

Attend The Annual Fall Festival And Baby Beef And Cattle Show In Morehead Tuesday

The Morehead Independent

"ONE OF KENTUCKY'S GREATER WEEKLIES"

VOLUME 10

MOREHEAD, KENTUCKY, THURSDAY MORNING, SEPTEMBER 28, 1944

NUMBER THIRTY-NINE

Slight Increase In M.S.T.C. Enrollment

President W. H. Vaughan announced today "slight increase" in general enrollment at Morehead State Teachers College for the fall term and a marked increase in registration of freshmen. First classes were held Tuesday.

Vaughan said that "eight or ten students" who have served in the armed forces are among the enrollees, and that more are expected.

Enrollment for the fall term last year totaled 250.

Kentucky High Schools Lose Attendance Steadily

Attendance in Kentucky junior and senior high schools, including that of the city and county areas, dropped steadily during the past three years, the U. S. Department of Labor said this week.

At the same time they pointed out that the number of youth certificates issued by employment agencies for full or part-time employment increased.

The attendance drop from the school year 1940-41 to 1942-43 was 13.44 per cent in daily attendance with these figures given for the states: 1940-41, 119,631; 1941-42, 116,627; 1942-43, 103,542.

To The Voters Of Rowan County:

I am a candidate for the office of County Judge to be voted for at the coming regular November election. This is for the unexpired term of the Honorable Dan Parker, deceased.

There are some things that all voters want to know about a candidate before casting their vote. I want to state to you that I am a candidate who has the right to a fair trial and I want to state to you that I am a candidate who has the right to a fair trial and I want to state to you that I am a candidate who has the right to a fair trial.

I was born and reared in this county. I attained an eighth grade education, and owing to financial circumstances, I was unable to go higher, but by observing and experience I have tried to educate myself to understand the affairs of county government, since I have been Magistrate for seven years and have a natural attention to this work. My experience as such officer qualifies me to discharge the duties of County Judge in an intelligent manner. When I became Magistrate the County was in debt and could not pay its bills and it was through my policy of frugality to use the county's funds in an economical manner, to spend less than we look in, in order to have enough left over to pay the county's debts. At this time the county is getting on a firm financial basis. We are able to pay all our current expenses and anyone dealing with the county does not have to wait for their pay but as soon as the county incurs an obligation it is able to pay the same and thus we are able to buy our supplies cheaper and get work done more promptly and in a more satisfactory manner. I am a firm believer in the roads and have taken much interest in the roads, however, this year the Fiscal Court, owing to the management of the Rural Highway, have been unable to have much to say in this matter.

If I am elected as County Judge I promise that at the end of my term that the county will not owe one cent except for bonded issues, and that all claims that are outstanding against the county will be fully paid and I promise that I will at all times be in my office and will devote all my time to the work. Anyone having business with the office of County Judge will find me at this office every day.

I may not be able to meet all of the voters but trust that the promises that I make in this statement will meet with the approval of all and that you will give me candidacy a careful consideration before you vote.

Respectfully,
HENRY COX.

National War Fund Drive To Open In Ky. Oct. 2

Goal Of \$1,406,000 Is Announced For State

The National War Fund Drive in Kentucky opens officially October 2, for a goal of \$1,406,000. Dr. Frank McVey, campaign chairman, announced this week. Simultaneous kick-off meetings will be held in Lexington with Miss Lee Reed, *Norwegian* magazine editor and speaker, in Pikeville with Dr. Robert Goffin, noted Belgian criminal lawyer and speaker, and in Owensboro with Madame Denise Devey, vice president of the Fighting French Relief Committee as speaker.

All three of these speakers were active in their own lands in work against Nazi aggression. Dr. McVey pointed out. Two of them, Miss Reed and Dr. Goffin, escaped the Gestapo by means of the underground in Europe, and all of them have first hand information to give on what Nazi domination would mean to our country.

"Kentucky is organized for this campaign in behalf of USO and USO-Camp Shows, for the benefit of war prisoners throughout the world for aid to those who have lived the goods of war to our fighting forces, and for relief such as medical supplies, food, clothing and shelter to the refugee people of the United Nations," Dr. McVey said.

On every hand, the chairman said, a spirit of enthusiasm and of personal responsibility to the success of the campaign is apparent. He predicted that Kentucky would more than meet its obligations in the drive.

"The war is by no means over. We must hold our celebration of success to that day when we can without reservations acclaim victory against Nazi aggression, half-progression and aggression," Dr. McVey said. "Our military leaders all say that so long as our men are out of the war, we must not keep fighting. We must not let them down. The twenty districts of the state are completely organized and some have already started their drives."

4-H's To Assist In Fire Prevention Week, Oct. 8-14

Four-H Club boys and girls are encouraged to take part in Fire Prevention Week, Oct. 8-14, to help reduce the annual loss of 3,500 lives and \$100,000,000 worth of property in fires in American farms. More than 85 per cent of these fires were preventable, according to authorities.

Many of the rural youth in this state are enrolled in the Mennen 4-H Farm Safety Activity, one objective of which is to have participants check and remove fire hazards on their own and neighboring farms. During Fire Prevention Week, the 4-H's may make an end of the year survey to help eliminate every possible hazard as a protection to farm families and properties. Meritorious work in fire safety program in 1944, county, state, sectional and national levels with medals, War Bonds, National 4-H Club Congress trips, and 6200 college scholarships, respectively. A plaque also will be presented to the county reporting the most outstanding 4-H fire safety program in 1944.

Fire prevention experts report that usual causes of farm fires are defective heating and electrical equipment, chimneys or brush roofs, spontaneous combustion of hay, carelessness in smoking and smoking in barns, and improper storage of gasoline and kerosene.

Rationing At A Glance

Processed Foods

If you are considering some food gifts for men overseas, send only what you know will keep. This is the recommendation of Miss Lorraine Harris, county extension agent, to the county 4-H club members.

Local Church To Hold Leadership Institute Oct. 1

On Sunday, October 1, the Morehead Christian Church will have a Leadership Institute in the interest of the officers and teachers of the congregation. The meeting will begin with the regular Sunday School program and continue through a vesper service at 6:30 p. m. The schedule of the afternoon program is as follows:

2:30-3:30—Class Session
3:30-4:00—General Assembly
4:00-5:00—Class Session
5:00-6:30—Supper and Period of Fellowship.

There will be classes for the following groups: Children's teachers and leaders, led by Miss Harris; youth leaders, led by Mrs. Tom Collins, director of state youth work; adult leaders, led by Mr. Charles L. Brooks, state secretary of the Christian Churches of Kentucky, members of the official board, led by Dr. George V. Moore, director of church development, Christian Churches of Kentucky.

Mr. Brooks will speak at the morning worship service at 10:45 a. m. and Dr. Moore will speak at the general assembly at 3:30 p. m. The vesper service will be given by the Rev. Charles E. Dietz, pastor.

The Womens' Council is in charge of the picnic supper. Board members are urged to give for the service of the Institute, and the members and friends of the church will attend the vesper service instead.

Easing Of Restrictions On Lumber Sales Urged

Relaxation of lumber controls to permit the sale of more lumber on orders lacking priority ratings or without priority ratings, has been urged by hardwood and softwood producers, the War Production Board has reported.

Daniel S. Moore has indicated that steps already are being taken to make some modification to relieve hardship on certain mills, particularly the smaller operators but there was no hint of what these steps might be.

Members of advisory committee representing both hardwood and softwood lumber manufacturers and softwood loggers told W.P.B. officials at a closed meeting yesterday that in some cases lumber should be set aside for sale to farmers and large industry groups that had not been purchased in quantity previously estimated.

Before any such steps are taken, it was stated, and some of these have given warning that they must shut down.

The Pacific Overseas Air Service, which is a subsidiary of the Army, has been authorized to transport military personnel and supplies to the Pacific. This station is the hub for the fliers in the South Pacific. Through any station he receives his plane, his repair parts, his supplies. These are the main factors why the WACS are

Army Issues Call For Qualified Women For WACS

During the past few weeks the question has arisen "The war is over, what are we going to do with the Army need any more WACS?"

It is in dire need of qualified women to answer the call that it is now putting forth. The Surgeon General of the United States Army has put in a request for 21,000 capable and qualified women to serve as Medical Technicians in the Army.

These women are needed in various capacities returning from battle fronts around the world. Some of the many duties she will perform are: X-ray technician, laboratory technician, occupational therapy, psychiatric social worker, orthopedic technician, medical stenographer and medical scribes. Each one of these jobs is necessary in the great task of bringing the soldiers that are wounded back to normal.

The Army Force, the Air Transport Command, the Army Ground Force and the Army Service Force are in need of qualified women as stenographers. The women are also needed in various capacities returning from battle fronts around the world. Some of the many duties she will perform are: X-ray technician, laboratory technician, occupational therapy, psychiatric social worker, orthopedic technician, medical stenographer and medical scribes. Each one of these jobs is necessary in the great task of bringing the soldiers that are wounded back to normal.

Game Warden Examination To Be Held Here Oct. 10

Dates for civil service examinations for game wardens in each of the 15 congressional districts were announced this week by Director Earl Wallace of the Game and Fish Division.

From six to ten wardens will be selected in each district. Examinations will be open to all men 55 years of age and under, but the five limit will not apply to present wardens. The minimum salary will be \$135 a month.

Examination for the Eighth District will be held at Morehead State Teachers College, Morehead, October 10.

On the same basis, Leo J. Sandmann was assessed \$308 as 1940 income tax agent, \$11 more as a deficiency claim against John C. Wickliffe Jr. for a lump \$14,004 paid him in 1940 for work done over a period of years dating back to 1930.

Each claimed to the right, to have the sums distributed over income tax years up to 1940. Kentucky's income tax law has been in effect since 1936.

The judge's decision would make the State Revenue Department pay returns for the years covered by deferred payment.

Heien Stevenson, counsel for the State Revenue Department, said the decision would be taken to the Court of Appeals for a final ruling.

She said the decision, if sustained, it would seem to be far-reaching in effect, especially in the case of lawyers and others paid on a fee basis when payment of their fees is delayed.

Plans Completed For Cattle Show, Harvest Festival

\$500.00 In Prizes Will Be Given Away Oct. 3

The Rowan County Harvest Festival and Baby Beef and Cattle Show will be held Tuesday, October 3, at the Morehead Stockyards. This will be the second year that the two events have been held on the same days and at the same place.

The total cash prizes for the 1944 festival and cattle show will be \$500.00, an increase over last year's amount. This year's program is expected to be much larger and more successful than last year's.

The day's activities will begin at 11:00 a. m., Central War Time, with the Baby Beef and Cattle Show. All entries for the Harvest Festival will be open to all men 55 years of age and under, but the five limit will not apply to present wardens. The minimum salary will be \$135 a month.

Examination for the Eighth District will be held at Morehead State Teachers College, Morehead, October 10.

W.L.B. Order Ends Strike At Olive Hill

Employees of the Harbison-Walker Refractories Company, who have been idle since September 22, returned to their jobs yesterday in response to a back-to-work order by the regional War Labor Board at Cleveland, General Manager H. DeHart said.

Employees of the near-by General Refractories Company, who also were directed by the regional War Labor Board to return to work, remained idle. Approximately 300 persons are employed in the two concerns.

DeHart said he did not know the reason for the failure to resume production at the General Refractories plant.

He said the men, members of the A.F. of L. Union, and Clay Workers Union, quit work in a dispute over the rate of pay for hauling burned brick.

Some of the many duties she will perform are: X-ray technician, laboratory technician, occupational therapy, psychiatric social worker, orthopedic technician, medical stenographer and medical scribes. Each one of these jobs is necessary in the great task of bringing the soldiers that are wounded back to normal.

The Army Force, the Air Transport Command, the Army Ground Force and the Army Service Force are in need of qualified women as stenographers. The women are also needed in various capacities returning from battle fronts around the world. Some of the many duties she will perform are: X-ray technician, laboratory technician, occupational therapy, psychiatric social worker, orthopedic technician, medical stenographer and medical scribes. Each one of these jobs is necessary in the great task of bringing the soldiers that are wounded back to normal.</

ROWAN CIRCUIT COURT

C. B. Lane, Adm. of the Estate of Jennie Sackett

NOTICE OF SALE

By virtue of a judgment and order of sale of the Rowan Circuit Court, rendered at the Sept. 2, 1944, Rule Term thereof, in the above styled cause, I shall proceed to offer for sale, at the courthouse door in Morehead, Kentucky, to the highest and best bidder, at public auction on Monday, October 2, 1944, between the hours of 11:00 a.m. and 2:00 p.m. upon a credit of six months, the following described property, to-wit:

A certain tract or parcel of land lying and being in the City of Morehead, Rowan County,

Kentucky, on College Street and being a part of the same land conveyed to Jennie Haney by deed of date of October 1st, 1913, bounded and described as follows: Beginning at a set stone on College Street or street running in front of the lot herein conveyed and at the corner of the alley which runs between the lot hereby conveyed and the lot formerly owned by Thomas Farran; thence with said College Street, a Northeast course 43 feet to a set stone in the edge of the line of said street; thence turning and running a northwest course a distance of 130 feet, more or less, to the corner of a lot sold to Gracie Honaker by deed dated September 2, 1927 and recorded in Deed Book No. 41 at Page 89, Rowan County Record of Deeds; thence with the line of said Honaker lot a distance of 45 feet to the line of a lot formerly owned by Mick Rose; thence with said line a distance of approximately 130 feet to the beginning corner.

NOTICE OF SALE

By virtue of a judgment and order of sale of the Rowan Circuit Court rendered at the September 2, 1944, Rule Day, Term thereof, in the above cause, 1944, I shall proceed to offer for sale at the Court House door in the City of Morehead, Kentucky, to the highest and best bidder, at public auction on the 2nd day of October, 1944, at One O'clock P. M., or thereabout, upon a credit of 6 months, the following described property, to-wit:

A certain tract of land, lying and being in Rowan County, Kentucky, on the north side of Triplett Creek and bounded and described as follows: Beginning on a small white oak and set stone at the County Road; thence in an easterly direction to corner of William Moore's fence to hickory and black gum; thence an Eastern course with said fence to the top of the bluff, at the head of a small drain; thence North with the brow of the hill with a marked line to the Wiloughby Branch; thence a west course with Baldwin and Carey line to a white oak at the county road, thence with county road to the beginning, containing 40 acres more or less. This being the property conveyed to the Farmers Fruit Farm Company by Green McGuire, and wife, by deed dated June 17, 1916, which deed is duly recorded in Deed Book No. 22, Page 318 of the Rowan County records.

Or sufficient thereof to produce the sum of money so ordered to be made. For the purchase price the purchaser must execute bond, with approved securities, bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms.

NATIONAL FOREST TIMBER FOR SALE Sealed bids will be received by the Forest Supervisor, Winchester, Kentucky, up to and including Oct. 21, 1944 at 10 A. M., for all the merchantable timber marked or designated for sale on an area of about 350 acres on the Waters of Big Run Branch of Rock Fork of Triplett Creek, U. S. Tract 884 (J. Evans Tract), Rowan County, Kentucky, in Commission 1, Red River W. C., Cumberland National Forest, estimated to be 141 M bdft. of Mixed Oak; 55 M bdft. of Black and Red Oak; 12 M bdft. of Chestnut and White Oak 42 M bdft. of Pitch Pine; 12 M bdft. of Short Leaf Pine; 5 M bdft. of Poplar, Basswood and Cucumber; 13 M bdft. of Others; in all 318 M bdft., more or less. The above volumes have been estimated in the standing tree and will be accepted by the purchaser as final. No bid will be considered for less than \$3.25 per M bdft. for Mixed Oak; \$5.25 per M bdft. for Black and Red Oak; \$6.25 per M bdft. for Chestnut and White Oak; \$7.50 per M bdft. for Pitch Pine; \$5.25 per M bdft. for Short Leaf Pine; \$9.25 per M bdft. for Poplar, Basswood and Cucumber; and \$3.25 per M bdft. for Others. In addition to the price bid, a sum of a cooperative work deposit will be made of \$ 35. per M bdft. for all hardwoods and \$ 25 per M bdft. for all Pine sold from this area, to be covered into the Treasury of the United States for Stand Improvement work. In further addition, a cooperative deposit of \$ 35 per M bdft. will be made for Brush Disposal on all Pine sold from the area. Each bid must be accompanied by a check for \$500.00, to be applied as the first payment on the purchase price, or refunded or retained whole or in part as liquidated damages, according to conditions of sale. The right to reject any and all bids is reserved. Bids will be made on the basis of the greatest net return to the Government. Before bids are submitted bidders should examine the sale area which timber to be cut has been marked and should obtain full information concerning the timber, conditions of sale and submission of bids from the Forest Ranger, Morehead, Ky., or the Forest Supervisor, Winchester, Ky.

and for processing, will be brought under price control for the first time soon, the OPA said this week. Advance announcement of the forthcoming maximum prices is being made, OPA said for the information of both buyers and sellers. Although not all of the distributive mark-ups have been finally determined, the agency said that the highest retail ceilings are expected to be about 40 cents per pound.

"B-3" and "C-3" gasoline ration coupons will be invalid for motorists after Sept. 30, the OPA announced this week. At the same time "T" coupons marked "3rd qtr." will expire for commercial motor vehicle operators. Filling station operators will have ten days, or through October 10, to turn them in to their supplier for gasoline or exchange them at their local War Price and Rationing Board for ration checks. Distributors have until October 20 to deposit these coupons in their ration bank accounts. Holders of invalidated "B-3" and "C-3" coupons which were issued for use beyond Sept. 30 may exchange them for valid coupons at their local Board.

The Board may either issue new coupons equal to the amount of gasoline still outstanding on the old ration, or may evaluate the applicant's mileage needs and issue coupons sufficient for the remainder of the ration period, but not in excess of the coupons surrendered.

This Week In OPA

Consumers who are badly in need of coal or wood cooking, heating stoves, and who are eligible under the present regulations, were urged by the Lexington District OPA office this week to procure certificates from their local War Price and Rationing Boards and purchase the stoves before October 15. On that date stoves will go off rationing and there is likely to be a rush to buy stoves, with the result that some who really need them may not be able to obtain them, OPA said.

Blue tokens will be accepted by retailers only in groups of 10 from now until Sept. 30, when they become invalid, E. Reed Wilson, District OPA director, announced this week.

Use of blue tokens is being discontinued because post values for processed foods are being set in multiples of 10 and tokens are no longer needed.

Housewives having fewer than 10 tokens may pool them in order that all tokens may be used before Sept. 30, and retailers will have nine days after that date to deposit tokens in ration bank accounts or exchange them in multiples of 250 for ration checks or other forms of ration currency. Cranberries, both for fresh use

Army Issues Call--

(Continued from page 1) still needed. After a thorough analysis of the above the aforementioned question should be answered. So let's answer our country's call and help preserve that which it has afforded us so bountifully in the past years. Freedom is worth fighting for.

TWO WAYS OF LIVING

(Recent American History)

WHICH DO YOU PREFER, MR. FARMER?

Which Do You Want For The Next Four Years?

1920-1932 Under Harding-Coolidge-Hoover 1932-1944 Under Roosevelt

\$7,000,000,000 FARM INCOME - VS. - \$44,000,000,000 FARM INCOME

In 1929, at the peak of the "boom," net income of American farmers was less than \$7,000,000,000. By 1932 it was down to \$2,000,000,000.

Between 1932 and 1939, even before the war, our farm income doubled.

1,817 BANK FAILURES - VS. - 45 BANK FAILURES

In 1929-1939 rural banks failed. In 1932-1939 only 45 failed.

In 1929-1939 only 42 failed. In 1943-Only three.

275,000 MILES HARD ROAD - VS. - 540,000 MILES HARD ROAD

In nine years of Harding-Coolidge prosperity only 275,000 miles of hard surface roads were built.

In nine years of Democratic administration over 540,000 miles of hard surface roads were built. Almost double the Republican record.

ELECTRICITY for One in Eight--VS.--ELECTRICITY for One in Three One farm in eight was electrified in 1920. One farm in three was electrified in 1940.

Hogs at 3c - Vs. - Hogs at 13c

Also Under Democratic Administration, for which there is no Republican Policy in the Past for Comparison.

Farm Debts, Interest Rates and Farm Taxes Reduced, Millions of Acres of Fertile Land Reclaimed and Conserved, Reforestation Begun for Future Generations.

Entries must be made before 11:00 a. m., October 3, and may be checked out after four p. m.

Dr. F. B. Miller And Family Return From Summer Camp

Dr. Frank B. Miller and family returned from their summer home in Arcadia, Michigan, on Friday, Sept. 22, with Prof. E. C. Haggan, who visited with them there since August 23. Arcadia is one of the Summer Conference Camps of the Lutheran League of the Lutheran Church. While in Michigan this summer, Dr. Miller also attended the Centennial Convention of the Lutheran Church at Saginaw in June. He also attended the convention of the Lutheran Laymen's League and the Lutheran Academy for Scholarship. Dr. Miller was elected treasurer of the Academy and thus becomes a member of the Executive Council and associate editor of The Lutheran Scholar.

Besides addressing the Lutheran Academy for Scholarship and the Lutheran Convention, Dr. Miller, with others, lectured and led discussions daily at the Summer Conference Camp. He also addressed groups at the town of Arcadia and at Manistee. Several topics up for lecturing and discussion were: "Youth's Opportunities as Individuals; as Home Builders"; "Siege and Surrender of Hong Kong"; "The Gospel of Christ—a Priceless Boon"; "Tests of Moral Judgment"; "A Self-Analysis Chart for the Home"; "This Victory of Faith"; "Music in the Church"; "Johann Sebastian Bach"; "Education for Life"; "Lutheranism Marches Forward"; and several others.

The Arcadia Summer Conference Camp has a daily program—spiritual, moral, physical, and recreational. En route home, the Millers visited with Dr. John Grebe, who is director of research at the Dow Chemical Co., Midland, and with a number of friends in Detroit.

Chemicals Make Sea Water Safe For Drinking

A seaman stranded in a life boat without fresh water or a filter forced to take to his life raft now can get a drink from the sea with two chemical compounds compressed to the size of a bar of soap and four plastic bags having a total capacity of one quart.

AT FIRST SIGN OF A **COLD** USE 666 Cold Preparations as directed

By dissolving one of the compounds in the first bag of sea water the unportable elements are eliminated. Pouring the water in to a second bag containing a filter removes the salt. The second compound in a third bag takes away

the alkali, and a filter in the fourth bag makes the water potable.

No bird soars too high if he soars with his own wings. — William Blake.

Ed Edstrom...

ED EDSTROM . . . The Courier-Journal's man of many by-lines, has just remembered that he came to Louisville on a temporary assignment . . . to pinch hit for a City Room reporter during the latter's six-weeks' absence. That was five years ago last July 3rd. It was mighty warm for July, so Ed and his bride resolved to scam out of town the minute his job was finished. But time has scampered on. The Edstroms bought a house on a quiet street, the clerk called and left a little girl, and Uncle Sam decided against putting a gun in Ed's right hand, instead in a college boxing belt.

Grandson of Swedish immigrants who brought along eleven blond, blue-eyed children, Ed's youth was spent meandering through America with his parents, seeing it swiftly changing panorama through classroom windows of no less than twenty-six grammar schools. On leaving Wayne University in Detroit, he met the depression head-on. Before his vagabond path led to Louisville, Ed had worked at many trades and on several newspapers.

His weekly features now include: "News Eddies" and "Parade of Person-Weekies" in the Sunday Pleading Show section; in Roto Magazine his "Off the Cuff" is news trivia with a chuckle . . . and readers like his interviews with wounded vets at Nichols General Hospital. Classic in its field, of course, is Ed's eminently readable daily Radio Column.

Enjoy Ed Edstrom's Swedish Smorgasbord of features in

ALLEN'S MEAT MARKET

MAIN STREET MOREHEAD, KENTUCKY

Harvest Festival & Cattle Show

You will miss one of the biggest local events of the year, if you fail to attend the Fall Harvest Festival and Baby Beef Show to be held at Morehead on Tuesday, October 3. The finest products of Rowan County farms will be on display, and the cattle exhibits will be interesting and instructive.

Local farmers and stockmen deserve much credit for the substantial contribution they have made to the war effort. In spite of the shortage of help and lack of needed equipment, the quality and quantity of farm crops has increased, and more stock has been sent to market.

This Bank is proud of the part it has played here on the home front in helping local farmers win the battle of production. Come in and see us when you come to the Festival. New friends will be welcome.
