THEATERS AND WORLD AFFAIRS

It seems doubtful if the trouble to poll the population of the United States that most people believe to be the most, the world said that that almost every individual in this place would solve the problem of the world's population.

It would be divided roughly into two parts—the "drama" and the "comedy." There is perhaps a third group that combines the drama and the comedy, the "tragedy."

The library will be open three afternoons from 1:30 to 3:30 p.m. on Wednesdays, Thursdays and Fridays, from 10 to 12 noon. When attendance drops below 100, the library will feel it is not worth "waiting" for the next day's opening. The library has discovered that we are not so interested in the library as we think we are.

This remark has been made many times by students and faculty who take time to browse in the stacks of the library. It is a pity that you do not know what you know about the library, here are a few facts:

1. How many magazines are there in the library?
2. How many newspapers are there in the library?
3. How many books are there in the library?
4. How many books are there in the library?
5. How many books are there in the library?
