

Attend Delta Pi Epaulon Meeting

Miss Alice Cox and Dr. R. J. Jennings attended the annual meeting of Delta Pi Epaulon held at the U. of Kentucky Jan. 13 and 14. The Nu Chapter of the University was well represented from 18 chapters at this meeting.

Delta Pi Epaulon is an honorary fraternity for graduate students in business education and is an active force in each state in attempting to raise standards and improve instructions in commercial subjects on both the high school and college level.

Portrays Home Ec Achievements With Displays

By Billie Jo Miller

The Home Economics Department is offering opportunities of special nature to its students. Each class is divided into groups that take the responsibility for creating one display. This helps the student develop some new habits that will be of benefit in the future.

They are: (1) Originality, (2) Learning to work in a group, (3) Accepting responsibility, (4) And learning to talk before a group of students with the exhibit is explained in class.

The Textiles Class sponsored five displays. From the Sheep Back to your Back, 3. Handwoven Articles, 4. Unusual Designs in Fabric, 5. From Fiber to Fabric.

The Consumer Problems Class sponsored four displays. 1. Can Sizes, 2. Buying Sheets, 3. Buying Shirts, 4. Price Trends in Foods and the Elementary Foods Class displayed Christmas cookies.

Plans will be made early in the next semester for displays to be made in the variety of the next semester.

An announcement will be made from time to time through The Trail Blazer so that you will know when the displays are ready for exhibit. Visitors are welcome.

Breck Easily Upsets Clark County 49-34

By Francis E. Appel

Tuesday night Bobby Laughlin's Eagles plastered Lecher Norton's Clark County Cardinals 49-34. In the third quarter, the Cardinals were unable to play because of a back injury sustained during a practice session.

The Blue and Gold held the lead throughout the game, leading by as much as 17 points and never less than five. During the first quarter the Eagles racked up 14 points to the Cardinals 14 to 0.

The second period saw Breck make 12 more to make the half time score, 26-18. In the third period the Cardinals managed to hold the Blue and Gold down to 11 points, but in the fourth and final quarter the Eagles outscored the Cardinals 14 to 0.

Breck will not see any more action until February 12 when they meet Dayton High in the college gym. The Eagles have lost one home game in the spring. Their season's record stands at 12 wins and five losses.

Fees of \$6 for students and \$10 for non-students will be charged for those taking the latter examination. Dr. Croft said, persons who apply for registration forms later than Tuesday will be charged a late registration fee of one dollar.

Examinations For Medicine Students Set

Dr. Lyle W. Croft, director of the University of Kentucky Personnel Office, has announced that the graduate record examination for persons planning to enter medicine or other professional graduate schools this year will be given February 3.

Persons desiring to take this examination must apply for registration forms no later than Thursday, he said. The forms may be obtained at Room 304, Diet Administration Building.

Dr. Croft also announced February 18 as the date for the national teachers examination. Registration forms for this material may also be obtained at the UK testing service.

Fees of \$6 for students and \$10 for non-students will be charged for those taking the latter examination. Dr. Croft said, persons who apply for registration forms later than Tuesday will be charged a late registration fee of one dollar.

\$1,000 In Prizes Offered In College Fiction Contest

PRIZES: Each of two winners receives \$500 for all rights and publication. The winning story will be published in the March issue of the magazine. We reserve the right to buy other acceptable stories at our regular rates.

RULES: Eligibility: Women undergraduates only. Stories which have appeared in undergraduate college publications also acceptable but only if they have not been published elsewhere.

Length: 3,000 to 5,000 words. Format: Typewritten, double spaced, one side of paper only accompanied by contestant's clearly marked name, home address, college address, college year.

MLE assumes no responsibility for manuscripts, will return only those accompanied by stamped, self-addressed envelope.

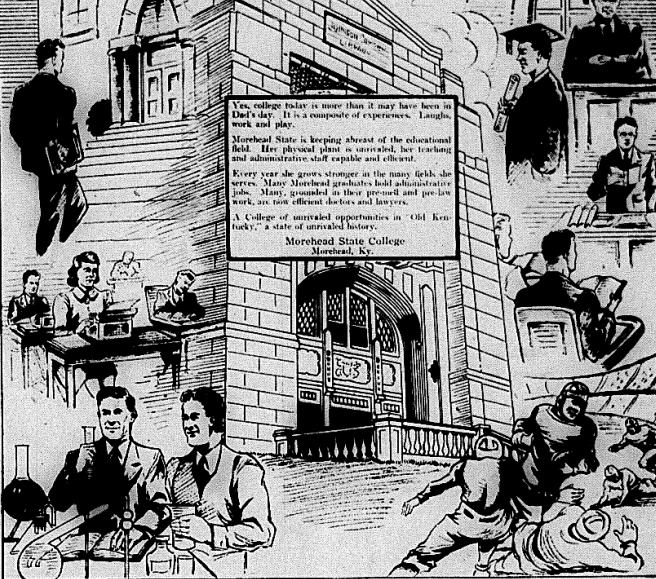

Judges: MLE editors, whose decision will be final.

DEADLINE: Entries must be postmarked no later than midnight, April 5, 1960.

SUBMIT TO: College Fiction Contest, MADEMOISELLE, 122 East 42 Street, New York 17, New York.

News Republishes Letter From Omaha Newspaper In Which Engineer Says "Please Don't Try It Again"

The following letter is re-published from the Omaha World-Herald to remind many drivers as possible of their serious responsibility to drive carefully. It is a letter which follows human beings may depend on it.

A railroad engineer whose train nearly crashed into a car at Fremont last Sunday, Tuesday addressed an open letter to the youth and his girl in the car.

His letter, sent to The World-Herald, says: "I don't know who you are, it's true, but I do know you were scared to death Sunday evening near 9 o'clock when you drove your car across directly in front of a speeding passenger train. It was so close, that I in the cab could see the young girl, (your sweetheart, I presume) throw her hands up in front of her face and cringe up against you in a stark horror."

"If I were that girl, I'd pull away from you, fast. You don't have good sense, son. You probably say you love her. I wonder. Those we love we try to protect. But not you."

"Wouldn't that be a nice Christmas present to hand your father—a broken and battered body? And how do you think we in the cab of that engine would feel? We are human beings. We have young ones waiting at home for us to return. We, too, could have been killed."

"You and your girl were one beyond saving. I hope you read this and know it means you, and that your girl will, too. You go driving, stop and look. We don't want to hit you but we are helpless as we cannot avert our eyes from our given rail."

"If I were you son, and you, too, as I would thank God for that split second he granted you Sunday evening, I would never go for all when I realized you were going across. Perhaps that is why you are still alive."

Now think it over, both of you. And I'll bet you are both grim as outlined by the KEA at their meeting of January 12, 1959.

"And, please, for God's sake, don't try it again!"

Here is the story behind the letter: This writer of this moving plea for safety did not sign his name and disclosed his name before the World-Herald.

It wasn't until weeks later that his identity became known. A neighbor learned that he was the author who wrote the paper and disclosed his name before, as she said, "It was too good a story to hold on to."

Next day the Union Pacific engineer took the day off. He donated a white shirt and went to face the music in the office of the railroad's safety engineer. It was a sweet music for the railroad's executives had been searching frantically to find the name of the author of such an eloquent plea for safety.

They learned that his name was Chester E. Bell of Council Bluffs, Iowa, 30-year old father of a son and a daughter.

Yes, college today is more than it may have been in Dad's day. It is a composite of experiences. Laughter and work and play.

Morehead State is keeping ahead of the educational field. Her physical plant is unrivaled, her teaching and administrative staff capable and efficient.

Every student's year is stronger in the many fields he serves. Many Morehead graduates hold administrative jobs. Many, grounded in their present and previous work, are now efficient doctors and lawyers.

A College of unrivaled opportunities in Old Kentucky, a state of unrivaled beauty.

Morehead State College, Morehead, Kentucky.

Fraternities And Sororities Are Scored As Evils On Any American College Campus

The dangerous influence wielded by fraternities and sororities on college campuses is greater today than ever before, according to Mrs. Glenn Frank, widow of the former president of the University of Wisconsin and a former sorority member, who has just published the results of a special investigation of the February issue of Pageant Magazine, now on sale.

In "Citadels of Snobbery," Mrs. Frank warns that sororities and fraternities promote a "completely un-American, undemocratic caste system."

She charges that the fraternity and sorority practice of screening to wipe out "fraternities and sororities by legislative act. If we fail to do this, she asks, how can we expect democratic leaders to emerge from colleges and universities which have decried that ideal?"

While she is spending billions abroad to save democracy, Mrs. Frank urges us to spend something at home to insure democracy. She calls on the parents of America to get their legislature to wipe out "fraternities and sororities by legislative act. If we fail to do this, she asks, how can we expect democratic leaders to emerge from colleges and universities which have decried that ideal?"

KEA Threatens Strike On February 11 If Legislature Increases Appropriation Increase

Teachers Up In Air Over Elements' Budget Proposal

Following a mass meeting at Morehead State College, the Eastern Kentucky Education Association adopted a resolution calling for closing of schools on February 11, if the legislature of Kentucky has not by that time, voted an additional \$12,500,000 appropriation for the common school fund for teachers' salaries, and if a majority on the state capital for the Governor Earle Clements for additional funds.

An increase in the tax on beer from \$1.50 to \$3.00 a barrel, estimated to yield \$1,718,000.

An increase in the tax on cigarettes from two to five cents per package, estimated to yield \$750,000.

An increase in the paritumal tax from three per cent to ten cents, estimated to yield \$1,582,000.

An increase in the production tax on whiskey from five to ten cents per gallon, estimated to yield \$3,500,000.

It is understood that such taxes be earmarked for the common schools for the biennium 1959-62, only if the budget bill as finally adopted does not include the full appropriation for the common schools for the biennium 1959-62, or a supplementary budget, is not adopted prior to February 11, while they work.

The resolution declared that the teachers stand united on our great fight for the children in Kentucky. In the event no measures are enacted which will supply the necessary funds, we will change our program of instruction to a program of adult education in which the teachers will send their pupils home after February 11, while they work.

Eagles Win Two Games On Road Trip

Morehead Captures OV Tech From Tennessee Techy Down Union

The Morehead College Eagles continued from a four-day road trip with a 3-0 victory over Tennessee Tech, 56-37 in an OVC tilt and a 2-0 victory over Union, 35-23.

Playing in Cookeville, Tenn., Saturday, the Eagles jumped in the early lead, 20-0 and it didn't take an easy night for the Tech boys were out of the game and before the half had ended came to 34-0. The Eagles led at the 20:00 in the second half Tech went ahead of the Eagles but neither did they let the Eagles get very far ahead of them. The Eagles led at the 10:00 in the second half and went on to win 56-37 in a crowd-thrilling game. Sonny Allen led the pack for the night with 30 points.

Coach Johnson took his Eagles to Cookeville, to Barbourville where the Blue and Gold won their first game of the season, 79-63. Again Morehead jumped into an early lead and again it was cut down before the half ended—the Eagles led at half, 33-24.

Sonny Allen Faces Eagles In Scoring

John "Sonny" Allen, Morehead's veteran guard, is currently leading the Eagles scoring race and is also up among the top scorers in the nation. Sonny has played in 13 games, averaging 17.7 points per game. His average is 17.7 points per game, a 3.3 game that average. In six conference games played Sonny has scored 117 points for a 19.5 average.

Don Miller has played in eight games and has totaled 127 points, averaging 15.9 points per game. Other Eagles to watch are Jack Baker, who has scored 100 points in 13 games for an average of 7.7 points per game.

This picture was taken while the boys at "Campus Club" initiation sang "Old Baldy Joe." Front row, left to right: John Trimble, James Gabbard, Ronnie Irvin, Rick Poyser, Jack Osborne, Marvin Rameberg, Harold Bellamy, and Melvin Powers.

Morehead Five To Battle Marshall

Eagles Seek Revenge In Tuesday Game With Thundering Herd

The Morehead College basketball team will look for a revenge game when they play Marshall on Tuesday night. The Eagles lost to the Thundering Herd of Marshall College, 61-40, in a game played on January 17, when they played host to the Thundering Herd of Marshall College.

This will be a revenge game for the Eagles as they were defeated by Marshall one month ago. The Blue and Gold came home from Huntington smacking from a 100-40 set back. The Eagles maintain that the Herd is better than they are and will be out next Tuesday to prove it to the home fans.

Coach Ellis Johnson will probably be starting three freshmen in the Eagle lineup for the rest of the season. Elza Whalen, a freshman guard of Mayville, has definitely broken into the starting lineup. It was announced by Johnson this week. This addition puts the freshman in the majority on the Eagle starting five. Jack Baker, 6-1 forward, and "Wild" Bill Stubbs, 6-2 forward, are the other two freshmen currently holding down starting berths.

Jack Baker's jumping qualities make his 6 foot 1 inch equivalent to many a 6-5 basketball player. Baker, considered by many as the future star of the OVC, gets up in the air so far that he is able to "dunk" the ball in the basket.

Sonny Allen, the high scorer on the Eagle squad, increased his scoring average to 20 points per game on the latest road trip. Sonny dumped in 30 points in his high for the season against the Tennessee Tech quintet, and Monday night he added 24 points in the Eagles' loss against the Union College five.

On Jan. 25, the Eagles will travel to Mayville where they will meet the Cardinals of the Lathrop. Morehead has organized this game as one of the last of the season. It was announced that the only tickets for the game are on sale at the Balfour Drug Store. It was announced that the only tickets for the game are on sale at the Balfour Drug Store. Sports In Breck

By French Apal

Last night at Grayson, Coach Bob Laughlin's Breck Eagles defeated Grayson High 45 to 43 in ten wins and only three defeats. The contest was one of the toughest that the Blue and Gold has had so far this season as the Eagles changed hands nine times during the ballgame. This was dominated by foul shooting as there were 34 penalties called against Grayson and 16 against Breck.

Joe Clemmons was the hero for the Eagles as he chipped in 16 points. Dicky Stiggs was second highest with 14 points. Tom Holbrook who racked up nine points before leaving the game early in the third period.

Last Friday night Breckmen swamped Morehead 68 to 32 in a game played mostly by subs. The Eagle benchwarmers scored more points for the amount of time that they played than did the first five. Last night's score was 32 to 12 in favor of Breck.

On Tuesday night when the Eagles had seen their third defeat at the hands of Ovington, the contest, which ended with a score of 50 to 32 in favor of the victors.

This game almost proved to be an upset as the Eagles had led throughout most of the game. The first quarter score was 12-10 in favor of the Eagles. At the end of the third period Clark County grabbed the lead but was overtaken by Breck during the last quarter.

The Breck Eagles had a few pulled ahead in win 50-37. The contest was drawn up to have a great time of it when they meet Breck on the Eagles' home floor at Grayson. The Eagles have not lost a home game since last spring. They will meet the Cardinals here on Jan. 24 when they will be Breck's next game.

The Eagles defeated "Shrimp" Family last Friday night on the Lathrop. Morehead has organized this game as one of the last of the season. It was announced that the only tickets for the game are on sale at the Balfour Drug Store.

Steamrollers Down Morgan County; PEM, Knickers Tied For Intra-Mural Lead

The Steamrollers started the New Year off right by downing Morgan County 44-24 Wednesday night in a basketball game. The Steamrollers scored with a field goal, Morgan County, Frayley scored a 3-point shot. Morgan County, Frayley scored a 3-point shot. Morgan County, Frayley scored a 3-point shot.

Reorganize 'M' Club On Campus At Morehead

The newest club on the campus is the Varsity "M" Club. It was organized by the students who have earned an "M" in their Varsity sport or activity while attending Morehead College.

Officers were elected at the last regular meeting. Matt Pryor was elected president; Claude Mills, secretary-treasurer; and Paul Kennedy, secretary.

An initiation will be held one for new members. One of the main purposes of this club is to create interest in Varsity sports and to encourage students to participate in Varsity sports.

Very student of the campus has by this time read and heard a notice to this effect or have seen the notice. The notice is a reminder to the students to wear the wearing on the campus, of letters and emblems, earned in Varsity sports.

Sports Roundup

By BILL BALE, Sports Editor

It became apparent last week that Jim Siple, star end on the Eagle football squad, played his last game of the football season with a chipped bone in his hand. He not only played a football game but also been active in intramural basketball. Jim decided to get an X-ray last week, and the picture disclosed the bone injury. "What do you know about this?"

Another bad blow was struck in the Eagle basketball camp last week as Marvin Meyer's doctor ordered him out of basketball for the season. Marvin is now under the care of his physician. Don Miller, another Eagle basketball star, was put on a restricted activity, by his doctor, earlier in the season.

Louisville game, which will be played at Mayville, Jan. 23, are now on sale at Balfour Drug Store. There are apparently the only tickets left for the contest so if you plan to see the game it is advised that you get your tickets now.

We are proud to know that the varsity athletes on the campus have organized themselves in the form of the "M" Club. There are many values, along with athletic achievements, to be derived from such an organization. We are certain that the entire student body will support their efforts in their new venture, the same well-qualified gridiron, on the hardwood, and on the diamond.

The Eagles lost four of their starters via the personal foul routine. Allen, Marvin Richards, and Whalen—while left the Eagles in a big hole. The Maroons continued to increase their lead and went on to win by seven points in a defensive play.

INTRAMURALS IN REVIEW

By Paul Kennedy

The four weeks lay-off didn't seem to bother the intramural basketball teams very much because all they played their hearts out last Wednesday night.

But we are still wondering how the teams did. The fact that the PEM Club has had to have down to one person as the only player left in the team.

Tom Holbrook was high point man in the basketball game. He scored 15 points and was the only player to score in double figures.
