

We pledge allegiance to the flag and to the Constitution for which it stands.

ONE NATION, indivisible, with LIBERTY and JUSTICE for ALL.

Americans All

And now its Corregidor that has fallen to the Jap invaders. We are not saying that as giving you news, for you know it as soon as we. We are merely repeating a fact that in the course of days, has become ingrained in the minds of Americans, as another place and other men to harbor.

First Pearl Harbor; then Batavia and now Corregidor and in addition, the thousands of islands, the cities and towns of the Dutch East Indies; the land of Burma and of China; Singapore, Hongkong. Those are the things we will not forget.

This week, think of Corregidor. These fighting men, who held on defiantly to the last, who in their final surrender were defiant still; who gave their all because they were Americans.

We are particularly trying to impress on our readers the importance of remembering the men of Corregidor and their families. These people of Rowan county are to be given an opportunity to do something directly for the men who in the end may and probably will be called on to make the supreme sacrifice for America and the world.

This week, the USO (United Service Organizations) are beginning a drive to raise funds by voluntary donations, to finance the cost of recreation and entertainment for the men in the various branches of the service. Rowan county will be asked to raise a total of \$700 as their share in providing this necessary fund, that our boys in the armed forces may be taken care of as they are in the service, the army, the navy, and the marines. By the end of this year, we will have over 700 in the services, and will this country fail to give ONE DOLLAR to furnish recreation for ONE MAN from this country?

That's what it amounts to, one dollar from us as a county for each man in the service by the end of this year.

Or put it another way. There are over 13,000 residents in the county. That estimate is based on the number registered in the sugar rationing, which is certainly a complete census. If each man, woman and child, gives only FIVE CENTS to the USO, we will more than raise the quota set.

In another column the details of the drive are set forth. Here, we merely appeal in behalf of our Americans, all to the Americans at home, to remember and to act promptly and generously when the call is made. Remember we fell woefully short in the Red Cross War Fund drive. Surely we will not fail our boys now.

May Get USO Unit In Morehead

There is a possibility that sports in the United States in Morehead may be one of the which a United Service Organization headquarters will be established. Dr. J. D. Falls announced today he said that the Morehead unit may be established because the Navy is establishing a training center here, the first bluejackets to arrive on May 30.

Walker Takes Over Duties For Navy

Lieutenant Commander Walker, of the United States Navy, arrived in Morehead Wednesday to take over his duties as head of the Morehead naval training center. Lieutenant Commander Walker was transferred to Morehead from Dayton, Ohio, where he has been connected with training and will be in charge of the naval trainees sent here for special electrical instruction.

Under the direction of President William H. Vaughan, the new unit will be equipped to receive the first shipment of 150 bluejackets, scheduled to arrive here June first.

Last week Thompson had been vacated, and work has begun in earnest to prepare that hall to house most of the new sailors who will be stationed in Morehead by the end of four months. Thompson hall will have 75 dormitory rooms which will take care of the new recruits and given the proper kind of relaxation and entertainment.

Walker Griffiths Buried In Morgan County

Funeral services were held on Monday at the home of his parents, Mr and Mrs Uriah Griffiths at Cannel City, Ky., for Walter Griffiths who died Saturday night at a Lexington hospital of bullet wounds sustained in a gun battle with State Patrolman Charles Wilson. Griffiths was wounded by two shots from Wilson's gun, and died shortly after being taken to the hospital. The services were conducted by Rev. B. H. Kazee of this city. Arrangements were in charge of the Ferguson Funeral Home. Griffiths was the son of Mr and Mrs Uriah Griffiths and is survived by two brothers and two sisters in addition to his parents.

Glasses Bought For Fifty-Six People

Sometime last fall H. C. Hagan, chairman of the Rowan County Chapter of the Red Cross, Goldie Dillon and Marie Cecil, rural school supervisors, became interested in seeing what could be done in helping some of the rural children who were handicapped by poor eye sight. They discussed the matter with County Superintendent Roy E. Cornett, and a definite program was worked out. The Rowan County Club, \$20.00, Rowan County Women's Club, \$25.00, Morehead Women's club \$10.00, and the Morehead Board of Trade, guaranteed \$25.00. The Rowan County (Continued On Page Two)

USO Holds First Meeting Monday Eve

The USO committee of Rowan county held its initial meeting in the faculty dining room of the college cafeteria Monday evening of this week. Dr. J. D. Falls, chairman of USO in this county, discussed the purpose and plans of USO. After discussion of the various phases of the campaign war fund, it was decided that the next meeting would be held in the Court House Monday evening, May 18 at 8:00 o'clock. The program at this meeting will be in the nature of a general mass meeting of all the citizens who wish to attend. The purpose is to inform the public as to the various objectives of this campaign.

Following a parade by the college band, under the direction of Professor M. E. George, the band will assemble on the court square lawn for several patriotic numbers. The crowd will then proceed to the court room where the remainder of the program will be rendered.

Mayor N. E. Kennard will make a brief welcoming address and introduce the chairman, J. D. Falls, who will preside.

The following speakers will make four minute addresses: President Wm. H. Vaughan, Mr. C. F. Coulter, Mr. Claude Vencil, Rev. B. H. Kazee, Mr. Claude Kessler, Rev. A. E. Landolt, John Rose, Dr. G. C. Banks.

Girls Scouts Entertain

The Troop of Morehead will entertain the Boy Scout Troop on a hike and water raunt next Saturday afternoon. The hike will be six or eight miles to their fire-place, where the luncheon will be enjoyed around a camp fire.

Bee's Shows Are Sure Sign Of Spring In Morehead

As sure as spring rolls round each year, just that certainly are you to read announcements similar to this, "Bee's Shows are coming next week. So much is the fact here, that it is now taken as a sure sign of the arrival of spring. This year is no exception to the average year. The Reliable Show will open here next week for a full six day engagement with eight rides and eight shows, and numerous concessions. The fact that Bee's has been an annual visitor to Morehead for some many years that an introduction to this community is entirely unnecessary for every one here knows the men on the show personally. The fact that Bee's has come back year after year is enough of a recommendation. You'll find them all there this year, Gus selling his ham burgers, Blackie in charge and Frank Bland who is now in town, billing the show. Drop in some time next week and renew your acquaintance with them.

Home Ec Making Consumer Survey For Government

The Consumers survey being conducted by the department of home economics for the office of price administration, got under way here this morning. Rowan county is one of 45 counties in the United States from 38 of the states to be surveyed.

Man Killed Monday Night When Truck Strikes Light Poles

Wm. Taylor Carter, 55 was instantly killed, although his nine year old son who was riding in the truck escaped injury when his truck, loaded with scrap iron on the way to the Ashland market struck three high tension line poles at near by Farmers and tore them down. The truck was almost completely. The accident plunged not only Farmers but Morehead as well into darkness. (Continued On Page Four)

Mayor Proclaims Meditation Day

On May 28, 1975 the first religious service was held in the Commonwealth of Kentucky, in recognition of that fact and as Morehead's part in the SequiCentennial celebration of Kentucky's statehood. Mayor N. E. Kennard has issued a proclamation setting aside Sunday May 24 as Kentucky Meditation Day, and is urging all members of all churches to particularly observe this day. Mayor Kennard's proclamation follows: To All To Whom These Presents Come, Greetings:

WHEREAS, in the year 1775 on the 28th day of May the first religious service was held in Kentucky at Boonesborough by the Reverend John Lyrhe under a great Elm, and

WHEREAS, this is Kentucky's Sesquicentennial year and the people of this vicinity have enjoyed the blessing of an all-wise God and with the state and nation has survived the vicissitudes and crises of a century and a half within the boundaries of Kentucky and of a religious freedom set forth in the first Constitution and all subsequent Constitutions and the Bill of Rights of Kentucky; and

WHEREAS, The Kentucky Sesquicentennial Commission has suggested that all churches in the State participate in a day of meditation on May 24, in commemoration of that eventful day of May 28, 1775.

NOW THEREFORE, I, N. E. Kennard, Mayor of Morehead, Kentucky, in the name and by the authority of the good people of said city, and in virtue of my office as chief executive I do hereby declare and proclaim that Sunday, May 24, 1942 shall be the day for all citizens of this vicinity to observe as Kentucky Meditation Day.

Done at the City hall and given under my hand as Mayor, with the seal of the city attached hereto affixed this 12th day of May, 1942

(Signed) N. E. Kennard Mayor of the City of Morehead (Attest: Hannah Blair, Clerk (SEAL of the City of Morehead)

Christian Guild To Have Methodist League Guests

Next Sunday evening at 6:15 members of the Young Peoples guild of the Christian church will be hosts to the Methodist Epworth league. A fine program has been arranged for the joint meeting.

Devotionals will be led by Fred Crisley, pastor of the First Baptist of Olive Lyon, Lavina Wiers, Toady Owens and Helen Crisley, will offer music.

Bond Drive For Months Postponed

Acting on advice from state headquarters the much publicized Rowan county war bond drive has been postponed indefinitely. John M. Palmer, local chairman announced today. The announcement came almost on the eve of a county-wide campaign in which the cooperation of hundreds of workers in the county had been elicited. "We will keep our organization intact until the time when the state and federal headquarters desire to get under our drive," Mr. Palmer said.

Church of God To Have Rummage Sale

The Missionary Society of the Church of God will sponsor a rummage sale on Saturday, May 16 in the upstairs hall over the courthouse. As usual there will be everything to wear for only a few cents; also dishes and many odds and ends sales, and the cheapest sale of them all.

Father Of Jack West Dies At Home In Washington, D. C.

Colman West, father of Jack West of this city, died at his home in Washington, D. C. on Thursday last week, following an extended illness. Mr. and Mrs. Jack West left immediately on receipt of the message for Washington, to attend the funeral. Mr. West was born in Leeds, England and came to the United States in 1909. He has made his home since that time in Washington.

He is survived by his eight children, all of whom are well known in Morehead having lived here on numerous occasions.

Clearfield Women To Open R. C. Sewing Room

The Legion Auxiliary is now opening at Clearfield the new sewing room. Last Friday several members attended and cut and made both robes.

The new sewing room is being opened at Clearfield in addition to the rooms at Morehead and Haldeman. The women are to work in the Boy Scout room in Clearfield and at least nineteen women have promised help. It will be opened next week. Anyone who volunteers to help, Roy E. Cornett.

Size Of Pgs. Is Limited To Soldiers

Acting on advice from the Army and Navy, the Postmaster General issued specifications for the mailing of parcels to members of the United States armed forces on foreign soil. W. E. Crutcher, Morehead postmaster, announced today.

To assure to our armed forces that all available ocean and air transportation space is devoted to the necessities and to prevent congestion at ports of embarkation and debarkation, the Army and Navy departments are directing and supervising shipping facilities used in ocean and air transportation to and from our territories and bases and to foreign countries.

The new regulations as laid down are: 1. No parcel or package of any class of mail including air mail addressed for delivery outside the continental United States shall be accepted for mailing if it exceeds 11 lb in weight or 18 inches in width or 42 inches length and girth combined, provided that these restrictions shall not apply to (Continued On Page Four)

New Chemistry Instructor Here

Miss Griffin, recently her Lexington, has been named instructor in chemistry to fill the position of Dr. Wayne Keller, who has been granted a leave of absence for the remainder of the term to do research work for the government. The new instructor arrived in Morehead on Monday and took over her classes Wednesday. She is scheduled to accept classes in first and second courses in beginning chemistry, and a course in organic chemistry.

Les Ward Dies Of Injuries In Gun Battle

Funeral services for Leslie Ward, World War veteran and victim of a gunman's bullet last Saturday night, were held on Monday afternoon here with the Corbie Elington Post of the American Legion of which he was a member, according to reports. They turned his gun over to a policeman of Morehead, died as much in the performance of his duty as if he had given his life on the field of battle.

Ward was shot and died instantly by Walter Griffiths, 33, of Cannel City in Morgan county at Griffiths' rifle gun twice in the chest. Ward was killed instantly Griffiths died after being taken to a Lexington hospital.

According to witnesses who saw the start of the affray, the Griffiths car locked bumpers with another car, after having started driving off a rib. Wilson's injuries were pronounced not serious. In the meantime, Wilson drew his gun and fired at Griffiths, striking him twice in the chest. Ward was killed instantly Griffiths died after being taken to a Lexington hospital.

Morehead Hi Graduating 45 Seniors

When Commencement exercises are held this week for the 1942 seniors at Morehead High school, the largest class in the history of the school are scheduled to receive diplomas when forty five seniors march up to be "launched" into life.

Those receiving diplomas at the 1942 Commencement on Thursday of this week (today) are: ... (Continued On Page Two)

Will Start First Aid Class If Demand Is Great

At the regular meeting of the city council Tuesday night an ordinance governing the establishment of liquor stores in the limits of the city was submitted and acted upon favorably by the council. The new ordinance limits the number of liquor stores to three, with the provision that the five now in operation be permitted to continue, but that if one or two of these now operating close no other licenses will be issued to new firms.

The license on pin ball machines was repealed, since the Court of Appeals had declared in a recent ruling that pin ball machines are illegal.

Corb Dickerson was elected as night policeman to replace Les Ward, who was killed Saturday night.

Mayor Announces Spring Cleanup

The week of May 25 has been designated and set aside as Morehead Cleanup Week by N. E. Kennard, mayor of the city. Mr. Kennard's proclamation is to be issued next week. In the program committees are being appointed and will be announced in the next issue of the News. Property owners are urged to remember the dates when they have their trash piled in conveniently located places which trucks can gain easy access when they come to pick it up.

Father Of Jack West Dies At Home In Washington, D. C.

Control Hatred

When the snow melt on the far off mountain tops and the spring rains begin to fall, then the rivers which flow through the land are devastating torrents that sweep down the hillsides to other sections. Flood control is a vital subject to those who dwell in the lowlands through which the river courses.

The government engineers have made great strides in averting the danger of flood. They have built great walls to wall off the rivers; they have reforested great tracts of land to absorb the excess water; they have built great dams to hold back torrents and to control their flow into other areas so they may make fertile great wastes.

All this is most essential. But even more necessary today is a system of hate control. As the fortunes of war wane and waste, and as grief and loss touch us more and more closely there is growing in this land of ours increasing hatred and bitterness. Shall we let this flood warp and destroy much of what we hold dear?

We need to build walls of understanding to hold the hatred out. For mutual understanding leads to mutual trust and in trust there is no hate.

We need to reforest the scarred places in our minds, scars caused by hatred, bitterness, despair and intolerance; to be respectful with understanding and compassion, friendliness and love.

We need to dam back the floods of hate with bulwarks of education—education in positive democratic living, in positive

ing into practice in our every day life the things in which we believe.

We need to divert the stream of hate into useful channels, concentrating it on an ideology which will give the best of our people the best of our quality, our hatred must run between such concrete walls of our wills that we will not be guilty of either injustice or intolerance to any member of any group merely because of his race or creed or color, no more than we would want him to be guilty of these things; and thus and thus only, can we control the flood waters of hate.

Farmers See Cover Crop Experiment

On Wednesday, May 6, a group of farmers, the Farm Security supervisor and the County agent met at a cover crop demonstration out on the Flemingsburg road and located on the Sam Lyttan farm. This demonstration is on the left of the highway as you go to Flemingsburg. Signs have been posted so that anyone passing on the road will see the demonstration.

This demonstration was the first of its kind in this area. It was held on a small plot of ground, separately to wheat, rye, oats, barley and to vetch. It is hoped that every one interested in winter wheat cover crops will stop by and see these different crops grow

ing side by side on the same kind of soil. This will give the farmer a good idea of which of these different crops in different sections of the county farmers will have an opportunity to compare these crops under their own local conditions. This gives the farmer a good guide to go by when selecting varieties of crops or comparing new varieties with the old varieties.

These have been very much rain this spring and due to the light snow and rain through the winter soil moisture reserves are small. If home gardeners are to meet the aims set for them the complete filling of the family's all year vegetable needs, steps should be taken to save whatever moisture may fall in the showers that may come.

Time was when gardens were worked deep stirring down with bull tongues or shovel plows. By these means seepage water was forced to the surface in the notion that this was of benefit. Actually the reverse was true. Crops go worked almost always showing little or no till for a day or two until they could heal their roots injured or dislodged by the plow points. Old fashioned working worked the garden soil warm and except in extreme moist times amounted to garden sulking.

With the dry season coming, farmers are being urged to adopt the following suggestions:

1. Never stir the soil any deeper than to have off the surface soil. The vegetables roots must never be touched.
2. Keep the garden surface level with no hills and no ridges made. A level surface exposes the soil to evaporation to the sun. Besides, soil is borrowed from above the plants when hills and ridges are made the soil moisture level below and sometimes quite below the reach of the vegetables roots.

For precious soil moisture's sake let working and hilling up stop and cultivation start.

Glasses Are Bought
(Continued From Page One)
Red Cross chapter gave \$500.00. With the above money it was decided to make a survey of the children in rural schools and those reported most handicapped were taken first. The work was explained to the parents and their cooperation was asked. Dr. L. A. Wise, working in Morehead on Friday, became interested and offered to do the work at the next cost as possible. The parents were asked to put up as much money as they could. Some paid all of it, others paid all but one dollar, some all but two dollars, and the balance was paid out of the fund subscribed by the local organizations. A small group was brought to Morehead on Friday until the work was completed. At the present time glasses have been put on 48 children and the committee of the committee. Dr. Wise did the work at cost. Those children will be studied by the committee next year to see if the fitting of these children with glasses improve their vision. Besides fitting 54 people with glasses, the committee found a boy of 11 years, blind. He was taken to a specialist in Lexington, where it was found his sight could be restored by an operation. Miss Linda Neville, a social worker living in Lexington, was contacted, and she agreed to assist in the work. She took the boy to Louisville for one of the best eye specialists. The boy remained at the hospital about six weeks and came home with the sight restored in one eye. He is now back in Louisville for an operation on the other eye. Within a few weeks he will return seeing out of both eyes. He will then be taken to Lexington and fitted with glasses by Miss Neville.

The committee desires to thank the organizations for contributing the money and this method is used in reporting them as well as to the local, what was accomplished with it. It is hoped that the work can be carried on next fall after school begins. There is still much to be done.

Forty Five Graduates
(Continued From Page One)
Oscar Calvert, Elijah Cox, Sam Cassill, Rufus Flannery, Alvin Guiley, Rodney Johnson, Emerson Lewis, Bill J. Peed, Warren Hicks, Glenn Posten, Hanson Carey, Charles McKenrick, Glenn Porter, Glenn Gilkerson, and Billy Sisson. One of the boys Alvin Guiley will receive his diploma by proxy, since he enlisted in the U. S. Army last fall.

The commencement program which will be held at the public school gymnasium on Thursday evening at 7:30 follows:

Processional
Military Escort
Band
Valedictory "Our Faith is in America"
Morgens Ellington
Saulatory "What Youth Owe America"
War

Ethel Ellington, Bins
Award of Diplomas and Awards
Roy E. Cornette, Seniors
Recessional
Seniors

Les Ward Dies
(Continued From Page One)
His statement of the battle was briefly: "Ward was on the left hand side of the car and did not shooting. As we drove on Griffiths began shooting firing at Ward. I saw Ward fall and Griffiths then turned his gun on me. He fired striking me in the left arm. I fired my gun twice striking him twice in the chest."

Griffiths was accompanied by a young man named Brown from the city of Louisville. In the battle by Patrolman Wilson.

Leslie Ward is survived by his wife and eight children. His family is poor and unprovided for. Which brings up a question as to the advisability of some provision being made by the city for the future of the families of men who lose their lives in the protection of the lives and property of others. We simply asked "What is Morehead going to do about it?"

Funeral services were held at the Church of God at Vale, Kentucky, with Rev. C. B. Fowler in the Lane Funeral Home had charge of arrangements.

Lt. Commander Here
(Continued From Page One)
Workmen are busy now with re-plastering, re-painting, and re-conditioning the rooms. The spacious basement of the hall is being partitioned into electricians' laboratories and is being partitioned into four large rooms. One room will contain a forge for metal work, two are being fitted with work tables and shelves, and a fourth will in the beginning be used as a storage room. There will be two small office rooms in the basement.

Several rooms in science hall are also being cleared for navy instruction, which will be completely separate from Morehead college instruction. Physics, chemistry and mathematics will for the most part, constitute the navy's program in Morehead, and at least twenty new instructors will be added to the present Morehead college staff.

The cafeteria, which will serve three meals daily to the navy men, will undergo intensive changes before June first. Several thousand dollars in new equipment must be bought for the cafeteria, including a new modern oven, new chairs, dishes, and all kinds of cooking equipment. Trained help will be added to the cafeteria personnel, with probably one or two new assistant dieticians.

After a conference with President Vaughan in Frankfort last week, Governor Johnson authorized the transfer of \$15,000 from the state emergency civil defense fund to Morehead college, to assist the school in purchasing the equipment they need to insulate the naval training program. The college expects an income of about \$900,000 annually for board, room, and instruction of the specialized electricians, but this special has only been authorized to contribute to the building plate which will require an estimated \$25,000.

Governor Johnson pointed out that the \$15,000 transfer is permissible under a recent legislation defense law, and that the expansion will be of permanent benefit to both the state and the college.

Americans All
(Continued From Page One)
Dix to drop you a few lines concerning army life. I have seen quite a bit of it by this time. Of course there are some here that have been in longer than I have but I think I have been in long enough to have some idea of what it is all about, and so far I can't say that I have found anything that could be bragged about. Of course a fellow gets a lot of details that he thinks he is getting a dirty deal on, such as kitchen polking, guard duty, etc. but I think kindly look around and take notice he will find out that the other fellows are getting the same things.

The army is a nice clean and healthy life. The food is inspected by the Commanding Officer before every meal and he gets only the best for his health. Then if something does go wrong with his body there is the post hospital with excellent physicians and nurses to take care of his bodily needs.

In a way I believe a fellow in the service is better off than civilians. He may not have the privileges of the civilian, but he gets his board, clothing and medical attention free and his pay is all his when he draws it. How many civilians are that well off?

The fellows in the service are in there for one thing and that is to protect this country and it's people from foreign invasion. To do that it must have complete cooperation. To have that it must have the American people behind it. I believe every American should make it his or her vow to do as Lincoln said in closing his Gettysburg address which is as follows: "That we solemnly resolve that these dead shall not have died in vain; that this Nation under God shall have a new birth of freedom and that government of the people by the people and for the people shall not perish from the earth."

So it is up to us, the American people to do our part in fighting for the welfare of our country and with full cooperation. I earnestly believe we will come out victorious. So come on America "Let's Go and Let's Keep 'Em Falling."

Russell Hargett.

Edmunds Mutters, writes to his sister, Mrs. Marvin Wilson

From Perrin Field, Sherman Texas, where he is stationed, he tells Bob I did vertical reverses and snap rolls today on dual, but when I got up solo, I only got my snap about one-half over. Guess I will be able to do it better after another dual lesson.

Lots of fun and makes flying more interesting. Another one of my roommates takes the army check tomorrow. That leaves me out of the original four. Guess I will get my 4000 check about next Friday, May 15 or 16. Hope I can pass. I have exactly 27 hours now. Guess Bob needed me when he went to the races, or at least Guy Goodwin. Did I tell you I drew Bob and Spur in the Derby? He ran last and I was present for Mabel, but I sent her \$10 so, mother, you use it for a present for yourself, or better still use it to pay your house and for having your washing and ironing done. I know you aren't too strong so please don't work too hard. And school plus any of the wear a person out. Now re-hear I am going to call on Saturday night, so everyone be home. You might and my tennis racket to the mailing list. I can use it some and I will sell it if I don't. Think I will send Uncle Ern something if I go to town Friday and Saturday. Hearst from Grandmother Carr today. She said they were having a shower Thursday. I wonder why Guy hasn't sent me my pictures? Expecting a letter from Mabel and Bob or Mildred real soon. Heard from Shirley last night. Write soon. Love to all.

Buy War Bonds And Stamps Rowan County's Share for Month of May is \$5,200

BUY WAR BONDS NOW—TODAY AND EVERY DAY—for the Duration

That is less than 50 cents a month for each man, woman and child in this county.

Our boys are offering their lives. can we do LESS than buy 50 cts. worth of safe

living for ourselves and at the same time and with the same money buy wea-

pons for them to carry on the fight.

Official U. S. Treasury War Bond Quotas For May

KENTUCKY U. S. Treasury Official War Bond Quotas for May

May Quota for
State, \$5,557,700

A MESSAGE FROM THE SECRETARY OF THE TREASURY

THE SECRETARY OF THE TREASURY
May 1, 1942

TO THE PEOPLE OF KENTUCKY:

This week a new campaign for the sale of War Bonds and Savings Stamps is under way throughout the Nation. It is the War Bond Quota Campaign.

It is especially necessary that you double the risk at which you are now buying War Bonds and Stamps. This will mean the sale direct to individual purchasers of War Bonds and Savings Stamps to the amount of not less than one billion dollars every month.

One billion dollars a month is the National quota. It is equal to one-tenth the combined incomes of all Americans.

This money is needed to buy the tanks of war for your fighting planes. It will pay for the shells of our guns. Our war expenditures now are at the rate of about FIVE BILLION a month, and they are growing daily. With a billion dollars a month direct from the people will make almost no difference. Without it we cannot do our best; without it we cannot put forth our full effort.

It is desperately needed for another reason. We can't fight a war and at the same time live and spend as usual. There are not enough goods to go around — the things we buy with money. If we go on spending at the 1941 scale, we'll be robbing the fighting men to add to our own comfort or pleasure. We'll be striking up the most of living for all of us. We'll be taking dire hardships on our neighbors.

What is asked of you to keep your cash at your savings — a title for Liberty. It is not a tax; it is not even a contribution; it is a loan at interest, for your use and protection later.

Your Government asks you to cut down your expenditures, to save — your here on the firing line and in the training camps, through your Government, and you to save so that they may have what they need to win THIS WAR for you — America asks you to save; to SAVE TO HELP THE MAN who has your home and depend on it not less than ten per cent of your income.

Liberty worth 11¢ In December worth 11¢ In America worth 11¢ I think I know your answer.

Amogenthauf

The above letter was sent to this newspaper by Secretary Morgenthau in Washington. We publish it in the interest of the War Bond Quota Campaign and earnestly recommend that all our readers do their share in the tremendous job ahead of financing the War effort.

The above map of Kentucky shows the War Bond Quota, by counties, for the month of May, 1942. Total War Bond quota for the State is \$5,557,700. Every income earner in the State is expected to step-up War Bond purchases on a basis of ten per cent or more of income. This is necessary to help America's armed forces take the offensive against the Axis powers. The American voluntary method of War Bond purchases must be successful in reaching the quotas set by the Treasury Department for every county in the Nation. The job of every American now is to stop spending and save dollars to help win the War.

Its up to You, Mr. and Mrs. Rowan Countian. Lets Get Going. Sign up your Pledge Cards NOW, and better still KEEP THE PLEDGE TO YOUR SONS.

Personals

The Baptist Missionary Society met at the church Monday night with the Mary Tipsett Circle in charge of the program. Mrs. R. D. Judd was chairman and was assisted by Mrs. C. E. Bishop, and Mrs. S. J. Wheeler. Miss Betty Robinson discussed "The Youth of our Land."

Army Changes Cadet Aviation Training

According to the latest army announcement, men aged 18 to 26 inclusive who are at the time of the enlistment enrolled as full-time undergraduates in accredited colleges may be enlisted as privates in

the Air Force Enlisted reserve for future aviation cadet training on a deferred basis. This means that students at MSTC who may wish to enlist in the Reserve corps may remain until such time as they may graduate on graduation, these men will be assigned to active duty and appointed Aviation Cadets as facilities become available.

USO Organized

(Continued From Page One) The audience for questions and any questions they may ask relative to the USO program will be discussed. It is hoped that every citizen who is interested in the USO service, and there are few families not directly interested in the boys in the services, will attend the meeting. Immediately following the meeting the committee will be asked to hold its second meeting in the court house.

The following sub-committee has been appointed: Druggists, Robert, Bishop; Banks, C. P. Caudill; Schools, Roy Cornette, Mrs. Elington, Ira Caudill; Publicity, W. E. Crutcher, chairman.

YMCA, Richard Dougherty, YWCA, Betsy Mynherr; Board of Trade Harry Goldberg and Glenn Lane; Ministry, C. L. Cooper; B. H. Kase; A. E. Landolt; Bill Moore; Rowan County Womens club—Mrs. J. W. Holbrook; City restaurants—Frank Laughlin; City—N. E. Kennard, mayor; Ky Fire Brick Co.—C. B. McCullough; Lee Clay Products—John Palmer, vice chairman; Morehead Womens club—Mrs. Rice.

College girls—Ester Robinson Shows—Warren R. Shafer; American Legion—F. D. Wellman; Selective Service board—J. R. Wendell.

Chemistry Instructor She won her masters degree in arts from Mt. Holyoke college in Massachusetts. She resigned her position as junior physicist at Wright air plant in Dayton, Ohio to join the Morehead staff prior to holding that position. She was science instructor in the Fayette county schools.

Dr. Keller, who left Morehead last week and has already been in the department of physics at the University of Michigan, was granted a leave-of-absence last summer to do research at Ann Arbor, Michigan.

Dr. W. C. Wineland, who holds his doctor's degree in physics from the University of Kentucky, has been named successor to Dr. Black as head of the department of physics. Dr. Wineland rejoined the Morehead faculty in 1940, after a year's leave for doctorate study.

Man Killed At Farmers

ness as wires were torn down with the poles.

Mr. Celler was on his way to his home in Winchester after delivering a load of scrap iron to the Ashland market and was accompanied by his son. Another truck, drivers name not available, struck the Center truck forcing him off the highway and into the poles at the side of the road.

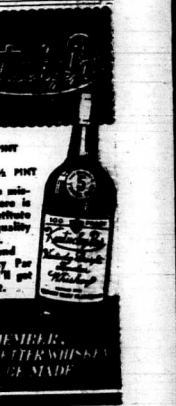

The Ferguson Funeral Home has charge of funeral arrangements.

CARD OF THANKS

With sincere appreciation we wish to thank many friends The American Legion and Auxiliary, the Lane Funeral Home Mr. C. B. Purter the choir and all for the floral offerings and for their expressions of sympathy and assistance rendered in the death and burial of our beloved husband and father, Les Ward and Family Mrs. Les Ward and Family
