

May 28, 2021

MSU Campus Community:

Our University continues to do very well into the summer months, and we are beginning to see brighter skies ahead for the Fall semester.

Memorial Day Closure:

- MSU will be closed on Monday, May 31 in observance of Memorial Day.

A Phased Lifting of Masks on Campus:

- MSU will begin lifting mask requirements and other restrictions on campus beginning June 11. More communication will be sent closer to June 11 on details.
- Students and employees are encouraged to consult with their medical provider on receiving a Covid vaccination.

A More Normal Fall Semester:

- The majority of our Fall classes will return to in-person instruction, but we will continue to offer online courses for those who have a need to utilize them. If you have not registered for classes, please contact your academic advisor as soon as possible.
- Campus residence halls will also return to normal occupancy levels and usage, and Nunn Hall will return to use as normal. If you have not scheduled your room, please contact our Office of Housing soon.
- Fall athletic, performing arts, and other on-campus sponsored events will return.
- Affiliated student clubs and organizations are able to meet in campus buildings.

Many thanks to everyone for your teamwork as we phase out some of our protocols over the summer. Again, we look forward to the Fall semester and returning to more normal operations.

Jay Morgan
President
