

August 5, 2021

MSU Faculty and Staff:

The Fall semester is approaching quickly, and within the next day or so we will provide a few more details to employees and students on back-to-school events, as well as Covid precautions.

The below information may be helpful as you plan:

Convocation:

Fall Convocation is scheduled for Wednesday, August 11, with the event being hosted fully outdoors around the ADUC quad and lawn area. The outdoor breakfast food line will open at 8 am, brief comments will be provided at 8:50 am, and individuals may come and go as they feel comfortable. This Convocation will take on a more outdoor social theme – and a good time to just visit with others.

Since the event is outdoors and more casual, individuals may utilize the picnic tables, brick seating areas, and any spot you can find for seating while eating a combination of breakfast sandwiches, fruit, pastries, and coffee/juice. You can always eat inside ADUC if you wish to, but your choice. This is a come and go event as your schedule permits. In the case of rainy weather, an alternative date will be announced.

Dates:

August 12 and 13 - New student move-in

August 12 and 13 - Covid vaccinations provided in Laughlin Health Building - 9 am -4 pm

August 16 - All classes begin

Many thanks for all you do for our students.

Jay Morgan
President
