

Mayhew And Shadrach Named To Head Trail Blazer Staff

Harry Mayhew, a Junior English and History major, has been named editor of the 1960-61 Trail Blazer.

Others named to top positions include: Arlene Shadrach, Associate Editor; George Stevens, News Editor; Darrell Lanham, Business Manager; Lee Mueller, Sports Editor; Virginia Gaines, Society Editor and David Masters, Feature Editor.

Ray Hornback, Public Relations Director, announced the appointments today, saying, "We have an extremely capable staff of experienced persons who we feel will do an outstanding job."

Native of Paintsville, Mayhew, a native of Paintsville, was Managing Editor of the Trail

Blazer this year and was named the outstanding journalism student during his freshman year.

He is a member of the Campus Club, Wesley Fellowship and the Cosmopolitan Club and was editor of the newspaper and annual at Paintsville High School.

"It is certainly a challenging job," Mayhew said today, "but I'm looking forward to working with the fine group of people on the staff during the upcoming year."

Arlene Shadrach is a junior elementary education major from Florence who has served as society editor for the past three years.

She has been named the most popular versatile girl in the 1960 Reconteur and is a cheerleader.

She is also a member of the Cosmopolitan Club, Mystic Club, WRA, chorus and has been a member of the Homecoming Court for the past two years.

Speech Major

George Stevens is a junior speech and sociology major from Miami, Fla. He has been Sports Editor of the Trail Blazer for three years and was named the outstanding freshman journalism student in 1957.

He is a member of the Campus Club, Cosmopolitan Club, the Student Council Reporter and president of the freshman class. He is currently secretary of the Campus Club.

Darrell Lanham is a junior from Portsmouth, Ohio. He was

advertising manager of the Trail Blazer this year before being named to the Business Manager's post.

Freshman Members

Lee Mueller is a freshman English major from Inez who was assistant sports editor this year. He was a member of the school paper staff at Inez and played basketball and baseball.

Virginia Gaines is a senior elementary education major from Flemingsburg who is a transfer from the University of Kentucky. She is a member of the Mystic Club, Wesley Fellowship and the Forensic Union.

David Masters is a junior history major from Springboro, Ohio. (Continued From Page 4)

VOL. XXVIII MOREHEAD STATE COLLEGE, MOREHEAD, KY., TUESDAY, MAY 10, 1960 Number Fourteen

Student Council Leads Drive For Donors

The Morehead Student Council led an all campus drive yesterday soliciting donors for the Red Cross Bloodmobile that was open to the student body from 9 a. m. to 5 p. m.

The project was jointly sponsored by the American Red Cross and the Morehead State College Student Council with awards being presented to the organization on campus with the greatest percentage of donors. A first prize of \$15 honored the club with the leading percentage of donors, a cash prize of \$10 to the second place organization, and a third prize of \$5.

All of the blood received yesterday will be credited to a blood bank for the benefit of Morehead State College students and their immediate families. The bank may be drawn from in case of an emergency in which a Morehead State College affiliate is involved free of charge.

The progress of the donor activity was charted by the Student Council in the Doran Student House.

Six Students Attend Berea Workshop

Six Morehead State College students attended the Workshop for Mountain Youth at Berea College last Saturday. They were Buford Crager, Gary Knight, Emma Lou Gullett, Nina Adams, Sue Johnson and Harry Mayhew.

The students participated in discussion groups which were led by representatives of the University of Kentucky, the Eastern Kentucky Regional Planning Commission, Berea College, the Middleboro Daily News, the American Agricultural Chemical Company, and civic leaders of the state.

The themes of the workshop was "Community Development" (Continued On Page 4)

Thomas Murphy ... awarded scholarship to Tulane

Murphy Awarded Scholarship

Thomas L. Murphy, Junior from Mansfield, Ohio, has been awarded a scholarship to Tulane School of Law, New Orleans, La.

This scholarship is for three years, renewable each year upon maintenance of satisfactory work.

Murphy, a pre-law student here, was awarded the honor after a consideration of his academic record while at MSO and recommendations from Dr. Adron Doran, Morehead President; Dr. H. A. Carey, Head of Sociology Department; Neville Fintel, Head of the Economics Department; and Dr. Nolan Fowler, professor of History.

Election Date For Cheerleaders Near

The elections for cheerleaders for the academic year of 1960-61 will be held May 17 at the old gymnasium. Tryouts for the final election will be held in the old gym May 19 at 6:30. Anyone who wishes to try out for a 1960-61 cheerleader must be present at practice on May 17 and at the tryouts May 19.

MSC Collecting Articles For Kentucky Friendship To Korea

By Wanda Peace

During the months of April and May, more than 30,000 Kentucky Future Farmers and Future Homemakers of America, their teachers and supervisors are sponsoring a Friendship To Korea, a project designed to provide desperately needed materials for Korean orphans, widows, and homeless families.

The articles which are collected will be taken to Korea on a ship and will be distributed by a committee of missionaries, assisted by toys, household furnishings, kitchen equipment, pencils, soap and various kinds of tools.

The sponsors of this project have asked Morehead State College to help in collecting these articles. Several clubs and dormitories have complied with this request and are presently gathering many of the needed materials.

The FFA and FHA stress the fact that this project is not "another charitable venture," rather it is an effort to bring peace through friendship.

Gene Campbell Drowns While Swimming

Eugene Marshall Campbell, a sophomore from Hazard, drowned May 2 while swimming in the North Fork of Triplet Creek.

Campbell and two other Morehead head college students, Allen Smith and Jack Johnson were fishing in the Triplet waters six miles north of the college campus. After deciding to swim, Campbell received a cramp while the two other youths helplessly looked on.

An unsuccessful rescue attempt was launched in an effort to save Campbell's life by his two companions. The Morehead police and fire departments were summoned immediately.

The tragic incident occurred in the early evening hours as the local emergency departments arrived on the scene at 7:30 p. m. After applying artificial respiration for over an hour, Campbell's body was returned to Morehead and admitted to the Stucky-McBrayer Funeral Home.

Campbell was a transfer student from Eastern State College coming to Morehead at the onset of his sophomore year. A graduate of Hazard High School, Campbell was quite active in sports. He lettered in basketball and football. Campbell was working toward a major in Industrial Arts while attending Morehead.

Campbell is survived by his parents, Mr. and Mrs. Earl Campbell.

'60 Raconteur Praised As Outstanding Publication

"The 1960 Raconteur is an outstanding publication." This statement seems to be the opinion of the student body and was one elaborated upon by President Doran in the last convocation meeting.

The President said that this year's yearbook is the finest Raconteur ever to be published at Morehead State College. He went on to praise the yearbook staff and others affiliated with its publication.

The book contains a number of completely new ideas which have never appeared in earlier editions. One unique feature is a preview section consisting of the interpretation of the various functions of Morehead State College.

The publication, a 9x12 inch book, has a royal blue cover with a gold seal of the college.

The addition of color end sheets is an added feature of the book. The end sheet is a picturesque summer scene of plants and flowers adorned with a number of women students dressed in "Miss Raconteur".

Scotty Copher, senior, was selected "Miss Raconteur" for her outstanding accomplishments at Morehead State College, both academically and in extra-curricular activities, during her four years in residence here.

She was unaware of this selection until the recognition was made in convocation last week and she was presented with the first yearbook by President Doran.

The picture of her was taken by Ward Williams, local photographer, who made it to enter in a photo contest.

"The organization of this publication is one of its primary attractions," commented Ray Hornback, Director of Public Relations and advisor to the Raconteur staff, "but there are so many striking features of the book that it is difficult to single out any particular category."

CC Spring Formal

The dance of the year which is traditionally known for its elaborate decorations will be this Saturday night from 8 to 12.

The Campus Club is presenting the Hal Scott Orchestra for its Annual Spring Formal which will be held in the Doran Student House.

Invitations may be bought from any Campus Club member for \$3, couple or stag.

13 Graduate Candidates Accepted

The Morehead State College Graduate Council recently accepted 13 applications for the candidacy for the Master of Arts degree in education.

Students eligible for application for candidacy must complete one-fourth of the M.A. degree program before applying with the Graduate Council.

Those recently admitted to candidacy are:

Armic Adams, Xenia, Ohio, (Secondary Teaching); James Andrew Adams, Concord, Ky. (Principalship); Carolyn Brooks Combs, Morehead, Ky. (Secondary Teaching); Edith M. Hopkins, Drift, Ky. (Elementary Teaching); Leo P. Kelley, Dayton, Ohio, (Secondary Teaching); Clark Lykins, Bethanna, Ky. (Principalship); Mollie Wheeler May, Blaine, Ky. (Elementary Teaching); and Herbell Pack, Lowmansville, Ky., (Guidance Counselor).

Emma Charline Snedeger, Morehead, (Elementary Teaching); Roger James Stockman, Columbia City, Ind. (Secondary Teaching); Alpha Straub, Mayville, Ky. (Guidance Counselor); Thelma V. Stewart, Prestonsburg, Ky. (Secondary Teaching); and Thomas P. Rucker, Oak Hill, Ohio, (Principalship).

Marching '100' Is Official Derby Band

The Morehead State College marching "100" performed as the official band for the 1960 Derby Day Festivities held in Lexington last Saturday.

Under the direction of Fred Marzan, the band is considered one of the finest musical aggregations of the South. The band led the annual Derby Day parade and played the National Anthem prior to the running of the Kentucky Derby.

The band also toured the Louisville area during the Derby celebration playing three concerts. The Morehead College band appeared at Eastern High School on Thursday afternoon for the first performance of the tripple concert tour.

Friday morning, the band performed at Male High School and journeyed to Fern Creek High School for the final appearance of the tour.

Duncan Attends Music Festival Held April 28

"The high level of musical performance by the band and choral students in Southeastern Kentucky was a real source of gratification to me," Dr. J. E. Duncan, Head of the Morehead State College Music Department, said today.

Dr. Duncan, has just returned from the Southeastern Kentucky Music Association Festival where he was conductor of the All-Festival Band.

"The musicians in the 125-piece festival band were very well prepared," he added, "for performance." (Continued On Page 4)

Stewart Ends Edition Of 'Kentucky Writing'

By Barbara Anglin

A new edition of Kentucky Writing has been published. This new edition was edited by our own Mr. Albert Stewart of the English Department, who is director of the Writers' Workshop.

The writing in this new issue came from those who have been closely associated with the Writers' Workshop of Morehead State College, both staff members and students. Both well known and unknown writers are represented.

The cover design, representing the "Dark Unsleeping Land," was prepared by Mr. Raymond Barnhart, who teaches at the University of Kentucky. Mr. Barnhart has had many gallery appearances in this state and others.

Both prose and poetry are presented, representing the works of James Still, Robert Francis, Harvey Kurt Webster, Albert Stewart, and many others.

This No. 3 issue of Kentucky Writing and the No. 2 issue can be obtained for \$1, or the No. 3 alone for 75 cents from Mr. Stewart.

In the Editor's Note Mr. Stewart says: "Many persons aided in the preparation of this collection. To all of them I am deeply grateful, whether their aid was encouragement, contributions of their writings, or otherwise."

Dance Institute Scheduled For August 4 To 14

The annual Folk Dance Institute will be held on the Morehead State College campus this season with a full program scheduled for Aug. 4 through Aug. 14.

The program will include emphasis on material for recreation leaders, and teachers of all age levels, and includes classes in the fundamentals of folk, square, and round dancing. One semester hour of credit will be offered for the summer program.

The registration fee has been set at \$66 with a matriculation fee added if the Institute is taken for credit.

Student Council Primary Is Thursday

By Barbara Anglin

The primary election of Student Council officers for next year will be held from 10:45 to 6 p. m. Thursday, May 19, in the Doran Student House lobby. The voting will be done by secret ballot in voting booths.

The final election of the officers will be held from 10:45 to 6 p. m. Thursday, May 19, in the Student House lobby.

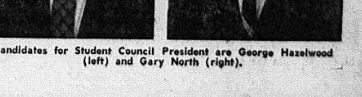

Qualifications of candidates for the several positions on the Student Council are listed in the constitution as follows:

1. Candidates for the presidency of Student Council shall have at least one year's experience on the Student Council and shall be classified as Sophomore or Junior.

2. Candidates for the vice-presidency of the Student Council shall be classified as Sophomore or Junior at the time of election.

3. Candidates for the presidency and vice-presidency of the Student Council shall be required to pass a simple test on parliamentary procedures administered by the outgoing officers and the Dean of Students.

The two candidates for each office with the highest number of votes in the primary will have their names on the ballot for the final election on May 26. The new officers of the Morehead State College Student Council will thus be elected.

Candidates for Student Council President are George Hazelwood (left) and Gary North (right).

LOOKS OF ADMIRATION—President Doran (left) joins Scotty Copher (middle) and Roger Meade in looking at the 1960-61 Raconteur. Copher was selected "Miss Raconteur" and Meade edited the book.

Our Sentiments With Regents

"We would like to express our high esteem, regard, and admiration for Dr. Doran for what he has achieved for Morehead State College by his vision, untiring efforts, goodwill, and outstanding ability."

"His outlook has been comprehensive,

reaching beyond local and state boundaries. The results he has achieved have been on a large scale too, well deserving of the recognition he has received at local, state, and national levels.

"We are proud of Dr. Doran's well earned recognition that comes from leaders throughout our state and nation in the fields of Education, Regional Development, Communication, and Government."

"But above all our hearts are warmed by the realization of how in all this doing and accomplishing, he has endeavored himself to all with whom he has worked and had day by day encounters. We feel this is accounted for by the sincere and deep Christian character of the man whose motives are so upright and altruistic as he looks ahead to further achievement for the benefit of the youth of Eastern Kentucky and to advance the educational standards of Morehead State College."

These above statements of appreciation of Dr. Doran were on April 25 and sum up our sentiments of the President exactly.

We as students of Morehead State College join the Regents in saying that "we feel it is a privilege to have the opportunity of working with and witnessing the leadership of this man of many talents."

BOARD OF REGENTS—The Trail Blazer staff endorses the statements addressed to our college president recently by the MSC Board of Regents. They are: (l to r, seated) W. H. Carmon, Chairman, Wendell P. Butler, B. F. Reed, (l to r standing) Dr. Joe T. Hyden, Charles Gilley, Alex Chamberlain, and Bruce Walters.

Band Is Mature

The Morehead State College band has grown in the past several years from under 50 pieces to a full-blooded 100-piece band. And in doing so, the band has reached musical maturity.

We as newspaper editors are by no stretch of the imagination judges of music. But those influential persons who named the Morehead State College Band the official band of the Kentucky Derby are. And those persons who invited the band to perform at a general session of the Kentucky Education Association are.

And the band, directed by Fred Marxan,

did a wonderful job on both occasions. Over 100,000 persons heard the band at the Derby and millions heard our fine group over television.

While people from throughout the state cheered the band at the Kentucky Education Association convention and many musical educators called the performance one of the finest they had ever heard.

We of the Trail Blazer, speaking for the entire student body, would like to offer our congratulations to the band for its outstanding level of achievement. We are proud of you!

Speed Enforced By Death!

We are beginning to wonder if man controls machines or machines control man.

We are inclined to the latter premise from what we can see in the use of automobiles charging their way down the boulevard to the complete ease of rein of the driver and to the complete danger of all pedestrians.

Take a normal day at the college and what do you encounter. Cars exceeding 15 miles per hour at increasing numbers each day. Cars failing to stop at crosswalks set up to protect the students. It's quite uncertain to attempt to cross from the Student House to Field's Hall. You either stand the chance of being run down by some irresponsible driver who chooses to take the right-of-way or have

to stand for ten minutes to find out what that slow moving car is going to do.

Sometimes we have the impression that some of the hot heads are just waiting until we get in the middle so that they can pull a Roadrunner and squash us on the pavement. It hasn't happened, but we get that squirming feeling too often to ignore it. Its about time that the Morehead Police Department began patrolling the boulevard more closely and began arresting some of these motorist objects and their scatterbrained occupants.

Unless they DO quickly someone on the campus will be seriously injured, possibly killed and no one wants a 15 miles-an-hour regulation to be enforced by a death.

Dorm Council Needs To Wake Up

We are quite disappointed in the Thompson Hall Dormitory Council.

The members on this Council, representing the Hall residents, have had an excellent opportunity to assume leadership in making the Hall Council a helpful organization in advising the Hall Director on student opinion.

We admit quite a bit of good has resulted from the Council's initiation, but much is left to be desired. Pencil sharpeners have been installed on the bulletin boards which is good.

But we would like to suggest that the group take a more consistent stand and carry out their original intentions to "aid the Hall Director as an advisory group in suggesting the initiation, revising, or suspension of rules and regulations."

To date there has been little evidence of true co-operation and interest in this matter by the Council.

Who Is To Blame?

In the past the student body has been condemned for not turning-out for certain events which have been sponsored on campus.

In many cases circumstances such as final examinations have kept many from attending who would like to have participated and in many other cases the student body has had NO DESIRE TO ATTEND.

It is our belief that it is not the fault of the student if he is not interested in participating in an event—it is the fault of the sponsoring group.

It has been proved that if the student body is presented with an activity it likes it will turn out in great numbers to attend. Good examples are the Student's Council's Talent Show and, more recently, the record hop on the tennis courts which was sponsored by the very active Veterans Club.

It seems that organizations would realize that you can sell and that they would try to discover what the student body wants, give it to them, and let their "product" sell itself.

The blame for weak turn-outs should not be heaped upon the student body.

Carelessness Brings Destruction

A couple of weeks ago there was a forest fire on the hill behind the dormitories in which over eight acres of woods were destroyed. Of course the fire was not started deliberately, but by accident and carelessness.

This attitude of carelessness is prevalent not only on our campus, but in our whole society. And its this same carelessness that causes such forest fires, slaughter on the highways, and destruction in many other ways.

Perhaps these things don't concern you and they never really do, until it strikes you and your property. Then its a different story isn't it. But its not different really for the things that destroy and cause heartache through carelessness always affects someone. This carelessness has to stop!

And the place for the stopping to begin is here in college. We must become more aware of what's going on and more careful in our own actions. If we don't ruin will follow our paths. It won't be just eight acres lost in a forest fire, but a whole generation of people "Who might have been" but weren't.

Nurse Does Well

We feel that our nurse, Mrs. Caudill deserves some appreciation in recognition of the fine job she has been doing all year.

She has nursed students through what could have well turned out to be an epidemic of flu and throat infection.

We definitely feel that she has done an outstanding job this year and may we say that we are indeed grateful!

Raconteur 'Alive'

We feel that the Raconteur staff deserves a statement of congratulations from every member of the student body for preserving our events of last year for future reference in such a high degree of quality and organization as they achieved in our publication of the Raconteur this year. The book is fresh and "alive,"

Hornback Talks To Home Ec Members

Ray Hornback, director of public relations, was the guest speaker at the regular meeting of the Home Ec Club which was held April 15 in Lappin Hall. Mr. Hornback gave a brief talk entitled "I Am A People Watcher."

In this presentation he stressed that each person has a different personality which is conveyed to society through communications.

In his closing remarks, he challenged each member of the club to join him in becoming a "people watcher."

Plans for the annual Home Economics Banquet were also discussed.

TROPIC PARADISE?

Is this where each man's dream shall culminate?
This fabled land of clean and sparkling sun,
So lush with growth, so choked with greenery,
That brassy heat gives rise to fabled fumes?

Where a smooth sea reflects a golden moon
That silhouettes the palms along the shore,
And amply cloaks with flatly false facade.

The restless waves and shallow planted roots?

Where honeyed voices hang in golden air,
Dipped in glowing words of purloined wisdom,
And echo in hollow lines elated.

Their sole dimension in self deception?

Beware—beneath such strident sophistry.

Man's dreams assume a nightmare quality!

A Kentucky Derby Winner Literary Club Takes Pride In First Year

April was a very busy month for the Literary Arts Club. Slowly we have taken stock on what has been accomplished and the Club can point with pride to its first year.

Recently initiations were conducted under the directorship of Alex Browning and with the able assistance of Sue Plummer and the officers of the club. The Truth or Consequence skit was enjoyed by all. The club also decided on its scholarship awards for this year and agreed to sponsor the Creative Writing Publications, Inkpot, Inspace, and Kentucky Writing.

Under the title Dark Unsleeping Land, Kentucky Writing is now being published and the others are in the process.

On April 26th, the first annual banquet took place at Jerry's Drive-In. The banquet turned out to be quite an event and enjoyed very much by the members. Frank Hicks gave the invocation and then Anne Mae Warren, president, introduced the new officers.

Officers 1960-61 are: Lynn Crawford, president; Calla Hicks, vice president; David Masters, director of publicity; John Jester, treasurer; Lois Moore, secretary. Then Frankie Evans and Crawford gave readings from Dark Unsleeping Land.

Kentucky Folklore Interesting Topic

By DAVE MASTERS
Feature Editor

South from Hell-fer-Sartin should be a very good introduction to Kentucky Folklore, since it was written by Dr. Leonard Roberts, a devout collector of folklore in the Southern Mountains.

This booklet is a compendium of stories, informational materials, parables, and individual folktales discussed, and is based on folktales compiled in Eastern Kentucky and from mountain students in the Berea Foundation School.

The stories first appeared in Mountain Life and Works under the title Folktales for Telling. Another book by Dr. Roberts, I Bought Me a Dog proved to be quite well received, selling over 15,000 copies. He also had published in 1958 Nippy and the Yankee Doodle and two of his most recent works are Up Cutsin and Down Greasy and The Tales and Songs of the Couch Family of Harlan County, the last recorded on micro-tape.

Dr. Roberts has studied folktales in Tennessee, Georgia, Virginia, West Virginia, and several other states, but says he prefers to base his collections on Appalachia. He finds that, regardless of the area that separates these mountain people, they generally have the same customs, traditions, dialects, ceremonies, and related folktales having many of the same characters.

Jack the Giant Killer seems to be one tale present in all the folktales of this region and also a part of many tales from the Old Country. This lends to the belief that there is a relationship between folktales the world over, especially from England and Ireland that are closely related to America. He further pointed out that before writing, folktales were the only means of passing culture patterns on and preserving knowledge from generation to generation.

Many people, however, who do not have a close acquaintance with mountain people have come to judge them in a quaint and derogatory manner.

Dr. Roberts emphasized that this was common mistake and that through his meetings with them, through recorded conversations, and during their hours of telling folktales, he has found them to be witty, intelligent, and having memories far better turned than people beyond the mountains, since their very culture was dependent on the telling and re-telling of folktales from generation to generation.

He further asserted that folklore is the most vital, sure sources of knowledge concerning the foundations of our life today.

In his introduction to Nippy and the Yankee Doodle, he explains his feelings for the people of the Southern Mountains and their folklore.

"Older men and women of the Southern Mountains who told me the tales in this little volume, told them while we sat around the fire at night or under a shadeless in the garden in the cool of evening. "Old years, but not old in spirit their minds were clear and at ease, and their visions were peopled with old, steadfast ways and struggles long ago. Their forebears in the Old Country had heard tales told, had found them good, and handed them down to others as cherished heirlooms."

"Finally these tales were given to me in a personal kind of way, like hospitality gifts, to pass on in the spirit which they were given . . . For a good relationship with folklore, and all the special and personal tales dear to the hearts and minds of the Mountain People, a better source could not be found than Dr. Roberts. Most of his books are in the bookstore for interested students."

SCANNING EAGLE SPORTS

By LEE MUELLER
Trail Blazer Sports Editor

When basketball season rolls around next winter, the Morehead Eagle basketball team will sport one of the few brother acts existing in the country. This combo, comprised of Hecky Thompson and brother William, will be one of the main reasons why Coach Bob Laughlin is expecting a much improved team.

Hecky, a senior guard-forward, cut the nets for a fifty 17.1 average last year. The Stockdale speedster will be one of the principal cogs in maneuvering Coach Laughlin's patented fast-break. He was second leading scorer for the Blue and Gold during last year's campaign.

Brother William is one of the most promising cagers to come along Morehead way for some time. He, along with southpaw Bert Green, led a talented Freshmen quintet to a fine 10.5 record. Averaging 18.4 points per game, the blond point guard pumped in 20 or more tallies on five occasions. He will be fighting for a starting guard berth.

Since they played together one year in high school, these two brothers will be especially interesting to watch when they play side by side at the guard posts.

Wright is Leading Batterman

Larry Wright, fancy fielding second baseman to the Morehead State College baseball team, is currently leading the hitting parade for Coach George Cooke's squad. Off to a rather slow start, Wright has caught fire and is ripping the home plate at a 389 pace. Up to the date 32 times, he has collected 13 base knocks for his efforts. Wright started the season at shortstop, but was switched to second when the position showed a lack of fielding depth.

Morehead Trackmen Put Record On Line

A sparkling 51-won record will be laid on the line for the University of Kentucky to take pot shots at today as the Morehead Harriers travel to Lexington to vie with the 'Cats. Only one loss has been inflicted upon Coach Earl Bentley's crew thus far this year. Central State, one of the 10 top small college track teams in the nation last year, skinned by the Eagles earlier this year.

Softball Moves On

The Morehead State College Intramural Department, under the direction of Coach Buddy Long, has its fast and slow pitch softball leagues really rolling now. Kingpins seem to be the River Rats and the Campus Club, but with depth of most of the teams in the league, anything could happen before champion crowning time comes around.

Scott is Football Captain Again

Tom Scott, 200-pound center from Catlettsburg, becomes one of the few Morehead graders to serve as captain of Eagle football. In years in a row, named to the position his junior year, along with Bill Davidson, he is also to serve at that position with Buford Crager this year. Scott is a third team All-Ohio Valley Conference performer. He is considered by many as one of the best linemen on head Coach Guy Penny's squad.

Did You Know?

Did you know that Steve Hamilton, former MSC great, holds the record for most points scored in an Eagle basketball game. He tallied 31 against Ohio University... that the original nickname for the Morehead State College athletic teams was the Bald Eagles... That star Ireland Slone ran in and won in the first track meet he had ever seen.

Thinlies Go To U. Of K. For 2nd Meet

By Karen Hutchinson

The Thinlies of Morehead State College will journey to the home field of the University of Kentucky freshman team today in their second encounter of the season.

In the first meeting, the Eagles surged to one of their easiest victories of the season defeating the University of Kentucky in 11 events out of 15 and winning the meet 81-50.

Richard Fletcher, Dave Holton, and Randy Wimberly will try for top honors in the javelin throw, the discus, and shot put, respectively.

Marshall Banks will be Morehead's strength in the 100 and 200 yard dashes. In the first meet with UK, Banks ran the 100 yard dash in 10 seconds flat and the 220 in 22.9.

Ireland Slone, who has been out with a foot injury, will be in the competition today. He will run in the one mile and two mile events. Norma Stark and Carl McKelchick will be Morehead's contenders in the pole vault, the broad jump, and the high jump. Jim Scobee, Morehead's best jumper, is also one of the fastest dash men on Coach Bentley's squad.

Big Bob Morton, victorious in his last meeting, will run the 120 high hurdles and the 880 for Morehead. Morton cooled Cincinnati's ace hurdler in a cooler 15.7.

Distance runner, Dave Gray and Eugene Fields will back up Slone in the distance runs. Both ran cross country for Ed Lucke.

Union Defeats Eagle Golfers By 12-6 Score

John Galloway and Paul Crace collected all of Morehead's six points as Coach Mike Dudley's golf team lost to Union 12-6 on May 3.

Galloway shot a superb 37 on his front nine and 44 on the last nine to take his match with Union's Bob Oldstein, 81-89, for a 3-0 sweep. Crace took his first nine with 44, compared to 43 compiled by his opponent, Jim Monhollon. Monhollon took the second nine with a 44 to Crace's 45 for a 2-3 score, favor of Union. The Eagle duellers won the best ball 21 which ended the scoring as far as Morehead was concerned.

Joe Dugust and Jim Kelly ran in some stiff competition as Kelly shot a 81 and still was defeated by Pete Grason 79-81. Dugust shot a 59 compared to his opponent's 81.

The Summary:
John Galloway (81) and Paul Crace (89), Morehead, beat Bob Oldstein (89) and Jim Monhollon (89), Union, 6-3.

Pete Grason (79) and Joe Watts (81), Union, beat Jim Kelly (81) and Joe Dugust (89), Morehead, 9-0.

Sport Shots

Henderson (Hecky) Thompson is a "courting" man. Now, don't jump to the wrong conclusion, it merely means that the 5' 11" junior excels on both the tennis court and the basketball court.

Holding the number one position on Coach Ed Lucke's net team, Thompson promises to be one of the most outstanding "racquet swingers" to come out of Morehead tennis circles for some time. His lightning-fast reflexes and speed enable him to return volleys which most netmen could not come close to returning.

The odd thing about Thompson's tennis success is that he had never played the game before he came to Morehead. He has developed all of his tennis ability in the past three years.

Hecky probably more noted for his outstanding play on Coach Bob Laughlin's basketball squad. The Stockdale, Ohio product clipped the nets at a 17.1 pace last year. His best night came against Ohio University when he tallied 30 markers.

Democracy becomes a failure when it does not have the unbiased support of its people.

The man who plays too much is about as sensible as the man who works too much.

Political speeches are to be avoided at almost all costs, in the great majority of cases.

There are people ready to exercise control over others without being able to control themselves.

COACH AND PUPIL—Shown above and track coach Earl Bentley and one of his prize pupils, pole vaulter and broad jumper Norm Stark. Bentley's crew will journey to Lexington today to tackle the U. of Kentucky Harriers. Stark is the pole vaulter on the squad.

Morehead Harriers Nip Cincy By 68-63 Score For 5th Win

With a time of 10.3.

Bob Roe winged his way home to first place in the 440 for the Bearcat Harriers in 32.5. The 220 and 220 low hurdles were won by Don Desh and Eddie Havlicek of Cincinnati.

If you make a friend by lending him money, you often lose a friend by trying to collect the debt.

There is never any scarcity of excuses for doing what you want to do.

Independence is something that married men brag about.

Endurance men, Ireland Slone and Jim Whitely rolled up victories in the mile and two mile and 880 run. Slone, one of the toughest, if not the toughest, distance men in the Ohio Valley Conference, finished the two mile tour in 10:08.3. As usual, he won the mile run with a time of 4:33.4.

Leroy Massey finished second. Whitely made the 800 trip in a fast 2:03.

Big Bob Morton came through with a win in the 120 high hurdles for Bentley's crew, making the tour in 17.2.

Speedster Marshall Banks won the 100 yard dash for the Eagles

Eagles' Late Rally Upsets Murray In OVC Play

By Ray Allen

The Morehead Eagles edged Murray 43 last week to grab their first Ohio Valley Conference victory in three seasons. Murray had been posted as the pre-season favorite to repeat as OVC champs.

Morehead's southpaw ace, Pete Gray, went the route for the Eagles while picking up his second win of the season. Gray yielded only six hits, but was plagued throughout the game with wildness, walked 11 batters. All three

Thoroughbred runs were earned.

Bridwell, Murray's star southpaw, also went the route for Murray. He fanned six while prohibiting any batter from reaching first via the walk route. He was not charged with any earned runs in all of the Eagles runs were unearned.

It looked as though it was going to be a long day for the Eagles when the Thoroughbreds pushed across three runs in the bottom of the first frame. Murray wasted no time in taking the lead. Gray walked the first three men he faced. A single, a hit batsman, and sacrifice fly accounted for Murray's only runs. Gray got out of the jam on a twin killing turned in by Pierce, Wright, and Redmond.

The Eagles bounced back in the top half of the third inning when Daniels singled. Gray then struck out. Pierce reached second on a wild throw by the short stop and Daniels scored. Wright got the same treatment and Pierce tallied the second run. Hastings fanned;

then Redmond reached base on an error to the short stop and Wright crossed the plate with the tying run. Ellis ended the inning by grounding to the pitcher.

Gray ran into trouble in the seventh, eighth, and ninth frames, but fine defense by and some clutch pitching saved the game. Morehead pushed across the winning run in the seventh on a double by Daniels and an error by the short stop.

Les Redmond made a great back-hand stop and a off-balance throw to the plate to nail Murray's tying run in the seventh. In the eighth, Jim Hastings broke Murray's back with a spectacular throw to the plate in cutting off the Thoroughbred's tying run. Bob Daniels banged out 3 of Morehead's 5 hits, besides scoring the winning run.

Morehead Beaten By Powerful U. Of K.

The powerful University of Kentucky baseball squad overpowered the Eagles of Coach Cooke 12-6 at Morehead's home field on May 4.

Paced by the timely pitching of Bob Newsome, the Wildcats were particularly tough in clutch situations when Morehead started to walk. Newsome fanned nine while walking only two, neither of which resulted in scoring.

The 'Cats jumped to a quick 2-0 lead in the first when Dick Parsons reached first on a throwing error and Ron Beard strucked an inside-the-park homer to the fieldhouse in right-center field.

Again in the fourth, Tom Ruelb led with a base knock for the 'Cats. After Crader's single, pitcher Newsome racked a long triple to score both runners. "Bang" Bertsch then poled a long home to put the Kentuckians ahead, 6-0.

In the bottom of the fourth, the Eagles made some noise of their 11-5 there.

Schedule Of Coming Events

At Morehead State College

- MAY 10 Track Meet—University of Kentucky (Away)

This is the B-52. Advanced as it may be, this airplane has one thing in common with the first war-galleys of ancient Egypt...and with the air and space vehicles of the future. Someone must chart its course. Someone must navigate it.

For certain young men this presents a career of real executive opportunity. Here, perhaps you will have the chance to master a profession full of meaning, excitement and rewards...as a Navigator in the U. S. Air Force.

To qualify for Navigator training as an Aviation Cadet you must be an American citizen between 19 and 26½—single, healthy and intelligent. A high school diploma is required, but some college is highly desirable. Successful completion of the training program leads to a commission as a Second Lieutenant...and your Navigator wings.

If you think you have what it takes to measure up to the Aviation Cadet Program for Navigator training, see your local Air Force Recruiter. Or clip and mail this coupon.

There's a place for tomorrow's leaders on the Aerospace Team.
