Audible alert system test Monday

Created: 1/5/2015 2:56:00 AM

Created By: Andrew Blanton

Morehead State University will conduct the monthly test of its audible alert system on Monday, Jan. 5, beginning at 12:30 p.m.

The system consists of three speakers that use an alert tone as well as voice messages to warn the campus during an emergency.

The high powered amplifiers, located on Ginger and Cartmell halls along with Jayne Stadium, are designed primarily to alert pedestrians on campus sidewalks and streets.

Faculty, staff and students also can be notified by signing up for Eagle Alerts (e2Campus).

Additional information on MSU's emergency procedures can be found on the MSU website at www.moreheadstate.edu/emergency/.

MSU mourns the loss of Dr. David Brumagen
