MSU Faculty and Staff:

September (30-day) Covid Vaccination Challenge:

We hope that you will support our drive to reach a 75-80% employee vaccination rate. Presently, we have an employee participation rate of 53-54% who have uploaded cards (a very early estimate).

If you have not participated, please consider uploading a picture of your Covid vaccine card showing at least one dosage to the following link by September 30.

<https://my.moreheadstate.edu/FacultyStaffCovidSurvey/Pages/default.aspx>

If you do not feel comfortable uploading a picture of your card, you may alternatively take a copy of it by the Office of Human Resources and show the card to our Director of Human Resources who will record your name.

Today we drew 15 names from the current pool of cards submitted to date, and each of these individuals will receive a \$500.00 award. One of the staff in our accounting office was gracious enough to do the drawing of numbers (all were drawn by numbers) and these individuals will be notified within the next day or so of their awards. A large number of drawings will take place after September 30.

Let's get to 75% or better!

October 7 and 8:

Thursday, October 7 is Fall Break for students and therefore no classes, however all University offices will remain open this day.

Friday, October 8 is both Fall Break for students as well as a floating holiday for employees. The University will keep essential services of food, security, and residential housing open, but University offices will be closed and there will be no classes.

Many thanks,

Jay Morgan
President
