

# THE ROWAN COUNTY NEWS

VOLUME NUMBER: Old Series No. 62; New Series No. 27. MOREHEAD, KENTUCKY THURSDAY, FEBRUARY 23, 1944. NUMBER EIGHT

We pledge Allegiance to the Flag of the United States, and to the Republic for which it stands.

ONE NATION, indivisible with LIBERTY and JUSTICE for ALL.

## Morehead Wins K. I. A. C. Crown

Morehead College Eagles won the K. I. A. C. crown when they beat the Georgetown College Tigers last Friday night at Georgetown by a score of 89-35.

The Eagles topped the loop with eight wins and two losses. Bera finished in second place with six wins and two losses, out to Morehead.

Outside K. I. A. C. play, Morehead has a record of four wins and three losses to give them a total of 12 wins and five setbacks. In downing Marshall, 55-30, and Fort Knox Armored Replacement Training Center, 65-44, the Eagles averaged all defeats for the season, except Bowman Field. Other wins were at the expense of Rio Grande, who fell before the Morehead attack twice, 72-13 and 77-26.

Morehead downed every team

in the conference at least once in winning over Western, 34-29; Murray, 61-47; Georgetown twice, 72-26 and 80-26; University of Louisville twice, 67-55 and 57-38, and Berea, 54-47 and 56-49. With Cooper on the injured list, the Eagles suffered two defeats on successive nights to Murray, 30-34, and Western, 36-41.

Coach Len Miller started the season with eleven men, all 4-Fs or seventeen years olds, but after molding them into a team that won seven consecutive games, then Bobby Baker, freshman from Hamard, entered the Navy, while Frank Fleming and Sammy Webb both entered the Army. Then Harold Holbrook, former Morehead High star, entered college as a pre-dental student, and Coach

## Frozen Food Locked Installed In Short Time

A large number of interested people attended the Frozen Food meeting at the High School Gym Friday night. Dan Brame, the county agent, acted as chairman and Mrs. W. H. Rice discussed the value of a locker. Two representatives from the Frigidaire company were present to answer questions. Over 140 lockers have been rented. Plans were made to take a group to Maysville on Tuesday, February 22, to inspect the plant while it is in operation.

It is necessary to rent at least 180 lockers before the government will permit the installation of the locker, but the way they are coming in, it is certain to go well over that.

The locker will be installed in the Masonic building, in the room recently occupied by the Shouse store. An experienced butcher will be in charge.

If you seek more information concerning the locker, see the County Agent, Dan Grane. Application slips may be obtained from the county agent's office, either bank or at the AAA office.

## March is Red Cross Month, Says President

Agriculture Leaders To Meet Saturday

Agriculture extension leaders of twelve neighborhoods will meet at the county agent's office at 11 o'clock Saturday, February 26, to plan their program of work for 1944.

These leaders represent, Cogswold, Clearfield, Mt. Hope, Paragon, Critz, Slab Camp, Perkins, Craney, Christy, Dry Creek, Pelfry, and Morehead neighborhoods.

President Roosevelt in a proclamation dated Friday 17 has designated March, 1944, as "Red Cross Month" for raising a national War Fund of \$200,000,000.

As previously announced in these pages the Rowan county quota is \$12,000, representing a 90 per cent increase over last year's state quota of \$8,000.

If space permitted, it would be very easy to list thirty to fifty different activities maintained by the Rowan County Chapter, besides the innumerable well known works of mercy of the national organization and its war time representatives abroad. As a small sample of the kind of work done locally the County Chairman, Mr. A. C. Haggan, mentions the following:

1. In case of death or emergency at home, notifying army posts and obtaining furloughs for relatives in the service.
  2. Assisting in filling out papers and following up claims for allotments, dependency allowances, hospital applications, emergency loans and veterans' burial expenses.
  3. Investigating emergency problems that involve sailors stationed in Morehead and reporting to the Red Cross in their home country.
  4. Producing surgical dressings for distribution by the Surgeon General's office.
- There are only a few of the many services which every loyal citizen will approve and which demand liberal financial support for their continuance. Sometime in March every one of us may expect a call from a Red Cross solicitor. Let's be ready to respond generously.

## Americans All

Private First Class Clyde E. Armstrong, son of Mrs. Della Armstrong of Farmers, Ky., has been promoted to corporal. He is a squad leader with the 38th "Tera" Division of the Fifth Army in Italy.

Private Ernest D. Hogue, son of Mr. and Mrs. Grover C. Hogue, of Morehead Route 2, has completed seven months of training in the Signal Corps at Camp Crowder, Mo.

Ernest was in Reserve eight months while attending Signal school at Lexington before his induction where he completed training as radio repairman. His courses at Crowder included telephone, telegraph and switchboard, making excellent grades on each.

While en route from Camp Crowder to some eastern camp, he had, an eight-day delay, and enjoyed it at home, with family and friends.

A letter from F. F. C. Goggin, D. Fisher to his sister, Delphia B. Mera, of Morehead, Ky. This letter was written January 20, 1944.

Remember in the South West Pacific.

Hello Sis: Just a few lines to let you know I am thinking about you. Sis, I can't write very good for I am under the place where I sleep trying to stay dry while I write to you. Well Sis you know that Ore Mera and Brown told Alper to bring them back a Jaeger's car for a watch job. I sure can get plenty of them where I am at but I don't think they will be as it is they know what they look like. I don't guess you thought I would ever be here and see them but I sure see plenty of them. Sis I guess you hear the news from where you are at. You don't know I am at that place, but if I ever get back I can tell you about it and where I was if I don't see so much I can't think of it. I guess that will be the way of it, but I have hopes of getting back and having something we don't know; but I am hot the only one over here, so I guess I have got as good as.

## U.S. O. To Hold Open House On This Saturday

The Citizens' Committee of the Morehead USO invites all interested citizens to drop at the USO Club Rooms on Saturday, February 26, at 10 a.m. on a convenient hour between 2 and 3 p.m.

The service men for whom this recreation center is maintained need no special invitation. The citizens in general may not program the kind of program the USO is offering. The Open House party this Saturday has been planned to give local citizens a chance to see how the USO works.

Members of the Citizens' Committee and their wives or husbands are especially urged to be on hand for as much of the Open House period as they can manage. While hostesses and junior hostesses will be present for the entire eight hours, the Social Committee hopes that all members of the general committee will feel their responsibility for assisting.

The usual Saturday activities for the Navy boys will be in full swing. Civilians will have a chance to see the various games and entertainment facilities used as well as to meet and talk with Morehead sailors from all over the county. Refreshments will be served.

## Clayton Recapping Service Open For

The Clayton Recapping Service is now ready for business at 604 West Main street under the management of Robert Clayton.

The new Recapping Service will include recapping and vulcanizing, as well as handling tires for sale for all sizes of passenger cars.

The company will serve Rowan, Bath, Fleming, Morgan and Elliott counties, according to the W. P. C. Board.

## Winners In Spelling, Art Listed

The last rural teachers meeting of the present school year was held February 18, at the Court House. The highlights of the day were the Rowan County Spelling Bee, Exhibit and Art Contest.

About seventy-five children took part in these different events. Most of the schools in the county were represented. Rev. L. E. Leeper had charge of the Spelling Bee which consisted of reading scriptures and quoting scriptures from the Bible. Those who were present remarked about the improvement in this practice from year to year. Rev. Leeper is doing a fine work with the children in Rowan county and the quality of Art. The children who won were presented with art packets and art pins. The prize winning posters and drawings were exhibited on the walls of the courtroom.

The Spelling Bee aroused much interest. There were twenty-two entries. The judges were Rev. B. H. Kasse, Rev. Charles Dietz, Rev. Ramah Johnson and Rev. C. L. Cooper.

The Spelling Bee aroused much interest. There were twenty-two entries. The judges were Rev. B. H. Kasse, Rev. Charles Dietz, Rev. Ramah Johnson and Rev. C. L. Cooper.

## Services Held For R. Brown

OBITUARY AND TRIBUTE

By a Friend of the Family

Mr. Rufus Humphrey Brown was born May 17, 1872, at Elliottville, Rowan county, Kentucky. He was the son of Armanda and Dallas Brown, who preceded him in death.

Mr. Brown was united in marriage to Miss Amanda Williams in the year of 1892, and to this union thirteen children were born, namely: Ora Brown, Portsmouth, Ohio; Dallas Brown, Baltimore, Md.; Claude Brown, Dayton, Ohio; Edward Brown, Mt. Cleave, West Virginia; Mrs. Margaret Hall, Dayton, Ohio; Mrs. Fessie Moorehead, Kentucky; Andy Brown, Elliottville, Kentucky; Mrs. Lydia King, Ashland, Kentucky; Mrs. Lou Brown, Haldeman, Kentucky; Mrs. Blanche Leasberry, Baltimore, Md.; Mrs. Sadie Devlin, Portsmouth, Ohio; and Mrs. Jessie Jones, Haldeman, Kentucky.

Mr. Brown departed this life February 15, 1944, at 2.30 p. m. of complications. He leaves to mourn his death, eleven children, four girls and four boys, a host of grandchildren, fifteen great grandchildren, one brother, Willie Brown, better known as Willie Cornett, Morehead, Kentucky, one half brother, Howard Johnson, Olive, W. Va., two half sisters, Mrs. Martha Cline, Ashland, Kentucky, and Mrs. Clyde

## Billy Prewitt Of Clearfield, Wins In Spelling Contest

Billy Prewitt, age 15 from the Clearfield School was hailed as the prize winner in the Spelling Contest Friday, February 18. Billy is in the eighth grade at Clearfield High school, the principal is L. P. Bradley. He is the son of Isaac and Mary Prewitt. Billy without any hesitancy on any of the words spelled with all the assurance of a good speller.

He is to be congratulated.

A list of the names of the children, the school they represented and the words missed followed:

Child-School-Word Missed:

Betty McKennis, McKennis, prelate; Wilbur Babin, Perkins, prelate; Irene Klusick, Farmers, state; Charles Steacy Adams, state; Don Harris, Kinney, trouble; Sack Thompson, Little Beaver, wrong; Elizabeth Klusick, Three Lick, vegetable; Jeannette Thompson, Holly, concert; Edna Riddle, Johnson, admission; Emogene Purvis, Little

## Service Men And Women Who Are Visiting At Home

So many Service men are coming and going in Rowan county that it is hard to keep up with them all. Out we are going to run a list each week of visitors at home, of all who are reported to us. Please send them in.

Here are a few:

Pvt. Ernest Hogge has just left for an Eastern camp with a furlough with his parents, Mr. and Mrs. Grover Hogge.

Allie Holbrook has just completed his basic training in the Army and is going to Camp, N. C., and is spending a few days with his mother, Mrs. D. M. Holbrook and other relatives. He will report to Greensboro, for another assignment.

Pvt. Fred Cassidy and Sgt. Ralph Cassidy are home with relatives for a few days.

Fred has just finished infantry basic training at Camp Blending, Fla., and after a visit with his

(Continued on Page Five)

## Morehead to Have New Department Store Soon

In the near future, Morehead will have a new department store. The Butler Brothers, Federated Stores, who have branches in all of the leading cities, will open a store in building formerly occupied by the Midland Trail Garages, now owned by Alf Caskey.

Mr. Caskey will remodel the 2,000 building, removing all partitions and making it into a modern up-to-the-minute store building. He expects to have the work completed in a month or so.

The Butler Brothers will also plan on opening a ten cent store in Morehead as soon as they find a suitable building.

The company already has simi-

## \$195,000 In Bonds Sold Here

According to President W. H. Vaughan, who is chairman of the Fourth War Loan just closed, Rowan county is \$70,000 over the top in the drive.

Rowan county was given a quota of \$125,000 and when the drive closed, it was found that \$195,000 had been sold.

There were about twenty persons of the county who purchased thousand dollar bonds. The rest of the amount was made up of those buying the small denominations of \$25 and up.

The Morehead Boy Scouts made a house to house canvass and were successful in selling \$3,400 worth of bonds.

The Citizens Bank and the Peoples Bank each sold approximately \$50,000 worth. The county between \$7,000 and \$10,000 worth. The Clearfield Supply Company also sold a nice amount.

Taken all in all, Rowan county did very well in the 4th War Bond Loan Drive.

## Board Of Trade Holds Regular Monthly Meeting

The Morehead Board of Trade met Monday night in regular session, with dinner at 6:30 in the College Cafeteria followed by the business meeting. Twenty members were present. In the absence of the president, Harry Goldberg, Dan Brame, vice president, presided.

Various phases of business were discussed. Hoy E. Cornette reported on the frozen food locker that business men wish to install. He said that at least 140 lockers were already sold, possibly more 180 must be contracted for before the Government will permit a place to install the locker. Mr. Brame stated that a number of citizens were going to Maysville on Tuesday to see a demonstration of the locker there.

A letter was read concerning the establishment of a garment factory here and a committee was appointed to investigate. A number of applicants were voted on and made members of the club.

Before adjourning, the Board of Trade entertained the College basketball team and their coach, Len Miller at dinner at the next regular meeting of the club. In honor of their winning the K. A. C. crown.

## Rowan To Begin Intensive Drive For Waste Paper

At a meeting held Tuesday night in the office of Mr. Roy Cornett, County Superintendent of Schools, plans were made for an intensive waste paper collection campaign in Rowan county.

In general the collections will be supervised out in the county by the school teachers and in town by the Girl Scouts with the cooperation of the schools. In Morehead the Sam Caudill Building on Fairbanks Avenue will be open Saturday from 1 to 5 p. m. for receiving waste paper.

Waste paper has become a critical item in war production. It is needed for shipping containers of many kinds to supply our fighting men. There is a shortage that some severe steps in this area are necessary.

Every household can help to relieve this situation. Not useless are processed papers such as newsprint, lined or parchment papers and very dirty or greasy papers such as meat wrappers.

## L. Martin Child Dies Suddenly

Friends and neighbors of Mr. and Mrs. Lee Martin were shocked and grieved Sunday morning when Mrs. Martin called her saying that their oldest son, Pat, was dead.

Mr. Martin is in the Army, stationed at Robins Field, Ga., and Mrs. Martin and the children had been with him until recently when they went to Jensen, Pa. with her mother, Mrs. James Luzzard.

Little Pat was engaged on last week for rupture, and was seemingly getting along very well. In fact, Mrs. Martin had written him he was saying that he was as well as could be expected and that Mr. Martin was ready to return to camp.

But the latter part of the week Pat became worse and although everything possible was done for him he passed away late Saturday night. An autopsy performed after death, showed that he had died of complications.

Mr. and Mrs. Martin brought their son to Morehead for burial. C. B. Lane of the Lane Funeral Home and M. C. Crosey met them at Winchester Tuesday morning and brought them here. Her younger and sister and their younger son accompanied them.

Pat was born December 30, 1940. He was named Richard Harrison Martin, but was always known as "Pat." Death occurred February 19, at Memorial hospital in Johnstown, Pa.

Funeral services are being held today (Thursday) at the home at two o'clock, with Rev. Charles Dietze, pastor of the Christian church, officiating.

Burial will be in the Caudill cemetery.

## Don Blair Is Home From Hospital

Little Don Blair was brought home from the hospital at Lexington last week. Don, who was injured when hit by a truck on October 28, has been in the hospital since that time and although he is still a long way from well he is better and his father, Dr. E. D. Blair thinks he is doing very well. After resting at home for a short time, Dr. E. and Mrs. Blair will take him to another hospital for examination and possible treatment.

## Day Of Prayer To Be Observed In Union Service

Friday (this week) at 3 p. m. Morehead will observe the World Day of Prayer, at the Church of God, with the other churches participating.

The theme chosen for this observance is taken from Isaiah 59:16: "And the Lord wondered that there was no intercessor." As the theme indicates, intercession will center in three principal things, all of which are symbolized by the gifts the Wise Men brought to Christ—myrrh, frankincense, and gold, as follows:

- I. Myrrh: Intercession for Those who Sorrow
- II. Frankincense: Intercession for Christians throughout the World
- III. Gold: Intercession for the Retaining of the Spirit of Manhood

The program is divided into four parts as follows:

1. Call to Worship—Church of God.
2. Myrrh—Christian Church.
3. Frankincense—Methodist
4. Gold—Church of God.

## Lycium Committee To Present Spanish Dance Feb. 29

Teresta and Emilio Ostas will appear in the college gymnasium Tuesday, February 29, at 7:30 p. m. The program, sponsored by the lycium committee of the college, is a selection of authentic dances of the provinces of Spain and of good neighbors "south of the Rio Grande." The dances are presented against the background of Emilio's piano accompaniment.

There is California, Sonoma, where was acquired by visiting the proud Baques of Navarre, the Ostas, brother and sister team, have been acclaimed on three continents. Emilio, the master of the keys, is credited with having the largest repertoire of authentic Spanish music of any young pianist now before the public. His vast store of musical Dietz, Rev. Ramah Johnson and countries, living with the people, Rev. C. L. Cooper.

Teresta begins interested in the Mexican dances, she lived with the Indians, went to their festivals and learned the old dances that date back to the Aztec race.

WEEKLY NEWS ANALYSIS

Major Aerial Blows Smash Germany; Allies Finish Conquest of Solomons; As Troops Entrench in Green Islands; Cut Civilians' Share of Canned Goods

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.) Released by Western Newspaper Union.

China—Chiang Kai-shek's infantrymen are shown sweeping through streets of Changchun, capital of China's rice bowl, after bitter forty-day battle with Japanese, in which the city changed hands four times. Few of the city's 10,000 buildings remained undamaged.

SOLOMONS: Campaign Ending

"For all strategic military purposes, this completes the campaign for the Solomons Islands." Thus spoke Gen. Douglas MacArthur after U. S. and New Zealand troops landed in the Green Islands in the northern Solomons, cutting off 21,000 Japs in their last strongholds from their supply bases of Rabaul and Kavungu. Hemmed in by the Allies' newest positions, even the Japs' efficient base system by which they have been able to send in supplies at night in almost undisturbable craft, now is jeopardized.

Because the Japs' communications have been hampered by the Allies' landings, General MacArthur said: "With their barge traffic paralyzed, relief of these scattered garrisons is no longer possible and their ultimate fate is sealed." Thus did the Solomons campaign begin August 7, 1942, approach its victorious conclusion.

EUROPE: Pave Invasion Path

France's invasion coast of Calais received steady aerial pounding as the Allies' bombers, from the British, bombed the area from the air.

As masses of Allied bombers rocked the Calais area, where the enemy has installed heavy defenses and rocket guns, other bombers struck on a 2,800-ton raid on Berlin, leaving the oft-battered German capital smoking in ruins.

WAR CONTRACTS: Cancellation Payments

To enable business to make a quick recovery from the war, the War Relocation Authority (WRA) has announced that it will make cancellation payments to manufacturers with war contracts.

In making compensation, the government would reimburse the manufacturers for their expenses, and allow for profit on the work done.

Since it was estimated 100,000 prime contracts and 1,000,000 sub-contracts will be cancelled during the war, the government might have 75 billion dollars of war goods in its hands when hostilities cease.

RUSSIA: Peace Talk

Chewing deeply into German lines all along the 900 mile front, Russian troops continued to roll back the Germans in the north, central and southern sectors.

Although the Nazis engaged in stubborn holding actions, they were forced to pick up their stakes and move backward under the unyielding pressure of the Reds.

While fighting in the east, the Red Army's operations in the post-war planning recommended orderly sale of this surplus so as not to disrupt normal markets.

ARMY MAIL: Military postal authorities urged write "trivial" letters

Patents of great military value have been taken over by U. S. management for the production of dyestuffs, photographic equipment, electrical apparatus, optical instruments and pharmaceuticals.

Valued at 275 million dollars, Axis investments seized by the Alien Property Custodian include trademarks, copyrights, real and personal property, ships, and property administered by the courts in addition to the businesses and patents. Cash and securities are being held by the treasury.

ACCIDENTS: Industrial accidents are causing a loss of production

Blaze Blazes: Black market operators in Germany, scoring pay per Reichmarks, are using razor blades for small change.

MODERN EDUCATION: Proposes New Courses

Among the foremost in the development of modern education, President Robert Maynard Hutchins of Chicago University has called for abolition of the "colossal frivolities" of present-day schools. Although football was among the frivolities assailed by Dr. Hutchins, his chief criticism was directed against the present system of educating students by standard courses, which he called the "adding machine" system of summing up credits.

Declaring the present system of eight years of elementary schooling, four years of high school and four years of college were duplication and wasted effort, Dr. Hutchins said colleges could be closed within a few months.

For present day college teaching, Dr. Hutchins would substitute lectures, general reading and general examinations.

NURSES: 28,000 Students Needed

To maintain the national health care standards, the U. S. Cadet Nurses corps must recruit 20,000 more students by July 1, to bring total enrollment to 65,000 for the period beginning last September. Shortages of nurses first began to be felt in 1942, with many hospitals being compelled to close departments for lack of personnel.

Heroic service of U. S. nurses on the battlefronts has been brought sharply to the fore during the bitter fighting being waged in the Pacific where five of them have been killed by shell-fire and aerial bombardment.

New the 2,000 residents of Beaverville, Ind., know how it feels in their mansa as snowed from heaven.

While volunteers feverishly built an emergency dam to prevent the water from spilling over the levee, the water reservoir, some levees were gathered along the creek with their hands and heads up the precious fuel and log it home, while others backed their cars in the slush and filled their tanks with diesel.

One significant indication of how flustered the navy is with manpower is in the boot-camping camps, designed to train a civilian sailor. This training used to last three weeks. Now it has been run down to one week.

That is why so many people in Canada or the States were surprised when the government in Ottawa and the Canadian press rejected politely but firmly what the diplomats call British proposals for Lord Halifax, British ambassador to the United States a week or so ago.

That is why so many people in the United States and Canada who ponder such matters WERE surprised that Lord Halifax, undoubtedly the most distinguished and able of the present visitors at the White House, Winston Churchill, broached the subject at all.

Lord Halifax said emphatically that Lord Halifax was speaking for himself, not the British government, merely proffering to you, know how diplomatic waters.

Lord Halifax had said: "But what is, I believe, both desirable and necessary is that in the future, the British government should be more open to the views of every part of the Commonwealth—in foreign policy, in defense, in economic affairs, in colonial questions and in communications—we should leave nothing undone to bring our people into the closest of personal and action. It may be that we shall find it desirable to maintain and extend our present wartime close relations by giving the British people more information and consultation, which itself adapted and extended the methods we practiced in time of peace."

Now let me say at this point, if there are any Fenians or their disciples to my audience, who think I am stirring up anti-British feeling or echoing the anglophobia of the British press, I am sorry to hear of it, but with what the draft boards are giving them the attitude of a lot of good and loyal subjects of his British Majesty whose sons are dying for their country.

As the years passed, Mother England's project to give the strings that bound her far-flung dominions that were being given the wings of their autonomy. Now she wonders about that union which is

Washington Merry-Go-Round

Washington, D. C. COMPLAINTS OF 'WASTED MANPOWER' The fathers' draft has brought on a new series of complaints about "wasted manpower" in the armed services stationed in the U. S. A.

Pending a call to action, a feeling of "wasted manpower" has become a demoralizing factor. The men on the home front generally suffer most from the age-old service disease of "just waiting around."

The type of thing that happens in the waiting period is illustrated in a conference made at the naval dirigible station at Lakehurst, N. J., which brought forth the following facts.

1. At many shore stations, duty usually consists of 24 hours on, 24 hours stand-by (which means waiting around for anything to happen), then 24 hours liberty.

2. More than 1,000 civilians are employed to reconnoiter ships at high rates of pay, while enlisted men who could do the job and need the training lie around idle.

3. The Lakehurst commissary, which handles 100 crates of goods per day, is staffed to handle about 1,000. It has 10 clerks, 2 commission officers and 1 cashier. Any civilian could easily handle the whole job.

4. At Lakehurst, the "wasted manpower" by the navy's many other shore stations and it runs into thousands.

5. The men themselves are not to blame. Most of them chafe at inactivity, want to see action.

6. The position of an interpreter between the mother country and the domain of the Yanks and the Canucks is probably the simple, common-sense job, but the great bond between the Yanks and the Canucks is probably the simple, common-sense job, but the great bond between the Yanks and the Canucks is probably the simple, common-sense job.

Washington Digest

Status of Commonwealth Worry to Mother Country

England Wants Closer Cohesion of Domain; Lord Halifax's Statement Opens Controversial Subject in Canada.

By BAUKHAGE News Analyst and Commentator.

WNU Service, Union Trust Building, Washington, D. C.

One of the most beautiful buildings in Washington is the Pan-American Union with palm-and-parakeet-patterned patio, its great lobby with a modern, flat-tiled lobby.

But there is one valuable object in the lobby, awaiting its turn to be displayed. It is a chair which matches a suite of 21 others which the chair in the lobby has the seal of a Latin-American republic.

The news is that that chair is threatened to burst out of its restraints and walk on its four legs up the cellar steps to its place at the table.

Two men, more than any others, are responsible for the restlessness of this piece of furniture. One is the Canadian ambassador to the United States. The other is Prime Minister Mackenzie King.

There probably never has been a time in history when the United States and Great Britain have been so close together and yet so far apart in their multiple points of difference in peace time, than they are today.

Multiplying the differences that have brought Canada nearer to the United States than our Lady of the Snows has ever been before.

The United States very nearly occupies the position of an interpreter between the mother country and the domain of the Yanks and the Canucks.

That is why so many people in Canada or the States were surprised when the government in Ottawa and the Canadian press rejected politely but firmly what the diplomats call British proposals for Lord Halifax, British ambassador to the United States a week or so ago.

That is why so many people in the United States and Canada who ponder such matters WERE surprised that Lord Halifax, undoubtedly the most distinguished and able of the present visitors at the White House, Winston Churchill, broached the subject at all.

Lord Halifax said emphatically that Lord Halifax was speaking for himself, not the British government, merely proffering to you, know how diplomatic waters.

Lord Halifax had said: "But what is, I believe, both desirable and necessary is that in the future, the British government should be more open to the views of every part of the Commonwealth—in foreign policy, in defense, in economic affairs, in colonial questions and in communications—we should leave nothing undone to bring our people into the closest of personal and action. It may be that we shall find it desirable to maintain and extend our present wartime close relations by giving the British people more information and consultation, which itself adapted and extended the methods we practiced in time of peace."

Now let me say at this point, if there are any Fenians or their disciples to my audience, who think I am stirring up anti-British feeling or echoing the anglophobia of the British press, I am sorry to hear of it, but with what the draft boards are giving them the attitude of a lot of good and loyal subjects of his British Majesty whose sons are dying for their country.

As the years passed, Mother England's project to give the strings that bound her far-flung dominions that were being given the wings of their autonomy. Now she wonders about that union which is

SNAPPY FACTS ABOUT RUBBER

Normally U. S. motorists need 30 to 35 million new replacement tires a year. In 1942 and 1943 combined, only about 17 million tires will have reached vehicle owners through retreading of old tires.

Koroseal is "fluted" polybutyl diene, a B. F. Goodrich rubber material that before the war was used in more than 300 different products. Koroseal has come to war.

Wheel alignment means much to tire mileage these days, with new safety cars in service. Frequent checking of camber and toe-in in front wheels will save a rubber and mileage saver.

King stated that he was sure the speech had been misinterpreted, that he had been assured that it was not the official attitude of the British government, but he also said it was "unfortunate." He said further:

"With what is implied in the argument employed by both these eminent public men (Halifax and Sussler), I am unable to agree."

Then he said this statement, which means that the issue of security, employment and social standards, we must join not only with commonwealth countries but also with all like-minded states, if our purposes and ideals are to prevail. Our commitments to these great issues must be part of a general scheme, whether or not for a world basis or regional in nature.

This look forward, therefore, to close collaboration in the interests of peace not only inside the British Commonwealth, but also with all friendly nations, small as well as great."

The Canadian press of all parties, including the official press, showed a unanimity in supporting the prime minister seldom witnessed in Canada.

This means that since Canadian interests lie in this hemisphere to a great extent, where hemispheric solidarity is essential to the welfare of the nations concerned, it is clearly fully to keep a perfectly good piece of furniture in the basement of the White House.

"Daughter am I in my mother's house, but mistress in my own."

"The Fenians" That is why so many people in Canada or the States were surprised when the government in Ottawa and the Canadian press rejected politely but firmly what the diplomats call British proposals for Lord Halifax, British ambassador to the United States a week or so ago.

That is why so many people in the United States and Canada who ponder such matters WERE surprised that Lord Halifax, undoubtedly the most distinguished and able of the present visitors at the White House, Winston Churchill, broached the subject at all.

Lord Halifax said emphatically that Lord Halifax was speaking for himself, not the British government, merely proffering to you, know how diplomatic waters.

Lord Halifax had said: "But what is, I believe, both desirable and necessary is that in the future, the British government should be more open to the views of every part of the Commonwealth—in foreign policy, in defense, in economic affairs, in colonial questions and in communications—we should leave nothing undone to bring our people into the closest of personal and action. It may be that we shall find it desirable to maintain and extend our present wartime close relations by giving the British people more information and consultation, which itself adapted and extended the methods we practiced in time of peace."

Now let me say at this point, if there are any Fenians or their disciples to my audience, who think I am stirring up anti-British feeling or echoing the anglophobia of the British press, I am sorry to hear of it, but with what the draft boards are giving them the attitude of a lot of good and loyal subjects of his British Majesty whose sons are dying for their country.

HIGHLIGHTS in the week's news

ARMY MAIL: Military postal authorities urged write "trivial" letters. ACCIDENTS: Industrial accidents are causing a loss of production. BLAZE BLAZES: Black market operators in Germany, scoring pay per Reichmarks, are using razor blades for small change.

MEDALS: To the first of the year, 133,588 decorations have been awarded by the Army.

ARMY MAIL: Military postal authorities urged write "trivial" letters. ACCIDENTS: Industrial accidents are causing a loss of production. BLAZE BLAZES: Black market operators in Germany, scoring pay per Reichmarks, are using razor blades for small change.

MERRY-GO-ROUND

A New Appointment: Chairman Ben Hartzog is boosting Dan Nease, Internal Revenue collector at Kansas City, to be his successor as Commissioner of the Missouri State.

BRIEFS by Baukhage

The death rate for the first six months of 1943 was 11.9 per 1,000 population in the United States, against 14.8 per cent higher than for the corresponding period in 1942.

THE DEATH RATE

The number of women hired by United States railroads increased 138.6 per cent for the year ending June 30, 1943.

THE DEATH RATE

With 430 million people to support, China has 210 million people cultivated land. The United States with 132 million people has 345 million acres of cultivated land.

Speaking Sports by Bob W. Shand

BASEBALL, and organized sports in general, has an able, eloquent friend in Senator Scott W. Lucas of Illinois.

Speaking before the annual dinner of the Baseball Writers Association in New York, Senator Lucas did an excellent job in stressing the value of sports as a morale builder in wartime.

Olympic Games The Olympic games which opened at Berlin last night are the first to be held in a city which has been a theater of war.

Baseball and football never managed to make much headway in the Westland. There is probably a good reason from the Nazi viewpoint.

Own sports program is the biggest of its kind in the world. It isn't a regimented thing, designed to fit a people for battle.

Nazi Creed That isn't the Nazi's creed. Physical fitness is to him a moral, a definite end.

The football fields of America do not know an aristocracy. The names on team rosters are simple evidence of democracy.

A vocal few wanted to abolish all sports immediately after the declaration of war. Here is Senator Lucas' answer to them:

As an American who loves the game of baseball, I sincerely believe in the patriotic purpose of sports in this great emergency.

In the senate last November Senator Lucas presented facts and figures to show that professional baseball is essential in wartime to maintain public morale.

SPORTS SHORTS Erud Holland, All-American end at Cornell, is coaching a shyards baseball team in Chester, Pa.

TO YOUR Good Health by Dr. James W. Barton

STIFFNESS AND PAIN

There are intelligent men and women who have pain or "aches" in their muscles or around joints, who think that, as they approach middle age, they must expect to have a little stiff and continue to have the muscles themselves, it forms ligaments.

What is the nature of the pain, stiffness and tiredness in different parts of the body?

It is a chronic inflammation of the tissue called fibrositis. White fibrous tissue is found where there is no "stretching" of the tissue, thus being unlike muscle tissue which stretches and relaxes like elastic.

Dr. Barton of the body and joints. White fibrous tissue is found where there is no "stretching" of the tissue, thus being unlike muscle tissue which stretches and relaxes like elastic.

What causes the inflammation of this fibrous covering tissue? Just as other tissues—muscles, nerves, blood vessels—can become infected, so can this fibrous tissue.

Changes of season with their myriad of new fruits and vegetables in season bring with them delightful changes in menus and perk up appetites, but before the new season begins there's a "let-down" to dullness in the stomach.

Frequently just a small change in the menu can bring a chorus of cheers from the family. For example, try a crusty fruit bread quickly prepared or a luscious dessert, new and different salad or an unusual appetizer.

Remove Bad Teeth May Cure Arthritis The first thought in a case of chronic rheumatism, is to try to find the cause, which often is infected teeth or tonsils.

QUESTION BOX Q—What would cause veins to break out, not only on my legs but on my neck? A—Your doctor can give you the necessary advice for this condition. It may be hereditary.

BEDTIME STORY PETER RABBIT HAS SPRING THOUGHTS

MEMOS... by Lynn Chambers

Luscious Desserts, Springlike Salads Please Appetites

Win some Bluebird's on the way! He is due most any day. "How do you know? Who told you so?" he demanded.

"Nobody told us, but we FEEL it," cried the Merry Little Breezes, and kept on singing as they danced. "Rhub" said Peter. "Feeling isn't KNOWING. Perhaps Winsome is on his way, and perhaps he isn't. I hope he is, for that would mean Mistress Spring is on her way, too, and she can't get here too soon to suit me. But I would feel a lot more sure of it if I could see some sign."

"Use your eyes, Peter! Use your eyes! There are flowers in bloom already. We've seen them. What better sign than the Mistress Spring is coming do you want?" chanted the Merry Little Breezes. Peter jumped a foot off the ground. "AY," he cried, "are you crazy? Look at this snow all over the Green Meadows! Do you expect me to believe that?"

"We don't care whether you believe it or not, it is so," cried the Merry Little Breezes, dancing around Peter and throwing snow in his face. Welcome Robin's on the wing! Very soon you'll hear him sing. With this the Merry Little Breezes danced away across the Green Meadows toward the Green Forest, leaving Peter to stare after them as they disappeared.

Cherries make a colorful pie that will make a feast out of any meal. The pie pictured above is just an ordinary cherry pie but one with a jellied cottage filling resting underneath those cherries.

Old-Fashioned Pork Pie (Serves 6) 2 cups cooked pork, cubed 2 cups sliced cooking apples 2 tablespoons sugar 1/2 teaspoon nutmeg 1/2 teaspoon cloves 1/2 cup recipe of plain pastry Arrange pork and apples in layers in greased casserole. Sprinkle with sugar, nutmeg and cloves and top with plain pastry. Slash well and bake in a hot oven 15 minutes.

Patatobergers (Serves 6) 1 pound hamburger 2 cups coarsely-grated raw potato 1 cup onion, coarsely grated 1 1/2 teaspoons salt 1/2 teaspoon pepper 1/2 cup fat Combine all ingredients, mixing well. Shape into patties and fry in hot fat until well browned all over. "Can she bake a cherry pie?" the young man would ask his bride-to-be. That pie is still on her mind, and you'll like this variation of the original theme.

"Cherry Custard Pie. 1 package cherry flavored gelatin 1/2 teaspoon salt 1 1/2 cups boiling water 2 eggs, separated 1 cup cherries, canned 1 baked pie shell Delicious custard in boiling water with cabbage wedges, boiled potatoes and roasted carrots. Baked sweet potatoes are a must with Boston Duff. A dish of applesauce and a bowl of Harvard beets do the right thing for you all they could eat. Browned potatoes and brown gravy go with pot roast. Dumplings are indicated with stew. Mustard pickles and mold-made fruit salad are perfect accompaniments. Delicious corned beef bratket is good with cabbage wedges, boiled potatoes and roasted carrots.

WHEN we think of the type of curtains used in Early Colonial cottages, crisp ruffles and ruffles usually come to mind. It is true that ruffled curtains were used in Colonial times but the curtains of the first homes in the New World were of the casement or sash variety. We must remember that as late as the discovery of America glass windows were rare. They were of the casement type with tiny diamond-shaped pieces held together with lead. Simple straight curtains to keep out the glare and give privacy were; the next logical development.

Frills and larger panes of glass came later but sash curtains were also used with these new windows. They are also being used with good effect today for rooms where an informal atmosphere is needed. In the dinnette shown here the sash curtains window are bordered with a set of color floral plates.

NOTE: This is the first of a series of modern adaptations of period curtain fashions. There is another interesting treatment of a seventeenth century window and the method of lining casement draw curtains is illustrated in BOOK 8.

## Do You Remember Way Back In— 1926

No Politics—in early year Later W. C. Hamilton for Commonwealth Attorney Henry R. Prewitt, Circuit Judge A. W. Young for State Senator Deaths—Mrs. Z. T. Young Mrs. Harlan Blair S. S. Cassidy, Ford Tackott infant son of Mr. and Mrs. T. F. Hogge, Sam Caudill, W. Bailey, A. W. Lee. And the weddings—27 was a good year.

Charles E. Jennings and Wynona Atchison, Ava Alfrey and Lester Caskey, Halls E. Davis and Jimmy Banastark, Vella Waltz and Ernest Jayne, Bonnie Basenback and Bill Scroggins, Margie Anghin and Waltham Gullet, Lucy Wilson and Clark Lane, Mary E. Young and C. J. Gruber, Pearl Adams and Dock Tabor, Mabel Richardson and Virgil Lyons.

The Flood of 1927 on May 30, Alex Patton family killed when their auto was struck by the train.

Over 600 students enrolled in the College. Dr. A. W. Adkins moved to Morehead.

Dr. G. C. Nickall completed his new clinic building and moved in. New Methodist was started. New City Hall was built.

Rat Killing contest was on (We need another).

Four prisoners escaped from Rowan jail. Morehead College rated as class "A".

"Little" George McCullough undergoes tonsil operation.

## Prof. Brown Speaks At Men's Club Meet

Prof. Irmel N. Brown, instructor in the Navy Training School, was the speaker at the regular meeting of the Morehead Men's Club last Thursday evening.

Professor Brown spoke on "A Century of Electrical Development." In the course of his remarks Professor Brown indicated some of the great discoveries of the past century which have changed electricity from an experimental toy to the giant industry of today. He prophesied greater discoveries.

Commander George Walker conveyed to the club members the appreciation and farewell of Dr. H. P. Saunders, who was recently transferred to sea duty.

## How To Buy Fertilizer

The University of Kentucky has recently published a new leaflet, telling how to buy and use commercial fertilizers. Some of the statements of interest in the leaflet are as follows, the percentage of nitrogen is always stated first, phosphoric acid is second, and potash last. A 4-10-6 grade for example contains four per cent of nitrogen, ten per cent of phosphoric acid and six per cent of potash.

The important thing to have in mind in buying commercial fertilizers is how many pounds of plant food you are getting for the money. In general, nutrients are cheaper per pound in the higher grade mixed fertilizer than in those in lower grade.

On row crops commercial fertilizer, unless applied heavily, more than six hundred pounds per acre is most effective applied in two bands, one on each side of the row three to four inches

## Waste Paper Holds Precious Cargo

(Official U. S. Navy and Army Photo) The lives of countless American soldiers will be saved by the paper-wrapped supplies these Papuan natives are carrying. It is blood plasma, collected by The Red Cross and donated by millions of us on the home front. Just as you send your blood off to save our soldiers and to hasten victory, so you must save waste paper. It is processed into cartons which bring vital food, medicine and ammunition to our gallant boys. Lost shows how wasteful consumption with supply cartons piled high. Save your waste paper to sustain victory!

from the row and at least three inches below the surface of the soil. The application should be made shortly before, during, or shortly after planting or setting, except that often nitrogen will be just as effective applied later.

## Farm Machinery Repair Shops Are Ready To Work

The three farm shops of Rowan county will soon be opened for the repair of farm machinery. These shops are located at Sharkey, Elliottville and at the agriculture building near Morehead. This is the time of the year that all farm machinery should be in the best condition possible. Waiting to repair until the job is to be done may cost us several days of important delay. We must realize that we must make the farm machinery we now have to produce more this year than ever before. This must be done with even less labor than in former years.

The Rowan County Board of Education is sponsoring this farm machinery repair program. A new building is being erected in the Sharkey community for the shop there. This building will be completed in about two weeks and work will start immediately in the new building. John C. Eldridge will be in charge of the Sharkey shop.

Letters will be sent to the farmers of the Morehead and Elliottville communities regarding the starting dates of the classes there.

## 14,000,000 Cords Your Boy's Supply Of Pulpwood

Why are 14,000,000 cords of pulpwood needed in 1944? A clear-cut answer may be found in the disclosure that the Army Service Forces, whose job it is to equip American invasion forces, plan to land six tons of supplies initially for every American overseas and an additional ton for the first sixty days.

What's the connection? Well, practically every bit of equipment, all food and medical supplies, and most ammunition are all packaged in paper or paperboard before being shipped abroad. And that takes a lot of pulpwood.

Without the protection of pulpwood products, many of these vital supplies might never reach their destination or else be unusable because of moisture. Pulpwood shields them from bad weather, salt water, and cushions them against the inevitable rough handling.

Many persons have become careless to appreciate based on big figures since the outbreak of the war. One reads daily about billions of dollars being spent, millions of this or that being needed. So let's put it another way: Four boys or your neighbor's boy overseas, poised for the invasion, needs six tons of supplies packed in pulpwood. How many cords are you going to cut for him?

## More Rowan County Babes

Boys—November James H. R. Armstrong—1.

ture show at the Mills Theatre. The teacher and children feel very grateful to Mr. Shaffer for making this entertainment possible. Eunice Cecil, Chairman of the Spelling Bee Committee had charge of the Bee. A list of the prize winners follows:

Sword Drill—First prize, Louise McBrayer, Poplar Grove School; second, Evelyn Early, Elliottville School; third, Agnes Plank, Clark School.

Spelling Bee—First prize, Billy Prewitt, Clearfield; second, Wilma Brown, Clark; third, Mary Joe Caudill, Bull Fork. Art prize—First, Loretta Pultz, Seas Branch; second, Theima Stidom, Clearfield; third, Phyllis Stewart, Clearfield; fourth, Ora L. Gregory, Clearfield; fifth, Zane Collins, Clearfield. Honorable mention, Thelma Stidom. Art Ch' members of the Rowan County Rural Schools by grades for 1943-44:

First grade—First prize, Ivan Logan, Clark School; second, Edith Brown, Hardeman School; third, Brooks Hamilton, Clark School; honorable mention, Vernon Plank, Clark School. Second grade—First prize, Mabel Stidom, Clearfield; second, Julia Stone, Clark; third, Freda Riley, Clark; honorable mention, Mary E. Hanes, Clearfield; Alma Estep, Clark; Julia Stone, Clark.

Third grade—First prize, Minnie Jent, Clearfield; second, June Hicks, Sharkey; third, Greta Hall, Clearfield; honorable mention, Minnie Jent, Clearfield; Vernon Estep, Clark. Fourth grade—First prize, Hilda Fay Lambert, Clearfield; second, Howard Logan, Clark; third, Doris Cooper, Hardeman. Fifth grade—No first prize; second, Edna Myrner, Clearfield; third, Ora Riley Clark; honorable mention, Anna Ruth Sargent, Clearfield; Ruth Salyer, Clearfield. Sixth grade—First prize, Martha Ann Bumgardner, Sharkey; second, Stella Hay, Clearfield; no third prize; honorable mention, Stella Hay, Clearfield; Amanda Hicks, Sharkey, Juanita Briles, Little Brusty; Martha Ann Bumgardner, Sharkey, Juanita Briles, Little Brusty. Unit—Clearfield, Third grade.

Processed Foods Green stamps G, H and J in Book 4 good through Feb. 20, Green K, M and M good Feb. 1 through March 20.

Meats—Cheese, Butter, Fat, Canned Fish, Canned Milk Stamp V good now; X Feb. 6, all expire Feb. 26.

Girls—December Freddie Deloria, Fred McClave—16 Bettie Joe, Wilbur Lee Whetstone—25.

Late Comees Boys Curtis Ray Curtis Conn—12-17 Donald Gene, Alline Caudill—11-19.

Girls Darleen, Icie Wallace—8-30

Wi- KIAC (Continued from Page One) Miller promptly gave him a berth on the starting five.

Max Brand, junior from Paintsville, Ky., and Melvin Otten, freshman from Dayton, Ky., have been the only two boys on the squad to play in every contest. Harry Carpenter, an Olive Hill product, missed three games with a sprained ankle. Warren Cooper, Morehead's offensive spark, was on the shelf for two games with a sprained hip. Foster Calhoun, of Hindman's state championship five, was hit by the flu epidemic most of the season.

The Eagles have hit consistently all season long, amassing 960 points in 17 games for an average of 56 points a battle. The opposition has been limited to 500 totals or 36.6 a contest. Cooper of Brooksville led the Morehead attack with 315 markers. In 15 games he has an even 21-point average to lead the state and south.

Spelling, Art (Continued from Page 1) Spelling Bee contestants made a journey through the Science Building and on to College Cafeteria where they were served a free dinner. In the afternoon they were entertained with a free picnic.

PERMANENT WAVE 39c Do your own Permanent with most including curlers and Charms-Kurt Kit. Complete equip shampoo. Easy to do absolutely harmless. Praised by thousands including June Lang, glamorous movie star. Honey refunded if not satisfied. H. BATTSON DRUG STORE

Stamp 30 in Book 4 good for 5 pounds through March 31.

Stamp 18 in Book 1 and No. 1 airplane stamp in Book 3 good for 1 pair each until further notice.

Gasoline Stamp A-10 good for 3 gallons through March 21. B, C, B-1 and C-1 stamps good for 2 gallons until further notice. B-2 and C-2 stamps good for 3 gallons until used. State and license number must be written on face of each coupon IMMEDIATELY upon receipt of book.

Next inspections due: A book vehicles by March 31; B's by Feb. 29; C's by Feb. 29; commercial vehicles every 6 months or every 5,000 miles, whichever is first.

Speaking of Postwar Planning as who isn't... THERE ARE FULL of talk about Post-war Planning... Big plans, little plans, dreamy plans, hard-boiled plans. Just bear in mind that... The best planner for your personal postwar world is yourself! And probably the wisest plan you can adopt is to make every extra dollar you can lay hands on into War Bonds—where they become "bullet-duty" dollars. They'll not only help finance the War—they'll be mighty useful toward making your world that better world we're all hoping will emerge afterwards.

WAR BONDS to Have and to Hold

\*\*\*\*\*  
**Have you a hidden talent?**

If you'd like to find out what your special aptitude is and put it to work to help win this war—take the opportunity the WAC offers you!  
Join the WAC and let Army experts help you discover the type of work you can do best. Let the Army train you to do one of 239 vital jobs. Learn a skill that will be useful to you long after the war is over! (If you already have a skill the Army can use it too.)  
Get full details at your nearest U. S. Army Recruiting Station (your local post office will give you the address). Or write, The Adjutant General, Room 4415, Munitions Building, Washington, D. C.

**A-Mericans-All**

(Continued from Page One)  
chance as the rest but maybe that isn't much. Sis how is the work now? Has any of them shut down. I thought I knew about rain in New Guinea but I didn't until I came here.  
Sis tell all of my friends hello and that I hope to see them some day, but God only knows when if ever.  
Sis I am sending a Jap's book to you but I guess you will have to wait until I come home to hear it read for I know you can't read it.  
Well? I guess about all of my new friends is in the army by now, three wouldn't be much pleasure back there. More than likely they are over here.  
I will sign off for now, so long and answer soon.  
Miami Beach, Fla. — T-Sgt. Grant Carter of Morehead, Ky., recently returned from service outside the continental United States. Now is being processed through the Army Air Forces Redistribution Station No. 2 in Miami Beach, where his next assignment will be recommended.  
This is one of the Redistribution Stations within the command of the AAF Redistribution Center. At an AAF Redistribution Station, AAF returnees from theaters of operation are examined by specially selected medical and classification officers whose joint findings are used in determining new assignments.  
AAF personnel, including enlisted men and officers alike, are assigned to a Redistribution Station upon their return to the United States, but do not report to the Station until completing a furlough or leave of approximately three weeks.  
Sergeant Carter, 26, is a son of Mrs. Wanda Carter of 411 Second street, Morehead, Ky. As B-17 Flying Fortress radio operator and punner he flew bombing missions from England. He was missing in action for two and one-half months. He was awarded the Purple Heart and the Air

Medal.  
A. P. O. 24.  
January 16, 1944.  
My dear Editor:  
Since my date of inducting over two and one-half years ago I have had the pleasure of reading the Rowan County News through the courtesy of a close friend, it has kept me informed of what is taking place there and of the many others who are serving as I am. It seems that the many letters published from service men contain information pertaining to the hardships that are being endured.  
I would like to through your paper convey a message to them which will enlighten them of their heavy burdens. I for one would cherish a mutual transfer for some of that hard soldiering in the States, with the leaves, the homefolks and the good old U. S. soil for my place here in the pursuit of the Japs, let me warn you you will never realize the horrors of near or the nerve racking of it until you have a war closer relation than a bog and thousands of miles away from the front.  
However it has been a long time since I set foot on good home soil and I envy all of you but I am giving you fair warning when your number comes up to get hot on the trail of the Japs or the Germans, prepare for something besides your easy life you can now enjoy.  
For those of us who have the opportunity to serve here near the front we deem it an honor and a pleasure to serve, fight and win anytime we are called upon to do so, due to censorship and for one's own good I cannot write what I would like, however, when the last shot is fired and the American flag is raised over all Axis countries, we can get together and swap the tales of our experiences, may the best tale win.  
In closing I wish you all God speed and good luck in future operations.  
Yours in Victory,  
BURNIE FULLER

**R Brown**

(Continued from Page One)  
Webb, Louisville, Kentucky. His wife preceded him in death, February 24, 1936.  
Inasmuch as it has pleased Almighty God in His infinite wisdom to call this dear Father and friends from his earthly home to his Heavenly home on high, let us say as David of old, "Let us arise and go to him," and in bowing with humble submission to Him who doeth all things well, we wish to extend to the sorrowing family our sincere and heartfelt sympathy, with a fervent prayer that God's blessing will rest upon them and His grace will abide with them forevermore.  
Funeral services were held at the Nazarene Church at Haldeman Thursday afternoon at 2 o'clock by the Rev. Elmer Collins, pastor, and Rev. Russell Smith, and burial was made Friday morning at 10 o'clock at the Williams cemetery at Elizabethtown, Ky. The Ferguson Funeral Home had charge of the arrangements.

reason, the amox was a little short of former years. However Mrs. Croswaite did a very good job, and with a little more time would probably have gone far ahead of former years.  
Below we publish a letter from headquarters.  
Louisville, Ky., Feb. 17, 1944.  
Mrs. Stella Croswaite  
Morehead, Kentucky  
Dear Mrs. Croswaite:  
Thank you very much for your report and check for \$127.71, raised in Rowan County in our campaign. Please find attached your receipt.  
Instead of being disappointed, we are much gratified at the result you achieved, because we knew you were under a disadvantage in doing this work.  
Please accept our thanks for your help, and with best wishes.  
Sincerely yours,  
NEIL DALTON,  
Director.

The place for a person with a racking cough is home in bed! But oftentimes, office, school or household duties make that impossible. To curb these coughs due to colds, we recommend  
**NYALYPTUS**  
—the golden cough syrup with eucalyptus. It loosens phlegm, soothes throat irritations; lessens the discomfort and possibility of further bronchial infection. Only at your Myel Drug Store.

**Battsons Drug Store**

**Every One**  
in Rowan County will want  
**A Frozen Food Locker**

Do you need a locker? If so, you must sign your application and deposit for it. There is no other way to get one. The Government has made that ruling.  
Your application and deposit must be on file at the Bank to prove that Morehead and the community needs the system. Here's what a Modern Food Locker will mean to you:  
80 per cent. less labor is required than in canning and preserving and you have no failures.  
You can have fresh strawberries, blackberries, raspberries, fresh lima beans, string beans and your fresh corn on the cob any time of the year. When your spring chickens are ready for broilers or frying, you can dress them, saving on your feed bill, and put them in the Locker, and you can have spring chickens any time you wish. You can butcher any time that is convenient for you, winter or summer, and eliminate your chances of spoiling your meat by the weather changes.  
Preserve the full flavor and vitamin content of YOUR OWN HOME PRODUCED vegetables, fruits and meats the most modern way.

**QUICK FREEZE**

Authorities agree that food retains much higher nutritive value when QUICK FROZEN, properly stored than when home canned or preserved. The result is increased energy, vitality and good health. A Locker will hold approximately 300 pounds of food—a hog, one half of a baby beef, one hundred spring chickens or approximately the same amount of fruit or vegetables.  
You can restock as you need it. The average locker room saves upward of \$100 per year.  
Ask anyone who uses them. Do not put off until too late and then wish you had rented one. Here's the price on the two types:

DOOR TYPE ..... \$12.00 Per Year  
DRAWER TYPE ..... \$15.00 Per Year

YOU CAN SIGN FOR ONE NOW AT THE FOLLOWING PLACES:

- CITIZENS BANK
- CO. AGENT'S OFFICE
- PEOPLES BANK
- A. A. A. OFFICE

**For Quick Sale**

**EVERY EXTRA CORD OF PULPWOOD BRINGS VICTORY NEARER**

Right now one of the critical war-material shortages is pulpwood. And this shortage can be overcome. There is plenty of pulpwood to be cut. The woods are full of it. The only problem is to get it cut.  
**Cutting Pulpwood Is An Essential War Job**  
If you are in a position to get out some pulpwood—and every cord helps—you can contribute that much to an early victory and be well paid for your work. The nation looks to you for help! For information, ask your local pulpwood committee.

## Give Pantry Shower For Coopers

The Sunday school classes of the Methodist church had a "Pantry Shower" for their pastor and wife, Rev. and Mrs. C. L. Cooper, Tuesday night. Gifts of every sort of food were given and a social hour was enjoyed.

## Rev. Johnson Surprised On His Birthday

Rev. and Mrs. Bill Moore entertained at a birthday party Monday evening honoring Rev. Ramah Johnson, pastor of the Church of God.

Members of the church and their friends attending at the party, showered Rev. Johnson with silver. He received a nice amount. Mrs. Moore served refreshments and everyone reported a nice time.

## Has Birthday Party

John David Bach celebrated his fifth birthday last Friday and invited several in for a party in the evening. In tell about "Johnnie" and "it's my birthday and I want a cake and two custard pies." Then he went down to the Big Store and asked everyone to "come to my birthday party."

John David received "lots of presents," so many as he said, that he had them spread all over the house.

Mrs. E. Hogge and daughter, Mary, visited her son, Walter, and family in Lexington the first of the week.

Dr. and Mrs. M. V. Wicker, of Wayland, visited their daughter, Mrs. Frank Laughlin and family, the past week.

Mrs. O. O. Hanev, of West Liberty, visited relatives here Saturday and Sunday.

Pvt. and Mrs. Fred Casisty spent the week with her parents in Salyersville.

Ralph Holbrook, who is connected with the Avon Air school, has just returned to Lexington. Allie Holbrook, who is spending

## U. S. O. Has Party For Navy Wives

The Navy wives who are in Morehead with their husbands, were honored at a party at the U. S. O. Thursday evening. The following were the invitations sent to the girls:

"Attention, Navy Wife—You are hereby ordered to 'muster' at the U. S. O., Thursday, February 17, at 7:30 p. m. for a social gathering of the 'gals who follow the fleet.'"

In your "Sea Bag" be sure to have an inexpensive gift to be used for "cittason purposes."

The party was sponsored by Mrs. J. D. Falls and Mrs. M. C. Crosley, who were assisted by Mrs. Harry Goldberg and Mrs. John Kelly. Refreshments were supplied by Mrs. Goldberg and Mrs. Kelly. The invitations were composed by Mrs. Joe Stallcup and Mrs. Frank Page who otherwise assisted in arrangements.

Fourteen "wives" enjoyed a lovely evening of games and bingo. Prizes were furnished from the "Sea Bags" for the various contests.

The local U. S. O. tries in every way to furnish entertainment for the Service Men and their families and all who attend are more than repaid.

Mrs. D. M. Holbrook has as her guests this week, her daughter, Mrs. J. J. Shawhan, Mr. Shawhan and daughters, Doris, Marie and Ruth Allie, of Alexandria, Ind.

from Baltimore. He spent the week end with his wife and four weeks old son, Harold LeRoy, who are staying with his parents, Mr. and Mrs. Roy Holbrook.

Mrs. Grace Ford went to Louisville Friday and was the week end guest of Mr. and Mrs. C. A. Blanchard and daughters.

Hubert Counts was a business visitor in Morehead last Wednesday.

his furlough with his mother, Mrs. D. M. Holbrook spent the week end with his sister, Mrs. Steve Hook and Mr. Hook in Augusta. They returned home with him Sunday. Mr. Hook left Monday, while Mrs. Hook remained for a longer visit.

Mr. and Mrs. Harry Goldberg and children visited her parents, Mr. and Mrs. A. Rosen in Cincinnati Sunday and Monday. They also bought merchandise for the Guide Department Store.

Mrs. O. P. Carr went to West Liberty Monday to attend the funeral of a friend.

Lt. and Mrs. Ellis Johnson and daughter, Barbara Len, left Saturday to return to his duties at Iowa City after a visit with friends here.

Mr. and Mrs. Bob Laughlin spent the week end in Mt. Sterling, guests of Mr. and Mrs. Howard Canan.

Mrs. Paul Reynolds went to Muncie, Ind. Monday to visit Mrs. Creed Patrick and Mr. Patrick.

Mr. W. K. Kenny and infant son, Lewis Kinnard, who was born at the Good Samaritan hospital on February 15, returned home Wednesday.

Cpl. and Mrs. Robert Elam spent Tuesday in Paintsville. Cpl. Elam returned in the evening and on Wednesday he left for Denver, Colo., where he will be stationed in the Air Corps.

Miss Marie Ramey has been the guest of her parents, Mr. and Mrs. Curtis Ramey for a few days. Miss Ramey will leave Ashland, where she has been working, next week for Des Moines, Iowa, where she has enlisted in the WACS, as a Dental Technician.

Mr. and Mrs. Warren Lewis and family of Paintsville, were week end guests of his aunt, Mrs. R. G. March and Mr. March.

Beginning next Monday and lasting through Friday, the ladies of the Baptist Missionary Society will hold a week of prayer for home missions. They will meet each afternoon from three till four. A program being arranged.

L. P. Huddleston, of Somerset, was injured when hit by a truck, is improving according to word received by his daughter, Mrs. C. E. Bishop.

Dr. and Mrs. W. H. Vaughan had as their guests at lunch Thursday, E. E. Shannon, of Louisville, Harry La Vies of Paintsville and Dean and Mrs. W. C. Lappin.

## No Extra Sugar To Be Available

Spare Stamp No. 3 in Ration Book 4 has been made valid for use February 17-26 for five extra points in the purchase of fresh pork, ham, bacon, all types of sausage and canned meats that are 100 per cent pork. It is not valid for the purchase of lard.

Guard especially Book 4. It's designed to last you two years if rationing continues. Don't destroy Book 3 when brown stamps are spent. Airplane stamp No. 1 in this book is the currently valid shoe stamp.

## This Weeks In The O. P. A.

While the sugar situation remains as it is at present, there is no possibility of Kentucky farmers being able to obtain extra sugar for the curing of hams, the Lexington OPA Office announced this week.

In response to inquiries regard-

## PREVENT FIRES

REMEMBER THESE RULES:

- 1—Softwood group: Poplar, Linn or basswood, Curcumber, Buckeye, White Walnut, and Willow.
- 2—Virginia Sewell pine, Pitch Pine, Yellow Pine, Table Mountain Pine—Variously known as Jack, Old Field.

1—Softwood group: Poplar, Linn or basswood, Curcumber, Buckeye, White Walnut, and Willow.

2—Virginia Sewell pine, Pitch Pine, Yellow Pine, Table Mountain Pine—Variously known as Jack, Old Field.

US VICTORY PULPWOOD CAMPAIGN

IF YOU BURN SLASH First—get a permit Last—kill every spot

ing the possibility of obtaining extra allotments, the Office of Price Administration pointed out that the sugar situation has not improved to any appreciable extent during the past year. In 1943, the over-all supply of sugar was only 5 per cent greater than that available in 1942, while production in this country was greatly decreased. Best sugar production was only 15 per cent of the 1942 production because of labor shortage. Sixty-five per cent of all sugar supply in this country is coming from the Caribbean, which means transportation made under the most difficult of circumstances.

The scant surplus in this country must be conserved to protect our civilian and industrial users, and for this reason the Lexington Office, after giving consideration to allowances for meat curing, has decided that persons wishing to cure hams will have to use commercial compounds.

## Visitors At Home

(Continued From Page One)

wife and other relatives will report to a camp in Wichita, Texas, for a short furlough. He will go back to Wichita when he leaves here.

Walter Brown has been visiting his parents, Mr. and Mrs. Leslie Brown. He is in Norfolk, Va.

## Matter of Life or Death

Thousands of men will come back from this war who would have died in any other. It's this war 97.5% of the wounded live. The difference is magical—such magics as the sulfa drugs and blood plasma.

But these materials cannot work their magic till they get where they are needed. The bottleneck today is paperboard containers made from pulpwood. We thought we had plenty of pulpwood. But our vast supplies quickly vanished down the hungry throat of war, and now we are faced with a dangerous shortage.

Maximum production from pulp mills require more wood.

If you can cut more pulpwood, do it now.

**SPECIFICATIONS**

**Peeled Wood:**  
Length 5 feet; diameter at least 4 inches at small end.  
Branches and knots to be trimmed close with body of stick. Ends saw square. Remove all outer and inner bark. Do not include burned crotched or excessively knotty sticks. Saw only living trees.

**Rough Wood:**  
Diameter at least 4 inches at small end under bark.  
Other requirements same as for peeled wood.

**Peled Wood \$13 per Cord**  
**Rough Wood \$9.50 per Cord**

**CLASSIFICATION OF WOOD**

1—Softwood group: White Pine and Hemlock are not acceptable.  
2—Hardwood group: Ash, Beech, Birch, Cherry, Elm, Gum, Hickory, Locust, Maple, Oak of Various Kinds, and Sycamore.

**West Virginia Pulp & Paper Co**  
COVINGTON, VA.
