VOLUME NUMBER: Old Series, No. 61; New Series, No. 25

MOREHEAD, KENTUCKY, THURSDAY, MAY 7, 1942

NUMBER NINETEEN

We pledge Allegiance to the Flag and to the Country for which it stands. ONE NATION, indivisible, with LIBERTY and JUSTICE for ALL.

A Sugar Ration Registration Closes Today

Burma has fallen, the Japs, with your own expressions of degradation and profanity attached are driving into China, and it looks in that particular part of the world as if the United Nations will have a lot of taking back to do. But just as long as we get letters from our boys in the service, such as the letters we publish in this column, we do not fear that when the last battle is fought in this war, and the last gun is fired, that those same execrable Japs and Nazis and so on, will pay the price exacted by defeat, and we DO mean price.

These boys, who they do not think of it in that way are writing history in these simple letters to their home folks. They are spelling correctly the word "DOOM" to the Hitlers, the Hirohotos and the Mussies of the world. And so we are proud to be able to give you their letters, simple and badly written or poorly spelled.

We have received a copy of a picture page from the Chicago Sun, in which appears the picture of a local boy, over the line reading, "The Brinkman Group" at Chamutee field, being given an opportunity to enter officers' training school.

Johanne Fultz again Dear Brother Everett, I received your letter and was sure pleased to hear from you and to learn that you were all well. As far as your all classes, you and Luella sure look good in your picture and the girls pictures were also good.

Last week we published a letter from John Fultz to his mother. This week he writes to his brother Allie and wife. Mrs. Allie Fultz wrote the following note:

Dear Sir: Please put this soldier's letter in your paper. He is well known by all in Rowan county and has many friends. He wants to do his part for Uncle Sam. Everybody would like to hear of him. He is a special kid. Maybe this letter in the paper will encourage some other poor boys to become something some day. Thank you. Mrs. Allie Fultz, Co. L, 155th Infantry, A.P.A. No. 40, Los Angeles, Cal.

The Greatest Name In The World Today: Is Mother

By Grace Johnson. Everything that is tender, everything that is beautiful, everything that is holy and sacred, clusters around the word, "Mother". There is no human name enshrined in our hearts like the name "Mother". The greatest name in all the world is "Mother", the sweetest word is "Home" and the dearest word is "Mother". Think of home and you think of Mother; think of Mother and you think of the Bible; think of the Bible and you think of God.

Farm Labor Problems To Be Solved

Farmers who find that the labor available is inadequate for regular production, need to change their plans, methods and practices to make the labor more effective. Some good ways to accomplish this are: 1. Exchange of Farm Work. It may be of mutual benefit to farm neighbors to exchange help.

USO To Raise \$700.00 For Men In Service

To provide each person with tangible evidence of his participation in financing the war, the USO committee of Rowan county will launch its drive on Monday evening when it meets in the cafeteria of the Morehead State Teachers college at 6:00 p. m.

Baccalaureate Services Here Sunday Night

The Baccalaureate services of the Morehead high school will be held Sunday, May 10 at the Christian church, with Rev. A. E. Landolt, pastor of that church delivering the sermon.

Breck Club To Have Carnival And Dance

The Breckinridge Chapter of the National Beta club will sponsor a carnival dance Friday May 8. The feature of the evening will be the coronation of Mr. and Miss Breckinridge. The election for Mr. and Miss Breckinridge was held Monday by the Junior and senior high classes, but results will not be known until time for the crowning ceremony.

Earl King Sent To Address Club In Morgan County

Earl King, State assistant professor of history, Morehead State Teachers college, will speak at a dinner meeting of the Morgan County Womens club, West Liberty, Kentucky, Tuesday, May 12. He will talk on the subject, "The Role of the Negro in Caribbean Defense."

Lum And Abner Picture Will Be Shown Here

With a hilariously deperate efforts to become a hero in his fiancée's eyes as his basis, "The bushy headed hero" brings the famous pair of Lum and Abner to the screen again in laughter packed romantic comedy of the Ozarks.

War Bond Pledges Will Be Solicited As Rowan County Tries For Goal Of \$5,200.00

A plan, patterned after the same line as the drive now underway in many parts of the United States, to enlist every American in the purchase of War Savings bonds and stamps, will be opened next week in Rowan county. John M. Palmer, county chairman, said today, Rowan county's quota for May said Mr. Palmer, has been set by the treasury department at \$5,200, a sum which should be easily reached. The ambition of the committee is to exceed that figure, and as they said in the First World War, to go "over the top" is pledging that quota.

If you glory in the past — If the story of the great trek of freedom hungry people, of their turning from the crannies of Europe to an unknown continent, if the saga of their carving out a home out of the wilderness, of the rise of this rich land of ours, whose very name, the United States of America, breathes of the freedom of men to work together in mutual understanding and cooperation; if these tales move you, give you inspiration and courage; if you feel the glory of the past heritage of this country of ours — Then for the preservation of that glory, for the preservation of the very ideals for which those pioneers fought and died, then, in equal spirit with those men who said "millions for defense, but not one cent for tribute" — PLEDGE to buy U. If you believe in the present — If the democratic way of life means anything to you if you have faith in a republican form of government, in majority rule and minority rights; if you wish to live and work as free men and not as serf labor; if you believe in the sanctity of the home and individual enterprise; that the state is made for man, not man for the state; that the obligation of citizenship means equal treatment for all without regard to race, creed or color; if you hold that man should be

Peratt Speaks In Thursday Chapel

In honor of the sesquicentennial celebration being held throughout Kentucky this year, the chapel program on Thursday was dedicated to the state, and was highlighted by a talk given by C. O. Peratt on the subject "The Story of the History of Kentucky."

The program was opened by a devotional from Gabriel C. Banks, which was followed by the playing of "Anchors Aweigh" by the band. After this the college choir sang a hymn. Mr. Peratt in his talk emphasized the events leading to and culminating in the admission of Kentucky to the Union as a state in 1792. There were eight conventions held at various cities in the state from 1784 until the time the state was admitted. These conventions first had to petition the Virginia legislature to allow Kentucky to be a part of that state's jurisdiction. After that, the big problem was to convince Congress that Kentucky had due reason to be a state. No city in the state was more than twenty miles old, yet every year was being included among people west of the Appalachian mountains, into the Ohio river valley, and the Bluegrass region of Kentucky. So even though the cities of Kentucky were young, they were fast growing with their populations being supplemented daily with immigrants from the East.

The winners of the recent sesquicentennial theme contest here were also announced. They were Leona E. Fyffe, first prize; Mrs. Rebecca Moore, second prize; and Larina Waters, third prize. Honorable mention went to James Phelps, Joann Wesley and Garnet Kane.

Band Will Present Evening Concerts

The college band will inaugurate its series of spring concerts Thursday evening at 8:30 o'clock, under the direction of Prof. M. E. George. This will be a weekly presentation of music, and each program will be different and very entertaining.

The students body and faculty are requested to be on the campus promptly Thursday evening to hear this first concert. The towns people are very welcome.

Your Home Garden

CALL it "defense garden," "war garden," or "victory garden," the need for a home-grown vegetable garden is greater this year than ever before. Thousands of families who never grew a garden before are being urged now to plant fresh food supplies needed for many sound reasons. The real purpose in making a garden is the good that the gardener gets out of it, and the satisfaction of watching things grow. In addition to some gardeners can assure himself of superior, healthful food in vitamins, minerals, and roughage. Existing conditions that influence home gardens to grow food stuffs are: increased food transportation difficulties, shortage of farm help in food producing areas, increased taxation, huge demands upon commercial growers for fresh garden foods for the armed forces, and to aid in the "planned diet."

The pledge is a confidential agreement and under no circumstances will the information it contains be disclosed either to the general public or to other pledgees.

Every person will be asked to sign a pledge card in triplicate. One they will keep themselves, another will be sent to Washington and the other that stay at home or at state headquarters. The pledge card is NOT an order form. It does not constitute a formal legal contract. In other words, if after you pledge to buy a certain amount, you find during some week that you are unable to do so, you will not be sued or brought into court. It does mean that you have a definite moral obligation on the part of yourself, to purchase War Savings bonds on a regular plan.

Kazee states that, according to custom for several years now, the Morehead Baptist church will hold its vespertine Bible school at the usual time, the week following the close of summer school. This year it will begin on July 20, and continue for two weeks.

Of special importance in Baptist affairs is the county-wide Sunday School workers meeting to be held at the Morehead Baptist church, Wednesday evening, May 13 at 7 o'clock. The chief speaker will be Rev. G. R. Hanson, pastor of the Two Lick Baptist church, Germantown, Ky. Other addresses and conferences will be held during the meeting. Workers from Elkton, Haldeman, Farmers State Point, Pine Grove, Bratton Branch and Baptists interested in Sunday schools anywhere in the county are urged to come. The public is invited. On July 7, the Morehead church will begin a revival meeting to be held either in a tent or at the church lawn at the rear of the church. At 7 o'clock on July 7, an open air meeting. Rev. James Walker, evangelist, and pastor at Versailles will be the preaching. Missionaries L. E. Leeper and Edward Stover will be speaking in the meeting. Deeds plans will be announced later.

A-Americans All

(Continued From Page One) I was just out of cigarettes, but for him to not buy me things for I'll make out all right. Of course I appreciate it but you folks have a family to take care of and I don't. Say you was talking about me being an office boy. Well, I have some great news for you and the family. For last Monday I was promoted up to the rank of Corporal and that's nice. I wish you all knew how the army is run then you would know more about it. It is a rating of a non-commissioned officer. The way it works is, when I came in the army down in Texas I was a private (Black Private), at the old saying goes. Well next I went to Private. Then to Private First Class. Well they have one stripe on their arm. Now I am a Corporal, the first non-commissioned rating that you get. I have two stripes on my arm now. Next is Sergeant. It sure tickled me, not that I wanted to get out of work but it is sure nice to be an officer. They take a man in here when he is not what he looks like.

There was some men here that had high school and were office men. I don't want you to think I'm bragging or anything but they give a man 50 percent on his test for leadership. If a man can't win the battle of men they won't have him, in other words if a man can't fight and stick up for his rights, well he is no good. When a Child Needs a Laxative!

SYRUP OF BLACK-DRAGHT is a tasty liquid that most children will welcome whenever they need a laxative. What's more important, it has the same main ingredient as BLACK-DRAGHT, its odor companion. Perhaps that's why it usually gives a child such refreshing relief from the familiar symptoms which show a laxative is needed. Comes in two sizes: 25c-50c.

Official U. S. Treasury War Bond Quotas For May

KENTUCKY

U. S. Treasury Official War Bond Quotas for May

May Quota for State, \$5,557,700

A MESSAGE FROM THE SECRETARY OF THE TREASURY

THE UNITED STATES TREASURY
WASHINGTON
May 7, 1942

TO THE PEOPLE OF KENTUCKY:

This week a new campaign for the sale of War Bonds and Savings Stamps is under way throughout the Nation. It is the War Bond Quota Campaign.

It is urgently necessary that you double the rate at which you are buying War Bonds and Stamps! This will mean the sale direct to individual purchasers of War Bonds and Stamps to the amount of not less than one million dollars every month.

One million dollars a month is the May Quota. It is equal to one-fourth the monthly income of all Kentuckians.

This money is needed to buy the tanks of war for your fighting forces. It will not pay for all of them. Our war expenditures now are at the rate of about FIVE BILLION a month, and they are growing daily. But a billion dollars a month direct from the people will make almost no difference. Without it we cannot do our best without it we cannot push forth our full effort.

It is desperately needed for another reason. We can't fight a war at all the same time and spend so much. There are not enough goods to go around — the things we buy with money. If we go spending at the 1942 rate, we'll be robbing the fighting men to add to our own comfort or pleasure. We'll be driving up the cost of living for all of us. We'll be leaving dire hardships on our neighbors.

What is asked of you is ten per cent of your savings — a little for Liberty. It is not a tax; it is not even a contribution; it is a loan of interest, for your use and protection later.

Your Government asks you to cut down your expenditures, to SAVE — your boys on the fighting line and in the United States, through your Government, ask you to agree so that they may have what they need to win THE WAR for you — America asks you to agree to SAVE TO WIN THE WAR for War Bonds and Stamps up to not less than ten per cent of your income.

In Liberty month MAY in December month 1942 in America month 1942 I think I know your answer.

Secretary
Amorintouff

The above letter was sent to this newspaper by Secretary Morgenthau in Washington. We publish it in the interest of the War Bond Quota Campaign and earnestly recommend that all our readers do their share in the tremendous job ahead of financing the War effort.

The above map of Kentucky shows the War Bond forces take the offensive against the Axis powers. The American voluntary method of War Bond purchases quotas, by counties, for the month of May, 1942. Total War Bond quota for the State is \$5,557,700. Every income earner in the State is expected to step-up War Bond purchases on a basis of ten per cent or more of income. This is necessary to help America's armed

Commenting of the drive to day, Dr. Falls said that he believed that every civic minded Roanoke would join for this worthy cause. "It is one of the most worthy and commendable campaigns that have ever been staged," he declared.

The main objective of USO helping to build and maintain airmen in uniform by showing them how much their friends back home appreciate what they are doing; to take this appreciation tangible in the form of letters, care packages and service in the soldiers' and sailors' duty hours.

The mothers and fathers and wives and sweethearts of the men in service demanded that someone do this work. The President, the Secretary of War, the Secretary of the Navy and the Federal Security director requested USO to take over the important phase of our national effort.

USO itself, plans, finances and supervises all operations conducted under its name, both from national headquarters and through local USO committees. It relies on its member agencies to staff and operate its clubs in continental United States, but itself conducts directly all work outside the continental United States.

Farm Labor

helpers and similar equipment should be employed as fully as possible. Full use of power machinery speeds up the work and increases accomplishment per man.

Changes in Farm Practices

Labor can be saved during rush periods by pasturing a portion of the small grain or hogging down a portion of the corn. Pastures and hay are the crops which give maximum feed value per day of man labor.

The use of hoes and other small tools should be avoided whenever larger implements are more effective in total accomplishment per man. Time of cultivation can be reduced in many cases by doing the work on time when weeds are small.

Sugar Registration

(Continued From Page One)

Sugar selling was resumed in Morehead on Tuesday after the ban on sales was lifted. Many of the improvident rushed to the stores to replenish a shrinking pile of sweetening. Some were entirely out of sugar, but that had failed to obtain a supply to hold them over.

Some few have the idea that the stamps entitle them to obtain sugar at the expense of the government, using the stamps in lieu of various places. Those few, while disappointed, were rapidly undeceived by the merchants.

Sugar prices in Morehead are around 8 cents per pound.

Breck Presents Chapel Program

According to several members of the Breckinridge training school faculty, the chapel program given in the Breck auditorium Wednesday morning was one of the most outstanding and appreciated given this year. Athletes Lawson, Cloma Porter and Jack Dumford, the student instructors under the supervision of Miss Nellie Walters, critic teacher, had charge of the program which consisted of dances and tumbling.

The first, second, third, fourth and sixth grades presented dances which they had been taught by the student teachers. The fifth grade did not take part in this program because they had previously given a chapel program. Tumbling was exhibited by the junior high students.

"This is our day," was the enthusiastic utterance of one of the boys who was to take part in the program. All the children seemed to get a great deal of pleasure out of the entire exhibition.

A Salute To Mother

The grandest, most lovable person in the world. That is everyone's tribute to Mother.

No one can take her place in the heart of son or daughter.

So we are happy indeed to have this opportunity to remind you that next Sunday, May 10, is Mother's Day, and to suggest that you honor HER as you think she would most appreciate.

Out of Every Dollar Comes Back to You in Government Benefits

★ Out of every dollar that you pay for electric service we pass 21 cents on to Government in taxes. And Government passes them back to you in benefits—National Defense, Schools, Police and Fire Protection, Highways, Hospitals and Health Service, Charity Institutions, Courts. . . .

Last year (1941) our total tax bill was about \$2,265,000. That was \$6,200 every day including Sundays and holidays. It was \$18 for each electric customer, and \$1,997 for each regular employe.

★ If our company didn't pay any taxes your electric rates would be much lower—but you would pay higher taxes. Do you want to do that?

Whenever and wherever Government goes into business political management replaces business management. It offers lower prices because it pays no income taxes on the business.

★ A nationally famous fact-finding service reports that aggregate taxes in this country have risen about 800% in the last 25 years—prior to Pearl Harbor. In the same period the electrical industry lowered its service rates an average of 55%—and improved the service immeasurably.
