Breck Senior Play To Be Given On April 21

Under the direction of Miss Juanita Minah, class sponsor, and Mr. Neville Finckel, director of the College Players, the Breckbridge senior play will be given the evening of April 21. Admission will be 25 cents. The class has chosen "You're Only Young Twice" by Joseph Spaulding as their presentation. It is a college comedy filled with wondrous characters and their escapades, so it should be well received.

With Joyce Wolford and J. B. Calvert acting a cast of fifteen, rehearsals have been in progress for two weeks. This comedy hit which in a short time will be at an artistic reputation wherever shown, will feature a number of the high school students on prominent roles.

Reduction In March, April Light Bills

Free electric service for an entire month, based on April meter readings and affecting some 100,000 residential, rural and municipal lighting customers, plus a service plan to help customers get longer service out of their electric appliances during the war, were announced in Lexington on April 8, by M. M. Witt, president of Kentucky Utilities company.

Customers' electric bills covering a month's use are to be figured on existing rates and discounts 100 percent for meter reading periods ending on dates from March 9 on April 9 inclusive. Mr. Witt said. This reduction in electric service cost follows studies made by the Kentucky Public Service commission the latter part of 1941, and complies with an order of the Federal Public Utility Commission to reduce electric rates to the level of 1941.

Teachers Will Hold Last Meet Next Week

Mrs. Hettie Fugate Amburgey Goes On

Mrs. Hettie Fugate Amburgey died Saturday morning, as the result of a stroke of paralysis, sustained three weeks previously. Funeral services were held Sunday afternoon at the church of God, with burial in the Brown cemetery. Every Rev. W. H. Hunt was in charge of the services, assisted by Rev. Forest Lee.

Sometimes one wonders just why we must suffer certain things happen. Hettie Amburgey was a home-loving, family devoted woman, of comparatively few years. She loved her family, was devoted to her friends, and with her whole heart and soul lived for them to the exclusion of all else.

Those of us who lived and worked next door to her home learned to respect and love "Ma" Amburgey, as the entire neighborhood ever felt because one could not live near her without being forced to realize her intrinsic worth and her inimitable value.

Jefferson Day Dinner Draws Many Notables

The annual Jefferson Day dinner sponsored by the Young Democratic club of Rowan county, was one of the most successful ever held. It was held at all sections of the town in attendance. Speakers included Governor Johnson, Senator Charles W. Yea, Congressman Bates, and Congressman Duncan of Missouri, who were present.

Tournament Begins Schools Closer Together

The volley ball and basketball tournament which was held last Thursday and Friday at Morehead high school gym proved to be quite successful. Elliottville won the volley ball trophy and Morehead basketball.

Board Of Regents Elects Faculty Members

The Morehead Board of Regents met Saturday morning to elect the faculty and hire the buildings and grounds crew of the college. The entire faculty was elected. Milton Evans was employed as janitor of the adjacent building replacing Steve Jackson.

Body Of Drowned Man Found In Bath County

The body of Robert Conn, who was drowned in Licking river near Farmers, after he walked off the new bridge at that place was found on Saturday last week by some Bath county boys. The body was in a badly decomposed condition and burial was made on Saturday at Cranston. An inquest was held by Lige Amburgey in the absence of the coroner, and a verdict of accidental drowning was returned. Conn was 55 years of age.

Vacation In Schools For KEA Convention

The teachers and children of the four consolidated schools are enjoying spring vacation Thursday and Friday of this week. Many of the teachers are planning to attend KEA in Louisville which convenes on April 16.

Victory Books Drive Is Proclaimed By President

President Roosevelt in his press conference Tuesday morning named Friday, April 17 as Victory Book Day and asked Americans everywhere to contribute as many books as they can spare to the men in the armed forces at home and overseas who, while fighting and training to fight, still have the time to read and appreciate a good book.

Mrs. Alice Palmer Morris is chairman of the local drive. Books may be left at the college library or if you phone 950 or 276, they will be called for.

To date 230 books have been sent to the armed forces from Morehead, says Mrs. Morris. Many more should be contributed throughout the community. Your support in this drive will be appreciated many times by our fighting men in all parts of the world, who in lonely hours need a good book to help them over the tough spots.

Two Forest Fires In Day Extinguished

Two small woods fires occurred on Caullin Branch yesterday. Both of these fires were the result of carelessness in burning sedge grass early in the afternoon of a windy day.

Doyle Lawson was burning sedge grass and the sedge grass was ignited when the wind blew his fire across the ditch line. Ranger Stoller arrived about the time the fire got out of control and called out the Morehead State Teachers college crew, whose prompt action confined the blaze to about four acres. The young timber will be a total loss says Mr. Stoller.

The second fire about one-fourth mile further up the branch started on the land of Marion Moore and burned about seven acres. This fire was suppressed by the Forest Service "snap" crew from Morgan fork. The forest service power pump and 1500 feet of hose laid from tripplet creek to the top of the ridge.

Both the college and the "snap" crews are to be congratulated on their prompt action in suppressing these fires. Appropriate measure will be taken to settle with the men responsible for these fires said Ranger Stoller.

Vale Church Committee Expresses Thanks

The Church of God at Vale, Ky., hereby expresses its thanks and appreciation to the many friends who contributed of their means and of their time in the building program of the church at this place. You are cordially invited to attend services and Sunday school with us.

Americans All (Continued From Page One) color to the whole scheme. The hand writing's on the wall now is this - you can tell 'em that much and quote your sailor boy son if you like.

American boys and girls are going to grow up to be free men and women in spite of fanatics, pacifists, pro-peace-ists and anti-peace-ists who do not register and receive stamps books at the regular register...

There's plenty of room for any guy who's willing to work most of the time, sleep very little, eat anything, and be glad he's alive. No other qualifications are necessary.

Funniest remark I've heard come from a southern negro was after a session with a few bombs, said to his black buddy: "Say sompin' Kember, jest so's sh'li know it's you all please."

From Carl Messer The following letter is from a sixteen year old boy who, because he was not yet in the army, was "exaggerated" his age a bit but, whose conscience bothered so that he finally "broke down" and confessed up.

Dear Mom: Will drop you a few lines to let you know I'm all OK, but I have a slight cold. I received your letter today and I sure was glad to get it. My hand is slightly swollen when I started to light the gas stove but not bad. I think it will be alright in a few days. I want you to be sure and not worry about the cow's calf was a heifer and tell dad I sure will hold him to his promise that I will send him back the money to take care of my calf and that he won't be out anything on it for I have got a good job and I like it too.

Well Mom, tell Tommy and I are still together. There are 38,000 boys in our camp. It is a very nice place and a large one. We live in tents, six boys to a tent. In our tent are four more boys be-

side Tommy and I. Two of them are writing and the other two are polishing their shoes. Well Mom, I won't be 18 any more in Uncle Sam's records. I'll be 16. If told them I was not 18 and they told me that I wouldn't be sent back home if I wanted to stay, and I told them I did.

TELL EVERYBODY HELLO FOR ME when I write back home today and learned to march a little, but not much. When you get this letter tell me how you liked the picture I sent you and be sure you don't give 'em away.

Mother, I would have loved to you where I was going but I was in Alabama before I knew myself. At Fort Thomas, Mo., we went to the drill hall and sat around all day before we took off Monday evening on a hike. We hiked over five miles and I was sure tired when I got back.

Its been raining down here most of the time. The weeds are about six inches high. You can guess how hot it is. Our camp is seven miles long and four miles wide. Some camp isn't it? Mom, I like the army just so far, but I might not like it so good when they get hard on me, but I think I will be satisfied. You send me some stamps and I will send you the money back when I get a pay day for I don't want you to give me anything. If there is any give I want to be the one to give. I wouldn't ask you but you can't buy stamps with a canteen book. I just have money enough for two more stamps.

Well, Mom, I can sleep as long as I want to on Sunday. We don't have to get up until 8 o'clock. I got homesick on Sunday, sitting around that was the first time I got home sick since I've been here. Tommy don't like the army, but I'm sure I always wanted to.

War Brings Changes

Changing conditions due to the war, make it necessary for business to adjust itself to those conditions. The REGAL STORE, in an effort to adjust its business to new conditions announced the following program which will take EFFECT IMMEDIATELY:

Cash And Carry — No Delivery

Our inability to buy tires has forced us to discontinue our DELIVERY SERVICE of groceries. In the future this store will also go on a CASH AND CARRY PLAN. By doing this we will be able to sell you your groceries at A SAVING TO YOU. What we save by the CASH AND CARRY system, we propose to pass on to our CUSTOMERS in a REDUCTION IN THE PRICE OF GROCERIES.

On And After April 25th.

Our NEW PLAN will go into effect on APRIL 25. On and after that date all groceries will be sold for CASH ONLY, and customers will CARRY THEM AWAY with them. We will appreciate your cooperation and believe that the new system will BE A CONVENIENCE and a SAVING to both of us.

AIR-MAIL FOR ADOLF!

When that special delivery bomb drops on Berlin, it will probably be marked "Made in U.S.A." No other country can compare with America's war production, now that we're really rolling. No other has the men, the machines—or the electric power. It takes a tremendous lot of power to turn the wheels that turn out tanks, planes and ships for all the United Nations—this America is power-full.

You can thank the men and management of America's electric companies for that.

They looked and planned ahead. They were really ready when war came—with more electric power than Germany, Japan and Italy combined. They were able to meet sudden military and industrial demands all over the map.

Here is a business built the American way—by local enterprise and individual investment—dedicated to defending the American way until the last bit of air-mail has been delivered to the last dictator!

Our own electric power stations and transmission lines now supply more than one million kilowatt-hours every day (over 30,000,000 kilowatt-hours a month). *more planes, guns, tanks and other weapons to whip the Japs and Nazis.*

WHY

are the homemakers of MOREHEAD working as never before . . . keeping kitchens humming with ceaseless activity . . . preparing and serving three hearty, nutritious meals daily . . . doing their own baking?

BECAUSE

they, too, want to share in winning this war and they feel they can best serve by safeguarding the health and welfare of those who rely on them for sustenance . . . by sacrificing ease and leisure on the altar of devotion to home, family and country.

ELSEWHERE

experts are saying that women of America will be REQUIRED to work harder and longer in the planning and preparation of meals because a healthy and vigorous citizenship is essential to victory. But no such enforced action is necessary here where Captains of the Kitchen VOLUNTARILY and graciously give of their time and talent to the protection of the vital home front.

And as time goes on and the recognition and acceptance of war duties become widespread in this section, long famed for its patriotic fervor, more and more loyal homemakers will be seen cheerfully carrying large sacks of flour and other essential foodstuffs to their homes to be expertly converted by the magic of Kentucky cookery into vitimized victory treats far surpassing the delectable offerings of professional chefs.
