**THE Mt. Sterling Sentinel-Democrat says: "Colonel J. T. Hazelrigg and Captain T. J. Henry, of West Liberty, have purchased the 'Cottage' and 'American' Hotels, and several other houses in Morehead. We understand that these gentlemen and several other West 'Liberteens' will shortly move to Morehead. This is the nucleus of a new and better citizenship in that fated town, and when all the old war 'horses' have evacuated the ranch, Morehead will don the robes of peace and prosperity, and Rowan County will again take its wonted business and social position in the Commonwealth."**
