President Adron Doran

A Message From President Doran

We are pleased to have the opportunity to serve as hosts to the Future Farmers of America from throughout the Morehead State College region and extend a cordial welcome to all visiting participants in the annual Sixth District FFA Day.

The Future Farmers of America is an outstanding organization and we are delighted to have a part in its role of training youngsters for leadership. We have helped arrange what we believe to be a challenging program which will be of great interest to all FFA Day participants.

We wish to continue our pleasant relationship with representatives and members of FFA and this edition of the Trail Blazer has been prepared for distribution as a token of our good will.

We sincerely hope you enjoy your stay on the campus today and I would like to extend a personal invitation to each of you to visit with us again in the near future.

President Adron Doran

A Message From Dr. Grote

It is indeed a privilege to extend greeting to the members and the sponsors of the twenty-four FFA chapters in the Sixth District of Kentucky. The Division of Applied Arts looks forward to serving as host for the 1964 FFA Day that will be held on the Morehead State College campus, Saturday, April 4.

One cannot observe the opening ceremonies of the FFA Program or visit a contest without being impressed with the orderly procedure and adult manner in which the chapter members conduct themselves. The young men in blue jackets with the familiar gold emblem are always welcome on the Morehead State College campus.

We recognize that the FFA chapters in the local high schools in eastern Kentucky play a very significant role in the education of our rural youth. Young men who participate in chapter activities not only develop a better understanding of the role of Agriculture in the economy of our nation, but they have the opportunity to develop leadership and followship abilities. The FFA Program contributes greatly to good citizenship and to our democratic way of life.

During the past several weeks, a number of people on the campus have been involved in preparing for the FFA Day activities. It is our sincere hope that the arrangements are satisfactory and that it will be a pleasant day for chapter members, their faculty sponsors, and friends and guests of FFA and MSC.

Dr. C. Nelson Grote, Chairman
Division of Applied Arts

Judges For FFA Day, 1964

CHAPTER MEETING
William Bingham, Department of Agricultural Education, U.K.
Herbert Bruce, Department of Agricultural Education, U.K.
Eugene Little, Teacher of Agriculture, Woodford Co. High, Versailles, Ky.
G. T. Harding, Teacher of Agriculture, Denning High, Mt. Olivet, Ky.

William Steele, Teacher of Agriculture, Bracken Co. High, Brooksville, Ky.
Jack Wise, Richard Seed Company, Winchester, Ky.
John VanSant, Principal, Sandy Hook High, Sandy Hook, Ky.
Paul Williams, Former Teacher of Agriculture, West Liberty, Ky.

PUBLIC SPEAKING
Lloyd Dean, Guidance Counselor, Pritchard High, Grayson, Ky.
An American Farmer from the Rowan County Chapter.
Walter Brown, Supervisor of High Schools, Pikeville, Ky.
Champ Clark, Public Relations, Kentucky Utilities Co., Morehead.
B. Lunsford, Flemingsburg, Kentucky.
Bob Wolfe, Extension Agent, Fulton County.
Paul Roberts, Instructor in Manpower Development, Flemingsburg.

CREED TEST
Lonnie Click, Teacher of Agr., Adult Program, Sandy Hook High, Sandy Hook, Ky.
Joe Jarrell, Teacher of Agr., Adult Program, Louisa High, Louisa, Ky.

IMPROPTU SPEAKING
Peter McNeill, Power Use Advisor, Fleming-Mason R.E.C.C., Flemingsburg.
Roy McClinton, Farmer, Kentucky Farmer Degree Holder, Boyd County.
E. R. Kelley, Dairyman, American Farmer, Mason County.

MUSIC TEST
Pritchard King, Extension Agent, Magoffin County, Salversville.
Marcus Owens, Prestonsburg, Kentucky.
Paul D. Morris, Asst. Extension Agent, Lewis County, Vanceburg, Ky.

Program

April 4, 1964
Registration, 8:30-9:30 a.m., Lobby, Button Auditorium.

First General Session, 9:30 a.m., James Brown, President.

Opening Ceremony

Invocation, Rev. Thomas Ditto, Methodist Church, Morehead.
Roll Call of Chapters.
Welcome, Dr. C. Nelson Grote, Chairman, Division of Applied Arts, M.S.C.
Recognition of Chapter Sweethearts, Danny Blevins, Vice-President.
Introduction of Guests.
Announcements and Instructions.
Contests Begin, 10:30 a.m., Lappin Hall.

Second General Session (after completion of contests and tabulation of results).

Finals chapter meeting conducted in Button Auditorium.

Results and awards, D. E. Bayless, Supervisor Agriculture Education, State Department, State Department of Education.
Closing Ceremony.

Results Of FFA Day

Contest	Winner	Chapter
*Chapter Meeting	James Brown	Rowan County

"These events were held and judged as a part of FFA Activities on the Morehead State College campus April 16, 1963. Other entries were judged prior to FFA Day and exhibited in the lobby of Lappin Hall.

Annual Religious Emphasis Week Underway Here

The Annual Morehead State College Religious Emphasis Week started Sunday, March 22.

Dr. David B. Sagesar, former pastor of Morehead Methodist Church, now minister of Clifton Methodist Church, Cincinnati, Ohio, will conduct Religious Emphasis Week services.

Tonight the first of the "Christian Citizenship" emphasis services will be in the Button Auditorium between 6:30 and 7:30 p.m. The theme for the evening is Christian Citizenship and Dr. Sagesar's message is entitled "Persons and Property."

Religious Emphasis Week chairman is Dr. Hollie W. Sharpe, vice-chairman, Mike Sloane; and secretary, Martin Huffman.

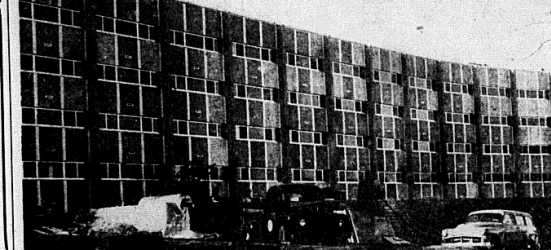

Mrs. Adron Doran Is Named Among The "Best Hatted"

Mrs. Adron Doran, Morehead, has been named one of the Best-Hatted Women of America for 1963.

Mrs. Doran, who is President of the Kentucky Federation of Women's Clubs and wife of Morehead State College President Adron Doran, was named to the select list of women throughout the United States by the Millinery Institute of America.

Bill Riemer, Executive Director of the Institute, said, "We have named Mrs. Doran in recognition of her consistent and tasteful sense of style."

— Turn to last page.

MIGNON HALL WEST — Mignon Hall West is the second of three dormitories to be included in the Mignon Hall complex. The dormitory, being constructed at a cost of over \$700,000, will house 200 women in 50 suites and will be ready for occupancy by the fall semester of 1964.

Four Freshmen Present Concert At College Last Wednesday

The Four Freshmen appeared in concert at the Morehead State College Fieldhouse last Wednesday before 800 people.

Ron Lakin, president of the Morehead State College student council, said, "The Four Freshmen have been honored as one of the best vocal groups throughout the nation and Morehead is honored in having them appear on campus again for their third appearance in the last ten years."

The group is noted for contemporary jazz and popular renditions.

The Four Freshmen have recorded 22 albums in the past eight years, which have sold over two million copies.

"Got That Feeling" is their latest album which came out on record stands in November, 1963.

In 1948 the Toppers, now the Four Freshmen, originated at Arthur Conservatory of Music, Indianapolis, Indiana.

The Toppers were singing one night in Dayton, Ohio, where Stan Kenton jazz musician for Capital Records, heard the group and called Hollywood, California, where the Four Freshmen signed a contract with Capital Records.

The Toppers then changed their name to the Four Freshmen.

"It's a Blue World", was the

Four Freshmen's first big hit record, in 1962.

Members of the group are: Ross Barbour, trumpet, and drums; Bob Flanigan, bass; Bill Connaback, guitar; and Ken Albers, bass.

voice, trumpet, mellophone and he arranges the songs for the group.

The Four Freshmen have appeared on the radio and in concert at Bird Land and Carnegie Hall, New York City and at the Hollywood Bowl, Hollywood, California.

Exhibits will be set up between the hours of 7:30 a.m. and 10:30 a.m. until Saturday. Judging of exhibits will be done from 10:30 a.m. until 1:00 p.m. and announcements of awards and top winners will be made at 1:30 p.m. in room 101 of Lappin Hall.

Basis for judging the exhibits will be creative ability, scientific thought, thoroughness, skill, clarity, and dramatic value.

Some of the prizes and awards for fair winners are: an all-expense paid trip to Baltimore, Maryland to compete in the 1964 National Science Fair International.

A five day stay at a Navy research center; two Morehead State College scholarships; a 20-volume set of World Book Encyclopedia; a 10-volume set of the Book of Popular Science; and a Handbook of Chemistry and Physics.

Morehead State College will play host to over 750 high school students and their sponsors at the annual Future Farmers of America Day on Saturday, April 4.

Twenty-four chapters of the FFA and their guests will be represented at the day's events, which will get under way with registration at 9:30 a.m. in the lobby of Button Auditorium.

The participants will assemble in Button Auditorium at 10:00 a.m. for exercises conducted by the Eastern Kentucky Federation of Future Farmers of America officers. Dr. Nelson Grote, college sponsor of the college Agriculture Club.

PROCEED DEDICATED TO HAGGAN

The annual Future Farmers of America Day program is being dedicated to Henry C. Haggan, professor of agriculture at Morehead State College and sponsor of the college Agriculture Club.

Haggan is being honored for his long and distinguished service to the college and the program and advancement of agriculture.

The coordinator of the program and Chairman of the Division of Applied Arts at Morehead, will give the welcoming address.

Contests and activities will begin at 10:30 a.m. and are scheduled throughout the day. Entries will compete in public speaking, impromptu speaking, chapter meetings, procedure, creed contests and music contests.

Farming achievement entries, chapter secretary, treasurer and scribbles will have been judged before April 4, so that all contest winners can be announced during the FFA Day program. The winners will represent the area in the state finals at the 85th Kentucky FFA Convention in Louisville, June 3-5.

FFA Day will conclude in Button Auditorium with the presentation of cups, ribbons and other honors won by members throughout the day. Chapter "sweethearts" will be recognized at this session.

The enterprise projects of the various groups will be displayed with awards in Lappin Hall throughout the following Saturday.

Morehead State College Agriculture Club will act as hosts for the participants.

The chapter will be greeted and escorted during the day by members of the Morehead State College Home Economics Club.

"It is indeed a pleasure to have the Future Farmers of America to spend our campus for their annual activities in this region for the third consecutive years," said Arvil Crase, Morehead, chairman of the Eastern Kentucky Vocational Agriculture Teachers Association; James Brown, Wurtland, federation FFA president; and D. E. Bayless, Morehead, area vocational agriculture supervisor, are in charge of the program.

"We hope all the students will bring their parents and friends to the program," said Dr. Grote. "We have made every effort to make the occasion a pleasant and profitable day."

Sponsors and chapters participating — Turn to last page.

College To Conduct Special Program

Morehead State College will conduct a special summer school program for freshmen which will serve as a trial period for high school graduating seniors whose academic record is low.

The special program was developed by the college faculty and will be conducted by the college during the 1964 summer term but it is also open to Kentucky high school seniors with low academic standings who may wish to participate.

An out-of-state freshman in the lower one-half of the senior class cannot be admitted at Morehead for the fall semester without enrolling in the summer program.

Dr. Hollie W. Sharpe, vice-chairman of the summer academic work which has been approved by the Board of Regents.

The addition will enable the library to hold 120,000 books, more than double the present capacity of the old library as you face the front, and extends behind Fields Hall.

Due to bad weather ground work has just begun.

The addition will enable the library to hold 120,000 books, more than double the present capacity of the old library as you face the front, and extends behind Fields Hall.

The addition will enable the library to hold 120,000 books, more than double the present capacity of the old library as you face the front, and extends behind Fields Hall.

Construction began on February 3 and completion is expected around November 10.

Miss Chapman, head librarian, said that she felt the new addition would be ready for use in December.

The ground floor of the addition will contain the lower level. The first floor will contain periodicals and vending machines. The second floor will contain reference material, offices, and catalog rooms. The third floor will contain Faculty and Graduate student carrels, which are small study rooms.

"The new addition will enable the Morehead students to have more study accommodations. The students will also have a greater variety of books from which to choose," said Miss Chapman.

MR. HENRY C. HAGGAN TO BE HONORED — The FFA Day Program today is Dedicated to agriculture teacher and Morehead State College Professor Henry Haggan.

History Of Easter Presents Many Interesting, Informative Facts

How did Easter get its name? Why was this holy day "seldom" celebrated on Sunday by the first Christians? And why is Easter and not Christmas — considered the most ancient and most important festival of the Christian year?

The answers, unknown to many people, shed new light on the rich history and significance of the holiday.

The first Christians took relatively little notice of the anniversary of Christ's birth. Easter, to them, was the all-important holiday. As far as they — and the Gospels — were concerned, Jesus commanded men to remember not His birth, but His death.

"God raised Him up," said St. Peter in the first great Christian sermon, "having looked at the pangs of death. . . . It was not possible for death to hold Him." (Acts 2:24).

Dr. Oswald Hoffman, whose weekly address on "The Lutheran Hour" are heard by more than ten million people in 43 languages around the world, points out that "Christ's victory is unique. Sponsors skillfully revive people after their hearts have stopped by means of message, or electric shock. What happened to Jesus Christ, however, is quite different from anything that ever happened before or anything that happened since. On that first Easter Sunday, a Man rose from the grave, waking up from death as if it were nothing more than a sound sleep."

With the drama of Christ's death and resurrection firmly fixed in their minds, early Christians debated the most appropriate date for marking the event. At first, Easter was celebrated on the 14th of Nisan (the Hebrew month corresponding to March-April), regardless of the day on which it fell. This, the date of the Jewish Passover feast, marked the death of Christ.

Christians of Jewish descent favored this practice. But Gentile Christians disagreed, insisting that Easter be observed on Sunday, the day of the resurrection. The issue was decided by the Nicaean Council, which in the year 325 decided that Easter would be observed by every one on the Sunday following the full moon of the vernal equinox. But the ancient connection of Easter and Passover lingers on in the names many nations give to the holiday: in the French "Pâques" and the Spanish "Pascua" are derived, through the Latin, from the Hebrew "Pesach" (Passover).

Why do we call it Easter? According to the 8th century historian Bede, the name comes from Eostre or Ostara, a Germanic goddess of dawn or spring. Ancient European tribes held an annual spring festival in honor of the death of winter and the return of the sun. When they became Christians, they kept many of the

joyous customs with which they had formerly greeted the renewal of spring.

We can also thank these tribes for the Easter rabbit. They believed that a bunny always turned up to make the goddess Eostre a present of a brand new egg. The practice of giving eggs as gifts and eating them on Easter Sunday probably received added impetus because, in early Christian time, eggs were forbidden food during Lent. In many places, Easter games played with eggs were traditional; the Monday egg-rolling on the White House lawn is an echo of these frolics.

The white lily, symbol of the resurrection, is the traditional Easter flower. In the United States, the Bermuda lily became so popular that Easter use that it came to be known as the Easter lily.

While various folk customs enrich the holiday, the events of the first Easter itself are treated by some people as a mixture of myth and legend. Attempts have been made in the past, and are being made today, to explain away the resurrection of Jesus Christ. Is the resurrection an historical fact?

"He rose again the third day according to the scriptures," said the first Epistle of Paul the Apostle to the Corinthians. "And that He was seen of Cephas, then of the twelve: After that He was seen of above five hundred brethren at once; of whom the greater part remain unto this present, but some are fallen asleep. After that, He was seen of James, then of all the apostles. And last of all He was seen of me also."

Dr. Oswald Hoffman recently told his millions of listeners on "The Lutheran Hour": "You can have complete confidence that the story is really true. No event in history has been so clearly substantiated as this one."

In the case of our Lord's resurrection, the story was written by the eyewitnesses themselves. This is primary source material of the highest credibility, written by men who never had any idea before that first Easter morning of spending their whole lives telling a story like this one.

"Praise be to the God and Father of our Lord Jesus Christ, who in His mercy gave us new birth into a living hope by the resurrection of Jesus Christ from the dead!" (1 Peter 1:3) NEB.

Editor's Note: Instead of running an editorial praising and discussing Religious Emphasis Week, The Trail Blazer staff has decided to present this story about the history of Easter. It goes without saying that we are strongly in favor of Religious Emphasis Week and feel its value to Morehead State College is great.

Why do we call it Easter? According to the 8th century historian Bede, the name comes from Eostre or Ostara, a Germanic goddess of dawn or spring. Ancient European tribes held an annual spring festival in honor of the death of winter and the return of the sun. When they became Christians, they kept many of the

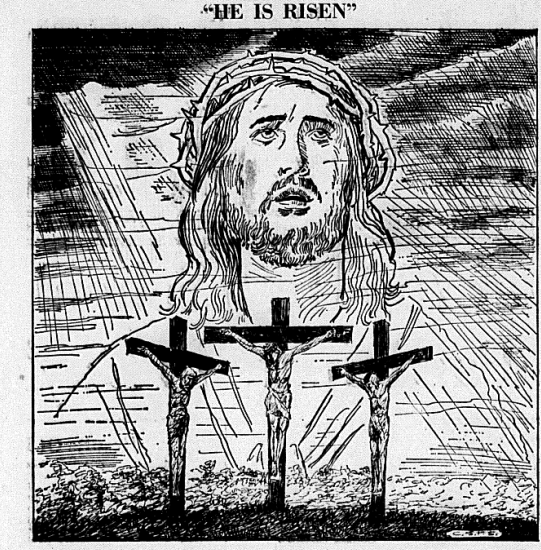

joyous customs with which they had formerly greeted the renewal of spring.

We can also thank these tribes for the Easter rabbit. They believed that a bunny always turned up to make the goddess Eostre a present of a brand new egg. The practice of giving eggs as gifts and eating them on Easter Sunday probably received added impetus because, in early Christian time, eggs were forbidden food during Lent. In many places, Easter games played with eggs were traditional; the Monday egg-rolling on the White House lawn is an echo of these frolics.

The white lily, symbol of the resurrection, is the traditional Easter flower. In the United States, the Bermuda lily became so popular that Easter use that it came to be known as the Easter lily.

While various folk customs enrich the holiday, the events of the first Easter itself are treated by some people as a mixture of myth and legend. Attempts have been made in the past, and are being made today, to explain away the resurrection of Jesus Christ. Is the resurrection an historical fact?

"He rose again the third day according to the scriptures," said the first Epistle of Paul the Apostle to the Corinthians. "And that He was seen of Cephas, then of the twelve: After that He was seen of above five hundred brethren at once; of whom the greater part remain unto this present, but some are fallen asleep. After that, He was seen of James, then of all the apostles. And last of all He was seen of me also."

Top News Review

Recent Courtroom Dramas Top The Television Shows

By David Henderson
Trail Blazer Associate Editor

In the past several years, the television industry has produced many programs which center on courtroom drama as subject matter. The band of television lawyers, led by Perry Mason, has battled through many a case, ranging in subject from "who took the diamond necklace" to "who drowned the millionaire's cat." The result is that ratings have never been so good.

Yet, in recent weeks, real-life drama in courtrooms in Tennessee, Texas, and California, make poor Perry and the boys sit back in insignificance. The verdicts of the three trials are in and Americans are comparing the results and concluding that crime certainly doesn't pay.

On the West Coast, Frank Sinatra Jr. is being rewarded for his 500-mile ride in a car trunk by seeing his kidnappers sentenced to life terms in prison. For the most part, the public was surprised by the harshness of the sentences and it felt there is another person equally deserving of that sentence who got off much easier. That man is Jimmy Hoffa.

The Teamster boss stood in a Chattanooga, Tennessee, courtroom and heard his sentence after being convicted of jury-tampering in 1962: eight years in jail and a maximum fine of \$10,000. In this, Hoffa replied, "I stand here today and state that I am innocent."

He then stated, with little relevance to the case, what he has accomplished as leader of the Teamsters union, and that he will plan an appeal.

Judge Frank Wilson exchanged glances with Hoffa and said, "you stand here convicted of having tampered . . . with the very soul of this nation . . . of having struck at the very foundation upon which everything else in this nation depends, the very basis of civilization itself, and that is the administration of justice."

He continued, though the difference it made to Hoffa is questionable, "The verdict of the jury in this case is clearly supported by evidence. It is difficult for the court to imagine a more wilful violation of law."

So, with this slap on the hand, Hoffa was freed on bail and flew to Florida.

While the accused in the two previously mentioned trials were convicted without any question of the correctness of justice (except by the accused), an aura of doubt still hangs over the trial of Jack Ruby, murderer of accused Presidential assassin Lee Harvey Oswald. The question that was decided upon is one of mystery: was Jack Ruby a conscious, calculating killer, or was he a man who was not in command of his senses?

Psychological tests presented in the trial showed that Ruby is a "mental cripple," capable of drifting mentally in such a way that he could not control his actions. Perhaps, the results of these tests were too boring for the jury, for they found Ruby "guilty of murder with malice . . ." and accessed his penalty at death.

Ruby's trial was one of the most colorful in years. The world that watched found new action in every day that the trial continued. The Dallas Police Department, which manages to get into the spotlight through innocent blunders, chased escaped prisoners through the halls outside the Ruby courtroom, while Melvin Belli, Ruby's lawyer, entertained the members of the trial inside.

After the trial, Belli created a sideshow by so discrediting the law profession that he was relieved of his association with the Ruby case, and reprimanded by the bar association. This action resulted when Belli continually complimented the jury "for a verdict that is a victory for bigotry."

With these three history-making trials, the American people have had an exciting diversion from the man-believe crime stories on television. We have seen what the 1964 punishment for kidnapping is, what happens to a corrupt union leader, and what happens to a man who kills the man held as assassin of the President of the United States. The sentences were heavy, but the trials were just and open for the world to see our kind of justice.

Aquila Club Sponsors College "Travel Bureau"

The Aquila Club will sponsor its semi-annual travel bureau from March 25 to April 1. All those interested in obtaining rides and pursuing rides are asked to register their names with the Aquila Club. The travel bureau will be set up in the basement of the student house, opening at 10:00 in the morning until 3:00 in the afternoon from March 25 to April 1.

Let us help you find a ride or a rider to any destination during spring vacation," said Bill Contros, President of the Aquila Club.

Norman Conducts Procedure Meeting At Morehead State

By Quentin Callahan

Dick Norman, junior student council representative, held a lecture on parliamentary procedure in Lippin Hall, on March 12.

About 20 delegates from the various clubs on Morehead State College campus attended.

Norman covered in his talk the correct agenda, types of motions, and advantages and disadvantages of the procedure.

The student council purpose in conducting this meeting was to give the working knowledge of this type of procedure.

CWENS HOLD COKE PARTY

The Cwens held their annual "Coke Party" for all freshmen women with a 3.0 standing or above on March 21 to review prospective members for 1964-65.

In the next few weeks, the candidates that have been selected for the honor, will be named. Candidates will be chosen on the basis of scholarship, leadership and character.

"HE IS RISEN"

The Editor's Desk

The Trail Blazer received a very interesting letter from an old alum Saturday, and we thought that the students would be interested in reading parts of it.

The letter is from Ralph Schwartz, who was the Business Manager of the paper in 1936 and is currently running Schwartz Bayland at Fort Wayne, Indiana. The primary purpose of the letter was to ask for a change of address for his Trail Blazers; however, Schwartz also added some interesting facts about Morehead State College.

He said:

"Thirty years ago, there was no science hall. The power house was across from Allie Young Hall, the campus stopped at Breck Training School, classes were in the Ad Bldg., except for music, which was in the basement of Field's Hall. We had maybe 700 enrolled, and the cafeteria was in the basement of Allie Young Hall. Meal books that lasted a week cost \$3.50, and dormitory rent was \$27.50 a semester, and that included linen."

"I was present at the birth of the tradition of the Hawk Rifle thing between us and Eastern, and I remember standing on the steps in front of President Babb's house with some of the guys from the Campus Club looking at the gun. Babb claimed it was actually a squirrel rifle, and for all I know, he may have been right."

"Morehead is a great school in the most beautiful of surroundings, and you are all fortunate to be there. I cannot look back on happier years, and I hope that you all will feel the same in later life."

NEXT PAPER ON APRIL 21

The next edition of The Trail Blazer (the week's lapse is due to spring vacation) will be published on April 21. We would like to request that all clubs, organizations, and departments please notify us as soon as possible for future news.

The copy deadline for all stories is the Thursday before the publication date. The next deadline will be on April 16.

By B. PAT O'ROURKE
Train Blazer Sports Editor

The warm weather is coming to Morehead and so are the spring sports. Yes, it is time for baseball, track, tennis, golf and soccer to start and practices have been going hot and heavy.

Coach Rex Chaney's lads are preparing to defend their OVC Co-Championship. Coach Chaney is very optimistic about his chances. He said, "This year's club will be a good hitting team and is strong in the infield. Our big question mark is pitching. We have no tested pitchers, but boys like Charles Barone, Bob Kohler, Charles Atkins and Larry Wilson should come right along."

"Our outfield will also cause some question marks with the loss of Joe Campbell and Tom 'Red' Ellis. The infield will be strong and experienced with Jim Mastrodice as third base, Terry West at short stop, Dennis Doyle at second base and Leston Stewart at first. Jim Strickland and Mike Collins will be sharing catching duties," said Chaney.

The first game was against Olivet College, Olivet, Mich., yesterday and the Eagles play again today, so come out and support your defending champions.

As we roll into April, the track team is making final preparations for the season. Last minute polish is being put on and buffed in hopes of victory on April 15.

Hey, did anyone watch Jim Johnson run a 2:08 half mile then turn around and run a 2:05 half-mile. Bad news from Western State Coach Benly pulled one out of the bag this year. His name is Dave Miller. Miller, wandered on the field and told the coach that he felt like running a little. He is now first team material.

Mickey Wells is up to something this year — he came to practice. On the whole, Coach Benly has a team to work with. The boys are dedicated to their work, so all that remains is the big test on April 15.

LUTHER — OVC COACH OF THE YEAR

Cal Luther, head coach of the championship Murray State College team, is the choice of the OVC basketball coaches as OVC Coach of the Year. Cal was selected for the honors by receiving four place votes from the league's head coaches.

Eastern Kentucky's Jim Bechtold was the runner-up with two first place votes and two seconds. George Fisher of Austin Peay was third with four second place ballots. Bill Stokes of Middle Tennessee and Tennessee Tech's John Oldham each received one place vote.

Luther is a native of Caldwell, Georgia but did his high school playing in Milwaukee, Wisconsin where he won all-state honors in basketball and football. He was an outstanding basketball player at Vassarville University.

This is Luther's sixth year as the head mentor at Murray. His highest finish in the OVC previously was in 1961 when his team finished third in the OVC race.

Murray won its last OVC title back in 1951 under Coach Harlan Hodges.

Coach Luther took his Racers to Evanston, Ill. on March 10th for a game with Loyola of Chicago in the first round of the NCAA tournament. The final score was 101 to 91 in favor of defensive NCAA champion Loyola.

FINAL OVC STATISTICS

Morehead ranked high in the OVC statistics, both team and individual. The Eagles ranked first in scoring with an 88.2 points per game average (6th in the nation). We were also first in free throw percentage with a 73.5 percent.

Harold Sergeant and Darel Carrier shared the scoring crown with 26.0 points per game average (20th in the nation), while Henry Akin tied for third place with a 22.2 average. Akin was also second in the conference in field goal percentage with .311 percent. Akin and Sergeant were 5th and 6th in free throw percentage with .706 and .703 percent respectively.

Akin and Bob Kohler ranked seventh and tenth respectively. Akin averaged 11.5 per game, while Kohler averaged 10 rebounds per game.

REGIONAL RECAPS

Congratulations to Clark County High School for winning the 16th Regional Tournament, played here at Morehead State College. The Cardinals beat a fine Russell High School team, 78-56.

The tournament was well attended as close to 5,700 jammed the Fieldhouse for the semi-finals. All the coaches can be proud of their team's showings as well as well represented. The All-Regional Tournament Team was as follows: Dennis Shelby, Bath County; Frankie Bean, Ashland-Paul Blazer; George Branham, Ashland-Paul Blazer; Roy Williams, Camargo; Steve Sheppard, Lewis County; Doug Bliven, Clark County; Charlie Osborne, Clark County; Dave Martin, Clark County; Dave Adams, Russell; Bruce Everman, Friedland.

MOREHEAD BASEBALL TEAM — The Morehead State College Eagles opened their 1964 season against Mt. Olivet, Mich., yesterday.

They will play another game today. The Eagles have the defending Ohio Valley Conference Baseball season against Mt. Olivet, Mich., yesterday.

The Intramural Outlook

By Dave Shire

The regular season of Intramural Basketball closed this past week with 30 and 300 prevailing throughout the three leagues. Only six teams remain now. These teams have been paired off and began their championship drive last Thursday. The championship game began at 8:00 o'clock, Thursday night, March 26.

The final regular season games were as follows:

The NKR's won easily over the Campus Club II, 77-35. Amazingly enough, the NKR's had five men in double figures. Ken Bonnevill led the attack with 24. Leroy Surry followed with 15. Kaneur and Rivald took the honors for the Campus Club with 9 and 8 respectively.

The Peaches dropped out of league contention with a 7 point loss to the 69ers, 57-50. Helton led the winners with 18, and Shuff followed with 14. Earl Smith canned 12 for the losers and Tally Johnson had 11.

The Panzers took an overtime victory from the Ponderosas, 40-34. Severs had 18 for the Panzers, and Smittle got 13 for Ponderosas.

The Aquila I squeaked by the Campus Club, 31-29. Womack marked up 15 for the winners, while Stephenson had 10 for the Campus Club.

The Pistons rolled by the 10th Region with ease, 69-54. Stanford carried the load for the Pistons with 20 big points. Adkins and McKinnis had 17 and 12 respectively.

Eagle Track Team To Open Season On April 15

By Ken Strafer

The Morehead State College track squad will open their 1964 season against Berea on April 15.

The Eagle sprinters are running series of one-hundred yard dashes to improve their time and stamina. Jim Harris is back again this year. Bobbie Johnson and Jerry Betts will try to fill the boots of Morehead sprinter Howard Murphy. Steve Stein, will hit the quarter miles record this year.

In the hurdles department, ground floor, Morehead has a 6'2" giant, Howard Smith. Ken Strafer will be running the low hurdles and other events. Jerry Betts will be the leading man in the hurdles.

Joe Settle and Bobbie Johnson will be running the half-mile and shooting for the college and O.V.C. record.

The mile masters this year will be: Dave Dennis, the fellows call him Swift for short; Wayne Gary; Larry Klasmier; Kenny Pack; Wobbler for short; Dennis Fushler; and Jim Johnson, Morehead's entry in the Kentucky Derby.

Bruce King and Mickey Wells will be doing the high jumping. Bruce King, who stands 6'2", touched his toes the other day and cleared six foot. Tom Pfaffner stands like Zeus in the Pole vaulters' box. Jeff Adickins is busy working on his shot and discus record.

Recently named P. D. Coach Earl Bentley named P. D. Christian as manager of the Morehead squad. P. D. hails from Harlan, Ky. and ran the half-mile for Eastern State College while he was enrolled there.

tively to share in the scoring. Jenkins and Wollard marked for the losers with 15 and 12 respectively.

Another overtime victory brought the Panzers closer to the tournament as they topped the Schumanns, 52-50. Junior Akers had 16, backed up by Dale Sexton with 12. Cahill (18) and Ron Foley (13) led the Schumanns.

The 69ers came out on top with a 45-33 victory over the Campus Club II. Littleton led the winners with 20; Cooper had 16 for losers.

A numerous amount of forfeits prevailed these past two weeks. These are as follows: Schumanns over the Dacons 205's over the Old Timers Pistons over the Desires 69ers over the Parsons Playboys over the Campus Club II.

NKR's over the Aquila II NKR's over the Buckeyes Unbelievable over the Buckeyes Being down by 9 points, they came back in the last ten minutes of play with consistent buckets by Dale Sexton.

The League II, the Panzers, having lost to the 10th Region by 2 points earlier in the season, came out victorious in the contest, 53-46. Being down by 9 points, they came back in the last ten minutes of play with consistent buckets by Dale Sexton.

Sexton wound up with 20 and was aided greatly on the boards by Suvers who also had 19 points. Montgomery got 13 and Wollard followed with 10 for the Region.

In League II, the Unbelievable took two games straight last Tuesday night to take 2nd place in their league and go to the playoffs. Their first was a real thriller seeing them squeak by the NKR's at one point, 29-28. Mike God-fred was high with 13 and Jim Meeks took honors for the NKR's with 9. Burns and Bonnevill added 5 apiece for the losers.

In the following contest, the Unbelievable again won a little more easily 57-43 over the Muffs. Godfred again came through with 23 while Smith was circled behind for the Muffs with 22.

Due to certain factors and irregularities, the final standings for each league are not available at present.

The regular season has officially ended as of last Tuesday. The representatives of each league for the tournament are as follows: 69ers (1st) and The Unbelievable (2nd) League I; Pistons (1st) and the Panzers (2nd) League II; and the Aquila (1st) and the Rockets (2nd) of League III.

Admission will be 25¢ per person. This also includes players of the teams in the tournament, if they are not playing that particular night.

Referees will be Bob Crager and Skip Smith. Rick Wallin will be official scorer and Zac Richards keeping the time.

Softball

Intramural Softball will be starting on April 14, the day following the end of spring vacation. Teams are still being formed, and managers will have until tomorrow evening to turn in their rosters at the IM office.

Due to the large number of teams entered this year, there will be no specific leagues. The Softball program will consist of a double-elimination tournament since there will be no possible way in which to play a regular schedule. Time and playing facilities are the major factors limiting play in this sport.

MSC Opens Baseball Season Against Olivet College Mar. 23

Morehead State College opened a rugged 26 game baseball schedule this year on Monday, March 23, against Olivet College, Olivet, Michigan. The Eagles will play Olivet again today.

The defending co-champions of the Ohio Valley Conference have scheduled 11 doubleheaders, with six of the double bills in the OVC. Rex Chaney's Eagles will again take a southern tour during the spring vacation with four games against Georgia Tech and Howard College, Birmingham, Ala.

Other opponents on the schedule outside of the OVC are: Xavier University; Marshall University; Olivet College; Kentucky State College; Villa Madonna; and Transylvania.

Heading the returns from last year's best team in history are: all-OVC 2nd baseman Dennis Doyle who hit .350; all-OVC first baseman Leston Stewart who hit .337; all-OVC third sacker Harold Sergeant with a .306 average; slick

fielding shortstop Terry West; catcher and outfielder Ed Haddock who hit .315 and gained all-conference honors; and pitcher Larry Wilson who had a 4-1 record.

Chaney, who was named co-coach of the year last year in the OVC, has the best crop of freshmen since he has been coaching at Morehead and readily admits that if his freshmen live up to their potential he could have another outstanding season.

March 24 — Olivet, Michigan, home.
April 1 — Kentucky State (DH), home.
April 2 — Villa Madonna (DH), home.
April 6 — Howard College, Birmingham, Ala., away.

April 7 — Howard College, Birmingham, Ala., away.
April 8 — Kentucky State, home.
April 9 — Xavier (DH), home.
April 24 — Eastern (DH), home.
April 25 — East Tennessee (DH), home.
April 28 — Marshall, away.
April 29 — Transylvania College, home.
April 30 — Kentucky State, home.
May 2 — Tennessee Tech (DH), away.
May 5 — Eastern (DH), away.
May 7 — Xavier (DH), away.
May 8 — East Tennessee (DH), away.
May 12 — Marshall (DH), home.

Leston Stewart Is Chosen As Sports Shot

By B. Pat O'Rourke

When you think of Leston Stewart you think of "Power behind the plate," and power is what the Eagle fan sees when Stewart swings.

He has led the OVC in home runs for the last three years and broke the Conference record with 8 home runs last year. Moore has also led the conference in total bases the last three years with 32, 61 and 67 total bases respectively.

Two of the last three years Stewart has led the team in R.B.I.'s with 21, 26 and 28 respectively.

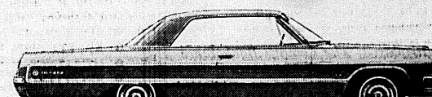

Leston, who has been an All-Conference first baseman for the last three years, had this to say about the coming season. "The team, barring injuries, is in fine shape and has a good chance to win the Conference."

Stewart is a physical education major and is a member of the M Club and Aquila Club.

Chevrolet will go to any length to make you happy

Things have changed a lot since a Chevy was only a Chevy. Especially your ideas of what you want a Chevy to be. So now you have the Jet-smooth Chevrolet—17½ feet of pure luxury, bumper to bumper. The size makes it a luxury car. But not the price.

Or you can choose the thrifty Chevy II, a 15½-foot family car with all kinds of passenger and luggage space.

This year, your choice might be the new 16-foot-plus Chevrolet, sized to fit nicely between Chevy.

rolet and Chevy II (and between parking meters, with five whole feet left over). Then, too, there's the sporty 16-foot Corvair, so right for so many people (you girls, in particular) that we've never touched an inch of it. And finally, Corvette—still 14½ feet and still too much for any true sports-car lover to say no to.

The long and short of it is, you don't have to go to any length to find exactly the kind of car you want. Just see the different lines of cars at your Chevrolet dealer's.

MEMBERS, NEW AND OLD — Pictured above are the members of the Morehead State College Circle K. The organization recently accepted 14 college students as new members.

English Conference Held At Morehead State College

"This conference certainly demonstrated that English and foreign language teachers are conscious of the latest teaching materials and methods and that Morehead State College is out front in developing them," said James E. Davis, Chairman of the EKEA Department of English and Foreign Languages.

Davis presided at the third annual English conference held March 13 on the Morehead State College campus. Over one hundred teachers and students attended the day long conference.

The major events of the day were the showing of audio-visual aids for the teaching of literature prepared by Morehead State College through its Division of Language and Literature and the Department of Audio-Visual Aids.

One of these aids, "The Nature of Physical Nature in Literature," written by Dr. Lewis Barnes, was an 8 mm. sound and color film production. Dr. Barnes also spoke concerning the use of audio-visuals in the teaching of literature.

Dr. Norman Tani spoke briefly on the recency of the development of 8 mm. sound which makes sound films economically practical for schools. Said Tani, "A few years ago I wouldn't have believed this could have been done."

"The Essence of Romanticism," a sound, color, automatic slide production by Dr. Ruth Barnes, was shown in the afternoon. Other materials were on display and were demonstrated at various times during the program.

There was a symposium on programmed learning during the afternoon session with Dr. Charles Peirce, Bernard Hamilton, Sam J. Denney, and William Hampton speaking.

MOREHEAD COMBO ENTERTAINS — Lt. Gov. Harry Lee Waterfield (left) and Mrs. Waterfield held a reception at the Old Governor's Residence in Frankfort Tuesday evening (March 10) honoring members of the 1964 Kentucky General Assembly. Special music for the evening was provided by a combo from Morehead State College.

Shown (left to right) with the host and hostess are: John K. Steiter, music department faculty member; David Phillips, trumpet; Gary Billups, saxophone; Mike Svec, bass; Ted Budd, pianist; and Allen Hill, pianist. John Bastille, drummer, is not shown.
