A Services Mericans Held For All Mr. Kelly

Mr. and Mrs. S. M. Bradley, have had as guests this week their sons, Sam, Jr., who is lieutenant (jg.) who enlisted in the Navy right after Pearl Harbor. He is now Military Duty officer at Norfolk, Va., but hopes to be transferred very soon to overseas duty.
Another son, Jimmie Bradley, is in the Armed Division at Camp Beale, Calif., was home last week. He has been in the service eight months.
Phillip Bradley is in the University at Lexington. He has to go to get into the service and hopes to be called soon.
Mr. and Mrs. C. F. Frayley have been entertaining one of the soldiers son, Earl Scott, who is in the Airborne division in the Glider Infantry.
Another son, Charles, has been transferred from Camp Murphy, Ga., to somewhere in Canada. He is in the communication branch of the service.
Lt. James Butcher left Saturday to return to Luke Field, Ariz. James just completed his course and received his commission. He hoped to be sent into combat duty, but as he says "it looks like I'm stuck at Luke Field as an instructor."
John Fultz writes to his mother, Mrs. John Fultz. He is in the Coast Guard in Hawaii. He volunteered two and a half years ago and has been overseas over a year.
Another son, Samuel Fultz, is at Camp Murphy, Fla. July 28, 1943.
Dear Mother:
Received your letter today and was sure glad to hear from you. I haven't wrote soon but I keep putting it off from one day until the next.
Did Sam get back to camp all right? Sure would like to have been there. You was speaking to me about me getting a furlough, but that is not possible just now, in fact I don't think it could be arranged in no way I went about it. Well any way we can live in hopes.
I think if the war keeps going the way it has in the past few months it won't be long until we can come home. Say, I would like for you to send me Ernest Carpenter's address as I have miss-placed it somehow. I think I can look him up. I got the birth-certificate, thanks a lot, it almost went by without me realizing it. Did you get the magazine I sent you? You get it for two years.
Well there isn't much news that I can think of so will close for this time. Answer soon.
Your loving son,
JOHN.

Revival At Church Of God To Begin Sunday, Oct. 17

A revival meeting will be conducted at the Church of God during the period of October 17-20, at the Reverend H. M. Riggie, D.D. Rev. Riggie has been in the active ministry for more than fifty years. During this one-half century he has preached more than fourteen thousand sermons. He has conducted evangelistic meetings all over America and in many foreign countries in Europe, Asia and Africa. He has conducted revival meetings in the largest cities of England, Scotland, Ireland, Germany, Switzerland, Turkey and Egypt. He was a missionary in the Holy Land and Syria for a number of years. He has written over a hundred books. He is president of the Gospel Trumpet Company, Anderson, Indiana, a religious publishing house that did \$1,253,000 worth of business last year.
On Sunday morning, October 17, he will preach on this subject "The Kind of Revival needed at Morehead Ky. and How to Have It." In the evening he will preach from the subject "Absolve Certainties and Realize in the Midst of a Rapidly Changing World."

Mr. Donaldson To Speak Here Monday, Oct. 18

Lt. Donaldson, Democratic candidate for governor, will be in Morehead Monday, October 18, and will talk to the voters of Rowan county at 8 o'clock p. m. at the courthouse, according to information received by Campaign Manager, Judge Dan Parker.
A meeting was held on Wednesday night of this week to complete arrangements for the speaking and work out other details of the campaign.
Mr. Donaldson will speak in Owingville Monday afternoon.
At least one other speaking will be held here for Mr. Donaldson and the Democratic ticket when Congressman Joe B. Bates of this district will talk on Saturday night before election, October 30. This is an old custom, began many years ago, when Fred M. Vinson was Congressman from this district and always spoke to the voters on the Saturday before election.
Everyone is urged to hear Mr. Donaldson.
Margaret Shannon, daughter of Dr. and Mrs. E. L. Shannon, Morehead, is the editor of the Trail Blazer, student publication at Morehead State Teachers college.
A sophomore, she is planning to major in biology and commerce.

Red Cross Room Moved To Caudill Building

The production room of the local Red Cross is being moved this week to the room formerly occupied by the Virgil Wolford insurance company, over the People's Bank and Mr. Wilford is moving his office to the Club house, formerly occupied by the production force.
Mr. Wolford, who has been seriously ill and cannot walk upstairs is paying the rent on the room for the Red Cross, in order to make the change possible.
We will try to arrange a convenient place to leave the key to the production room. There is still a lot of sewing to be done and it is hoped that it can be completed within a short time.
If you see, come and help.
There is also much knitting still to do.

White Elephant October 23

The fifth White Elephant Sale will be held this week Saturday, October 23, with Miss Juanita Minish as general chairman.
This sale is sponsored each year by the Morehead branch of the American Association of University Women with the cooperation of the P. T. A., Morehead and Rowan County Women's clubs and members of the A. A. and other civic clubs in the county.
The money raised at these sales is used to buy art materials for the Rowan county school children.
Mrs. Naomi Claypool, head of the Art Committee at the college, and members of the A. A. W. Art committee have directed the use of these art materials to help the teachers in the county discover and develop art talent among the school children.
As a result, over 200 children are now members of the "Creative Art Club."

Cannery Completes 9025 Cans

Last week's total of 1467 cans set the record for the largest number of cans canned in one week at the Rowan County Community Cannery. The cannery closed October second with a total of 9025 cans of vegetables and chicken canned since the 20th of July. There have been so many requests for additional cans of chicken, greens, pumpkin, squash, sweet potatoes, pork and beans and mince meat, that the Cannery will be open again October 19, 20, 21 and 22. Anyone may use the Cannery at this time who so desires.
Meat canning will begin November 10 and will continue for six weeks or 24 canning days and will close December 17. Appointments are now being made for the canning of beef, pork and mutton. Anyone who plans to can meat at Morehead Ky. can meet with the committee, which is soon as possible since the number of families who can use the Cannery will be limited. Call or write Mrs. W. H. Rice, Telephone 212; P. O. Box 392, Morehead, Ky.

The first beef has been scheduled for November tenth and the canning will be under the supervision of Mr. H. P. Hilton, Supervisor of Vocational Agriculture in Kentucky. Mr. Carl Stinson, A. U. Supervisor of Vocational Agriculture, Mr. Chas. Hughes, Teacher of Agriculture, and Mrs. W. H. Rice, Cannery Apportioner for meat canning are invited to visit the cannery on this date to receive instruction and information.
The cost of canning meat set up by the Policy Committee of the cannery is as follows:
12 cents a pound.
10 cents a pint.
1 cent a quart for grinding sausage and hamburger.
The price of rendering lard has not been set.

Local Farm Makes Profit On Poultry

Roye Eldridge, Rowan county farmer, from the Sharkey community, recently reported that the 100 pullets which he started with last October the first made him a net profit of \$93.85 before they were sold in September.
Mr. Eldridge lost a few hens and he culled a few out in September he had 57. Over the period of 11 months these hens laid 16,118 eggs. Mr. and Mrs. Eldridge kept a daily record of the poultry business and found that in August they made a profit of \$104.42 which was the smallest amount of profit that the chickens had cleared. In January the chickens cleared \$40.
The other promotion went to Mr. and Mrs. Eldridge now have a nice flock of pullets and report that they expect to stay in the chicken business even though feed prices are high.

Red Cross Indorses War Fund Drive

Washington, October 14—In answer to various inquiries with respect to the opening of the National War Fund Campaign, the following statement was issued by Norman H. Davis, Chairman of the American Red Cross:
"The American Red Cross and the National and Community War Funds carry on separate drives and independent activities but they supplement each other and are united in the will to serve. In accordance with the decision of the President's War Relief Control Board, the Red Cross will conduct its 1944 War Fund next March while the National War Fund will be held this month. The Red Cross wishes the National War Fund leaders every success in their appeal."

Rev. Dietzoe To Preach Sunday

The Rev. Charles Dietzoe of Burgin, Mercer county, will visit with his wife and will preach at Sunday morning's services at the Christian Church.

Over \$3,800 Asked For War Fund

Though rural visitors to the Baby Beef Show and Harvest Festival had an opportunity to try to contribute to the Rowan County War Fund, the national campaign as fixed by President Roosevelt does not open until tomorrow, and solicitation of citizens of Morehead and the other principal communities in the county will begin a few days later.
Dr. J. D. Falls, chairman of the local War Fund, and Mr. John M. Palmer, chairman of the campaign committee, have announced a meeting of the U. S. O. Citizens' committee for Monday, October 19, at 7:30 p. m. in the U. S. O. rooms on Main street. Not only are all committee members urged to attend, but every citizen who is willing to offer his services in the drive is cordially invited.

Paulaette Goddard will be announced. Questions concerning the financing and the services of the U. S. O. can be answered. Representatives of the Boy Scouts and Girl Scouts, who are joining in the same campaign, will be present to explain their plans.
The total goal is just a few dollars more than \$3,800, about 96% to go to the U. S. O. and the remainder to be divided between the Boy Scouts and Girl Scouts. The combining of the campaigns is in line with the wishes of President Roosevelt and his advisers and is approved by the State committee in charge of the Kentucky War Fund Drive. The last big opportunity to give to important non-fighting services. (Continued on Page Three)

Carlson; Hillson Of Naval School Given Promotions

Two promotions have been announced this week at the local Naval Training School (Electric) according to word from the Commandant of the Ninth Naval District.
One was Ralph W. Carlson, disbursing officer, who was promoted to Lieutenant Senior Grade.
Mr. Carlson has been in Morehead since January 15, this year, at which time he was an Ensign. Prior to his entry in the Service, he was employed in the purchasing department of the Montgomery Ward Company in Chicago.
The other promotion went to Chief Gunner Mate Charles T. Hillson who has been made Chief Warrant Officer.
Mr. Hillson has been thirty years in the Navy. He was recalled from the retired list at the outbreak of war and has been in Morehead most of that time. He is a native Kentuckian and had been living in Louisville before coming here.

Rowan Short In 3rd War Loan Drive

The goal of \$236,000 set for Rowan county is now only \$21,000 short of the quota assigned. There are still two days to go.
President W. H. Vaughan, chairman of the third War Loan Drive is, of course, disappointed in falling short of the amount hoped for in Rowan county, but he still feels that every one has done his very best.
The nation went over the top in the drive, with Kentucky also pulling her quota.

Scrap Collection For 265,000 Tons Begins Mon.

According to an announcement by Mrs. Jerry Davenport, the Vogue Beauty Shoppe closed for duration.
The Rowan County Agricultural Conservation Committee working with the County Agricultural Agent have recently ordered a car load of feed wheat for Rowan county farmers. The wheat was ordered from the Community Cattle Corporation and is expected to arrive about November first. The local committee contacted local feed stores and asked them to handle the wheat but since none of the local stores were in position to place the wheat the committee placed the order realizing that farmers would not produce enough corn to feed their livestock and poultry during the coming year. C. E. Turner, chairman of the Rowan county committee, states that the wheat will cost farmers \$1.15 per bushel at the car and that farmers must furnish their own sacks. Those men wishing to purchase feed wheat should see their order at the AAA office.
The stores cooperating are J. A. Allen's I. G. A. store, Cat Barber's Lawsons grocery, United Supply Co. at Haldeman, Clearfield Supply at Clearfield and W. H. Johnson at Farmers.
As soon as the store has a supply, one of the Bottling trucks, Coca-Cola and Pepsi-Cola, will pick them up and deliver to the proper place.
The rules for preparing the cans are the same as last year. Clean the can, take off paper, cut top and bottom of can almost off, fold back and steg on carefully. Then take them to your grocer, who will see that they are properly delivered.

Stores To Collect Tin Cans For Defense Work

According to Mrs. W. H. Rice, chairman of the Tin Can Salvage program in Rowan county, various stores in the county are assisting by accepting tin cans to be sent to war plants.
The stores cooperating are J. A. Allen's I. G. A. store, Cat Barber's Lawsons grocery, United Supply Co. at Haldeman, Clearfield Supply at Clearfield and W. H. Johnson at Farmers.
As soon as the store has a supply, one of the Bottling trucks, Coca-Cola and Pepsi-Cola, will pick them up and deliver to the proper place.

Elmer B. Applegate Announces Candidacy for State Senator

Elmer B. Applegate, former sheriff of Mason county and one of the county's best known and most highly regarded citizens, formally announces in this issue of the Rowan County News his candidacy for the office of State Senator from this district—the twenty-seventh—which comprises Mason, Fleming, Bath, Rowan, Wolf and Menifee counties.

Mr. Applegate filed his declaration papers for the office early in July and was unopposed for his party's nomination. He seeks the office on the Republican ticket. The people of Mason county, Democrats and Republicans alike, as well as those throughout the district who know him, feel that the voters of the district are fortunate in having the opportunity

to vote for a man of Mr. Applegate's caliber.
 It is generally conceded that Mr. Applegate will receive a large majority from the voters in his home county of Mason. And reports from over the district indicate very definitely that he stands an excellent chance of being elected.

Mr. Applegate was elected sheriff in 1923, serving the four-year term from 1923 to 1930. His elevation by the voters to the office of high sheriff followed after he had served four years as deputy under the late Sheriff, C. M. Devore.

It is generally believed that Mr. Applegate made one of the best sheriffs the county has had in many years. His administration was characterized by efficient and business-like conduct of the affairs of the office, courteous treatment and fair-dealing to all alike.

As a man, Mr. Applegate is clean, honorable, able and is known for his sound business judgment. He is a successful farmer and for the past several seasons has been connected with the Mayaville tobacco market.

If elected to the State Senate, Mr. Applegate will give this district the able representation it deserves. Although he made no announcement of his majority of the voters support his candidacy he will fill the office to the very best of his ability and will do his utmost to make a record of which the entire district will be proud.

He respectfully solicits the support of both Republicans and Democrats, for which he will be deeply grateful.

AMERICA FIRST

By Ruth Taylor

America first—but always American. We have let the isolationists take the phrase "America First" and pervert it to selfish ends. America first we agree with—but not with the "and to hell with the rest of the world" spirit. They claim they are the only patriots.

But—after all, when we say real Americans, the only true Americans first, what do we mean? We mean that we will keep the ideals that have made America first among nations, first in our hearts and in our lives. Not only will we be "from many one" but we will be "for many one" work one for all, not all for one.

We mean that we believe in the equality of all men before the law with equal access to justice in fact, or as Sumner Welles phrased it, "the equality of individuals, like the equality of nations, cannot be granted by fiat. Equality depends on their own achievements and upon their own intrinsic worth. But to equality of rights, and to equality of opportunity, every human being is by Divine Right entitled. That is the essence of our democratic faith." We will put this meaning against any of our fellow citizens, our neighbors in this America, whether they be rich or poor, Black or White, Jew or Gentile, Americans by birth or by choice.

We mean that we believe in the Constitution of the United States as the framework of the form of Government under which we want to live. We will therefore see to it that our Bill of Rights, and its corresponding bill of duties is not infringed upon in any particular.

We mean that we believe in the system of free enterprise under which we have flourished, a system free from compulsory labor, irresponsible private power, arbitrary public authority and unregulated monopolies. We mean that we believe in an opportunity for productive work at a fair wage and under good standards for every man or woman who wants to work.

We mean that we believe in the freedom of the self-governed and pen those of self-control and good taste, not the power of a secret police.

We mean that we believe in majority rule and that we will willingly and cheerfully abide by the decision of the majority—until the next election—cooperating with our fellow Americans to build a finer, stronger and more prosperous nation.

We mean that we believe in the great tradition for which America stands. We mean that we believe in an America so strong, so self-contained and so capable of retaining its individual integrity while living in the brotherhood of hope and union with men of every race, or nationality.

America first—yes—but let us keep it always American!

How are you making it by now. I am getting along very well. I am taking Blinker, Signmaster, Third, A to N, Spelling Procedure, Flag Hoist and Semaphore. I have above 85 in all but Blinker and A to N. They are pretty tough. I am still going to school 12 hours a day.

Have you heard from Tommie and Meredith since they left. I heard Meredith was being transferred to the Marines—is that so or not?

We sure are having some time here. All we lack is time. It still is a mischievous bunch. One of the boys, in a bottom bunk gave a big shove up on the top bunk and the boy in the top fell through the bunk into the floor. They had to take the boy in the bottom bunk to the doctor because he caught his toe in the bed springs and cut it.

Prewitt, Parker Appointed On Committee

Raymond L. Vincent, chairman of transportation of the State Democratic committee, announced today the appointment of a district chairman in each of Kentucky's nine congressional districts. As county chairman and three or more members were also named by the state chairman in each of the state's 120 counties.

Reid Prewitt, Mt. Sterling, was appointed chairman of the 8th congressional district.

The Rowan county transportation committee is headed by Judge Dan Parker, of Morehead, Kentucky, chairman; and N. W. Walls, W. H. Carter and Lester Hoger, Morehead committee members.

State Chairman Vincent, in a letter to all members of transportation committees throughout the state, pointed out the importance of the transportation committee in the oncoming election and announced that the county committees would assist those persons who expected to haul voters to the polls on election day to arrange for special gasoline. The OPA has ruled that gasoline will be available for such purposes.

Thirty diaries of Clara Barton, founder of the American Red Cross, lay for twenty years in a secret compartment at her home near Washington, until 1932, when they were found by Miss Rena Hubbell, of Cedar Rapids,

Iowa, who inherited the residence from her uncle, Miss Barton's secretary.

Pulpwood

(Continued From Page One)
 ducts are to the men fighting on the battlefronts. Captain Haig Nelson, U. S. A., is in charge of the caravan, succeeding Capt. John Edwardson, who conducted the caravan through the south-east.

Under-Secretary of War Robert T. Patterson, in announcing the objectives of the caravan, said that it is designed to stimulate the production of pulpwood and lumber and overcome the threatened shortages which otherwise will hamper the progress of the Allied fighting forces.

Shortages of 28,500,000 cords of pulpwood and six billion board feet in lumber now threaten the war effort.

"The War Department realizes the magnitude of our actual and impending operations cannot be maintained without more adequate supplies of forest products," Mr. Patterson said. "More supplies must come from all parts of the country, with particular reference to the South at this time."

"The basic economy of the country, of course, must be maintained, at least in its minimum requirements, and overall increases in production as imperative."

USO

connected with the war, until the Red Cross campaign next spring. The local campaign committee is now at work, and its chairman, Mr. Palmer, will make a full report at the meeting Monday night. Every interested citizen should be present.

During the National War Fund campaign, for which Governor Johnson has set Kentucky's dates as October 15 to 30, Rowan County will raise more than \$3,800 for important war-front and home-front causes. It was decided Tuesday night at a meeting of the U. S. O. Citizens' committee.

The "War Fund" quota for Rowan county, just over \$2,300 goes mainly for the support of the U. S. O., but also in small part for numerous properly recognized refugee and prisoner-of-war relief funds (not including the Red Cross). This quota was fixed at state headquarters in Lexington, in fair proportion to the other counties of the state, and is not affected by the presence of a U. S. O. clubroom in Morehead. In fact, national headquarters will spend in Morehead, to maintain the local club, considerably more than the whole Rowan county quota.

In agreement with President Roosevelt's wishes to reduce the number of money-raising campaigns by including some of the worth-while local causes in the same drive, the Boy Scouts asked

to be included for the amount of \$800, and the Girl Scouts for \$620. These requests were granted by the committee and an amount not to exceed \$100 for possible expenses was included, giving the following total budget for the Rowan county drive:

War Fund quota (mainly U. S. O.)	\$2,313.46
Boy Scouts	800.00
Girl Scouts	620.00
Expenses	100.00
Total	\$3,833.46

In charge of the meeting Tuesday was Dr. J. D. Falls, local U. S. O. chairman. Mr. John Palmer was appointed general chairman of the money-raising drive, with power to appoint sub-com-

mittees and solicitors. This will be certainly the largest and most important campaign for money gifts until the Red Cross drive next spring. It will afford citizens of Rowan county a chance to dig deep for enough money to express their interest in clean recreation and pleasant rest centers for our fighting men all over the world and at the same time to support two excellent organizations which are doing much to promote fine citizenship among the boys and girls of our own county.

Members of the A. A. A. W., Merhead, and Rowan County Women's clubs.

Teachers in the schools and

members of the P-T. A. Prizes will be awarded the teacher donating the largest number of articles. Three prizes will be given the Consolidated Schools and three to the Rural schools. The Morehead Board of Trade has agreed to give these prizes. A special committee met Friday after the teachers meeting and the following regulations will be set up as a standard for awarding the prizes:

1. Each teacher must make a complete list of articles brought in order to get credit.
2. The articles will be counted in the following manner: pounds of potatoes, nuts, cabbage, turnips, onions, pumpkins, chawhaws, chickens, greens, sets of popcorn, pints of food (1-2 gal. will be counted as 4 pints, quarts as 2 pints) any jar smaller than pints will be counted as pints; number of eggs, clothing, household articles, pairs of shoes.
3. A committee will be appointed to check in the articles and see that each teacher is given credit.

From where I sit...
 by Joe Marsh

It happened to me yesterday. I'm walking with my cart to get it started, when a soldier stops alongside. "Need some help?" he asks. And darned if that soldier wasn't young Charlie Jenkins from Elm Street. You wouldn't know him after six months in the Army. Fifteen pounds heavier—straight and tan and real sure of himself. The Army's done a lot for Charlie—like it has for lots of other fellows. Now I read how some folks worry about the soldiers havin' a glass of beer occasionally. After seeing Charlie, I don't think there's cause to fret. Just like Charlie says—"If you can trust a fellow with gas and ships and tanks, I think you can trust us with regular beer in a white." And I think the beer industry is cooperative with the Army to see that the boys get a good, clean, decent beer.

HERE'S WHAT YOU CAN DO TO TIE IN WITH NATIONAL CONSERVATION PROGRAM

AND HELP SAVE VITAL MATERIALS

WHERE TO CONSERVE

- Indoor and outdoor advertising lighting
- Decorative and display sign lighting
- Decorative and ornamental lighting
- Show window lighting
- Lighting of marquees and establishments
- Non-essential interior and show case lighting
- Non-essential use of lights and appliances
- Moderation of air-conditioning
- Careful use of all lights and appliances to avoid any wasted use of electricity

ELECTRICITY itself cannot be saved or stored away. It is manufactured and delivered the instant you use it. Fuel is used in its production. Miners dig the coal that railroads haul to the power houses where electricity is made.

When you avoid waste of electricity in your home, or conserve its use in your business place or office, you save fuel, railroad cars, locomotives, vital materials, and the man hours of miners and railroad men.

Each little bit that you save, multiplied by the savings made by countless thousands of other Americans, will be an important contribution to the Voluntary Conservation Program. It will help advance the Day of Victory!

HOW TO BE DOUBLY PATRIOTIC*

***Cut all the pulpwood you can and put the money in War Bonds.**

We Will Pay \$12.00 Per Cord For Pine

●Pulpwood is urgently needed for many war uses such as rayon for parachutes, nitrocellulose explosives, surgical dressings, gas mask filters, shipping containers and essential war-time papers.

Money is urgently needed to pay the cost of victory.

You can help Uncle Sam meet both needs by turning your idle trees into pulpwood and then turning the money into War Bonds. In this way you get 1/2 more for your pulpwood.
