

The Trail Blazer

Volume XXXI

MOREHEAD STATE COLLEGE, MOREHEAD, KENTUCKY, TUESDAY, OCTOBER 23, 1962

Number Three

OPEN FORUM SPONSORS

Morton And Wyatt To Speak At MSC

Senator Thorton Morton, Republican, will speak at Morehead State College's Charles Apple Citizenship Day Tuesday, Oct. 23 at 10 a.m.

His opponent in the forthcoming election, Lt. Governor Wilson W. Wyatt, Democrat, will also give a speech Oct. 30 at 10 a.m.

The Open Forum Club has been organized by the Charles Apple Citizenship Day in honor of the late founder of the Open Forum Club.

Gus Robertson, president of the Open Forum Club, said, "The idea behind Charles Apple Citizenship Day is to inform the students about the coming senatorial election."

He also stated that the Open Forum Club hoped that the Charles Apple Citizenship Day will become a tradition at Morehead State College.

Senator Thorton Morton has served in the U.S. Congress since 1956. He has previously served in the Eisenhower administration as Assistant Secretary of State for three years. He also was National

Managing Editor of the "King of Hearts" during his first year in Congress.

Wyatt, a native of Louisville, was chosen as Presidential Campaign Manager for Adlai E. Stevenson. Four years later he served as personal advisor during Stevenson's second campaign.

Then in 1960, Wyatt was elected lieutenant governor of Kentucky. The Open Forum was organized at the request of students as a means of discussing campus problems and problems of a general nature throughout the state and nation.

The group meets twice monthly and usually has a guest speaker with a discussion following.

Wyatt is a native of Louisville, was chosen as Presidential Campaign Manager for Adlai E. Stevenson. Four years later he served as personal advisor during Stevenson's second campaign.

Enrollment At Morehead Sets New Record At 2,990

Morehead State College has set a new enrollment high for the fall semester, President Adron Doran announced Oct. 15.

Dr. Doran said that 2,990 students have enrolled, an increase of 136 over the 1961 fall enrollment of 2,854.

The figure does not include 214 students enrolled at the college's Breckinridge Training School, the 99 students enrolled in the off-campus center at Prestonsburg, students enrolled in other off-campus centers, or the more than 800 persons enrolled in the extension program by mail.

Dr. Doran pointed out that the fall student enrollment has increased by 10 per cent while the part-time enrollment has decreased by 10 per cent.

"The fact that the part-time enrollment has declined indicates the higher training level which the in-service teachers have been motivated to attain because of the increased appropriations to salaries in Kentucky," said Dr. Doran.

He added, "Many of the in-service teachers who formerly enrolled in night and Saturday classes from this region have now attained a level of training and rank by attending summer sessions which make it unnecessary to enroll for night classes this fall."

The freshman class is the largest class with an enrollment of 1,009 students, including 419 men and 450 women. The 1961 freshman class had 1,053 students.

Sophomores number 690, with men outnumbering the women 409 to 281. Last year's sophomore class numbered 692.

There are 493 juniors, which includes 214 men and 219 women. Last year's junior class included 533 students.

Senior women outnumber senior men 294 to 286 for a total of 580 seniors, compared to the 1961 total of 552.

The graduate program has 132 students and there are several unclassified students.

Dr. Doran said that the college is pleased with the enrollment increase and expects a similar increase for the fall of 1963.

Dr. Doran said that the college is pleased with the enrollment increase and expects a similar increase for the fall of 1963.

Morehead State College Is Featured In WSATZ "Good Morning" Show

Hour Program Is Designated Great Success

Morehead State College was featured on the popular "Good Morning" show over WSATZ-TV, Huntington, W. Va., last Thursday, Oct. 18. The entire hour-long program was devoted to Morehead State College, past, present, and future.

Much of the presentation had been prefilmed by Dr. Norman Tant of the audio-visual aids department. Appearing "live" were Dr. and Mrs. Doran, members of the college choir, and members of the honors program.

Also scheduled to appear were cast members of the upcoming "King of Hearts". However, a TV release for the play could not be obtained.

Among Dr. Doran's chief points was the master plan of campus development. The new and soon-to-be-completed classroom buildings and dormitories were covered with both land and aerial shots. Another topic was the modernization of the college's physical plant, standards and activities and a discussion of the pre-professional program.

Roger Dixon, Stuart Schaffer, and Rosemark Shook represented the Fancy Creek Community Center Alumni Association, Prestonsburg, for his interest and support of the association.

Woodrow Allen, principal of Prestonsburg High School, presented the certificate to Dr. Doran, who stated that he was deeply appreciative of the honor and intended to continue his present interest in and support of the association.

Dr. Doran was presented with a Certificate of Honor granting him life membership in the Fancy Creek Community Center Alumni Association, Prestonsburg, for his interest and support of the association.

Woodrow Allen, principal of Prestonsburg High School, presented the certificate to Dr. Doran, who stated that he was deeply appreciative of the honor and intended to continue his present interest in and support of the association.

SEE IT'S EARLY—Members of the college choir and the honors program had to be ready to leave by 6:00 a.m. Thursday to be able to get to Huntington, West Virginia, so they would be on time to appear on the "Good Morning" show over WSATZ-TV. The hour was early, but all made it up and were wide awake when the show started.

The Honors Program contributes songs by the college choir. Assisting with the formal plan was a great success and we were most pleased with the results."

Mr. Hornback said, "The show was a great success and we were most pleased with the results."

HOMECOMING QUEEN AND COURT—The Homecoming Court for 1962 was composed of these eleven girls and their escorts (l to r): Mike Moon, Polly Tucker, Joe Peters, Jenny Sewell, Donald Demmon, Linda Marshall, Gary Mills, Sue Galbreath, Jim Cable, Scottie Bush, Lance Murphy, Charlene Adkins, Bert Greene, Diana Davidson, Dick Robinson, Chris Lepper, Pete Swain, Carol Porter, Dennis Doyle, Martha Smith, Tom Robinson, and Linda Wolfe.

SELECTED BY STUDENT BODY

Carole Porter Chosen As Homecoming Queen; 10 MSC Co-eds Are Attendants

By Judy L. Henke

The highlight of any Homecoming Day is the coronation of the Homecoming Queen. This year was no exception. An atmosphere of happy excitement surrounded the eleven girls who had been selected by the student body to be members of the Homecoming Court.

Paul West, president of the Student Council, ended the suspense when he presented Carole Porter with a bouquet of red roses, the symbol of the 1962 Homecoming Queen.

Sandra Howell, the 1961 Homecoming Queen, relinquished the title which had fulfilled by crowning Miss Porter during the halftime activities at the Morehead-Austin Peay football game.

Before the announcement of the new queen was made, Miss Howell made her farewell appearance as queen. She toured the football field at Jayne Memorial Stadium seated at the back of a convertible.

Carole Porter, a sophomore from South Shore, is majoring in commerce. She is a member of WRA and the Mystic Club. She is one of the majorettes and a member of the band. Pete Swain was her escort.

Carole is five feet, five and one-half inches tall. She is nineteen years old and has brown hair and blue eyes.

The 1962 Homecoming Court was composed of a senior, seven juniors and two sophomores. They were: Charlene Adkins, Scottie Bush, Diana Davidson, Sue Galbreath, Christie Lepper, Linda Marshall, Martha Smith, Polly Tucker, Jenny Sewell and Linda Wolfe.

Charlene Adkins, a senior from Branch Hill, Ohio, is majoring in elementary education. She is a cheerleader and a member of the Mystic Club, Open Forum, CAPA Tri-dents and the Racoonette staff. Lance Murphy was her escort.

Escorted by Jim Cable, Scottie Bush is a junior from Leesport, Ky. She is a home economics major and a member of the Home Economics Club, Mystic Club, Warner Fellowship.

Junior Diane Davidson serves as head majorette this year. She is a native of Racedale and is majoring in elementary education. She is also a member of the band and WRA. Her escort was Bert Greene.

Sue Galbreath, vice president of the junior class, was escorted by Gary Mills. She is an alumnae of Owens, a member of Open Forum, Mystic Club, Latin Club, and has an area in English. North Middletown is her hometown.

Junior student Chris Lepper is a junior from Newport. She is majoring in physical education and was escorted by Dick Robinson. Her club memberships include Open Forum, Racoonette, WRA, Cosmopolitan Club, Mystic, Seula and the band.

Senior student Linda Wolfe is a member of SNEA and was escorted by Donald Demmon. She is also a member of the band and WRA.

Junior Linda Marshall is another elementary education major. She is treasurer of the dorm council of Fields Hall and was escorted by Dennis Doyle.

Elementary education major Polly Tucker is a junior from Middleboro. She is president of the Dorm Council of Fields Hall, a member of CAPA Tri-dents, Council of Presidents, Cosmopolitan Club, Student Council and Open Forum. She was escorted by Mike Moon.

Jenny Sewell, a sophomore from Winchester, was escorted by Joe Peters. Her major is medical technology and she is a member of the Mystic Club. Jenny is treasurer of the Thomp-

son Hall dorm council.

Sophomore Linda Wolfe is an elementary education major from Lynchburg, Ohio. She is a member of the Mystic Club and Chorus. Tom Robinson was her escort.

When asked how she felt about being chosen Homecoming Queen, Carole replied, "I couldn't believe it and I still don't. Everyone has been so nice, especially the girls in the Court."

"Being chosen Homecoming Queen is the greatest honor a girl can be awarded on the Morehead State College campus," said Carole upon the conclusion of her reign. "Nothing makes a girl more humble than the realization that her fellow students have saw fit to bestow this privilege upon her."

"I am deeply grateful for the privilege of representing the students of Morehead throughout the year and I remain humble about yours — your Excuse," she concluded.

Sandra is a junior music major from Haleyville, Ala. She is a member of the chorus, concert band, Cosmopolitan Club, CAPA Tri-dents, and the Honors Program and is a majorette.

The Homecoming Queen will represent Morehead State College in the Mountain Laurel Festival this spring. Last year's queen, Howell, placed high in the ratings, with the representative from the University of Kentucky taking first place honors at the festival.

It is the hope of many of Morehead's students that the 1963 Court will be equally as good, or perhaps even better, for example, coming away with full honors as queen of the festival.

Wendell Bair, freshman from Paintsville, said, "If I had my choice, I would like to see Carole go to the festival. I only hope that the judges think the same way I do when Carole goes to the festival."

Literary Arts Club Will Present Film Tuesday, Oct. 30

"Cheaper By The Dozen" will be the second Literary Arts Club film presentation. It will be shown on Tuesday, Oct. 30, at 7:15 p.m. in Burton Auditorium.

The film is based on the novel by Frank B. Gilbreth, Jr., and Ernestine Gilbreth Carey. The novel is described as "a fast, funny, domestic comedy."

Clifton Webb, an industrial efficiency expert, was the model for the father of the 1920's who lives by his wits among his 12 children. He used his business experience to bring organization to his household.

Other stars include Jeanne Craine, Myrna Loy, Betty Lynn, and Mildred Natwick.

Admission is 25 cents and is used for rental fees of the film.

King Of Hearts Will Run From October 25-27

The Morehead State College Theatre will present Jean Kerr's three-act farce, "King of Hearts" in the Little Theatre on Oct. 25, 26 and 27. Curtain time for all performances will be 8 p.m.

Appearing in the cast will be: Jonnie Conkel as Dunreath; Noel Owen as Larry; David Schwartz as Dignan; John Johnson as Joe; Mary Patricia Owens as Jennie; Louis Cowen as Mr. Tolbert; James Williams as Mike; Gary Bradford as the Policeman; Alison Lake as Norman; Jon Boswell as Billy and Harry the Dog.

Mary L. Smith is directing the production with Jerry Bangham as technical director. Harriet Hamm is stage manager and Josh Lowrey as production assistant.

All seats for this production are reserved and reservations can be placed by phoning Extension 72, the Morehead Theatre Box Office. Tickets for "King of Hearts" are \$1.00.

HAS TWELVE AIMS

Dr. Boswell Is Appointed As Medical Vocabulary Aide

By GINNY HUDGINS

Trail Blazer Feature Writer

Dr. George W. Boswell, Chairman of the Division of Languages and Literature, has recently been appointed a consultant in English on the National Association on Standard Medical Vocabulary.

The NASMV is a non-profit organization dedicated to the improvement of our medical vocabulary. The fact that the medical vocabulary is in need of improvement may come as a surprise to many of our colleagues, because the language of medicine appears precise, polished and even sophisticated. However, the vocabulary of medicine is filled with inconsistent spellings, words with many meanings, and words with opposite meanings. The function of the dictionary is definitely judicial, rather than reportorial.

There are 12 aims of the Association and they are as follows:

1. To eliminate all but one of the multiple meanings now attributed to many words.
2. To bring semantic sense in the definition of words now having almost opposite meanings.
3. To eliminate variants in spelling.
4. To standardize the pronunciation of words.
5. To reduce prefixes of other combining forms conveying one concept.
6. To modify the words which contain the mistakes of respelling and articulation.
7. To eliminate the confusion of synonyms.
8. To eliminate variants in spelling.
9. To correct inconsistencies in many of our colleagues, because the language of medicine appears precise, polished and even sophisticated.
10. To standardize meaning and spelling of medical abbreviations and symbols.
11. To provide a source of natural sound and well-formulated new words for all who need them to express new concepts in their fields of work and research.
12. To provide a source of natural sound and well-formulated new words for all who need them to express new concepts in their fields of work and research.

A person must have two specific qualifications for membership on this committee. A doctor or a person must have two specific qualifications for membership on this committee. A doctor or a person must have two specific qualifications for membership on this committee.

Dr. Boswell received his Ph.D. at George Peabody College and has been at Morehead State College since 1960.

He is an associate professor at Morehead State College and has been at Morehead State College since 1960.

He is an associate professor at Morehead State College and has been at Morehead State College since 1960.

He is an associate professor at Morehead State College and has been at Morehead State College since 1960.

of Languages and Literature, he teaches several classes including "Shakespeare and a Neo-Classical Writers" and the college. Proof of his abilities is the request, which asked him to work on the medical vocabulary.

Morehead Alum Publishes Three Poems In Journal

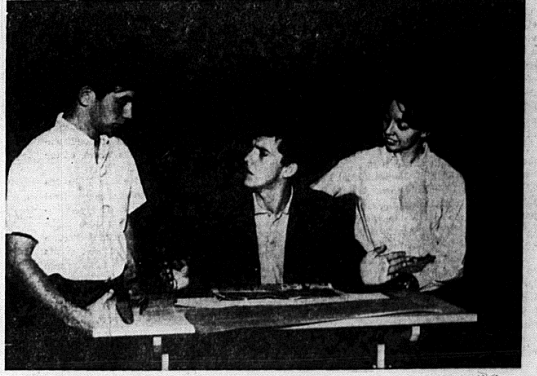

Dr. Woodridge Spears, a graduate of Morehead State College, has had three poems in a suite published in the October issue of Voices, a journal of poetry.

"A Narrow Porch in April," "The Storied Thought," and "Through the Fall Harvest" are the three poems published by Spears, a member of the Georgetown College Department of English.

In addition to this suite, four poems by Spears are scheduled to appear in the next issue of American Voices at Cleveland.

Inside House, a poem-play, produced by Spears on the stage, has received favorable critical comment.

Spears, a native of Greencamp, holds both the MA and Ph.D. from the University of Kentucky. He has been on the Georgetown faculty since 1951.

—Photo by Martin Hoffman KING OF HEARTS CAST—in the forthcoming play, "The King of Hearts," Larry Larkin (Noel Owen, center) tells Dignan (David Schwartz, left) and Dunreath (Jonnie Conkel) about his intellectual qualities.

Editorial Policy Of The Trail Blazer Is Reiterated For School Year

"The Trail Blazer, official newspaper of the Morehead State College, is published bi-weekly by the student body. Students who have journalistic experience or who are interested in the newspaper field are encouraged to try for staff positions."

Above is the definition of the Trail Blazer as stated in the 1961-62 General Catalog Bulletin of Morehead State College. Likewise, as the paper has been defined, so must the editorial policy of it be defined.

In accord with the purpose of Morehead State College, the policy of the Trail Blazer is to do its part helping build a greater institution of higher learning. Growth, in order to be normal and constructive, must be a continuing process and must not be interrupted by periods of internal upheaval and dissension. One can not build successfully by continually tearing down what one has built.

Likewise, the purpose of the Trail Blazer is not to attack or tear down the institution or any of its parts, but to help strengthen, build and support the institution which it serves. As a servant, the paper owes loyalty to Morehead State College and will at all times support the institution in its moves toward the process of bettering higher education in the region, the state and the nation.

However, the paper will not subscribe to a policy of blind loyalty and be thus guilty of the sin of omission. As was shown in the last issue, the Trail Blazer recognizes and will

utilize its duty as the "official newspaper of Morehead State College" and will not knowingly "sin by silence."

If in the opinion of the editorial staff a transgression has been evidenced, the "Trail Blazer" will attempt to point out the situation, offer possible means of solution and support feasible measures to correct the error. The paper will be no "yellow sheet" and its staff no "muckrakers," but it will endeavor to take interest in campus happenings and offer its views from time to time.

Trail Blazer editorials are not the brain-child of an irate editorial staff who wish to criticize rather than solve, slander rather than elevate or irritate rather than placate. They are not a stab in the dark or an attempt to fill space, but are products of the earnest thinking of a number of individuals who hold the future success of Morehead State College at the apex of their endeavors. The Trail Blazer is the official newspaper of Morehead State College, not a vent through which Joe Blow, editor, relieves his mind of goodly portions of his own frustration.

The late great journalist Henry Watterson, founder and editor of the Louisville Courier-Journal, was always known as the champion and supporter of a cause. The cause supported and spearheaded by the Trail Blazer, its editor and staff is that of a growing, dynamic MOREHEAD STATE COLLEGE.

Students Should Attend Civic Celebrity Series

In an effort to provide the student body with an interesting variety of cultural experiences, the college annually sponsors the Northeastern Kentucky Celebrity Series in which name performers in many entertainment fields appear in person before students and interested persons of the area.

In its sixth year, the Celebrity Series has been a great boon to Morehead and the region. Without the initiative of the college and the officers of the Civic Celebrity Series headed by Dr. J. E. Duncan, chairman of the Division of Fine Arts, the region would be without the opportunity to engage in cultural experiences of this kind. In the past a wide variety of entertainment has been presented, both in the classical and popular fields. The series annually features lectures, music and dance groups and performances from artists on other areas. In the past such groups as the Louisville Symphony, the Four Freshmen, the Brothers Four, the NBC Opera Company and the Cleveland Playhouse have made appearances here. Individuals in the persons of Eric Severson, Gary Towlen, Eddie Condon and Roscoe Drummond have also been featured in the series. In this year's slate of entertainers, it is hardly an exception. First in the series is Jose Melina and his troupe of Spanish dancers. The performance promises to be a fine one as Melina has been an understudy to the famous Jose Greco. The troupe will perform at 8 p.m. on Oct. 28 in Butten Auditorium. Other programs included in this year's series are: Grant Johnson, pianist, Nov. 11; Columbia Orchestra; the Central Kentucky Philharmonic Orchestra and a popular music group to be

later announced. As the Morehead State College student body has grown, so has the series moved forward. Students in all areas of the college should avail themselves of the opportunity to be a part of such a series and form a nucleus of support for this worthy endeavor.

TV Program Is Successful

Morehead State College was most interestingly presented to the TV audience last Thursday by Morehead's president and first lady, faculty, alumni and students engaging in the hour-long program on WSAZ-TV. The program was well planned, its participants were well selected and the product was an overwhelming success.

Student participants contributed a great deal to the success of the program by interestingly and accurately depicting Morehead campus life. Representatives from the music department did their usual fine job of representing the college's outstanding leader in the area of music education.

Films picturing the campus and many of its students showed the viewing public a sample of Morehead's beauty and bountiful physical facilities, both completed and under construction. Doran did a most masterful job in interpreting the goals, aims and objective of the college and showing the significance of the school to the region.

This Year's Homecoming Was An Outstanding Success

The busiest day of the year! That's what everyone called Morehead State College's 1962 Homecoming and truly it was just that for faculty, students and staff alike. From 12 a.m. to 11:59 p.m. endless activity could be found on campus during the day October 13, 1962. Early morning activities of the 12:01 variety centered around the MSC fieldhouse as members of the Campus Club, Aquila Club and a few well-meaning individuals attempted to create an atmosphere conducive to the dancing of Billy Butterfield and the dancing of well dressed students and alumni. The decorators finally did get to bed at 5:00 a.m. and enjoyed a few hours sleep until open house started at 10:00 a.m.

An invasion in this year's program was the highly successful and well attended smorgasbord luncheon held in the Doran Student House. The cafeteria staff did themselves to make this event an outstanding success and did a job commendable to any top eating establishment. As estimated 1,700 persons attended and received one of the finest meals of their lives. Perhaps the only bright spot in the days activities as far as Austin Gray was concerned was the outstanding performance of their band and the famous Gownettes drill corps. Their activities at pre-game, coupled with the always showing of the Morehead State College Marching Band, set a fine stage for the Homecoming football contest.

Guy Penny and the Morehead Eagles out did themselves to provide the main ingredient for a successful day, namely a gridiron vic-

tory for alumni, students and friends. The 36-7 victory exceeded the hopes of Eagle fans and served notice to remaining Morehead foes that the Eagles will be tough to stop.

Half-time brought an end to much speculation and second guessing as to whom would reign as 1962 Homecoming Queen. Pretty Miss Carol Porter, of South Shore, was crowned by lovely Sandra Howell.

The Queen's reception gave alumni and friends a chance to meet the new Queen and to visit the individual heads of our college. Again this was a new addition to the Homecoming program which proved most effective as a "mixer" for friends — both old and new. The dance marked the end of a most enjoyable and busy day as those attending listened and danced to the marvelous music of the Billy Butterfield Sextet.

Praise is certainly in order for Billy Joe Hall, Director of Alumni Relations and general "take charge guy" of the Homecoming operation. The Council of Presidents is also to be commended for their co-operation in decoration and co-ordination of student sponsored events.

Recognition is also due to those who spent long hours in decorating the dorms and the fieldhouse. In the latter, the help of campus social organizations was commendable. The general feeling of all concerned points to this as our best Homecoming to date. More parents, alumni and friends got the opportunity to visit the campus than at any one single time before and from all indications, they like what they saw and felt at Morehead State College.

Social Hi-Lights

By Clara Colburn
Trail Blazer Society Editor
Additions to our list of engagements are: Patty Cochrane and James Adkins; Nancy Vance and Kenneth Seeborn. Another homecoming has come and gone and this one can be summed up in one word — SUCCESS! Changes from last year were many and they worked together for an overall improvement. Perhaps the biggest difference was the discontinuing of floats, but open house in the new buildings and receptions held by the different departments more than made up for this.

A line back to the steps of the Student House marked the success of the smorgasbord. The food was superb and the atmosphere elegant. This event could very

well become tradition. Suppose filled the air at half-time daily before the coronation of our new queen, Miss Carol Porter. I enjoy the paper and enjoy a series of scrap books about athletics, the administration, building expansion and my former friends. It was wonderful to have the Bill Laynes stop to see me a year ago, Mary Range this summer, and Mr. and Mrs. Banks this fall. You are to be congratulated on the growth of the school and on your fine school paper. I miss Morehead, where I taught for 25 years.

Sincerely,
Amy Irene Moore
Gardens, Kansas

EDITORIAL POLL

Freshmen And Upperclassmen Express Homecoming Views

Editor's Note: Since Homecoming procedure has been changed from what it has previously been, the Trail Blazer staff wondered what the reaction of the freshmen and upperclassmen students would be. Therefore, they confronted several students with this question: "What was your opinion of Homecoming for 1962?" Here are the answers:

Pat Harshman, freshman, Mayville: "I enjoyed Homecoming, but I think the crowning of the queen should have been done so the people on the other side of the field could see what was going on."

Liz Allen, freshman, Maytown: "I think the dorm decorations added a lot to the day. I think it would be nice to have some type of decorations up all the time."

Ann Pacey, freshman, Frankfort: "I enjoyed Homecoming very much, but at our high school we always had floats for home-

coming, and I was a little disappointed that we didn't have them here.

Dwight Burchett, freshman, Paintsville: "I enjoyed Homecoming very much, and thought that the smorgasbord was a wonderful idea. (The other activities were also great, but I liked all the food we were able to eat.)"

Ann Florence, freshman, Flemingsburg: "Homecoming was the most wonderful day I have spent at Morehead State College. I had a marvelous time throughout the entire day from start to finish."

Mary Campbell, junior, Ripley, O.: "Homecoming for '62 was different from the others I have attended here at Morehead due to the lack of floats, but I believe that the open house, dorm decorations, registration, smorgasbord, pre-game activities, and reception more than made up for the lack of floats."

Linda Harner, junior, Xenia, O.: "Plata would have stimulated more student interest."

Letters To The Editor

Dear Editor:
When I read the Trail Blazer came yesterday I realized that I had sent no money. I hope the enclosed checks will pay for the debt. I enjoy the paper and enjoy a series of scrap books about athletics, the administration, building expansion and my former friends.

It was wonderful to have the Bill Laynes stop to see me a year ago, Mary Range this summer, and Mr. and Mrs. Banks this fall. You are to be congratulated on the growth of the school and on your fine school paper. I miss Morehead, where I taught for 25 years.

Sincerely,
Amy Irene Moore
Gardens, Kansas

Whitaker Studies School Program Of Model Lab

Last week Mrs. Hazel H. Whitaker, as a member of the committee of the Cooperative Program in Elementary Education, visited the state team at Eastern Kentucky State College to study the school program of Model Laboratory School.

The 12-member committee spent three days considering the Model High School curriculum, facilities, personnel staff, extra-curricular activities and special programs. Mrs. Whitaker surveyed the guidance and counseling services as well as the music and art areas. Commendations and recommendations concerning the total school program were submitted to the Kentucky chairman, Dr. Morris Clerley. He, in turn, submitted the final report of the evaluation team to the Southern Association of Colleges and Schools for accreditation.

On Saturday, Oct. 20, Mrs. Whitaker attended the state meeting of the members of the Cooperative Program in Elementary Education at the University of Kentucky, Lexington. At that time, the annual summary report of the preceding year, made during 1962 were submitted to the group.

You're welcome,
Ann

Miss (or Mrs.) Slanders,
I want to get married now! He doesn't. He wants to wait about a year. How do I trick him into it?

BRECK IN BRIEF

The week of Oct. 8-12 proved to be an exciting one for the Breckinridge Minstrel Club. The activities included —
Monday afternoon at 4:00, try-outs were held in the Breckinridge Auditorium. These included an exhibition of talent by the students wishing to join the club.

Tuesday, during the day, the members were given by Minstrel Club ribbons by their big sisters and brothers. The club had been accepted into the club. Then Tuesday night, in the Breckinridge auditorium, a party was held for the 33 old members and the 30 pledges. This was for the purpose of informal initiation and hazing of the pledges. Various things were done at the party such as pushups, races, pyramids, and air raid attacks.

On Friday night at 7:30, formal initiation was held in the Breckinridge Auditorium. The beautiful and serious ceremony was climaxed with refreshments from Mr. George T. Young, the club's sponsor.

On Oct. 17 the club held a meeting for the purpose of forming committees and making plans for the 26th production which will be presented on Dec. 6 and 7.

The members recently presented to the school a handsome, new Trophy Case.

The club's officers are Ted Pack, president; Glen Edwards, vice-president; Linda DeHarte, secretary; Susan Carr, treasurer; and Don Green, sergeant-at-arms.

Members Of Club
New members are: Dennis Carr, Dane Coleman, Rick Collins, Denny Cornette, Dennis Curry, Robert

Datzell, Jr., Bobby Day, Clavie Dilson, John Duggan, Nancy Dugan, Mike Ferguson, Carolyn Foster, Barbara Hibbard.

Old members are: Mike Rogers, Marqueta Boggs, Brenda Carr, Pat Casey, Peter Coyle, Linda DeHarte, Don Green, Jennifer Higgins, Beverly James, Jerry Justice, Jackie Kogley, Hedy Kincer, Jim Bob Laughlin, Mike Mauk, Ted Pack.

Ann Reynolds, Jan Rather, Pat Murphy, Spencer Mann, Harold Sison, Pat Allen, Jane Barber, Susan Bay, Vanda Botta, Wayne Caldwell, Glenn Cline, Sandra DeHarte, Susan Hutchins, Sally Jayne and Wendell Justice.

The attendance for the first month at Breckinridge Training School for grades 1-12 was 96.25 per cent. The 12th grade had the best record with 99.61 per cent. The 11th grade was next with 99.26 and the 9th grade was third with 99.09 per cent.

Mrs. Mabel Barber, counselor at Breckinridge Training School, attended the annual fall conference of the Kentucky Pargament and Guidance Association, at Cumberland Falls last week. The theme of the three-day conference was "Improving Guidance Services in Kentucky."

Dr. Merle Oberlin, University of Illinois, and Dr. Frank Wellman of the U.S. Office of Education, appeared on the program.

Jane Kenrick Is An Active Morehead Athlete, Student

Ray Allen has been selected as Trail Blazer's outstanding male student of the issue. Ray comes from the town of Morehead. He attended McDowell High School. Very active in high school, Ray participated in basketball and basketball. He served as sports editor for his school newspaper.

Also Jane is a member of senior class in high school and an honor student. Since coming to MSC, Ray has been active in campus and sports activities. He has played baseball for MSC, is a member of the Mystic Club, and a member of the Collegiate Knights, of which he was vice-president his junior year. Ray served as a dormitory councilman and is a former member of the Trail Blazer staff.

Dear Ann Slanders

(With Apologies To Ann Slanders)

Dear Ann,
My problem is: Every night at exactly the same time, the delicious odor of popcorn drifts into my room. Being a popcorn lover, I rush to the rooms of my neighbors, but everyone denies having any. Do they hide it or what? Do they do this to torture me? This is a real problem. I'm afraid I'll do something drastic!

Thank you,
Don Tortured,
Do something drastic — like buy your own popcorn popper and popcorn and invite me over — I love popcorn too.

You're welcome,
Ann

Miss (or Mrs.) Slanders,
I want to get married now! He doesn't. He wants to wait about a year. How do I trick him into it?

Dr. Levengood Appointed To Lingual Digest

Dr. Adam Levengood, associate professor of French at Morehead State College has recently been named to the Board of Editors of *Audio Lingual Digest*. The past few years have witnessed a basic change in the approach to teaching foreign languages. Funds provided by the NDEA have made audio aids and language laboratories available in schools throughout the country. The emphasis in language teaching has been placed on the oral approach.

This new concept created a void which is filled by the *Audio Lingual Digest*, whose purpose is to provide a fresh and stimulating supply of audio materials for use in these labs.

Dr. Levengood has received the B.A., M.A., M.E.D. from the University of Grenoble in southern France, and in 1950 he was awarded his doctorate from the University of Paris. He has taught at secondary and college levels both in America and abroad. He has also worked as an educational consultant with the U.S. Office of Education, the Department of Defense and Radio Corporation of America. During the war, Dr. Levengood served as an officer in various branches of Allied Intelligence. Early in the war he recruited and trained spies for O.S.S. After the invasion he edited the daily, top-secret intelligence report of Psychological Warfare Division of Allied headquarters.

DSF Officers For 1962-63 School Year Have Been Selected

The Disciple Student Fellowship, better known as DSF, is sponsored by the First Christian Church of Morehead. The organization supplies programs to stimulate the spiritual and social life of its members. The DSF is student directed with Rev. Charles Brooks acting as group sponsor.

Meetings of DSF are held weekly on Wednesday evenings at 8 o'clock in the church basement. The meetings consist of a business meeting, a religious program followed with refreshments for the group. The meetings are planned to give those who attend a lift both spiritually and socially and has served in both these capacities well.

The officers of DSF have been elected and are as follows: President, Patty McKinney; vice-president, Roberta McLean; secretary, Leola Poe. Various other committees were formed to carry out other functions of the group.

A Halloween party is being planned by the group and will be open to all students, nonmembers of DSF included. Anyone interested in the DSF is invited to attend the weekly meetings. A membership contest is now in progress in order to increase weekly attendance.

CALENDAR GIRL—The Trail Blazer Calendar Girl for this issue is lovely and thoughtful Lorann Verbillie, a sophomore home economics major from Mayville.

STUDENT COUNCIL PROFILES

Dormitory Representatives To Council Are Announced

By Pat O'Rourke
Student Council Reporter
Editor's Note: This is the third in a series of profiles of the members of Student Council at Morehead State College.

Dormitory representatives to the Student Council have been selected for this school year. They are: Harriet Micon, Thompson Hall; Brock, 414, Junior (from Louisville, and her major is elementary education.

She has been very active while at Morehead having participated in CAPA Tridents, Council of Presidents, and as a counselor in Thompson Hall.

Jim Smiley, North Men's Hall—Smiley is a graduate student from Frestonburg and his major is business administration.

He has participated in Open

Forum, Kappa Mu, North Men's Dormitory Council, and was chairman of his senior class executive committee. He was elected to the Whop Who in American College and Universities.

Tolly Tucker, Fifth Hall—Tucker is a sophomore from Middleburg and her major is in elementary education. She has been active in many college functions which include: the Cosmopolitan Club, Council of Presidents, CAPA Tridents, Open Forum Club, SNEA, and the Student Affairs Committee.

Ray Belinger, Allie Young Hall—Belinger is a freshman from Dayton, O. She was active in many functions in her high school. Among these activities were the yearbook staff, president of Y. Teens, FTA, and her student council.

FASHION SCENE

Homecoming Dance Gives Fashion Ideas

By Jennie Conkel
Trail Blazer Fashion Editor

The formula fashion includes the fragrance of perfume, a soft material, a wild hairdo, and new slippers.

Your name is called over the inter-communication center in the dormitory, the last minute rush, and then down the steps you go to meet your Mr. Date for the Homecoming Dance at MSC.

Long dresses, short dresses, suits, cocktail dresses, black shoes, purple shoes, blond hair, glitter sprinkle over the tresses, all of these ingredients equals a charming fashion for each and every girl at MSC.

Not anyone dress dominated the scene. The girls in the long dresses constantly found comfort in the fact that they could take off their shoes and not anyone could tell. The young ladies in the short dresses longingly watched—but finally hurt over dignity and off came the shoes.

It seemed as though each girl had shoes dyed to match her costume. Purple dress-purple shoes; green dress-green shoes; and so the story goes.

The men decided that they would also join the match bandwagon and so their cummerbund and ties or bow ties matched. Men just can't be out done by the weaker sex so it seems.

Formal elegance and flattery get together to make a sheer sensation in nylon tricot. Saucily

scoped necklines become spaghetti straps at the shoulders. The bodice is shirred for seven more allure; filmy tubularly full, full skirt is shirred. This is one description of a dress present at the homecoming dance.

The sophisticated, the curving sheath, a masterpiece in acetate and rayon crepe with front dequin panel, deliciously flattery from hem to sweetheart neckline.

The side-draped sensation and what excellent figuring in our elegant occasion! Scooped neck, bared of arm, with a skirt forming a chic silhouette beneath. A side bow, accentuates intriguing stylings.

The football game saw suits from the heaviest of wools to the lightest of silks, rayon, and heavy cottons. The color of the day seemed to be green or brown.

BOOK LOST ON CAMPUS

A book was found on the Morehead State College campus in front of the library before Homecoming. No name was in the book. If anyone has lost a new book and believes that this might be the one, they may ask for it at the Public Relations Office.

To redeem the book, the name of the book and the material which the enclosed must be given.

PRESENTED CHAFING DISH

Mrs. Doran Is Outstanding 8th District KFWC Clubwoman

Mrs. Adron Doran, president of the Kentucky Federation of Women's Clubs and wife of Dr. Adron Doran, president of Morehead State College, was presented with a silver chafing dish at the 46th meeting of the Eighth District of the KFWC in honor of her accomplishments in the district and the club.

Mrs. G. Larry Tucker of Cynthiana, retiring governor of the Eighth District, made the presentation of the dish, which was a gift from the entire group. To Mrs. Doran and stated that "Mrs. Doran is the outstanding representative of the Kentucky Federation of Women's Clubs to ever come from this district in the history of the club."

The meeting, at which Mrs. Doran was the guest speaker, was one of many she has attended in her six months as president. Installed last May, she is well on her way to setting a new record in traveling to various meetings across the state. Mrs. C. B. Morgan, the prior president from Leitchfield, traveled 35,000 miles during her two years in office.

"Holding the office is a very tiring job as I must attend several meetings each week and I drive back and forth myself," said Mrs. Doran. "However, it is very rewarding work, and such moments as I experienced in Ashland make it extremely worthwhile."

When Mrs. Doran states that the work is rewarding, she does not mean to state that the work is rewarding financially for the club is a charity organization, and she must pay her own expenses on her trips across the state.

Past Vice President

Before accepting the presidency Mrs. Doran, the Federation's 36th president, held the office of second vice president in the club. She has also held many other club offices.

The administration theme which she selected when elected is "Expanding Horizons Through Quality Service," and she has tried to promote said theme in her talks across Kentucky.

"No one reacts to my being alone," said Mrs. Doran, "but with the help of our members and officers and the cooperation of my nice husband, I'm looking forward to the coming year and a half remaining in my term of office."

Home Duties Are Problem

One of Mrs. Doran's biggest problems is keeping up her home duties as she is on the road so much. However, she is aided in this by her housekeeper, Nellie Carr. "Nellie is a marvelous housekeeper," said Mrs. Doran, "and

MRS. DORAN HONORED—Mrs. Adron Doran, president of the Kentucky Federation of Women's Clubs, is shown here with a silver chafing dish which was presented to her by the women of the Eighth District of the KFWC during their forty-sixth meeting in Ashland, October 17. The dish was presented to Mrs. Doran for being the outstanding club woman of the Eighth District and for being the first president of the KFWC to ever come from that district.

the day she leaves, I'll get a slow boat to China!"

The Eighth District is composed of 42 clubs, and a representative from each was present at the meeting and gave a brief resume of the "Major Project" performed by her organization in the last year.

INTERESTING TO SAY THE LEAST

On Oct. 24, 1961, in a stunt to raise money to repay a loan due on her Texas ranch, Mrs. Edson Taylor went over Niagara Falls in a barrel, the first person to survive such an attempt.

Homecoming Highlighted By Smorgasbord, Queen Coronation, Game

Clean Up

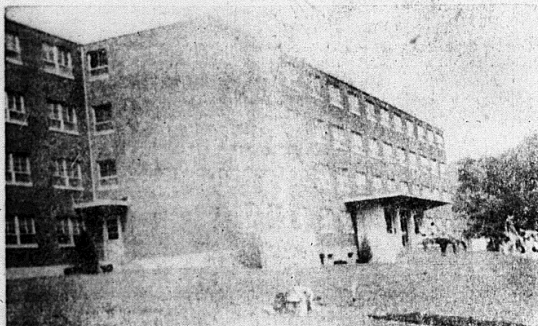

CLEANING THE STREETS—One of the final preparations made for Homecoming was the campus-wide clean up which included everything from the Fieldhouse to dormitories to the streets. The worker here is pictured as he washes leaves and other trash from the boulevard.

Registration

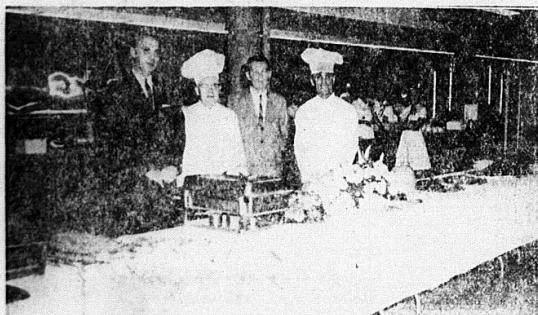

REGISTRATION OF ALUMNI—Tables were set up over the Morehead campus for the purpose of registering alumni and parents who came to see the Homecoming game. Registration took place during the morning before the Smorgasbord.

Dormitory Decorations

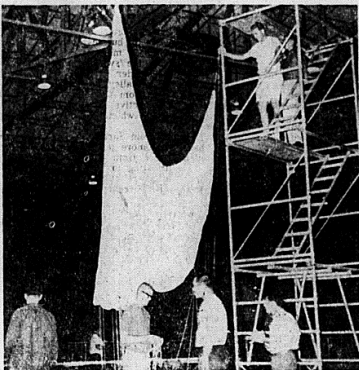

DORMITORY DECORATIONS WINNER—The winner in the dormitory decorations contest was North Men's Hall. With the change in emphasis from float decorations to dormitory decorations during Homecoming came such results as this. Receiving second and third place respectively were East Men's Hall and Thompson Hall.

Smorgasbord

SMORGASBORD LUNCH—Awaiting the overflow crowd of approximately 1,500 people, who attended the Smorgasbord before the Homecoming game, are Dean Roger L. Wilson, George Gary, Russell McClure, assistant to the President; and William Carter. Gary and Carter are the two key men in the college cafeteria.

Dance Preparations

HOMECOMING DANCE DECORATIONS—Members of the Aquila Club, Campus Club, Circle K, and WRA all worked for three nights prior to Homecoming preparing the gym to receive the many students and alumni who came Saturday night to hear Billy Butterfield and his sextet perform.

Snake Dance

SNAKE DANCE—The Mystic Club sponsored pep rally which took place Friday night before the game ended with a snake dance through Morehead and a final word from President Adron Doran on the game and school spirit.

Reception

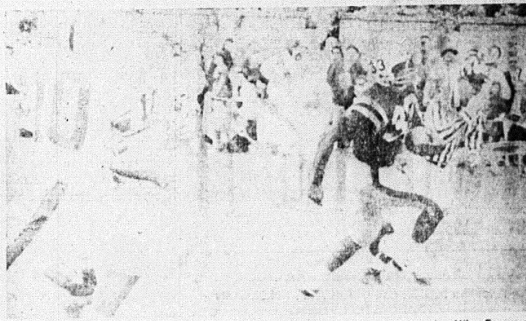

RECEPTION WITH THE COURT—After the game, a reception was held for parents, alumni, and students. Over 600 people attended to congratulate the new queen and her court. Shown here are escorts Bert Greene (left) and Tom Robinson (second from left) with court members (1 to 7) Diana Davidson, Polly Tucker, and Linda Marshall. The lady in the center is unidentified.

Queen Crowned

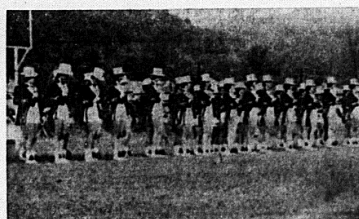

CROWNING OF A QUEEN—One of the highlights of Homecoming was the crowning of the new queen for 1963, Carole Porter, a sophomore from South Shore. Shown crowning the queen are: (1 to 7) Paul West, president of the Student Council; Miss Porter; Sandra Howell, 1961 Homecoming Queen; and Dr. Adron Doran, president of Morehead State College.

Football Game

MURPHY FLIES—Austin Peay defenders often wondered if speedy halfback Howard Murphy wasn't kin to the Greek god, Mercury, as the speedster from Springfield, Ohio, continually cracked through the line for long gains in the Homecoming game October 13.

Governettes

PREPARING FOR SHOW—Shown prior to their entrance on the field, the famed Governettes, a 45 girl corps of dancers performed with the Austin Peay band during the pre-game ceremonies.

—Photo by Mike Ferguson

Vance's Slants

By DAVID VANCE
Trail Blazer Sports Editor

The whole town talking about the Brown boys! Such is the case after last Saturday's 36-7 Eagle victory over Homecoming for Austin Peay.

It was two of the four non-related Brown boys on Morehead's football team that helped spark the Eagles victory before the some 5,500 enthusiastic and avid spectators at Jayne Stadium.

Dennis, a freshman halfback hailing from the Volunteer state, showed promise of things to come as he averaged 45 yards per carry in his first starting role for the future Conference Champions. (It's a week's trial.)

"Indian," as he is known by his teammates, scored Morehead's second touchdown against the Governors and it was his T.D. that began that ever-present snarl of victory against Tennessee Tech.

Mike is the other half of the booming Brown boys. He played one of the best games of his four year college career Saturday. The versatile, hard-nosed, steel-toed end did hang up jobs both on offense and defense as he constantly harassed intended Governor receivers.

Mike intercepted one pass and was the main target for Morehead signal callers as he made two fine catches for the Eagles. He also moved into the number one spot in the conference in punting after letting loose two kicks of 50 yards or better.

Truly a credit to Morehead and the game of football — The Brown boys — How now Brown Boys?

After losing our starting quarterback last year because of an injury to his shoulder (one of the Brown boys) the Eagle mentors were sweating a take charge replacement for the "luckless Eagles" as they were once called. Coach Guy Penny moved halfbacks Paul West and Tally Johnson to the quarterback slot and did a little re-cruiting on the side.

He came up with a trio of more-than-sufficient subs too. West, who has been the starter for the last three games and through a natural knowledge of the game has led the Eagles to their second place standing in the conference. But where West leaves off, Johnson easily picks up both on offense and defense. But then again, where West and Johnson leave off, Fresh Mike Gofflet comes in with the role of a veteran. The serial artist from Fla. came in late in the Austin Peay tilt and showed a fine passing attack in completing a 60 yard scoring toss to halfback Bobby Gene Oliver.

And now, after half the season is up, it looks like a real stretch battle for the crown and a trip to the Tangerine Bowl. East Tenn. is the real surprise thus far with Morehead and Eastern and Middle Tenn. in hot pursuit.

However, East Tenn. is on probation and will not be eligible to compete in a bowl game, leaving Eastern, Middle, and the Eagles to decide on the Ohio Valley Conference representative. Just between you, me and the fence post, it looks as though Morehead will have not only the Huffy Rifle and the coveted never-before-experienced championship but a post season bowl victory for the 1965-66 football campaign.

INTRAMURALS

Jack Fletcher and crew have attempted to get in touch with the Green Bay Packers. It seems as though a scout from Ohio State came down to watch the Cliffs in their tilt with the Sanhogs and has reported that the Buckeyes are not in the same class with the former intramural champs who now stand at 26 wins and 0 defeats over a two year span. Fletcher got in touch with Coach Ray from Alabama, but the Crimson Tide mentor chickened out because of the Cliffs reputation. So now it looks as though there will be no college all-star game this year. The Cliffs will be the Packers and the Cliffs (the Cliffs are a three touchdown favorite).

The Sanhogs left the D out of their name because they said it stood for defeat — They have a 63 record so far.

Have you heard the expression "He lost his pants" in poker? Well, Larry Maynard must have thought that was to go for football also. The Sorry Devil (in more ways than one) had not one but TWO pairs of pants ripped off in the game against the Sanhogs. Boys, this is FLAG football.

Steve Stein, one of the most colorful figures in intramurals in many moons is leaving school till next semester — The Cliffs lose every other team gain. The versatile athlete pulled a squeaker out of the fire last week by catching a long Fletcher pass in the last minute of play to give his team a touchdown and 12-6 victory. But that's not all. Skinny, appearing in his final intramural football game, racked up five touchdowns in the Cliffs 36-0 victory over the Muffs. Another Puddin' Grayson, 1-1-1.

MYSTIC CLUB FORMS

Through the efforts of Ron Saliee and Patty Burton, the Mystic Club is forming what could be a new tradition in Morehead athletics. Beginning as soon as possible, a card-section will be formed to serve all at Morehead games. Saliee said that if he couldn't get at least 300 people to show up for the first practice (time and place will be posted on the bulletin board in the Student House) it would be useless to attempt to have it. So, not meaning to sound too dramatic, but I think it would be a great thing if the students really want it had enough. Let's all try to be there at the first practice and tell all your friends too — o.k.? Block M.

Coach Anderson has begun practice for the wrestling team. The team is to be a lot of interest in it, so considering it in two shirts — step aside. There may not be any Georgious George on the team but Coach Anderson is very high on a few prospects.

The Yankees (just like Bardsley) did it again. What a wacky baseball season. The major league all-star team was announced and only one of the world champions made first team. The Dodgers, who didn't even get out of the National League, placed four on the dream team.

This mess was written before news of the Shrine game could be received but if Morehead wins I know two fellows that owe me a Stan-O-lush. As soon as that place opens (can't advertise) I know two fellows that's going to collect, right before we leave for the Tangerine Bowl.

It seems as though all I ever have is high praise but so far Morehead's football team has deserved it.

And — high praise for the Eagles, and warm regards for I.B.

JOHNSON KICKS—Tally Johnson, Morehead quarterback, boots another extra point in the Eagles 36-7 homecoming victory over Austin Peay. Johnson connected on 44 extra point attempts during the tilt.

OLIVER SNAGS ONE—Freshman halfback Bobby Gene Oliver is shown here catching a pass for a sizeable gain in the Morehead-Austin Peay tilt. This pass and others along with good blocking in the line and hard backfield running gave the Eagles their third victory of the season, 36-7.

HOMECOMING VICTORY

Eagles Roll To 36-7 Victory Over Winless Austin Peay 11

By Bill Herbert Jr.

Morehead's high flying Eagles, combining a potent offense and a strong defense, overpowered the Governors of Austin Peay in a 36-7 romp last Saturday at Jayne Stadium, delighting an estimated 5,500 Homecoming fans.

Putting forth a team effort, the Eagles scored at will while their defensive unit held Austin Peay to a 22 yard loss on the ground.

The helpless Governors were limited to five first downs, one of these being a pass interference penalty in the first half. The visitors gained 129 yards in the air, most of these against the third-string Eagles defenders.

Morehead's first touchdown came on a 38 yard pass in the first quarter clock on a seven yard dash for paydirt by Howard Murphy. After Paul West converted a bad center on a skirt of end for the two points.

The Eagles scored frequently afterwards, adding two touchdowns in the second period, and two in the finale for their 29 point verdict.

Toying with the Governors well into the second period, the Eagles set the tone with a 30 yard drive play by Austin Peay set up this second Morehead tally, and despite gallant defensive efforts by the Governors, the Eagles scored with 7:44 still left in the period.

Austin Peay drew their only blood in the contest on a 79 yard kickoff return following the touchdown. Carroll "Fast" took Ron Ratliff's boot on his own 21 and

ran the distance to the end zone with 7:32 on the clock. The PAT by Ralph Grant put the Governors back into the game, 15-7.

But their hopes were short-lived, for in the dying moments of the first half Morehead guard Scott Davidson broke through to block Sammy Flatt's punt, leaving the ball in Eagle possession on the 12 yard line.

Three plays and 11 yards later, Paul West scored on a sneak from the one. Fifty-eight seconds remained as Johnson kicked the extra point.

Coach Guy Penny used his substitutes freely during the third stanza, and the score remained 22-7 as the last quarter opened.

Touchdown number four came with 9:26 left in the game, on a 33 yard drive in five plays, culminated by a six yard plunge by Johnson, who also kicked the PAT.

The final score came after a series of aerial plays by Freshman Quarterback Mike Gottfried. Bobby Gene Oliver trotted into the end zone for the last TD of the afternoon, eliminating the 32 yard assault with 6:45 remaining. Johnson kicked for the extra point, setting the final score at 36-7.

Two Eagle players left the game with injuries, adding a bit of salt to the easy victory.

Ace punter Mike Brown was removed from the field in an ambulance in the fourth quarter with an injured back, but his condition was not serious.

Ron Ratliff, Eagle kick-off artist and center, injured his left ankle in the third period and was carried from the field.

The victory was Morehead's third consecutive win against a lone defeat in the season opener with Middle Tennessee. The Eagles are 2-1 in the Ohio Valley Conference.

Austin Peay, who enters the OVC competition next year, are now winless in five starts.

Morehead gained 161 yards on the ground, and passed for 142 yards in the air. The Eagles completed 10 of 18 passes, while the Governors connected on 11 of 23 aerials.

The Eagles dominated the battle of statistics, having a pronounced lead in all departments.

Marshall Upsets Morehead By 26-18 Count In Shrine Bowl At Ashland Saturday

By Win Taylor

Trail Blazer Sports Writer

The Morehead Eagles ran into a streak of bad luck as they were downed 26-18 by Marshall University before 8,000 fans who saw the annual Shrine Bowl game at Putnam Stadium in Ashland.

Morehead drew first blood when Howard Murphy plunged over from the two early in the first quarter. The extra point attempt by quarterback Tally Johnson failed, Marshall scored later and King's kick was good. The score at the end of the first quarter stood 7-0 in favor of Marshall.

Marshall held the Eagles scoreless in the second quarter while capitalizing on one of their own fumbles. One of the Marshall players fumbled on the Morehead 10 and teammate Ron Hammond recovered in the end zone for Marshall's second TD. The attempt for the two-point failed and at the half Marshall held a 13-0 lead.

Marshall scored twice in the third quarter. First on a three yard run by David Boston. The extra point was blocked. The second was on a spectacular recovery of a fumble in mid-air by John Williams who romped 25 yards for what proved to be Marshall's last touchdown. King's kick was good and Marshall was on top 26-18. Later in the third stanza Murphy caught a pass from freshman quarterback Mike Gottfried and ran 55 yards for the tally. The try for two points failed and Marshall led 26-12 at the end of the three periods.

Morehead's defense held Marshall scoreless in the fourth stanza while Dennis Brown dived over from the one for the final score of the game. Again Morehead's attempt for the two-point failed. The loss gave the Eagles of USC a 3-2 overall record and gave Marshall its second win against four losses.

SMILES FOR OLD GRADS—This cute quartet of Morehead State College cheerleaders was all smiles for Morehead alumni who returned for Homecoming. Leading the cheers against Austin Peay were: (l to r) Christie Lepper, Newport; Martha Carol Smith, Horse Cave; Charlene Adkins Loveland, O. and Kay Brown, Hillsboro, O. Diana Davis, Erlanger, was absent when the picture was taken.

Access Road At Morehead Gets Construction Approval

Morehead State College has moved rapidly in the first stage of its "Master Building" and campus plan, released for publication only two weeks ago.

Highway Commissioner Henry Ward has approved construction of a paved road from the east end of the existing campus to a 15-acre plot purchased from the estate of the late Charles D. Holbrook. Cost is estimated at \$30,000.

The college plans to move its athletic field to the 15-acre site. West extremity of the road will be in the vicinity of the tennis courts.

Ward, under date of Sept. 24, wrote S. B. Riddle, District Engineer, Flemingsburg.

"Pursuant to the information contained in your memorandum of Sept. 8, 1962, I have signed the necessary orders authorizing the allocation of \$30,000 for the construction of the access road to the physical education field.

Duncan, Smith Attend Second Speech Meeting

Two Morehead State College faculty members, Dr. J. E. Duncan and Miss Mary L. Smith, were among participants in the second annual Speech Educators Conference to be held Oct. 12-13 at the University of Kentucky.

In program set for 9:30 a.m. Oct. 12 at Carnahan House, the University conference center, Dr. Duncan will discuss "Problems in Administering the College Speech Program" and Miss Smith will serve as leader of a group discussion on dramatics courses.

The UK meeting drew an estimated 200 speech teachers from throughout the state. A special consultant was Dr. Wladislaw W. Braden of Louisiana State University, president of the Speech Association of America.

Taha Sabie, MSC Student, Comes From Baghdad, Iraq

By PHYLLIS MAZE
Trail Blazer Feature Writer

Taha (Toby) Sabie, an MSC student from Baghdad, Iraq, came to America Jan. 13, 1960. He entered Peabody High School in Nashville, Tenn., to reach his goal, which was to learn to speak English, and enter an American college. When Sabie came to America he did not speak any English. While attending high school, he also took some advanced English courses at Peabody College.

Sabie entered MSC this fall and is a physical education and political science major. When asked what he thought of MSC, he said, "I think it is one of the best small colleges I know of. It is especially good for studying, and the students are very friendly, especially the girls. There is not much wasting of time."

He said he thought the girls in America have too much freedom. In Baghdad the boys and girls attend the same schools, but are never permitted to have dates unless they are chaperoned. Sabie believes in equality of men and women, however he thinks the husband should be head of the house, with the understanding that both should voice their opinion.

Sabie says he can not understand why steak is so important to the American. In Baghdad, it is just like any other meat. Until he came to America he had never had red tea or cold milk, both were served warm at breakfast. Another food that he has in America that Sabie had never eaten, and still doesn't like, is cooked apples.

When asked about the recreation

Taha Sabie

Rain Slows Up Cwens In Trip To Allegheny

Thirty-nine from Lexington, they went to Pennsylvania to the Cwens convention. They got there a little late 'cause it was so rainy. This is the story of the girls of the Kentucky delegation who rode a charter bus to Allegheny College in Meadville. It is a Liberal Arts and Sciences college dedicated to intellectual and moral growth.

The total number attending the convention was 125. These girls came from various parts of the United States and enabled everyone there to obtain a more cosmopolitan outlook and understanding.

The week end was filled with various workshops and conferences on such topics as "Problem Corner," "Advisor's Problems," and "The Correct Ritual For Meetings". Presiding over the Witan was Mrs. Sue Sweeney, national president.

MOREHEAD WRESTLING TEAM—While it is only the second year that Morehead has had a wrestling team, interest in the sport has grown very rapidly. Coach John Anderson (second row, right) has these twelve boys on the 1962 team.

Morehead Wrestling Team Has Announced 11 Game Schedule

By Win Taylor
Trail Blazer Sports Writer

Wrestling is one of the most popular spectator sports in colleges and universities across the United States except in the South, where it is fast gaining recognition. Morehead is the only college in Kentucky that has a wrestling team.

For the benefit of those on campus who know little or nothing about college wrestling this column will explain a few of the main rules.

Each bout is divided into three periods, each being three minutes. The first round starts from a standing position, with the two boys facing each other. Before the second round begins, a coin is tossed, and the winner takes what is called an "advantage position" with the loser on his hands and knees and the winner with one arm around his opponent's waist and the other holding his arm.

These positions are reversed in the third period. Scoring is one of the most intricate from a standing-neutral position counts two points the first time it happens in a round and one point for each subsequent take-down. A reversal (from disadvantage to advantage position) counts two points.

Team scoring goes something like this: A pin (both shoulders on the mat) counts five points. A forfeit counts five points and a decision (win by points) counts three points. In case of a draw each team gets two points.

If a pin occurs, all the points gained by the pinned wrestler are nullified.

There are eight weight classes: 125 lbs., 130 lbs., 137 lbs., 147 lbs., 157 lbs., 167 lbs., 177 lbs. and heavyweights.

Coach John Anderson says he expects to have a good team this year and to better last year's record. The Eagles will participate in 11 meets this year, five at home and six away.

Coach Anderson said, "We will be strong in almost all of the cante parts of the game. A take-weight classes, but some of the boys will need experience."

The Eagles will meet Clinch Valley College, Virginia; Maryville College, Tennessee; Carson-Newman College, Tennessee; Marshall University freshmen; Knoxville YNCA; and Milligan College, Tennessee. They will also be in two tournaments, the Chattanooga Southern Invitational Tournament and the Southeastern District NCAA Tournament. Maryville College placed third in the Southeastern NCAA Tourney last year.

There are 22 men on the wrestling team this year. Listed in their respective weight classes they are: 123 lbs.—Steve Wortman, who is co-captain of the team; 230 lbs.—Jim Hartman, Ken Leupp, and Joe Romero; 137 lbs.—Joe Dente, Dick Turner, and Ray Feeney; 147 lbs.—Ken Lucas, John Roche, Jim Collins, and Roger Montanaro; 157 lbs.—Dick Roche, Dillon McMillen, Albert Ieffentant, and Felix Hamilton; 167 lbs.—Allen Edwards, Ed Buffum, and Rudolph Ovarastro; 177 lbs.—Charles Mahoney, who is the other team co-captain; and heavyweights—Marty Blum, Bill Swadick and Pete Kasaukas.

(Continued from page one)

later. Dr. J. E. Duncan, Chairman of the Division of Fine Arts at Morehead State College, calls the series a great boon to the region.

"This is the sixth year for the concert series and although the series has grown because our student body has grown, the growth in the city and region has not kept pace," said Dr. Duncan.

He added, "The officers of the Civic Celebrity Series have attempted to bring high quality performers to Morehead but due to the limited budget, brought about by the lack of local support, the number of fine artists has been necessarily held to a minimum."

Dr. Duncan pointed out that Morehead State College is greatly pleased to work with the people of the region in arranging the series but he added, "We will continue to grow only if the interest of the people in the community and region continues to grow."

A QUEEN FOREVER—A queen in name no longer is Sandra Howell, Homecoming Queen for 1961-62. Howell relinquished her crown to Carole Porter, a sophomore from South Shore, at the Homecoming game, October 12, however, the wife says he allowed the title of queen if looked and personality are continued as rules for judging the qualities of a queen.

IN THE COLLEGE BRAND ROUND-UP

PRIZE: BEAUTIFUL 19 INCH MOTOROLA TELEVISION CONSOLE

WHO WINS: Prize will be awarded to any Group, Fraternity, or Individual who qualifies and has the highest number of points.

- RULES:**
1. Contest open to all students.
 2. Each empty package submitted on Marlboro, Parliament or Alpine will have a value of 5 points. Each empty package submitted on Philip Morris Regular or Commander will have a value of 10 points.
 3. In order to qualify each entrant must have 15,000 points.
 4. The contest will run from October 8 to Friday noon, November 16.
 5. No entries will be accepted after closing time. Empty packages must be submitted in bundles of 100 packs separating 5 and 10 point packages to the Public Relations office of Morehead State College.

Get on the BRANDWAGON ... it's lots of fun!

National Teacher Examinations To Be Held On Feb. 16-1963

The National Teacher Examinations, prepared and administered annually by Educational Testing Service, will be given at more than 300 testing centers throughout the United States on Saturday, Feb. 16.

A Bulletin of Information, containing an application and describing registration procedures, may be obtained from the National Teacher Examinations, Educational Testing Service, Princeton, N.J. Completed applications, accompanied by proper examination fees, will be accepted by Educational Testing Service from Nov. 1, but in any case must be received at Educational Testing Service not later than Jan. 18.

Registration Fees Hiked In Colleges

Registration fees at all state colleges and the University of Kentucky were raised a flat \$10 per semester this week by the Council on Public Higher Education.

Adoption of the new fee schedule, effective next school year, came after University President Frank C. Dickey told the council continually boosting tuition would jeopardize the low-tuition principle of public higher education.

The council passed a resolution affirming its belief in low tuition.

The new fee schedule raises basic registration fees to \$75 a semester at Eastern, Murray, Morehead, Kentucky State and Western Kentucky State Colleges and \$81.75 at the University of Kentucky.

Fees at the university will total \$110 next year for each state student since students will pay a \$28.25 special fee in addition to \$81.75 for registration. Special fees now range from \$8 up at the other schools.

The council left special fees up to the individual boards of trustees. These include laboratory fees and athletic contest assessments.

Three state college presidents, Dr. Adron Doran of Morehead, Robert Martin of Eastern and Kelly Thompson of Western, agreed with Dickey's statement in principle, but said the increase was necessary to carry on next year's programs.

Under the new rates, out-of-state students will pay \$150 per semester tuition and \$75 during the summer at the five state colleges. Kentucky students will be charged \$27.50 during the summer.

ON OCTOBER 12

Sylvia Horton Elected As Speech Secretary-Treasurer

Sylvia Horton was elected, as secretary-treasurer to the Undergraduate Speech Association of Kentucky on Oct. 12, at the Speech Educators' Conference.

This was the second annual Kentucky Speech Association conference. Dr. Waldo Braden, president of the Speech Association of America, was guest consultant.

Horton is a senior speech and drama major with interests in library science and English. Her home is in Loveland, O.

Roy Lauter, from Asbury College, was elected as president of the Undergraduate Speech Association and John Patton, of the University of Kentucky, was elected publicity chairman. Since this was a newly formed organization, goals of promoting interest in state forensic meets and the promotion of teaching speech in Kentucky were set up with John Patton offering the university's printing facilities for early bulletins.

While the undergraduates were busy in conferences, the speech teachers of Kentucky secondary schools and colleges were busy with meetings and lectures. Dr. J. E. Duncan, chairman of the Division of Fine Arts, Dr. Blyden, of the University of Kentucky, and Dr. Patterson, president, Kentucky Speech Association and professor at U.K., were among the few to speak at the speech conference.

Representing Morehead State College were Miss Mary L. Smith, Jerry Bangham, and Miss Sandra Manburg, all of the speech and

drama department. Mrs. James Prince represented Rowan County High School. Miss Manburg also represented Breckinridge Training School.

Summer Jobs Are Open To American Youth In Europe

Grand Duchy of Luxembourg—The American Student Information Service, the only official, authorized organization placing American college students in summer jobs in Europe on a large scale, is celebrating its fifth anniversary by offering travel grants and cash scholarships from \$10 to \$175 to the first 1,000 student applying for summer jobs in Europe.

For a complete 20 page prospectus and a European job application, contact either the Director of the Student Union, the Placement Officer, or write directly to an ASIS, 22 Avenue de la Liberte, Luxembourg City, Grand Duchy of Luxembourg. Enclose 20 cents for airmail reply.

FRESHMEN ELECT STEERING COMMITTEE

The freshman class elected its 1962-63 Steering Committee Oct. 9 at 10 a.m. in Button Auditorium. The five freshmen elected to the committee were: Tom Cooper, Larry Allen, Burr Travis, Jim Harris and Ted Pass.

Business Education Conference Saturday

Business education teachers from the Morehead State College region will attend a day-long conference on the campus Saturday, Oct. 27. Dr. C. Nelson Grote, Chairman of the Division of Applied Arts at Morehead, will welcome the high school business teachers at 9 a.m. following registration.

Highlighting the conference will be typewriting and shorthand sessions led by Prof. George A. Wagoner, Chairman of the Department of Business Education and Office Administration at the University of Tennessee.

Dr. Wagoner is immediate past Dean of the Institute for Certifying Secretaries and is the author of articles in professional business education journals and textbooks in business.

Mrs. Iris Robinette, President of the Eastern Kentucky Business Teachers Association, Russell High School, and Dr. Hollie W. Sharpe, Chairman of the Business Education Program at Morehead are also on the program.

ALUMNI RECEPTION—The reception which was held after the game was another very successful part of Homecoming 1962. Alumni, parents, and students were able to gather and talk over old and new times. There were two receptions going on after the game, and this picture is the one at the Campus Club clubhouse which saw approximately 36 alumni visit the newly furnished house.

Famous Art Exhibit Open To The Public

Kermil Ewing, head of the Art Department of the University of Tennessee, and other University artists are conducting an exhibit at Morehead during the month of October.

"This exhibit is valued at \$5,000 and well worth anybody's trip to

the art gallery of the Art Department on the ground floor of Allie Young Hall," said Naomi Claypool, head of the Art Department at MSC.

These famous artists have handed together into an association and have exhibited their works all over the United States. They have just closed an exhibit at the Columbus Museum of Arts and Crafts where it was referred to as "the finest exhibition of contemporary art we have had in years."

The public is invited to view this exhibit, Miss Claypool emphasized.
