Louisville, Kentucky. Our next class enters on January 18th, another around March 1st.
(Continued on Page 2)

The Why Of Fuel Oil Ration

We Americans welcome opportunities to be of service to America when we know that the service is needed, but we resist being pushed into sacrifice for the sake of sacrifice alone. When we know the facts, we do the job wholeheartedly, willingly and efficiently.
The quantity of fuel oil shortage problem in the east and middle west is a transportation. There is no fuel oil shortage problem in the west and southwest, and in these eighteen states the now is fuel oil rationing.
Here are some fuel oil facts which show the need for the fuel oil rationing program now in effect in this area of the United States.
Fuel oil requirements for military and industry operations have skyrocketed fuel oil consumption to a point where a serious situation exists.
The quantity of fuel oil now stored in this area showing an rationing is now effective is 25% less than one year ago. The huge military requirements of a war of the magnitude of this one, make it advisable as a matter of common sense, to have the stockpiles of oil in this area showing an rationing instead of this alarming decrease at this critical time.
Oil is one of our most vital war materials.
Planes, tanks, ships and trucks cannot operate without it. Large stocks of just day to day supplies—must be maintained.
Each of the more than twenty-five vital fronts of this vital oil

Farmers Club To Meet Friday Night

The regular monthly meeting of the Rowan County Farmers Club will be held Friday night of this week at 7:30 at the public school. Mr. Bruce Poundstone, Farm Management Specialist from the University of Kentucky, will make a talk to the group at the meeting. His subject will be "Rural Organization to Aid in the War Effort."
Any interested persons are invited to attend.

Judge Earl Senff Succumbs Sunday

Had Been County Judge of Montgomery County 26 Years

County Judge Earl W. Senff, 64, for twenty-six years judge of Montgomery County, died in Mary Childes Hospital in Sterling, Sunday morning, December 6.
Judge Senff was stricken with cerebral hemorrhage Thursday afternoon, while en route back on an automobile with his brother, C. B. Senff, Mt. Sterling Postmaster, and was never fully returned to consciousness thereafter.
Judge Senff had been prominently mentioned for the gubernatorial nomination next year, but he had not decided at the time of his death whether or not he would become a candidate.
He was born in Cincinnati, O., but had spent most of his life in Montgomery county. He was serving his seventh consecutive term as Montgomery County Judge, and if he had lived until January 1, 1943, he would have completed 26 years of service in that office.
Judge Senff was a member of a committee that located the State Normal Schools at Morehead, and at Murray, Kentucky, and had served as a member of the Board of Regents of Morehead. The Morehead College swimming pool bears his name—Senff Natatorium.
A nephew, Lieut. Earl King

Line Passes Funeral Directors Examination

William C. Lane, Jr., took the State Examination for Funeral Directors and Embalmers last week and received a win Wednesday morning that he had passed both examinations successfully. On Thursday, Mrs. E. E. Ellinger, of Huntington for another examination—for Uncle Sam's Army—and he was confident he would pass this examination.
Mr. Lane, whose home is in Bath County, has attended Morehead State Teachers College for over last year—a result that can be accomplished because of decreased use of gasoline for transportation purposes by civilians. These same refineries are now able to produce only 20% of the kerosene that they have been asked by the government to conserve in peace times. Here are the reasons that transportation is the crux of the problem for this region.
Tanker ships which in peace times have furnished 95% of the fuel oil deliveries to the eastern seaboard, can no longer operate for this purpose.
Railway tank cars are wholly inadequate to take this load because it requires thousands of rail cars to deliver the fuel oil gallonage heretofore delivered to the east coast by tanker ships in a twenty-four hour period.
These railroad tank cars are specialized equipment and are

Zachem Selected On Little All America Team

Vincent "Moose" Zachem, who played every minute of every game at center for Morehead State Teachers College—third with one hand in a cast due to a broken bone—landed a berth on the Associated Press Little All-American team released today.
Despite having to snap the ball accurately with one hand during much of the season, the rough and tough pivot man from Ashland, according to the Associated Press, "franked head and shoulders above any small college center in the South-eastern Conference."
Four Kentucky college stars gained honorable mention, including Pike of Centre, at guard; Hadlock of Centre, Howerton of Morehead and Workman of Morehead at tackle; Varini of St. Joseph College in Indiana also gained honorable mention as a back.

George Gregory Succumbs To Heart Attack

George Gregory, 70, of Clearfield, died at the home of a sister, Mrs. Noah Hall, here, December 1, of heart attack.
Mr. Gregory was a member of the Church of God.
He is survived by his widow, Mrs. Effie Gregory, two daughters, Mrs. Osa Boggs of Morehead, and Mrs. Viola Adkins, of Greenwhich, O.; and four sons, William of Sharkey, Ky.; Ellis and Corbett, of Clearfield; and Arnold, of Morehead.
Funeral services were conducted Thursday, December 3, at 2:00 p. m., by the Rev. Forrest Lee, assisted by Rev. Bill Moore and the Rev. Ramah Johnson.
Burial was made in the Jones Cemetery at Clearfield.

Mrs. Alice Huntsman Dies of Pneumonia

Mrs. Alice Huntsman, age 82, passed away Sunday morning, December 6, at the home of her daughter, Mrs. Ben F. Pollard, in Harrodsburg, Ky. She had not been well for the past year, but had taken more seriously ill recently and developed pneumonia in her last days. Her body was returned to the Lane Funeral Home Tuesday morning and funeral services were conducted at 2:00 at the grave in Lee Cemetery by the Rev. A. E. Landolt.
Mrs. Huntsman was the wife of Robert Huntsman, an employee of the C. & O. Railroad. Besides her husband and her daughter, Mrs. Pollard, she is survived by another daughter, Mrs. Ed Ginn of St. Petersburg, Florida.

Methodist Church Plans Xmas Program

A special program has been arranged for the Vesper Service, Sunday, December 13, at 5:15 at the Methodist Church. This program will bring together the regular Choir of the Church and the Junior Choir. These two choirs are doing splendid work and their combined forces will provide a splendid service of Worship. Participation in the Service will be a number of young people from the College and the Naval Unit. The Service will consist of songs, poems, and Scripture readings. There is a charge for attending. There is no charge for the music and the music and story of the birth of the Christ Child. We never grow tired of hearing them. Everyone is invited to attend this Service Sunday evening at the Methodist Church. Remember the hours—5:15 P. M.

Haldeman F. F. A. Elects Officers

Clarence Caudill, Reporter
Chapter officers for the Haldeman FFA have been elected for the coming year. The officers are as follows: Fred Hogue, President; John Paul Barker, Vice President; Claude Brown, Secretary; Fred Crum, Treasurer; Clarence Caudill, Reporter; Woodrow Wilson, teacher of agriculture in Rowan County, is advisor. The Haldeman FFA will have been studying Parliamentary Procedure. We are learning how to preside over meetings, and are studying the motions of different kinds. It was a very interesting study since it is all new to us.
The 1943 licenses, both hunting and fishing, are being mailed to the county court clerks in every county in the state and would be available to those who would like to buy them for Christmas presents.
The 1942 licenses expire December 31, and beginning January 1, 1943 the new licenses must be in possession in order to hunt the light nine days of the quail and the dark nine days of the quail. By purchasing the licenses on January 1, 1943 the purchaser has a full year to enjoy the sport. The Division of Game and Fish urges the sportsmen and sportswomen to get his or her license early.

Board of Education Sponsors Training Program In County

The Rural War Production Training Program sponsored by the Rowan County Board of Education offers a real opportunity to the farm people of this county to more effectively meet the 1943 production goals as set by Secretary of Agriculture Claude Wickard. This program is already in operation in eight communities in the county. Fourteen communities should take advantage of the program and start a course of some type immediately.
The 1943 production goals are quite an increase over the estimated 1942 production and it is going to require every farm person to make his own contribution to these goals. Unless we do our part we may be forced to live under a Hitler dictatorship, and we cannot afford that. Our own community responsibilities of teachers and farmers is greater than ever before, also the opportunity for service has never been greater than it is today.
So urgent is your Government's appeal for food products that many farm prices have been stabilized.
The more food we produce the less we have to buy and that which we do not have to buy can be sent to our boys.
The Rural War Production Training Program offers rural people two distinct services. A class may be organized in the "Repair and Construction of Farm Machinery and Equipment" in any community where adequate educational course may be organized in any community where ten or more people can meet together. Your school should be secured for all classes and every effort is made to make the course valuable to the persons who attend. There is no charge for attending any of these classes. Your Government is asking you to attend. That is why it set aside money for this purpose. Your school system is anxious that you cooperate with the program and benefit from it.
A class may be organized in any one of the eight following subjects: Increasing Egg Production, Increasing Milk Production, Increasing Beef Production, Increasing Pork Production, Increasing Turkey Production, Increasing Hemp Production, Increasing Commercial Vegetable Production, Conservation and Processing of Food for Farm Families.

Viking Quintet Defeats West Liberty 38-22

The Morehead High quintet achieved its fourth consecutive win by overpowering West Liberty 38-22 on Thursday, December 10, at the Morgan County lads all the way, it was an exciting and thrilling game from start to finish with several personal fouls called on both sides.
The Vikings were led by Holbrook with 14 points, followed by Carter with 8, and Calves with 8. Nickell led the visitors with 11.
The Vikings are looking forward to their next game and are to take the floor again Friday night against Haldeman on the home court.

SALES REPORT MOREHEAD STOCKYARDS

The Sales Report for the sale of Thursday, December 3, at the Morehead Stockyards follows:
Hogs: Packers, \$13.95; Mediums, \$12.25; Shoats, \$4.35-\$12.00; Sows and Kids, \$46.00-\$30.90.

Senff Dies - - -
(Continued from Page 1.)

Senff, is at present head of the history department at Morehead College.
Funeral services were conducted at the North Maysville Street residence in Mt. Sterling, Tuesday morning, and burial followed in Macphelah Cemetery.

Board of Education - -
(Continued From Page 1)

It is urged that you assume the initiative of organizing a class in your community. More teachers are needed and anyone who is interested should give his qualifications to the Superintendent of Schools, Roy Comette. For further information, consult Wood-

row Wilson, teacher of vocational agriculture at the Morehead consolidated School. As meetings are held in your community it is hoped that you will attend them with the entire family. The sooner we start, the sooner the War will be over. We must do our part to strike a hard blow for America and for our soldiers and sailors and homes and schools.

Nursing Schools - - -
(Continued from Page 1.)

June 1st, and another in September. This school is prepared to give theoretical instruction and clinical experience that will give the student a good basic course. She may become a Red Cross Nurse after graduation, thus becoming a member of the Army or Navy Nurse Corps, or specialize in any branch of nursing she chooses.

S. S. Board - - -
(Continued from Page 1)

the administration of the old-age and survivors insurance program, unemployment compensation and public assistance programs.

Social security account number cards are used in connection with the posting of wage credits to the account number holder and should not be accepted by banks or merchants as identification of indi-

viduals seeking to secure cash or merchandise on checks or orders, according to Mr. Bohon.

Civilian Workers Needed By Army Air Corps

A Representative of the U. S. Civil Service Commission will visit this city to hire workers for the Army Air Corps Agencies in the Dayton, Ohio, area.

There is an immediate need for stenographers, Typists, Clerks, Calculating Machine Operators, General Mechanic Helpers, General Mechanic Apprentices, Packers and Laborers. The salaries range from \$1280 a year to \$1500 a year. At present all salaries are augmented by overtime payments

AT FIRST SIGN OF A COLD USE 666
666 TABLETS, SALVE, NOSE DROPS

of approximately 15 to 20% of base pay. Women are urged to apply for these positions. They may be hired in either the clerical or mechanical field. Men in Draft Classification 1-A are acceptable for many of these positions. Many of these positions provide excellent opportunities for training and promotion.

IF YOUR NOSE "CLOSES UP" TONIGHT

3-PURPOSE REMEDY Here's mighty good news... If your nose "closes up" tonight and makes breathing difficult, put 3-purpose Vicks Va-tro-nol up each nostril. Va-tro-nol does 3 important things. It (1) soothes swollen membranes, (2) soothes irritation, (3) relieves transient nasal congestion. It brings more comfort, makes breathing easier, thus: **DRIVES AWAY COLD DEVELOPING IF USED IN TIME. Follow directions in field.** **VICKS VA-TRO-NOL**

On Every Front
General Electric equipment is fighting with America's land army. From the rolling kitchen to the front line, electricity works for victory.

- In the factory electricity stitches the seams of tank armor, and on the battlefield it controls the operation of these spearheads of modern combat.
- In induction center and field hospital, the X ray helps safeguard the health of our fighting men, aiding in the diagnosis and treatment of disease.
- Far from the usual power sources, mobile power plants supply electricity for 800,000,000 candlepower searchlights by which a newspaper can be read 12 miles away.
- Blitz war requires swift communications! On the soldier's back, in field and sky, radio co-ordinates the striking force of American army planes, guns, and tanks.

General Electric believes that its first duty as a good citizen is to be a good soldier.

10 National Youth Agencies Join In V-Home Campaign

Will Encourage Members To Study V-Home Requirements

Ten of the outstanding National youth-serving agencies, through their official leadership, have agreed to join in educational efforts

to explain and support the V-Home campaign of the Office of Civilian Defense, according to Dan T. Moore, Director of the Fifth Region Office of Civilian Defense.

The ten organizations are as follows: Boys Clubs of America, Campfire Girls, Boy Scouts of America, Girl Scouts of America,

Jewish Welfare Board, Y. W. C. A., Y. M. C. A., American Junior Red Cross, National Catholic Youth Council, and Equal Erith.

They will encourage their individual members to study the V-Home requirements and to take steps necessary to make their homes "V-Homes."

Hester's Photo Service

Main Street

Opposite Court House

Land is 700 miles away—

BUT WHICH WAY?

WHEN you go overboard from a sinking plane or ship, you've got to know where you are. A bad guess is your last guess.

You've got to understand sun and stars and wind and drift—if you hope to endure long days of thirst and hunger—and steer a course to safety on white sand.

Practical, applied knowledge of the kind that helps men survive the sea can also be a national lifesaver on dry land.

Because America's manufacturers know how, our booming war production is the biggest in the world. Because America's electric industry knows how, our war plants have available for more electric power than all the Axis

countries combined. It will assure victory!

And seven-eighths of all this vast supply of power is provided by the electric companies under business management. They've stepped power production up and up to meet all industrial demands. They've reduced rates so that the average American family gets twice as much electricity for its money as it did 10 to 15 years ago.

These are the accomplishments of experienced men and women who know their business because they learned it the American way—by growing up in it and advancing on ability. These are the results of sound business management under public regulation—the system that has made America strong.

To Assure Victory . . . Buy More War Bonds!

KENTUCKY UTILITIES COMPANY

The local leaders of these groups are being informed that the actual awarding of the V-Home will be in charge of the local Defense Councils through their official Air Raid Wardens. Said Mr. Moore: "This united campaign, however, is designed to help prepare the homes for the visits of the wardens."

"Through many mediums, these organizations will reach the homes of a sizable cross-section of our population and carry the message that the American home is on the battlefield in this war. The millions of members of these groups will be urged to take the offensive against the enemy in the perfection of blackout and other protective precautions, refraining from the spreading of rumors, buying War Bonds and Stamps, conserving essential things such as clothing and food, and salvaging critical materials."

It has been estimated officially that at least two-thirds of the 80,000 doctors under 45 years of age will be required by the army and Navy. That is nearly one-third of America's total medical force!

During the Civil War, life insurance paid American families about \$7,000 daily in policy benefits; during the Spanish-American War about \$400,000 daily; during World War I about \$1,600,000 daily; and today about \$6,500,000 daily.

Evidence that American youth looks to the future not only for opportunity but for security appears from the fact that students buy 7 per cent of all ordinary life insurance policies.

Americans are buying more new life insurance this year than the total amount of life insurance production in force forty years ago.

IF YOUR NOSE "CLOSES UP" TONIGHT

3-PURPOSE MEDICINE

Here's mighty good news . . . If your nose "closes up" tonight and makes breathing difficult, put 2 drops Vicks Va-tro-nol up each nostril.

Va-tro-nol does 3 important things. It (1) shrinks swollen membranes, (2) soothes irritation, (3) relieves transient nasal congestion. It brings more comfort, makes breathing easier, thus invites sleep. And remember, it helps prevent many colds developing if used in time. Follow low directions in folder.

See this marvelous Speed Queen which introduces an entirely new standard of washing efficiency and durability.

SPEED QUEEN

During this, the most critical period which has ever come or perhaps will ever come during the lifetime of most of us, it is absolutely necessary to the welfare of our country that we conserve our food, equipment, our health and our money.

So, let's not be extravagant this year, but let's buy practical and useful gifts for our loved ones. Something which they can use, enjoy and cherish during the trying days to come will be the sensible gift this Christmas.

Dear Santa: ---

Please bring Mommy a Speed Queen Washer this Christmas; she says that a Speed Queen will lighten the burden of her weekly wash. You can choose one of the new 1942 models at McBrayer's.

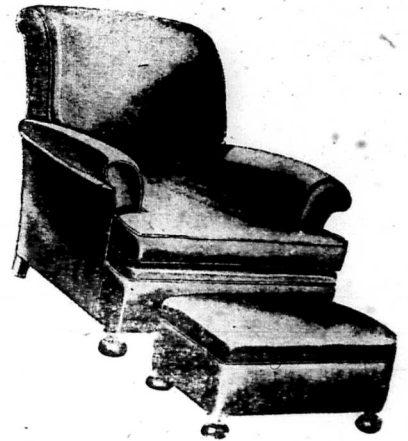

And for our family in general we would like any of the following swell gifts: ---

A nice warm automatic heater which will operate itself and will heat our entire house.

A beautiful all-white porcelain Fosco gas water heater, which will heat 35 gallons of water per hour, and will assure us of having plenty of good, hot water at all times.

A radio, electric refrigerator, an Alexander Smith wool rug, or an Armstrong linoleum rug.

Any of these delightful gifts will be appreciated by all of our family. You can pick up any of them at McBrayer's Furniture Store.

Reclining Chairs

Remember "Dad" this Christmas, and surprise him with a comfortable reclining chair and ottoman. We have a beautiful selection of easy chairs.

Rockers

For "Mom" may we suggest a good, comfortable rocker, in which to spend the very limited minutes which she has free for relaxation.

Smoking Stands

Give "Dad" or "Brother" a smoking stand, one that he can set by his easy chair. It eliminates searching for an ash tray, and may save many a case of spilled ashes on a good rug.

Magazine Racks

Magazine racks in mahogany or walnut finish, in a wide variety of distinctive designs, make excellent Christmas gifts for the home.

MCBRAYER'S

MOREHEAD, "Morehead's Complete Furniture Store" KENTUCKY

OUR WISH

It is our sincerest wish that this will be a very, very merry Christmas for you and your family. May your stocking be brimful and running over.

PLAY PENS

For Baby, may we suggest our wide assortment of cribs, play pens, bassinets, high chairs and soft downy, damp-proof felt mattresses.

HASSOCKS

We have a beautiful assortment of hassocks in all colors, sizes, designs and shapes. You will be sure to find just the hassock you are looking for at McBrayer's.

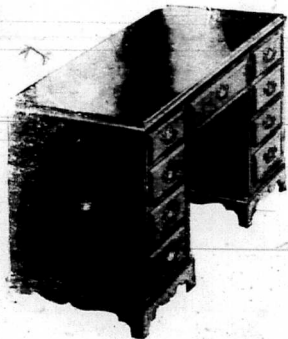

Dining Room Suites

Full beautiful suites of dining room furniture, odd chairs, china cabinets, toasters, waffle irons, sandwich grills, breakfast sets, kitchen cabinets, mixmaster outfits, and hundreds of other items too numerous to mention, to beautify your home.

Occasional Tables

At McBrayer's, you will find a big stock of occasional tables for all purposes - - - coffee tables, cocktail tables, end tables, etc. They make a perfect gift for the home.

DESKS

Give that man in your family a beautiful desk - - - a place to do his writing, store his business papers - - it adds a distinctive touch to his den or to the living room.

Choose from our large stock of desks in all styles, walnut or mahogany finish, and in numerous designs.

INNERSPRING MATTRESSES

Why not give "Mom" an innerspring mattress? It's the very thing she would like. For her sleeping pleasure it will afford the rest, comfort and relaxation that she is entitled to receive after weary hours of work.

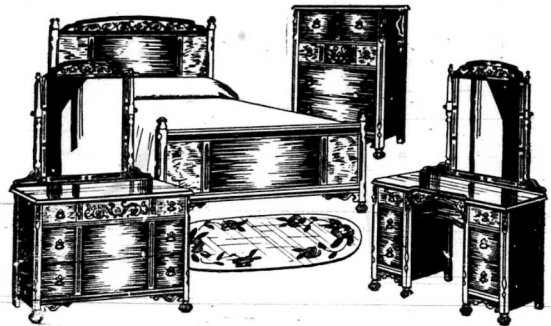

TRICYCLES

Wagons, sleighs, red rocker chairs, toy furniture, desks, juvenile beds, scooters, everything that a little heart desires - - - We have a wide variety of toys and children's furniture.

Toy Automobiles

Trucks, tractors, tanks, and a hundred other varieties of toy wheeled vehicles. It will delight the heart of that little man if Santa Claus brings him any of these delightful gifts.

BEDROOM SUITES

Mother will be delighted beyond expression with a beautiful, new bedroom suite this Christmas. We have suites to match all pocketbooks. Beautiful walnuts, maples, mahoganies, etc. While looking through our huge stocks, be sure to see the many other items of furniture, studio couches, lamps, book-shelves, corner shelves, mirrors, pictures, bedspreads, blankets, and many other items too numerous to mention.

MCBRAYER'S

"Morehead's Complete Furniture Store"

A Christmas Carnival of Toys, Toys and still more Toys. Exciting Toys for boys and girls; toys that do lots of interesting things; toys that are wonderful games, and toys that boys and girls can play with by the hour. And the newest ones are here. Just come in and see.

GIFTS For The Entire Family

For several years we have had the outstanding Christmas gift line in this section of Kentucky

Open Evenings Starting Friday, December 18th

Santa's working overtime to supply the demand for fun there's going to be this year. Why! He'll have to work many nights just to fill the needs in our own Toy Department. Think how many boys and girls are going to want things like these.

Plant Protection Courses Now Being Reported In State Sponsored By OCD

Basic Course Open To All Civilian Defense Personnel

Key men from industrial plants and large institutions throughout Ohio, Indiana, West Virginia, and Kentucky are attending the Plant Protection Course held at the reorganized War Department Civilian Protection School, Purdue University, Lafayette, Indiana, Dan T. Moore, Director of the Fifth Region Office of Civilian Defense, announced today.

"This Course, held November 29 through December 4, is the first in a new series of 5-day courses on specific subjects," Mr. Moore said. "Instead of treating only the general subject of Civilian Defense, the new series covers specialized aspects of Civilian Defense as well as the basic elements. As a result Civilian personnel can obtain instruction along lines of their Civilian Defense assignments or increase their knowledge of subjects in which they are particularly interested."

The Purdue School, in common with the five other War Department Civilian Protection Schools held throughout the country, was recently reorganized by Colonel Augustine Janeway, Chief of the Training Section, in the Office of Civilian Defense. Under the new program, the following four courses will be held: Plant Protection, Basic, War Gases and Staff.

The Plant Protection Course covers operation of plant control centers, protective construction, blackouts, sabotage, bomb reconnaissance, fire fighting, emergency medical services, incidents and plant organization. It is open to Civilian Defense officials, plant personnel and others concerned with industrial organization and technical preparations.

The Basic Course, open to all Civilian Defense personnel, covers the fundamentals of Civilian Defense work. Sessions will include instruction in fire fighting, methods, incendiary bombs, Civilian Defense organization, high explosives, war gases, decontamination, principles of aircraft warning system, and other phases of general Civilian Defense training. Sessions will be held December 6-11.

The course on War Gases includes laboratory and field exercises, meteorology, decontamination, gas chamber practice, protective measures and first aid. Enrollment is open to State Gas Consultants and Senior Gas Officers. The course is open only to persons having a college degree in chemistry or engineering or to persons familiar with basic chemistry. Sessions will be held December 12-18.

The Staff Course, to be held January 2-8, is designed for administrative staff members of state and local Civilian Defense councils such as commanders, directors, coordinators, and chiefs of services. It will include instruction in staff functions of control center operation.

Cost of room and board for each 5-day session is \$15.00. There is no tuition charge. Instructors will include six Purdue faculty members and eight Army officers of the Chemical Warfare Service under the direction of Lt. Col. Willard A. Johnston, School Director.

Course graduates will receive a "Certificate of Attendance" and an instructor's pin. Supplementary material, including a pamphlet containing up-to-date information on all phases of civilian defense, will also be mailed periodically to the School's graduates.

Civilian Defense personnel interested in attending these or later sessions should obtain details through their local Civilian Defense Council.

Rummage Sale To Be Held Sat. December 12

Morehead Chapter No. 227, Order Eastern Star, will have a Rummage Sale at the Court House, Saturday, December 12.

The doors will be open at eight o'clock to the public. There will be articles of clothing, such as coats, hats, dresses, shoes, pocket-books, socks, suits, underwear, and many other things including articles for the home, such as pans, what-nots, etc. Prices will range from 1c up—everything will be priced very low.

Everyone is invited. Come and bring your friends and pocket-books. All members are urged to cooperate to make this sale a success. If you have anything to contribute, please call or get in touch with Mrs. Flora May, Mrs. Roy Cornette, Mrs. Lindsay Caudill, or any other member of the Eastern Star.

REMEMBER PEARL HARBOR!

Less Accidents Are Reported In State During October

Mining Quarry Industry Reports Greatest Percentage of Casualties

Less accidents were reported to the Workmen's Compensation Board in October than in the preceding month's period. Commissioner of Industrial Relations William C. Burrow revealed in a recent report to Governor Robert Johnson. However, October's total of 1,476 injuries remained higher than the totals for July and August. Fatalities rose from 14 in September to 19 during the month of October.

The majority of accidents and industrial deaths reported to the Workmen's Compensation Board appeared again this month in the mining quarrying industry with 307 injuries, 18 of which were fatal. Four hundred and seventy-seven of these accidents, 15 fatalities, were in coal mines. Manufacturing and construction industries followed second and third in number of accidents, the Commissioner stated.

Forty-three cases were assigned and 44 docketed during the month by the Board. The Board also reported that \$205,798.25 in workmen's compensation was paid on 1,914 cases filed in October.

During the course of the month 329 safety inspections were made by the field force of the Department and 43 corrections suggested to employers in industry.

A total of 205 wage-hour inspections were made of various industries in the state during October. "The majority of inspections were of hotels and restaurants," Burrow said, "in order to acquaint employers with the new Directory Order covering this industry which became effective on October 1."

Twenty-three claims for back wages were filed with the Department during the month. Moreover, seven complaints were dismissed and 17 cases pending when October files closed. The total amount collected from employers for back wages due 23 employees was \$698.79. Fourteen learner certificates were issued, one messenger, none revoked.

Inspections with regard to enforcement of the Child Labor Law totaled 205. Employment certificates for minors approved by the Department were 368 in October as compared to 270 in September.

Three permits were revoked. Man-days lost because of the four labor strikes which occurred in October totaled 11,896, the greatest loss shown for any previous month in the present fiscal year. "This loss of manpower did not occur in war industries," the Commissioner stated, "as no government contracts were found where walkouts occurred." Only 16,923 man-days were lost in the fiscal year 1941-42.

The Conciliation-Arbitration Service of the Department was also called upon to mediate in five other labor disturbances. Four threatened strikes were successfully averted with the aid of the Department and the controversy settled. Four of the nine industrial differences were requests for wage increases and necessitated sending the cases to the National War Labor Board for approval.

Let Studebaker help you worry successfully about your car

LIKE thousands of other motorists, you probably have started to worry about the effect that restricted driving and curtailed speed may have on the operating condition of your car. But instead of worrying alone, why not let your nearest Studebaker dealer share the problem with you?

Consult the nearest Studebaker dealer without obligation—and get a free copy of the timely and informative Studebaker booklet, "How to Worry Successfully About Your Car."

"What can happen? How can you prevent it?" Let your Studebaker dealer tell you—Among the helpful suggestions Studebaker dealers can offer are ways to prevent sludge, care, oil and oil dilution—how to keep your battery charged and strong.

Society News

Mr. and Mrs. Frank Laughlin were in Lexington Tuesday.

Mrs. Minnie Barker is ill at her home on the Flemingsburg road.

Mrs. Pauline Butcher Bach and Miss Virginia Johnson were in Lexington Saturday.

Drew Evans returned Monday from Murton, Alabama, where he spent the past week looking after business at his farm there.

Mr. and Mrs. D. B. Caudill attended the funeral of Judge Senff at Mt. Sterling, Tuesday.

Miss Lynne Thompson of Flemingsburg, visited her sister, Mrs. Drew Evans, last week.

Dan Palmer of Owingsville, who has been working at the Independent, received orders today to report for the Navy at St. Louis, Mo., on December 13, from where he will be sent to his station.

Mr. and Mrs. D. B. Caudill are spending several days in Lexington.

Mrs. Clarence Allen and Mrs. Franklin Blair spent Tuesday in Lexington.

Paul Reynolds, son of Mrs. Jas. Clay, returned Friday to Lowry Field, Denver, Colorado, after a week's furlough at home.

Margaret Penix, who is teaching at Alexandria, spent the week end with her parents, Mr. and Mrs. B. F. Penix.

A son was born to Mr. and Mrs. Dee Fannin, Sunday morning, December 6, at the Good Samaritan hospital, Lexington.

Mr. and Mrs. Coy M. Hibbard were in Lexington Sunday visiting Mrs. Hibbard's uncle, R. B. Murphy.

Calvin C. Jones, son of Mrs. Mottie Jones, left Saturday, November 28, for the U. S. Navy, and is stationed at Great Lakes, Ill.

Mrs. Bruce Sullivan left Tuesday for an extended visit with her husband, Corporal Bruce Sullivan, at Walnut Ridge, Arkansas.

Mr. and Mrs. E. N. Calliende Sr., who have been visiting their son and daughter-in-law, Lt. and Mrs. Calliende, left Wednesday to return to their home in Chicago.

Misses Nell Walters, Mildred Sweet, and Pattie Bolin were in Lexington Saturday. Miss Walters and Miss Sweet stayed over for the weekend.

Mrs. G. D. Jacobs of Columbia, S. C., arrived Wednesday to visit Mr. and Mrs. Roger Howe. She is expected to be with them until after Christmas.

Mr. and Mrs. S. D. Kidd and son, Jimmie, left Saturday, December 5 for Birmingham, Alabama, where they will spend the winter with Mr. Kidd's father, J. W. Kidd.

On Tuesday evening, December 22, the Eastern Star will have a Christmas Party and Pot Luck Supper. All members of the Eastern Star and their families are invited.

Roy Netherly returned Monday to his post at Atlantic City, N. J., after spending a furlough with his parents, Mr. and Mrs. Joe Netherly at Smith. Roy was in the CCC camp here for about six years and has won two service stripes in the air corps.

The wedding of Miss Billie Mae Cottingham and Kenyon Hackney, son of Mr. and Mrs. J. F. Hackney of Morehead, took place at Winston-Salem, N. C., on Saturday, December 5.

Both Mr. Hackney and his bride are employed by the Government at Winston-Salem.

Capt. O. M. Lyons returned Tuesday to the Billings General Hospital at Ft. Benjamin Harrison, Ind. Mrs. Lyons accompanied him as far as Lexington. Capt. Lyons has been home recuperating from an operation and will probably spend further time at the hospital at Ft. Benjamin Harrison before returning to active duty.

The meeting of the Morehead Womens Club which was to have been held Tuesday night, December 22, has been postponed to Tuesday night, December 23, at 7:30.

As announced last week, the Literature Department is sponsoring an unusually interesting program. Mrs. H. P. Saunders, who was a professional actress before her marriage, will present the poem "The White Cliffs of Dover".

The program will be held in the Little Chapel of Breckenridge Training School.

Corporal Bill Eays arrived home this week to spend a fifteen day furlough with his parents, Mr. and Mrs. J. A. Eays. Corp Eays has won one service stripe; also on his breast he wears the small yellow bar which is awarded men who served one year or more before Pearl Harbor. He is stationed with the Tank Destroyers Division at Camp Hood, Texas.

American Legion Auxiliary, Mrs. Allie Manning; Boy Scout Council, Ellis Johnson; Girl Scout Council, Mrs. Arthur Landolt. Chairmen representing the Eastern Star, the Masonic Lodge, and the Officers' Wives will be announced later.

Junior Hostesses
Twelve Junior Hostesses will be selected to act as hostesses at the Club Room each Sunday from 2:00 to 5:00. The Social Committee has selected two Assistant Junior Hostesses who will be somewhat in charge of these Junior Hostesses, and they will be present at each Sunday afternoon gathering and at all other social functions. The

two girls selected to act in this capacity are Mary Jane Puckett and Joyce Flannery.

All girls will come to the Club Room by invitation only. Girls with identification cards will be able to present them at the door for admission to a dance or any other large social function.
