

SHOOTS HIS WIFE— THEN KILLS A MAN.

Former Marshal of Morehead Charged
With a Double Crime.

Morehead, Ky., Aug. 19.—[Special.]—Harvey Moore, former Marshal of Morehead, Ky., and brother of the present Marshal, James Moore, shot and instantly killed Fynn Tolliver, aged sixty-five years. Moore escaped to the woods and is in hiding.

He shot at his wife a few moments before he killed Tolliver. Tolliver had stabbed Howard Moore, Harvey's brother, on the Fourth of July, and the feeling between the two men was bitter.

Moore has always been considered a good and peaceable citizen.
