Headquarters Panama Canal Department—Sgt. Paul E. Gregory, son of Mr. and Mrs. James B. Gregory, of Soldier, Ky., for having discharged his duties in a highly satisfactory manner, received the Good Conduct Ribbon at ceremony held recently at a Sixth Air Force base in the Panama area. The award was made by Brig. Gen. Russell E. Randall, Commanding General of the Sixth Air Force Fighter Command.

The Good Conduct Ribbon, issued in lieu of the Medal, which is awarded to enlisted men who have served at least one year in the armed forces subsequent to the time the United States entered the war, as a testimonial to their loyalty and fidelity to duty.

Sgt. Gregory enlisted in the Army in October, 1940. The following December he was transferred to this Department, where he is now serving as an aircraft armorer with a Fighter Squadron.

Great Lake, Ill.—Bluejacket Carl Cornett, 18, son of Mr. and Mrs. Frank Cornett, Elliptown, Ky., was graduated recently from the Service Schools here at the U. S. Naval Training Station where he won recognition as a "qualified striker" for an advanced petty officer rating in his specialty.

Selected for this specialized training on the basis of his recruit training aptitude test scores the newly graduated man has undergone several weeks of intensive study preparing for his new Navy trade.

Active duty orders aboard a Man 'O' War or at some naval shore station awaits the Bluejacket where, after further training in his new trade, he will be eligible for still higher promotion in the petty officer ratings.

Here is another letter from "Our Unknown Soldiers":

Dear Folks: We read about everything we can get our hands on but there is one feature or list that everyone reads regardless of rank and pressure of time. And that feature is the U. S. casualty list which is found in most daily newspapers and many magazines. The boys do not read it to get the news in the sense of finding out the latest but they read it for many reasons which are close to the heart.

Many Uses Made Of Tin Cans

Tin and steel are two of America's most critical metals today.

Below we list a few of the uses made of tin:

TIN HEALS—Tin encases the emergency sulphur ointments which protect the American soldier from deadly infection in the jungle; safeguards precious blood plasma; indispensable to every ambulance company hospital unit, and every army and navy doctor and nurse.

TIN PROTECTS HEALTH—30,000 tons of food are eaten everyday by our fighting men. Nearly all travels in tin-lined containers, as tin is the best protecting cover known for food.

TIN FIGHTS—Torpidoes wear a coat of tin to prevent corrosion. Every battleship contains 75 tons of tin, every tank 35 pounds of tin, every bomber 45 pounds. The new Radar Magic Eye detector for enemy airplanes and subs must have tin.

It requires pure 100% tin to make synthetic. No other metal will serve. One synthetic may save the life of a badly wounded American soldier. Tin cans contain an important source of tin.

Is it worth "bothering" to save your tin cans?

Churches To Have Thanksgiving Service

The churches of Morehead will unite in a Union Service for Thanksgiving service on Wednesday evening, November 24, at 7:30 p. m. The service will be held at the Methodist church with Rev. Ramah Johnson of the Church of God, delivering the sermon.

Legion To Have Annual Bean Feed Nov. 11

The American Legion will give a Bean Feed in the Morehead High School Gymnasium, Thursday, November 11, at 6:30 p. m. This Bean Feed is free to all veterans and their wives. World War Veterans of No. 1 and No. 2 Wars are urged to be present.

There are important business matters to be discussed at this meeting. There will also be a program of the following:

Harper Preston, Louisa, Department Vice Commodore, will make an address. Pat Vinson, 8th District Commander, will talk on the present program of the Legion. Martt Boyne will speak on the Legion in prospect, while Henry Clay Hagan is going to tell us something about the Service Officer's role in war time. Dr. R. D. Judd will act as toastmaster.

There will be no speeches made lasting more than 12 minutes.

Get in the Scrap with SCRAP

Mr. Russell Barker, chairman of the Scrap Drive, stated that this amount of scrap was the six months quota for Rowan county. He says much of this has already been collected, but he hopes, by continuing the drive to well over the top by the last of December.

The Boy and Girl Scouts will be responsible for collecting scrap paper. The Women's club will look after the collection of fats. Mrs. W. H. Rice is chairman of the tin can collection.

Our country's stock pile of scrap metal is dangerously low. At the present rate of shipment to the steel mills, the stock will be exhausted by December 31, and the mills will be forced to close down, because we have run down on our job.

Every one in Rowan county came through last year when metal was so seriously needed. This metal is needed for weapons—rifles, tanks, guns, planes—all needed by our boys who are now fighting their way through Italy. Your scrap, lying around your home, perhaps forgotten in your attic may be the very piece that will save your boy's or your neighbor boy's life, or it may help to bring the end of the war closer.

We must work to get this \$12,200 pounds of metal set as Rowan county's quota and then when we have filled that quota, we must start all over again and keep it coming as long as the war lasts.

Start today to round up every piece of metal that you are not using or will not be using. Then call one of the members of the committee, Russell Barker, Dan Brame or Roy Cornette and they will arrange to collect it.

Schools Collect Much Scrap Thursday, Friday

Last Thursday and Friday were busy days for the school children of on those two days the schools were dismissed and the children spent the time collecting scrap for the annual Scrap Drive which lasts through December 30.

The quota for Rowan county has been set at \$12,000 pounds. The proceeds of the scrap collected will be turned over to the War Fund.

Each school which reaches its goal of collecting as much scrap as its combined student body weighs, will receive a Flag in recognition of its service.

Congressman Bates Speaks To Voters

On Saturday last week Congressman Joe B. Bates closed the campaign for the Democrats, when he spoke before a good sized crowd.

Previous to Mr. Bates, short talks were made by Attorney James Clay and Mr. Glenn W. Laha, who introduced Mr. Bates.

Meat Canning To Start Wednesday; Appointments

Meat canning will begin November 10. That next Wednesday, and it will continue for six weeks, or twenty-four canning days, until December 17. Appointments are now being made for the canning of beef, pork and mutton.

Anyone who plans to can meat and who has not made an appointment is urged to do so as soon as possible, since the number of families who can use the cannery is limited.

Call or write Mrs. W. H. Rice, phone 212, P. O. box 392, Morehead, Ky., if you want an appointment for using the cannery.

The first beef will be canned on December 10, under the supervision of Mr. E. P. Hilton, Mr. Carl Stinson, Mr. Charles Hughes and Mrs. Rice. Those who have made appointments are invited to visit the cannery on this date and receive instruction and information.

The cost of canning meat is: 12 cents a quart, 10 cents a pint, 1 cent a pound for grinding sausage and hamburger.

Willis Wins Governor's Seat with Rowan County Giving a 313 Majority

Rowan county in the vote Tuesday gave Willis a 393 majority with the rest of the ticket running tight with him.

The Democrats carried four precincts by a small majority—Piercy No. 5, gave Donaldson a majority, Brushy No. 4 a majority, No. 8, Wagner, a 41 majority and Dry Creek, No. 14, gave him a majority.

In the race for State Senator J. J. Thomas, Democrat incumbent, lost the county to Elmer Applegate of Mason county, by a 313 majority while Herbert Moore of Farmers, carried the county by 308 votes over Walter J. Bailly, Democrat. In what returns we have had it looks like Moore will be the representative from this district of Rowan-Bath.

81 Here For 4-H Meeting

The District 4-H Rally day was held at Morehead Thursday, October 28, on the fourth floor of the Science building. Eighty-one 4-H Club members and leaders attended.

The following counties were represented: Robertson, Nicholas, Mason, Fleming, Greengrass, Carter, Menifee, Bath, Montgomery and Rowan.

The county agent of Rowan county acted as chairman in the morning and Ruth Boggs and J. Ann Wesley led the singing. Virginia Ellington, Rowan county club member, gave the welcome remarks and Jean Meyer gave the address and Jean Meyer gave the address and Jean Meyer gave the address.

Mason county girls gave a demonstration on "The Use of Cottage Cheese" in the diet. Dr. Reidel, Morehead State Teachers College chemistry instructor, gave a number of interesting demonstrations.

Delicious luncheon was served by the Home Economics Club and Misses Boggs and Wesley led the singing around the table. Miss Nell Jo Cluck was chairman of the afternoon program and presented President Vaughn who talked for five minutes on "Vocational Education." Miss Lucy Peterson, former superintendent of the Midway school for girls, explained, "What Every One Should do to Keep Their Balance."

War Fund Quota 3-4 Subscribed

Rowan county's drive for a War Fund of approximately \$3,000 is progressing reasonably well, but further effort is needed to put this community over the top. Mr. J. M. Palsy, chairman of the campaign committee, announced today that about three-quarters of the quota is now in sight, but this consists mainly of the larger donations from industrial concerns, from stores and business institutions, and from those individuals who are able to make substantial gifts. The remaining fourth of the quota depends upon generous donations by the average citizens.

In the house-to-house canvassing now under way, a systematic effort is being made to reach persons who have not already been approached through some organization that is conducting its own drive. If the citizens of Rowan county will respond heartily to this appeal, it is hoped that complete success can be announced in the near future.

As has been previously stated (Continued on Page Two)

Dr. Moore To Be At Christian Church

Dr. George V. Moore, of the College of the Bible of Lexington, will preach at the Christian church next Sunday.

Arrangements are being made for others to conduct the morning services during November.

The new pastor and his wife, Rev. and Mrs. Charles Dietze, will be here some of the first of December to take over the church work.

Revival To Begin At Baptist Church

Rev. B. H. Haze, pastor of the Baptist church, has announced a revival which will begin on Monday, November 22. Rev. G. Lantier of Winston-Salem, N. C., will conduct the services.

Lawson's Store Sold To Mr. Bethal Hall

A business deal was completed last week between the Lawson child and Mr. Bethal Hall whereby the store at once became the property of Mr. Hall.

Mr. and Mrs. Doyle Lawson have operated the Lawson store for the past eight years and have built up a remarkable business by their constant attention and by the service they have given. They probably move to their farm at the edge of Morehead.

Mr. Hall needs no introduction to the people of Morehead. He has lived here all of his life and has been connected with the Clearfield Supply Company for several years. He was associated with the Big Joseph's hospital at Lexington, where he was immediately placed time and under an oxygen tent. He underwent his emergency operation and grandfathers, J. C. Tobacco Specialist To Be Here Nov. 11-12

Mr. Russell Hunt, tobacco field man at the University of Kentucky, is planning to be in Rowan County November 11 and 12 to work with the county agent and the Rowan county tobacco growers.

Mr. John Vassarrell, tobacco grader, will accompany Mr. Hunt and they will give demonstrations on stripping and curing.

Father of Mrs. Johnson Dies On Saturday

Funeral services for Richard Harvey McNeamer were held at the Baptist church Monday morning at 10:30 with Rev. B. H. Kazez conducting.

Mr. McNeamer has made his home with his daughter, Mrs. Robert Johnson, for a number of years. He was born March 3, 1861, in DeCalb, Tenn. In infancy he moved with his parents to Frankfort, Ky., and later to Lexington. In 1886, he was married to Miss Katherine Agnes Darling of Gordon, Neb.

In this union, three daughters were born, two of whom preceded him in death. His wife also passed away thirty-seven years ago.

Mr. McNeamer spent most of his life in the western states, following the various activities—farming, stock-raising, trading, etc., of the time, pioneer country.

The immediate cause of his death was pneumonia, from which he suffered about two weeks. Death came Saturday morning, October 30.

Burial was made in Mchapel cemetery in Mt. Sterling.

The only other surviving relative besides his daughter is a sister, Mrs. W. H. Wyatt, of Lexington, who was 100 ill to come to the funeral.

Don Blair Injured Is Improving

One of the saddest accidents ever to happen in Morehead, occurred last Thursday, when little Don Blair was seriously injured when struck by a truck.

Don, who is five years old and one of the most lovable children in the town, was placed in a cast. His legs were not nearly as serious as at first thought, and it is believed that he will be able to walk and will not be crippled.

Wednesday morning, word was received from Lexington, that Don was progressing nicely and although it will take a long time, he will be all right.

The accident was entirely unavoidable, according to report. A drug salesman, who was directly facing the truck, stated that if he had not hit him, he would have thought and it is believed that he will be able to walk and will not be crippled.

Don has been conscious all the time and is the most model patient under an oxygen tent. He underwent his emergency operation and grandfathers, J. C. Blair, "I am

From where I sit

by Joe Marsh

The other day we were talking about George Washington—who besides being a great general was a surveyor, a farmer, and a wise statesman.

"And he made mighty good beer too," says Grandma Hoskins. "His private recipe's filed in the New York Public Library."

Now Grandma Hoskins knows her history—and she told us how other famous men believed in beer and moderation. William Penn, for instance, who had his own brewery and James Madison, who "urged the manufacture of beer in every State of the Union."

When the dark years of Prohibition came along, they proved how right those early American statesmen were—that no law ever takes the place of moderation.

They were right about a lot of things—Washington and Adams and Penn—and the others who founded America. And from where I sit they were certainly right about moderation too.

Hemp Can Be Harvested Now

Hemp will soon be harvested. The Rowan county hemp crop is in the shock and farmers who have hemp should make every effort to thrash it just as soon as the seed will gather. Birds and the wind will destroy many of the hemp seed if it is not thrashed immediately. Rowan county farmers thrash their hemp seed by pushing the shocks over on a large sheet or tarpaulin and then beating the seed out with a stick.

Warning Given Turkey Buyers

With the ban of sale on turkeys lifted, OPA officials have warned buyers that there is no ceiling price for them. The price of 42 cents in 45 cents per pound has been fixed in 1943 turkeys. If the turkey is of the 42-cent type, the maximum price for the New York dressed has been set at 47 cents. The same turkey should sell for 38 cents per pound in the market. The 45-cent type will be 50 cents in New York dressed or 63 cents if drawn. Officials said there were approximately 30 per cent more turkeys this year than there were last year at this time. According to information from the Quartermaster Marketing Center, the Government will use only 5 per cent of the total production.

follow the service careers of their childhood friends and army acquaintances is to flirt with a deadly fly. Reading that feature is an ordeal for most of the men and many of them have formed certain habits in reading them. Some will keep the section and devour it in a jiffy while others will spar around with the whole newspaper or magazine before getting up courage to read it. However, it is certain that all lists a read by everyone though some try to do it when others are not around and then some like to have others read it for them.

The other night a boy was reading the list from all the states in the day room and in the middle of the reading, a tall Yankee from Connecticut suddenly arose from the other end of the room and came up and took the paper from the hands of the reader. He just gazed over the list until he came to the name that was the last one read by the reader and then he wheeled and left the room with the newspaper. The boy knew immediately the cause of the action as the last names were the same for the Yankee and the dead. This thing is not uncommon around here and the loss of a brother or someone just as close is shared by all in a quiet way.

I read everyone I can get my hands on regardless how old and where they were published. I dread it but I do it all of the time and it is a relief to read one and find no names you can recall although I know many times there have been names which I should have recognized. When I read that Murvel Caudill was missing from Morehead, I thought of Murvel that was raised on East Main street and then I decided to write his parents but glad now I did not as I

found it to be another Murvel from home but the hurt is here just the same as if I had known him all my life. You feel that way about home folks when you are this far away from home. It is far better for us to know each and everything that goes on just as it happens for we can take it better that way. There is no use in saving it up for the day when we come home for then we will have enough to cope with and we know those things are happening anyway and now is the time to find out as we are geared to live through them better than here if we were home. We put face value on life here and try to live the realities facing us and it is amazing to see the boys face facts without the rights are we? I know when you find a name you know on the list.

In these columns, the bulk of the quota goes to the Kentucky War Fund, more or less. The above volumes have been estimated in the standing tree and will be accepted by the purchaser as final. No bid will be considered of less than \$4.00 per M bd. ft. for Pine, \$4.00 per M bd. ft. for White, Red & Black Oak, \$3.00 per M bd. ft. for Mixed Oak, \$2.25 per M bd. ft. for Hickory and Black Gum, \$2.75 per M bd. ft. for Beech, \$5.00 per M bd. ft. for Poplar, and \$3.00 per M bd. ft. for others. In addition to the prices bid for stumpage, a cooperative deposit of \$ 25 per M bd. ft. of the total volume of the area will be required for brush disposal work. Each bid must be accompanied by a certified check made payable to the Treasurer of the United States in the amount of \$500.00 to be applied as part payment, refunded, or retained in whole or in part as liquidated damages according to conditions of the sale. The right to reject any and all bids is reserved. Award will be made on the basis of the greatest net return to the Government. Before bids are opened, bidders should examine the sale area on which all green timber to be cut has been marked, and should obtain full information concerning the timber, conditions of sale and submission of bids from the Forester, Ranger, Morehead, Kentucky, or the Forest Supervisor, Winchester, Kentucky.

and by far the larger part of this portion to the USO, which is supporting in Morehead a recreation center for service men costing about twice our total quota. The remainder of the Kentucky War Fund portion is divided among a large number of officially approved war service and relief agencies.

The remainder of the Rowan county quota is to be divided on the terms previously published, between the Boy Scouts and the Girl Scouts. Those organizations are at last becoming well established in our county, and are doing a wonderful piece of work for our younger citizens. The Dr. or Mrs. J. D. Falls, Mr. or support so far accorded to the War Fund Drive is encouraging John M. Palmer.

Senior Girl Scouts To Have Dance

The Senior Girl Scouts will give a "Sadie Hawkins" Dance at the college auditorium on Saturday, November 6, from 8:30 to 11:30. Tickets are being sold at thirty-five cents each per couple or stag.

The dance will be semi-formal.

Some Pulpwood— But Not Enough

There has been some increase in deliveries of pulpwood to mills in this section, but not much. Some further increase will come before the end of the year because of the willingness of the farmer to do extraordinary work in order to help in the war.

A Government which knows so well the pressing need for more food, pulpwood and timber for

war must know—should be made to know—that the future requirements for wood for military and civilian use, like requirements for food crops, can not be met unless whoever handles such things stops expecting the impossible from farmers. A farmer can't do what can't be done, though thus far he apparently has been doing it.

Morehead Hi Service Club

This letter is in answer to a chain letter written by the various students:

September 15, 1943.
To The Morehead High School.
I received your chain letter and was very glad to receive it, because I haven't had any mail for three or four weeks and I was getting pretty blue, but when the school letter came it cheered me up so I will do my

best to give you as good a letter as that I received. Well as I look at this letter, Mrs. Ellington was the first on the list so Mrs. Ellington I want to thank you from the bottom of my heart for your part of the letter. No, I am not hanging a typewriter, but working in a torpedo shop, sending the torpedoes out to hit a Jap or German ship. A little better than a typewriter. The next one on the list is from Nell. Well Nell, if you don't mind me calling you Nell. We are going on with history over here, but it doesn't come out of the book either. Well for history, how are you getting along with marriage? You know that is history too, as if you didn't know. Well so long Nell. I wish you the best of luck. Just a pest.

Hey Milford, take it easy with Lillie Mae Hamilton, for she is my girl, I hope?

Hello Marvin. By the way Marvin the last time I saw you was behind the Dixie Grill, or am I

wrong? So long pal.
(To Lillie Mae Hamilton) in person, yes, Lillie Mae, I remember the time that we rode the Ferris Wheel, yes, then was the good days, I hope that we can spend many more after the war is over. I would like very much to hear from you. Love, Pete.
Leona Carter. Well, Leona, I am glad to hear that you are wishing me luck for that helps a lot over here. So long.
Jean Mabry. Well Jean if you don't mind me calling you Jean. Well, writing to you is like having a blind date but all the blind dates I had were very pretty. I hope we will meet after the war. So long, honey.

This next boy is a very good pal of mine. His name is Jimmy Rochester Layne. Hello Jimmy, remember the night that I was in Ashland? The night before I left for the Navy. Sometime, we hope, but will be plenty more, so long pal.

To Frances, no I didn't get

sick, just as cool as an ice box. So long.
Hey, Home. Just let the Waves alone for that's not your kind. So long pal.
Myna, by the way, they tell me you are helping at the funeral home. Well keep up the work and I will bring back a Jap and we will work on him. So long, Honey.

Well this note is to my old blind daddy, Gene White, that is an old Kessler saying of mine. Well take good care of my girls, you know what I mean. So long pal.

The next note is to a very good basketball player, Harold Holbrook. Hello Buddy, how is the team cooking? With gas? Now? Well there I go again I forgot about the gas ration. So long pal.

The next note is to a very good pal of mine and he just loves to go to Queen City and have ice cold beers. How about the C. G. Clayton? You drink

the beer and I will help sink the Jap and German ships. By the way, C. G., you had better take up French and English.

The next letter is to a very smart girl and when I study her papers I always passed Leota Prather. Well Leota if you didn't get my letters that I wrote you won't. For they might be at the bottom of the oceans. So long. Tell Harold his letter might be at the bottom also.

Well if I missed any of the junk I wish them the best of luck in the years to come and I will do my best for them. Some people say that the Navy works on the water. That is true as can be, but here is a Navy Station on land and every torpedo we fix and send it to a ship. I say that is for the people of the U. S. A. and to end a Jap ship or German. So long and lots of luck to you all.

Just a school mate,
PETE.
By the way give my address

to Lillie Mae Hamilton.

Pennix-Scott Wedding Saturday

A wedding of more than passing interest is that of Miss Margaret Pennix to Mr. Robert Scott of Chicago, which will take place at four o'clock Saturday, November 6, at the Christian church.

Miss Frances Pennix will be her sister's bridesmaid while her brother, James Scott, will serve as best man.

Rev. G. C. Banks will perform the ceremony and will be assisted by Rev. C. L. Cooper. A reception for the families and close friends will be held at the Pennix home following the marriage ceremony.

Last week the Red Cross production room was moved to the Caudill building, over the Peoples Bank. It now occupies the room where formerly Virgil Woodford had his insurance rooms.

For the convenience of all who wish to see, the key to the room has been left at the Southern Belle Dress Shoppe.

Mrs. J. A. Allen returned home Wednesday from a ten days' visit with her son, Hubert, in Chicago, and her daughter, Mrs. Bob Harlow and family, in Louisville. Her sister, Mrs. R. T. Courtney, of Tulsa, Okla., accompanied her to Chicago and returned to Morehead with her.

Sgt. Hayden Carmichael, who has been at Rantoul, Ill., for several months as an instructor, has been transferred to Jefferson Barracks, Mo., for a period of training.

Mrs. Leon Ballard was the Sunday dinner guest of Mr. and Mrs. Mike Flood.

Ration-Time RECIPES

FOR COUGH DUE TO A COLD

USE **DR. J. C. HOBBS' COLD DISCOMFORTS**

35¢

An easy solution to the Wartime dessert problem is offered in this delicious recipe for cheese pie that is both simple and economical to make.

CHEESE PIE

1 cup cottage cheese
1/2 cup milk
2 eggs separated
1/4 cup sugar
1/4 teaspoon cinnamon
1/4 teaspoon salt

Combine milk and cottage cheese and mash with a fork until fine and creamy. Add well beaten egg yolks, sugar, salt and cinnamon. Fold in egg white. Pour into pastry lined pan. Bake for 10 minutes in a hot oven (425° F.) and then lower heat to 300° F. for 15 to 20 minutes or until filling is firm and delicately browned.

To make pastry: Blend 1/2 cup margarine with 1/2 cup flour, sifted with 1/2 teaspoon salt. Add water to form stiff dough. Roll out on floured board to fit pan.

Other favorite low-point recipes are found in a 32-page cookbook "Ration-Time Recipes". Free copy may be obtained from National Cotton Council, Box 18, Memphis (1) Tennessee.

Dr. Judd Has Book Published

"Mathematical skills are not likely to change, no matter what changes may come about in our living in the future. They belong to the eternal verities," wrote Dr. Romie Dustin Judd in the preface to his latest book, *Principles and Problems of Arithmetic*, which has just come from the press.

Dr. Judd is head of the Education Department at Morehead State Teachers college and this makes the fourth book he has had printed recently.

Containing one hundred-sixty principles with two hundred-thirty thought problems, the author attempts to "strike a beautiful balance between the theoretical (professional) and the practical (content) side of arithmetic by matching philosophical statements with the actual skill in the subject."

Dr. Judd said that a teacher should know more than he teaches. That if he teaches right up to the brink of his knowledge, he said, very soon he will be teaching something that is not true.

A. A. U. Thanks All Who Helped

The Morehead branch of the American Association of University Women, as sponsor, wishes to thank most heartily everybody who helped to make the White Elephant Sale last Saturday the most successful one we have ever had. It would be impossible here to name all the individuals who gave their help most generously. Almost every organization in Rowan county did excellent service: both Woman's club, Girl Scouts, Parent - Teacher groups, agriculture specialists, home economic groups, all the teachers in the rural schools, in the Consolidated school, and in the Evening Training School, as well as the parents of all the children in Rowan county. The Board of Trade gave the money for the prizes.

Farm and garden products and canned goods were contributed in abundance, as well as clothing, shoes, hats, and innumerable other articles. It was a fine example of friendly community cooperation—one of the best in the State of Kentucky. It is another evidence of the way the college and county are working together for general improvement and for sincere mutual understanding and

Pressure Cannons Are Now Here

We have been advised by Mr. C. B. Turner, chairman of the Rowan County War Board, that anyone having an application in for a pressure cannon may get by the A.A.A. office and get their priority certificate. We want to urge you to read instructions that come with the cannon before purchasing it, since it can only be used for canning purposes and

not for cooking. According to recent instructions, housewives can now buy cannons even if they are unable to share it.
