Morehead Turns Out To Cheer Twenty Six Rowan County Boys As They Go To Army

Legion Presents Gifts As Crowd Gathers And Band Plays, As Boys Leave

Twenty-six of Rowan county's finest young men left for the Army training camps on Tuesday morning of this week and for the first time since the Selective Service Act has been in operation, the citizens of this community were at the bus station to wish them God Speed and a speedy return. The college hand was on hand to furnish martial music for the occasion, while a large crowd of patriotic citizens gathered and remained uncovered and standing while the Legion distributed candy and cigarettes and even gave some demonstrations to the boys boarded the bus to depart for Fort Thomas.

The demonstration was the first since the Selectees began to be called. It was the beginning for the American Legion, remembering the days of the last war, and their own departure for camps over the nation. The boys were given a small gift and letting them know that their big brothers of the Legion are with them and for them.

On Wednesday morning a committee of Legion men met the boys and presented them with cigarettes and candy. The Legion colors were carried to the bus, Legion color bearers preceded them, while the band played the National Anthem and every man uncovered while the Legion members stood at salute.

It is the hope of the Legion that other city organizations will enter into the spirit of this war when the next contingent goes, and take part in the demonstration. These young men are our young men.

Red Cross Regional Meeting Here

Roll Call And Production Theme Of Conference Held Tuesday

The East Kentucky Regional Red Cross meeting was held in Morehead at the College Auditorium, with twenty of the 36 counties of the district represented. One group from Letcher county drove 175 in order to attend the conference. Nearly 150 persons were in attendance.

Roll call, Civilian Defense service to the Armed Forces, and Production were topics of the discussion. At noon a lunch was served in the College Cafeteria.

Local Production came in for a full share of the discussion, with the production room of the local committee open for visitors from other points, and the ladies who have been doing so much excellent work in making garments for the use of the Red Cross. These people, receiving words of praise from every visitor.

In discussing production, Mr. Nat C. Wilson, impressed on his mind the fact that the clothing industry is the backbone of the National Emergency. The Rowan County Board is made up of representatives of the various agricultural agencies working in Rowan county. C. F. Turner is chairman of the local Defense Board, representing the Agricultural Adjustment Administration. C. L. Goff, County Agent.

State And Federal Guards Unite To Prevent Fires

Hone To Strengthen Work By Uniting Forces In National Forest Reserve

The Kentucky Division of Parks and the Cumberland National Forest Reserve have just executed an agreement to help each other prevent forest fires in the future. This time he developed village Park in McCree county, signing new physical appearance. The agreement was signed by Mrs. Nellie B. Vaughan, Director of the Park Division and Harold L. Borden, supervisor of the National Forest. The agency owns land adjoining the new equipment which he had designed. It is a recognition and it was decided to join hands in forest fire protection work. Employees of each have agreed to report and fight fires on lands of the other in the vicinity of Cumberland Falls. Fire

Last Chance For Workers To Check 1937 Work Records

Records Of That Year May Be Checked Until First Of Year

Less than three months remain in which workers may check their 1937 wage records of the Social Security Act. The social Security Act provides that wage records under old-age and survivors insurance may be considered closed at the end of four years. Hence workers who wish to check their 1937 records must do so before the end of 1941. There is a one-day period for appeal after the close of the year. Post cards which are used to obtain statements of wages as recorded by the Social Security Board may be obtained from the District Kentucky office of the Bureau of Old Age and Survivors Insurance. There is no charge for the check-up except one cent for postage on the request card, according to Elbert M. Hohmann, manager of the office in the National Bank Building in Ashland.

A suggestion to workers was offered today by Elbert M. Hohmann, manager. He said: "Workers may calculate the old-age and survivors insurance benefits by taking a simple step in their own behalf. All they need is to call at or write to the office in Ashland and ask for a wage record card. We shall issue the cards which are used by workers to obtain statements of the wages of the various individuals. At the same time we will issue a circular which tells how to figure the benefits under old-age and survivors insurance."

Forest Defense Is National Defense Says Supervisor

Forest Fires Cut Into The Safety Of Country By Destroying Supplies

Late on October 8, a 20 acre forest fire in Whitley county near Cumberland Falls was reported to Forest Supervisor Borden of Winchester by Fire Dispatcher Andy Griffith of Stearns.

The fire was believed to be of incendiary origin because it had set in several places, including the Cumberland National Forest bloodhounds—Texas Black Sam and Nigger—have been taken to the scene in an attempt to trace the person responsible for causing the fires.

With last week's rain already evaporating a serious forest fire situation may be developed and Mr. Borden urges that all persons be extremely careful with fire in the woods. Because of fire danger he says it has even been necessary for many owners of good farms to close them to entry and make it necessary to burn these beautiful farms from the public view. If the public is to continue to enjoy the beautiful foliage of our mountains which is just now turning color Mr. Borden cautioned that great care must be used with fire. Break every match in two before discarding it, stamp every stub in mineral soil before leaving it, water every picnic fire out.

This is National Fire Prevention Week. Now is the time to dollars worth of timber destroyed and the human lives lost. All because of carelessness with fire. And sometimes there are fires set willfully. Now is the time to do something about forest fires. Be careful yourself and tell others to be careful. Forest Defense is National Defense. Fight Forest Fires.

Christian Class Elects New Officers For Year

The Student Sunday School Class of the Christian Church selected officers last Sunday morning for the coming year. Jeff Redding of Newport, Ky. and Kathleen Lane of Sharp county was elected copresidents and Mary Stewart Cook of Letcher county was elected secretary. A new high in attendance has been reached and the class has outgrown its old quarters and has taken the main auditorium for its meeting place. Mrs. Arthur Landolt is the teacher of the class. All students who prefer the Christian Church are invited to join.

Pie Supper To Be Held At Sharkey

There will be a pie supper at the Sharkey School House on Thursday evening at 7:00 p. m. The funds raised will go to equip the school kitchen. The kitchen opened Monday but it takes money to buy extra things and the utensils to cook with. Everybody is invited to bring a pie. It will be a good time for their neighbors. Come and bring someone with you.

New Preacher At Church Of God Service

Rev. Bill Moore is preaching at the Church of God every Sunday morning at 11:00 a. m. and every Sunday evening at 7:00 o'clock. Rev. Moore has had much experience in preaching. The public is invited to all the services.

Mrs. Smedley Dies At Home Of Daughter

Wife Of D. B. Smedley Dies At Age Of Eighty Years

Mary Eliza Smedley, wife of D. B. Smedley of Craney, died at the home of her daughter, Mrs. Emma Piggan, in this city on October 15, 1941.

Eliza Ellington Smedley was born June 7, 1861 in Morgan county, Ky and was at the time of her death 80 years 4 months and 8 days of age. She is survived by her husband, D. B. Smedley and by 10 children: J. D. Smedley, Craney; Frank Smedley, Harvey, Ill.; Kate Hargis, Morehead; Della Foster, Clearfield; Ora Smedley, Seattle; Washington; Emma Piggan, Morehead; John Smedley, Charleston, W. Va.; Charles Smedley, Dayton, Ohio; Mary Black, Morehead; and Jess Smedley, Craney.

One daughter preceded her in death. She is also survived by forty-four grand children, fifty-seven great-grand children, and two great-great-grandchildren. Mrs. Smedley was a devout Christian having been baptized with her husband 54 years ago by Rev. Layne. She spent her entire life in the home of her husband. She was a loving and devoted mother and a loyal friend. Her life was good and was set in several places, including the Cumberland National Forest bloodhounds—Texas Black Sam and Nigger—have been taken to the scene in an attempt to trace the person responsible for causing the fires.

With last week's rain already evaporating a serious forest fire situation may be developed and Mr. Borden urges that all persons be extremely careful with fire in the woods. M. E. College Class Elects New Officers

The College Class at the Methodist Sunday School elected officers last Sunday. Miss Avis Prime was unanimously chosen president. Miss Prime is from Paducah, Kentucky. She has been active in church work since coming to Morehead and under her leadership the class will continue to grow.

Miss Grace Rabl, Paducah, was elected vice-president and chairman of the membership drive.

Miss Frances Sey was elected secretary-treasurer.

Miss Ester Robinson has been the teacher of the college class for the past eleven years. Last year the class had an average attendance of between thirty-five and forty.

President Vaughan Helps In Dedication

Wm. H. Vaughan, president of Morehead State Teachers College, was the guest speaker at the dedication of the new Carter City High School building. Citizens of Carter City and other adjoining counties assisted the people of Carter City in the dedicatory ceremony as a crowning tribute to their efforts in providing educational facilities for the children in that section of the county.

Rowan county has 69 students enrolled at Morehead State Teachers College for the fall semester. They are: Frances Adams, Mary McClung Adkins, Ella Florence Alfrey, Hubert No. 1, as they are being asked to do by everyone. Why are the people of Rowan so interested in education? Why should every man and woman, regardless of party, vote "YES" on the Amendment. It is to answer these questions that we are devoting so much space to the discussion of the Amendment.

1. Will the adoption of the Amendment increase my taxes. The answer to that is NO! It will not increase the taxes of the state One Cent. The State of Kentucky has ample funds from the present taxation to provide this much needed aid to the poorer counties.

2. How will the adoption of the Amendment help me and my children? That is the most important.

White Elephant Sale Planned For November 1st.

Annual Event To Raise Funds For Art In Rural Schools Of County

The date set for the annual White Elephant Sale is November 1 on Saturday. This is the sale held each year for the benefit of the children all over the county and is sponsored by the parents all over the county. It is a good thing for the donors of the parents to the sale it would be impossible to spend it for materials and it goes right back to the children. The parents and citizens are asked to donate canned fruits and vegetables or any other farm product. The teachers are asked to get together and bring them into town on Friday before the sale. An drive is being made for old clothes, shoes, coats and other things that can be sold. All of these things will be sold. This is one sale and one product that every man, woman and child in the county can take part. Those who do not donate can come and buy. The sale will be held in the gymnasium as usual. It is to be held on Saturday.

Girl Scouts

(Continued From Page One) will wear their uniforms on all occasions. Much progress has been made since the local troop was organized. Twelve girls were at the first meeting. Today the membership is forty six. The local troop has no dues, but those members who wish pay a sum of 50 cents, which goes to National Headquarters in New York and entitles the girl to a standing of National Girl Scout. Practically all local scout meetings are National Scouts. The troop has been entirely self-supporting since its organization. Through Tax Day, wooding sales, poppy sales and other money raising projects, funds have been raised to pay national troop dues and to meet other financial obligations. The Rowan County Woman's Club however, has on occasion provided needed equipment for the troop. Every summer the troop has been represented in a Girl Scout Camp under supervision of National Directors. The troop is divided into two patrols with patrol leaders. The present leaders are Peggy Reynolds and Janice Doolittle, a member of the Girl Scouts.

Most of the girls are working for merit badges and higher honors. The troop meets one Senior Scout, Martha Alice Williams, and two first class scouts, Martha Lee Pennsbaker and Peggy Reynolds. The leader and organizer of the troop, Mrs. Arthur E. Landolt, has had the rank of Captain conferred upon her by National Headquarters. The troop has as its objective the not too distant future, a trip to Washington, D. C. Plans and finances are being made for that end. The local troop, which is called a "lone troop" because it is the only one in Rowan county, has a Council composed of three townswomen, whose duty it is to insure permanency for the troop through leadership and by the solving of major problems. Members of the Council are Mrs. Clark Lane, Mrs. Eunice Cecil and Miss Inez Faith Humphrey.

(Continued From Page One) representing the Agricultural Extension Service; W. Rouse, Farm Security Administration; Glenis Filley, representing Rural Electrification Administration; Henry Eldridge, representing Production Credit Administration; and Carl M. Stoller, representing National Forest Service.

The Defense Boards from 13 northeastern Kentucky counties met at the College Auditorium of the Morehead State Teachers College Monday, October 20, for the purpose of setting up goals for the various counties, and discussing means of attaining these goals. It is necessary to expand the production of dairy products, poultry products, pork products and beef. Expansion in these commodities is needed to meet the needs of Great Britain and a growing domestic consumption.

Rowan county's increases per 1941 production have been set for these commodities as follows: A 4 per cent increase in milk of 1940 production; a 9 per cent increase in eggs; or 22,000 dozen; a 10 per cent increase in poultry; and a 10 per cent increase in hogs marketed in 1941 over 1941.

A strategy will be made and a six month plan by AAA Community Committees in determining the present plan for farmers for next year. This will form the basis for the campaign for bringing about the needed increase. Each Agricultural Agency serving Rowan county is expected to participate in this effort to increase the production of these commodities. The U. S. Department of Agriculture Defense Board is the coordinating group of the various agencies of the U. S. Department of Agriculture serving the county.

 from the general fund and will
 be distributed among the poor-

 the general fund comes from the
 larger more populous counties
 of the state, while comparative-

 such as Rowan, Elliott, Meffree

 from such counties as Jeffers-

 be of help? As always happens
 in an hour of national crisis, the
 thoughts of self are put aside
 and an earnest desire to be of
 service wells forth the country
 over."

The most important thing you
 can do today is to keep up your
 morale and the morale of those
 about you. When the time comes
 for action, which God forbid it
 ever will, we will be on the top
 of excitement and there will be
 much courage and heroism
 displayed as thrills us in the
 tales of the returning travelers
 tell of England.

But now is the hard time—the
 difficult hour of watching them
 and waiting. We are on the
 middle step—and as Milne says
 it isn't up and it isn't down. But
 as the country rearms, the in-
 dividual citizen can rearm in
 spirit. Here are some things you
 can do:

If you believe in America, prove it. Show your faith in
 its ideals by putting them into
 actual practice. That means no
 discrimination because of race,
 creed or color; no unfair discus-
 sion in damning generalities of
 any group; allowing to others
 the freedom you claim for your-
 self; always observing the rules
 of the play toward our neigh-
 bor and in every action of yours
 observing the same integrity
 you want from your govern-
 ment.

Don't whine about taxes. The
 defense program is the work of
 all of us and for all of us. Be
 grateful that you can pay taxes
 rather than tribute. Re-read
 your standard of living to meet
 these obligations. This does not
 mean lowering your standards
 but it does mean throwing the
 emphasis from luxury habits to
 the more vital things that make
 life happy. Stop doing the things
 you do because other people do
 them, not because you find them
 particularly enjoyable. You will
 be surprised how much you can
 do without and how you can
 unclutter your life, lower your
 standard of living and have many
 more things you do because other
 people do.

Train your children in self-
 reliance, courage and coopera-
 tion. If this polkaeast keeps on
 they will need them all. Make
 a game of it with them—but
 see to it that they are as well
 prepared for life as you can
 make them.

And of course, volunteer to
 help. Your community has de-
 finite plans. List the things you
 are capable of doing, offer your
 services and round out your
 capability by what course your
 community offers for civilian
 defense. And when you are ask-
 ed to do something to help that
 is not entirely convenient, show
 your cooperative spirit by doing
 an unwelcome task well.

Prepare yes, in every way you
 can for whatever may come.
 But don't lose your sense of pro-
 portion. There is today still to
 be lived and there is no sense
 in spending it feasting tomorrow.

ST. ALBANS CHURCH

Episcopal, Rev. F. C. Light-
 burn, S. T. B. Mt. Sterling,

 tieth Sunday after Trinity; con-
 munion and Sermon at

To The Voters Of Rowan Co.

The General Election Day is steady-
 ly but surely approaching, in which
 all the people who vote are privileged
 to register their choice for the person
 to represent them in our local county
 government. I am old-fashioned
 enough to believe that the people as
 a whole usually vote for the person
 who they think will represent their
 best interests at all times.

Therefore my purpose for thus ad-
 dressing you, is that I may place be-
 fore you for your further considera-
 tion, my record as your present Coun-
 ty Judge, as my claim. I hope that
 you will accord me your confidence by
 re-electing me on November 4, for an-
 other term, in order that I may carry
 on my program for the betterment
 and prosperity of Rowan County.

I have labored hard for my coun-
 ty and my fellow-citizens, and under
 very adverse conditions chief of which
 was the depression. Also, when I took
 office we had a depleted treasury and
 a Federal Court injunction for \$13000
 which prohibited us from spending
 for anything other than the absolute
 necessities of the administration of
 county affairs, until this debt was paid.

Notwithstanding these barriers, I
 began my tenure of office as your
 County Judge determined I would
 succeed in restoring the county's pre-
 stige and credit rating, and to its cit-
 izens, full faith in honest, fair and eco-
 nomical government.
 Since I became the Judge of Rowan
 county we have paid off an indebted-
 ness of over \$18,000, and all bills in-
 curred during the administration have
 been paid off 100 cents to the Dollar!
 Through my efforts and the efforts of

a number of civic minded citizens, we
 prevented the issuance of a huge Re-
 funding Bond, which would have cost
 the citizens of this county thousands
 of Dollars, which we are now in a po-
 sition to save. On January 1, 1942,
 the county will be PAID UP on its cur-
 rent bills and have no outstanding
 debts contracted by my administration.
 When I came into office, the coun-
 ty had issued \$105000 worth of Road
 and Bridge Bonds. My administration
 has paid off \$18,000 of this amount.
 We have also paid \$18,000 on Judg-
 ments, old Debts and on the comple-
 tion of the new county jail all of which
 makes approximately \$36,000 paid
 during my Four years as your Judge.

At present the county has in the
 bank \$1800 of Road Fund money and
 early in 1942, thirty-five percent of
 the general fund will be deposited for
 use next year. The \$1800 Road Fund
 and approximately \$5500 revenue
 from truck and bus licenses will give
 the county more than \$7000 to spend
 on county roads in the next fiscal year.

I ask the voters of Rowan County
 to consider these things. I ask them to
 look over the county records and
 to study the work that has been done
 and the money that has been paid out
 and saved through my efforts. If the
 voters want that same economical,
 efficient service for the next four years
 I ask them to vote for me in the Gen-
 eral Election Tuesday, Nov. 4, 1941.
 I make no promises to do the impos-
 sible, I only offer you a safe and sane
 administration, an economical ad-
 ministration and a guarantee that not
 ONE CENT OF YOUR MONEY WILL
 BE WASTED.

I. E. PELFREY

Cumberland Forest Most Beautiful In Autumn

Tourists Urged To Visit Forests While Fall Color Is On Trees

A Series of articles, of which this in No. 1 on points of interest in your locality.

In October the riot of color produced by nature draws us like magic to our hardwood forests. If you have seen the fall colors on the Cumberland National Forest at their height, you will do so this year.

There is another reason, according to H. L. Borden, Forest Supervisor who you should visit to see a certain section of the Forest in McCreary county. Here on October 3 at 11:30 a. m. the Federated Women's Clubs of Kentucky plan to dedicate a planting of forest tree seedlings made by them in cooperation with and on the Cumberland National Forest. It so happens that this planting occurred on in close proximity to a Natural Arch, one of the largest and most beautiful to be found anywhere.

The Forest Service, U. S. Department of Agriculture has announced to Mr. Borden, secretary of the picnic area at this point for the convenience of the public. From the picnic area an excellent trail takes you to the Arch itself. The beauty of the Arch, coupled with the fall coloring and the terraces commemorating this memorial planting constitute a combination one can ill afford to have out of his fall itinerary. The area is 2 miles off U. S. 27 about 15 miles north of Stearns on a good road well marked. Bring your lunch and prepare to spend the day.

Twenty five dollars will be paid for the recovery of and information leading to the apprehension of the party or parties responsible for the theft of a rural mail box belonging to George Stamper of near Wyeat, Elliott county. The box was stolen from rural route number 3 from the Morehead postoffice, the night of September 6-1941.

All persons having information concerning the theft of this box should be submitted to W. E. Crutcher, Postmaster at Morehead. All information will be kept confidential.

Rural mail boxes, although belonging to the patrons who purchase them, nevertheless have the protection of the United States Post Office Department.

WANT THRILLS?

CATAPULTING A PLANE INTO SPACE takes nerves of steel and split-second accuracy. These Navy men work together like a championship football team. Courses in all branches of aviation are now being offered to you by the U. S. Navy. They qualify you to become a skilled pilot, navigator, radio expert, gunner, or aerial photographer. In fact, you can learn any one of 45 trades.

THE U. S. NAVY HAS PLENTY FOR YOU!

Do things seem dull around town for you? Do you feel tied down by your job? Here's your chance to lead the most thrilling life in the world... and get paid for it! A chance to serve your country, too. For Uncle Sam's new two-ocean Navy has ships and planes which are unequalled by those of any other nation in the world. For those who enlist in the Navy there is a wide variety of fascinating work, including everything from aviation to engineering. Pictured here are a few of the thrills that are everyday occurrences in the life of a Navy man. They're open to you right now if you've reached your 17th birthday.

MOSQUITOES THAT TRAVEL AT 45 MILES PER HOUR! It takes a cool head and keen eyes to operate the new bullet-shaped PT Torpedo Boat. You've seen them in the news-reel throwing up great waves of spray on either side, but how would you like to handle one? Your Navy needs men with the stamina to tackle this job! Have you got it?

MANNING AN ANTI-AIRCRAFT GUN is real sport—no one knows how to handle one. Each man has his station—and a job to do. If he does it correctly, the gun-crew functions as a single man—with deadly accuracy and superhuman speed.

ON SHORE LEAVE IN A STRANGE PORT: At the tiller of a Navy launch, the coxswain takes bluejeans ashore. If you want to travel... Washiki, South America, South Seas... the Navy's where you belong!
